

Suppl. Figure Legends

Figure 1 Effects of Calcitriol on radiation responses *in vitro*

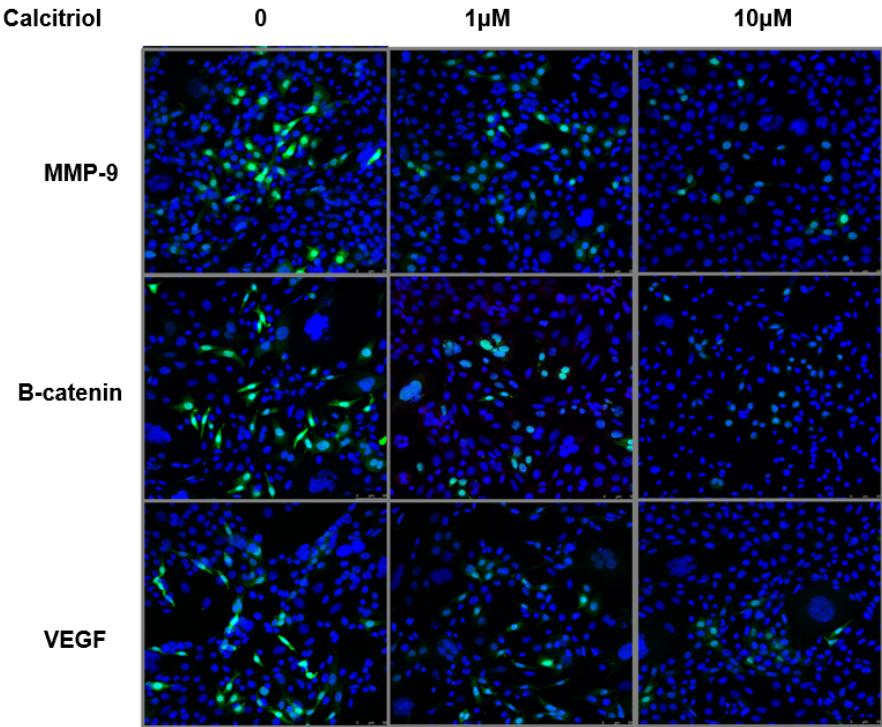

Effect of Calcitriol treatment on EMT-related proteins demonstrated by immunofluorescence *in vitro* (DAPI, blue; target protein, green).

Figure 2 Effects of Calcitriol on IL6 signaling *in vitro*

Effect of Calcitriol treatment on IL6 expression demonstrated by immunofluorescence *in vitro* (DAPI, blue; IL-6, green; p-stat3/p-p38, red).
