We thank the residents of the Africa Health Research Institute demographic surveillance area and their leaders for many years of continuous engagement in population health research. We are particularly grateful to those who engaged with Vukuzazi either through participation or through considering participation. We appreciate members of the Community Advisory Board for their crucial input throughout the lifecycle of the project. We additionally acknowledge the partnership of the local and provincial Department of Health in their support of this project. We thank all the members of the Vukuzazi Study Team (Table below) for their valuable contributions to this study. We dedicate this manuscript to the memory of Hlobisile Chonco.
