Dear Huamei Wei, Zuoming Xu, Liucui Chen, Qing Wei, Zihua Huang, Guoman Liu, Wenchuan Li, Jianchu Wang, Qianli Tang, Ya Zhang, Zebang Qin, and Anmin Wang,

I submitted our manuscript (CDDIS-21-3335) entitled“Long non-coding RNA PAARH promotes hepatocellular carcinoma progression andangiogenesis via upregulating HOTTIP and activating HIF-1 α /VEGF signaling” to CellDeath & Disease. During the revision, considering the contributions of authors, we decided to add Qing Wei, Zihua Huang, and Guoman Liu as the authors, and delete Ya Zhang, Zebang Qin, and Anmin Wang. Editorial office of CellDeath & Disease request agreement from all authors. Please reply to this email confirming your agreement to these changes.

Sincerely,

Jian Pu
