QUESTIONS General demography	SCORING CODE
How old are you? Which gender do you identify with? In which country do you live?	male, female, non binary, I prefer not to say
in which country do you live? How would you define your civil status?	single, married, divorced, widow, in a couple
	my own house/apartment, shared house/apartment, in a rented roo institutionalized, I am homeless
What level of education do you have? (check the maximum obtained)	primary education, secondary education, further education, bachel degree, masters degree, doctoral degree
What is your job?	skilled job, unskilled job, caring for others/home, I have a compar I am self-employed, I am a healthcare worker (or working in a
Questions for the Scale of socio-economic precariousness	healthcare setting, I am unemployed, others For index scoring, sum of all points multiplied by 2.
Who provides financially at home?	>2 of us = 0 p, 2 of us = 1 p, only me = 2p no= 0 p; yes, the company made a temporary labour force
Have you lost your job due to the COVID-19 outbreak?	adjustment plan= 1 p; yes, others = 1.5 p; yes, I was fired/the company made a labour force adjustment plan/ I have lost some jo previously contracted/arranged = 2 p
Do you have savings? Do you have a mortgage to pay?	yes= 0 p, yes, some= 1 p, no = 2 p no = 0 p; yes, one = 1 p; yes, more than $1 = 2$ p
Do you have rent to pay? Are you spending less since the COVID-19 outbreak?	no = 0 p, yes = 2 p no = 0 p; a little = 1 p; yes = 2 p no = 0 p; no, but will have to = 1 p; yes = 2 p
COVID-19 outoreak?	no = 0 p; yes (any answer: children <16 y.o., >16 y.o, pare
Do you have to take care of somebody? (multiple choice question)	siblings, others) = 1 p per positive answer.
Habits and COVID-19-related health status during confinement (If having children): In which grade do you think the confinement is being	scale of potential answer, 0 being= not at all and 10= a lot
difficult for children (and therefore for the family?	yes; yes, I am teleworking; no, I work in essential services; no, I
Are you staying at home, during this time?	need to work; no, my employer does not allow me to no; yes, of getting infected; yes, of going to the shops; yes, of
Are you scared or worried?	infecting others; yes, that people close to me get infected the children; my parents/close elderly people; my colleagues;
Who are you scared of infecting?	anyone no; yes, I eat more; yes, I drink more (alcoholic drinks); yes, I
	smoke more; yes, I consume more illegal drugs; yes, I consume more drugs to calm myself down (sleeping pills, muscle relaxants tranquilizers)
	TV; Radio; Newspaper; Social media (Whatsapp, Twitter,
Through which channel do you receive information about the outbreak?	Telegram etc.); Other channels It's too much: I would like the Government to explain less; It's to much: I would like the media to explain less: It's too little: I would Telegram etc.); Other channels
	much: I would like the media to explain less; It's too little: I would like the Government to explain more; It's too little: I would like t
	media to explain more; It's too negative/too sensationalist; I thin it's poorly adjusted to reality; It's alright; I do not think anything
What do you think of the information you are receiving?	about it no; yes, my life has changed; yes, my personality had changed; ye the year. I see seeign the year we lived
Do you think this situation has changed you? Have you been in contact with someone infected by SARS-CoV-2?	the way I see society/the way we lived yes, with a confirmed case (test positive); yes, with a probable no
	confirmed case (test negative or test not done); I do not know no; persistent cough (for one week or more); headache; persistent fever (for one week or more); extreme fatigue/tiredness; sore thro
Since February, have you had any of these symptoms?	muscle pain; loss of appetite/weight; loss of smell, smell blindnes loss of taste; diarrhea; dizziness; shortness of breath; chest pain; nasal congestion/running nose
How do you feel now?	well, normal, I do not feel at 100%, bad have called a telephone number set up for the management of
In the last 14 days, have you used any healthcare resources put in place for the	COVID cases; have gone to the emergency room; have used an a set up for management of COVID cases; have been to a public
	see up to management or COPT cases, have been to private doctor/healthcare center; have been tested; none of the above positive, negative
For HealthCare workers	physician, nurse, nurse assitant, technician, caretakr, researcher,
What is your job?	kitchen personnel, cleaning personnel, administrative personnel, others
Have you been working with COVID patients directly?	no; not as far as I know; yes, I have been/am in a COVID team; y on duty
Are you scared of working with COVID patients?	no; yes, o being infected; yes, of dying; yes, of transmitting the vi to other non-COVID patients; yes, of transmitting the virus to my people (family/colleagues): yes, of being obliged to take medical decisions representing an ethical dilemma for me (patient selection
	application of protocols) no; no, I think I need to follow the protocols; yes, with selection of patients and/or protocols for selection of patients or therapeutic
Have you had ethical concerns while working? Questions related to mental-health	indications; yes, others Scoring
Questions related to anxiety- How these sentences apply to you?	For each of the questions below: never = 0 p, sometimes = 1 p, often = 2 p, almost always = 3 p. For the index scoring, sum of a points multiplied by 2 .
Questions related to anxiety- How these sentences apply to you? last week I was aware of dryness of my mouth last week I experienced breathing difficulty (excessively rapid breathing, breath	often = $2 p$, almost always = $3 p$. For the index scoring, sum of points multiplied by 2 .
Questions related to anxiety- How these sentences apply to you? Instruck I was aware of dryness of my mouth last week I was aware of dryness of my mouth last week I experienced breathing difficulty (excessively rapid breathing, breath last week I experienced mentaling (eg in the hands) last week I was worried about stustions in which I might panic ad make a fool last week I fell was done to panic	often = 2 p, almost always = 3 p. For the index scoring, sum of a points multiplied by 2. lessness in the absence of any physical exertion and absence of ar of myself
Questions related to anxiety- How these sentences apply to you? Instruck I was aware of dryness of my mouth last week I was aware of dryness of my mouth last week I experienced breathing difficulty (excessively rapid breathing, breath last week I experienced mentaling (eg in the hands) last week I was worried about stustions in which I might panic ad make a fool last week I fell was done to panic	often = 2p, almost always = 3 p. For the index scoring, sum of a points multiplied by a common sum of the sum of a common sum of the description and absence of any physical exertion and absence of an of myself ions (sense of heart rate increase, heart missing a beat)
Questions related to anxiety- How these sentences apply to you? last week I was aware of dryness of my mouth last week I experienced breathing difficulty (excessively rapid breathing, breath last week I experienced breathing (ag in the hands) last week I reprinced mentiling (ag in the hands) last week I was worned about situations in whech mapit panic and make a fool last week I was aware of the action of my bear in the absence of physical exert last week I felt scared without any good reason Questions related to stress- How these sentences apply to you?	often = 2 p, almost always = 3 p. For the index scoring, sum of a points multiplied by 2. lessness in the absence of any physical exertion and absence of as of myself. long (sense of heart rate increase, heart missing a beat) For each of the questions below: never = 0 p, sometimes = 1 p,
Questions related to anxiety-How these sentences apply to you? Inst week I was sware of dryness of my mouth last week I experienced breathing difficulty (excessively rapid breathing, breath last week I experienced breathing (og in the hands) last week I was worried about situations in which I majet panic ad make a fool last week I was worted about situations in which I majet panic ad make a fool last week I was aware of the action of my laster in the absence of physical exert at week I was aware of the action of my laster in the absence of physical exert at week I fell excels without any good reason. Questions related to stress-How these sentences apply to you? last week I found it hard to wind down last week I found or over-next to situations	often = 2p, almost always = 3 p.
