

APPENDIX – Collaborating Study Group Contributing Investigators

The Contributing Investigators from the *Metropolitan EMS Medical Directors Global Alliance* (“Eagles”) and their affiliated collaborators have provided de facto consent to publish their information by submission of their agency’s data and by participating in a formal survey and request for these applicable data. They also participated in internal review of the primary findings.

The contributing study group investigators included the following persons:

- *American College of Emergency Physicians*: Sandra M. Schneider, MD (forum co-host)
- *National Association of EMS Physicians*: Michael K. Levy, MD; Jose Cabanas, MD (President and President-Elect and forum co-hosts) -- also see Anchorage & Raleigh below.
- *National Association of Emergency Medical Technicians*: Craig A. Manifold, DO (forum co-host; now deceased)
- Greater Broward EMS Medical Directors Association:
Peter M. Antevy, MD; Randy S. Katz, DO & James P. Roach, DO (satellite conference hosts)
