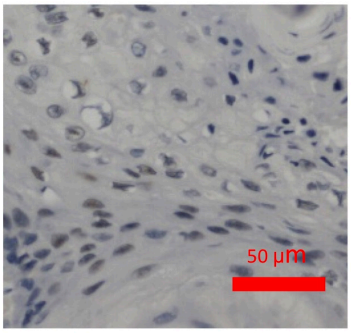
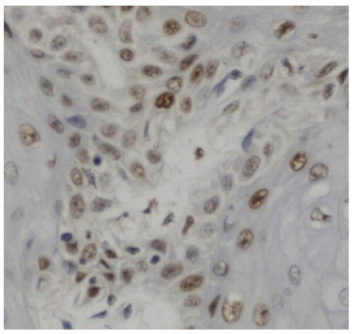
Additional information:

RB1(N)

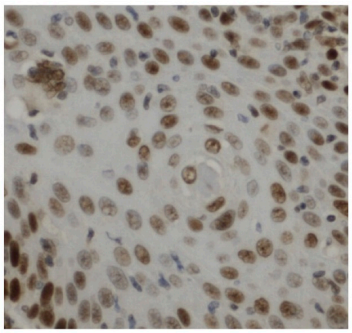
(A) Score 0 (Negative)



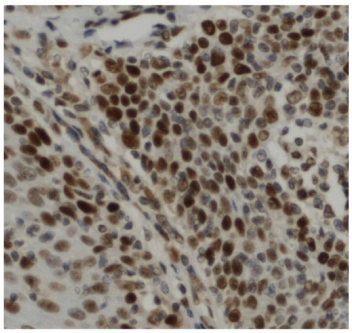
(B) Score 1+



(C) Score 2+



(D) Score 3+



Note:

IHC staining was classified into four categories. (A) score 0 (negative) indicates very faint or absent staining, (B) score 1+ indicates weak staining, (C) score 2+ indicates moderate staining, and (C) score 3+ indicates strong staining based on staining intensity.
