

A

Survival curve of age (P=0)

B

Survival curve of race (P=0)

C

Survival curve of sex (P=0)

D

Survival curve of COLI (P=0)

E

Survival curve of education (P=0)

F

Survival curve of income (P=0)

G

Survival curve of marital (P=0)

H

Survival curve of insurance (P=0)

I

Survival curve of residence (P=0)

Survival curve of poverty (P=0)

K

Survival curve of bone (P=0)

L

Survival curve of brain (P=0)

M

Survival curve of lung (P=0)

N

Survival curve of AFP (P=0)

○

Survival curve of fibrosis (P=0)

P

Survival curve of chemotherapy (P=0)

Survival curve of radiotherapy (P=0.7049)

R

Survival curve of T (P=0)

S

Survival curve of N (P=0)

T

Survival curve of M (P=0)

U

Survival curve of Node (P=0)

V

Survival curve of surgery (P=0)

W

Survival curve of surgery_lymph (P=0)

X

Survival curve of number (P=0)

Y

Survival curve of size (P=0)
