

# A study on the relationship with digital technology in the Covid-19 era

By dedicating us no more than a minute dedicated to the compilation you will give a big help to us and to a research on the difficulties of accessing digital technologies (in English the problem is called DIGITAL DIVIDE) Once completed: a) Help your friend / brother / parent / grandparent not familiar with digital technology to fill it out. Your answers will also be very useful to us. b) Help us by spreading it to friends and colleagues through social networks / messaging tools (eg. WhatsApp) and more
