## DECLARATION OF CONTRIBUTIONS TO ARTICLE ADMC

Proposed Title of the Contribution:  (the 'Journal')  Author(s):  (the 'Authors')  For all CDDis articles, each person named as an author in the published version must be able to show he or she has contributed substantially to the article.  Authorship credit should be based on 1) substantial contributions to conception and design, acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Authors should meet conditions 1, 2 and 3.  Any person who cannot be shown to have made a substantial contribution to the article cannot be listed as an author in the final version. The name of any person who is deemed to have made a minor contribution can, however, appear in the Acknowledgments section of the article.  Please complete the table below to indicate the contributions of all named authors to the manuscript.  Author Full Name:  Specification of Contribution to the Manuscript:
Author(s):  (the 'Authors')  For all <i>CDDis</i> articles, each person named as an author in the published version must be able to show he or she has contributed substantially to the article.
