

Name	Contributions to the COVID-19 IDR and Current Manuscript	Additional contributions not listed or captured:	Conflicts of Interest	Email Address
Andrew L. Yin	Drafting manuscript, review of manuscript, manual chart abstraction, query development, extraction and analysis of data		No	aly2011@med.cornell.edu
Winston L. Guo	Drafting manuscript, review of manuscript, query development, extraction and analysis of data		No	wig4004@med.cornell.edu
Evan T. Sholle	Drafting manuscript, review of manuscript, query development, extraction and analysis of data, development of COVID IDR		No	evs2008@med.cornell.edu
Mangala Rajan	Drafting manuscript, review of manuscript, development of COVID IDR		No	mar2834@med.cornell.edu
Mark N. Alshak	Review of manuscript, member of initial REDCap abstraction leadership team		No	mna2005@med.cornell.edu
Justin J. Choi	Review of manuscript, manual abstraction leader, development of COVID IDR		No	juc9017@med.cornell.edu
Parag Goyal	Review of manuscript, manual abstraction leader, development of COVID IDR		No	pag9051@med.cornell.edu
Assem Jabri	Review of manuscript, member of initial REDCap abstraction leadership team		no	asj2003@med.cornell.edu
Han A. Li	Review of manuscript, member of initial REDCap abstraction leadership team		No	hal2019@med.cornell.edu
Laura C. Pinheiro	Review of manuscript, member of initial REDCap abstraction leadership team		No	lcp2003@med.cornell.edu
Graham T. Wehmeyer	Review of manuscript, member of initial REDCap abstraction leadership team		No	gtw2001@med.cornell.edu
Mark Weiner	Review of manuscript, contributed to methods and direction of project		No	mgw4001@med.cornell.edu
Monika M. Safford	Review of manuscript, manual abstraction leader, development of COVID IDR		No	mms9024@med.cornell.edu

Thomas R. Campion Jr.	Drafting manuscript, review of manuscript, extraction and analysis of data, development of COVID IDR		No	thc2015@med.cornell.edu
Curtis L. Cole	Drafting manuscript, review of manuscript, development of COVID IDR		No	ccole@med.cornell.edu
Weill Cornell COVID-19 Data Abstraction Consortium				
Alex L. Huang	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		No	a.huang718@gmail.com
Alice Chung	Data Collection (e.g. manual abstraction/chart review);		No	achung812@gmail.com
Alisha N. Dua	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		No	and2061@med.cornell.edu
Andrew Cho	Data Collection (e.g. manual abstraction/chart review);		No	andrewc314@gmail.com
Andrew Eidelberg	Data Collection (e.g. manual abstraction/chart review);		No	a.eidelberg512@gmail.com
Anthony F. Blackburn	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		No	blackburnmd.2021@gmail.com
Aretina K. Leung	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		No	aretinaleung@gmail.com
Ashley Wu	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		no	wu.ashley.md@gmail.com

Bethina Liu	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		No	bethina.liu@post.harvard.edu
Brienne C. Lubor	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);Taught other students or chart reviewers;Participated in data analysis or synthesis;	See Above	No	bclubor@gmail.com
Bryan Ang	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		No	Bryanang1294@gmail.com
Camila M. Villasante	Data Collection (e.g. manual abstraction/chart review);		no	cav2019@med.cornell.edu
Charalambia Louka	Data Collection (e.g. manual abstraction/chart review);		No	cl1994@nyu.edu
Chelsea D. Boydston	Data Collection (e.g. manual abstraction/chart review);		No	Chelsea.boydstun@gmail.com
Clare A. Burchenal	Data Collection (e.g. manual abstraction/chart review);		No	Clare.Burchenal@cuanschutz.edu
Daniel A. Skaf	Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);Data Collection (e.g. manual abstraction/chart review);		No	dskaf@emory.edu
David L. Chang	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings discussing survey issues or potential data collection ideas);Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		no	davidlchang30@gmail.com
Dianne Lumaquin	Data Collection (e.g. manual abstraction/chart review);		No	dil2009@med.cornell.edu
Elena Beideck	Data Collection (e.g. manual abstraction/chart review);		None	Elenabeideck@gmail.com

Emily R. Eruysal	Data Collection (e.g. manual abstraction/chart review);		No	emilyeruysal@gmail.com
Emma Maria Schatoff	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		no	emmaschatoff@gmail.com
Eric T. Caliendo	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		no	ecalien@emory.edu
Frank R. Chen	Data Collection (e.g. manual abstraction/chart review);		No	frankrxchen@gmail.com
Gal Wald	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);Participated in data analysis or synthesis;Taught other students or chart reviewers;		No	galwald1@gmail.com
Gary F. George	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);Participated in data analysis or synthesis;Taught other students or chart reviewers;		No	gfg2001@med.cornell.edu

Hao Huang	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		No	hah2220@med.cornell.edu
Janice Havasy	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		No	jah2077@med.cornell.edu
Jennifer Huang	Data Collection (e.g. manual abstraction/chart review);		No	jennihuangmd@gmail.com
Jerry Y. Lee	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);Taught other students or chart reviewers;		No	jyl2006@med.cornell.edu
Joel Jose Q. Nario	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);Creating the REDCap form, editing or defining data fields;		No	jjqnario@gmail.com

		I helped Han, Graham, and Mark off the record with trouble shooting some of the logistical issues of the chart abstraction effort, especially towards the beginning.		
John K. Chae	Data Collection (e.g. manual abstraction/chart review);Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		No	jkc2005@med.cornell.edu
Joshua Bliss	Data Collection (e.g. manual abstraction/chart review);		No	Bliss.j@outlook.com
Kenny Chen	Data Collection (e.g. manual abstraction/chart review);		No	kechen@maimonidesmed.org
Kimberly A. Bogardus	Data Collection (e.g. manual abstraction/chart review);		no	kimberlybogardus1@gmail.com
Kimberly N. Forlenza	Data Collection (e.g. manual abstraction/chart review);		no	forlenza@uchc.edu
Leora Haber	Data Collection (e.g. manual abstraction/chart review);		No	Leorahaber@gmail.com
Lisa Zhang	Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Data Collection (e.g. manual abstraction/chart review);Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		No	liz4002@med.cornell.edu
Mahmoud Eljalby	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		No	meljalby@gmail.com

Marcos A. Davila III	Participated in data analysis or synthesis;	Assisted in creating the IDR	no	mzd2016@med.cornell.edu
Matthew L. Magruder	Data Collection (e.g. manual abstraction/chart review);		No	mmagruder@maimonidesmed.org
Max F. Morin	Data Collection (e.g. manual abstraction/chart review);		No	max.f.morin@gmail.com
Mitali Kini	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Taught other students or chart reviewers;		no	Mitali.kini@northwestern.edu
Orrin S. Belden	Data Collection (e.g. manual abstraction/chart review);		no	Orrin.Belden@mountsinai.org
Pooja D. Shah	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		None	poojadimpleshah@gmail.com
Prithvi M. Mohan	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;		No	Pmmohan95@gmail.com
Rachel L. Friedlander	Data Collection (e.g. manual abstraction/chart review);		no	Rachel.friedlander@northwestern.edu
Rahmi S. Elahjji	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		no	rahmi.elahjji@gmail.com

Rana K. Fowlkes	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		No	Ranafowlkes@gmail.com
Rohini V. Kopparam	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;		No	rohini.kopparam@gmail.com
Ruth Moges	Data Collection (e.g. manual abstraction/chart review);		No	ruthmoges@gmail.com
Sachin P. Shah	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		No	sps4001@med.cornell.edu
Samuel C. Williams	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);		No	scw2008@med.cornell.edu
Shannon M. Glynn	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas) ;		no	smglynn2021@gmail.com
Sonia Iosim	Data Collection (e.g. manual abstraction/chart review);		No	sonia.iosim@gmail.com
Sophie Mou	Data Collection (e.g. manual abstraction/chart review);		No	sophie.mou.sm@gmail.com

Xiaobo Fuld	Discussed data quality with the research team (e.g. discussing semantic issues, logistic issues, issues with data in the EMR, etc.);Participated in data analysis or synthesis;Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		No	xif2005@med.cornell.edu
Yuna Oh	Data Collection (e.g. manual abstraction/chart review);		No	yno2001@med.cornell.edu
Zara Adamou	Data Collection (e.g. manual abstraction/chart review);Participated in discussions about data collection (e.g. Zoom meetings with abstraction leaders discussing survey issues or potential data collection ideas);		no	zaa2011@med.cornell.edu
