

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: Model output from all statistical analyses and performance assessment.

File name: Supplementary Data 2

Description: Wing length measurements (Fig. 3b).

File name: Supplementary Data 3

Description: qPCR data (Fig. 4).

File name: Supplementary Data 4

Description: COPAS data for SM9 line (Fig. 6a).

File name: Supplementary Data 5

Description: COPAS data for 1.2G line (Fig. 6b).

File name: Supplementary Data 6

Description: COPAS data for 3.1G line (Fig. 6c).
