

Supplementary figures. “Fushun Wang. *, Qiuyue Xu, Mingchen Jiang, Simeng Gu, Xunle Zhang, Fushun Wang, Erxi Wu, Jason H Huang” **Metabolomics Changes in Brain-gut Axis in Chronic Unpredictable Mild Stress Induced Depressive Rats**

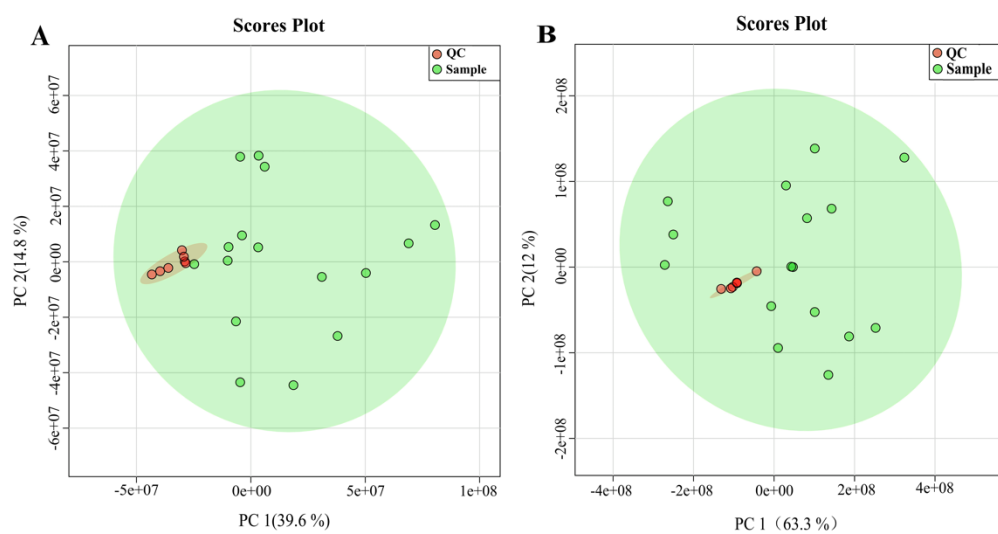

Figure S1. PCA score plots of metabolic profiling of QC and experimental samples in the hippocampus and jejunum samples. (A) QC aggregates in the same position shows that the stability of the instrument is better when detecting hippocampal samples. (B) QC aggregates in the same position shows that the stability of the instrument is better when detecting jejunum samples.
