

Comments to Manuscript Number PONE-D-20-40267R2

Full Title: Screen time and early adolescent mental health, academic, and social outcomes in 9- and 10- year old children: Utilizing the Adolescent Brain Cognitive DevelopmentSM (ABCD) Study

Short Title: Screen time and the ABCD Study

Thanks to the authors for their effort to address all the comments and implement the recommendations that were made during the second time review. I appreciate their work to make the manuscript reads better. I think this version now fits as a good one to publish in *PLoS ONE*. I believe the changes they have made significantly improved the quality of this paper.
