

## *Supplementary Material*

### Supplementary Figures

**Supplementary Figure 1:** Full uncropped images of western blots shown in Figure 2C-1

**Supplementary Figure 2:** Full uncropped images of western blots shown in Figure 2C-2

**Supplementary Figure 3:** Full uncropped images of western blots shown in Figure 3G-1

**Supplementary Figure 4:** Full uncropped images of western blots shown in Figure 3G-2

**Supplementary Figure 5:** Full uncropped images of western blots shown in Figure 4B-1

**Supplementary Figure 6:** Full uncropped images of western blots shown in Figure 4B-2

**Supplementary Figure 7:** Full uncropped images of western blots shown in Figure 4B-3

**Supplementary Figure 8:** Full uncropped images of western blots shown in Figure 4B-4

**Supplementary Figure 9:** Full uncropped images of western blots shown in Figure 4C-1

**Supplementary Figure 10:** Full uncropped images of western blots shown in Figure 4C-2

**Supplementary Figure 11:** Full uncropped images of western blots shown in Figure 4C-3

**Supplementary Figure 12:** Full uncropped images of western blots shown in Figure 5A-1

**Supplementary Figure 13:** Full uncropped images of western blots shown in Figure 5A-2

**Supplementary Figure 14:** Full uncropped images of western blots shown in Figure 6A-1

**Supplementary Figure 15:** Full uncropped images of western blots shown in Figure 6A-2

**Supplementary Figure 16:** Full uncropped images of western blots shown in Figure 6A-3

**Supplementary Figure 17:** Full uncropped images of western blots shown in Figure 6A-4

**Supplementary Figure 18:** Full uncropped images of western blots shown in Figure 6B-1

**Supplementary Figure 19:** Full uncropped images of western blots shown in Figure 6B-2

**Supplementary Figure 20:** Full uncropped images of western blots shown in Figure 6B-3

**Supplementary Figure 21:** Full uncropped images of western blots shown in Figure 6B-4
