PART C: Reason for change(s)

Please confirm why the proposed changes specified in Part B above are required.

Additional authors have been added because these individuals were involved in generating and analyzing extra data required to respond to reviewer's comments.

PART D: Legal

1. This form is provided by BMJ Publishing Group Limited, (company registration number 03102371) whose registered office is at BMA House, Tavistock Square, London, WC1H 9JR, United Kingdom (**BMJ**).
2. Any personal data supplied in this form will be processed in accordance with [BMJ's Privacy Notice](#) for the purpose of recording the change(s) requested.
3. All change(s) requested must comply in full with [BMJ's authorship policy](#) and the [ICMJE Recommendations](#) on authorship. BMJ reserves the right to accept or refuse any change(s) requested in this form for any reason at BMJ's full discretion.
4. To the fullest extent permitted by law, in no circumstances shall BMJ be liable to the Corresponding Author or any other named author, or to any party, for any direct, indirect, incidental or consequential losses or expenses arising from the change(s) requested in this form.
5. Nothing in this Part D seeks to exclude liability for death or personal injury caused by BMJ's negligence or fraudulent misstatement. If BMJ has any liability in connection with the change(s) requested in this form, BMJ's aggregate liability shall not exceed £10,000.
6. The Corresponding Author shall indemnify BMJ against any claims, costs, expenses, proceeding, awards and demands against BMJ by the Corresponding Author, any other named author, or any other party arising as a result of the change(s) requested in this form and any breach of the warranties provided in Part E.

PART E: Declaration

IMPORTANT NOTICE: Please ensure you have read Parts D and E carefully before signing this form. In signing this form you are confirming that the Declaration below is correct to the best of your knowledge and belief. If it later transpires that the statements below are incorrect or inaccurate, you could be liable for any resulting damage or losses sustained by BMJ.

DECLARATION

I confirm and warrant to BMJ that, to the best of my knowledge and belief:

- the information contained in this form is complete and accurate in all respects;
- a copy of this form has been provided to each existing author (including each author named in Part B), who have each approved the contents of this form (including any changes requested therein) prior to the submission of this form to BMJ;
- each author named in Parts B has consented to the storage and processing of their personal data contained in this form by BMJ in accordance with [BMJ's Privacy Notice](#); and
- I am authorised to submit this form to BMJ on behalf of all existing authors (including each author named in Part B).

Signed
(Corresponding Author):

Print name:

Dr. Chantale Bernatchez

Date:

12/3/2021

Completed forms should be sent to the Journal Editorial Office who will contact the Corresponding Author in due course to confirm whether the changes requested have been accepted or rejected.
