

Appendix A

Core Determinants of Health Screening Tool (the “Core 5”)**Pre-Surgical Patient Questionnaire***To help us care for you...*

It is important that we are all prepared for your upcoming surgery or procedure. In order to identify ways we may be able to help, please answer the questions below.

Please check yes or no for the questions below:

	Yes	No
1. Has a lack of transportation kept you from work, attending medical appointments, or from getting things you need for your daily living?		
2. Are you currently having concerns at home with your utilities such as your heat, electric, natural gas, or water?		
3. Are you worried about losing your housing or are you homeless?		
4. Do you or your family worry about whether your food will run out and you won't be able to get more?		
5. Are you worried that someone may hurt you or your family?		

Thank you for taking the time to answer these questions. A social worker or nurse will contact you if you answered yes to any of the questions above.

Appendix B

Staff Usability Survey of Core 5 SDOH Screening Tool

(Survey to administered via Survey Monkey following the six week implementation phase.)

1. *The Core 5 screening tool is clear and easy to understand.*
