To Whom It May Concern,

I would love any help you can provide. Do you happen to have the manuscript and related files for the below paper? I need to get it processed for PMC via the NIHMS System, but don't have the files handy.

Lindblom EK, Hui S, Brooks J, Dasu A, Kujawski M, Toma-Dasu I. Radiation-induced Vascular Damage and the Impact on the Treatment Outcome of Stereotactic Body Radiotherapy. *Anticancer Res.* 2019 Jun;39(6):2721-2727. doi: 10.21873/anticancer.13398. PMID: 31177107.

Or, if it has been published for over two years, would you be willing to allow me to deposit the final, published version?

Thanks in advance.

With best regards,
Andrea
