Journal of Materials Science: Materials in Medicine

Dear Dr Moosazadeh Moghaddam

Thank you for agreeing the article processing charge for Journal of Materials Science: Materials in Medicine. I would like to update you regarding your status with respect to the article processing charge that is normally due if a manuscript is accepted.

I am pleased to say that a waiver has been granted on this occasion.

No payment is due on publication of this article.

The article processing charge has been waived by Springer Open.

Kind regards,
