### Data

**Data available:** No

### Additional Information

**Explanation for why data not available:** The RCTs was pre-registered at clinicaltrials.gov (<https://clinicaltrials.gov/ct2/show/NCT05115916>). The data analysed in this Article about randomized controlled trials were provided by UCLA Health and contain protected health information. To protect participant privacy, we cannot publicly post individual-level data. Qualified researchers with a valuable research question and relevant approvals including ethical approval can request access to the de-identified data about these trials from the corresponding author. A formal contract will be signed and an independent data protection agency should oversee the sharing process to ensure the safety of the data.
