

Supplementary Fig 1. Timeline indicating the dates of vector control campaigns, baseline and evaluation periods for the 14 study sites.

Vector Control Intervention Study period
█ Bendicarb █ Baseline
█ Actellic █ Evaluation period
█ Alpha-cypermethrin
█ Sumishield 50W
█ Universal LLIN campaign

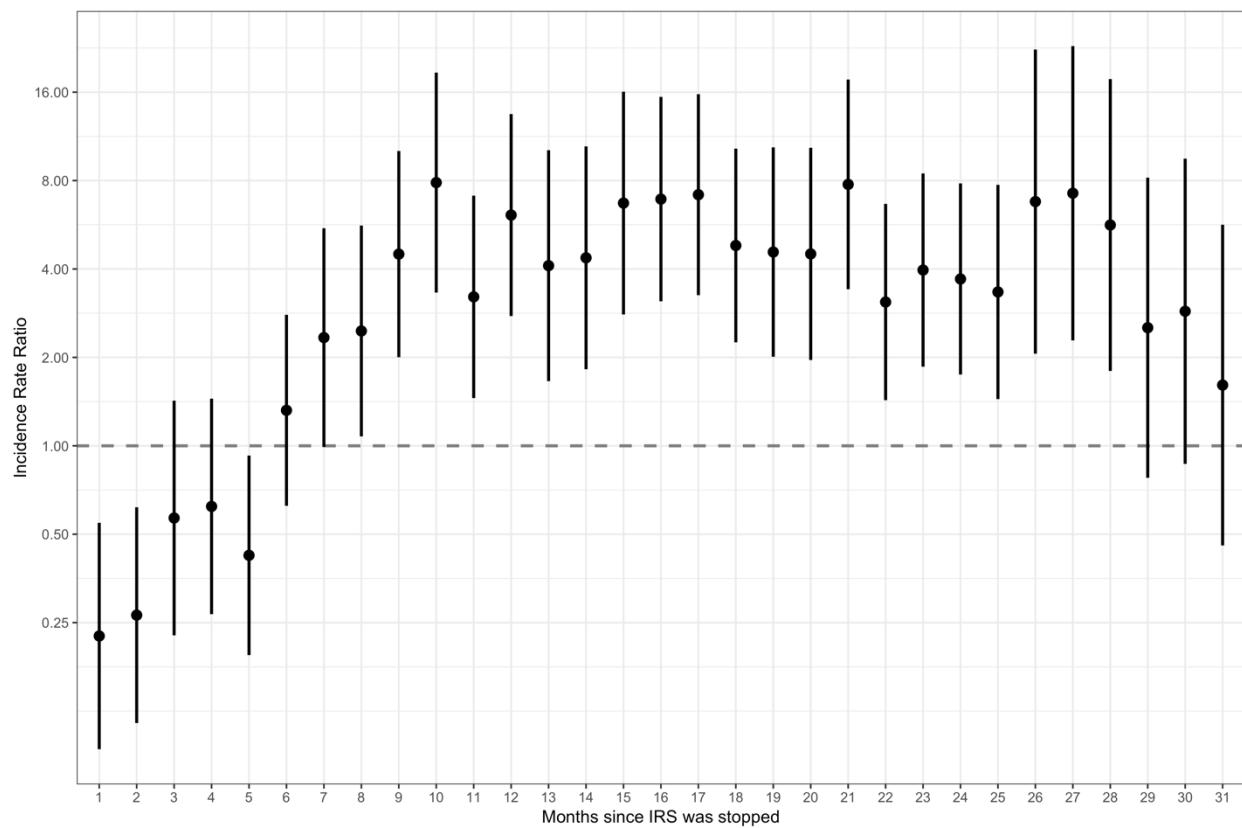

Supplementary Fig 2. Case counts over time for the three study sites included in the analysis for study objective 1.

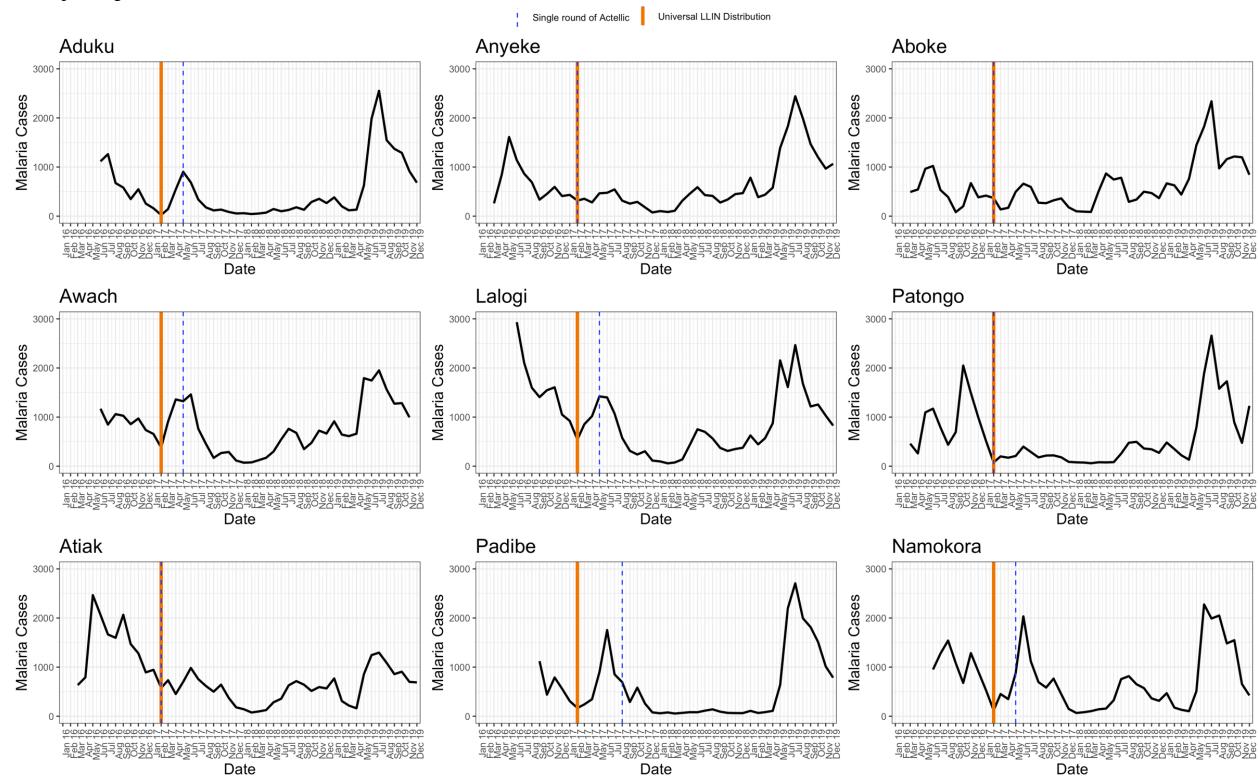

Supplementary Table 1. Coefficients and 95% confidence intervals for study objective 1. P-values are 2-sided and correspond to t-test from regression models. No adjustment for multiple comparisons was made.
