Subject: Re: Confirm author changes

Dear Kai Ai,
The manuscript titled "Methyl-CpG-binding domain protein 2 contributes to renal fibrosis through promoting polarized M1 macrophages" has been submitted to the journal of Cell Death & Disease. According to their contributions to the revised manuscript, I added the authors Xiaozhou Li and Yijian Li to the author list. Now I'm writing this email to confirm that whether you agree with this change to the author list.
Hope to hear from you as soon as possible, thank you.
Best wishes
Dongshan Zhang
