Translational Science Clinic Mentor Evaluation

This evaluation determines the student's grade for the course and must be discussed with them.

1) Student Type
- ◯ MSTP
- ◯ TL1
- ◯ Other

2) Mentor First and Last Name

_____

3) Student First and Last Name

_____

4) Semester
- ◯ Fall
- ◯ Spring
- ◯ Summer

5) Year

_____

		Strongly Agree	Agree	Undecided	Disagree	Strongly Disagree
6)	The student was able to effectively integrate current scientific literature into the diagnosis and treatment plan.	◯	◯	◯	◯	◯
7)	The student conducted effective literature searches for the specific disease topic.	◯	◯	◯	◯	◯
8)	The student displayed enthusiasm for integrating current research literature with clinical problems.	◯	◯	◯	◯	◯
9)	The student was able to conceptualize research questions that integrated current literature and disease states.	◯	◯	◯	◯	◯
10)	The student challenged you scientifically in an appropriate manner.	◯	◯	◯	◯	◯

11) Overall Evaluation
- ◯ Honors
- ◯ Pass
- ◯ Fail
