

	Data	ODE	IBM	PDE	Other	Stochastic	Deterministic	Spatial	Topic
Novick and Hoppensteadt 1978									Plasmid replication
Lee and Bailey, 1984									Plasmid replication
Nordström et al. 1984									Plasmid replication
Seo and Bailey 1985									Plasmid replication
Bremer and Lin-Chao 1986									Plasmid replication
Greenhalf et al. 1989									Plasmid replication
Keasling and Palsson 1989									Plasmid replication
Müller et al. 1991									Plasmid replication
Brendel and Perelson 1993									Plasmid replication
Leipold et al. 1994									Plasmid replication
Kuo and Keasling 1996									Plasmid replication
Goss and Peccoud 1998									Plasmid replication
Paulsson and Ehrenberg 1998									Plasmid replication
Paulsson and Ehrenberg 2001									Plasmid replication
Watve et al. 2010									Plasmid replication
Field and Summers 2011									Plasmid replication
Ishii et al. 1978									Plasmid segregation
Nordström et al. 1980									Plasmid segregation
Nordstrom and Austin 1989									Plasmid segregation
Hsu and Chang 2019									Plasmid segregation
Münch et al. 2019									Plasmid segregation
Stewart and Levin 1977									Plasmid stability
Levin et al. 1979									Plasmid stability
Levin and Stewart 1980									Plasmid stability
Nordström and Aagaard-Hansen 1984									Plasmid stability
Ataai and Shulert 1987									Plasmid stability
Cooper et al. 1987									Plasmid stability
Lenski and Bouma 1987									Plasmid stability
Stephanopoulos and Lapudis 1988									Plasmid stability
Summers 1991									Plasmid stability
Mongold 1992									Plasmid stability
Macken et al. 1994									Plasmid stability
Bergstrom et al. 2000									Plasmid stability
Ganusov and Brilkov 2002									Plasmid stability
Hsu and Tzeng 2002									Plasmid stability
Dionisio 2005									Plasmid stability
Imran et al. 2005									Plasmid stability
Novozhilov et al. 2005									Plasmid stability
Mochizuki et al. 2006									Plasmid stability
Song et al. 2006									Plasmid stability
De Gelder et al. 2007									Plasmid stability
Lili et al. 2007									Plasmid stability
Ponciano et al. 2007									Plasmid stability
De Gelder et al. 2008									Plasmid stability
Svara and Rankin 2011									Plasmid stability
Yuan et al. 2011									Plasmid stability
Kentzoglakis et al. 2013									Plasmid stability
Tazzyman and Bonhoeffer 2013									Plasmid stability
Yurtsev et al. 2013									Plasmid stability
San Millan et al. 2014									Plasmid stability
Harrison et al. 2015									Plasmid stability
Peña-Miller et al. 2015									Plasmid stability
Harrison et al. 2016									Plasmid stability
Werbow et al. 2017									Plasmid stability
Hall et al. 2017									Plasmid stability
Lopatkin et al. 2017									Plasmid stability
Werisch et al. 2017									Plasmid stability
Grover and Wang 2019									Plasmid stability
Zwanzig et al. 2019									Plasmid stability
Gama et al. 2020									Plasmid stability
Jordt et al. 2020									Plasmid stability
Wang and You, 2020									Plasmid stability
Alonso-del Valle et al. 2021									Plasmid stability
Freter et al. 1983									Plasmid transmission
Lundquist and Levin 1986									Plasmid transmission
Clewlow et al. 1990									Plasmid transmission
Simonsen et al. 1990									Plasmid transmission
Simonsen 1991									Plasmid transmission
Macdonald et al. 1992									Plasmid transmission
Smets et al. 1993									Plasmid transmission
Beaudoin et al. 1998									Plasmid transmission
Licht et al. 1999									Plasmid transmission
Landis et al. 2000									Plasmid transmission
Smith 2001									Plasmid transmission
Lagido et al. 2003									Plasmid transmission
Gregory et al. 2006									Plasmid transmission
Krone et al. 2007									Plasmid transmission
Massoudieh et al. 2007									Plasmid transmission
Gregory et al. 2008									Plasmid transmission
Nogueira et al. 2009									Plasmid transmission
Philipsen et al. 2010									Plasmid transmission
Zhong et al. 2010									Plasmid transmission
Mc Ginty et al. 2011									Plasmid transmission
Merkey et al. 2011									Plasmid transmission
Rankin et al. 2011									Plasmid transmission
Volkova et al. 2012									Plasmid transmission
Levin et al. 2014									Plasmid transmission
Ahmad et al. 2015									Plasmid transmission
Baker et al. 2016									Plasmid transmission
Lopatkin et al. 2016									Plasmid transmission
Cazer et al. 2018									Plasmid transmission
Campos et al. 2019									Plasmid transmission
Klümper et al. 2019									Plasmid transmission
Tepekule et al. 2019									Plasmid transmission
Ledda et al. 2020									Plasmid transmission
Leon-Sampedro et al. 2020									Plasmid transmission
van Dijk et al. 2020									Plasmid transmission
Lopez et al. 2021									Plasmid transmission
Condit and Levin 1990									Plasmid evolution
De Gelder et al. 2004									Plasmid evolution
Joyce et al. 2005									Plasmid evolution
Mc Ginty and Rankin 2012									Plasmid evolution
Mc Ginty et al. 2013									Plasmid evolution
Ledda and Ferretti 2014									Plasmid evolution
Tazzyman and Bonhoeffer 2014									Plasmid evolution
Tazzyman and Bonhoeffer 2015									Plasmid evolution
Loftie-Eaton et al. 2016									Plasmid evolution
Rodríguez-Beltran et al. 2018									Plasmid evolution
Ilhan et al. 2019									Plasmid evolution
Mei et al. 2019									Plasmid evolution
Rodríguez-Beltran et al. 2019									Plasmid evolution
Santer and Uecker 2019									Plasmid evolution
Lehtinen et al. 2021									Plasmid evolution
