Electronic Supplementary Material I

This supplementary material has not been peer reviewed

Title of paper: **Impacts of environmental change on vegetation dynamics and biodiversity in Siberia**

Authors: Sergey N. Kirpotin , Terry V. Callaghan, Anna M. Peregon , Adrei S. Babenko, Daniil I. Berman, Nina A. Bulakhova , Arysia A. Byzaakay, Tatiana M. Chernykh, Vladislav Chursin, Elena A. Interesova, Sergey P. Gureev , Ivan A. Kerchev ,Viacheslav I. Kharuk, Aldynai O. Khovalyg, Leonid A. Kolpashchikov , Svetlana A. Krivets , Zoya N. Kvasnikova, Irina V. Kuzhevskaia, Oleg E. Merzlyakov, Oleg G. Nekhoroshev, Viktor K. Popkov , Andrei I. Pyak , Tatyana O. Valevich , Igor V. Volkov , Irina I. Volkova

Title of ESM: **Additional references to support the case studies and details for references in online supplementary material II.**
