**Fig. 1** The incidence (A) and prevalence (B) rates reported for CIDP [1,4-6,20]

Note, ranges are included where publications spanned multiple countries and reported a range of prevalence or incidence data.

\*Mixed crude, standardised, and age and sex adjusted incidence/prevalence data. †Standardised incidence/prevalence data. ‡Type of incidence/prevalence data (i.e. standardised or crude) was not reported.

Multinational studies included the following countries:

- Broers *et al.* 2019: Republic of Ireland, Iceland, UK, USA, Japan, Italy, Norway, Australia and Japan
- Hanewinkel *et al.* 2016: Geographies NR
- Ryan *et al.* 2018: USA, Italy and Japan

CIDP: Chronic inflammatory demyelinating polyneuropathy; NR: Not reported.
