NFκB

Card9

Mincle

TNF-α

IL-1β

β-actin

The above images are the RAW data of the WB results in Figure 4, each image corresponds to the WB band in Figure 4.

Figure 5

p-NF κ B

NF κ B

IL-1 β

IL-6

TNF- α

β -actin

The above images are the RAW data of the WB results in Figure 5, each image corresponds to the WB band in Figure 5.

Figure 6

The above images are the RAW data of the WB results in Figure 6, each image corresponds to the WB band in Figure 6.

Supplementary figure

Mincle

β -actin

The above images are the RAW data of the WB results in Supplementary figure1, each image corresponds to the WB band in Supplementary figure1.
