Optional

Page 6: THANK YOU

Thank you for taking the time to complete this survey. Your responses have been submitted.

A summary of the study's findings can be obtained from the lead researcher, [Professor Dileep Lobo](#), from January 2021.

If you would be interested in taking part in future research concerning the development of interventions to tackle burnout among surgeons please click the link below. This will take you to a separate form where you may supply an email address.
