Part 4 : Suggestions to halt DoNA

Please tick (✓) the relevant

22. What you suggest to control DoNA from community pharmacies

- Pharmacy retailers should penalized for DoNA
- Vigilance of pharmacies by drug inspectors should be more strong
- Pharmacy retailers need continuous training about AMR
- Other _____ (Please mention)

23. What should be the role of pharmacy retailers to halt the use of non-prescribed antibiotics

- Educate patients about the outcome and AMR due DoNA
- Educate and train the staff of pharmacy about the outcome and AMR due DoNA
- Arranging awareness seminars during the meetings of Chemist and Druggist Associations
- Arrange public awareness campaigns
- Other _____ (Please mention)

Thank you so much for your precious time.
