

YMTHE, Volume 29

Supplemental Information

Next-generation strategies for gene-targeted therapies of central nervous system disorders: A workshop summary

Jill A. Morris, Chris H. Boshoff, Nina F. Schor, Ling M. Wong, Guangping Gao, and Beverly L. Davidson

Appendix: Key Opinion Leaders (in alphabetical order)

*Co-chairs

Rebecca Ahrens-Nicklas, M.D., Ph.D., The Children's Hospital of Philadelphia

Neil Aronin, M.D., University of Massachusetts Medical School

Aravind Asokan, Ph.D., Duke University School of Medicine

Fouad Atouf, Ph.D., U.S. Pharmacopeia

Douglas Ballon, Ph.D., Weill Cornell Medical College

Krystof Bankiewicz, M.D., The Ohio State University

Diana Bharucha-Goebel, M.D., NIH - NINDS & Children's National

Brian Bigger, Ph.D., University of Manchester

Ernesto Bongarzone, Ph.D., University of Illinois at Chicago

Carsten Bönnemann, M.D., NIH – NINDS

*Chris H. Boshoff, Ph.D., NIH – NINDS

Xandra Breakefield, Ph.D., Massachusetts General Hospital & Harvard Medical School

Ying Kai Chan, Ph.D., Ally Therapeutics

Theresa Chen, Ph.D., Food and Drug Administration

*Beverly L. Davidson, Ph.D., University of Pennsylvania & The Children's Hospital of Philadelphia

M. Jaysson Eicholtz, Scout Bio

Kevin Flanigan, M.D., Nationwide Children's Hospital

Omar Francone, Ph.D., Homology Medicines

Margie Frazier, Ph.D., MSW, Rare Disease Patient Advocacy and Consultation

*Guangping Gao, Ph.D., University of Massachusetts Medical School

Pedro Gonzalez-Alegre, M.D., Ph.D., University of Pennsylvania

Viviana Gradinaru, Ph.D., California Institute of Technology

Steven Gray, Ph.D., University of Texas Southwestern Medical Center

Heather Gray-Edwards, D.V.M., Ph.D., University of Massachusetts Medical School

Lyn Jakeman, Ph.D., NIH – NINDS

Petra Kaufmann, M.D., AveXis, INC.

Walter Koroshetz, M.D., NIH – NINDS

Anna Kwilas, Ph.D., Food and Drug Administration

Timothy LaVaute, Ph.D., NIH – NINDS

Gerry Lipshutz, M.D., University of California, Los Angeles

Laura Mamounas, Ph.D., NIH – NINDS

Linda McGavern, Ph.D., NIH – NINDS

Joseph Menetski, Ph.D., Foundation for the NIH

Federico Mingozzi, Ph.D., Spark Therapeutics

*Jill A. Morris, Ph.D., NIH – NINDS

Stephanie Morris, Ph.D., NIH - Office of Strategic Coordination

Avindra Nath, M.D., NIH – NINDS

Glen Nuckolls, Ph.D., NIH – NINDS

Anne Pariser, M.D., NIH – NCATS

Lauren Reoma, M.D., NIH – NINDS

Jim Richardson, Ph.D., U.S. Pharmacopeia

Becky Roof, Ph.D., NIH – NINDS

Richard Samulski, Ph.D., University of North Carolina at Chapel Hill
Mark Sands, Ph.D., Washington University School of Medicine
Nina Schor, M.D., Ph.D., NIH – NINDS
Nita Seibel, M.D., NIH – NCI
Miguel Sena-Esteves, Ph.D., University of Massachusetts Medical School
Mario Skiadopoulos, Ph.D., NIH – NINDS
Dolan Sondhi, Ph.D., Weill Cornell Medical College
Greg Stewart, Ph.D., Axovant
Edmund (Ned) Talley, Ph.D., NIH – NINDS
Amir Tamiz, Ph.D., NIH – NINDS
Cynthia Tifft, M.D., Ph.D., NIH – NHGRI
Bryan Traynor, M.D., Ph.D., NIH – NIA
Daniel Urban, Ph.D., Food and Drug Administration
Luk Vandenberghe, Ph.D., Harvard Medical School
Charles Venditti, M.D., Ph.D., NIH – NHGRI
Charles Vite, D.V.M., Ph.D., University of Pennsylvania
Piotr Walczak, M.D., Ph.D., Johns Hopkins University
Yael Weiss, M.D., Ph.D., Ultragenyx Pharmaceutical
John Wolfe, Ph.D., D.V.M., University of Pennsylvania & Children's Hospital Philadelphia
Ling Wong, Ph.D., NIH – NINDS
Clinton Wright, M.D., NIH – NINDS
John Fraser Wright, Ph.D., Stanford University
Timothy Yu, M.D., Ph.D., Boston Children's Hospital
