Subject: Autho list change

Dear Dr.Sun,

For the article "Linc01133 contributes to gastric cancer growth by enhancing YES1-dependent YAP1 nuclear translocation via sponging miR-145-5p", which We have submitted to the journal "Cell death and disease",

回复: Autho list change

昨天晚上10:10

Dear Professor Gao,

Thank you for the information about the change of authors. I agree with adding Wen-jie Zhu to the list of authors.
Best wishes and good night!
Tian Yuan
