## COMPLIANCE WITH ETHICAL STANDARDS

I write to attest and approve that Dr. Chisaa, IGBOLEKWU (of the Department of Sociology, Landmark University) et al., complied with all ethical standards involving the use of human subjects in her research work titled "Spousal Support during Pregnancy in Nigerian Rural Context". Statements or testimonies of the participants will remain confidential and shall only be used for research purposes.

Kind regards.

Professor. B.O. Adebisin  
Director, LUCRID
