

Hypertension Style Check List_HYPE/2021/18449

Title has sufficient phrase in the first 65 character for search engines. So, the title remains unchanged.

Abstract has been shortened.

We have included Data availability statement in line with TOP for the methods section.

We have included novelty and significance section

We have renamed the tables and figures in the supplementary appendix.

The twitter handles for the authors are: @UniEastFinland; @uef_phcn; @CHERC_UoE
