Q16 Who else is CURRENTLY living in your household? Please tick all that apply
<1> I live by myself
<2> I live with my partner
<3> I live with my child/children aged under 18
<4> I live with my child/children aged over 18
<5> I live with family members other than partner / children
<6> I live with housemates
16a Where are you living during lockdown?
<1> My usual home
<2> not my usual home – keeping away from household members who are at high risk coronavirus
<3> Not my usual home – other reason
Q17 How many people, including yourself, are there in your household? Please include both adults and children. If you live alone, enter 1
Number
Q17a
For each household member ask age (in years) and sex
The following questions will ask you to report on how many people you have come into contact with both inside and outside of your household.
A contact is defined as either:
Direct skin-to-skin physical contact (e.g. kiss/embrace/handshake)
• Face-to-face conversation with another person which lasts over 3 mins, within 2m distance
Being within 2m distance from another individual for over 5 mins
Note: if you contacted the same person in different times through the day, they should be counted once.
Q18 How many different people did you have contact with, both inside your household and while outside (after having left your household) in the past 7 days?

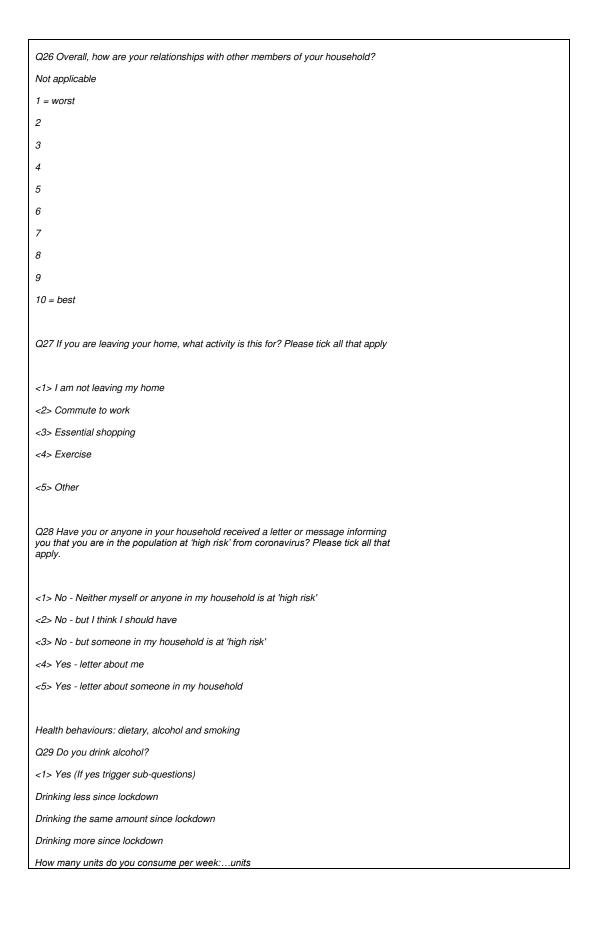

2. Don't know
IF Q19b is NOT=0
Q19c Among the contacts you had, just from yesterday, outside your household, how many belonged to the following age groups?
No contacts yesterday
0 to <10 years old (enter number)
10 to <20 years old (enter number)
20 to <30 years old (enter number)
30 to <40 years old (enter number)
40 to <50 years old (enter number)
50 to <60 years old (enter number)
60 to <70 years old (enter number)
70 to <80 years old (enter number)
80 to <90 years old (enter number)
90+ years old (enter number)
Don't know
IF Q19b is NOT=0
Q19c Among the contacts that you have had in the past 7 days outside your household, how many contacts occurred at work?
Enter 0 if you had no contacts in the last 7 days outside of your household that occurred at work

1. (enter number) 2. Don't know For the following questions please answer according to the following terms; Self-isolation – refers to those who are symptomatic and self-isolating for 7 days from when symptoms started Shielding – those in specific vulnerable groups staying at home for 12 weeks. These groups would include those with underlying chronic health conditions: cancers, respiratory disease, on immunosuppressants, those at increased risk of infection or pregnant women with heart disease and/or those advised by the NHS of their extremely vulnerable status'. Household quarantine - 14-day quarantine period for all members of a household from the first day of symptom onset in first case in that household Social distancing and isolation Q20 Are you currently in self-isolation? <1> Yes <2> No If yes, for how long:...days Q21 Are you currently shielding as per government guidelines for vulnerable groups? <1> Yes <2> No Q22 Have you moved residence recently due to the pandemic? Y/N Q23. Are you single, married, living with a partner, divorced, widowed? Q24. Are you <1> Continuing to work in your usual job; at home <2> Continuing to work in your usual job and leave home for your job <3> volunteering in response to the COVID pandemic <4> a key worker <5> unemployed <6> retired <7> furloughed (put on leave, still getting paid) <8> had to close your business due to COVID-19 <9> lost my job due to the lockdown <10> a student <99> None of the above Q25. How often are you now contacting friends/family members remotely

(Skype/Zoom/Mobile/landline phone etc)?

less than once a week?

Several times per day, once a day, 2-3 x per week, 4-6 x per week, once a week,

```
(half pint/ 300ml = approx. 1 unit, 175ml glass wine= approx. 2 units)
<2> No (If no, trigger sub-questions)
I never drink alcohol
I had already stopped drinking alcohol before lockdown
I stopped drinking alcohol when lockdown started
Q30 Do you smoke?
<1> Yes (if yes, trigger sub-questions)
Smoking less since lockdown
Smoking the same amount since lockdown
Smoking more since lockdown
If yes, how many cigarettes or roll-ups do you smoke per day:...
<2> No (if now, trigger sub-questions)
I never smoked
I had already stopped smoking before lockdown
I stopped smoking since the lockdown
Q30a) Has there been a change in your vaping (e-cigarettes) status since the
coronavirus lockdown?
<1> I never vaped
<2> I had already stopped vaping before
<3> I stopped vaping since the lockdown
<4> Vaping less
<5> Vaping the same amount
<6> Vaping more
Q31 Since the lockdown, are you managing to keep a healthy diet, for example,
eating fresh fruits and vegetables?
<1> No change from usual - already had a healthy diet
<2> No change from usual - my diet isn't very healthy
<3> My diet has become more healthy
<4> My diet was healthy before but has got worse since lockdown
```

Q32 On average, how many portions (or servings) of fruit and vegetables do you eat

per day?....

- One portion is typically légi, 3 heaped tablespoors of cooked veg or 1 cereal bowl of mixed salespoors of boars and other pube vegetables, such as 1 house of heaped tablespoers. Boars and other pube vegetables, such as 1 house of the pube vegetables, such as 1 house of the pube vegetables of the pube vegetables of the pube vegetables. Functional Activities Questionnaire
For each of the tasks below please rate your ability to carry out the task/activity independently on the following scale:
1. I had no difficulty
2. I had some difficulty, but I completed the task/activity myself.
3. I need some assistance to complete the task/activity:
a) I did not need assistance prior to COVID-19 lockdown but need assistance now to maintain social isolation/distancing
b) I could do the task/activity before the COVID-19 lockdown, but now would need assistance even if it were not to maintain social distancing
c) I required assistance since before the COVID-19 lockdown
4. I needed others to do this for me,
a) I could do the task/activity myself or with assistance prior to COVID-19 lockdown but need others to do it for me to maintain social isolation/distancing
b) I could do the task/activity myself or with assistance before the COVID-19 lockdown, but now would need others to do it for me even if it were not to maintain social distancing
c) I required others to do it for me since before the COVID-19 lockdown
5. I am unsure if I require assistance (e.g., never did the task/activity or have not done the task/activity over the past week)
Activities:
1. Writing cheques, paying bills, balancing cheque book, using an ATM cash machine
Response:
2. Assembling tax records, business affairs, or papers
Response:
3. Shopping alone for household necessities, medicines or groceries
Response:
4. Playing a game of skill, working on a hobby
Response:
5. Heating water, making a cup of coffee, turning off stove after use
Response:

6. Preparing a balanced meal
Response:
7. Keeping track of current events
Response:
8. Paying attention to, understanding, discussing TV, video, book, magazine
Response:
9. Remembering appointments, family occasions, public holidays, to take medications
Response:
10. Travelling out of my neighbourhood by taxi, car, bus or train and making travel arrangements.
Response:
THANK YOU FOR COMPLETING THIS QUESTIONNAIRE. YOUR RESPONSES HAVE BEEN SAVED AND SENT TO THE STUDY TEAM.
NHS health advice and information regarding the novel coronavirus can be found here: https://www.nhs.uk/conditions/coronavirus-covid-19/
For Advice on Mental health we suggest using these links:
1. The NHS Every Mind Matters website has information on how to look after your mental wellbeing while in isolation: https://www.nhs.uk/oneyou/every-mind-matters/
2. The charity Mental Health UK have advice on managing mental health during the coronavirus outbreak: https://mentalhealth-uk.org/help-and-information/covid-19-and-your-mental-health/
3. The NHS recommends a range of mobile apps to help with mental wellbeing, many of which are free to download: https://www.nhs.uk/apps-library/category/mental-health/
4. If you need someone to talk to about your mental health, the charity Samaritans have a helpline available 24 hours a day, 7 days a week:
a. Call: 116 123
b. or visit: https://www.samaritans.org/how-we-can-help/contact-samaritan/
For Adviso on Physical activity we avagest value those links
For Advice on Physical activity we suggest using these links:
 The NHS Live Well website has a range of free advice and programmes from light activity to more strenuous exercises for those aged under 65: https://www.nhs.uk/live-well/exercise/
2. The NHS Live Well website has a range of free advice and programmes from light activity to more strenuous exercises for those aged 65 or older: https://www.nhs.uk/live-well/exercise/physical-activity-guidelines-older-adults/
3. Tips, advice and guidance from Sport England on how to keep or get active in and around your home: https://www.sportengland.org/stayinworkout

4. Stay Active at Home: a simple set of exercises designed for older people to stay active at home: https://www.csp.org.uk/public-patient/keeping-active-and-healthy/staying-healthy-you-age/staying-strong-you-age/strength
