1 Sub-Saharan Africa

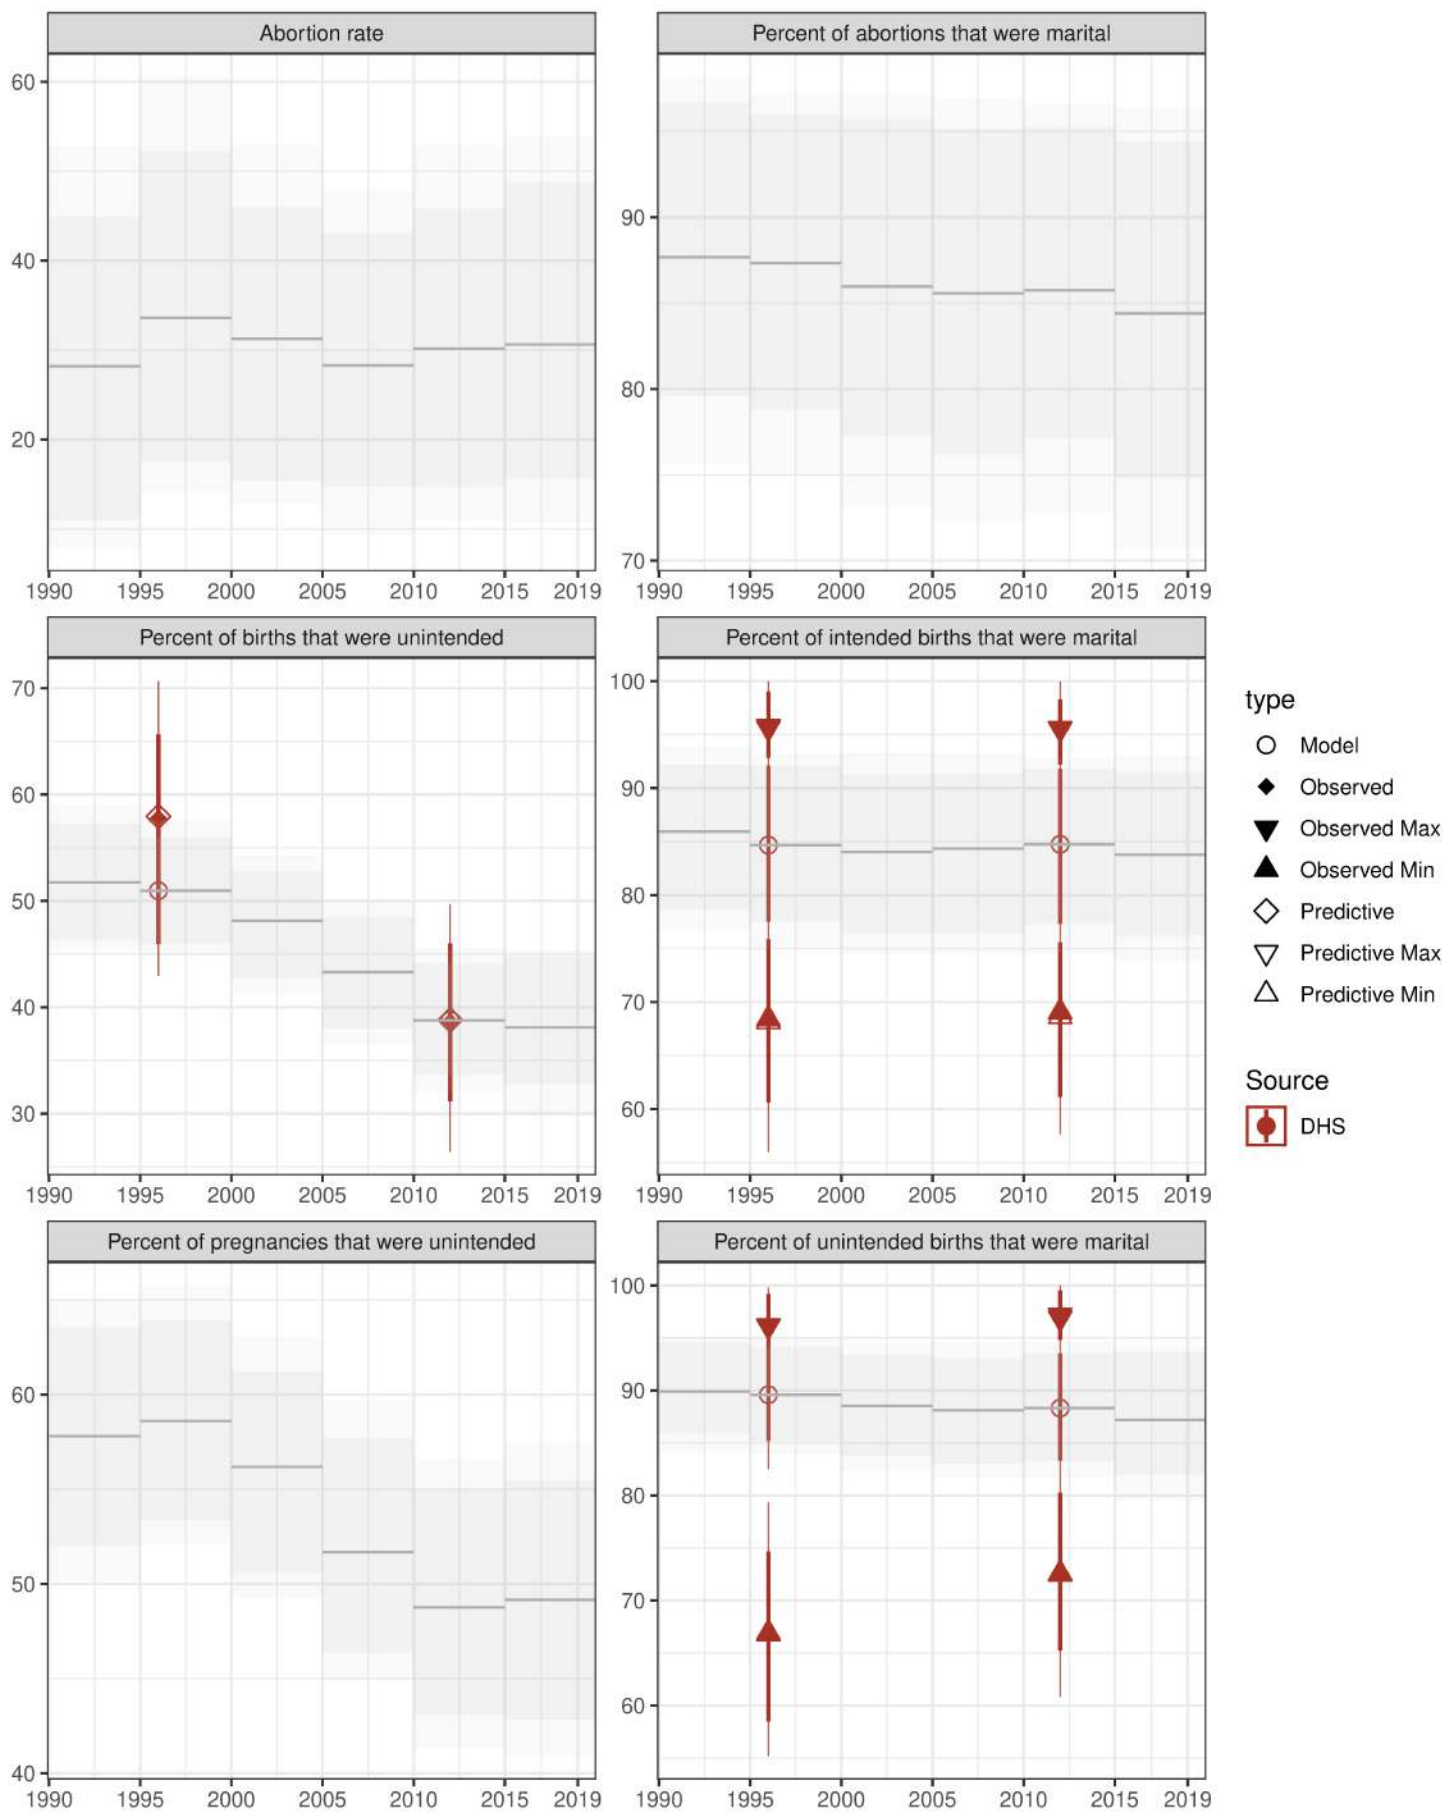

1.1 Eastern Africa

Burundi

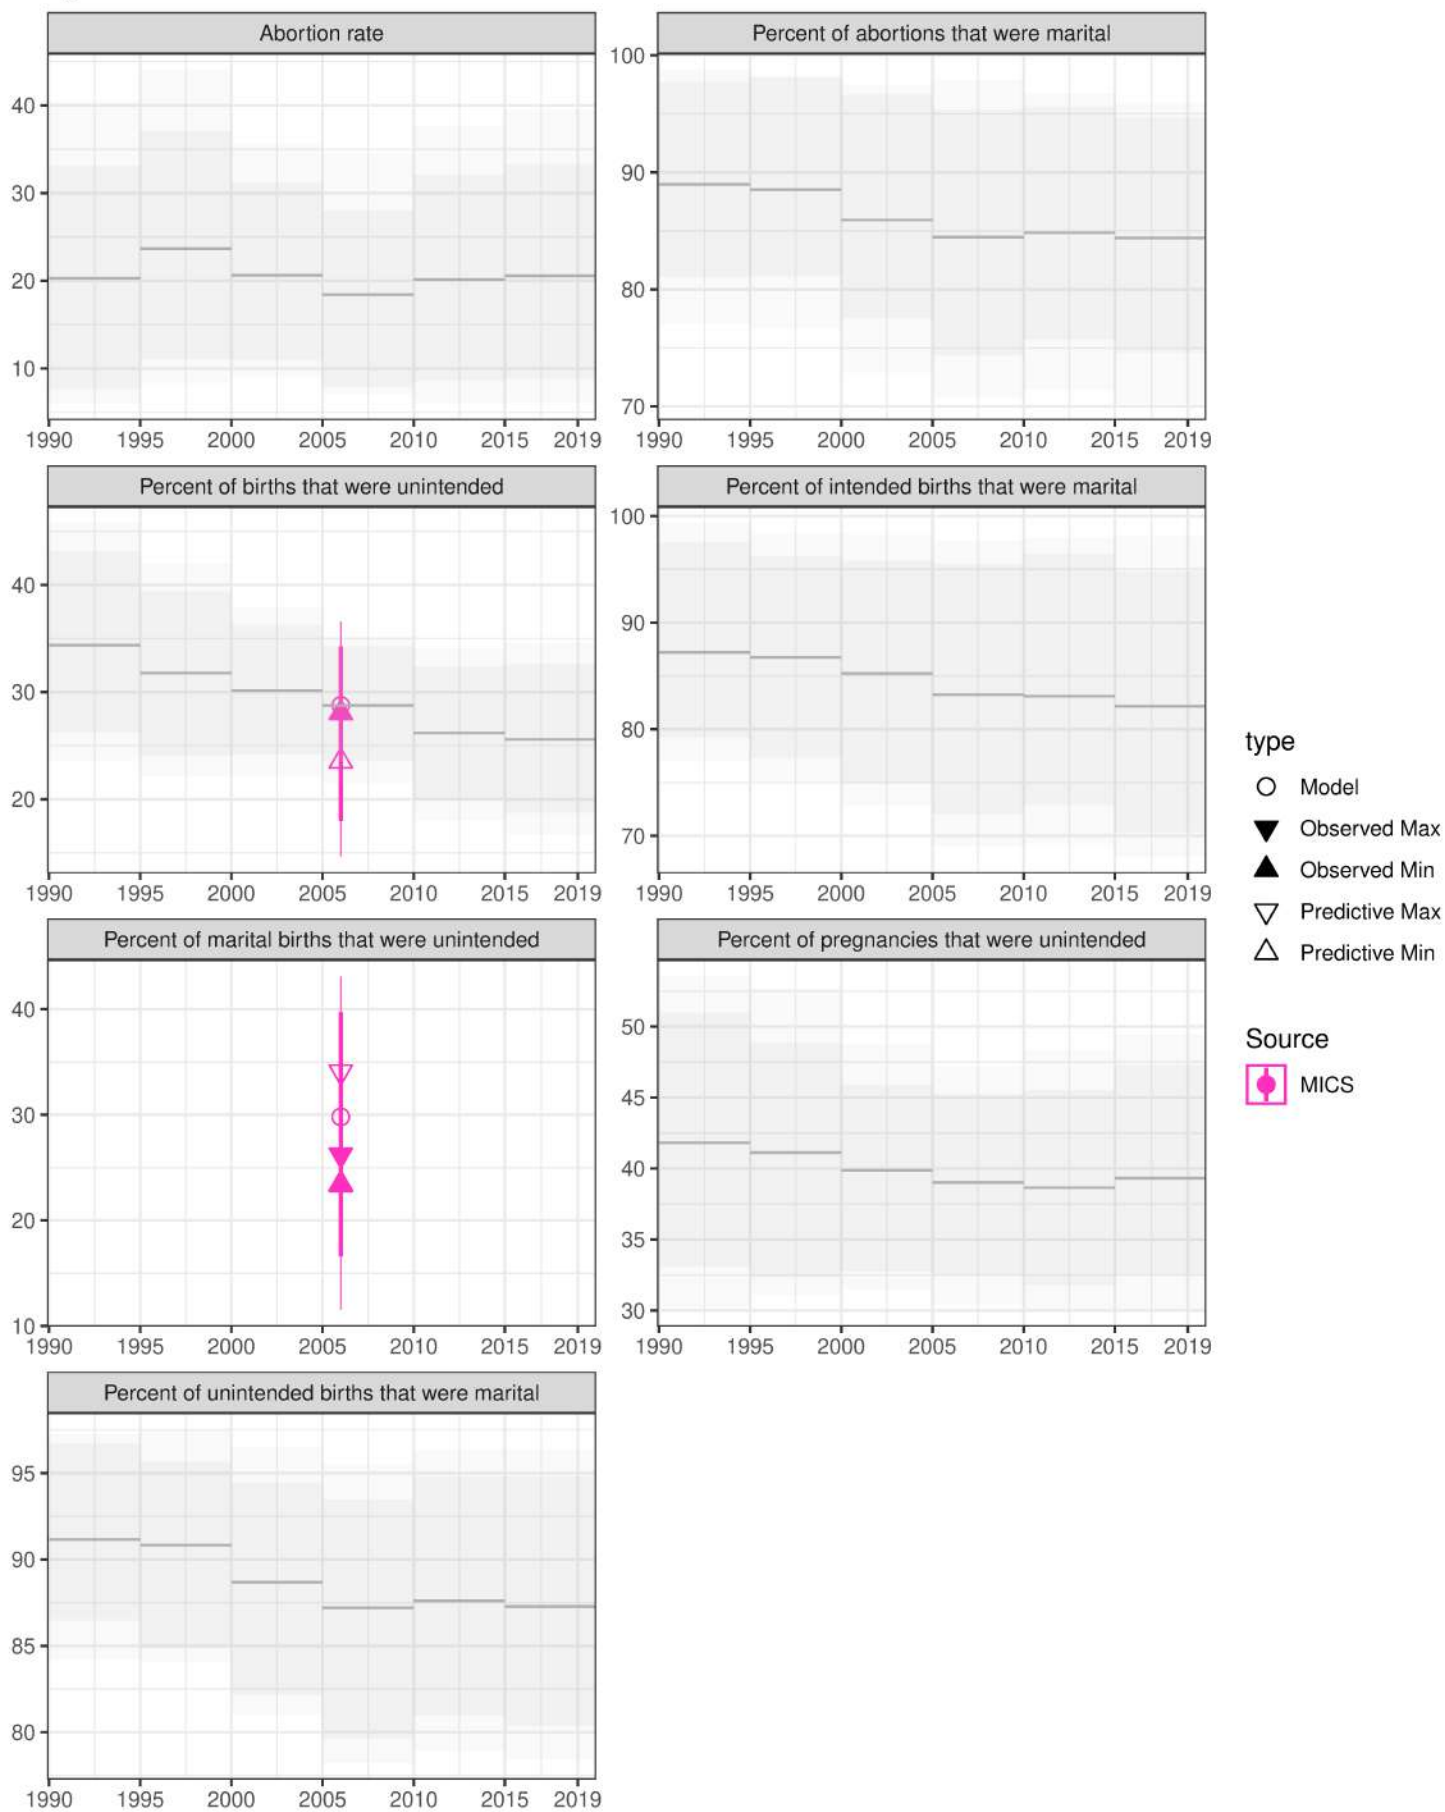

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Comoros

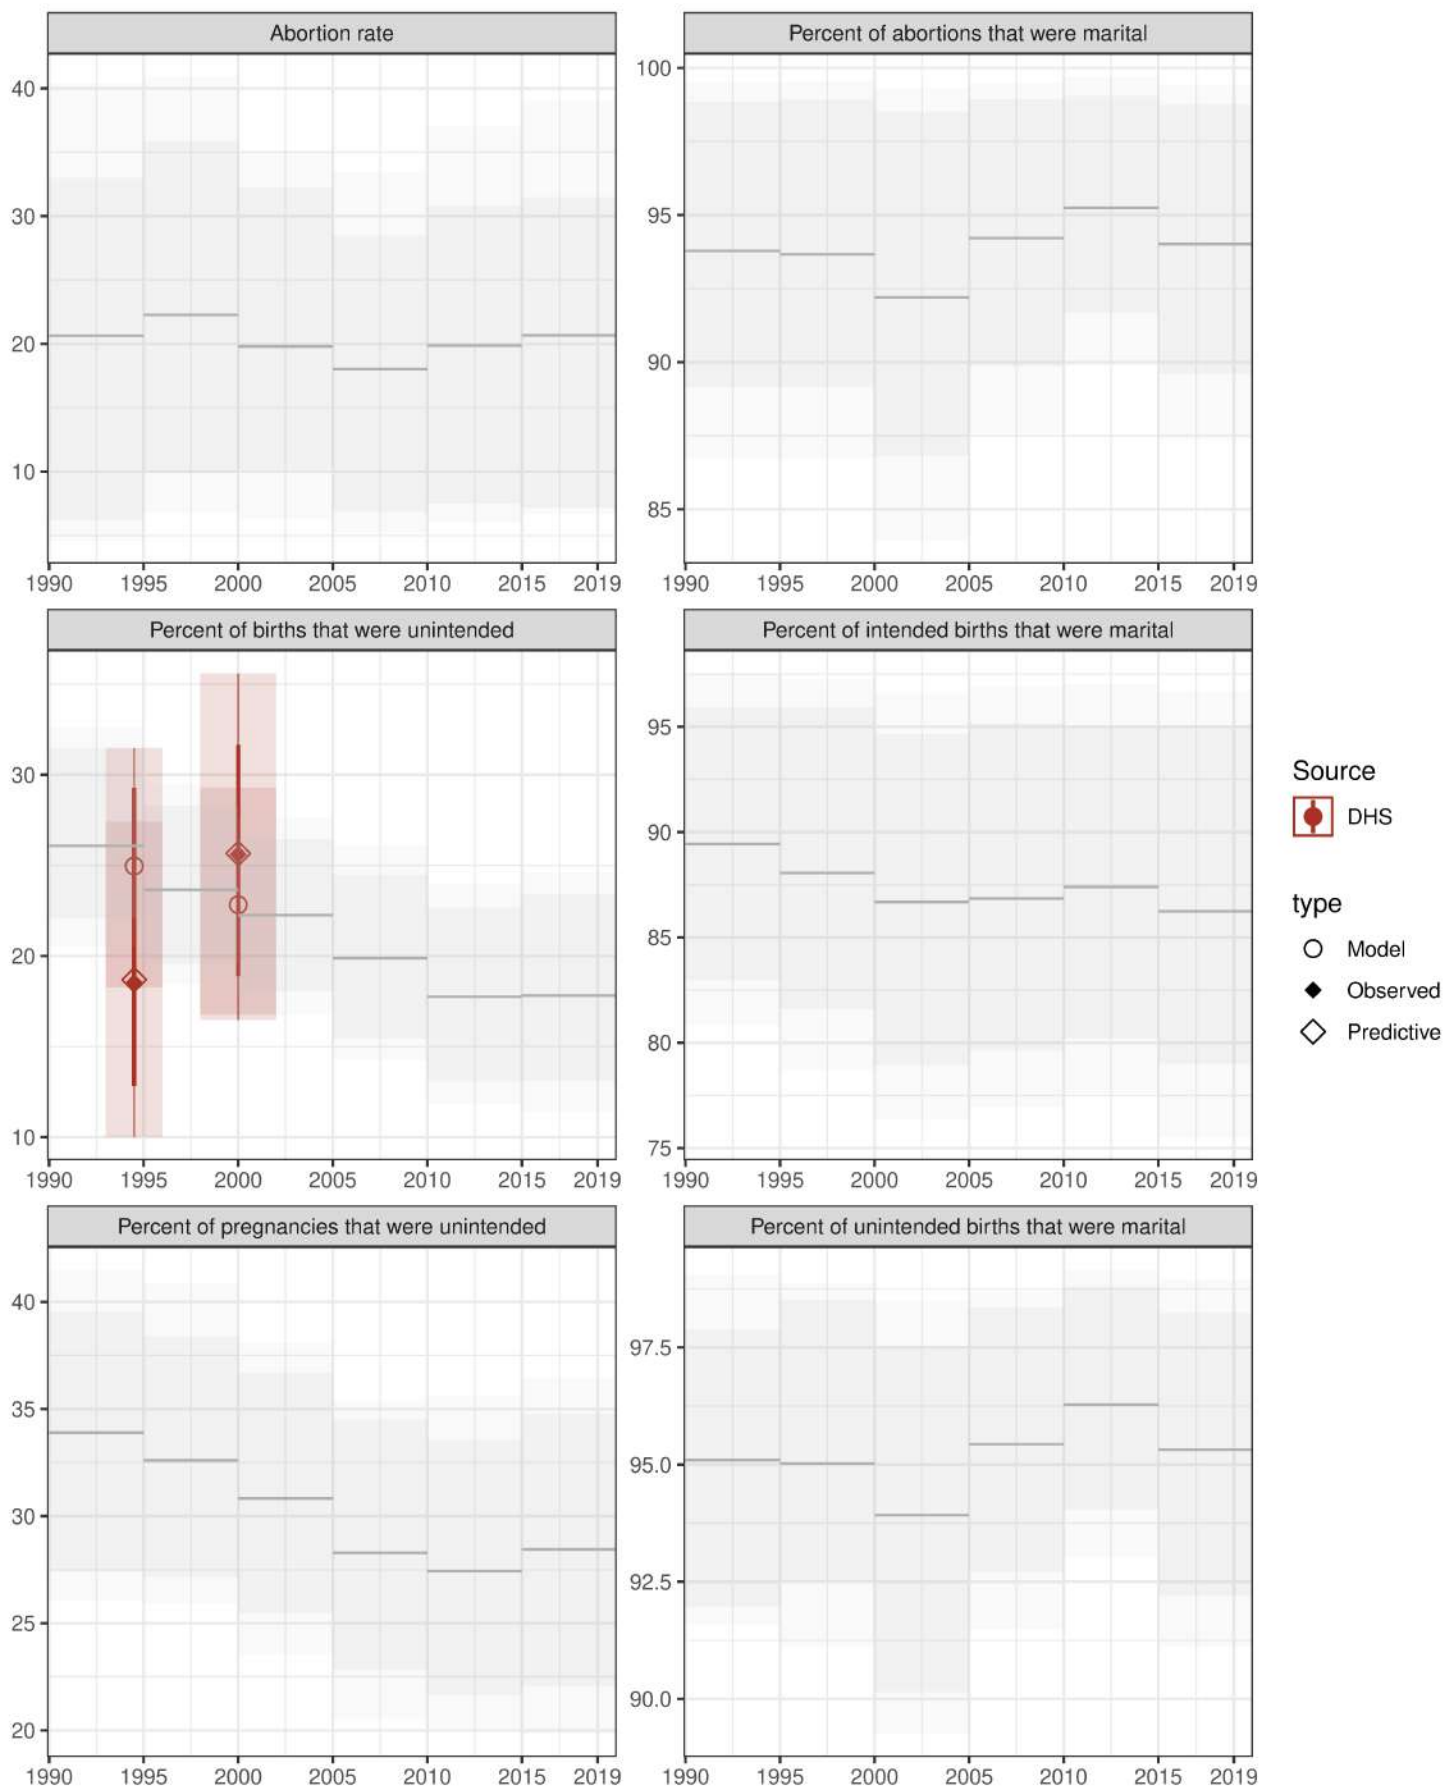

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Djibouti

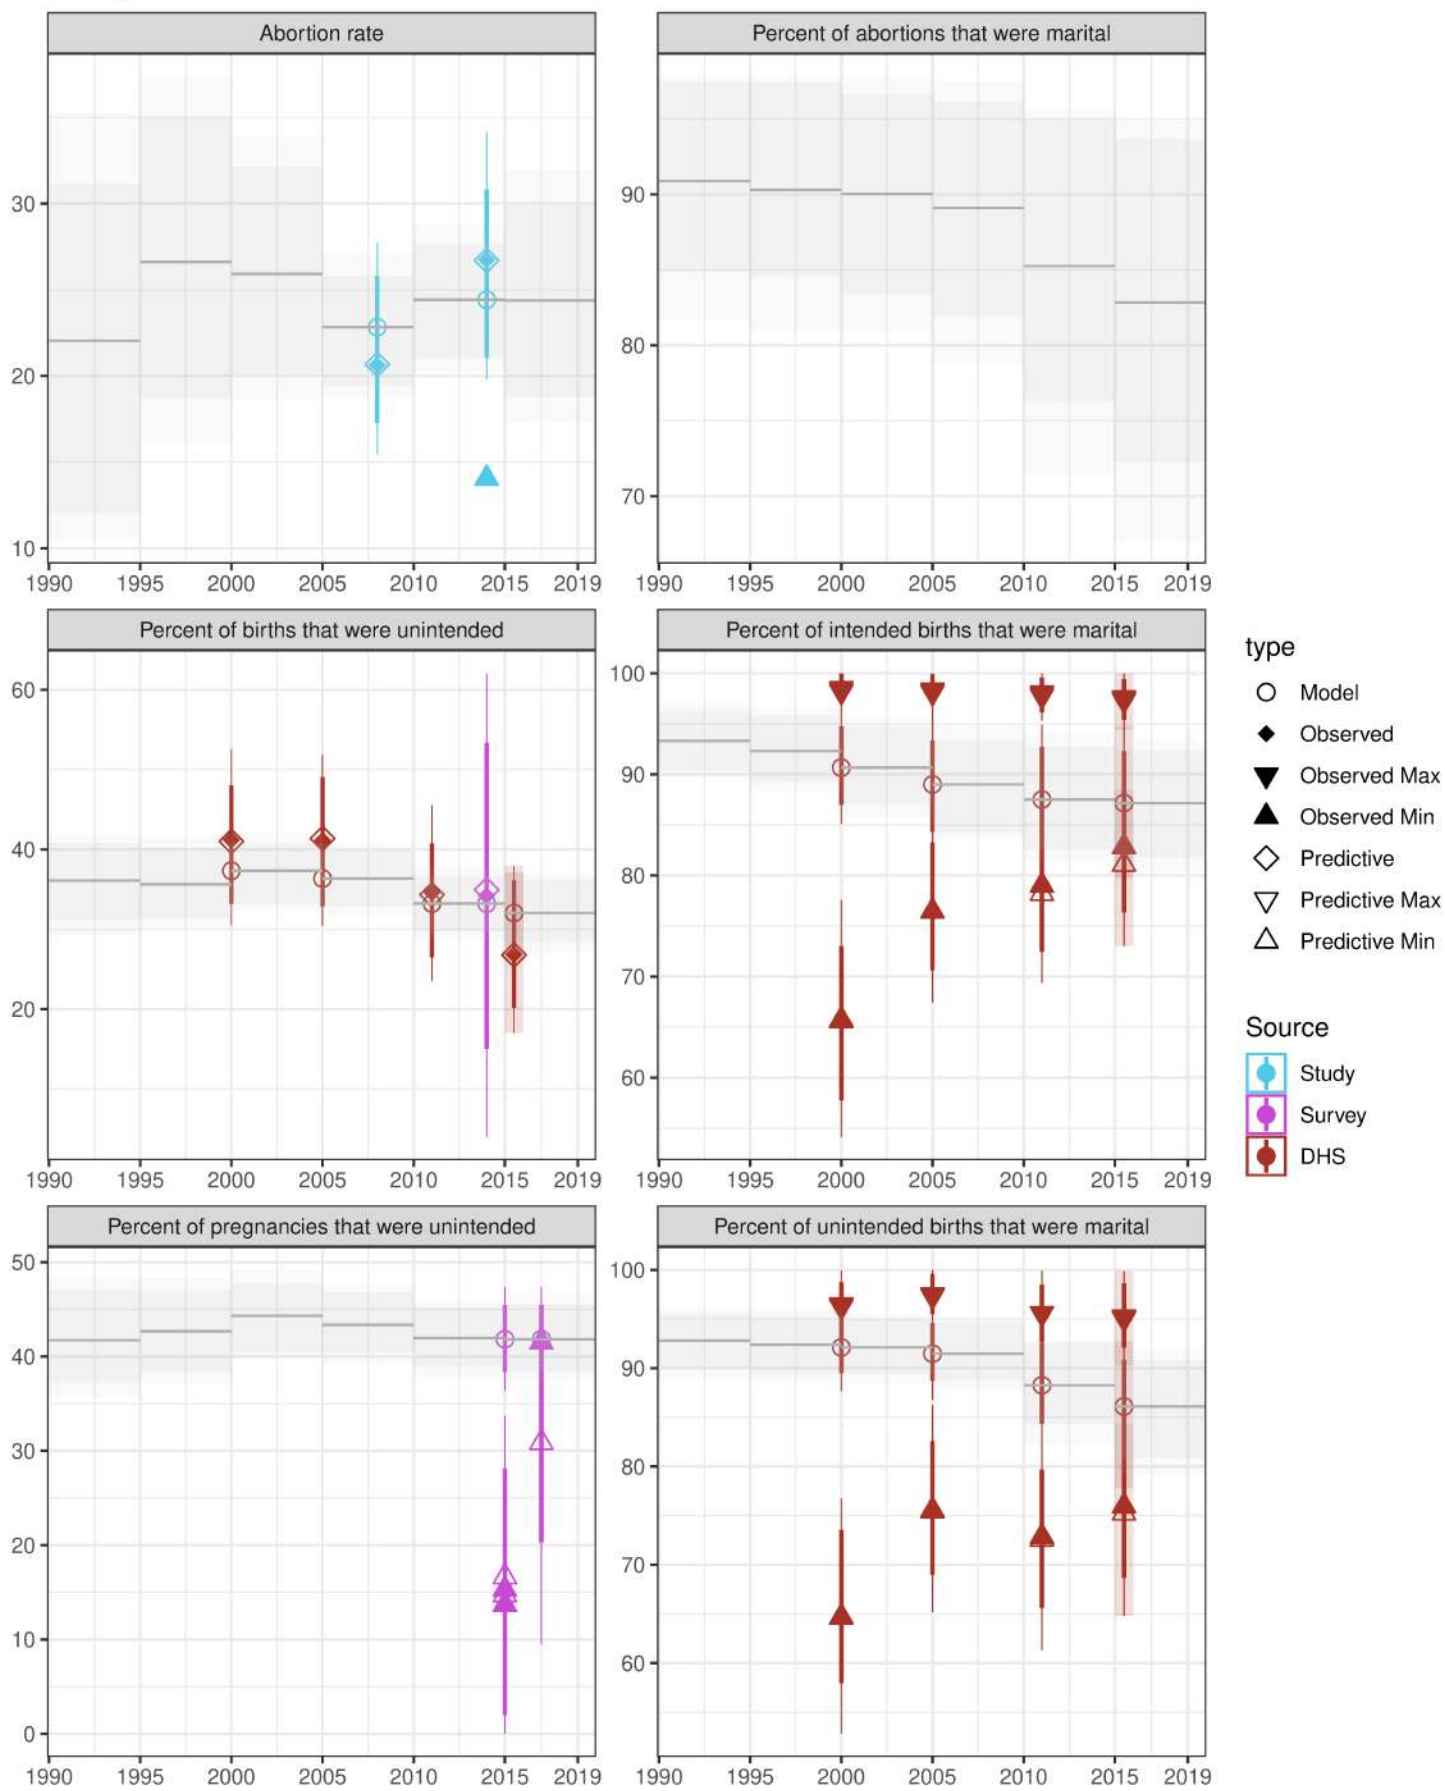

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Eritrea

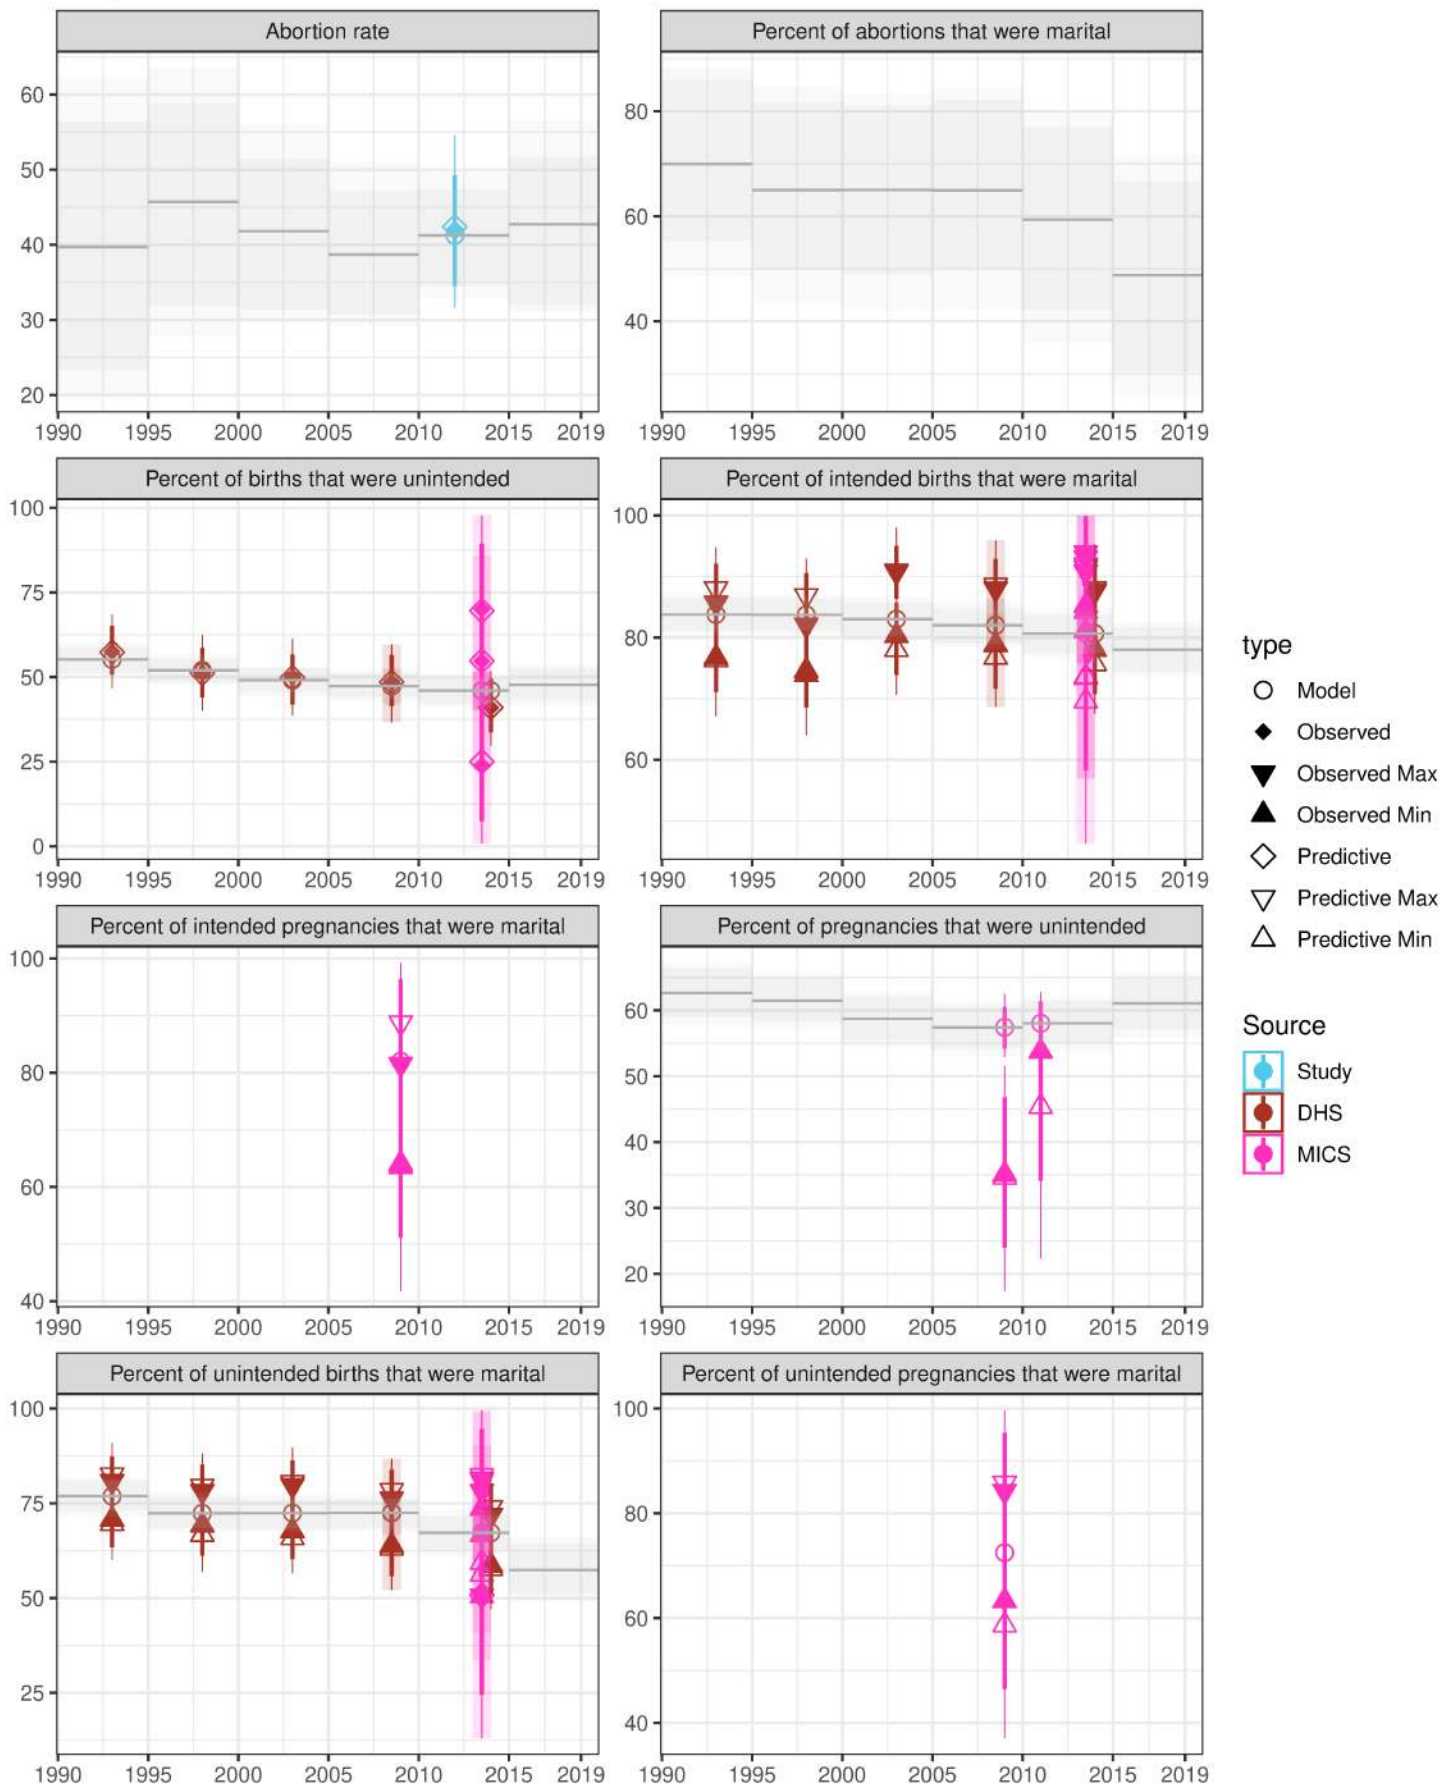

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Ethiopia

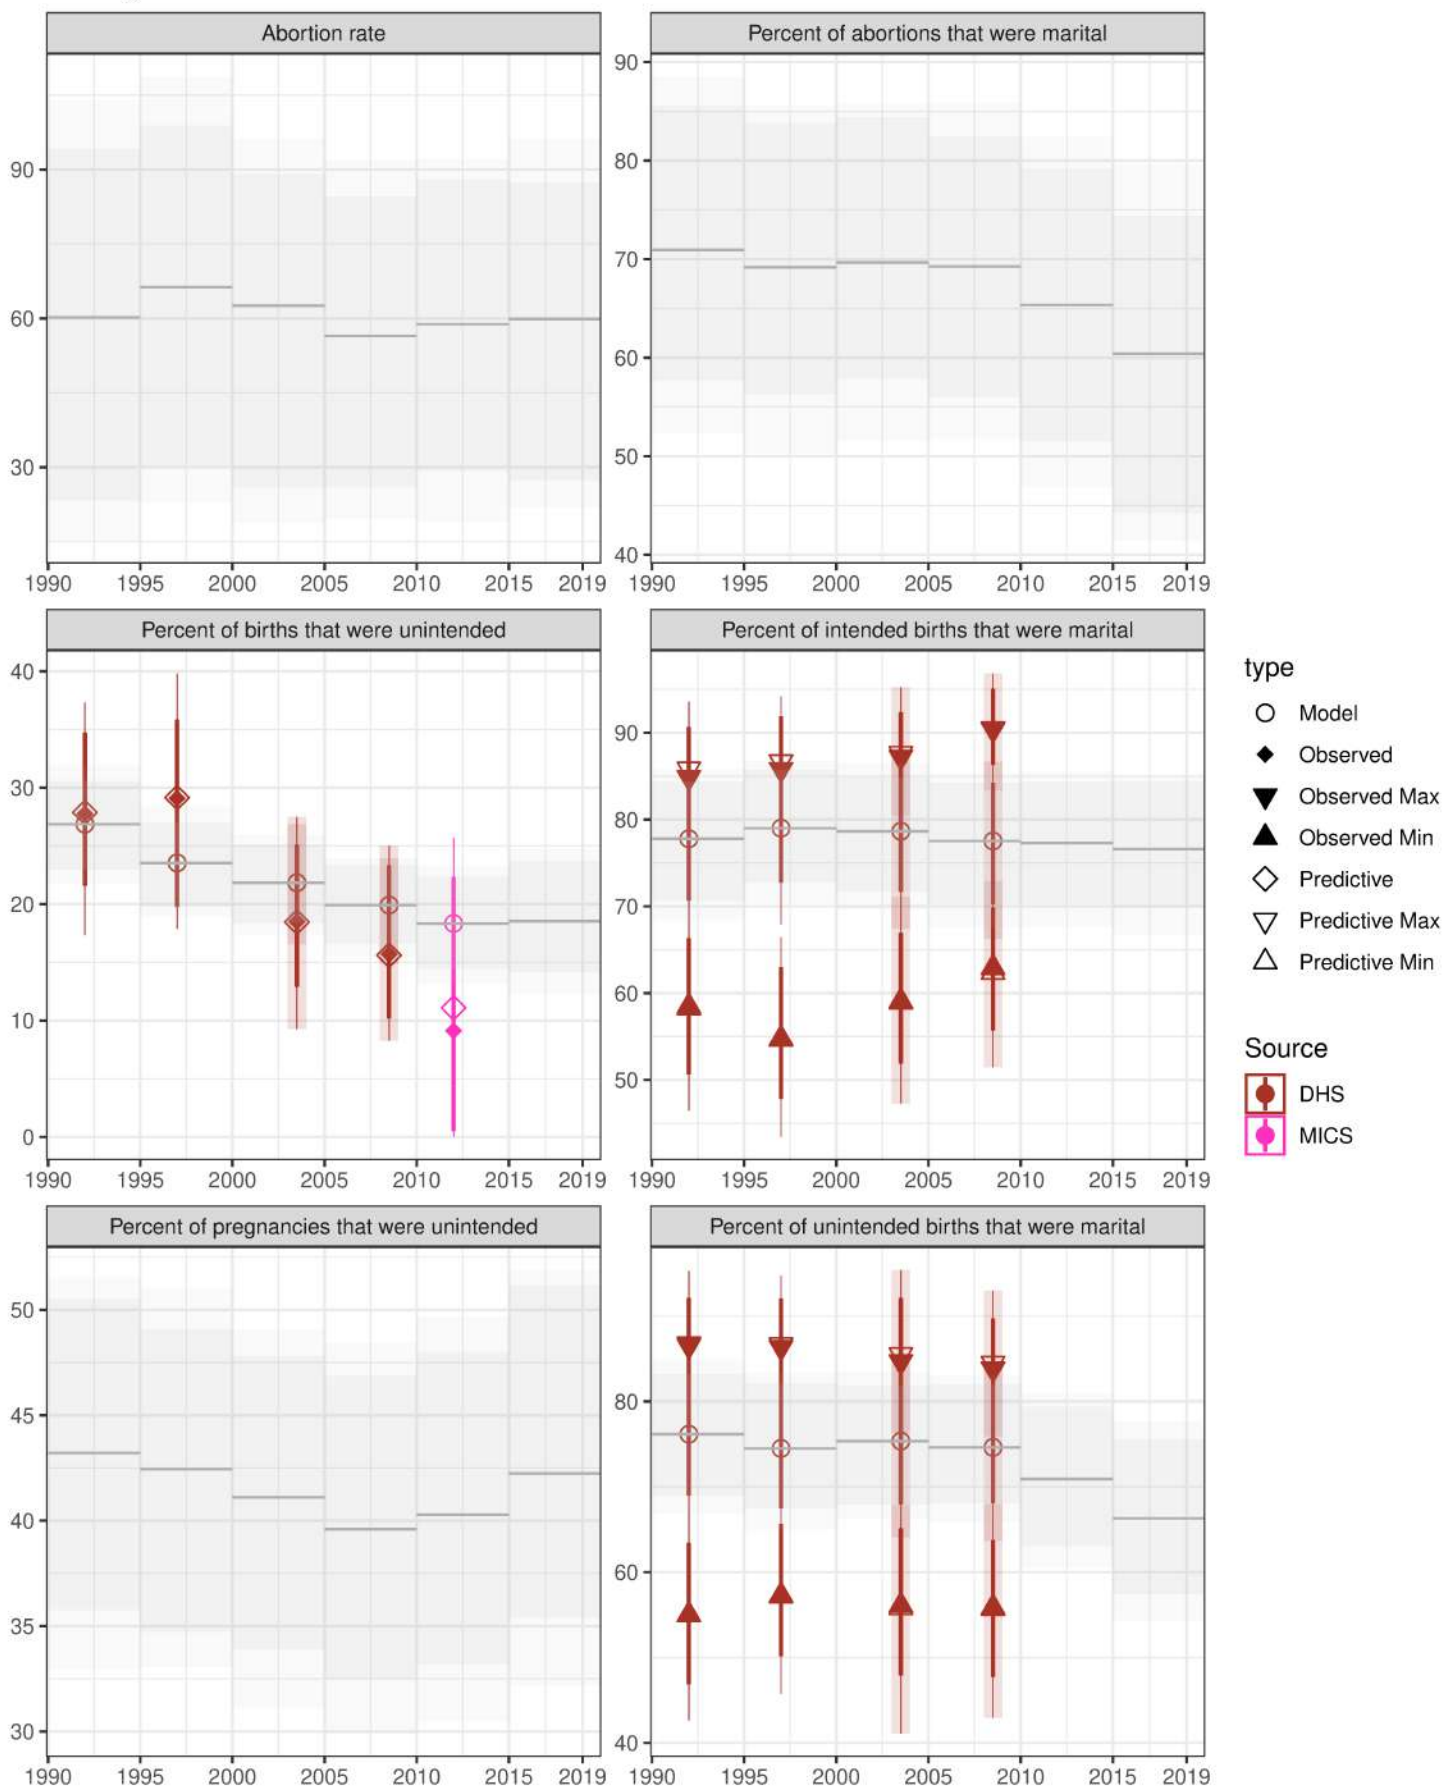

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Kenya

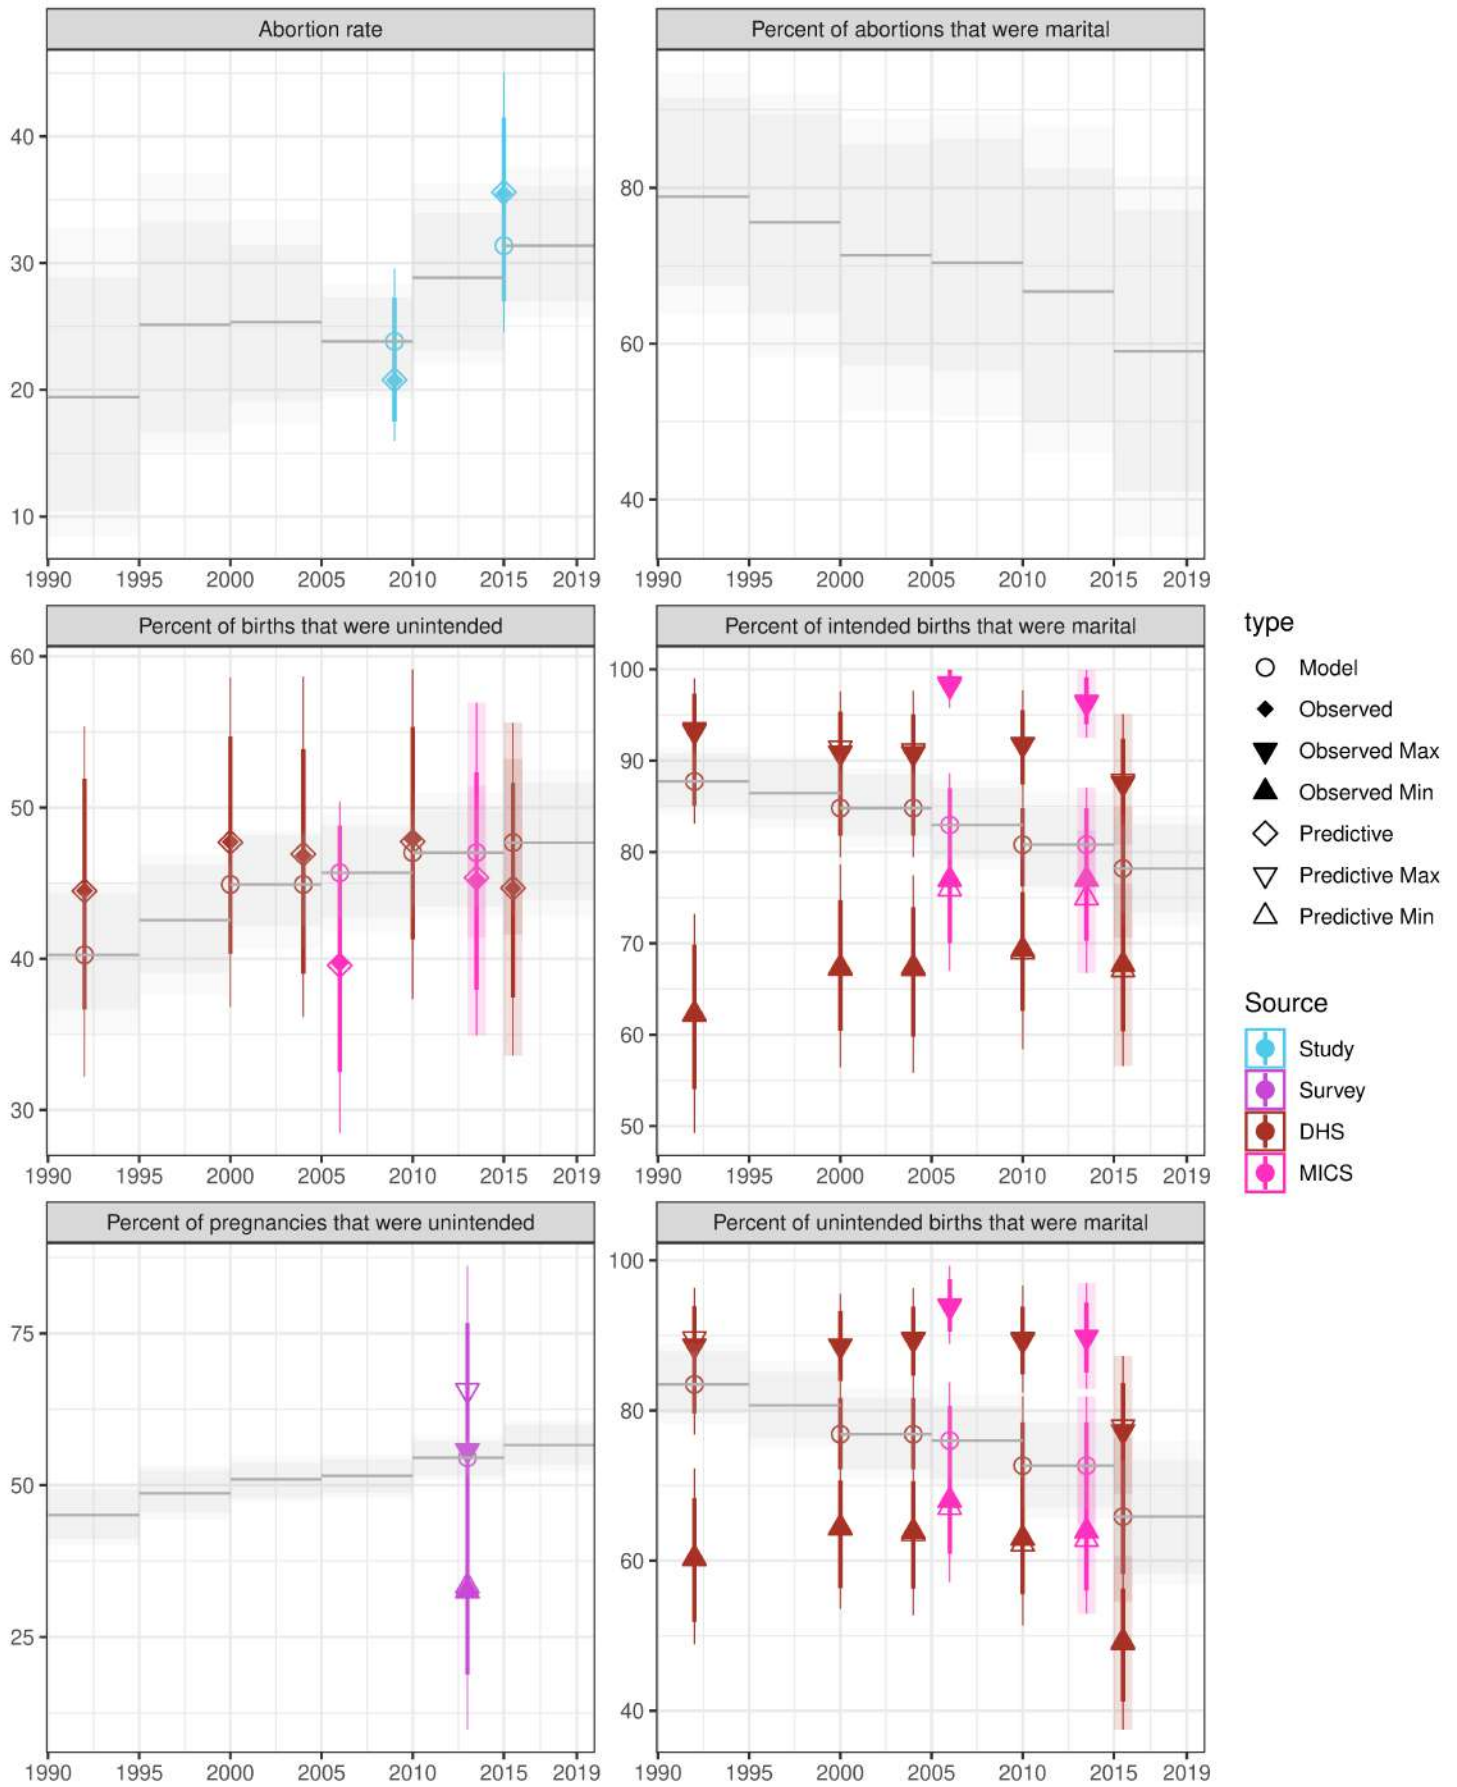

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Madagascar

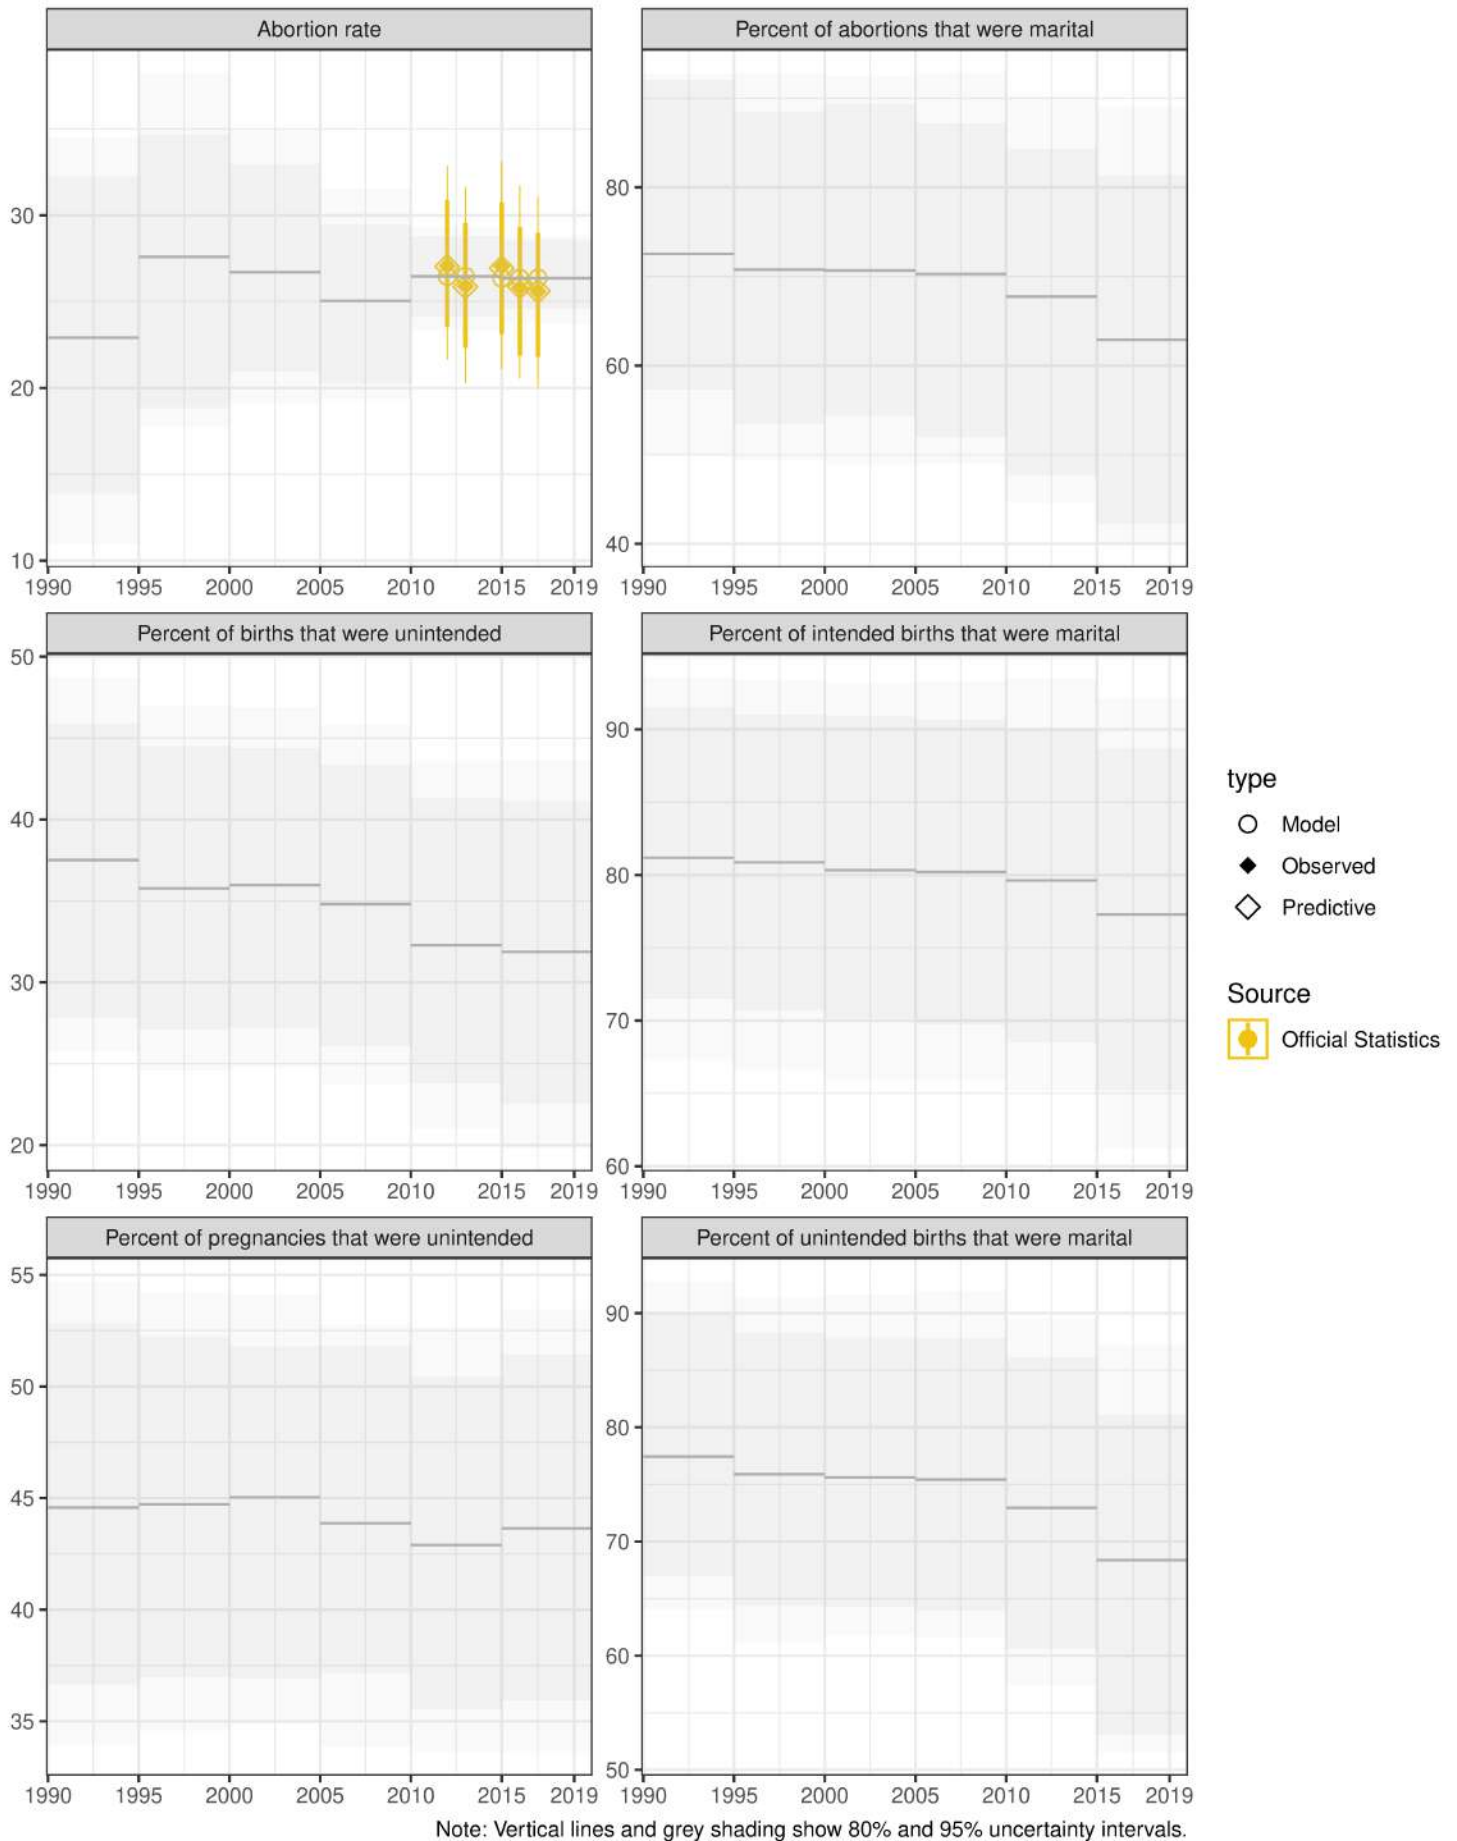

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Malawi

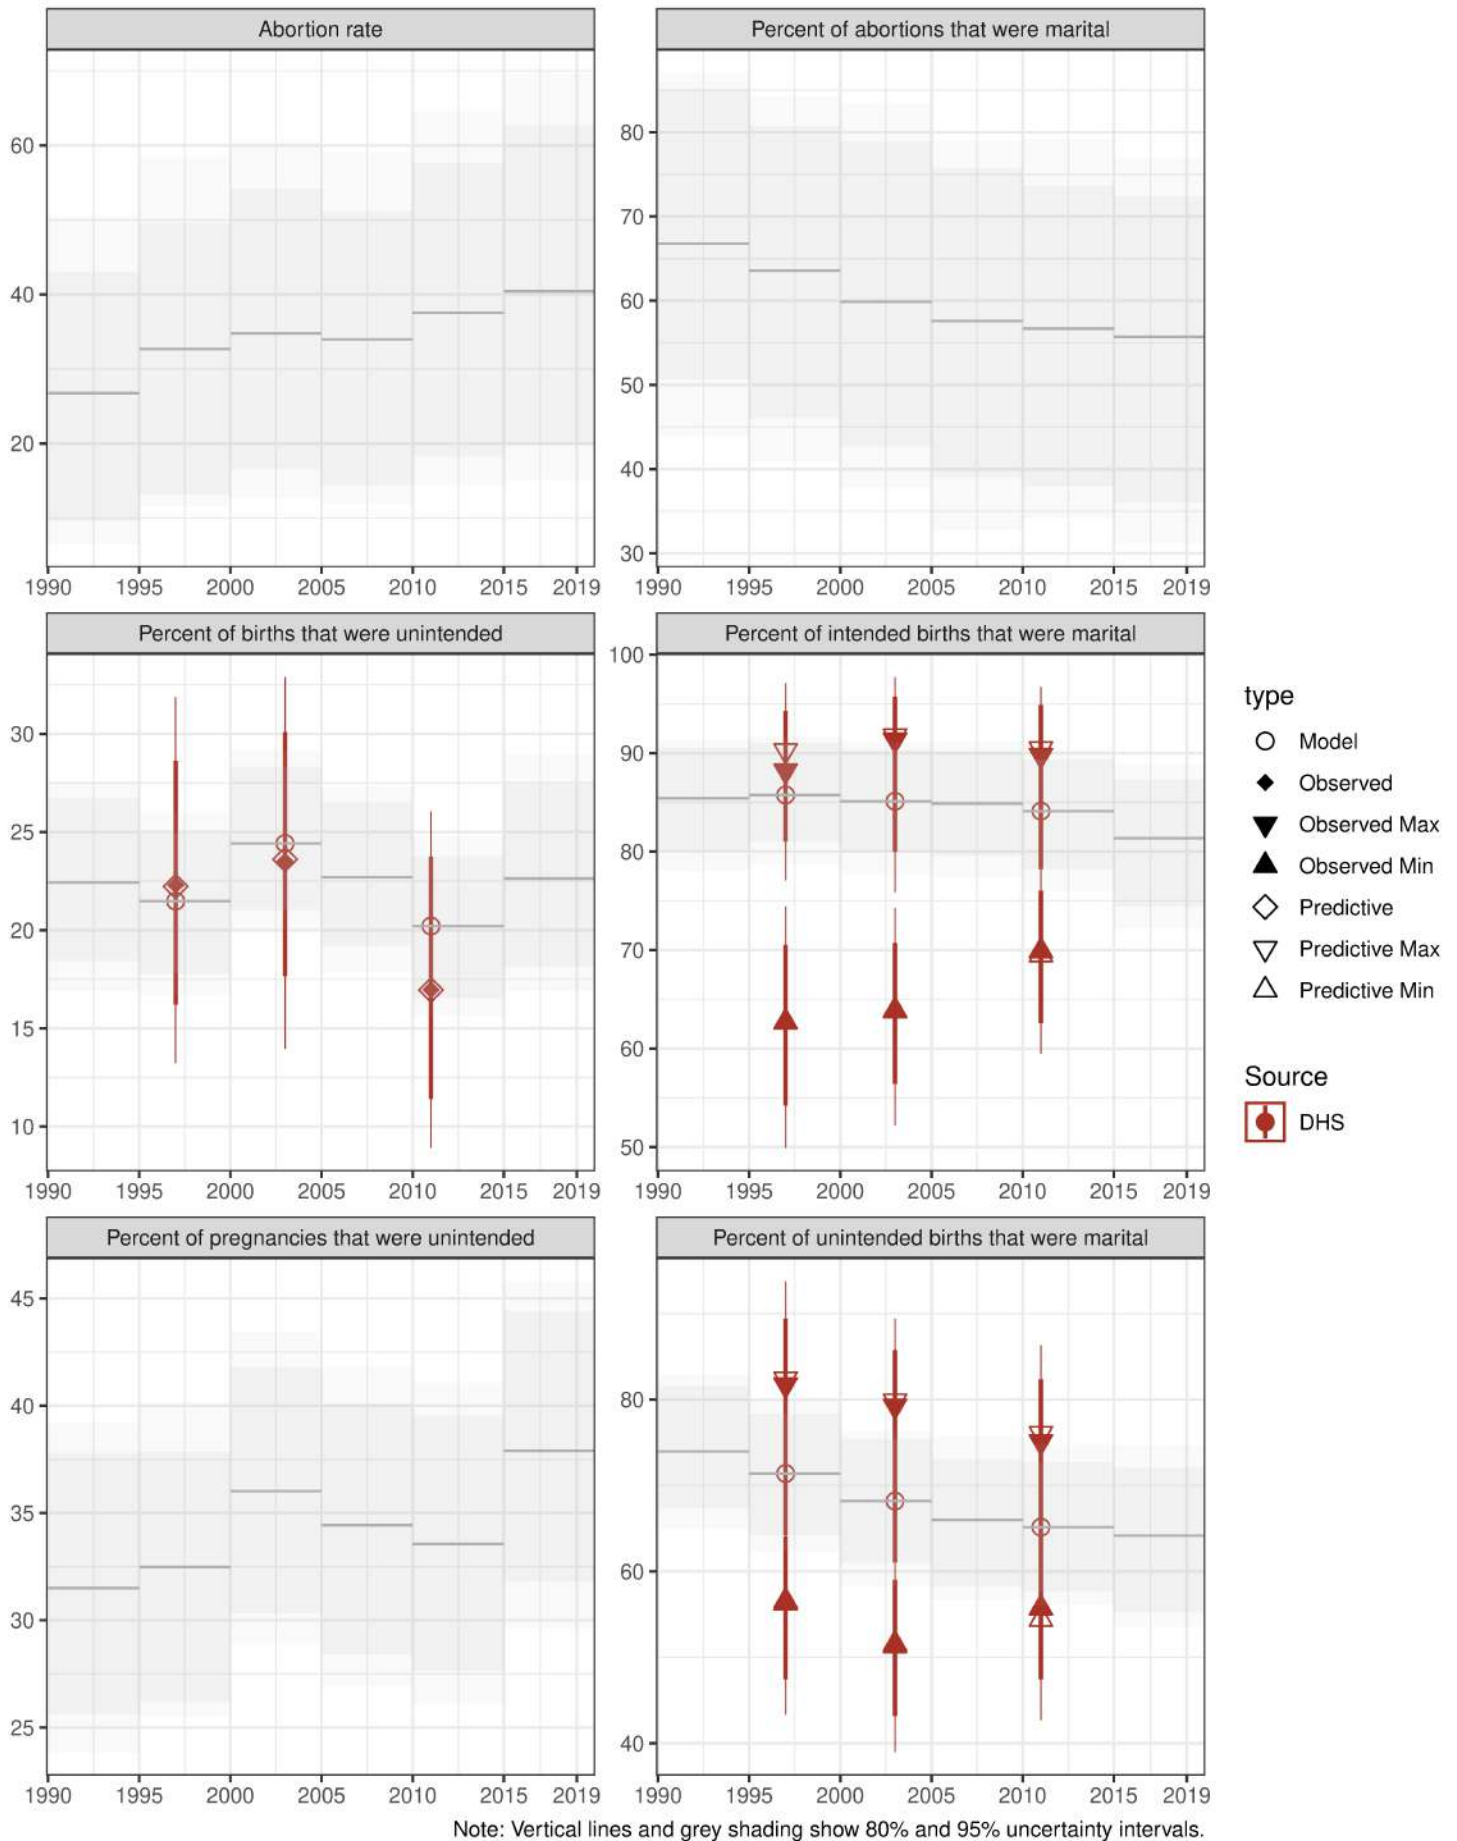

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Mayotte

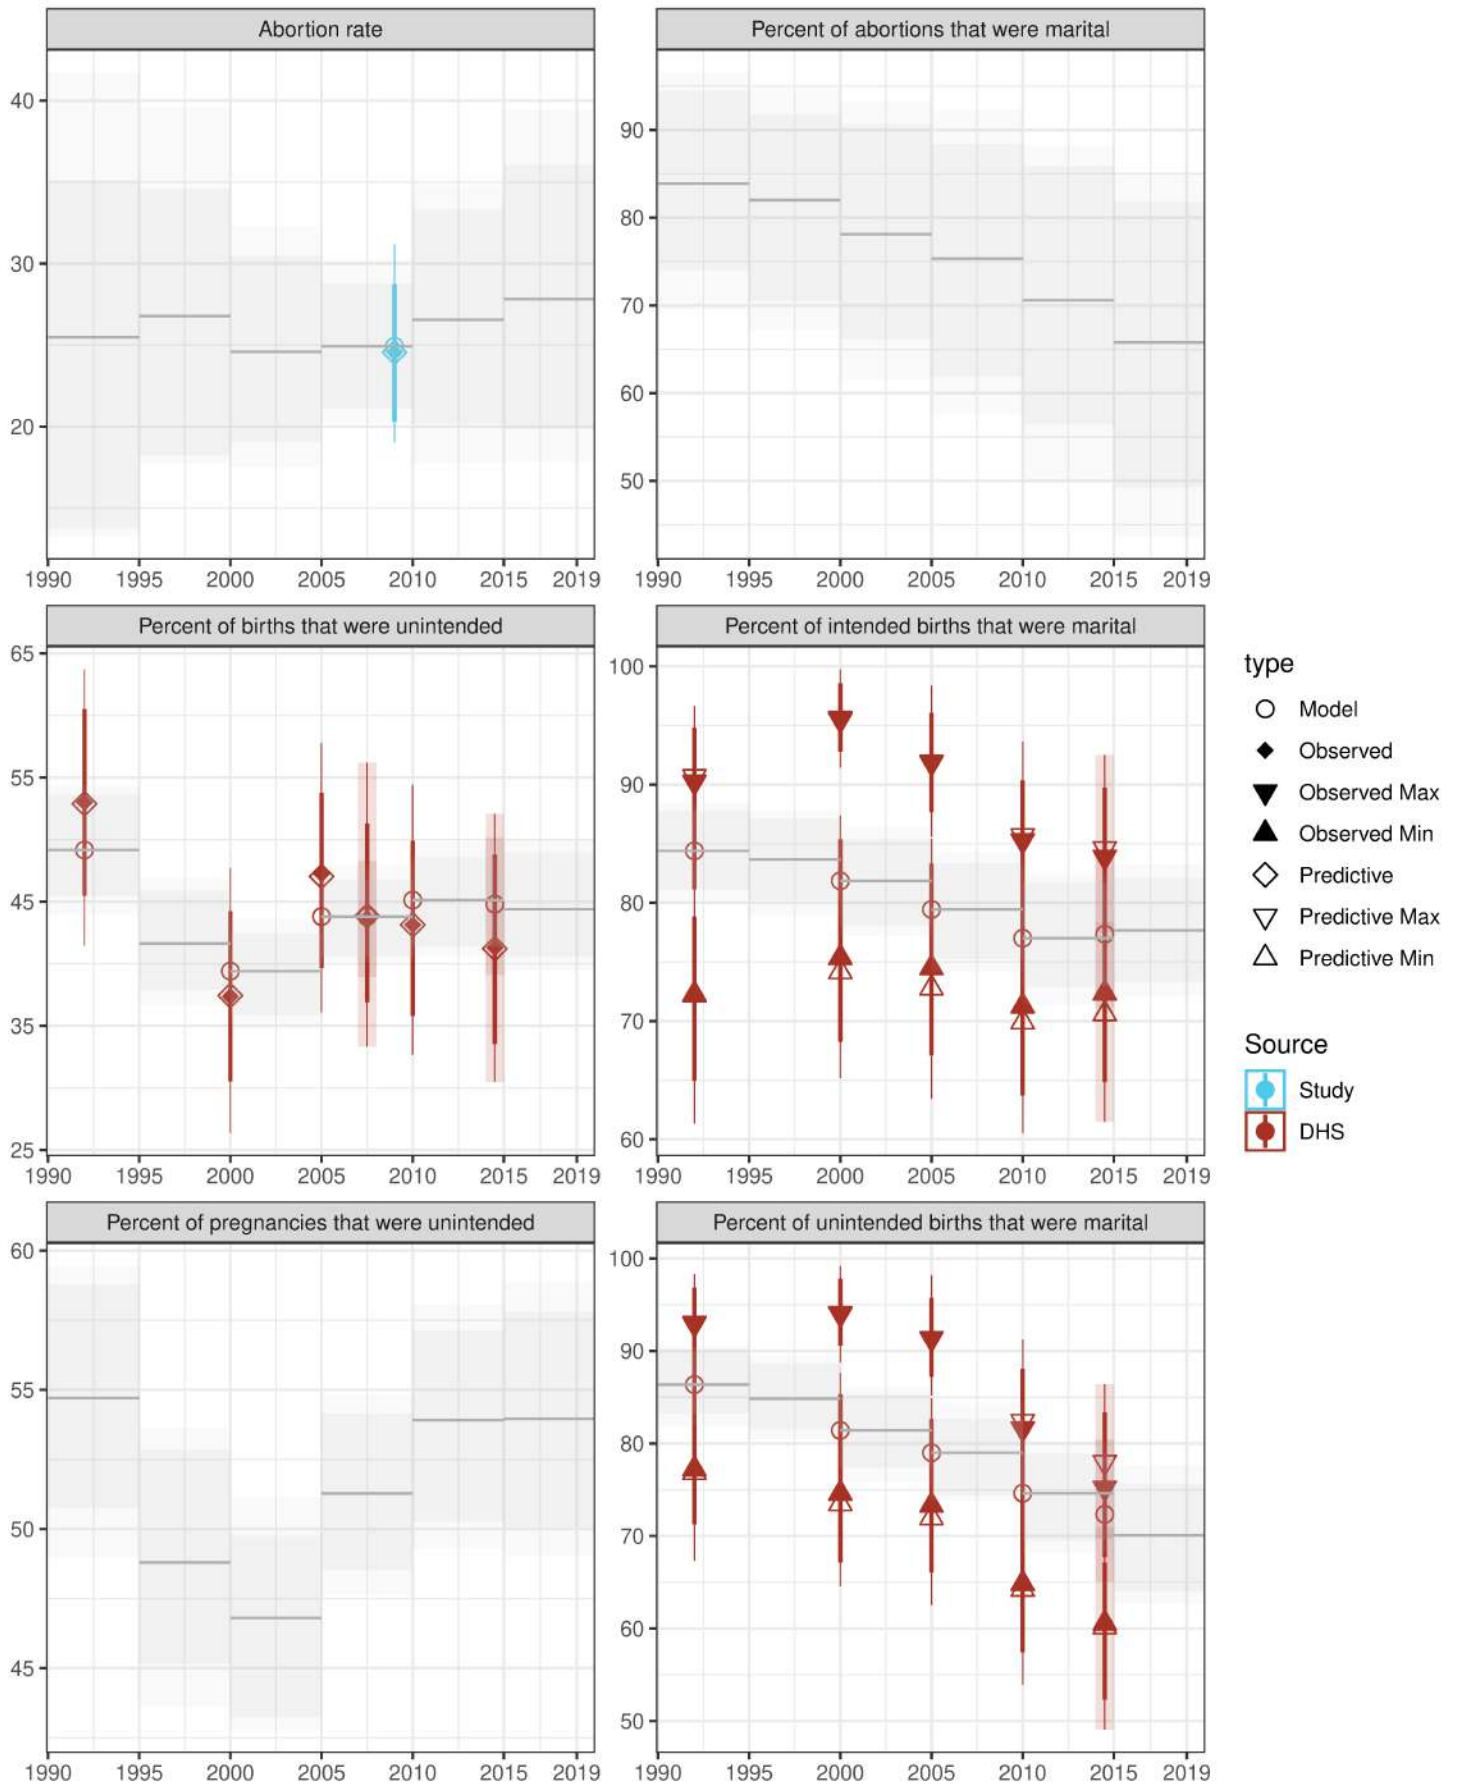

Mozambique

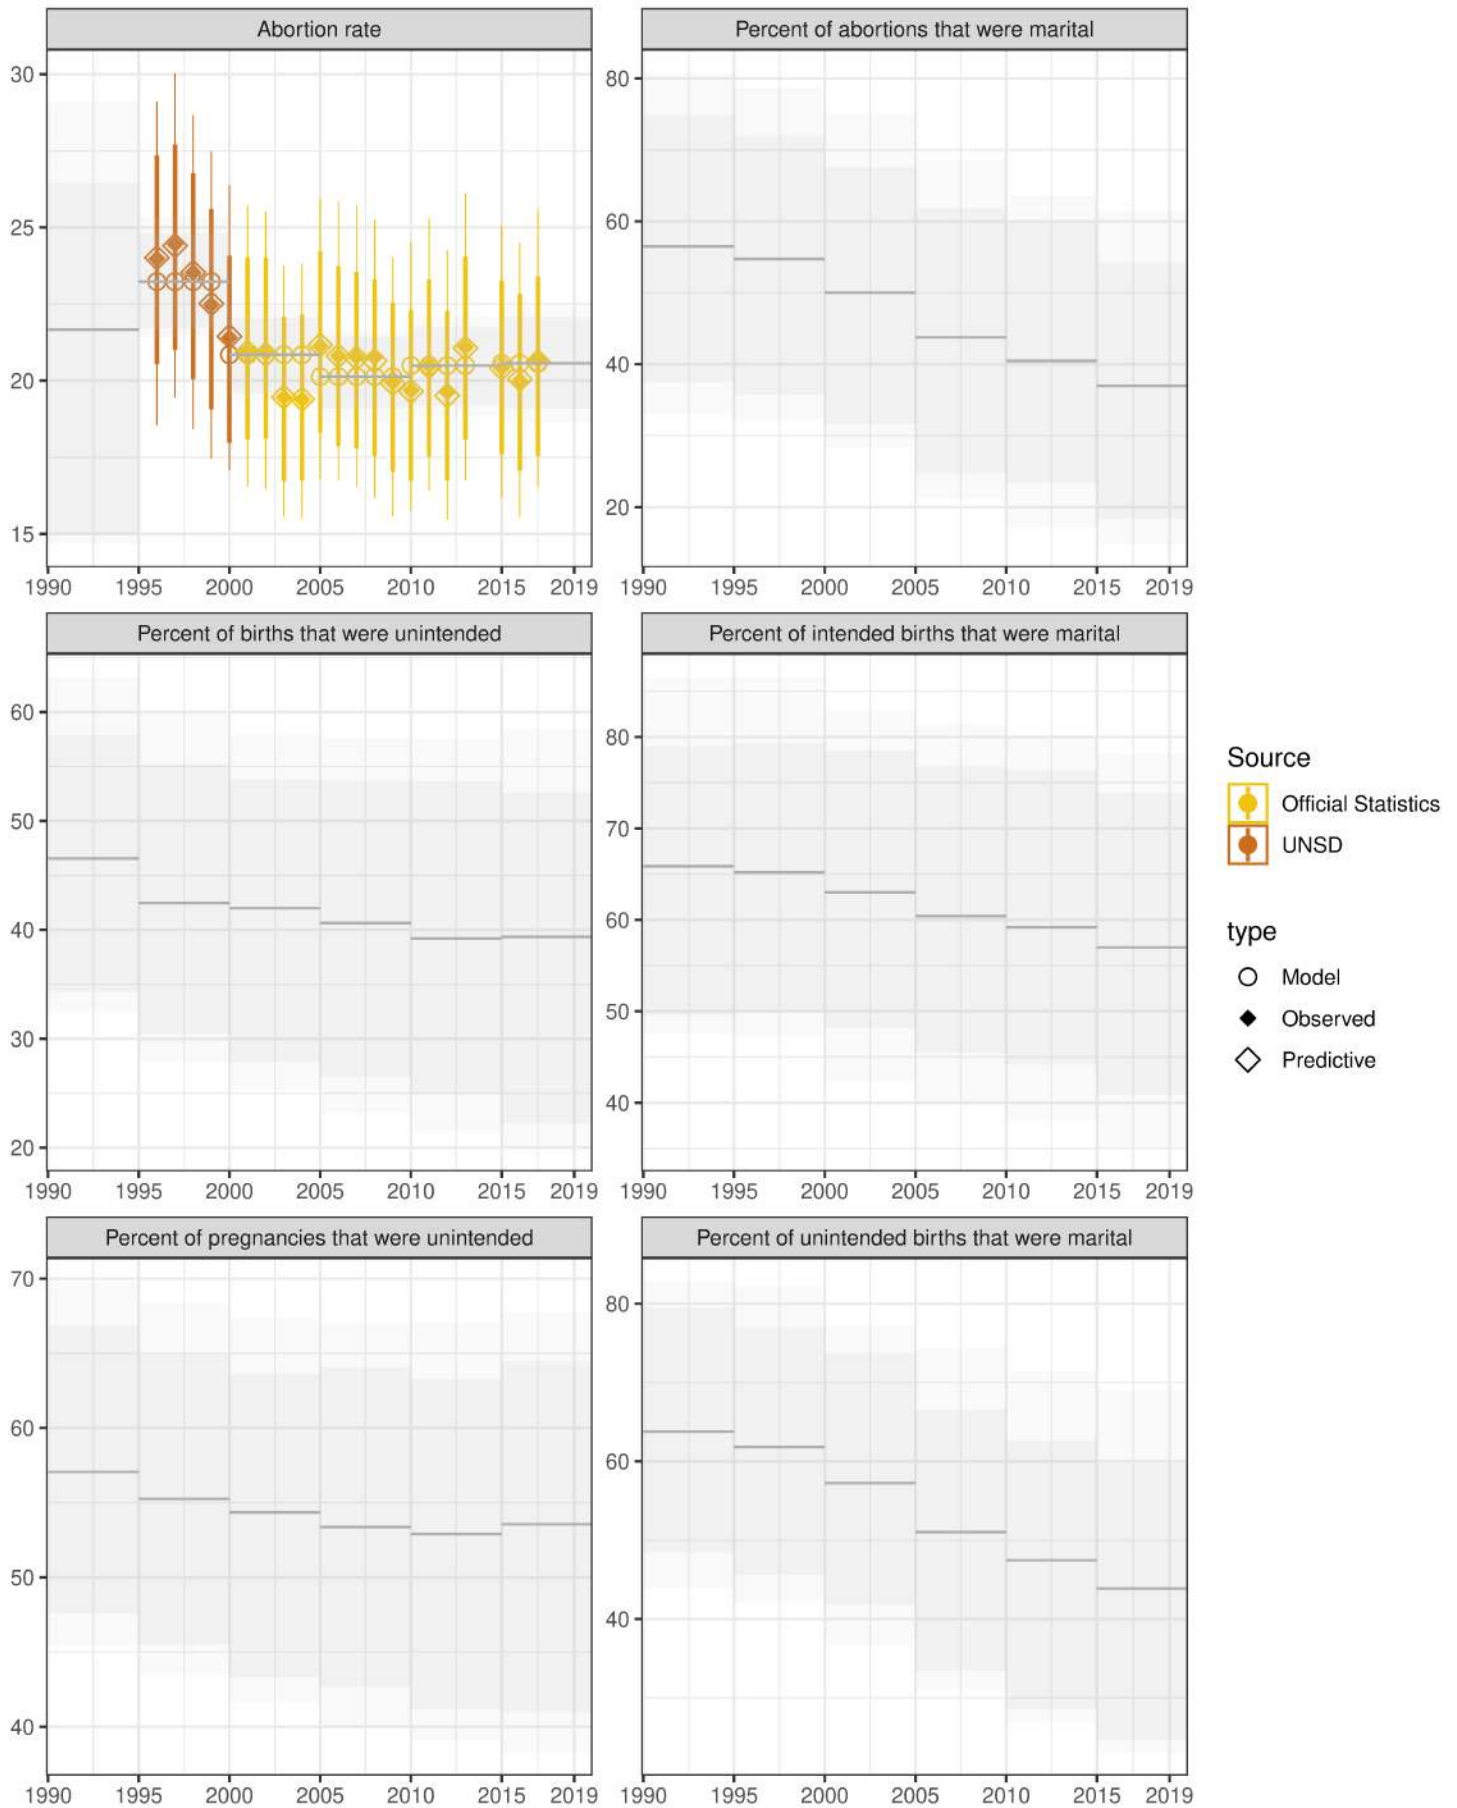

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Rwanda

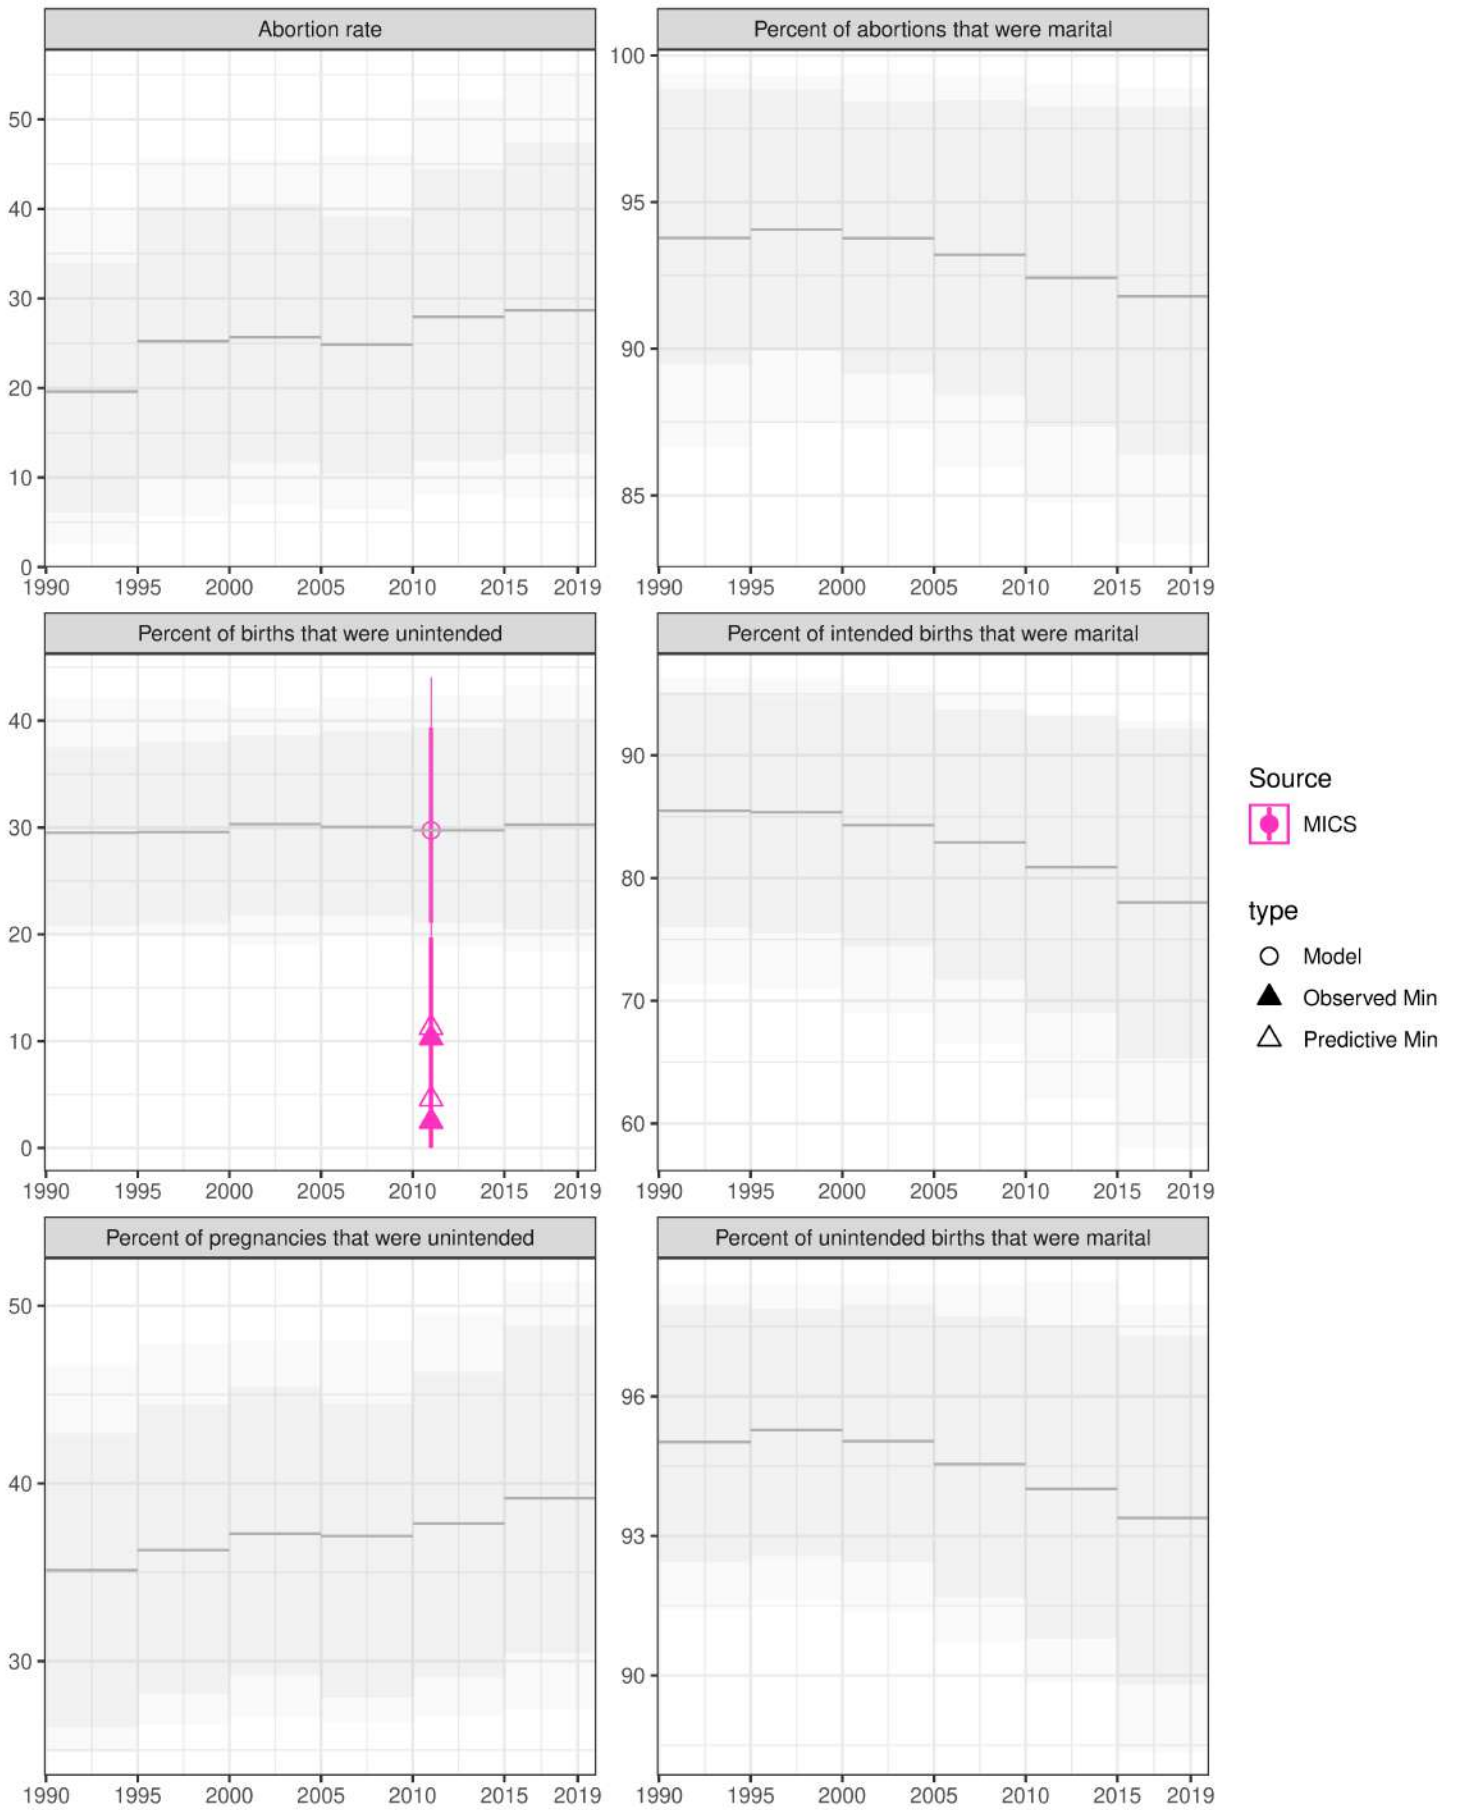

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

R..union

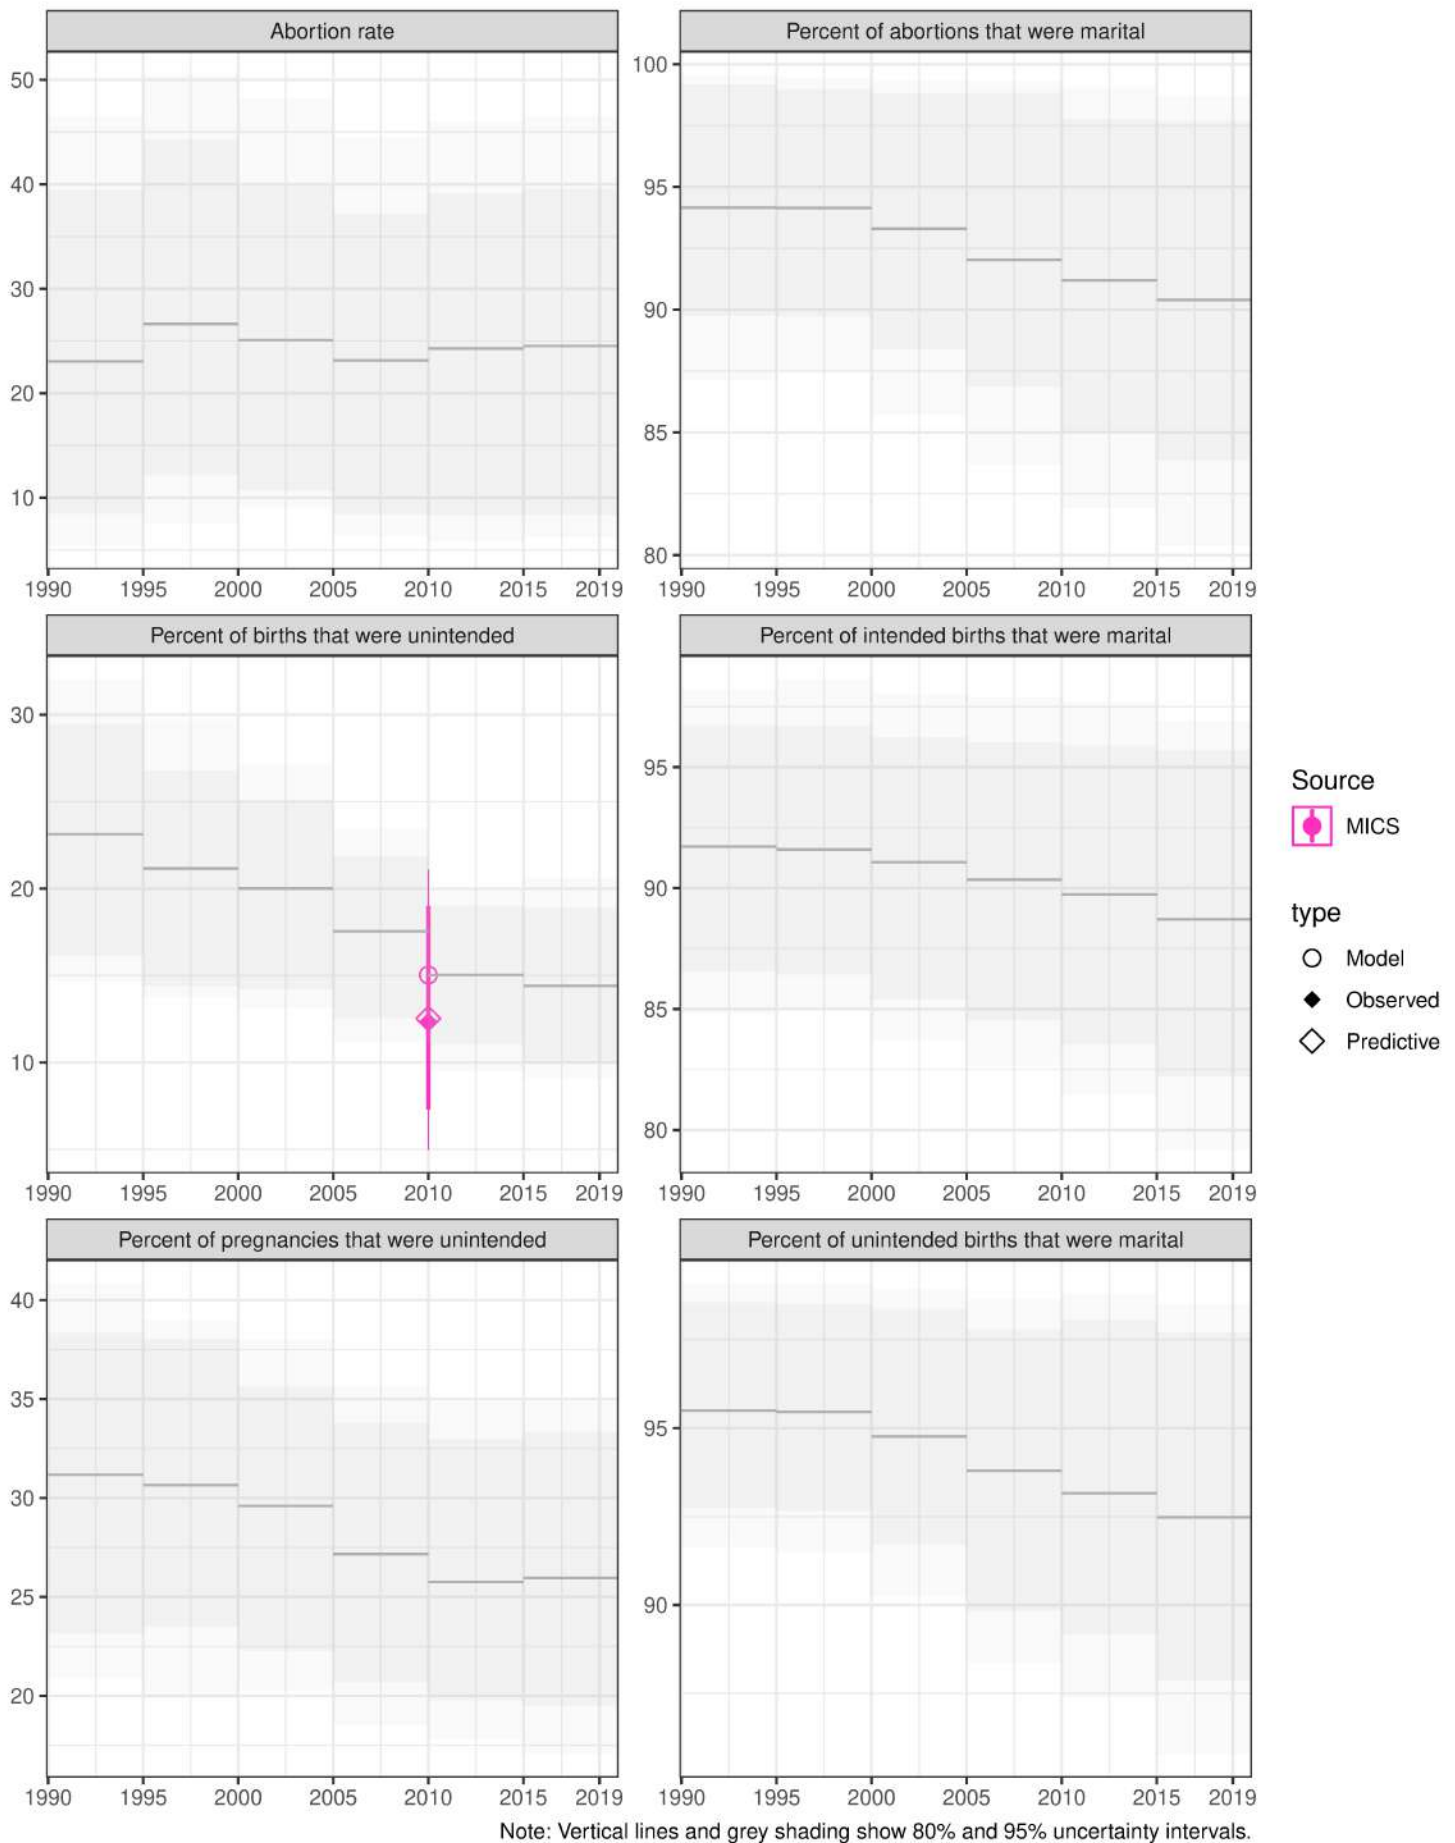

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Somalia

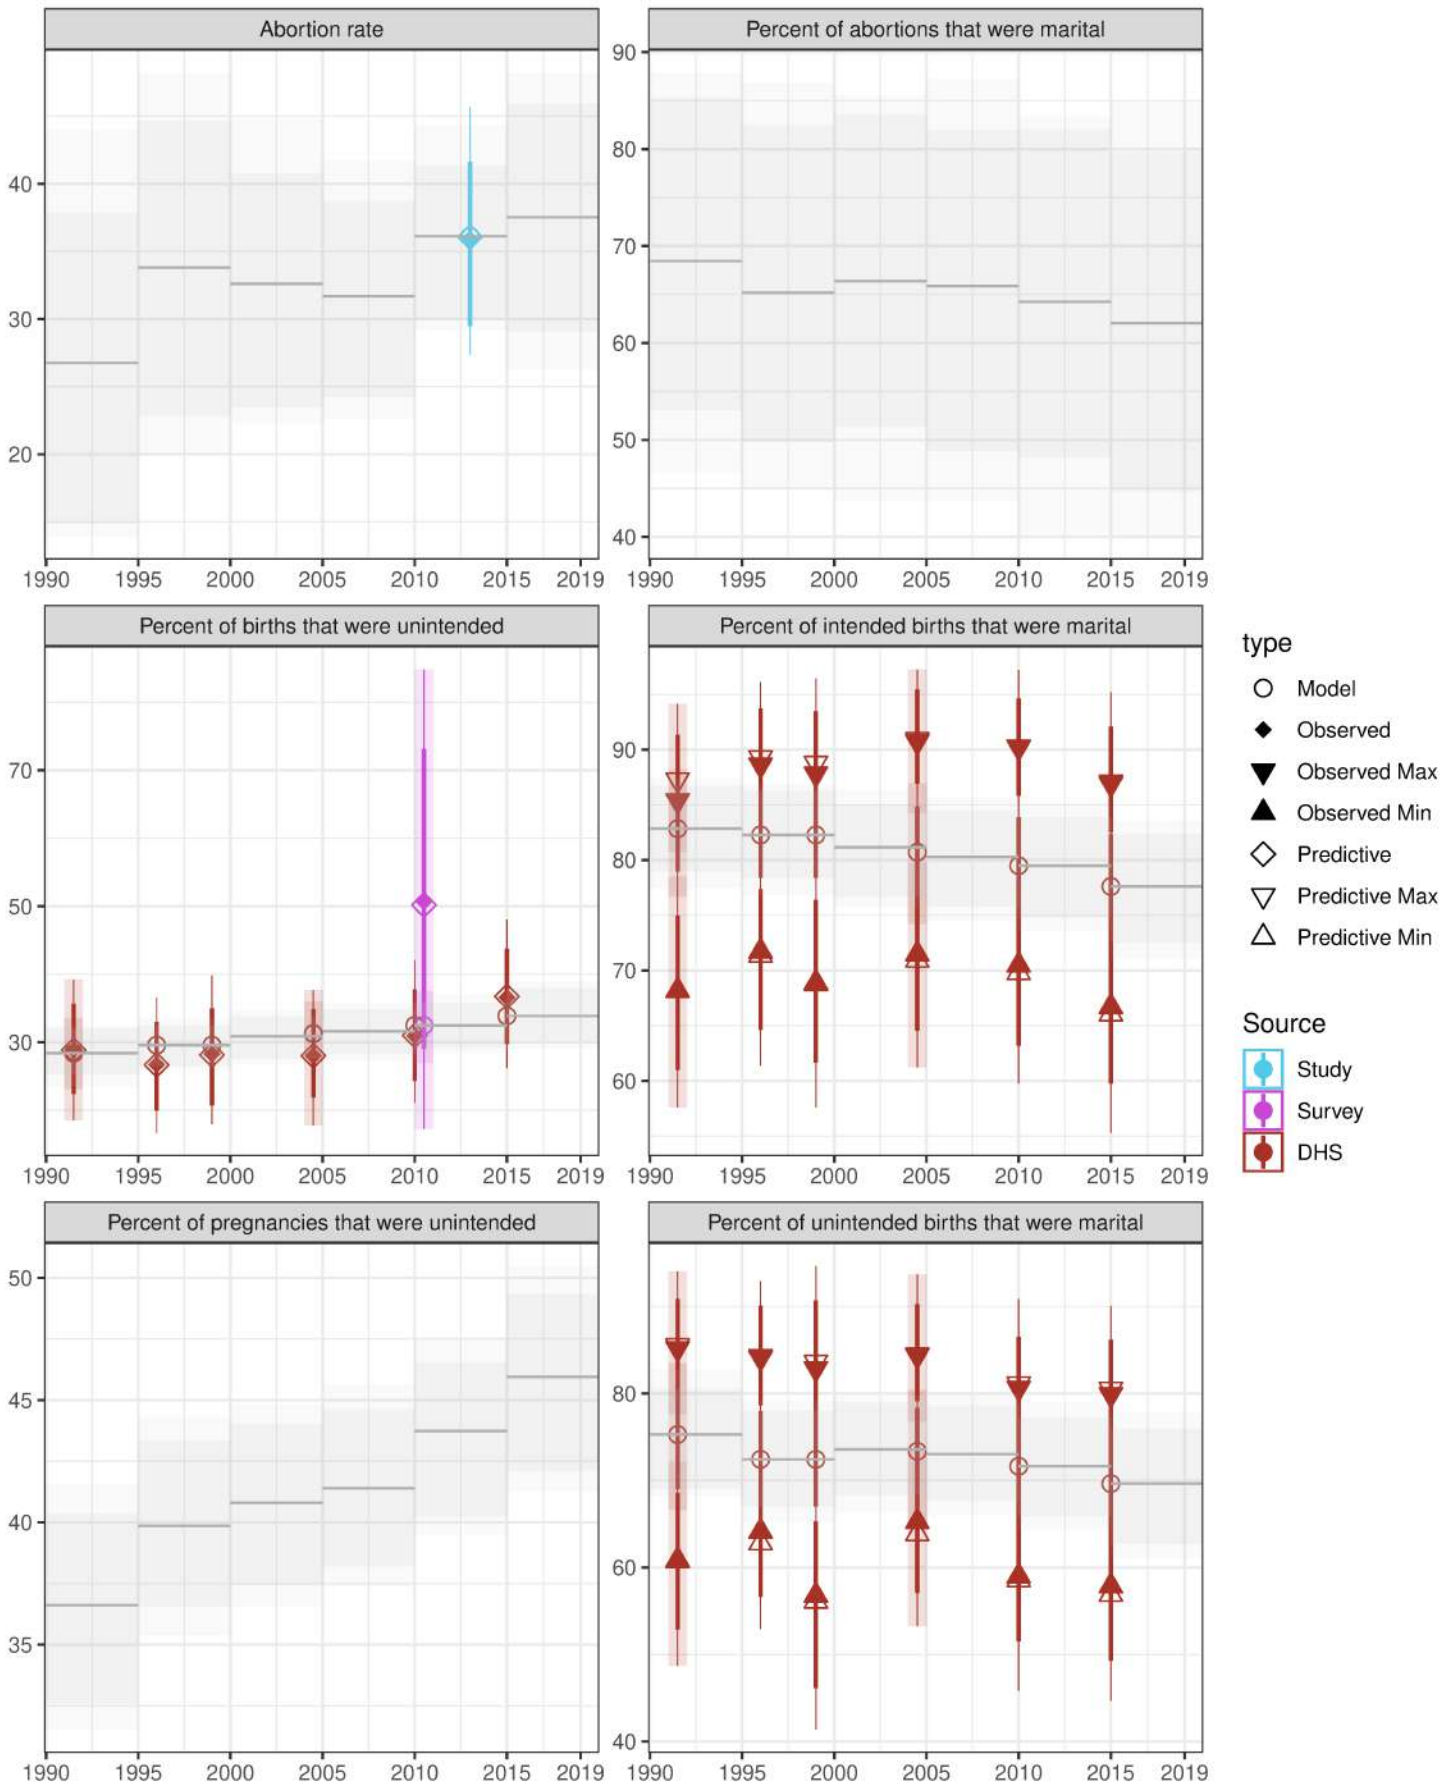

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

South Sudan

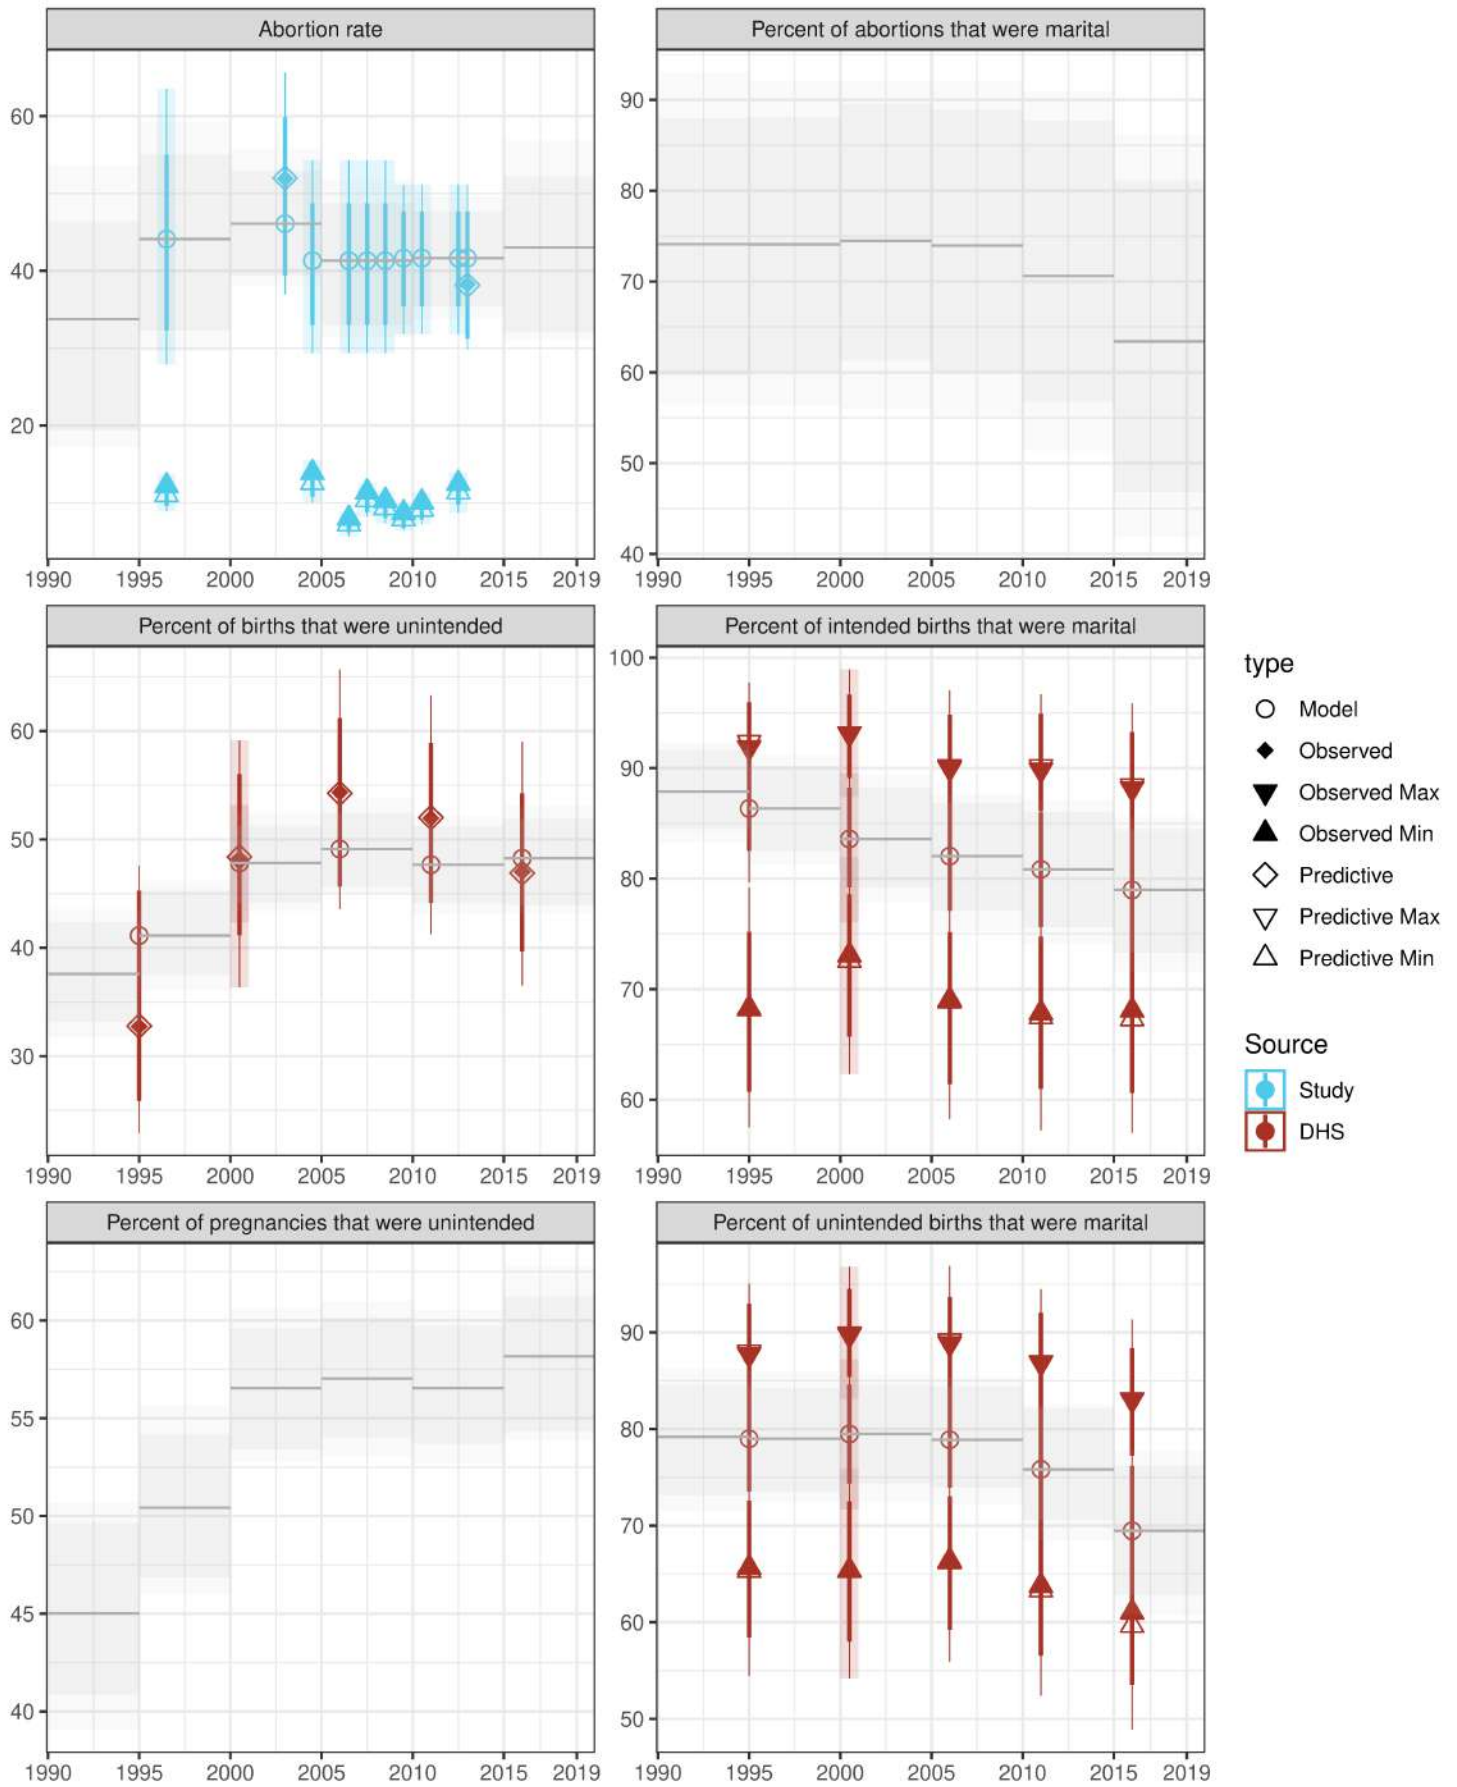

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Tanzania

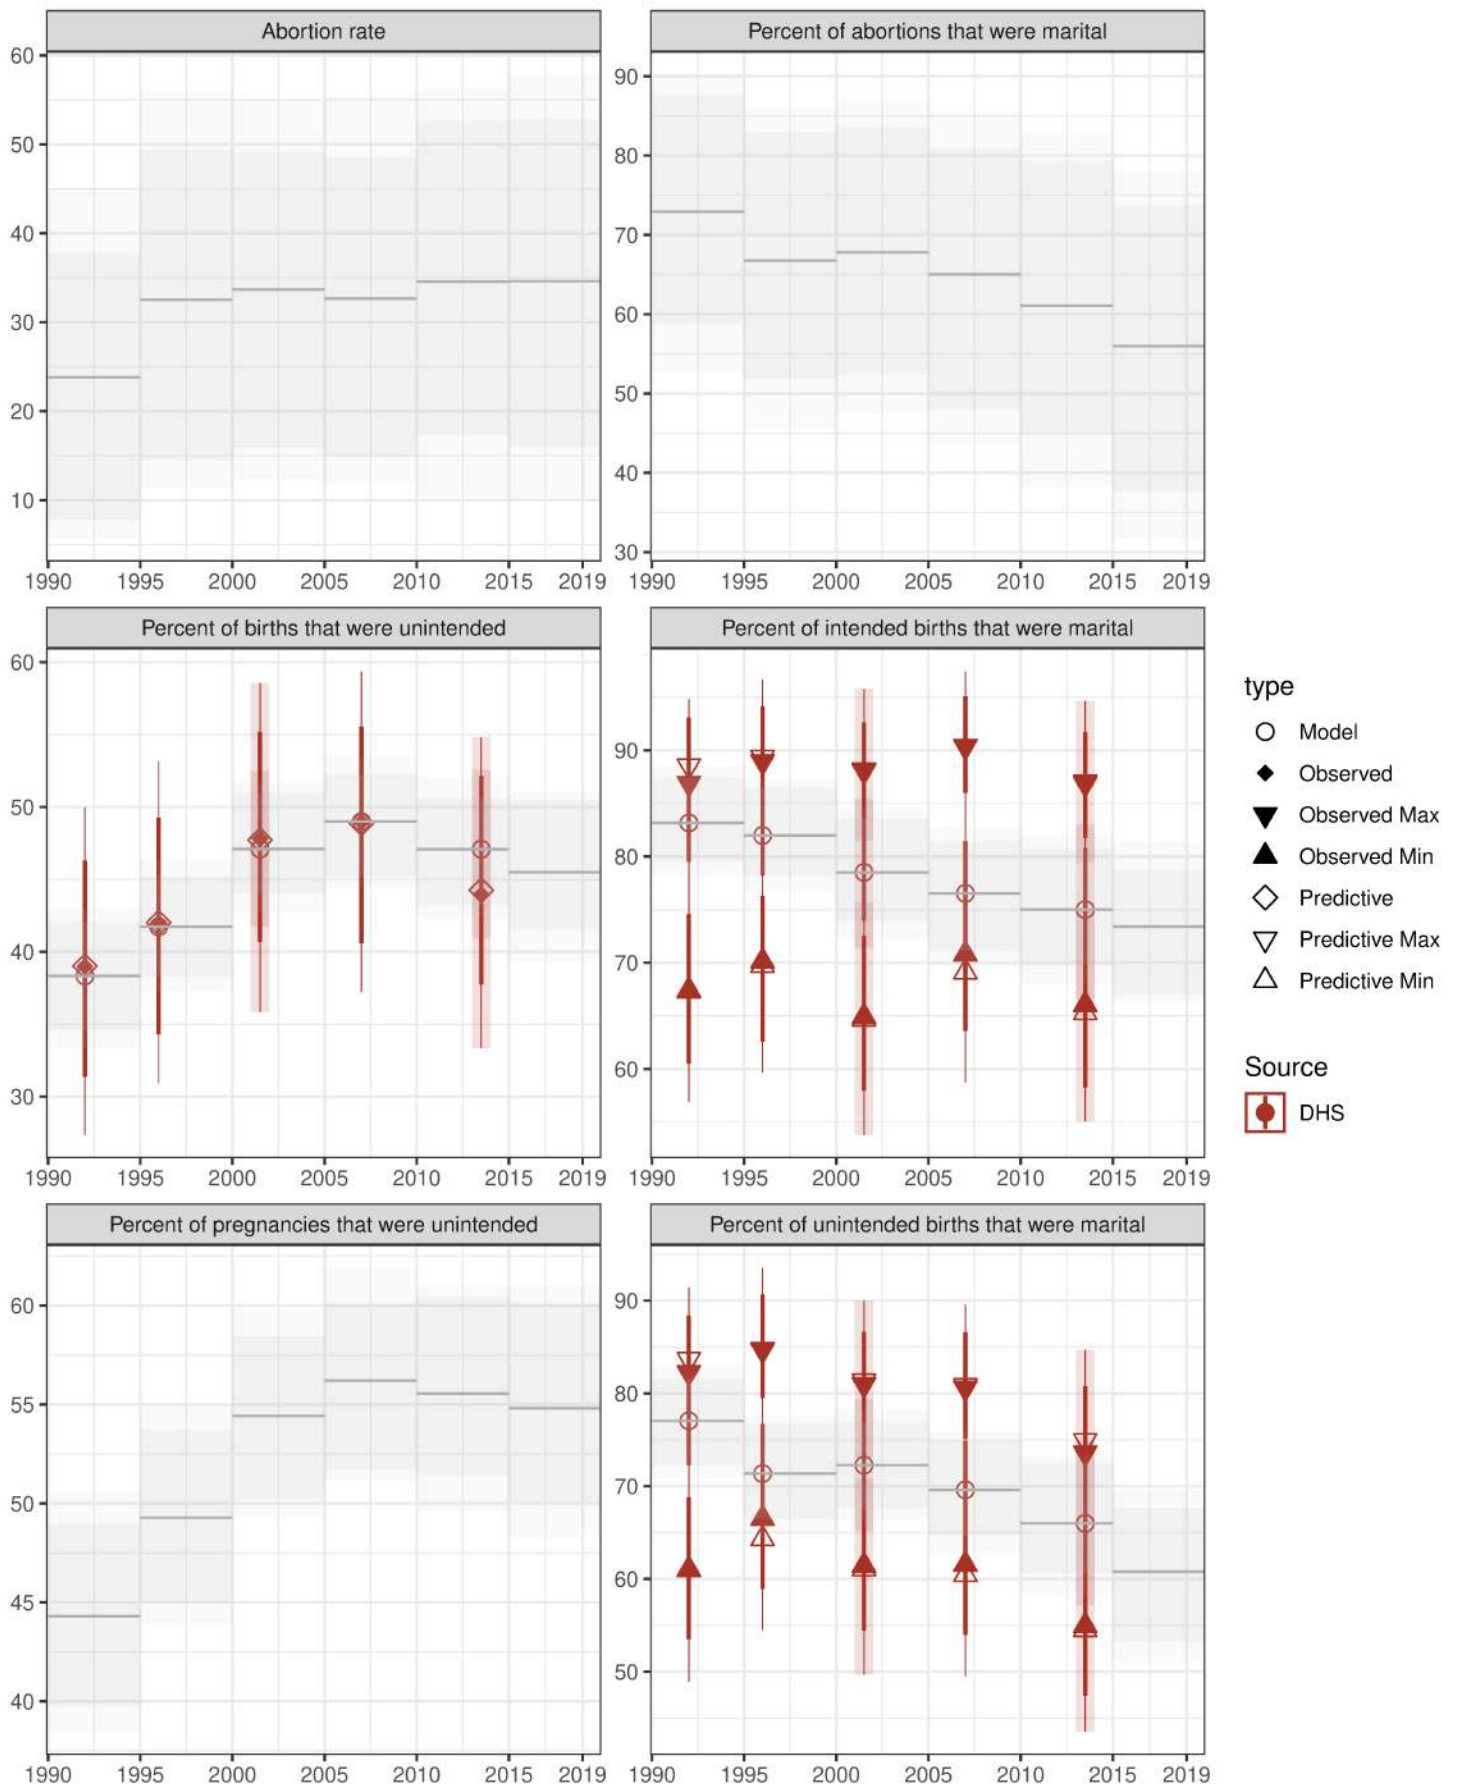

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Uganda

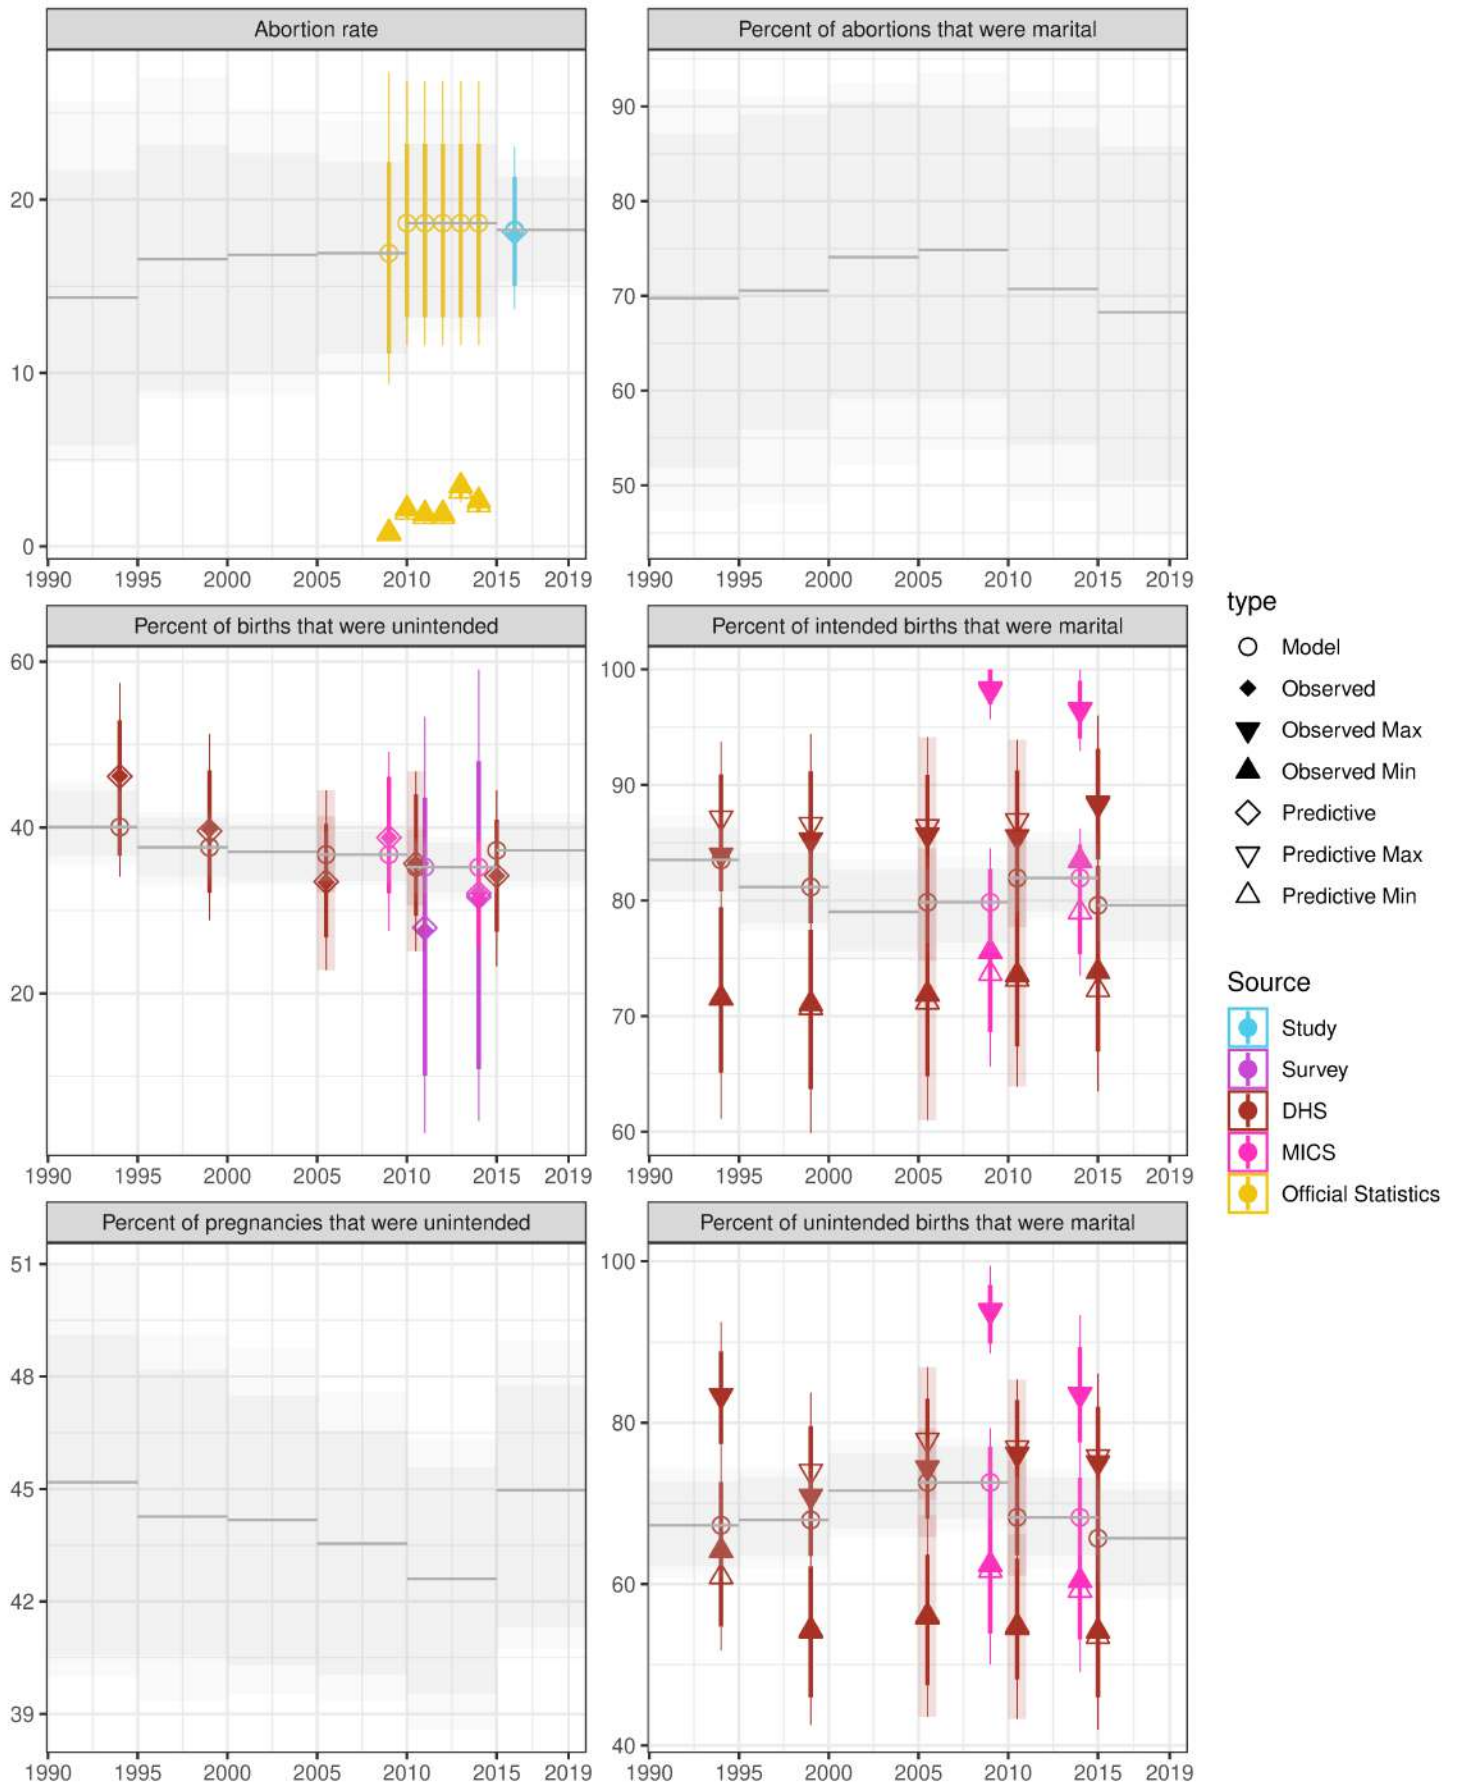

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Zambia

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

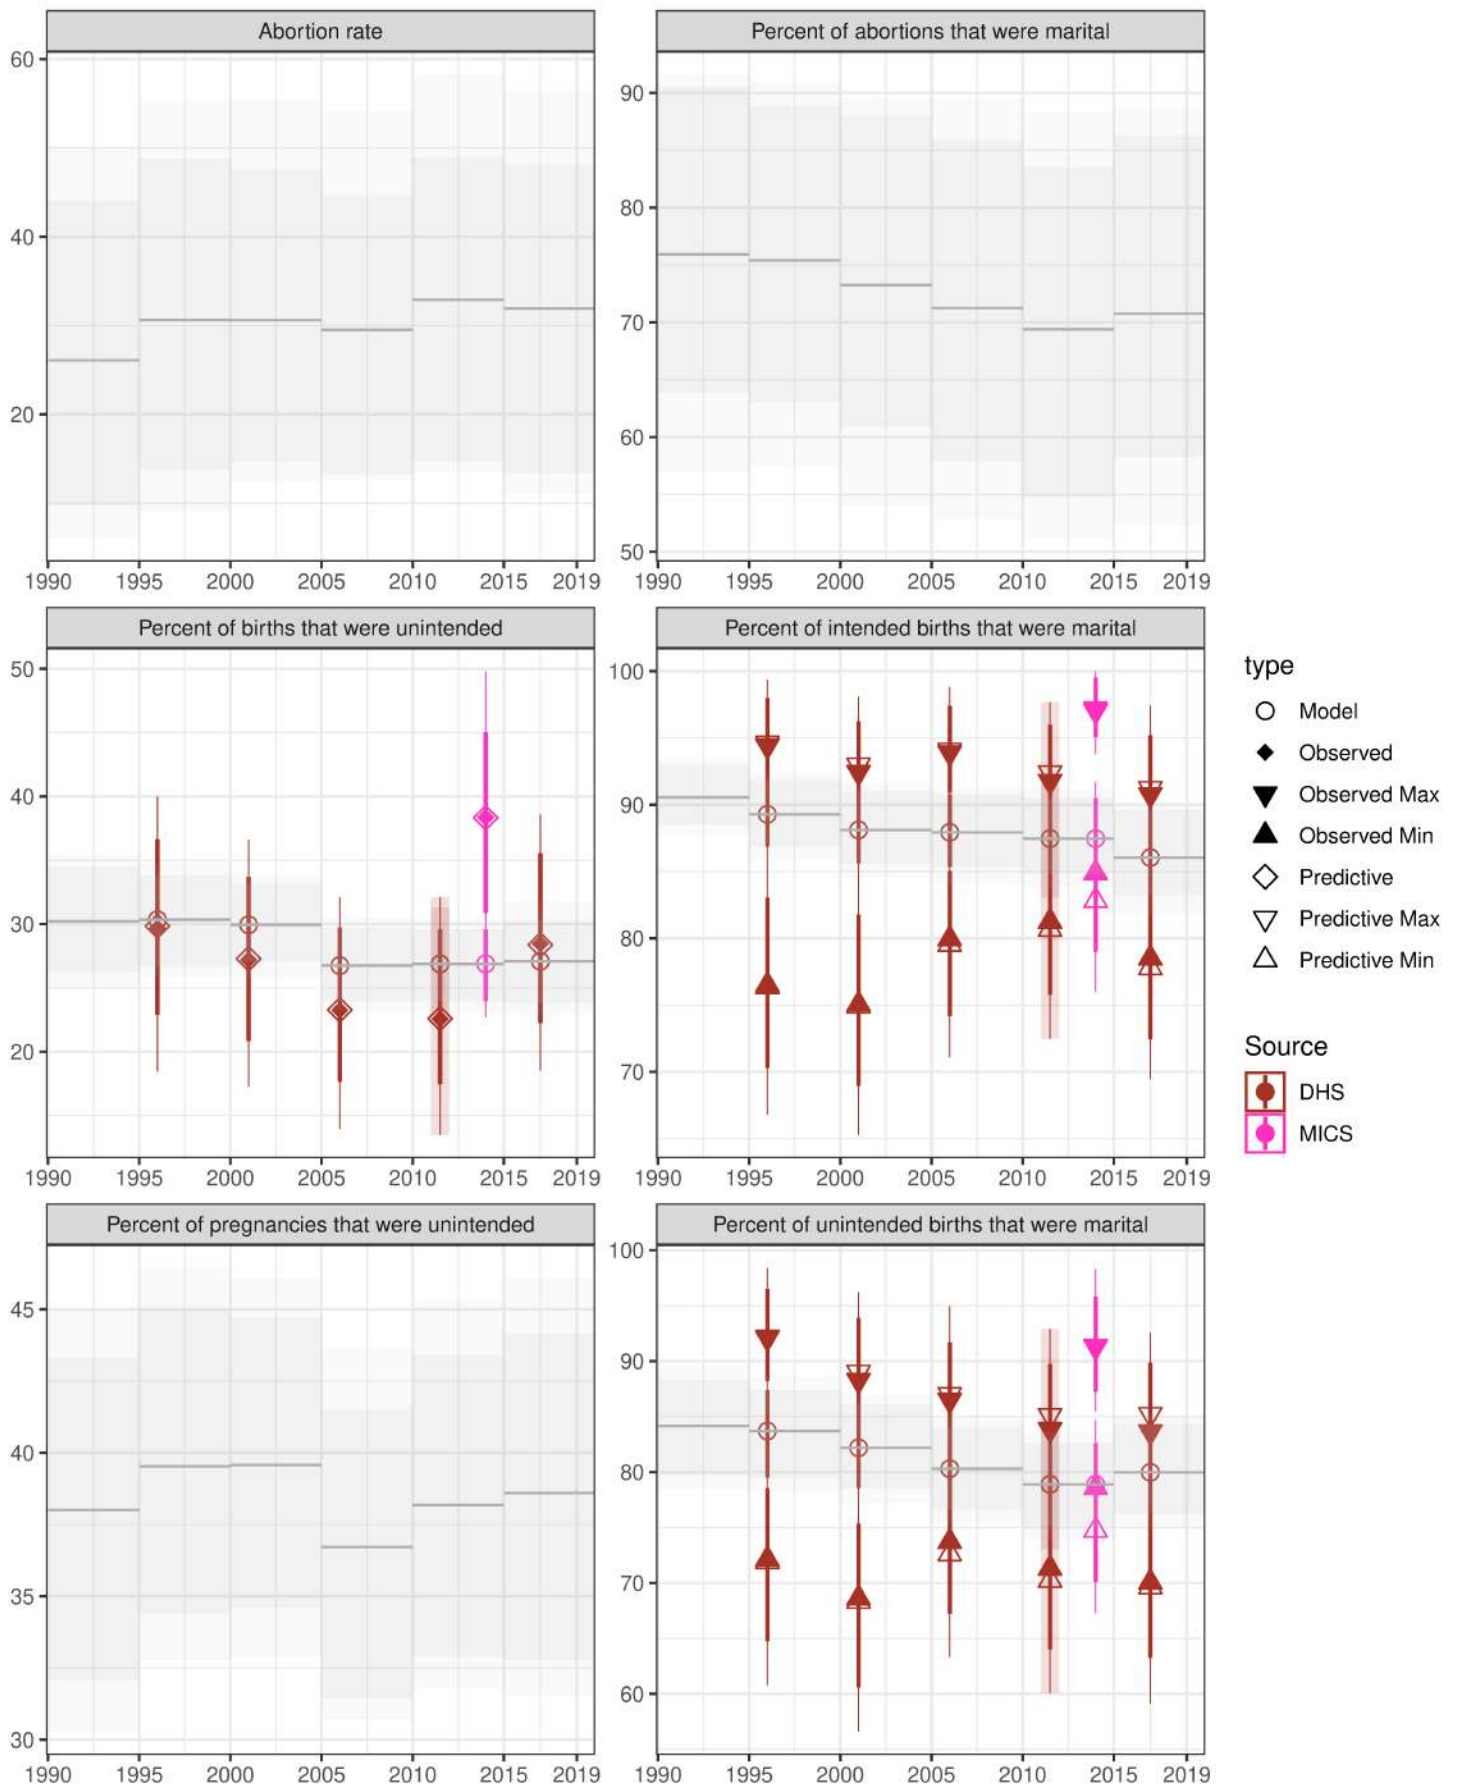

Zimbabwe

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

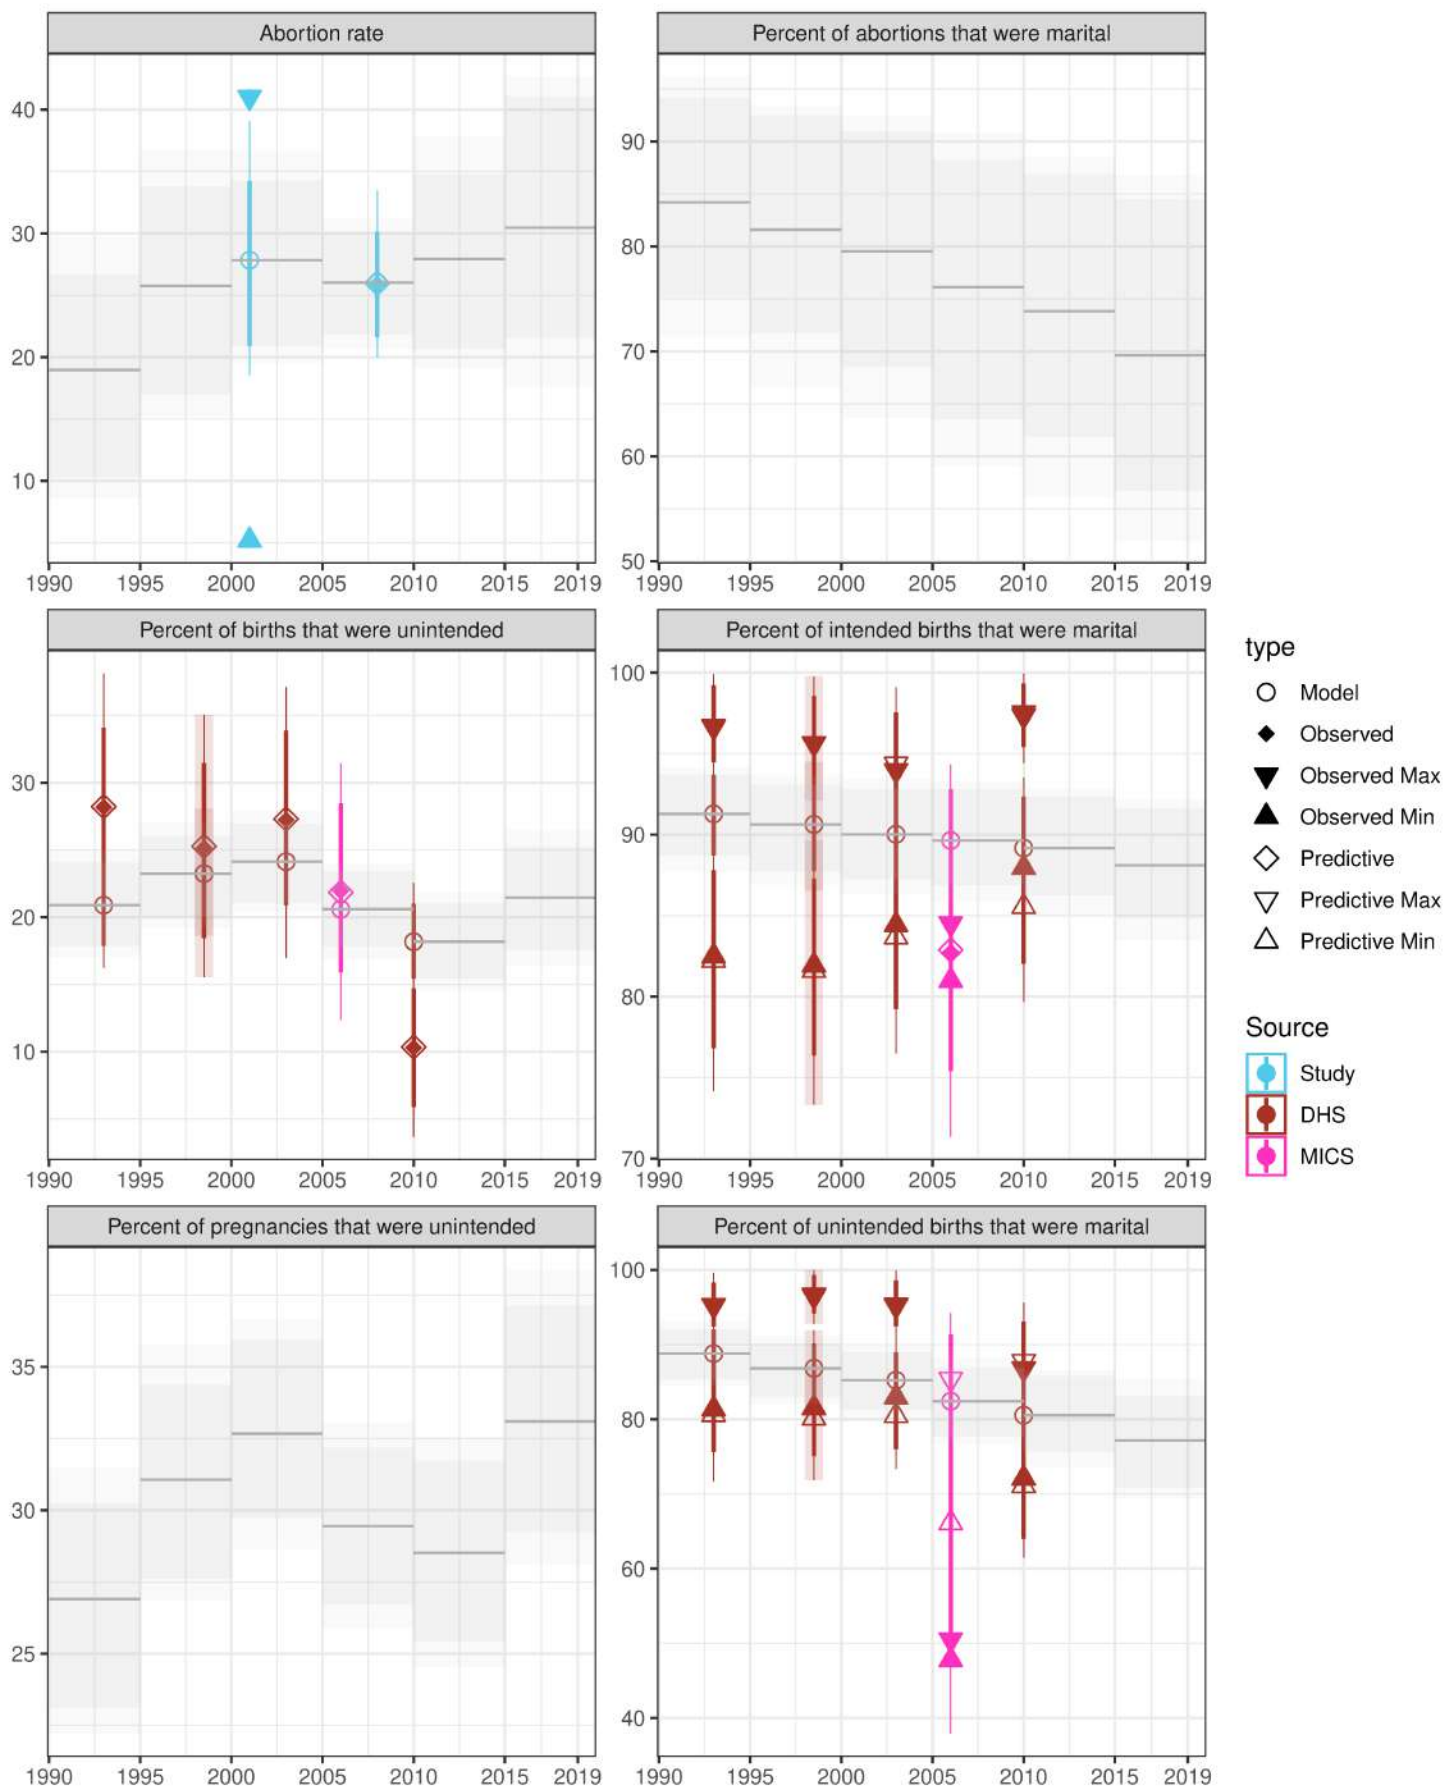

1.2 Western Africa

Benin

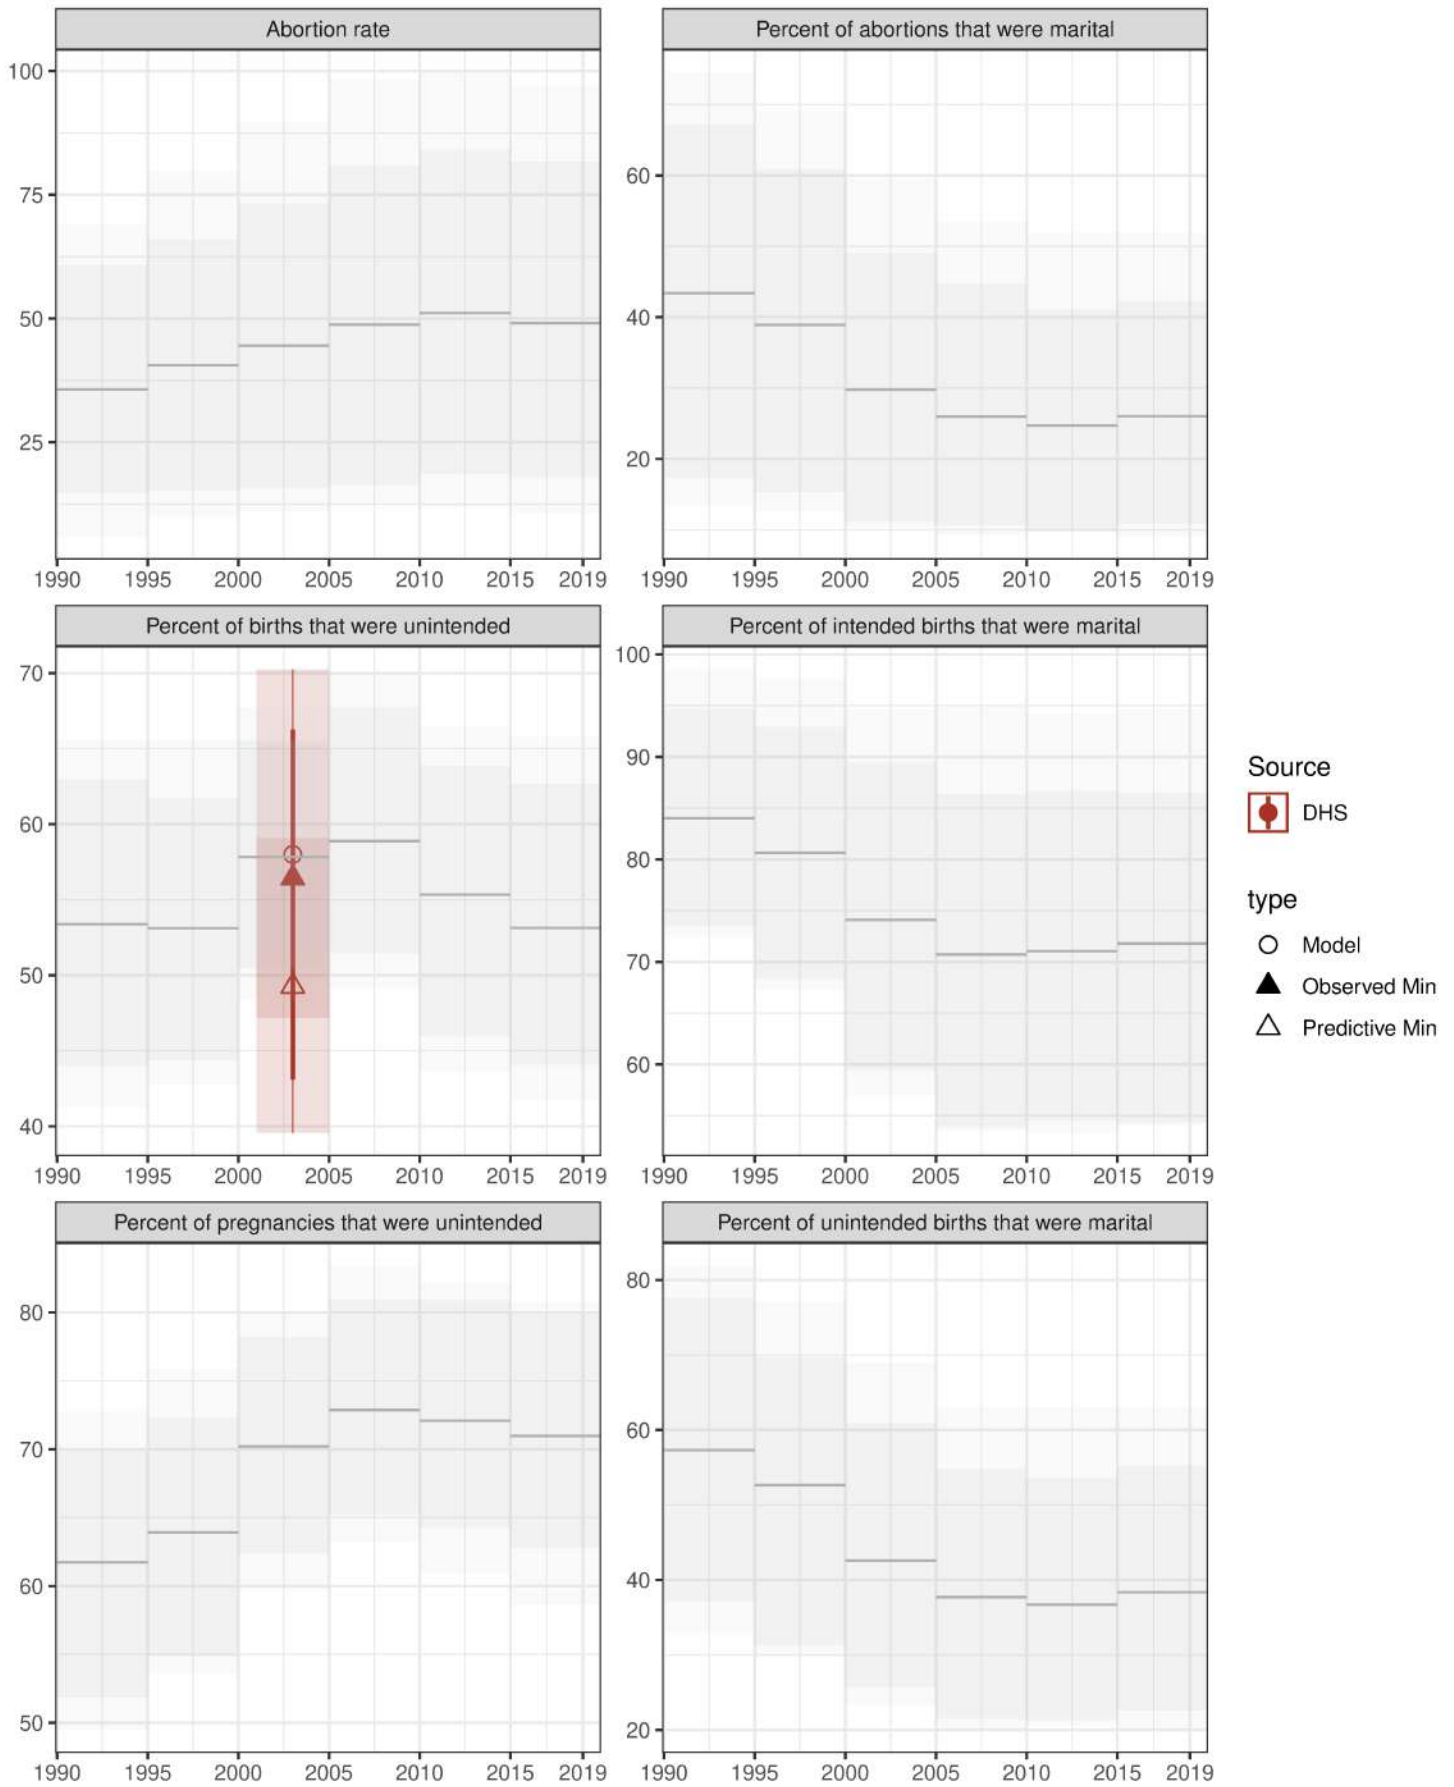

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Burkina Faso

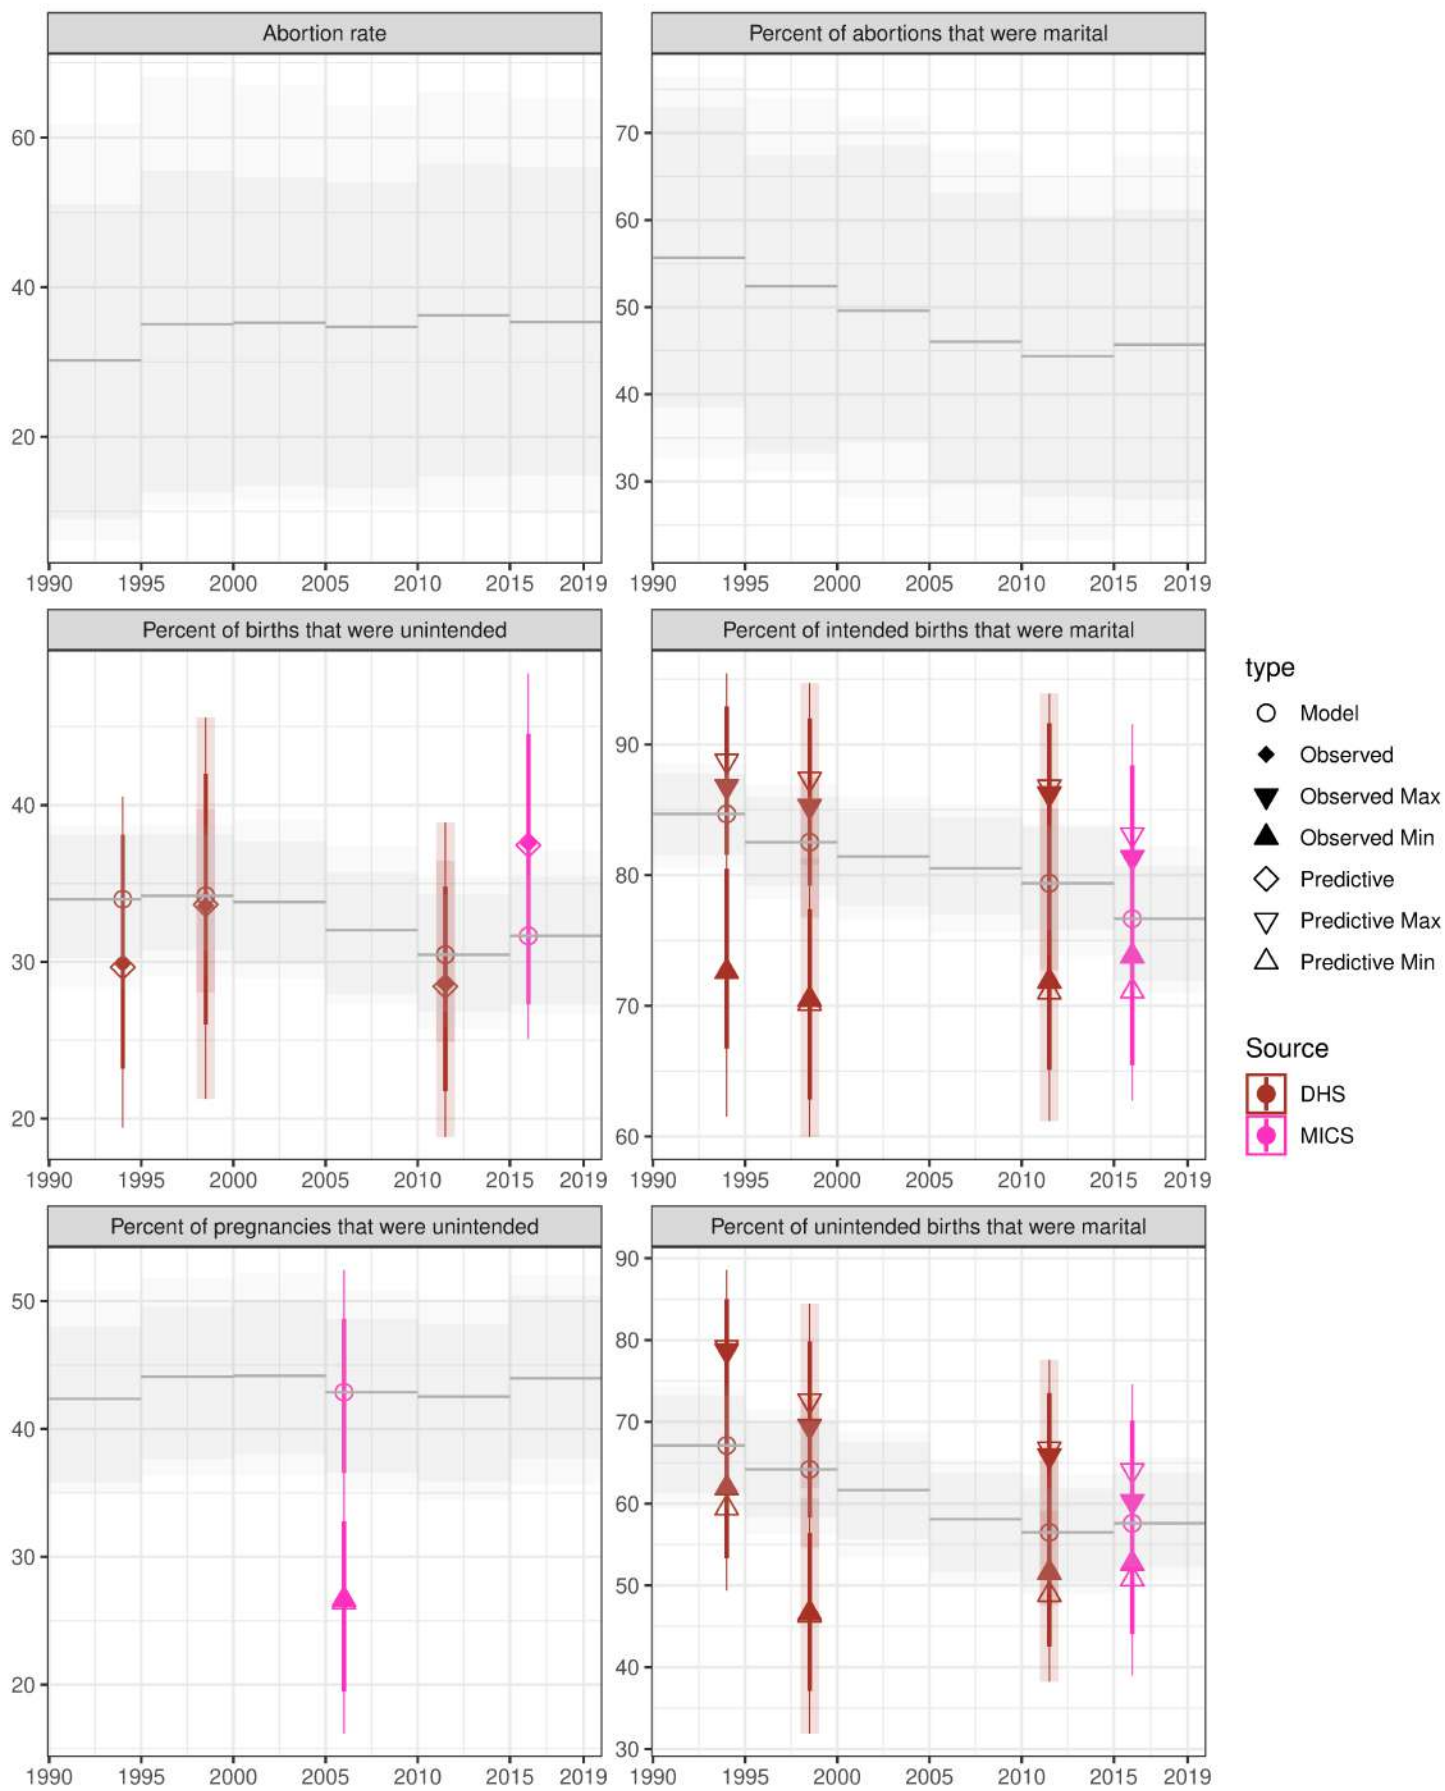

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Cabo Verde

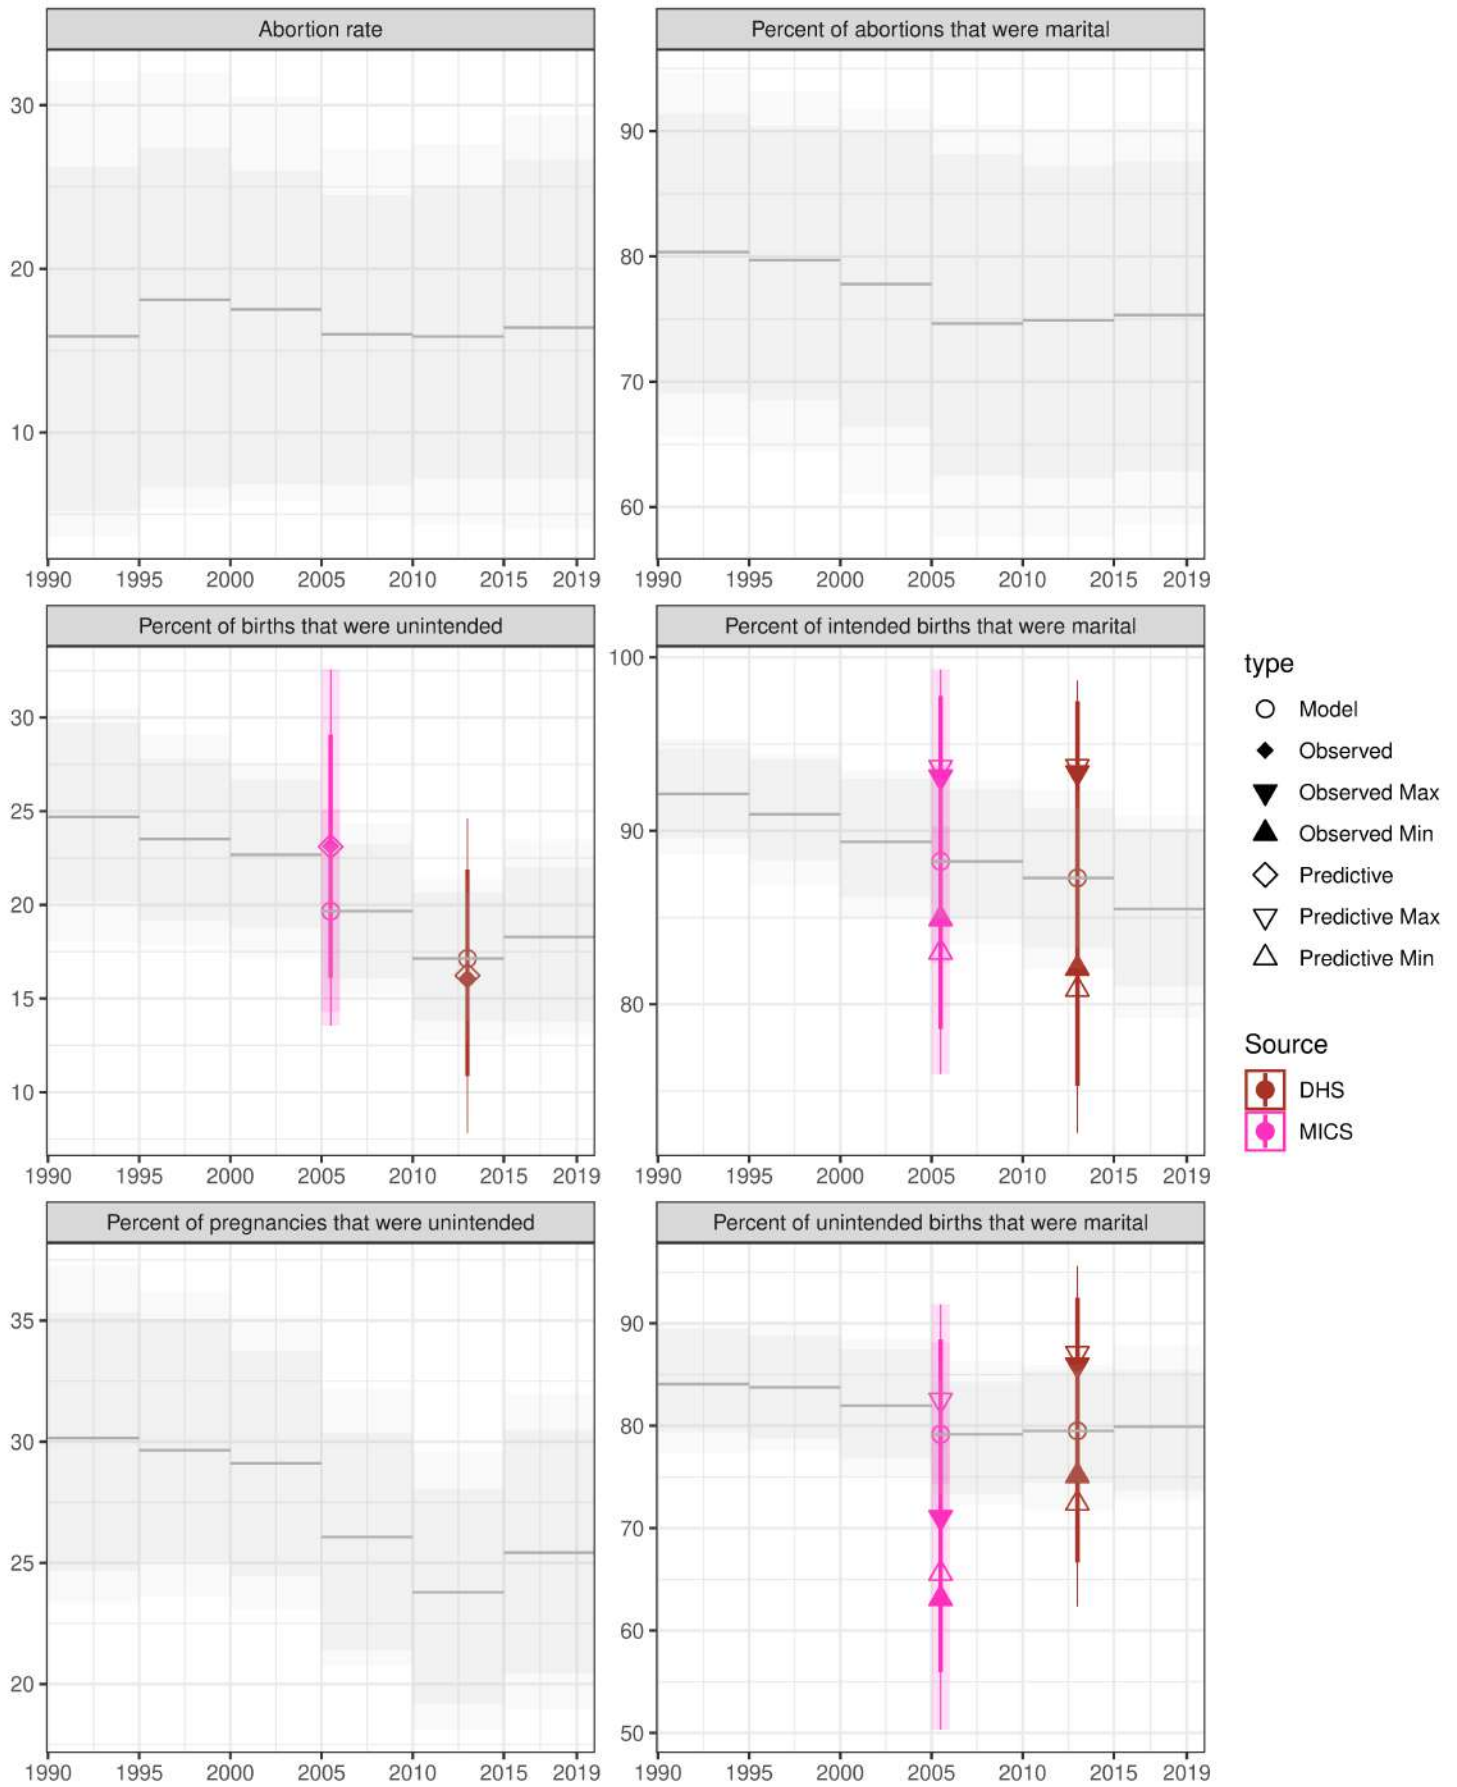

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Cote d'Ivoire

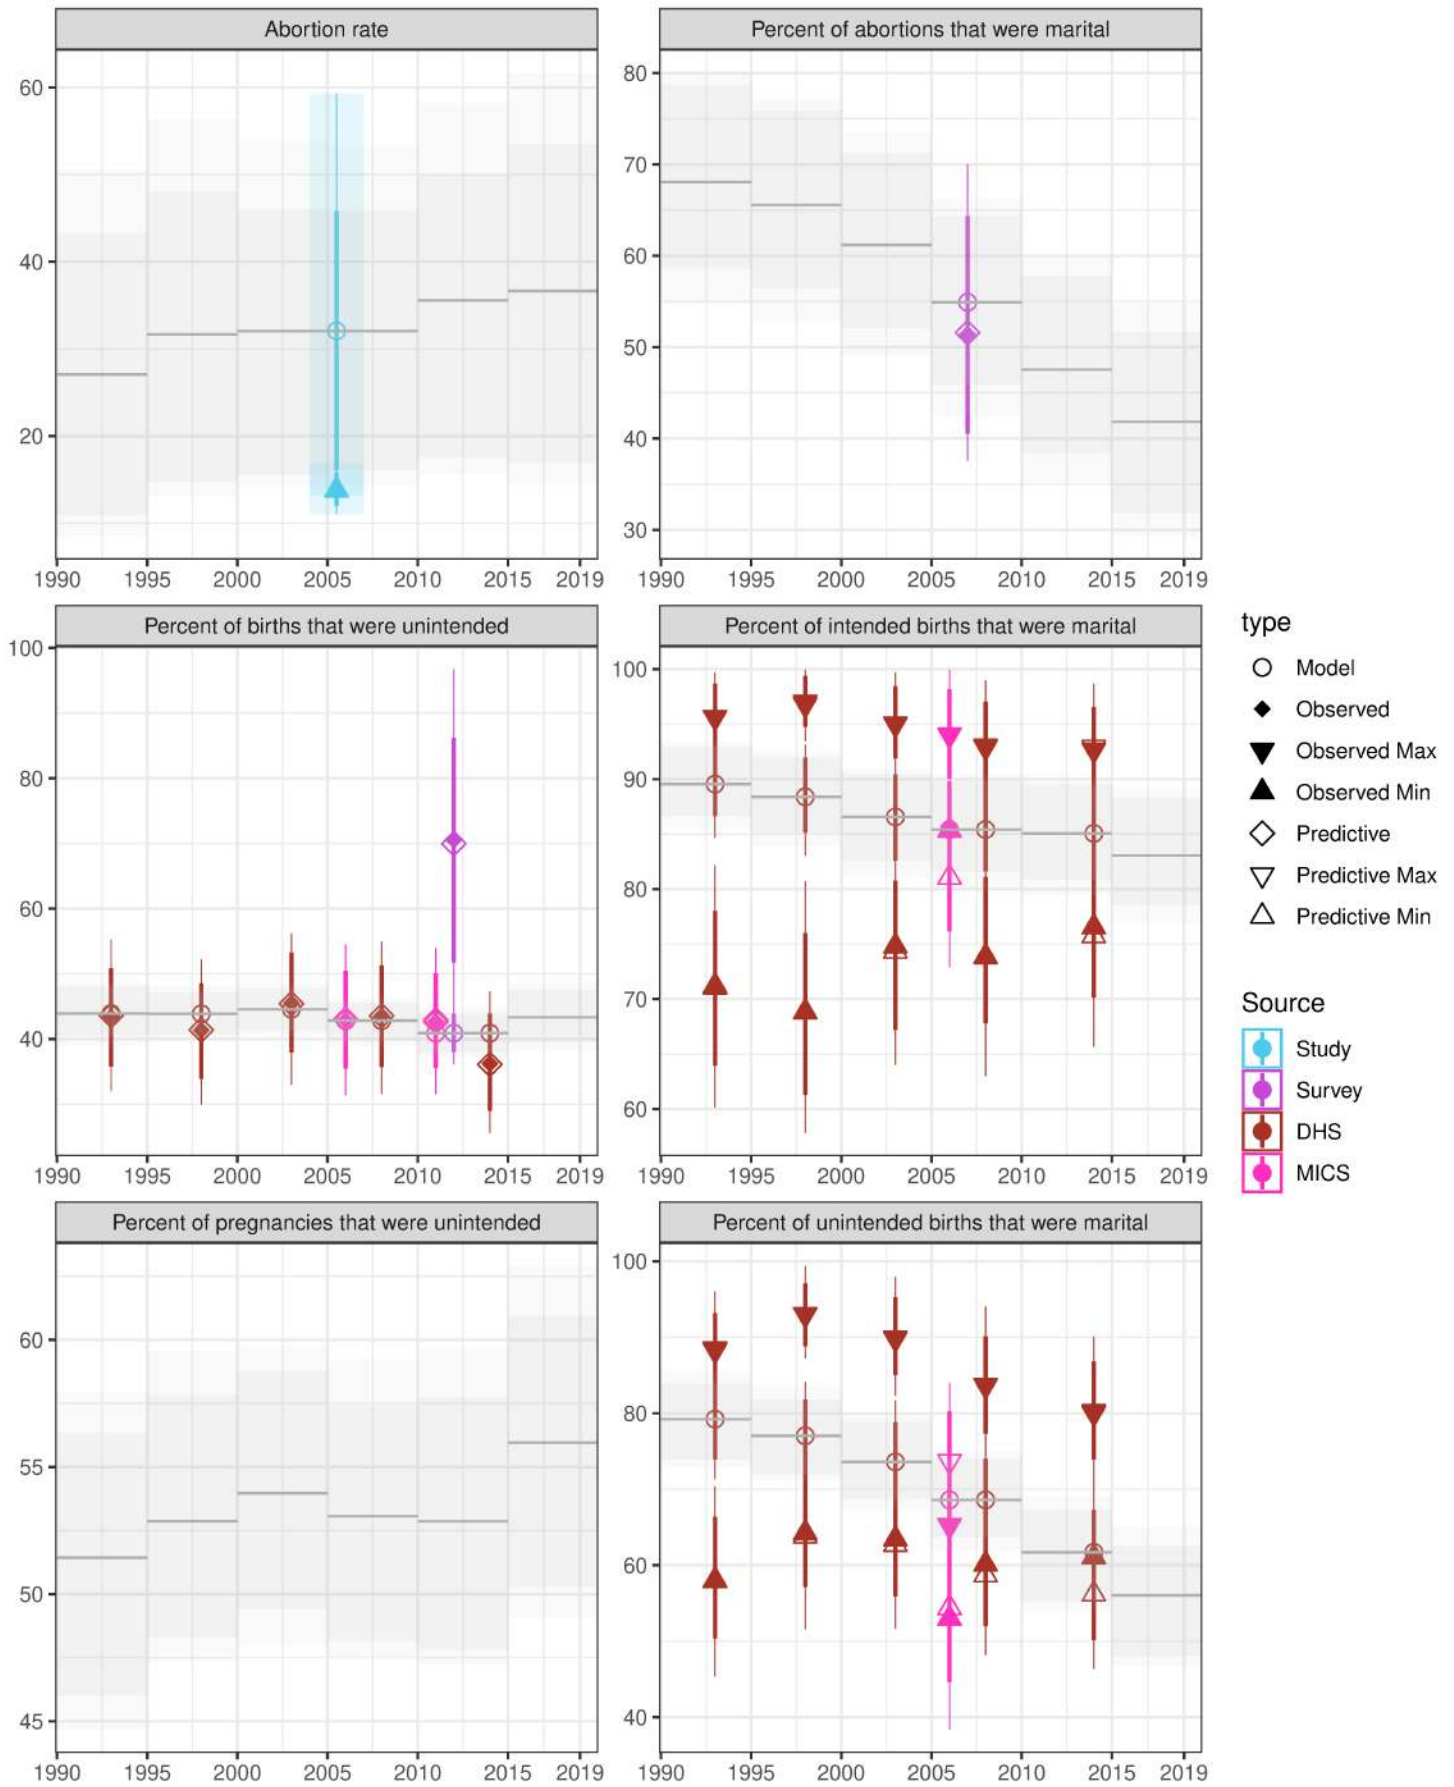

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Gambia

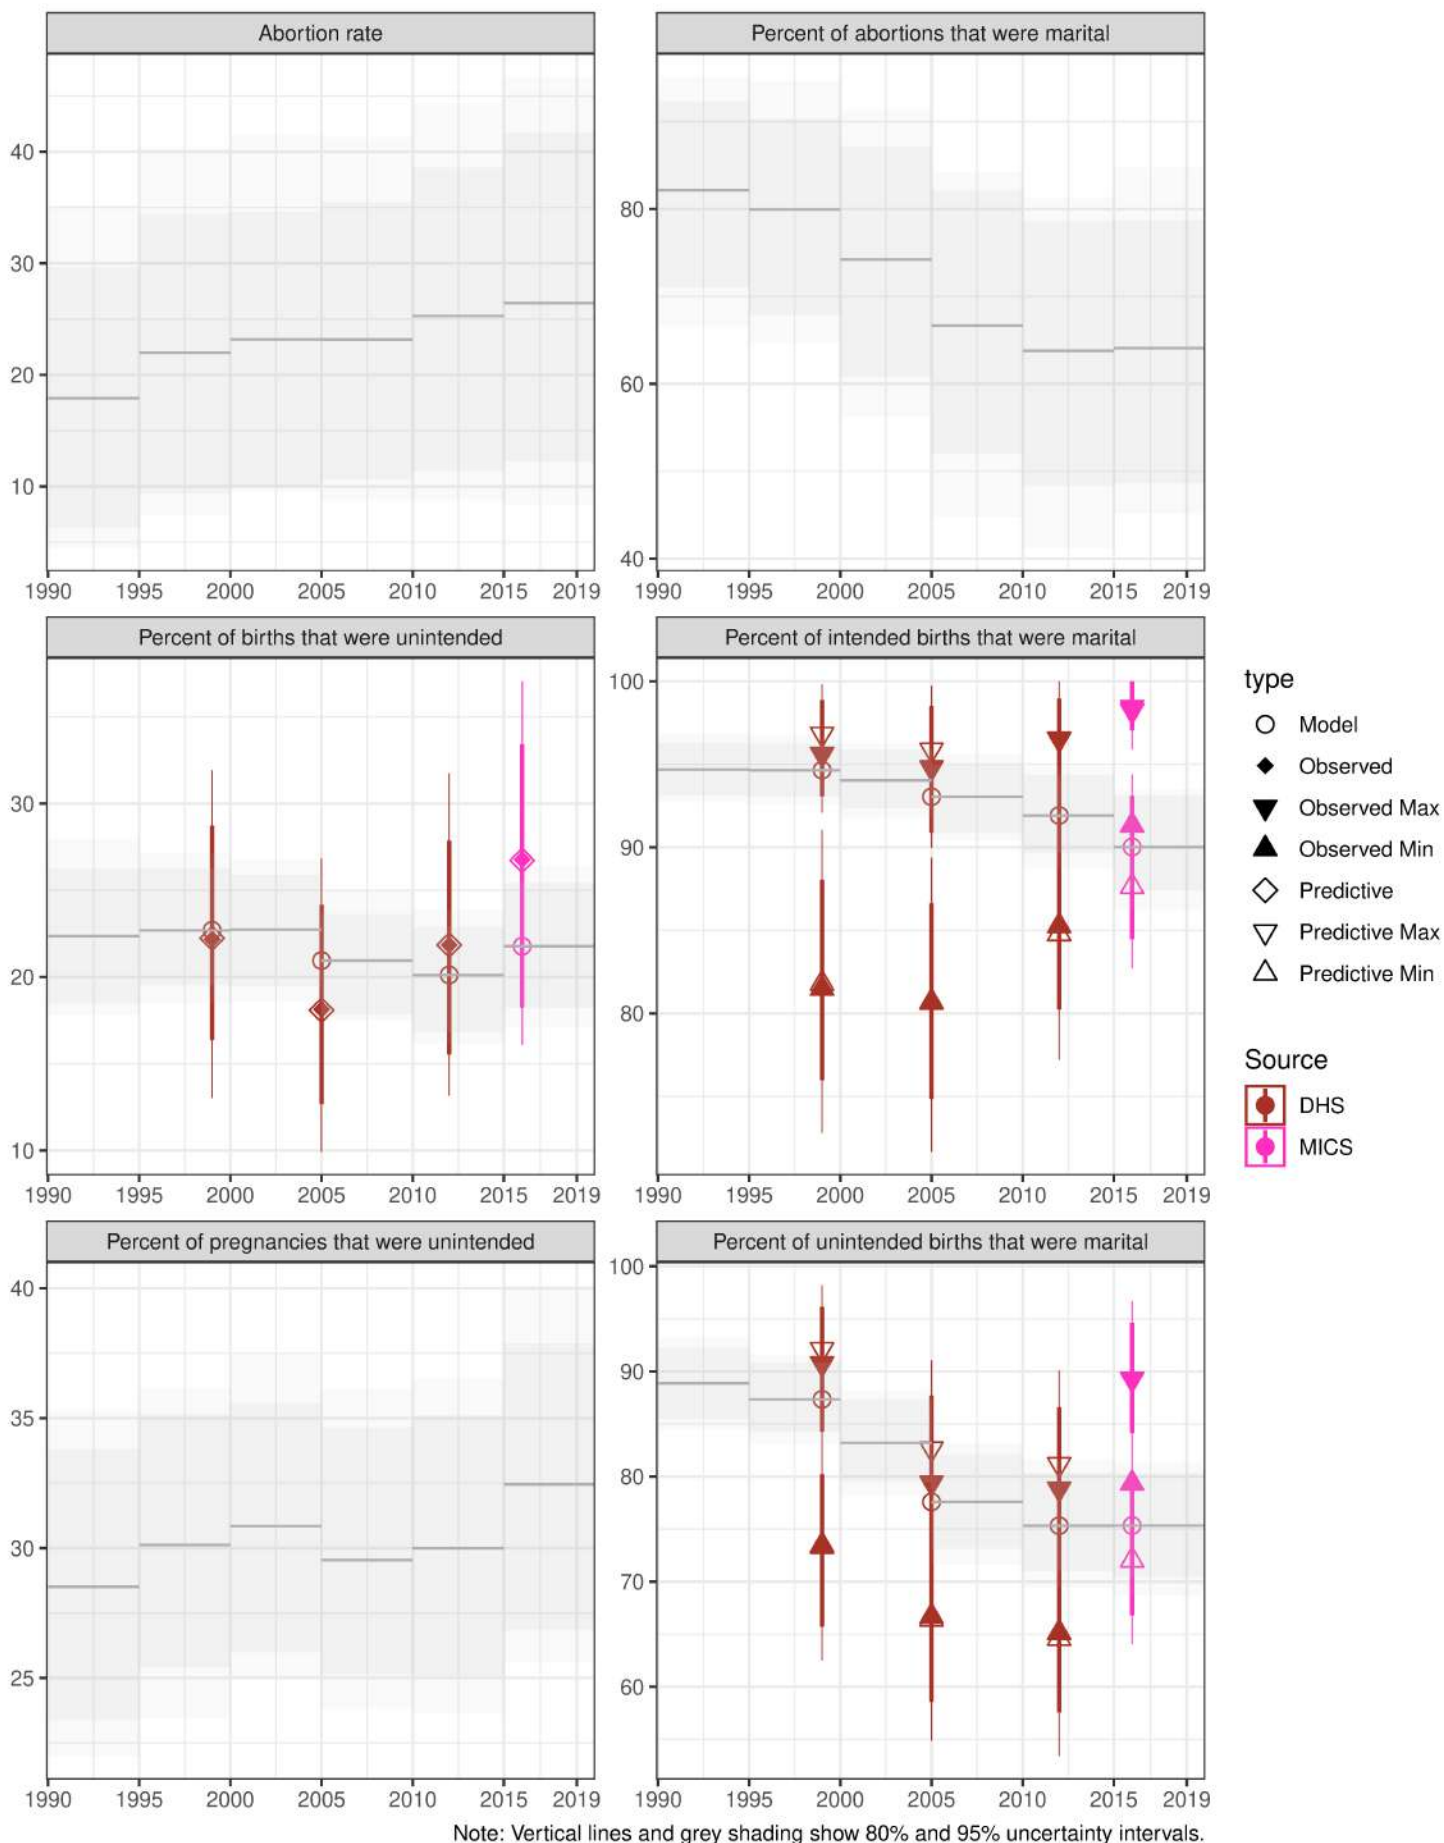

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Ghana

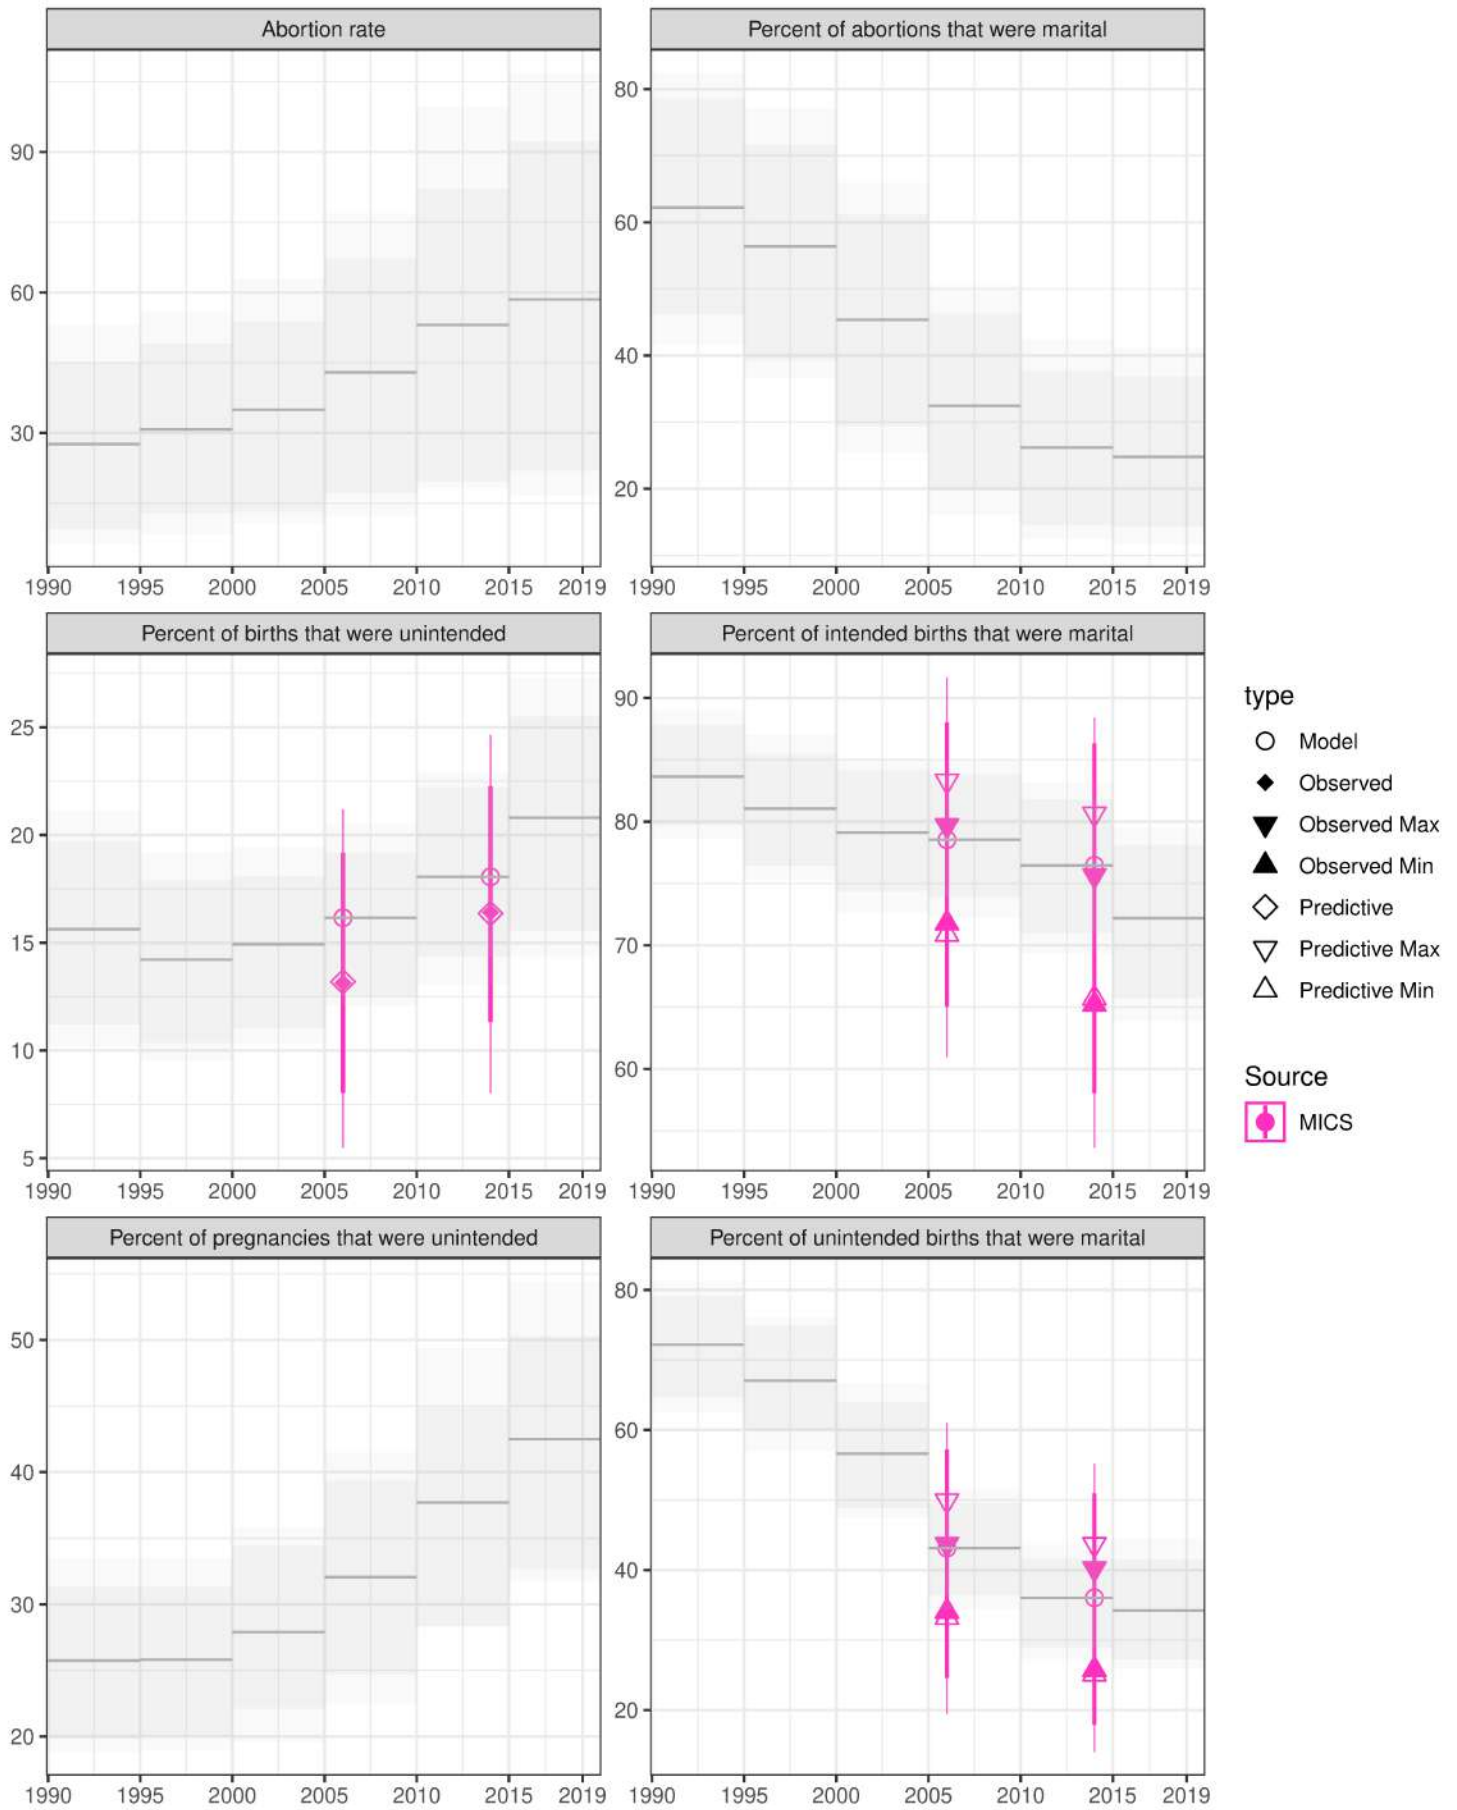

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Guinea

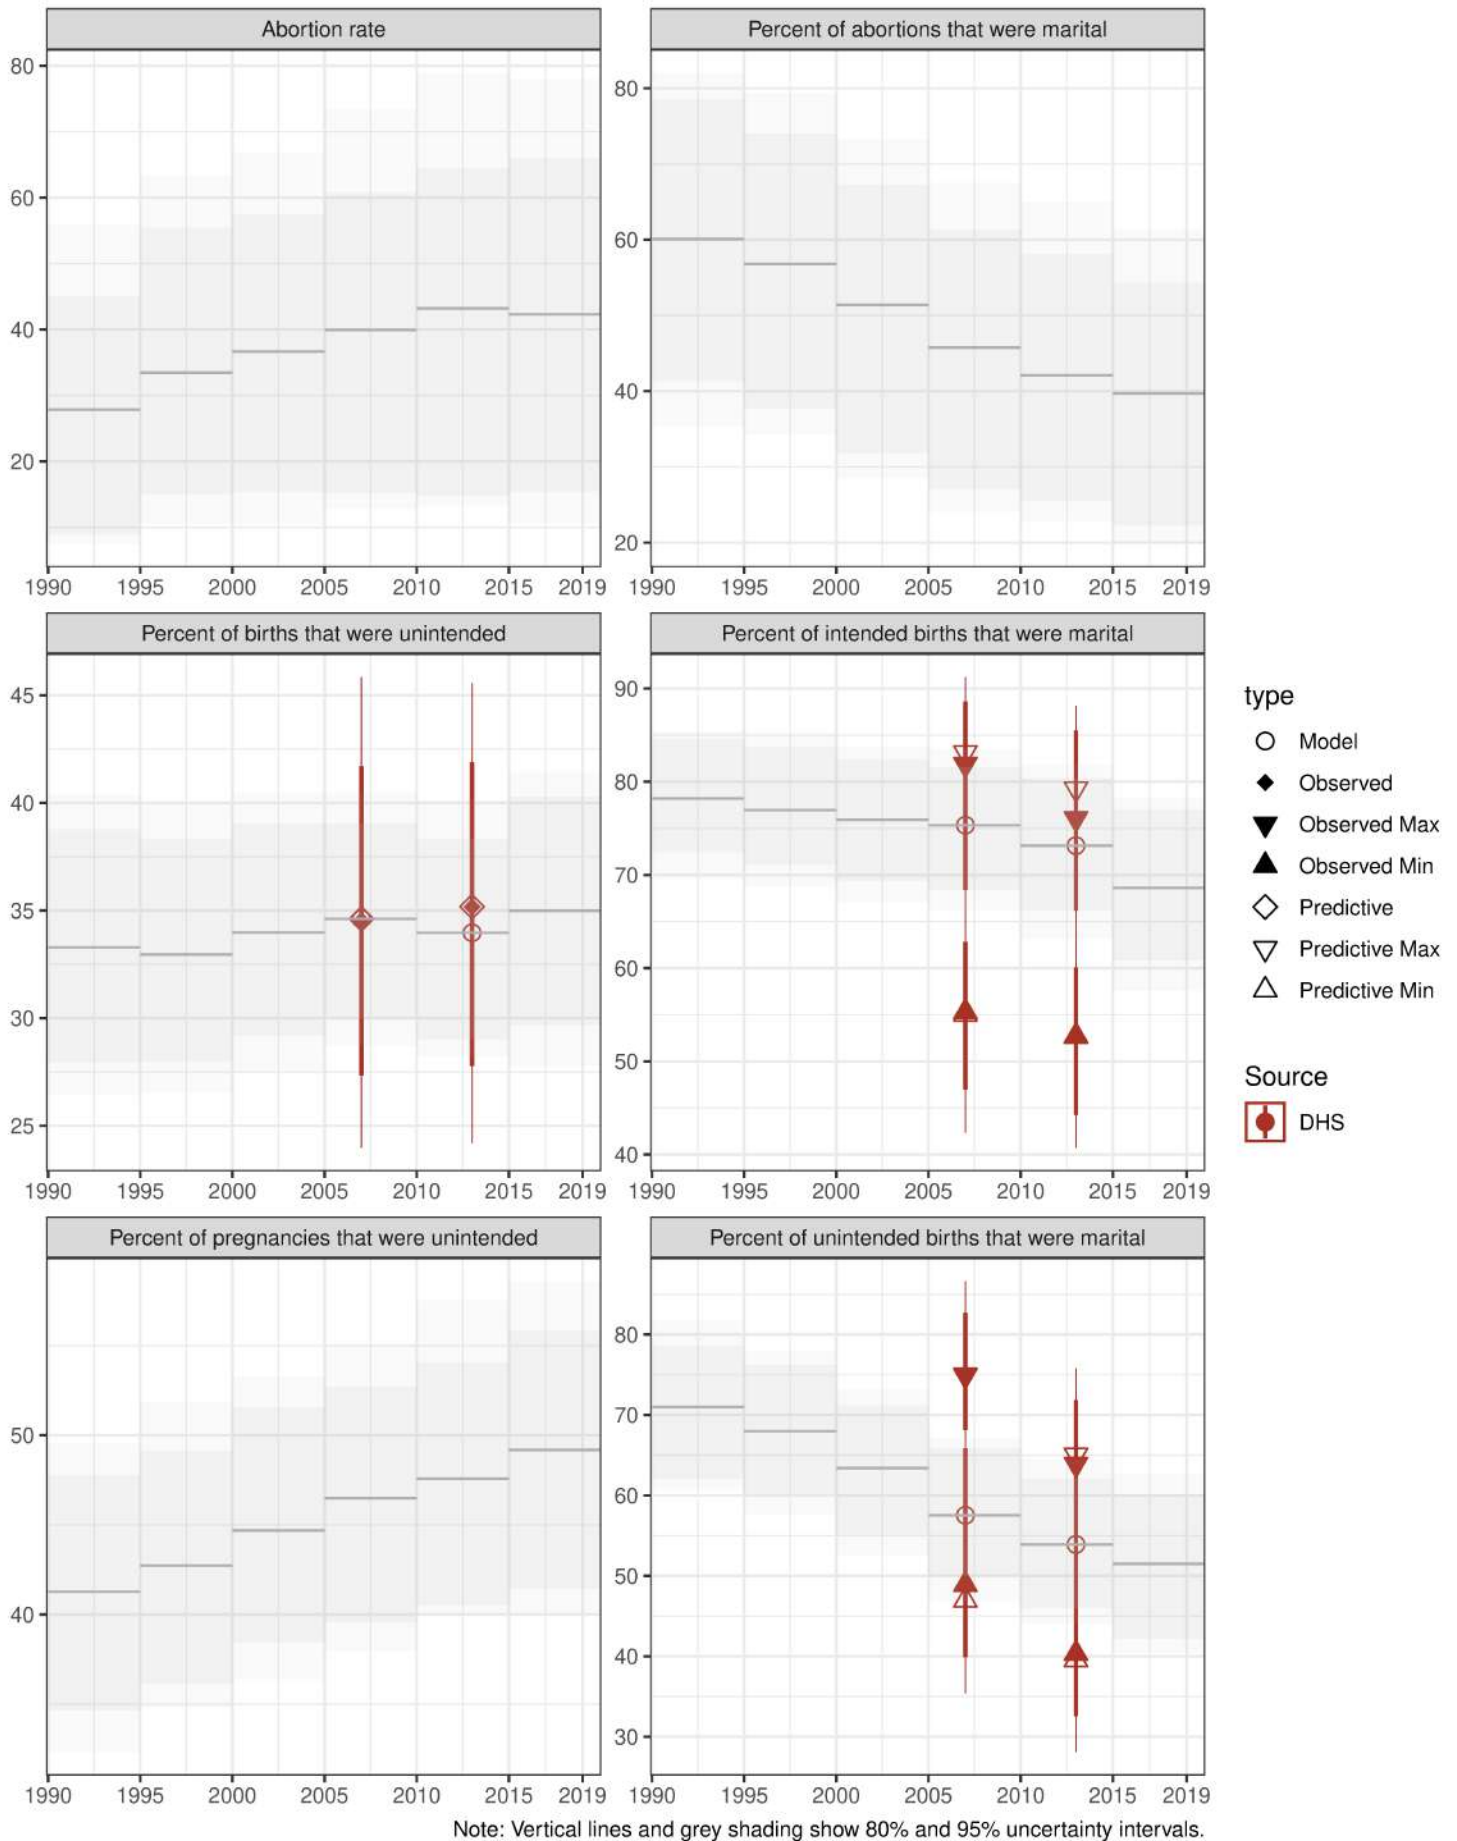

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Guinea-Bissau

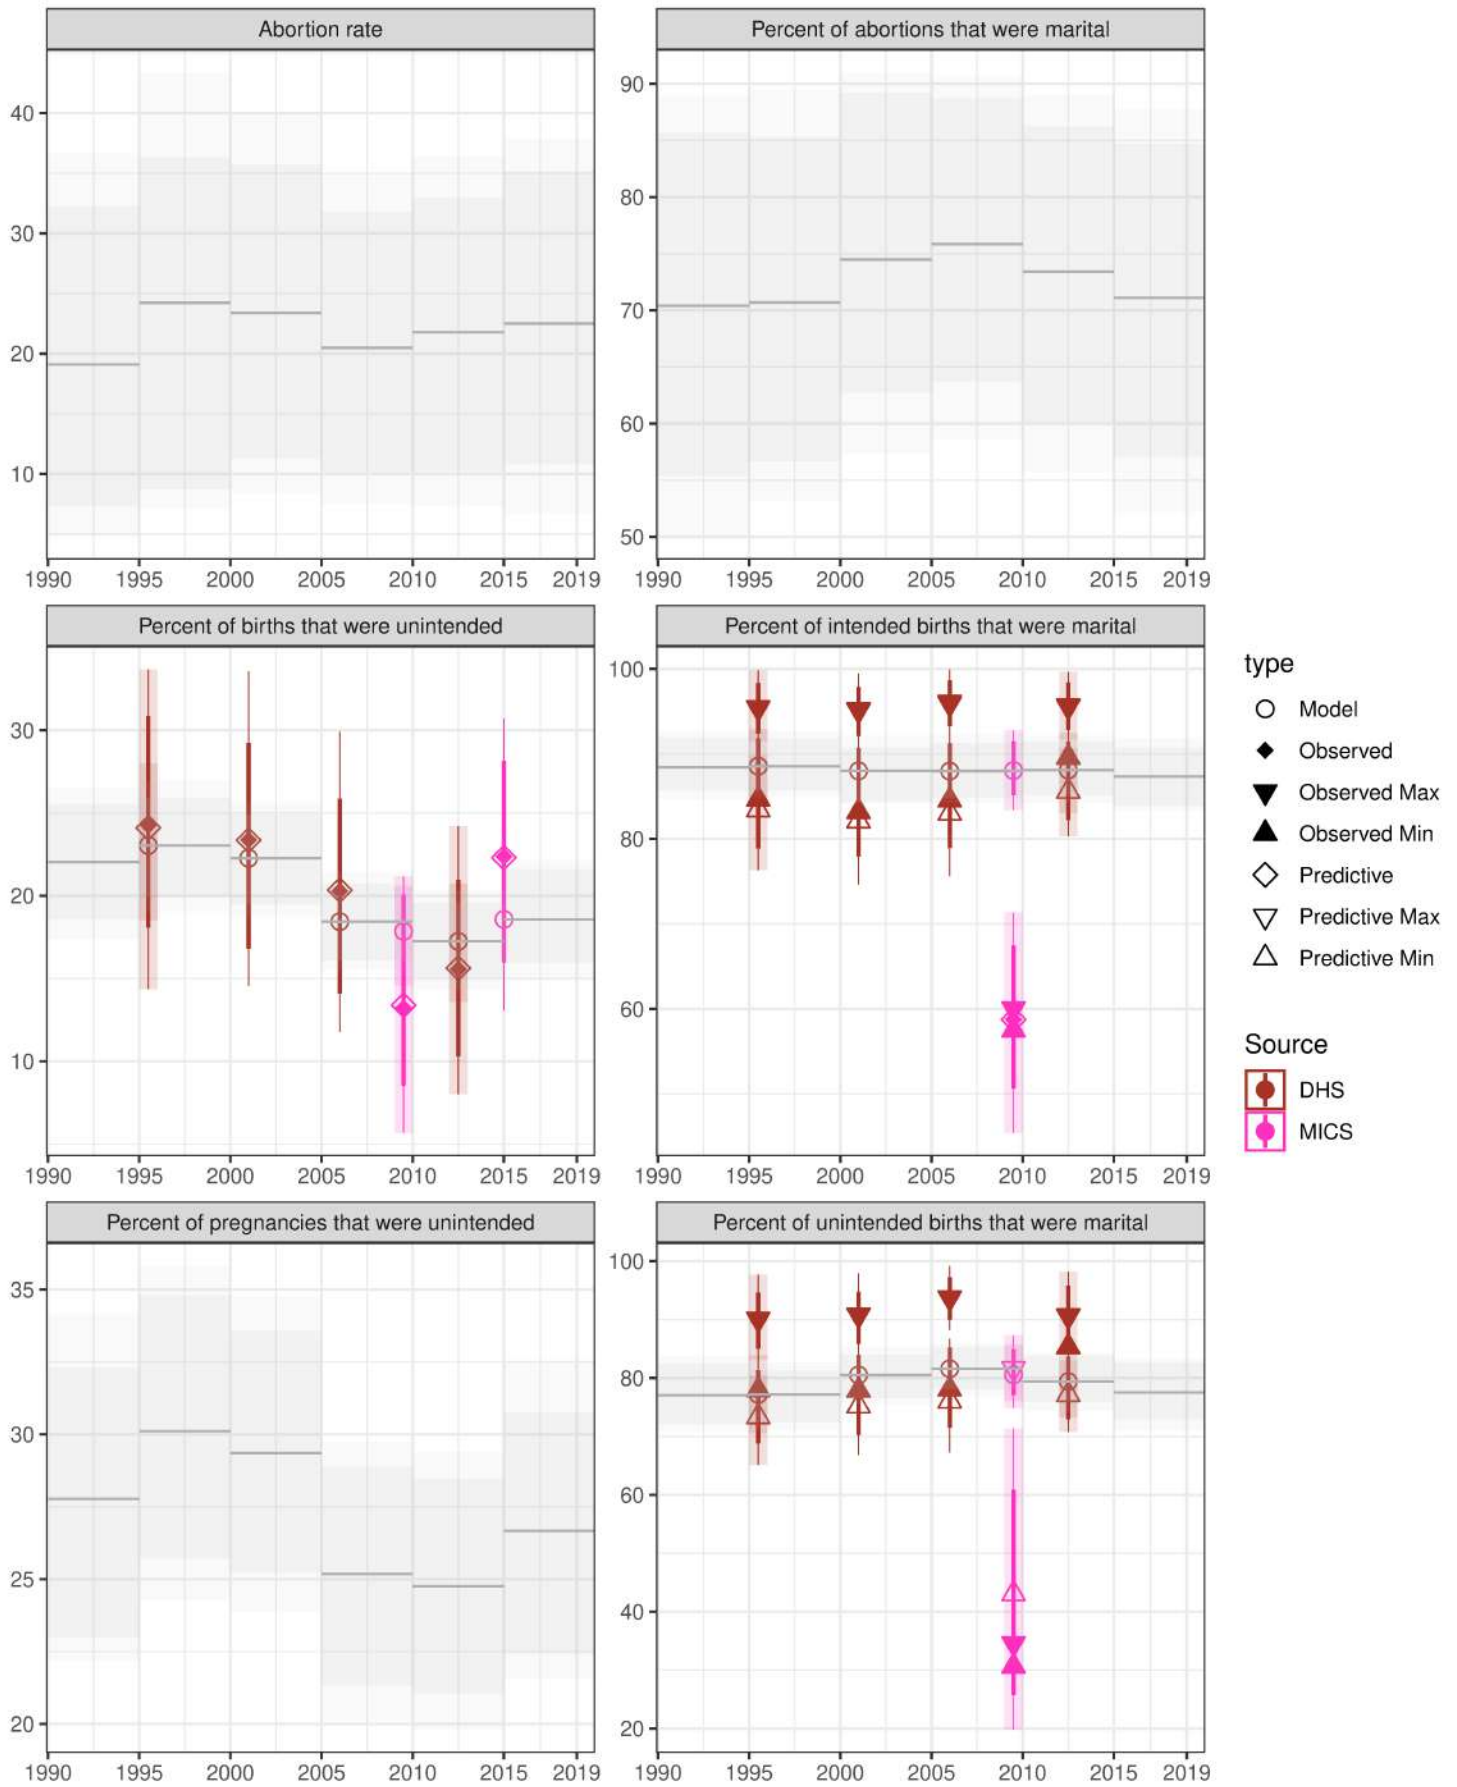

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Liberia

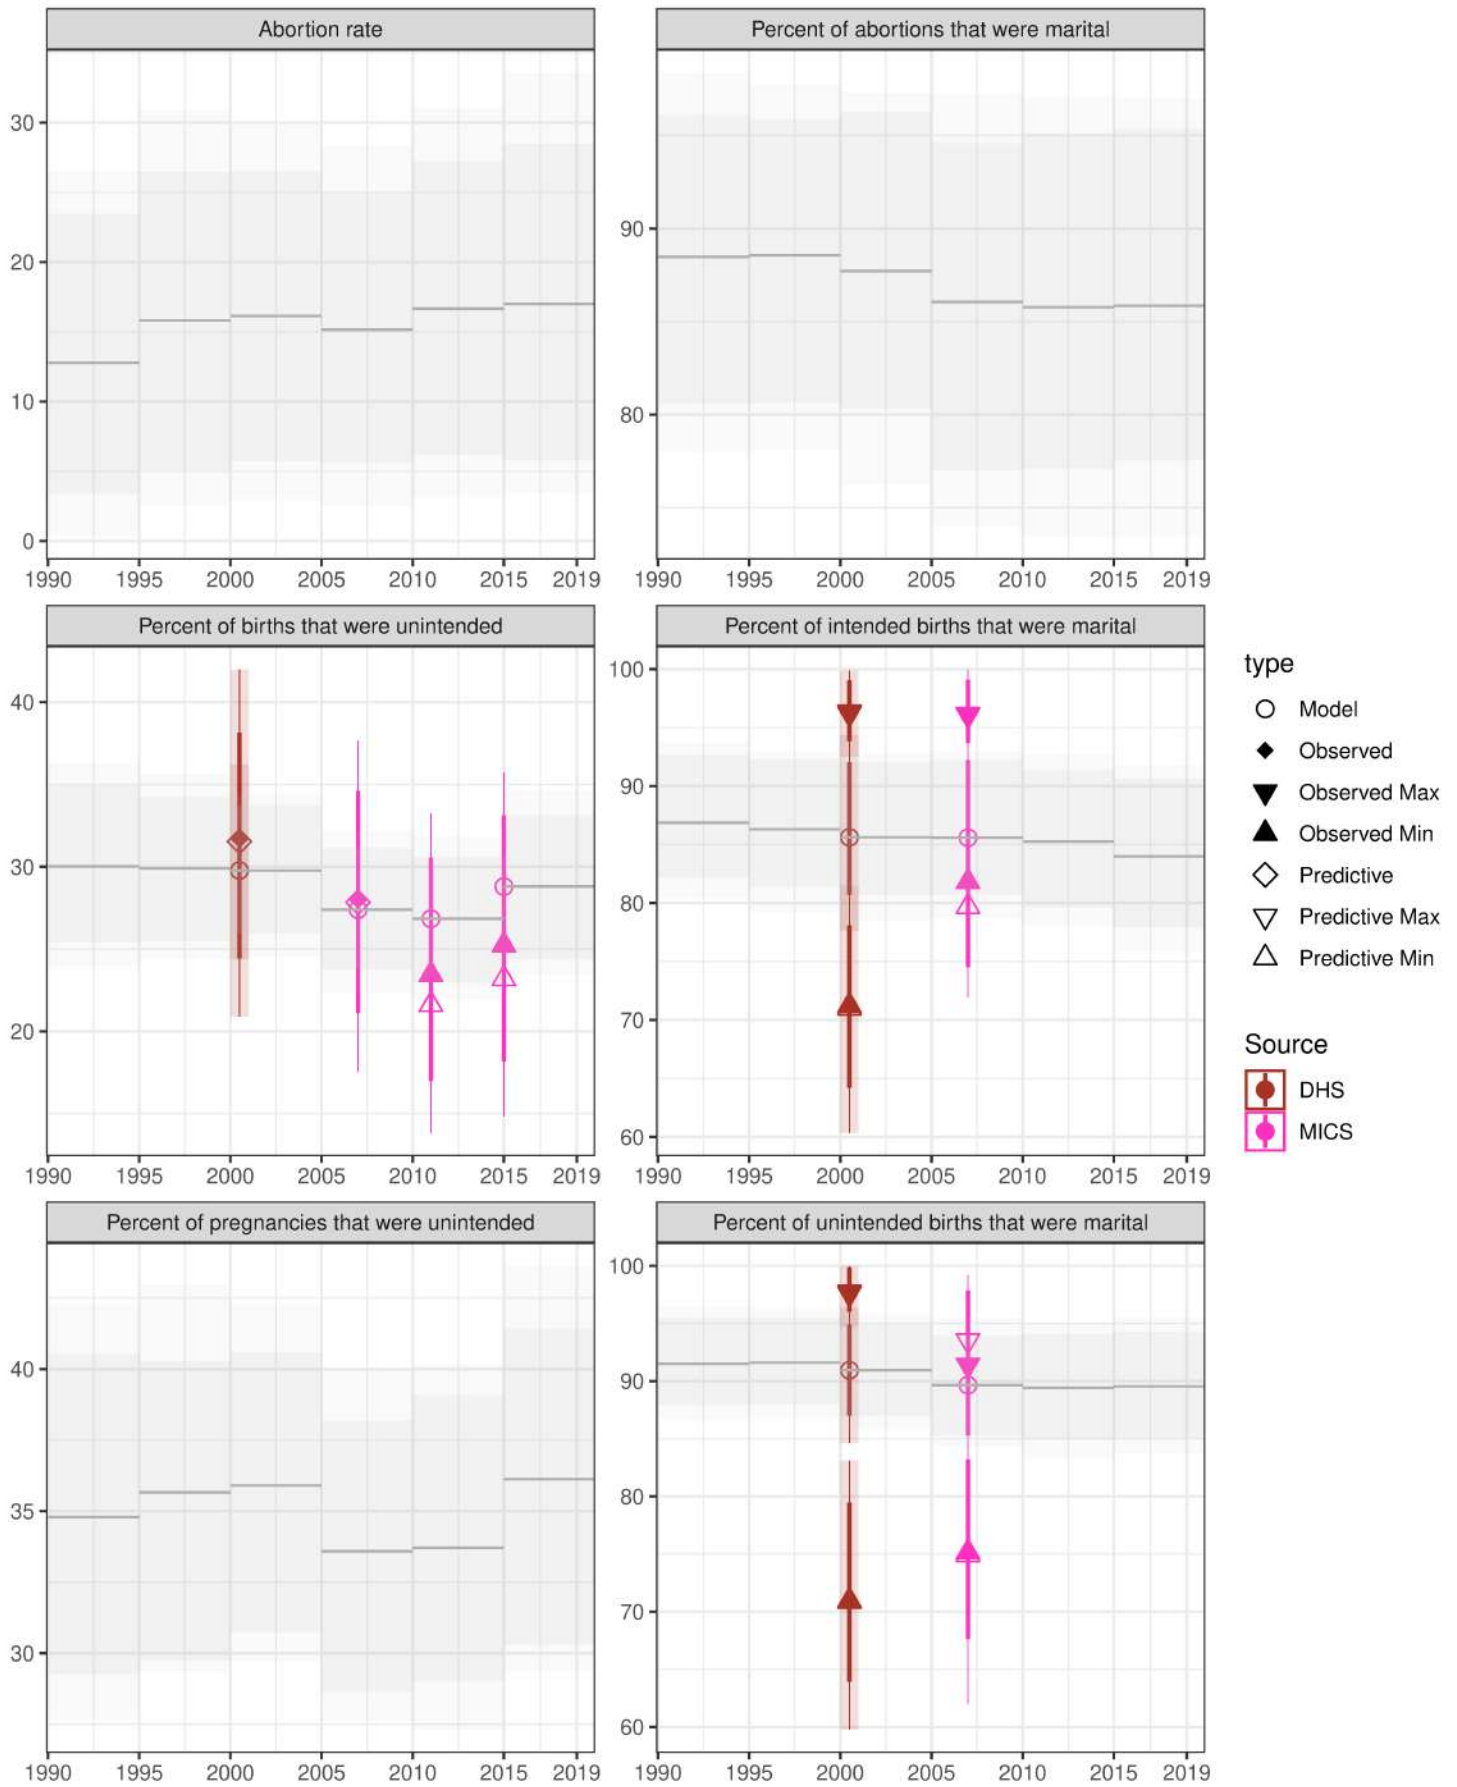

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Mali

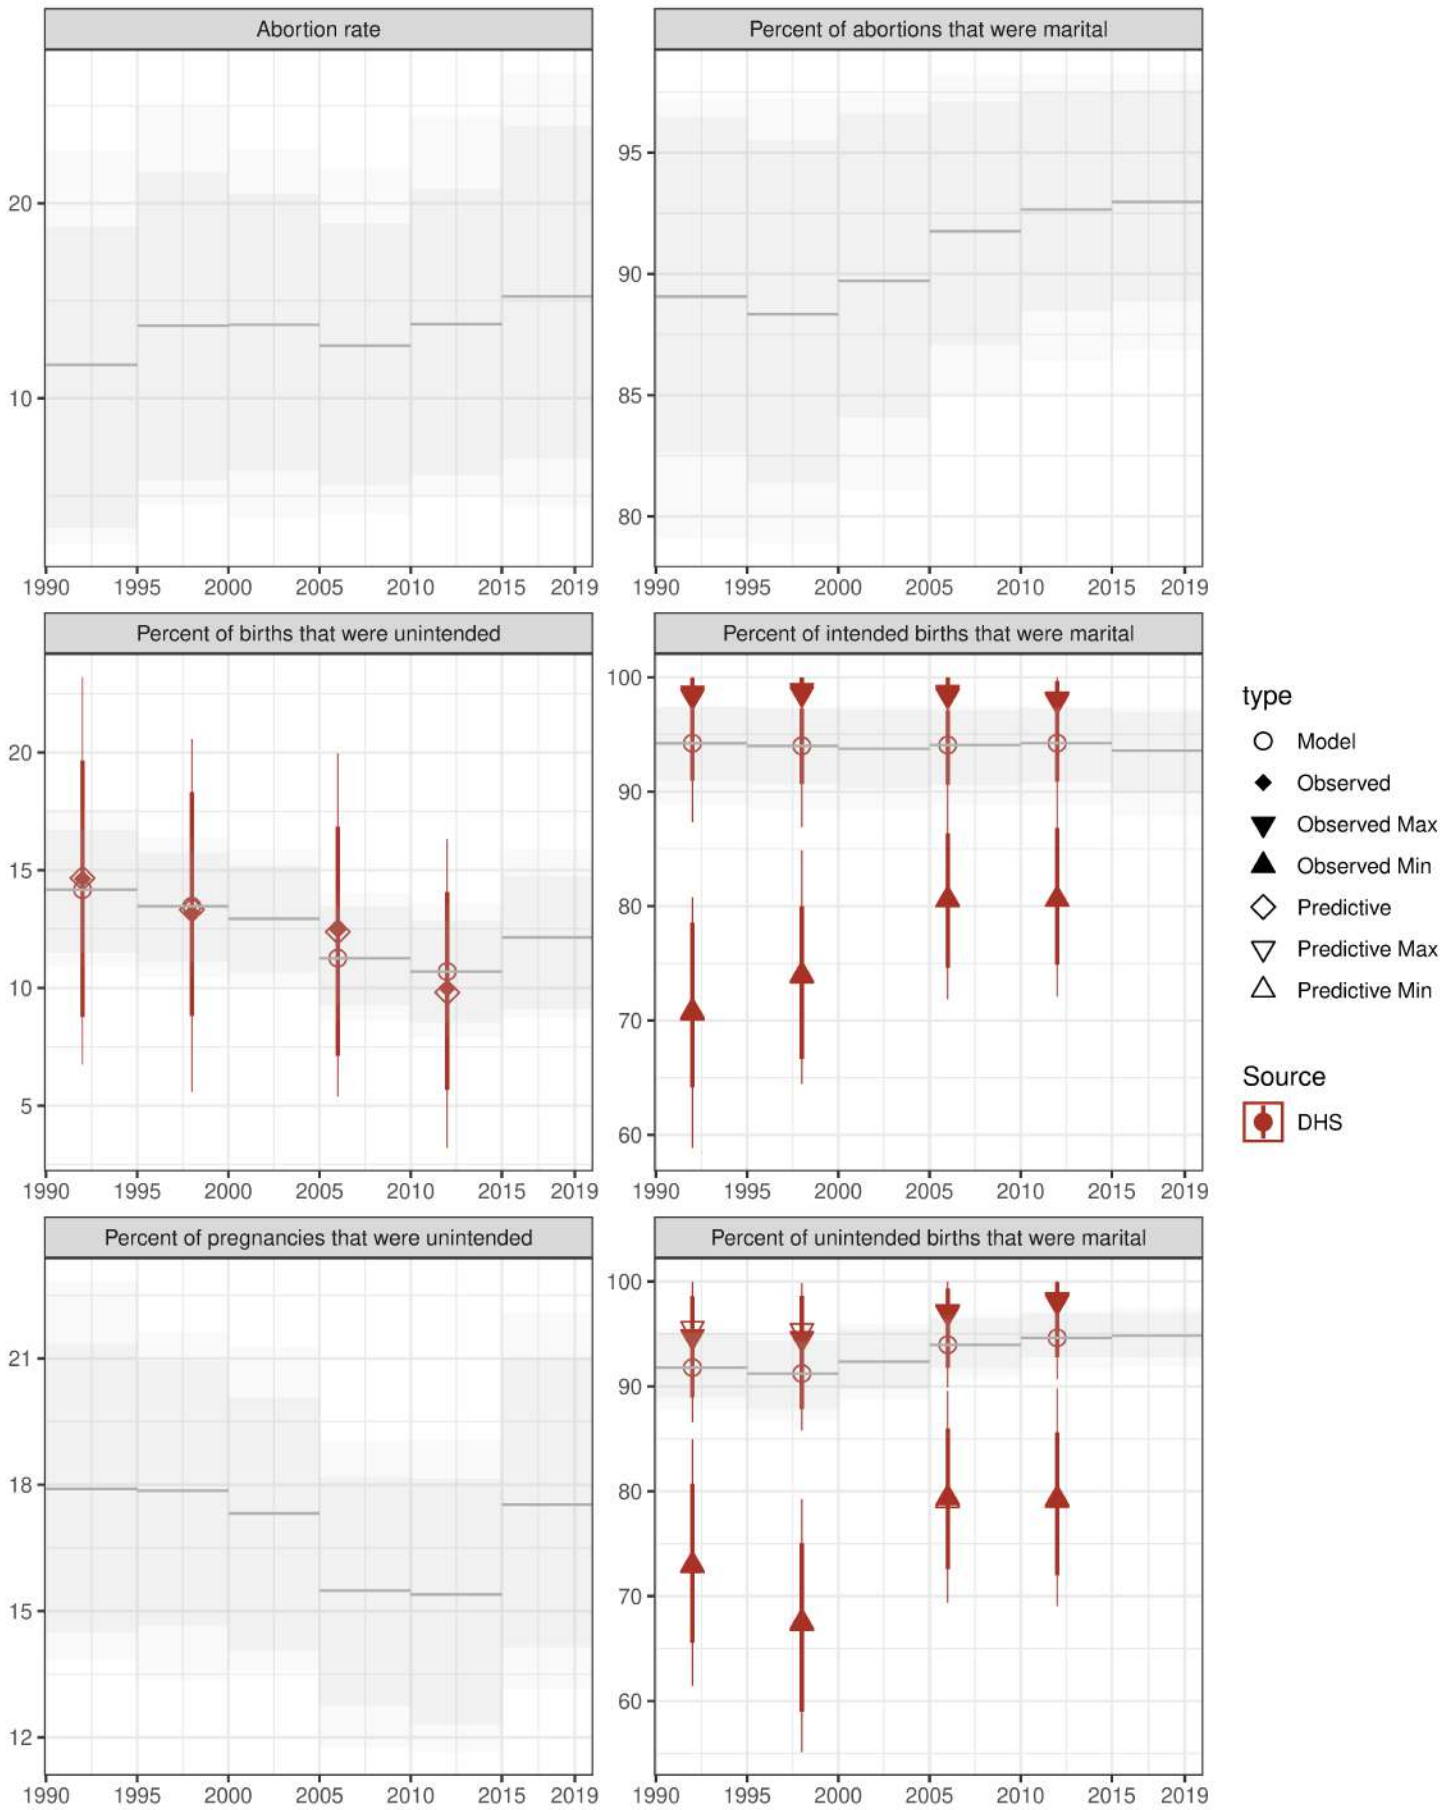

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Mauritania

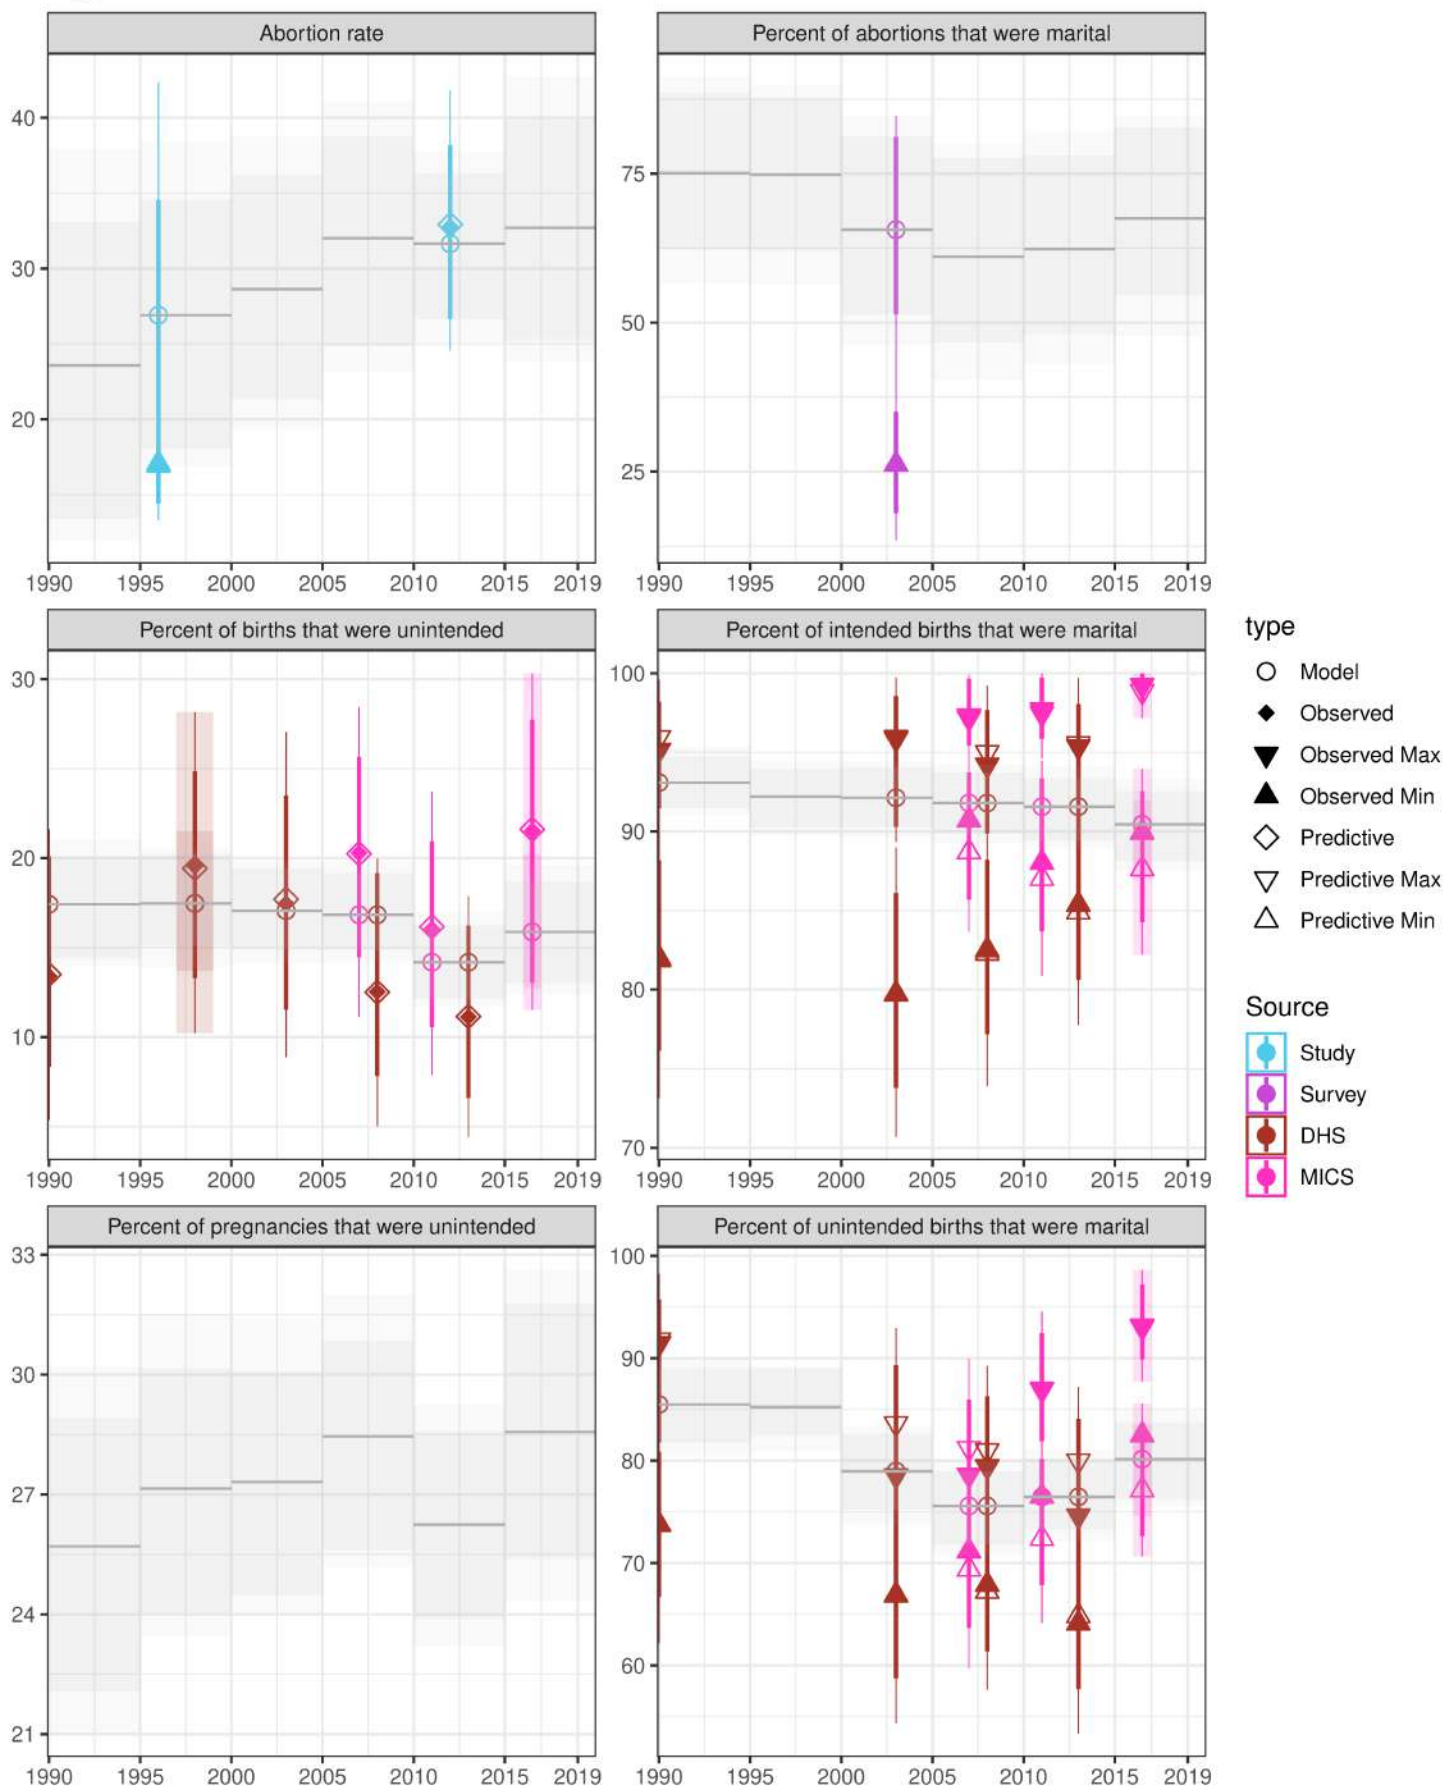

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Niger

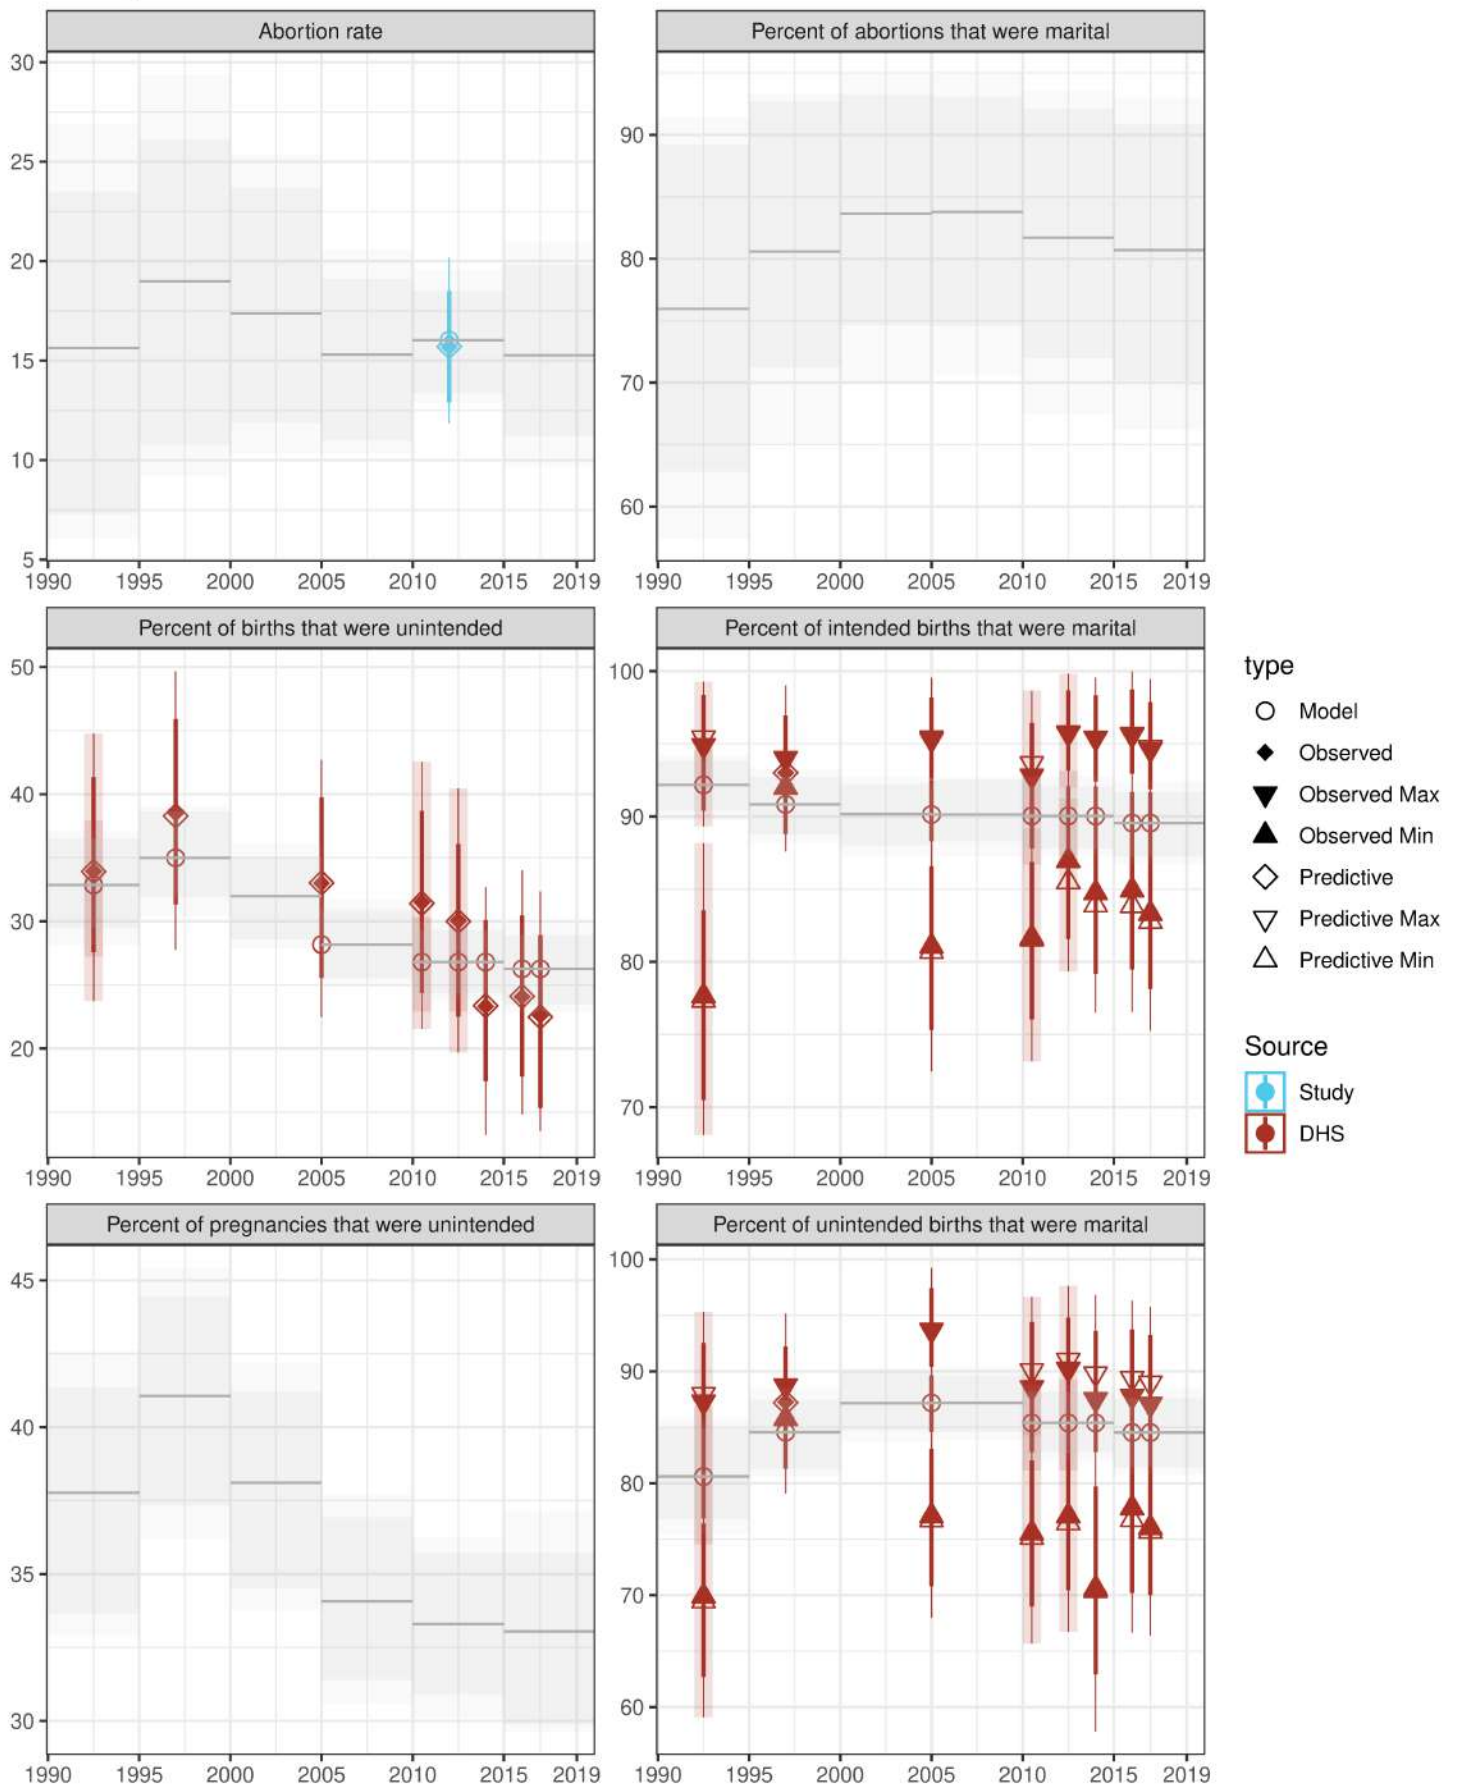

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Nigeria

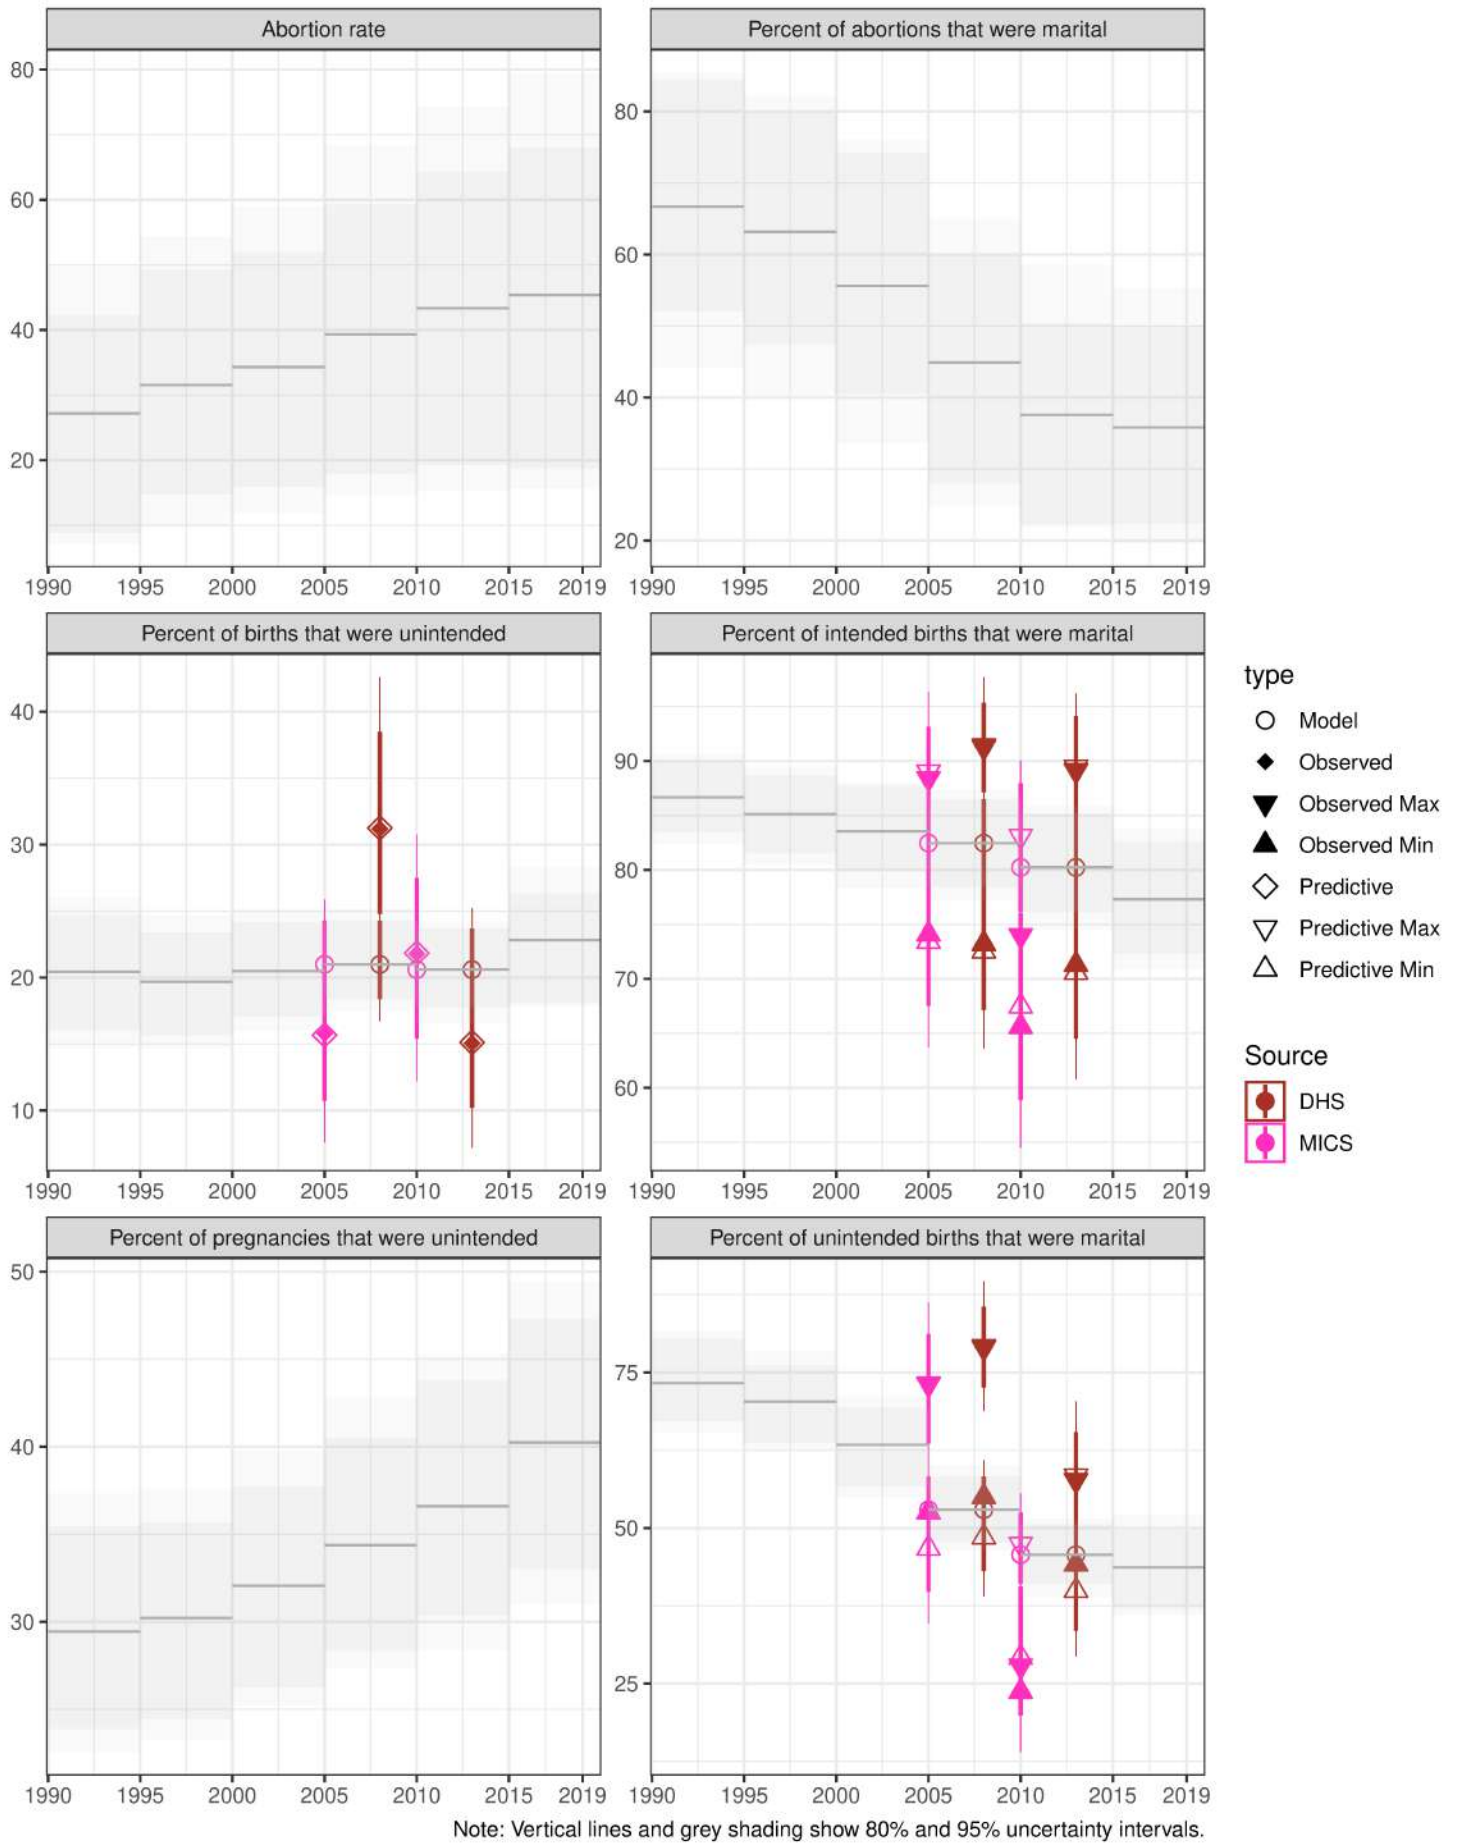

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Senegal

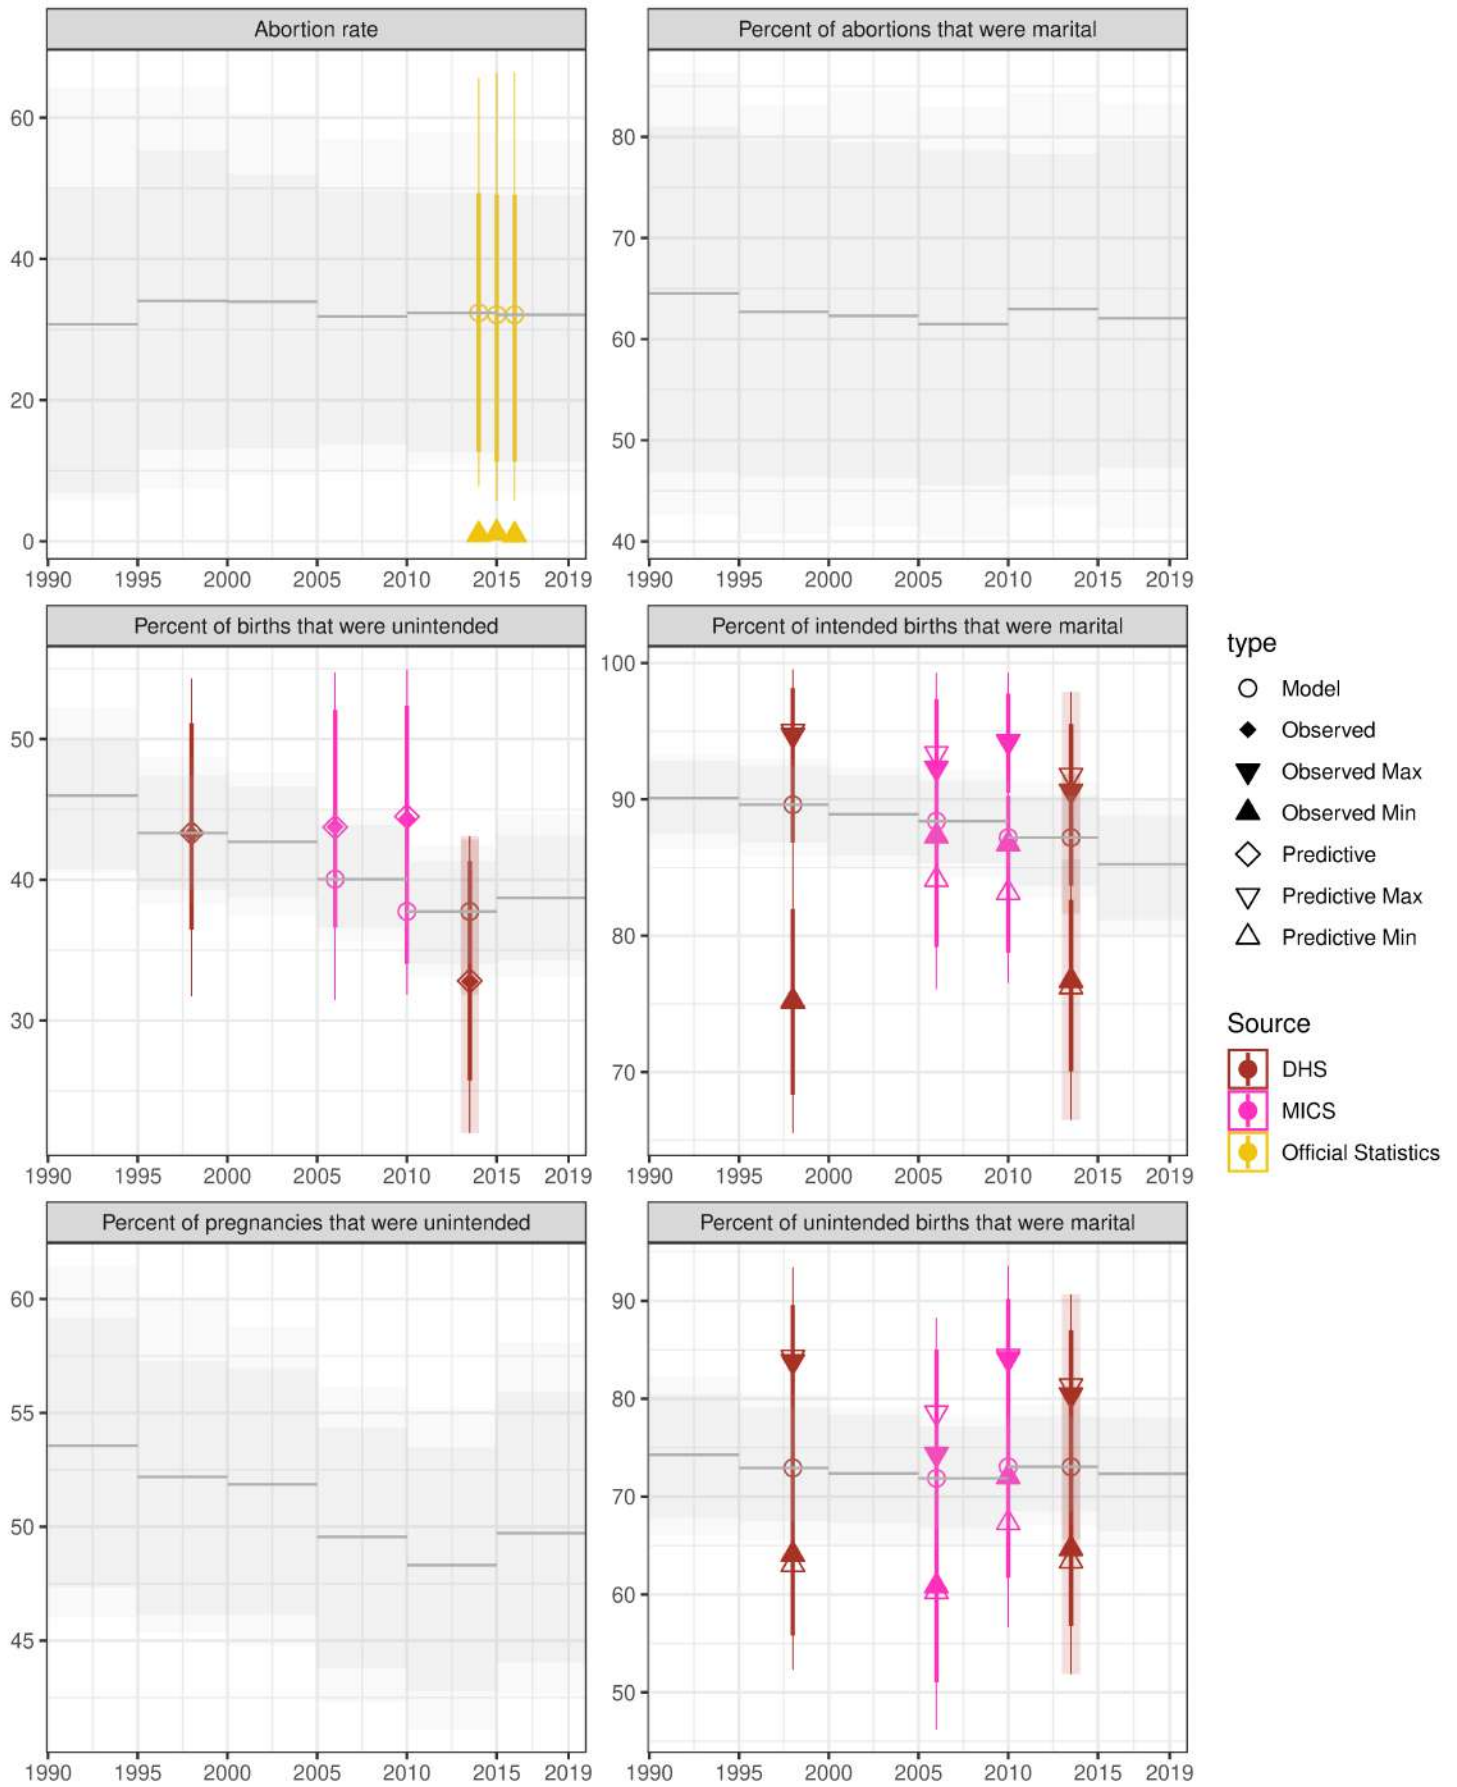

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Sierra Leone

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

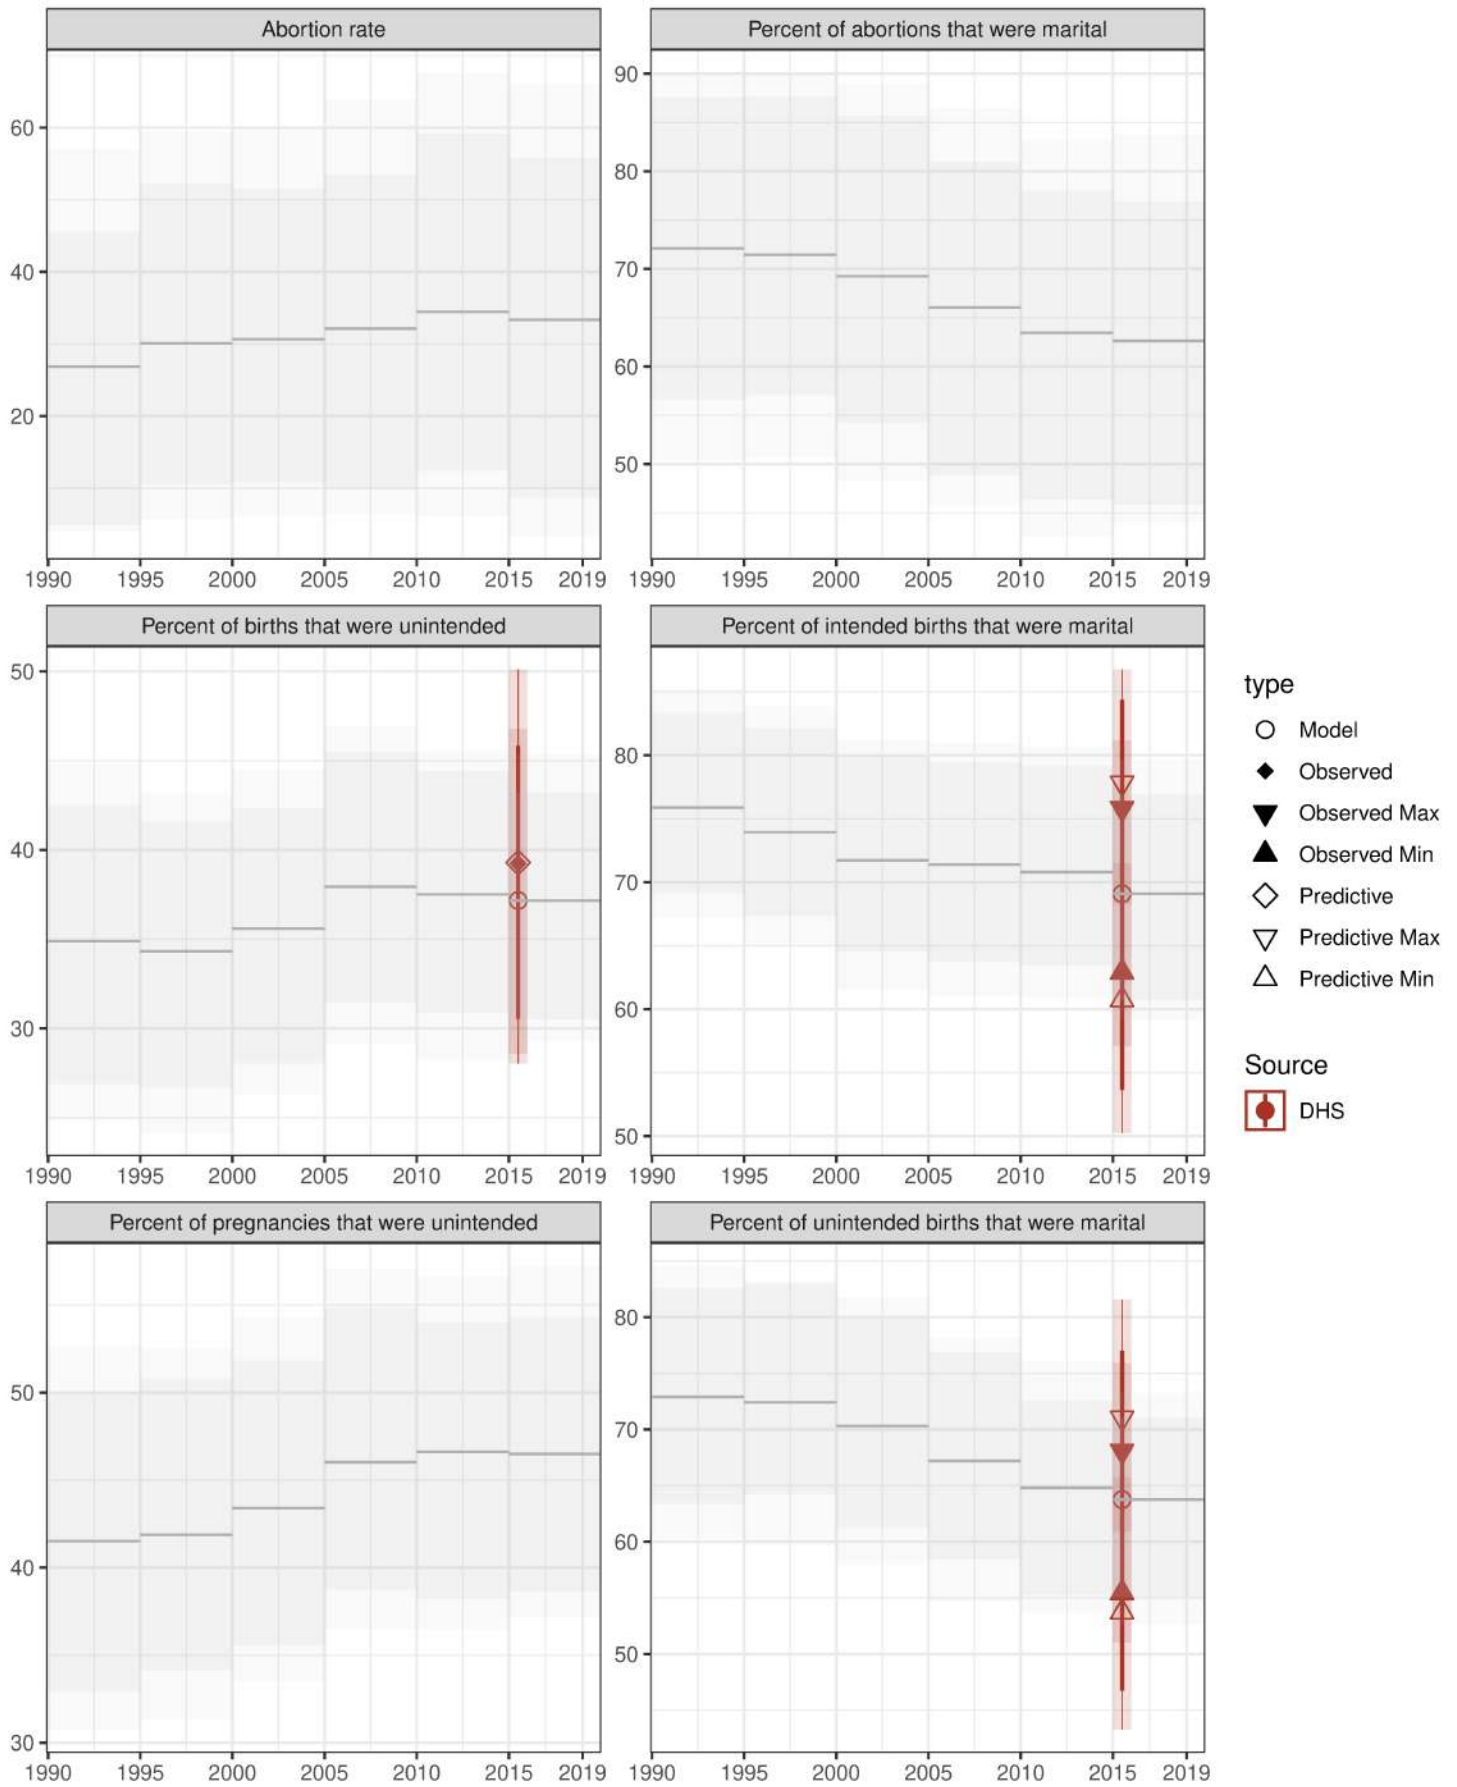

Togo

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

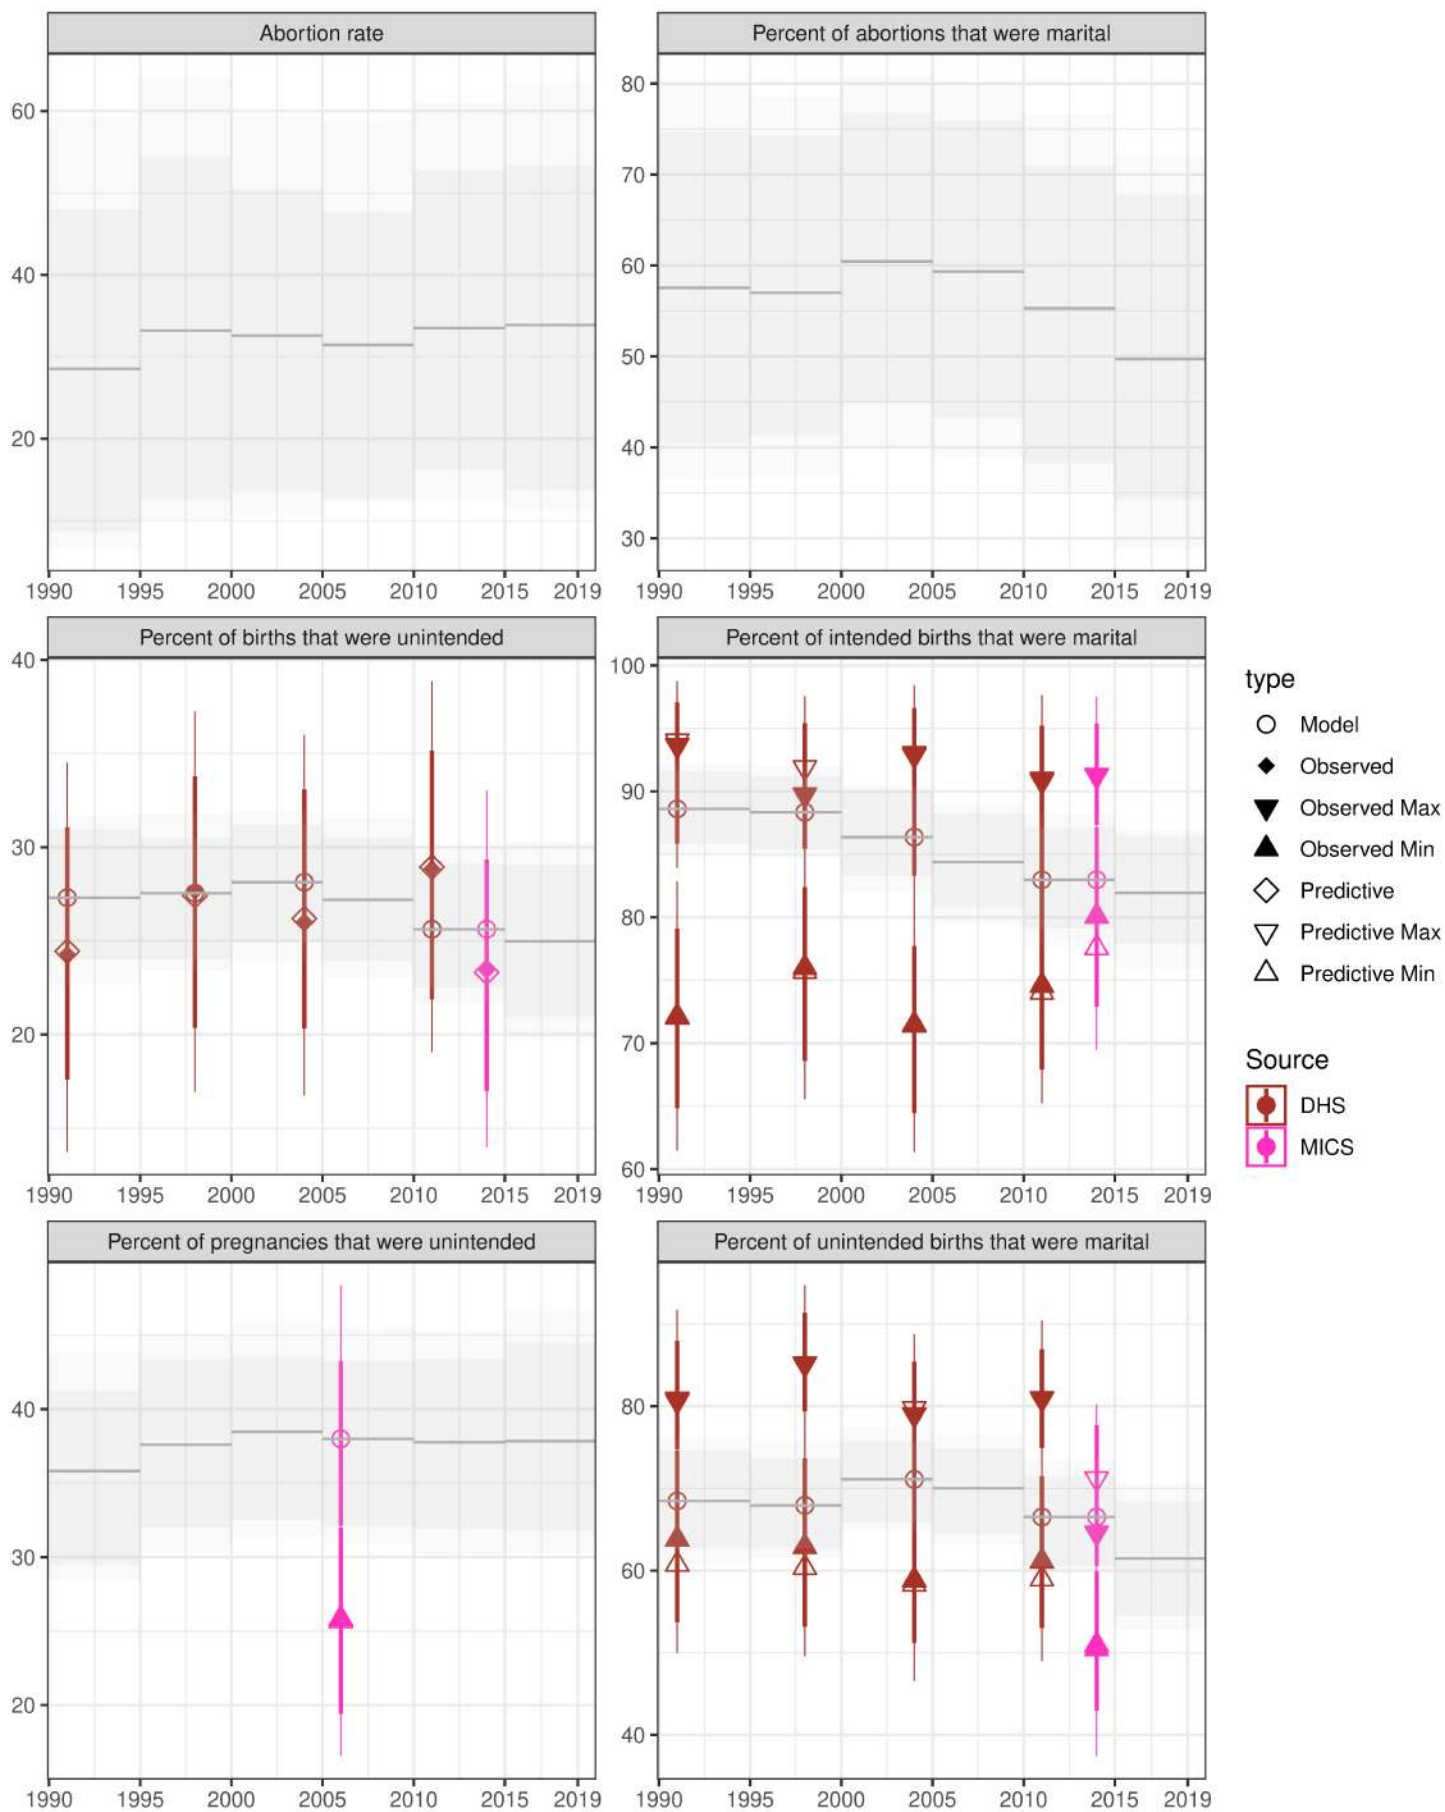

1.3 Middle Africa

Angola

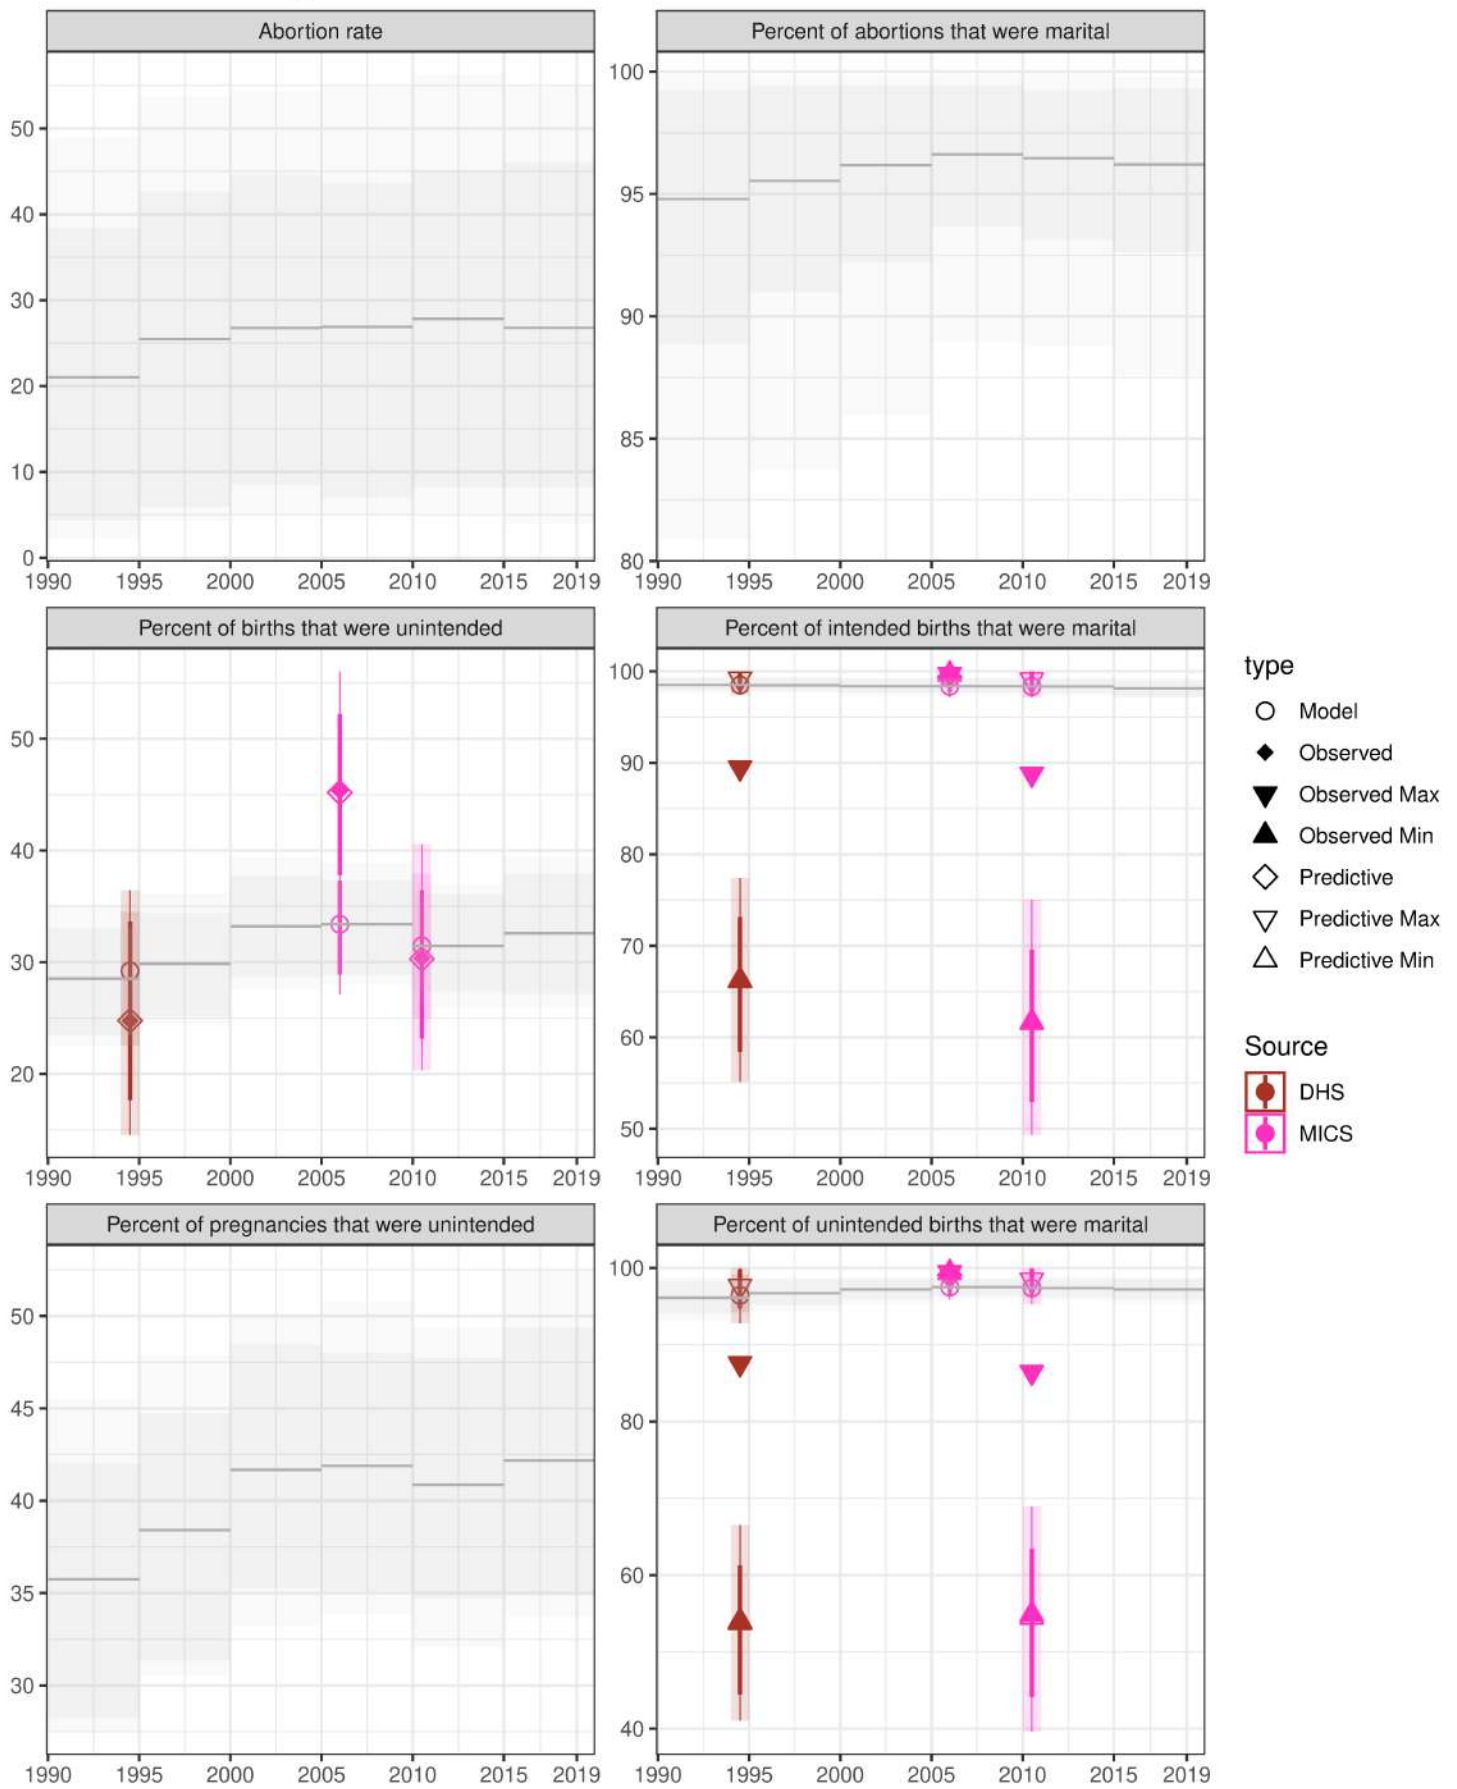

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Cameroon

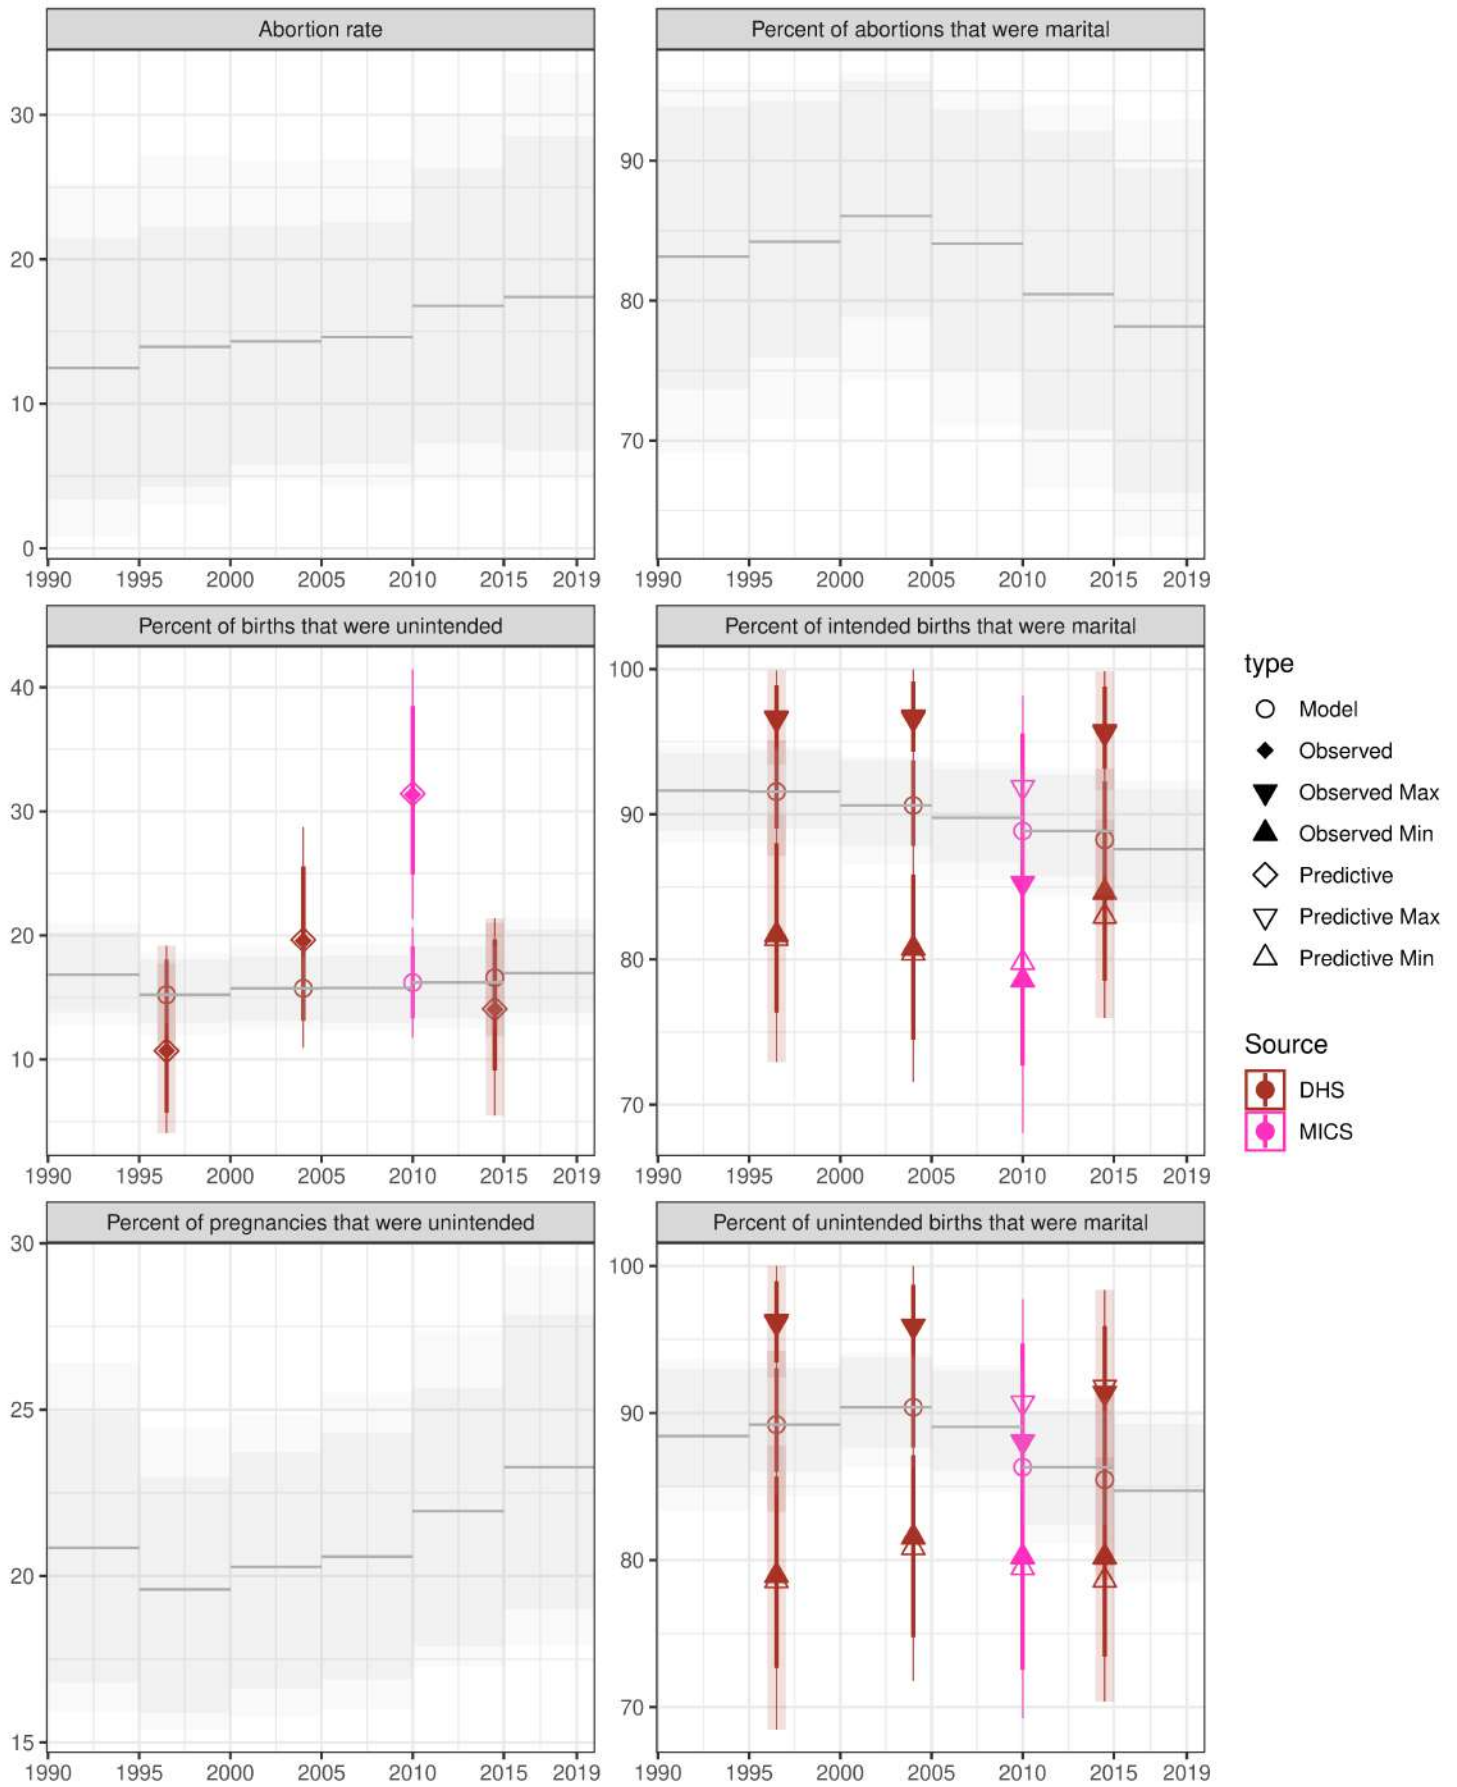

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Central African Republic

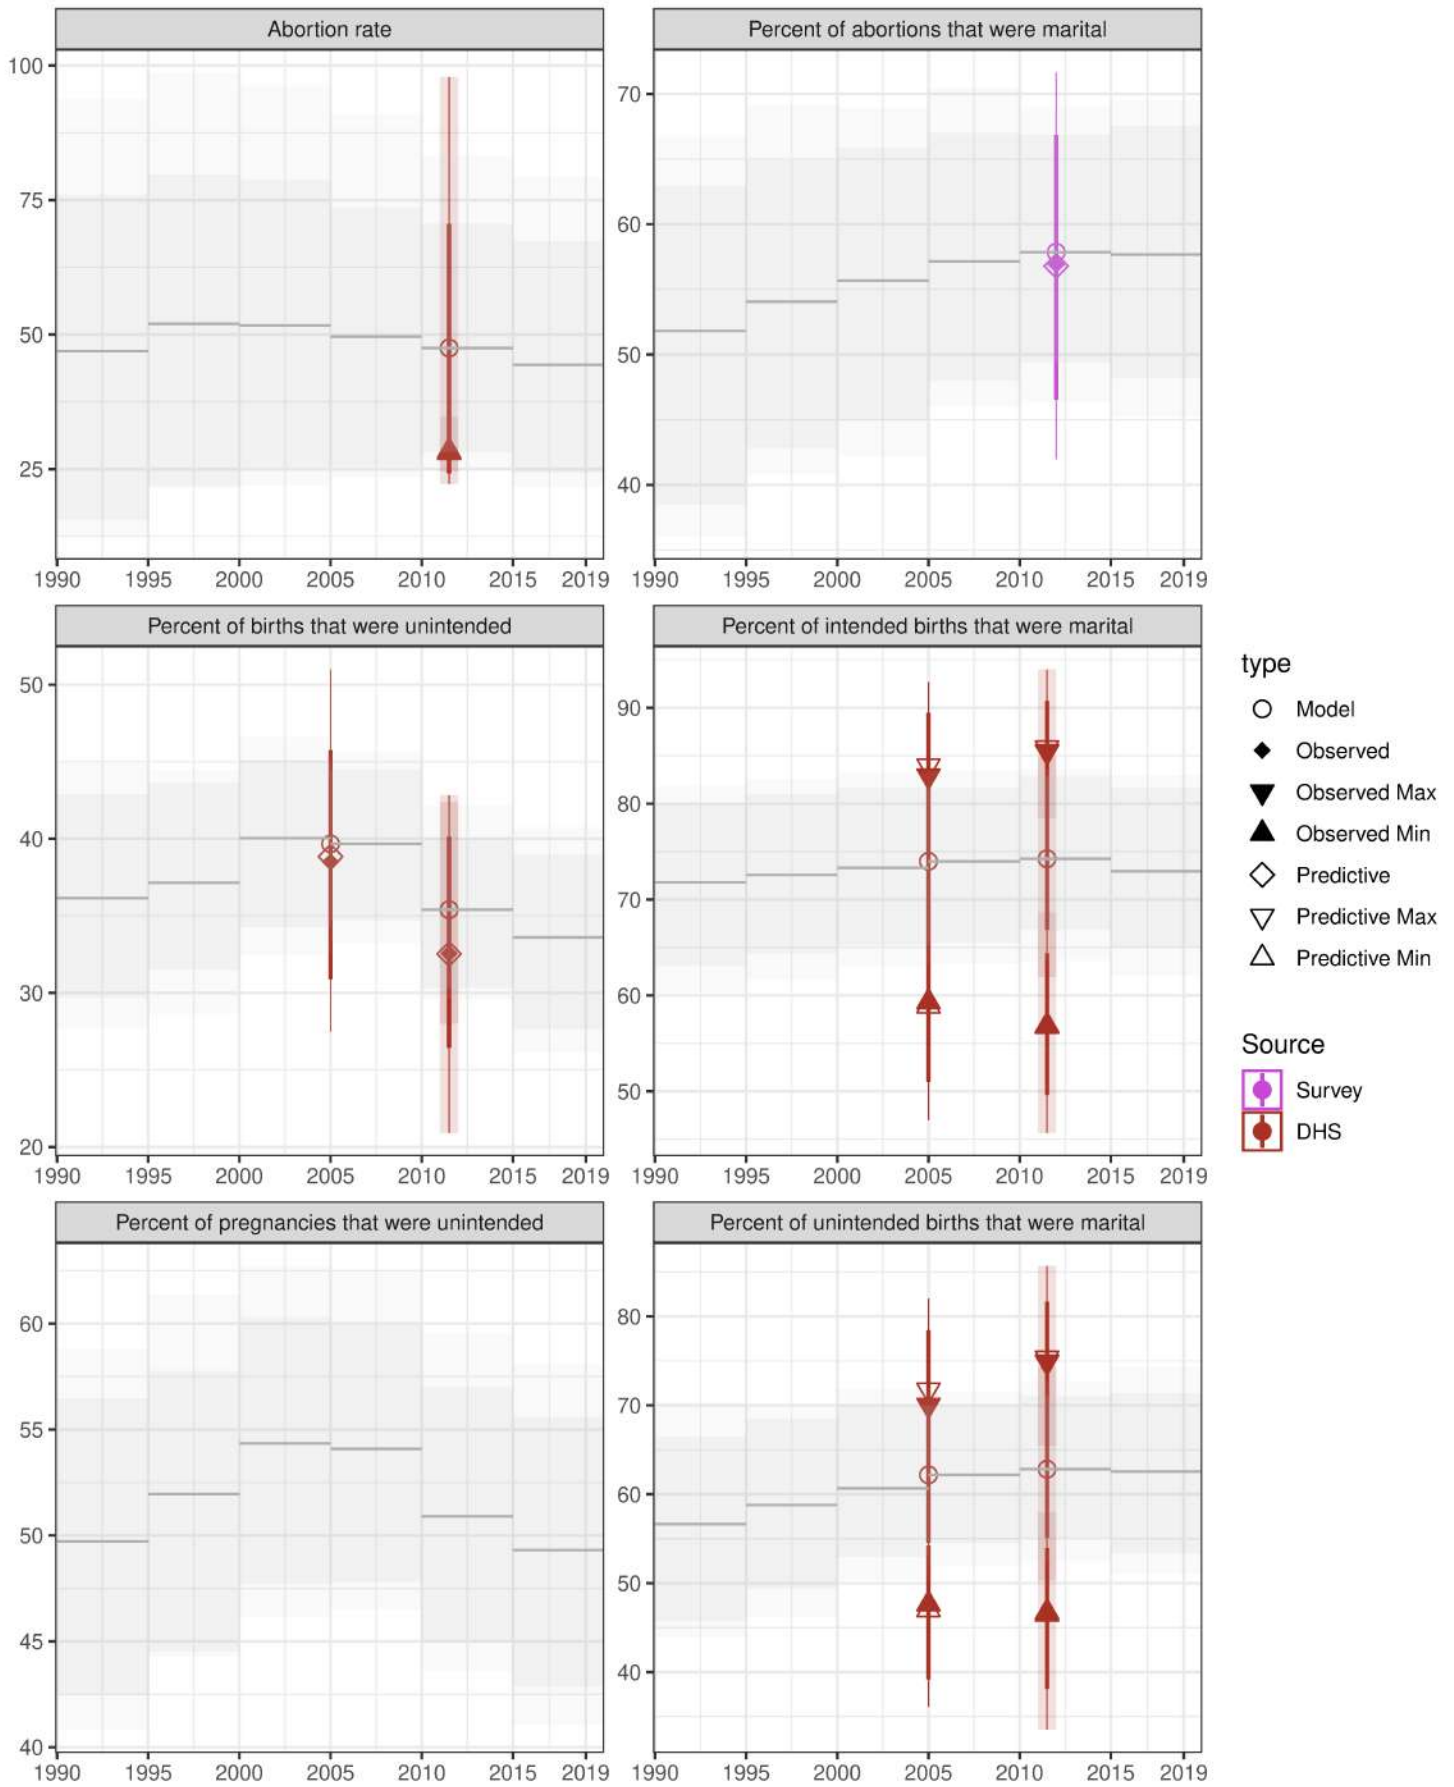

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Chad

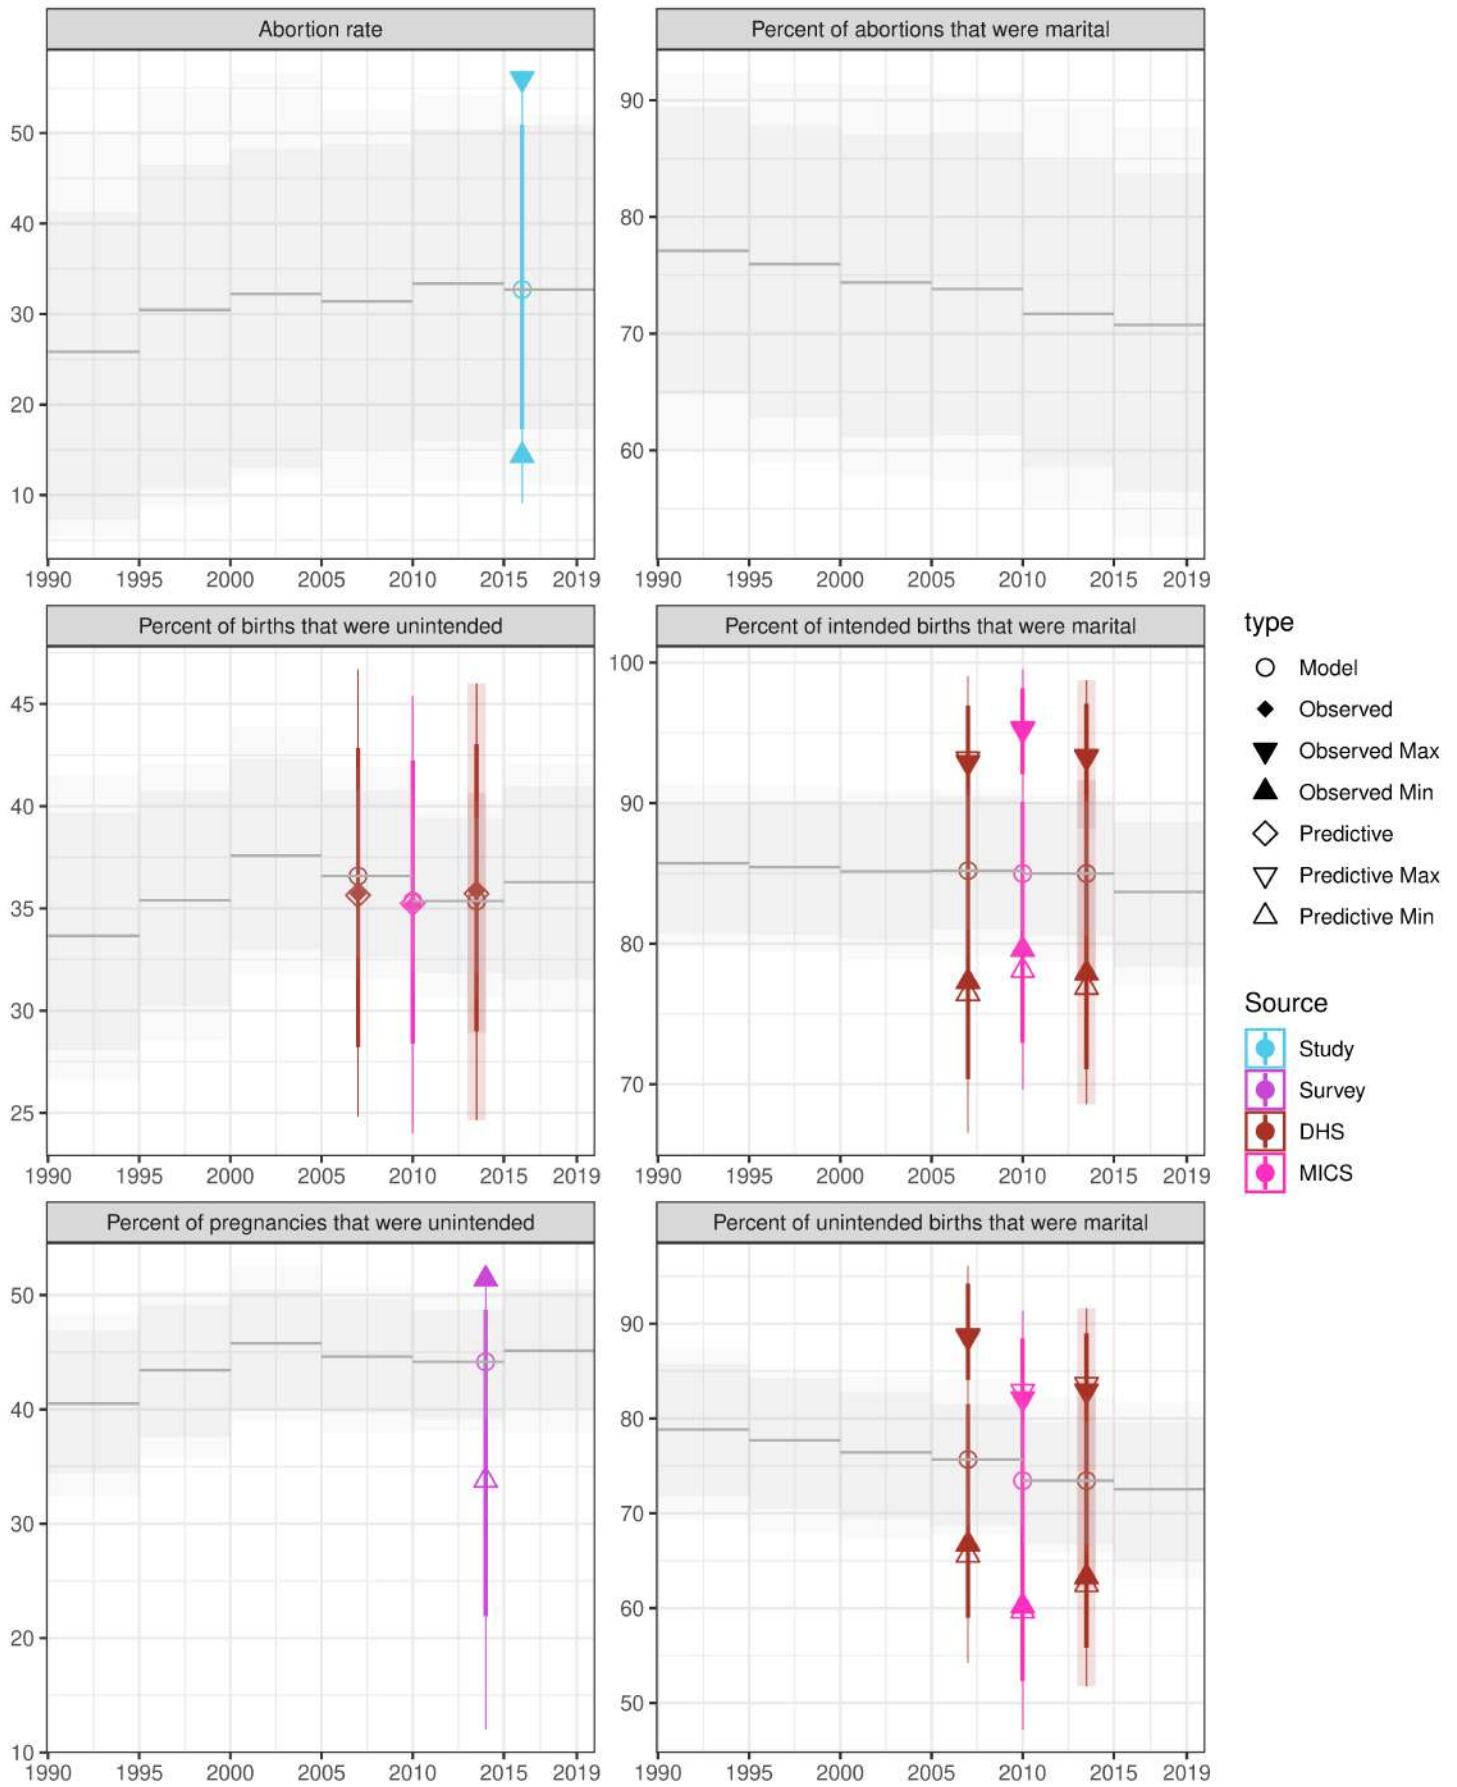

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Congo

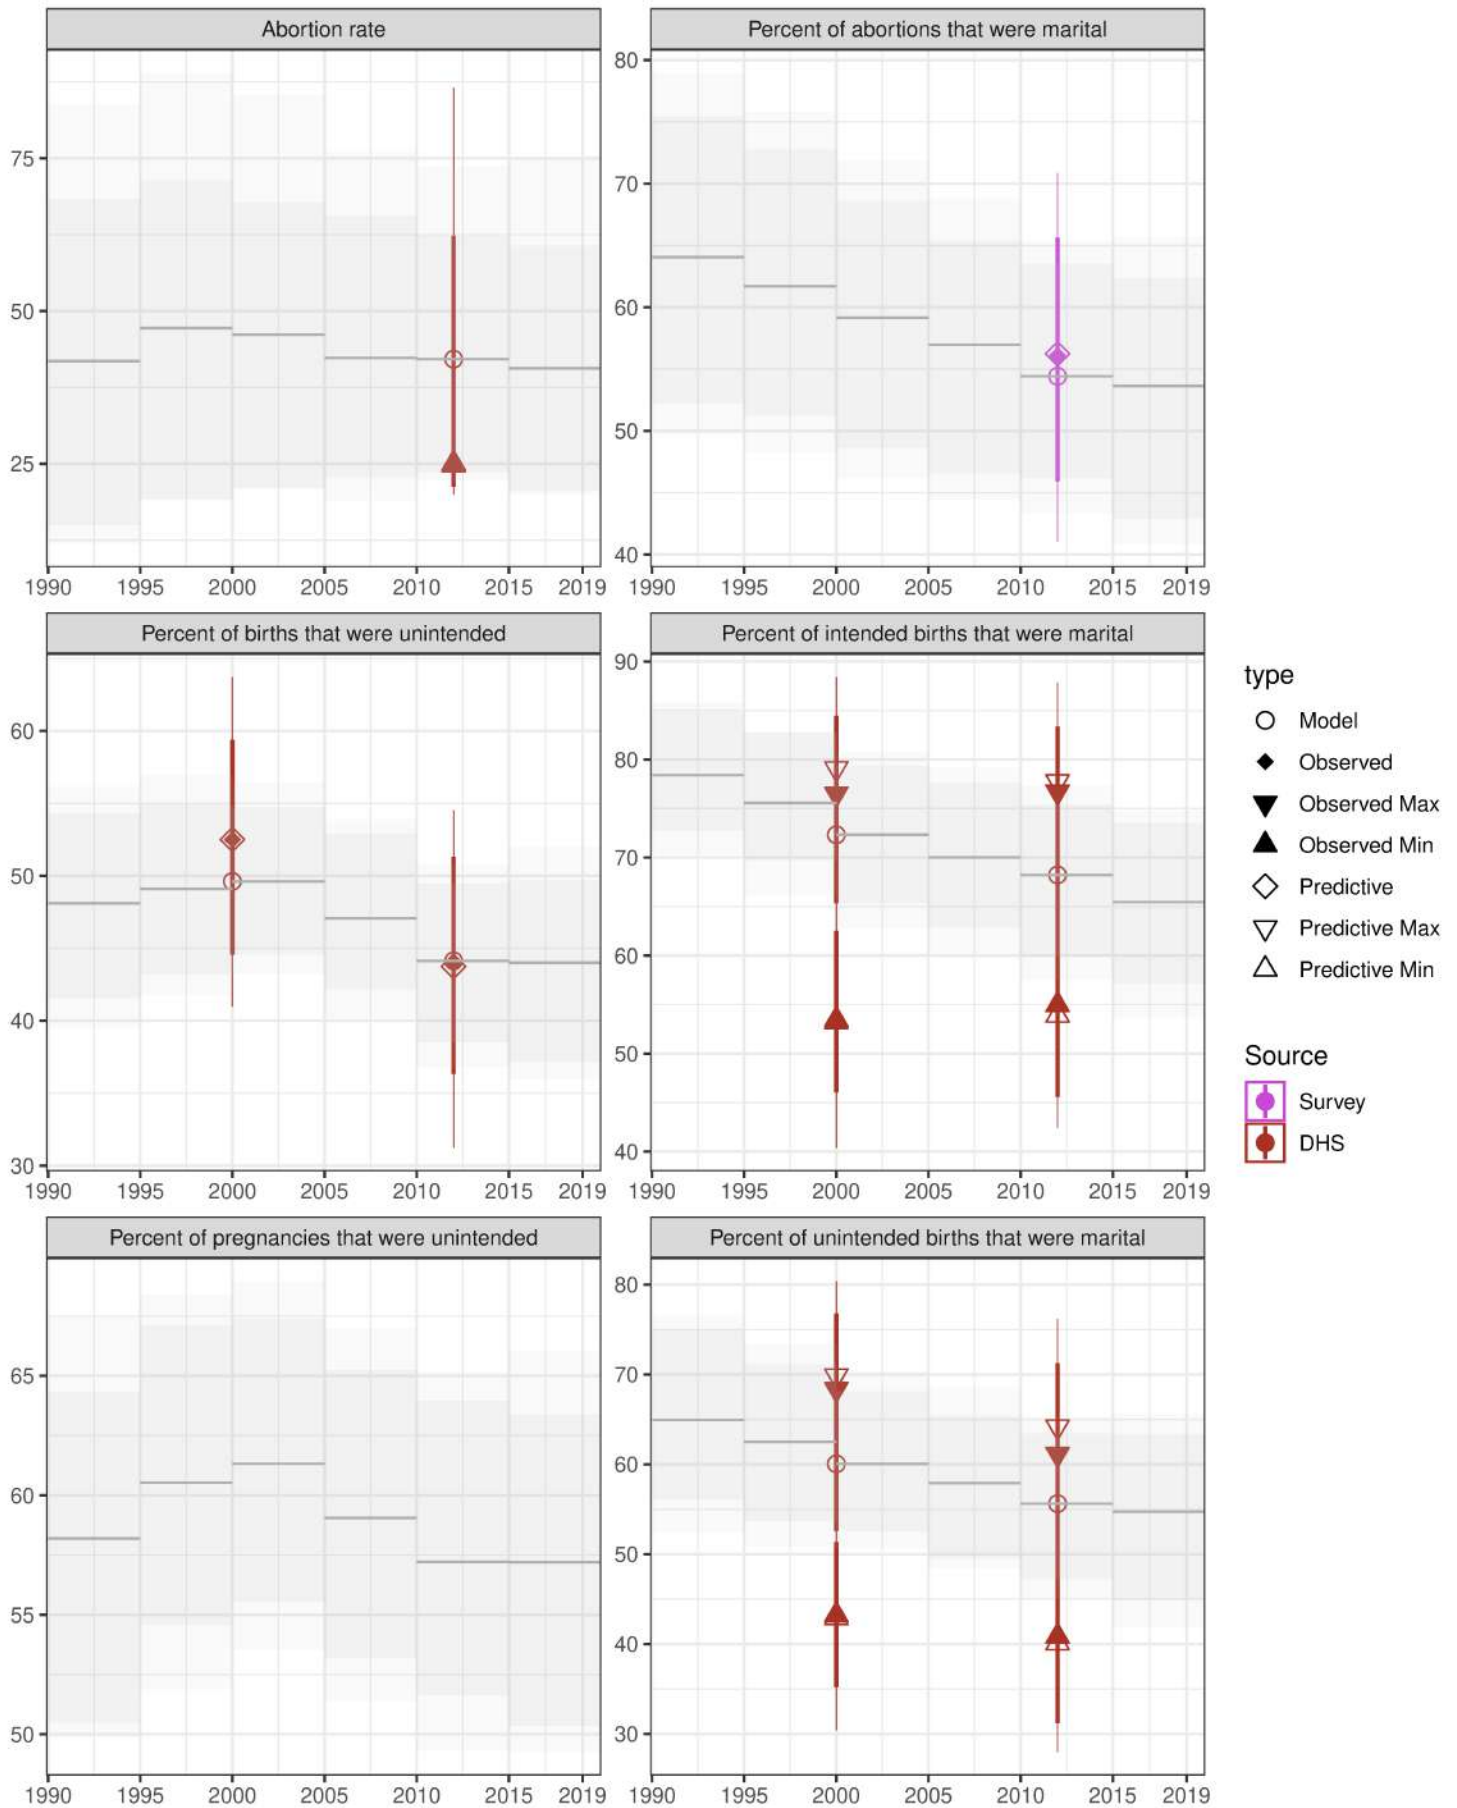

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

DR Congo

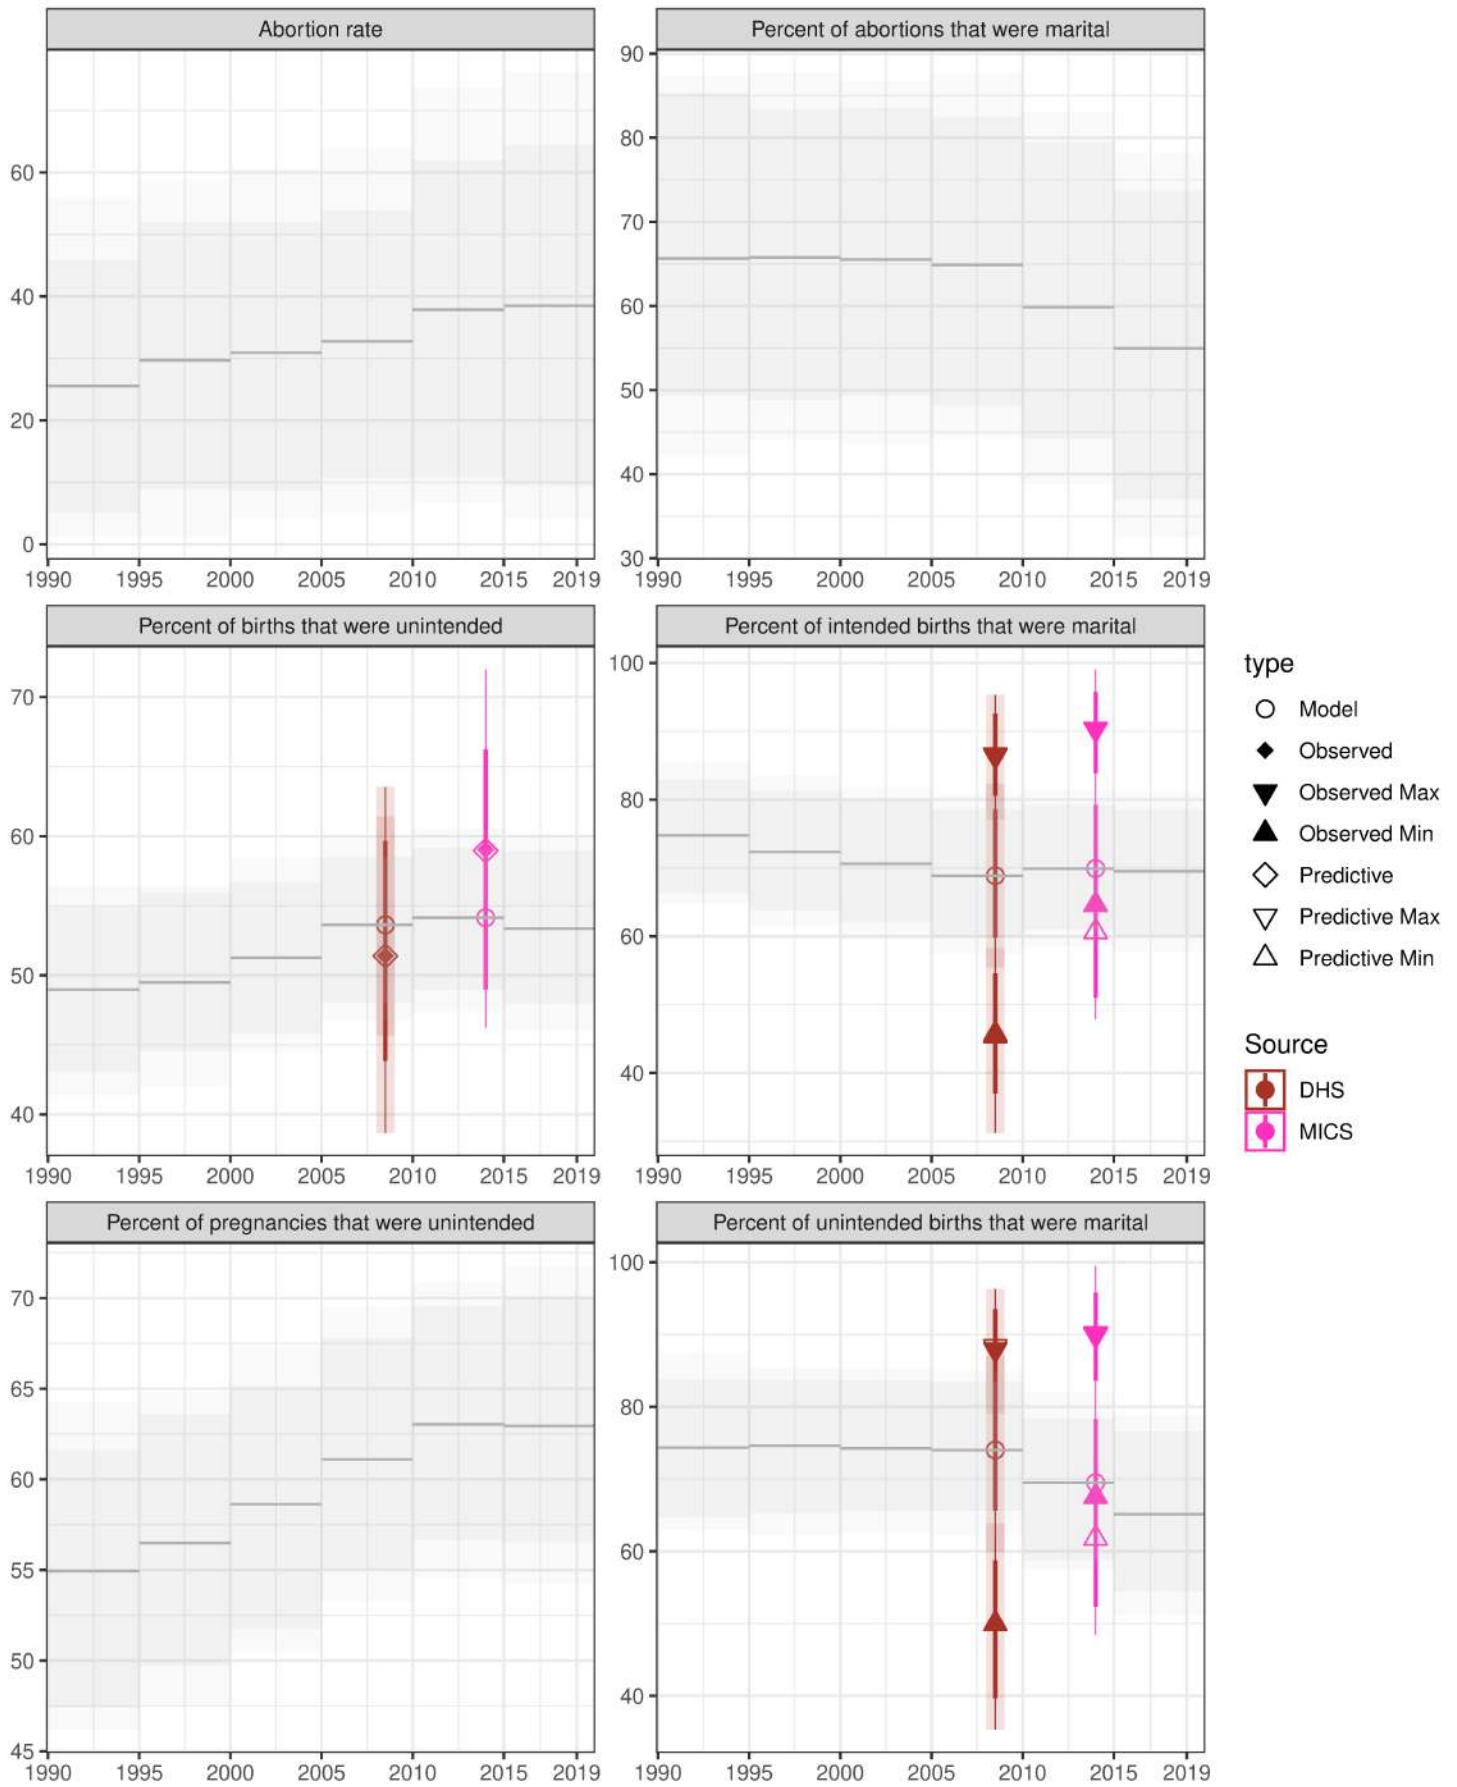

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Gabon

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

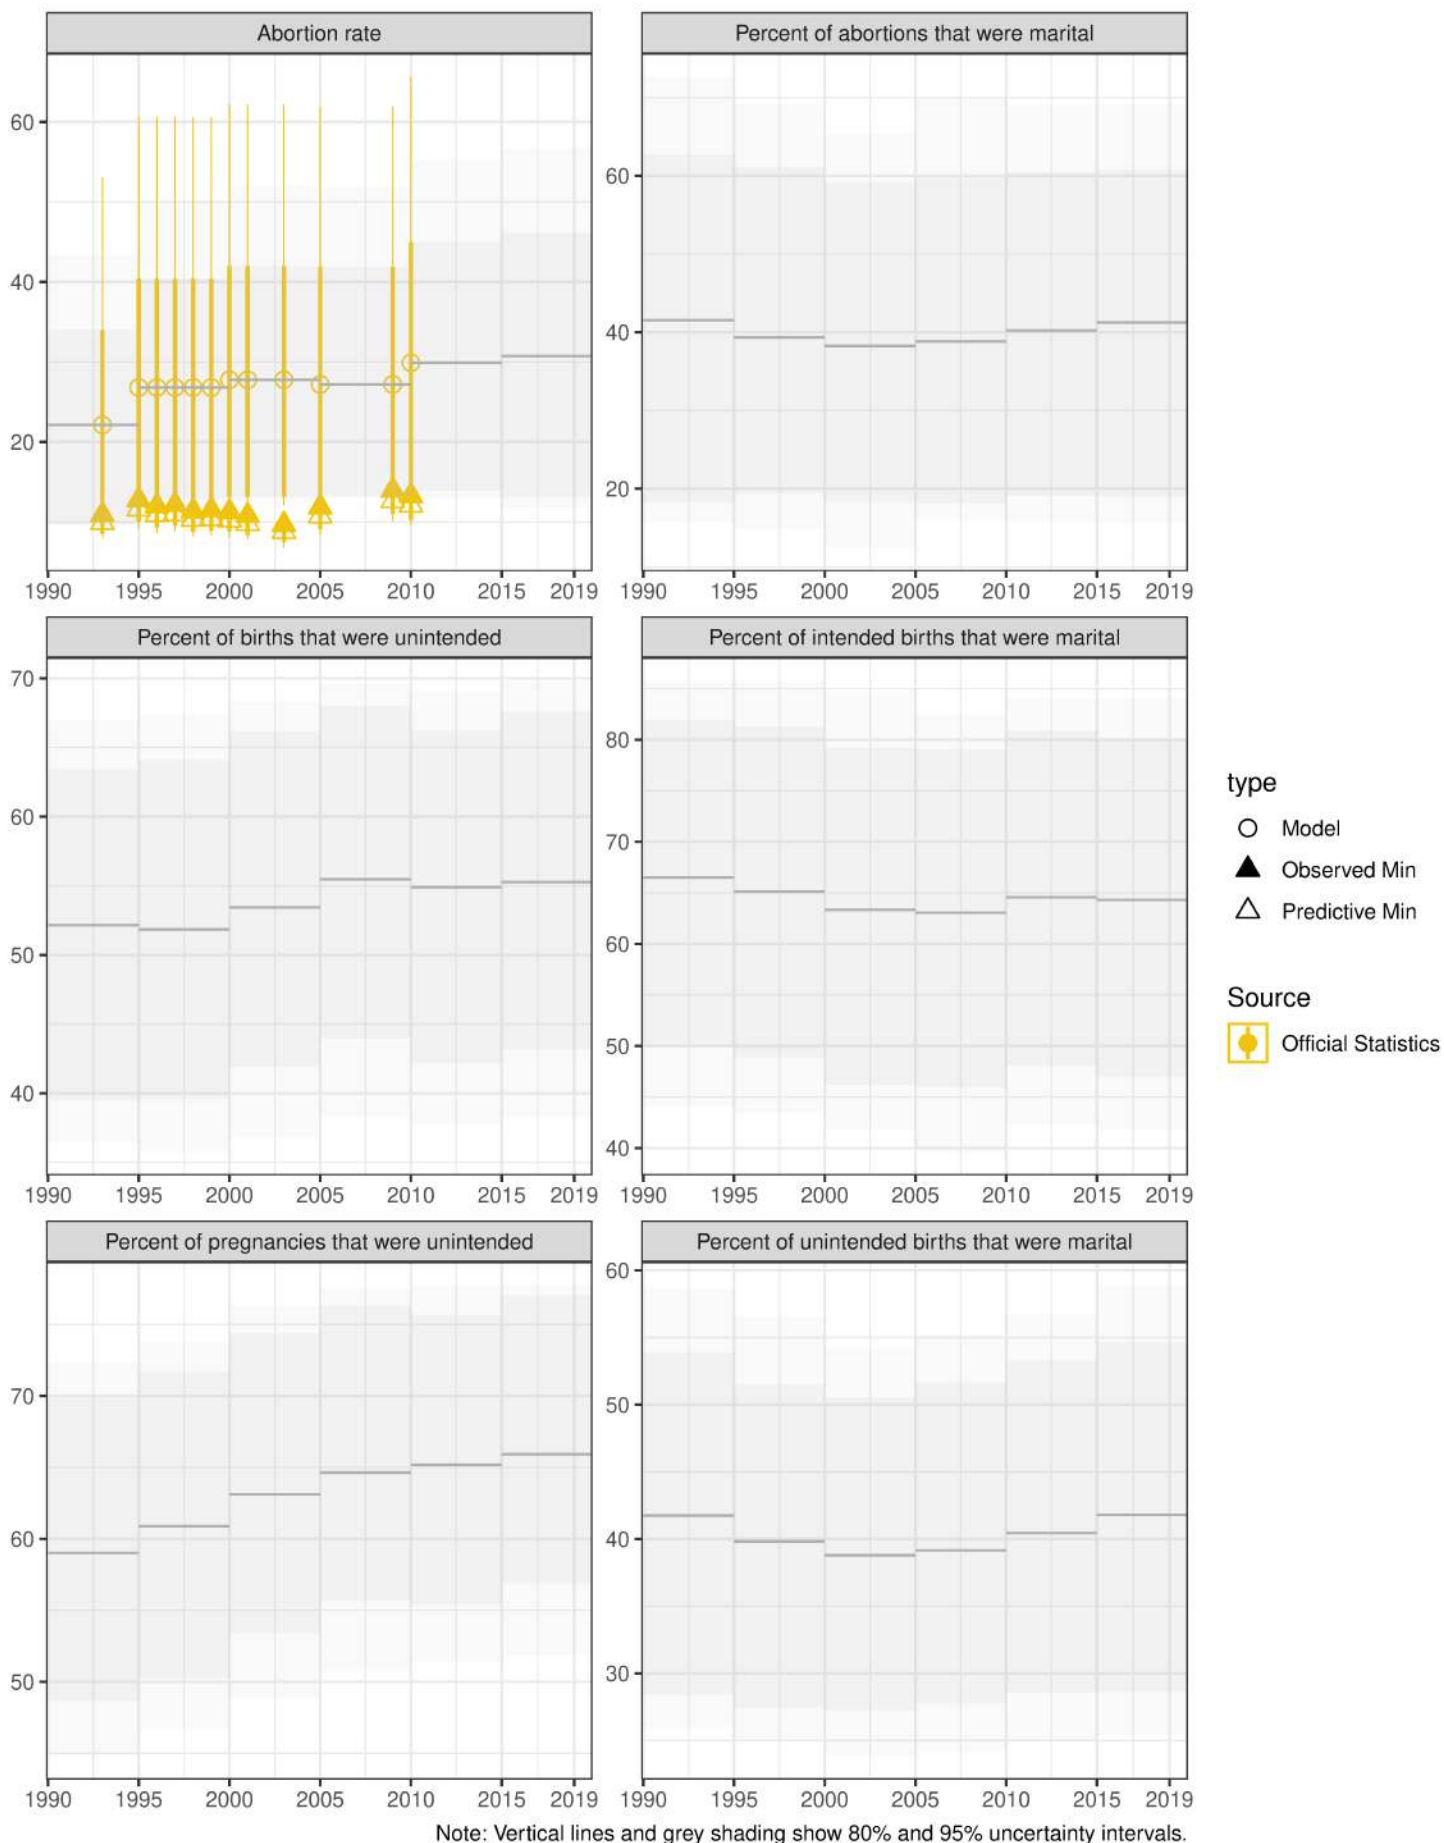

Sao Tome and Principe

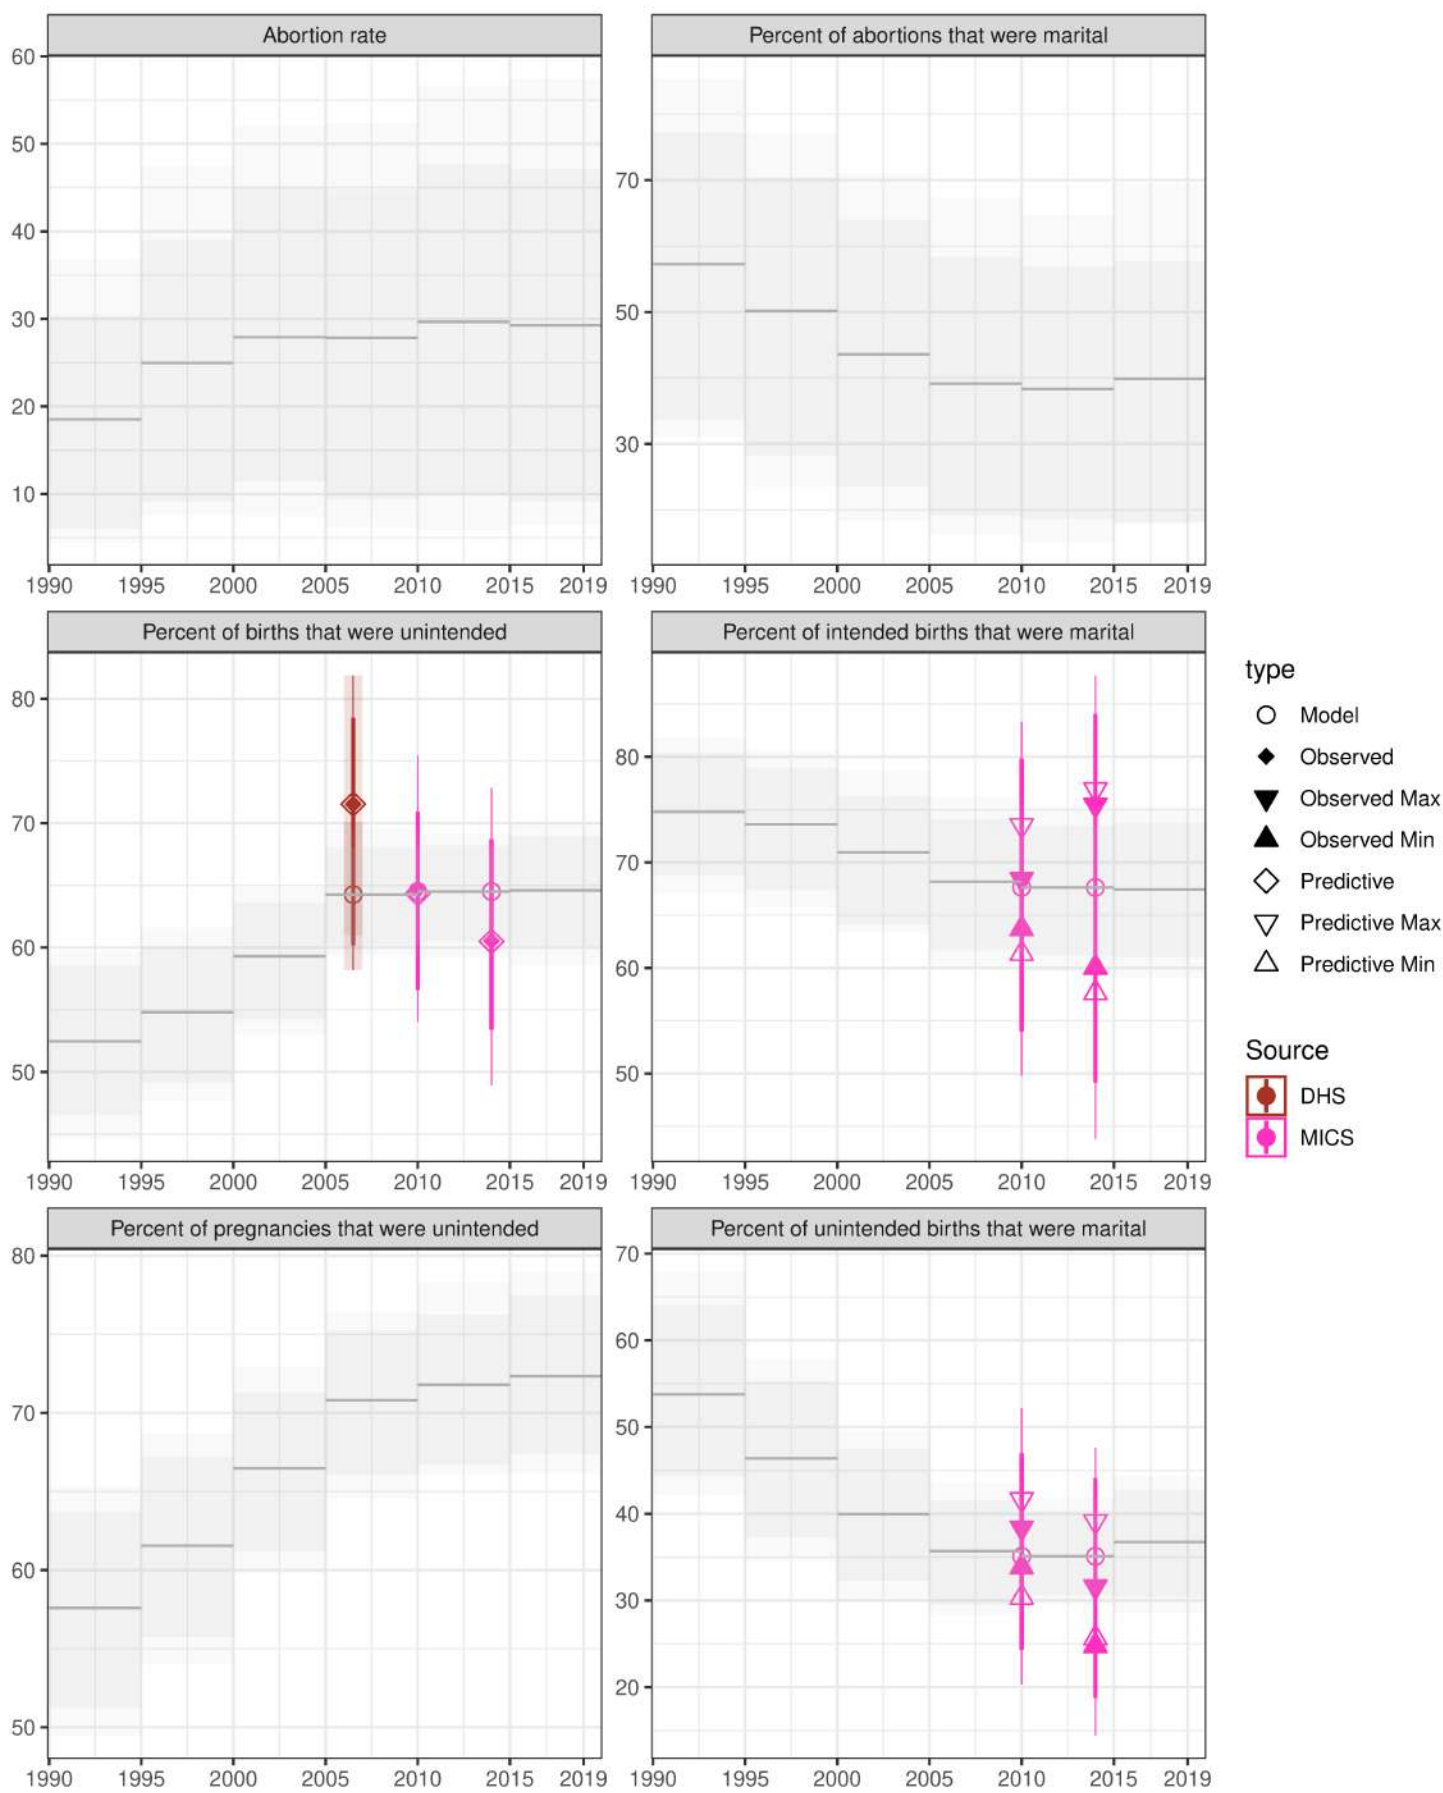

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

1.4 Southern Africa

Botswana

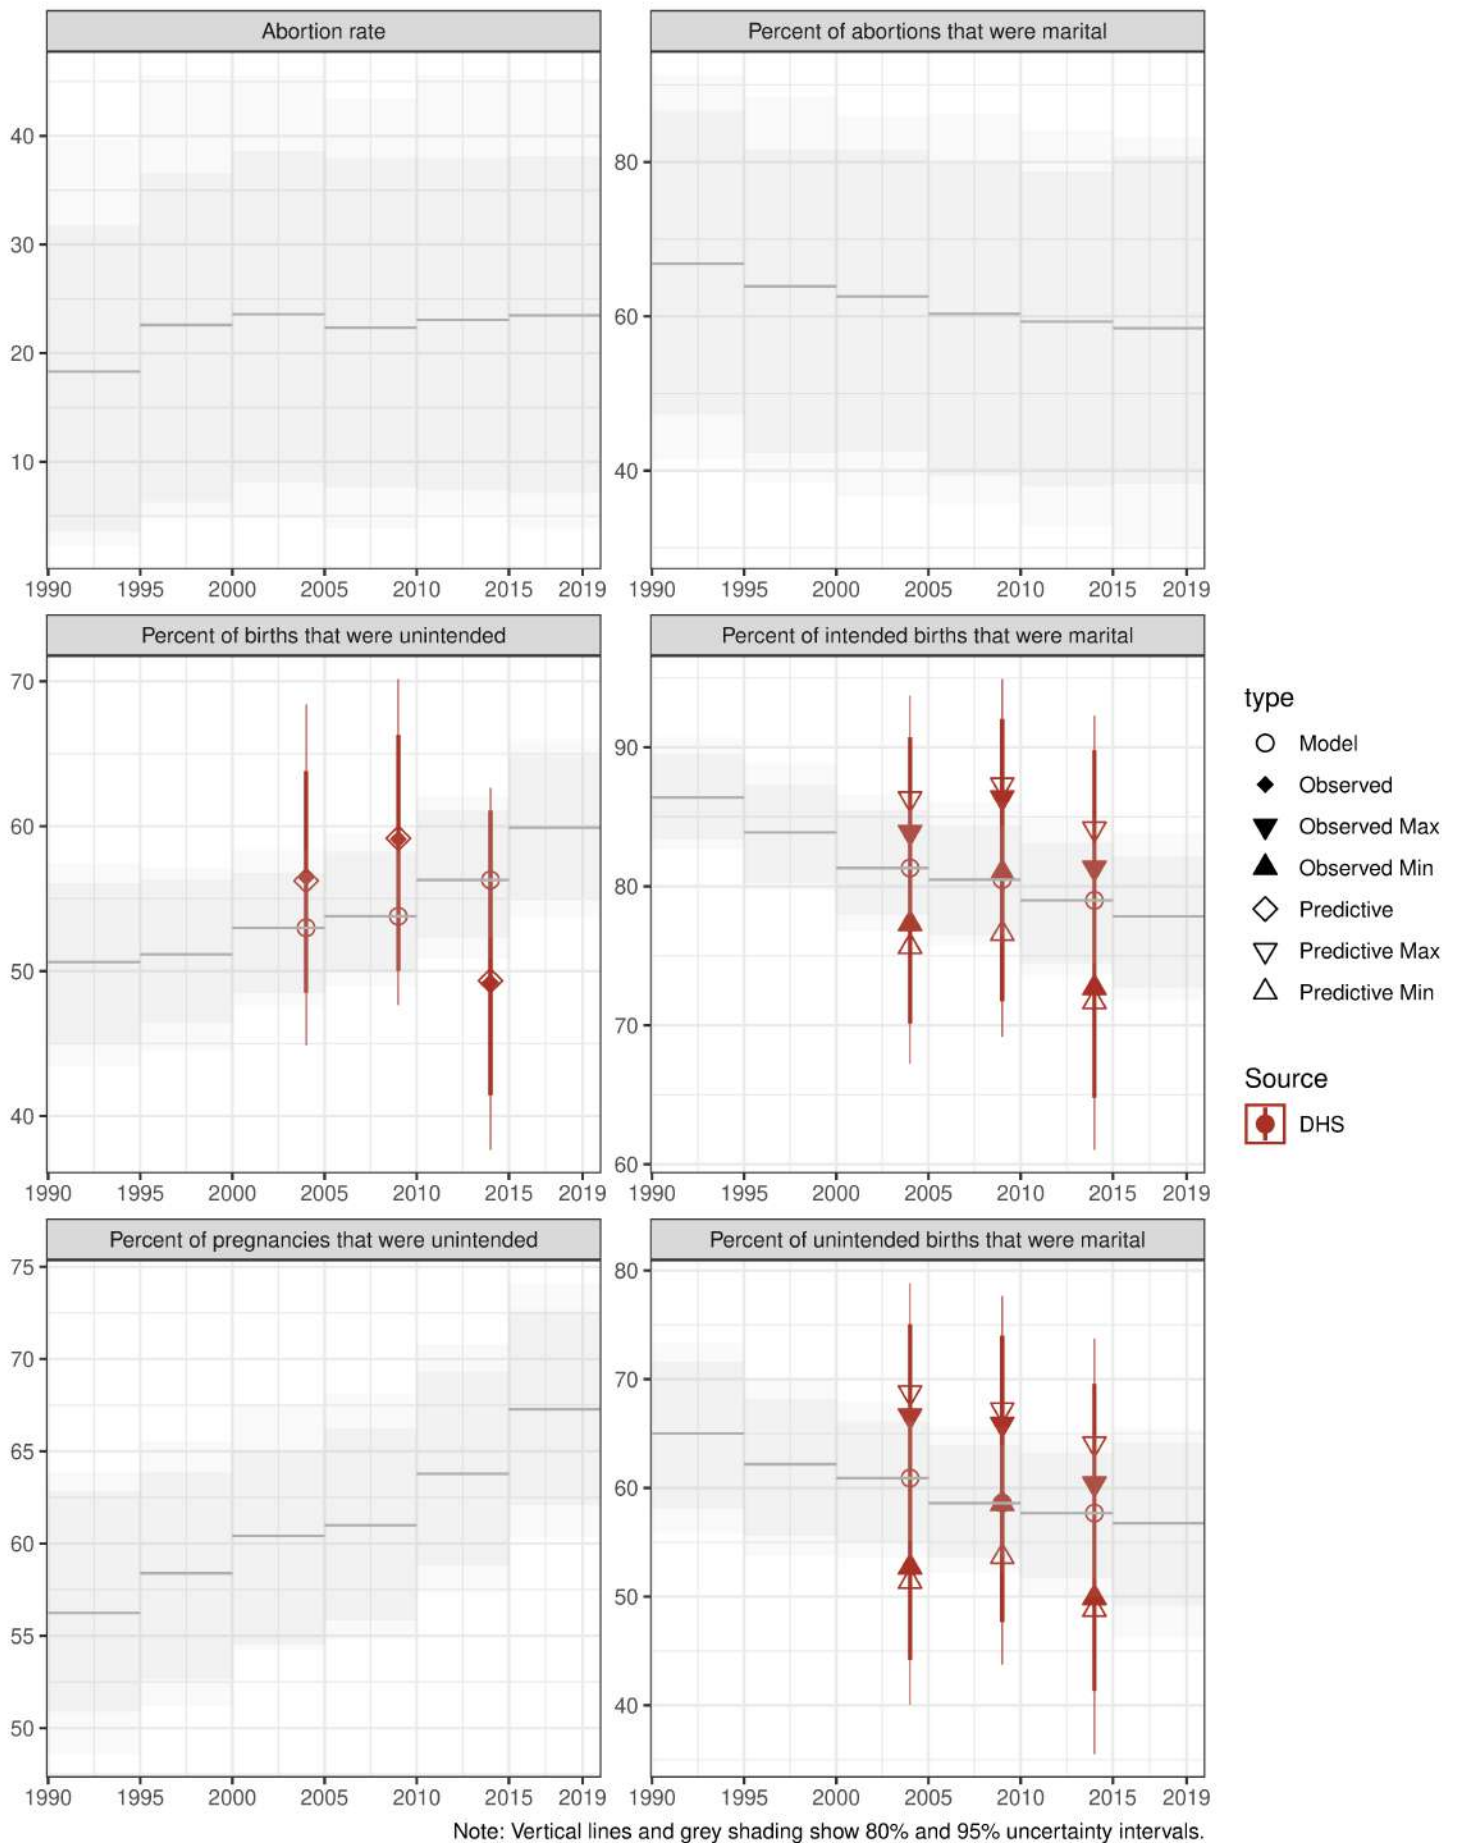

Eswatini

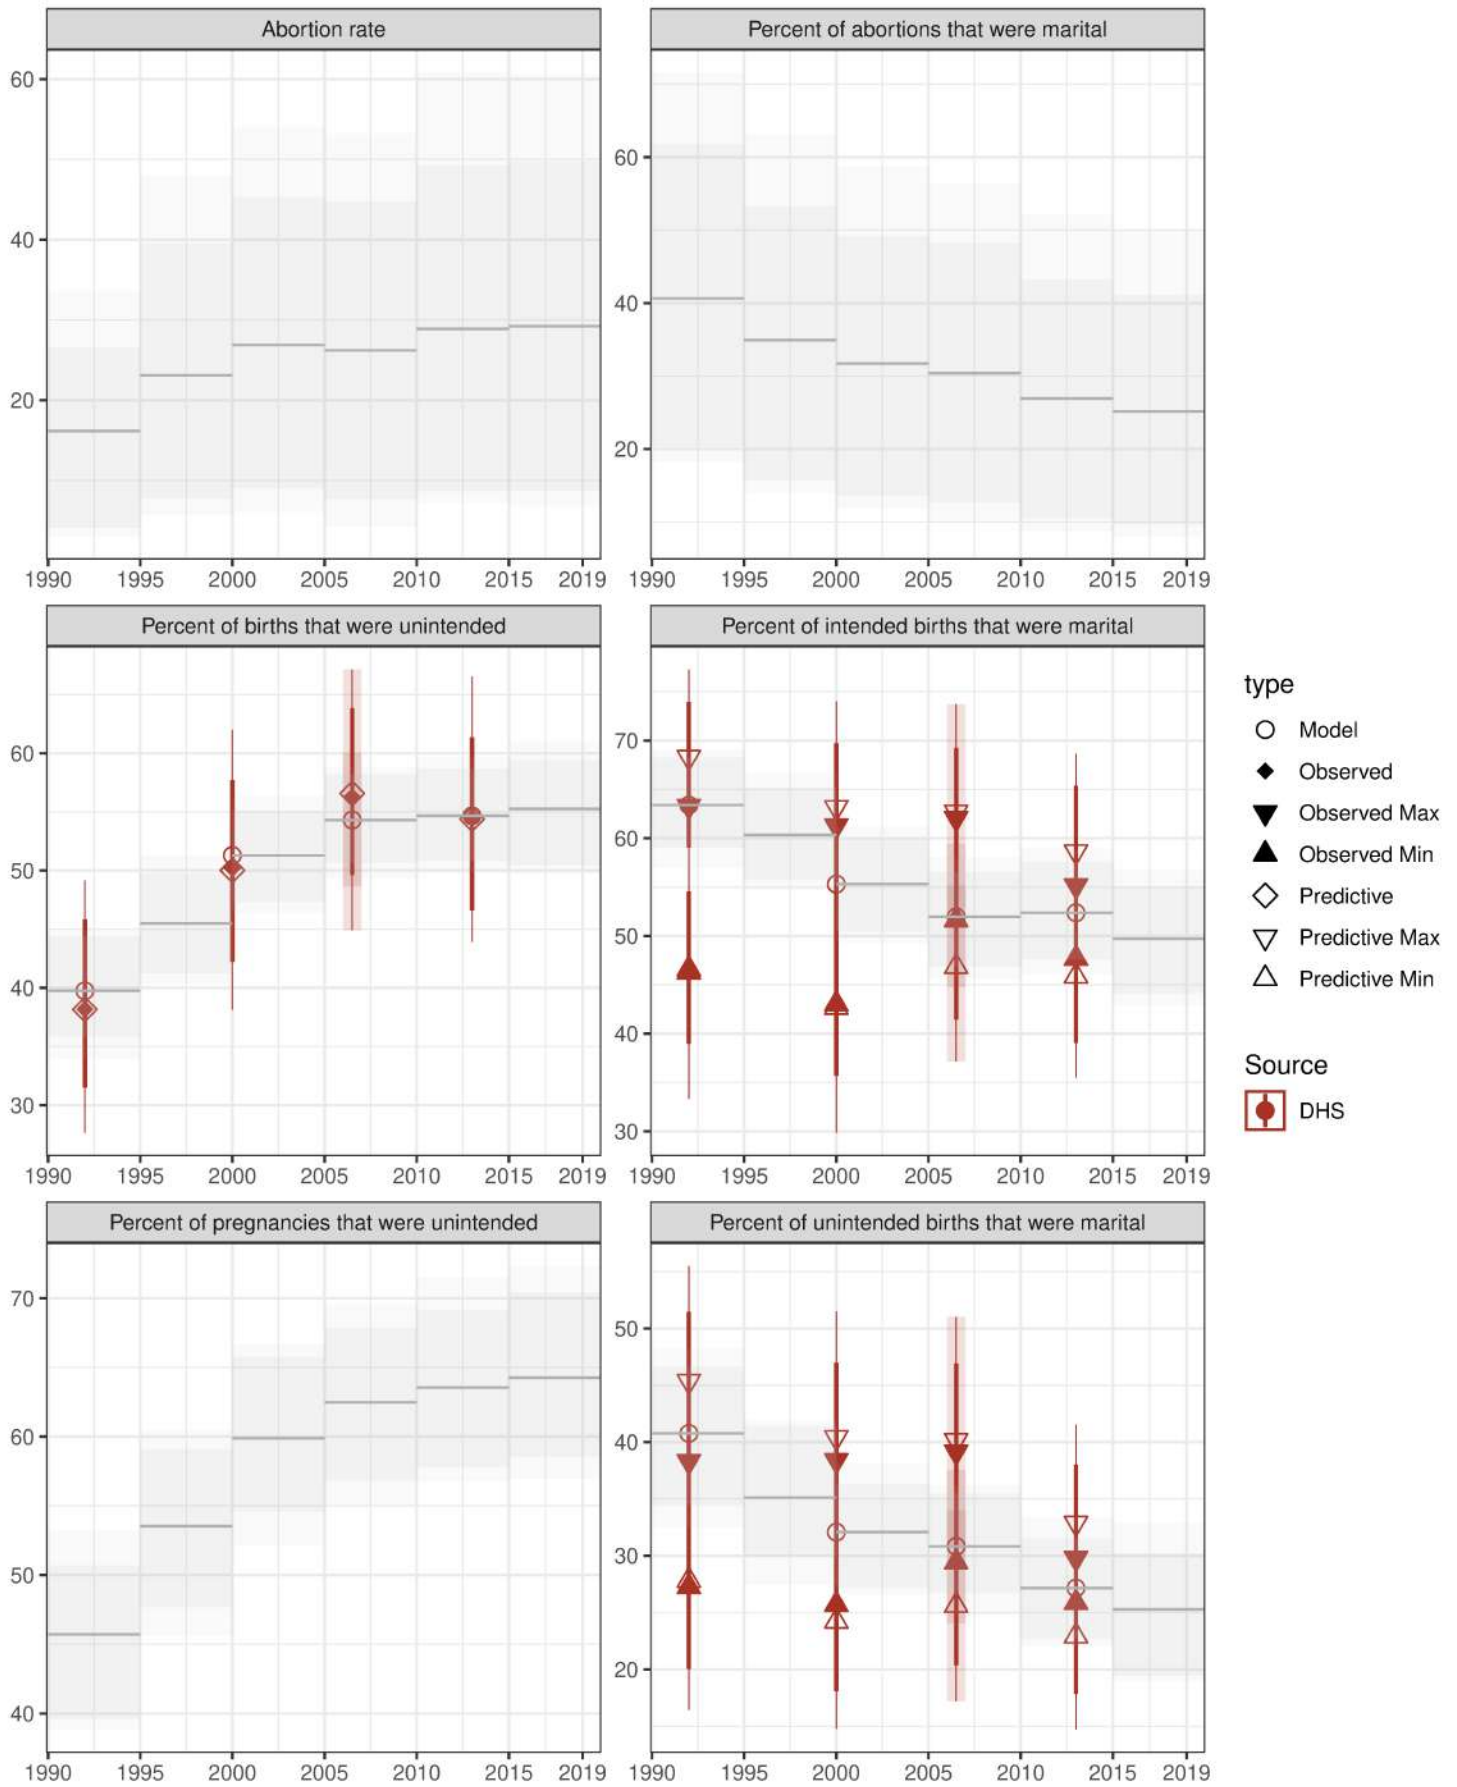

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Lesotho

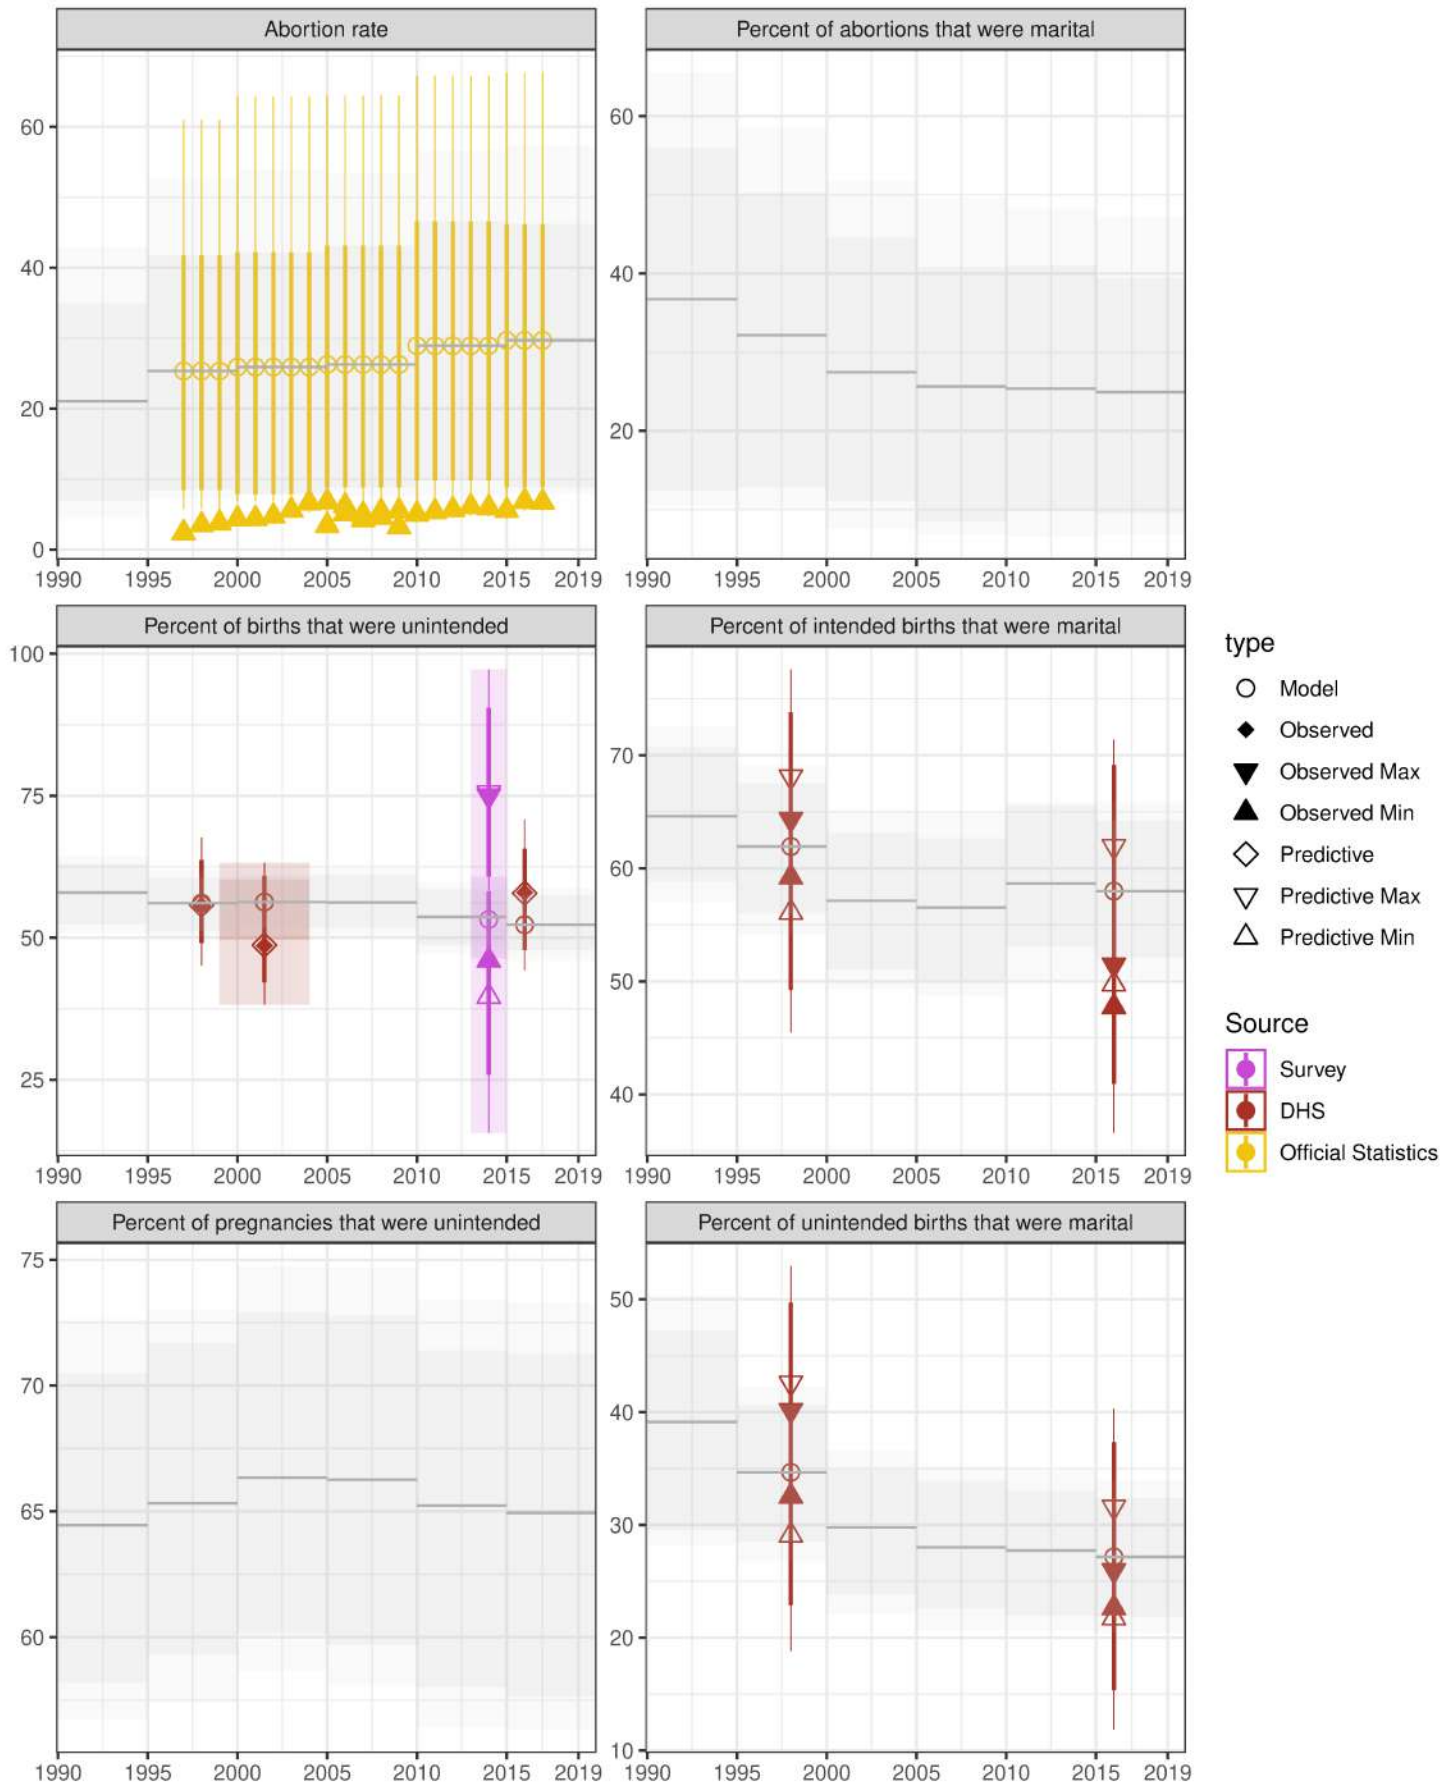

Namibia

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

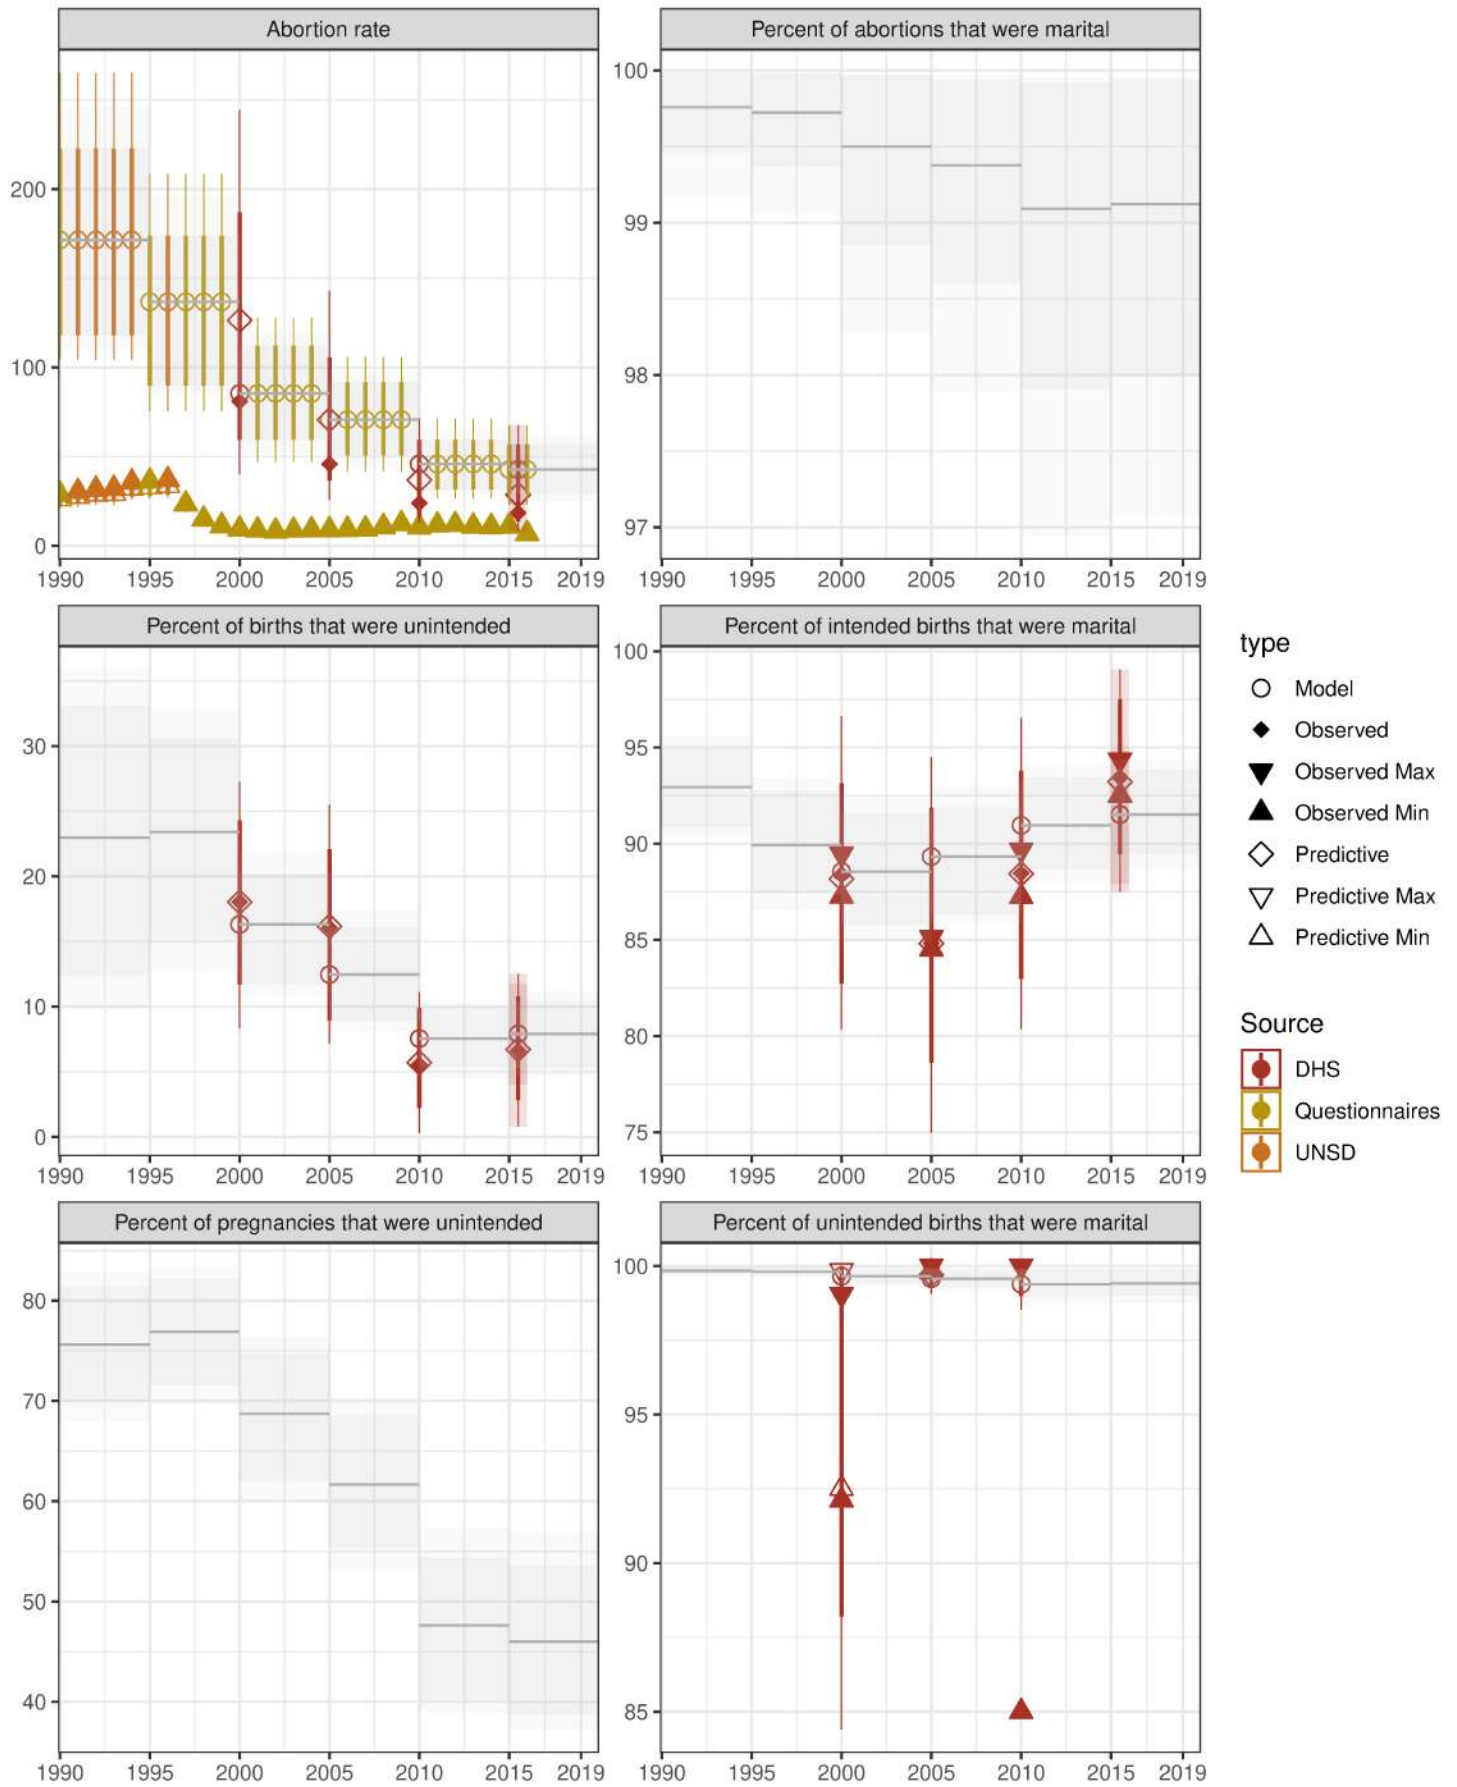

South Africa

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

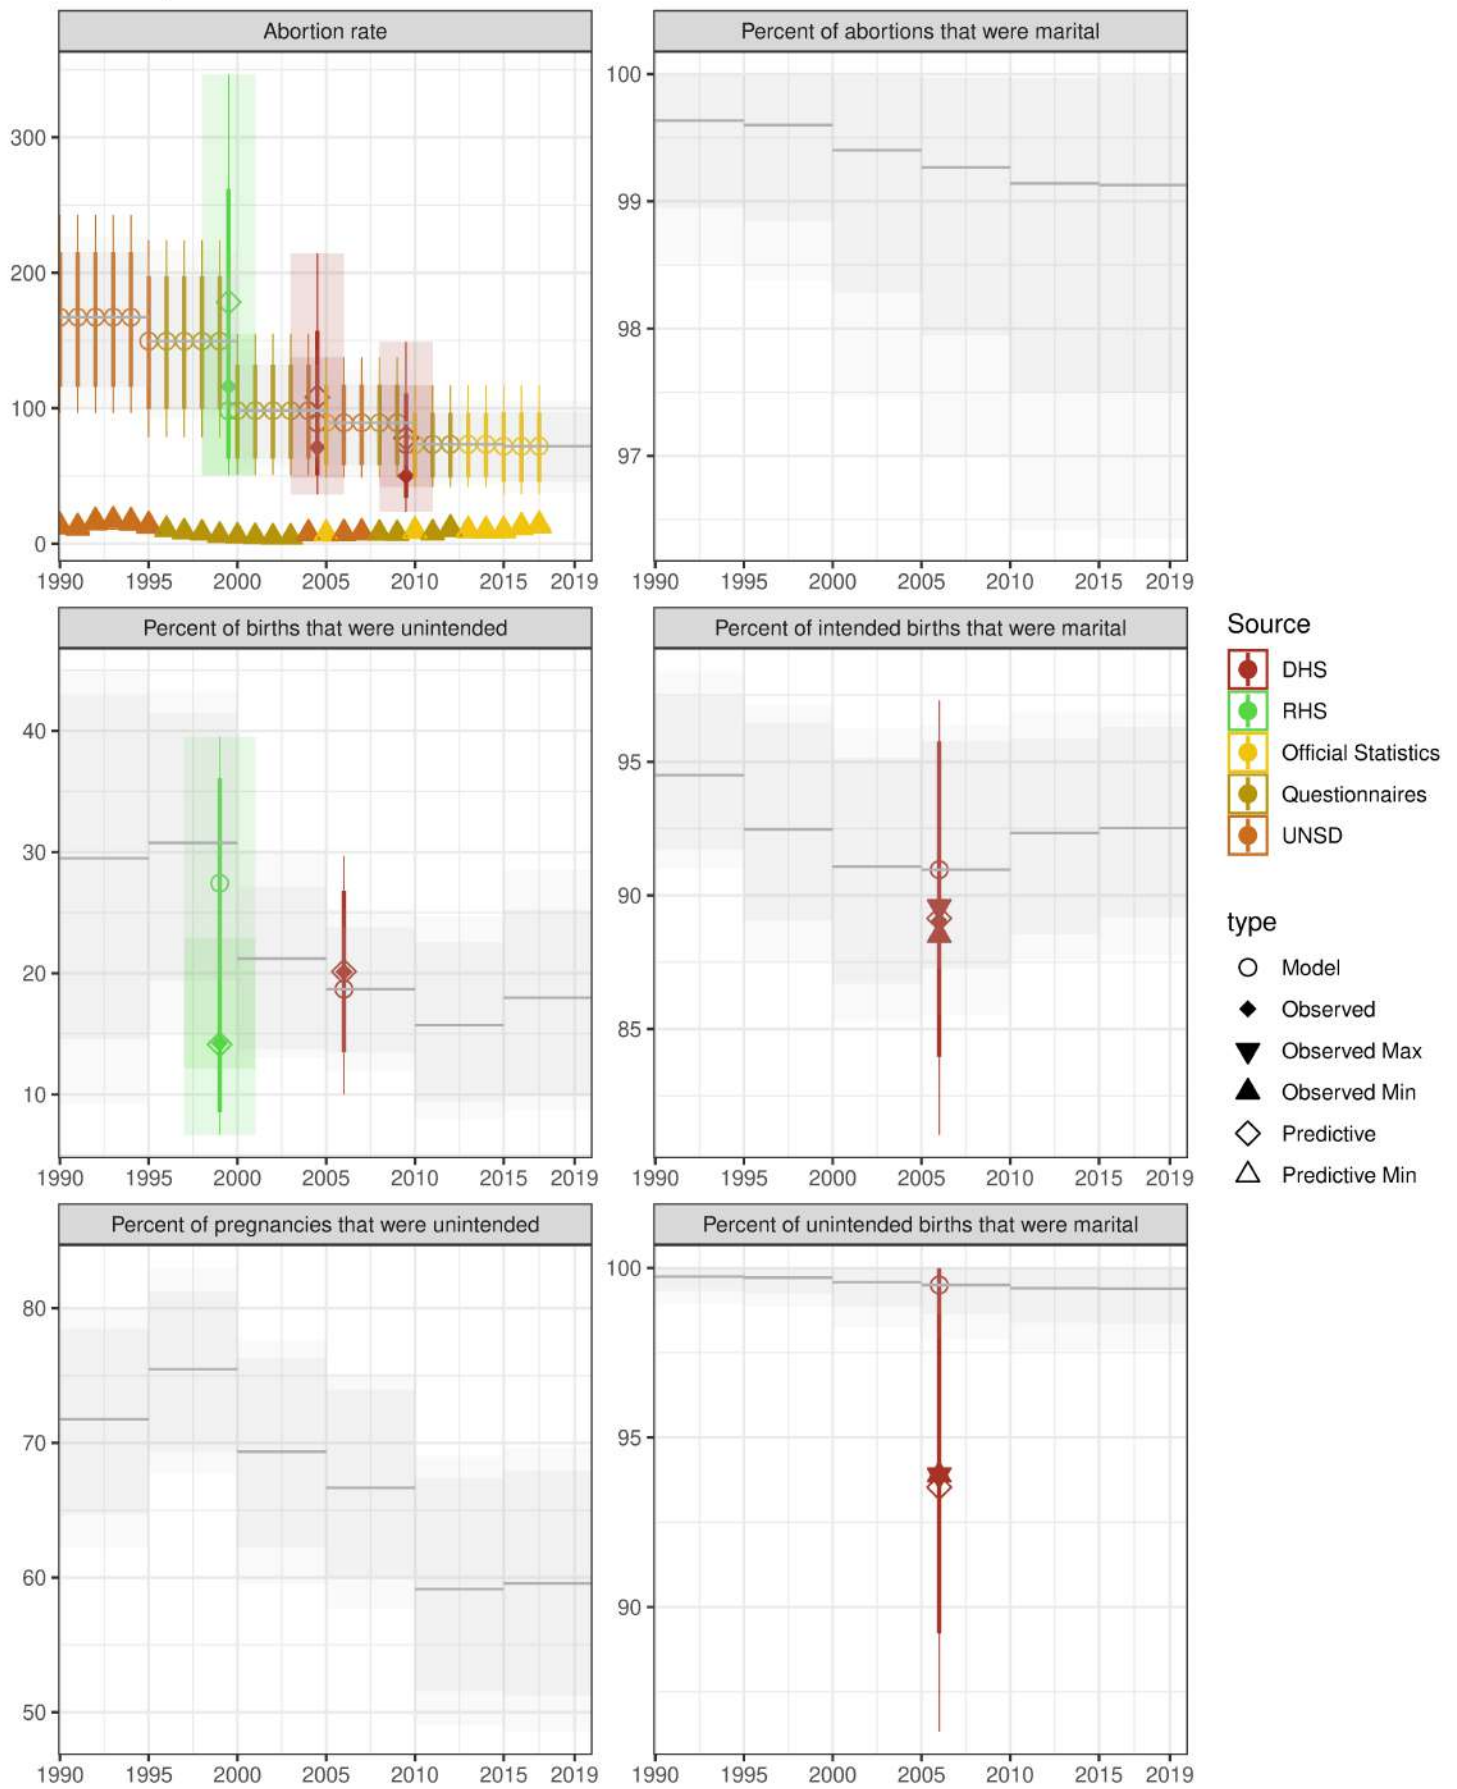

2 Western Asia

Armenia

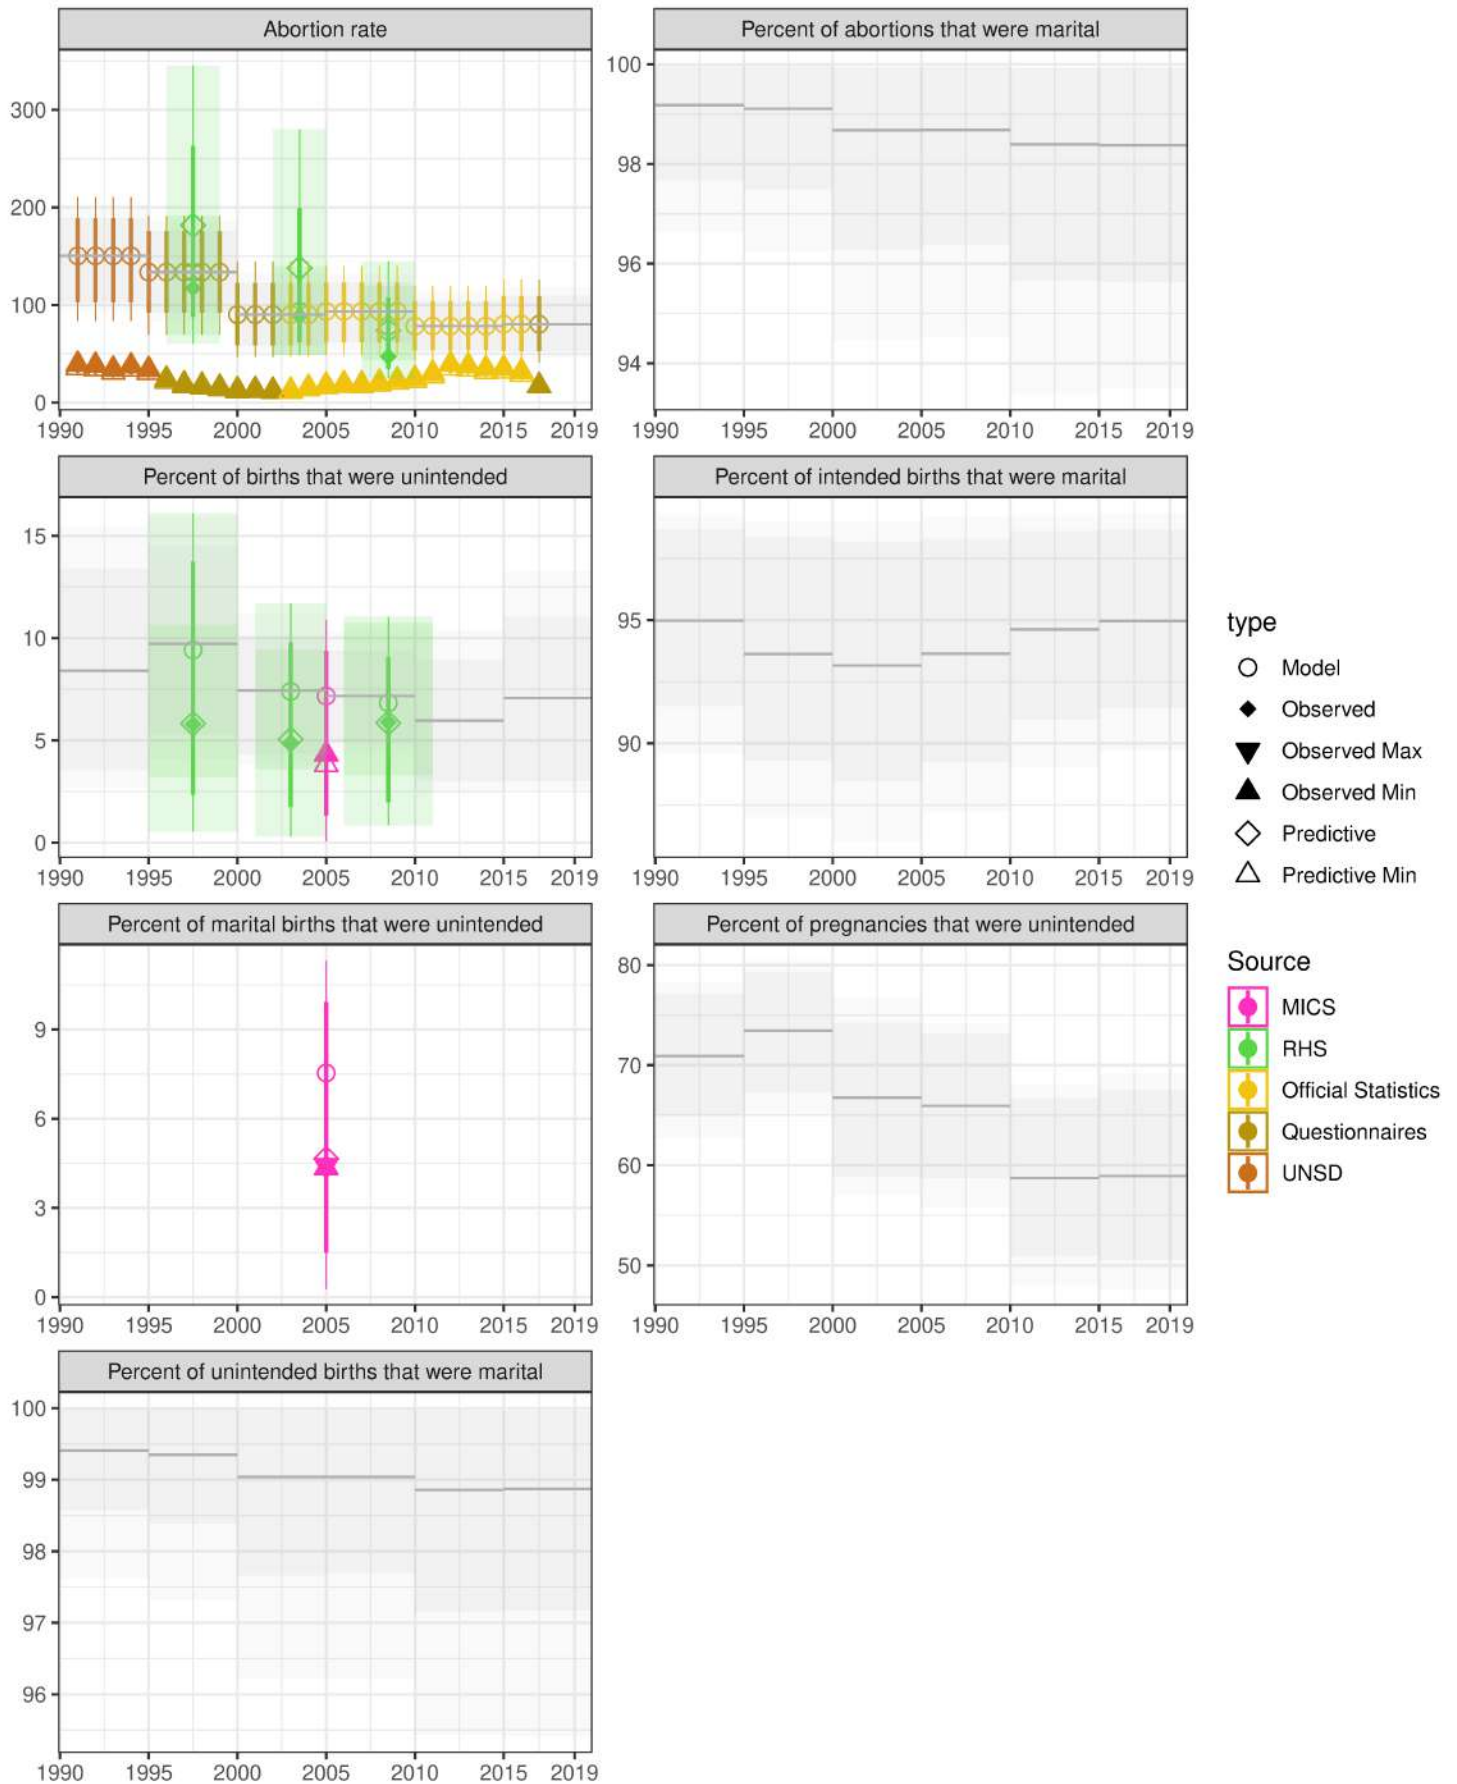

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Azerbaijan

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Georgia

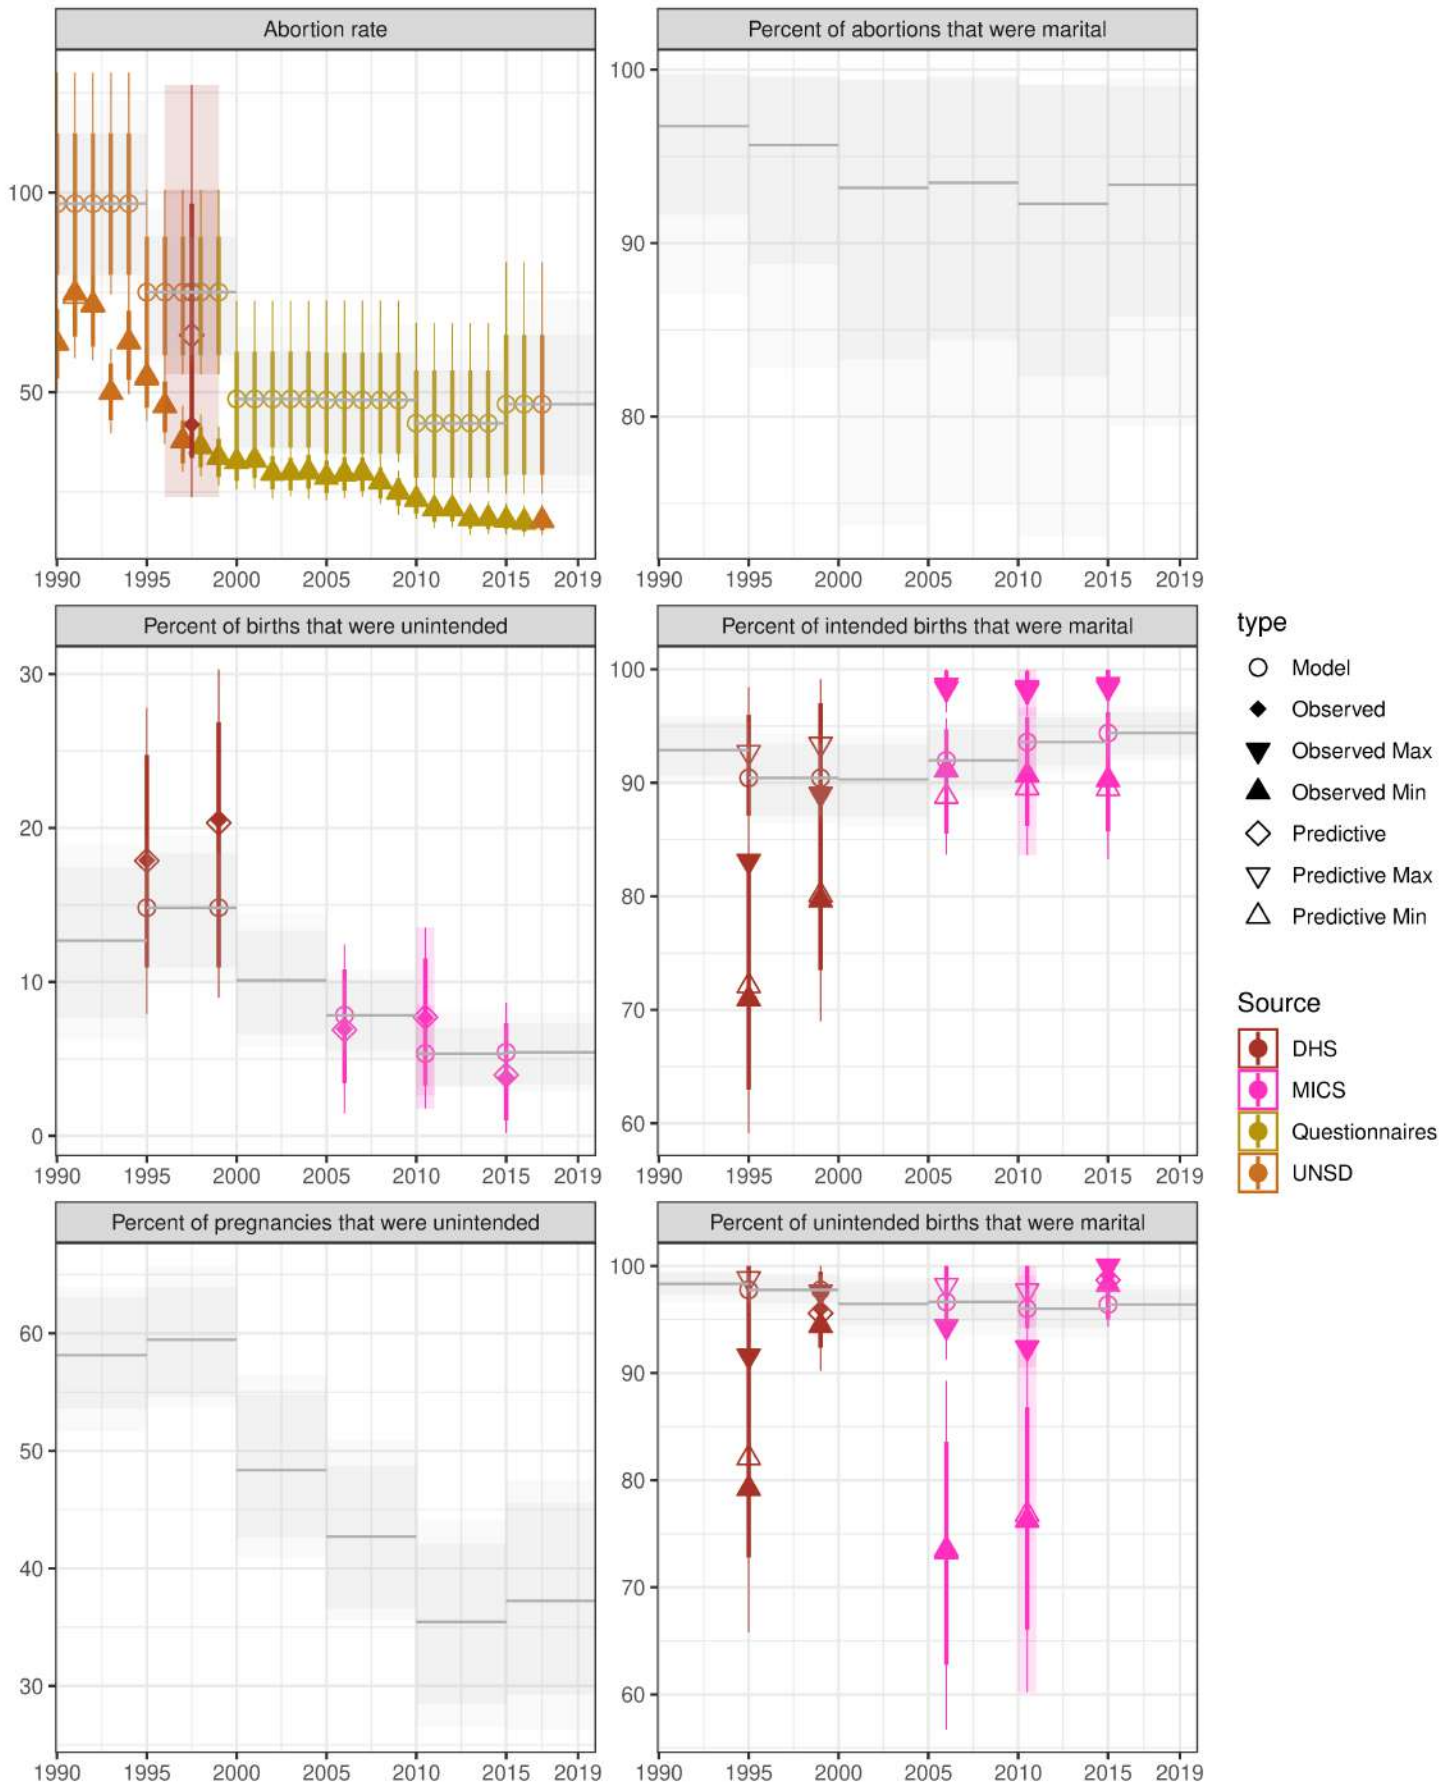

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

3 Central and Southern Asia

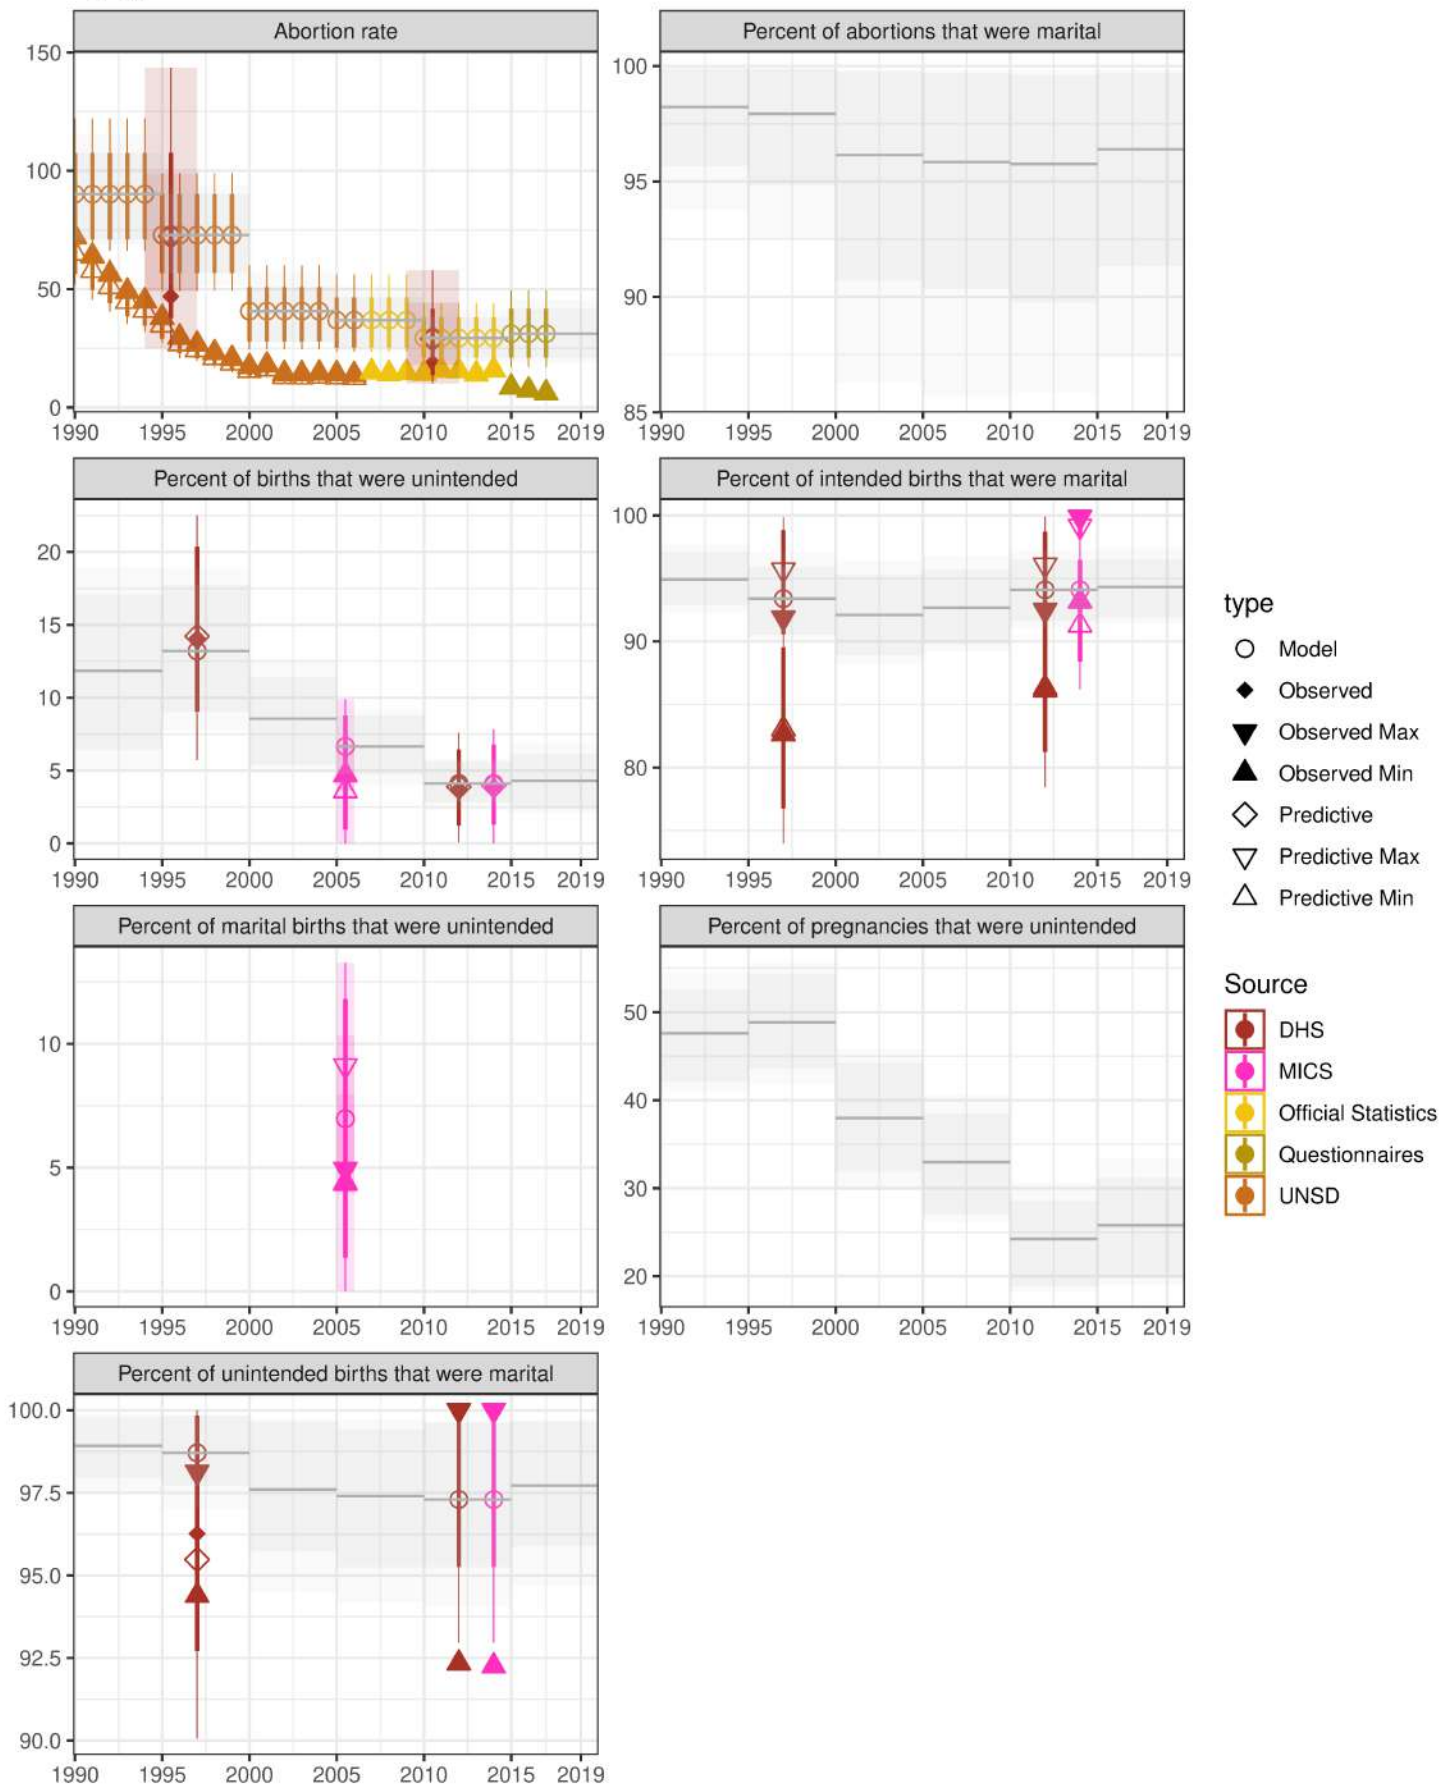

3.1 Central Asia

Kazakhstan

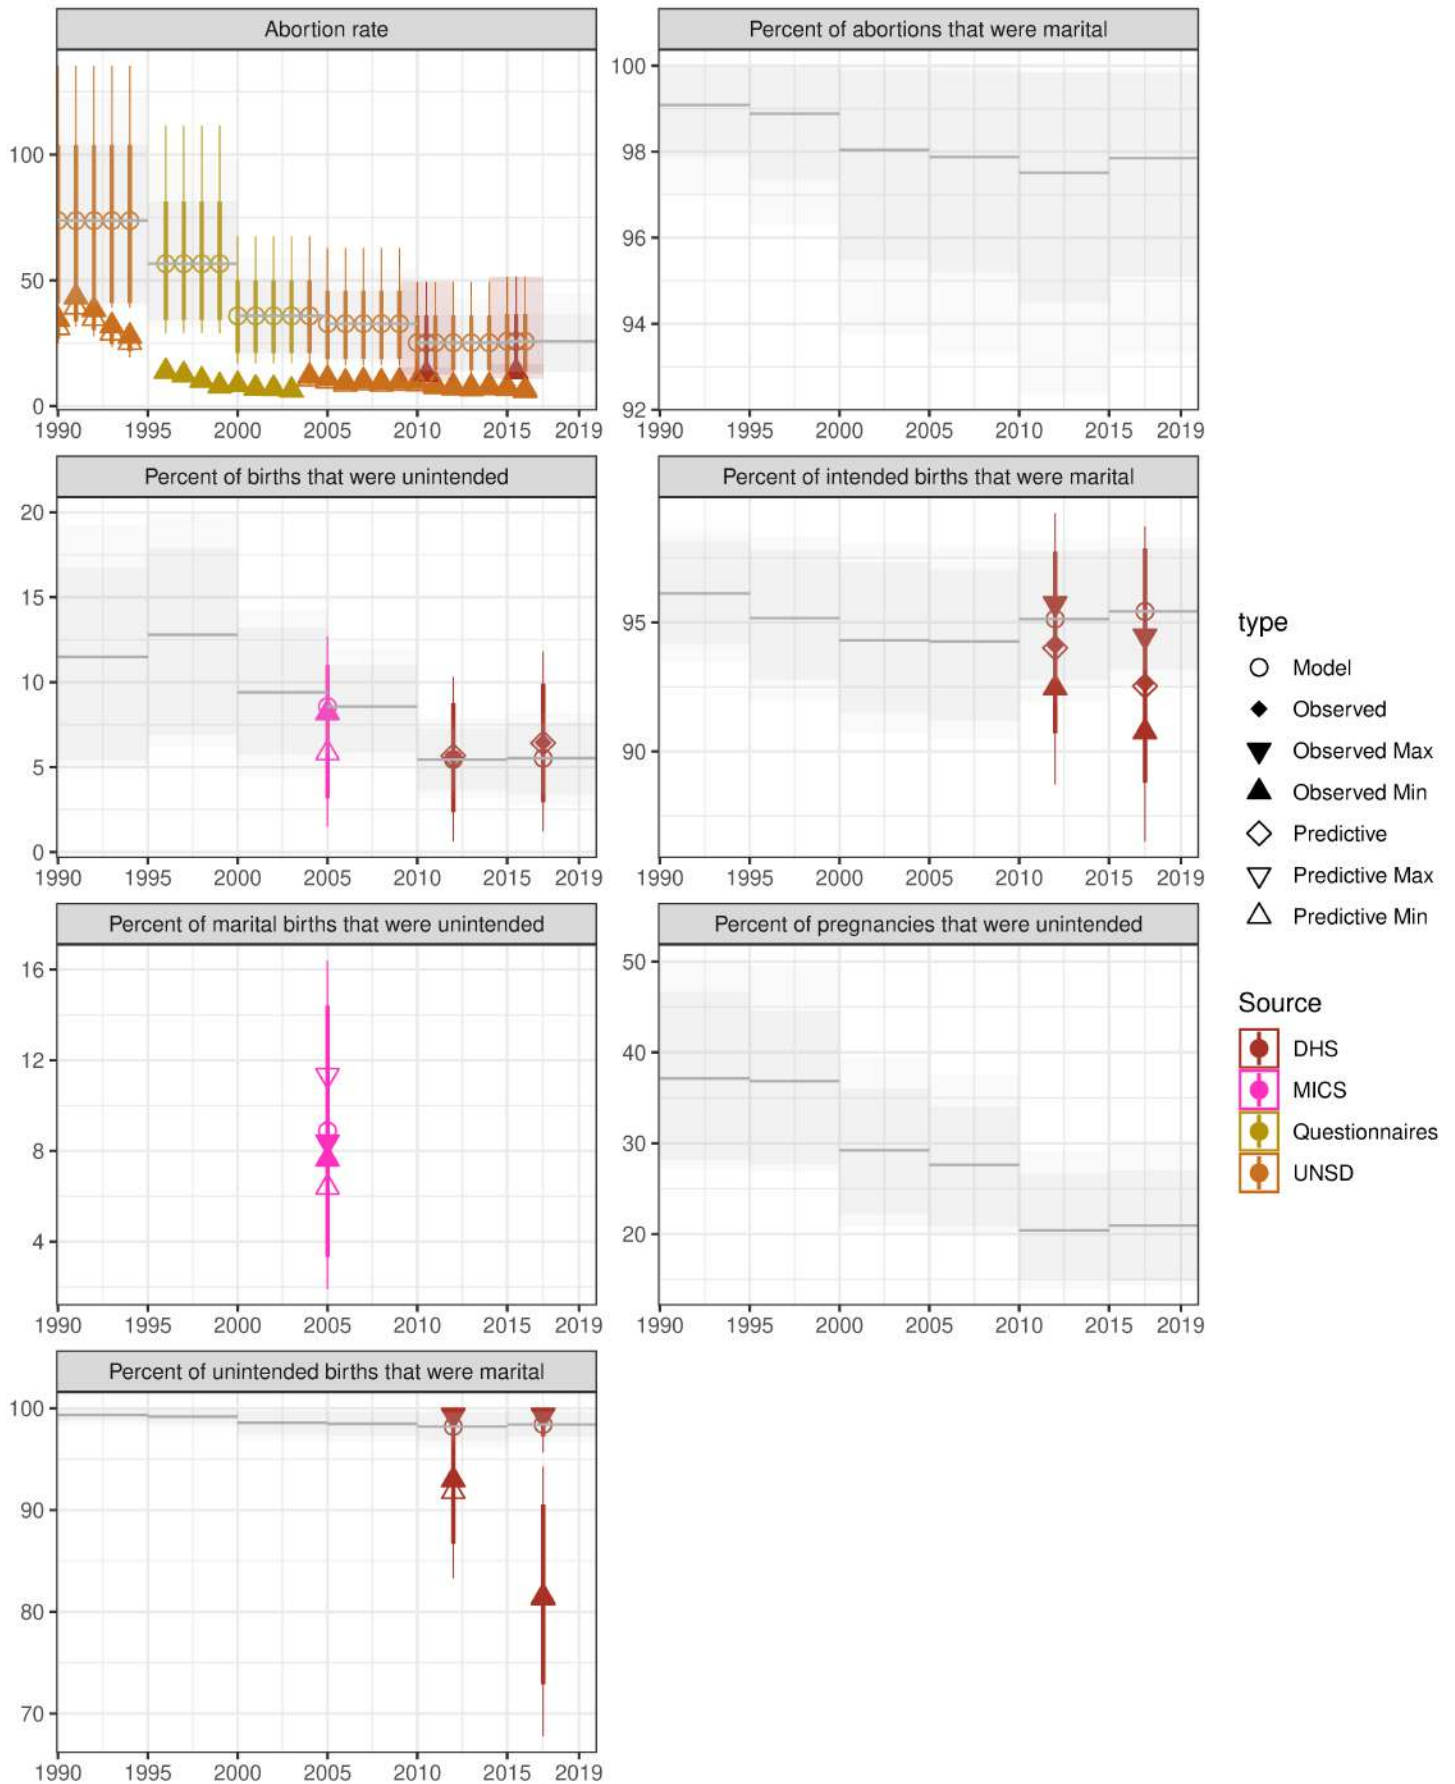

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Kyrgyzstan

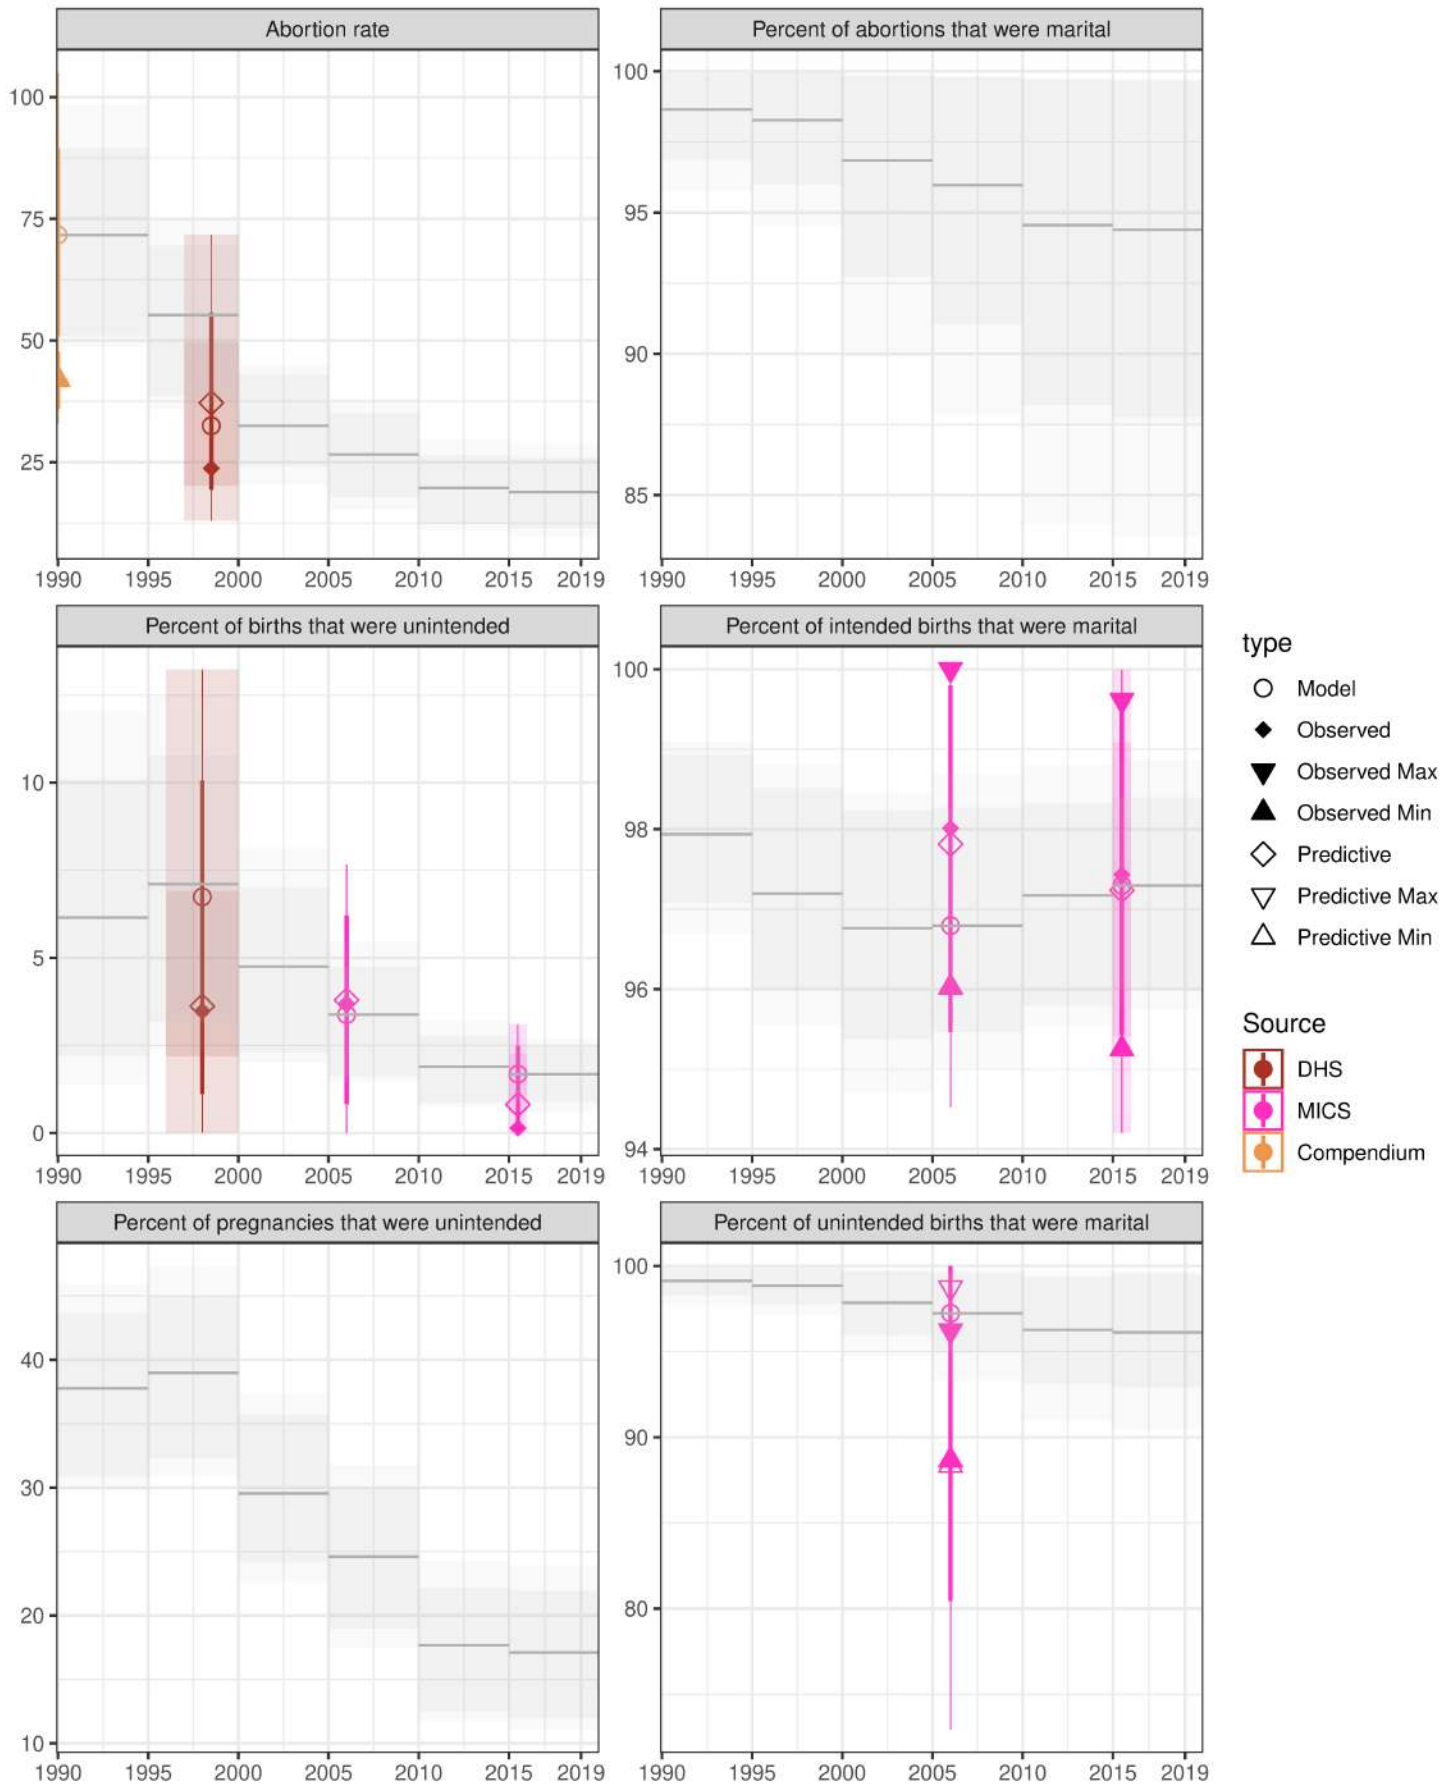

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Tajikistan

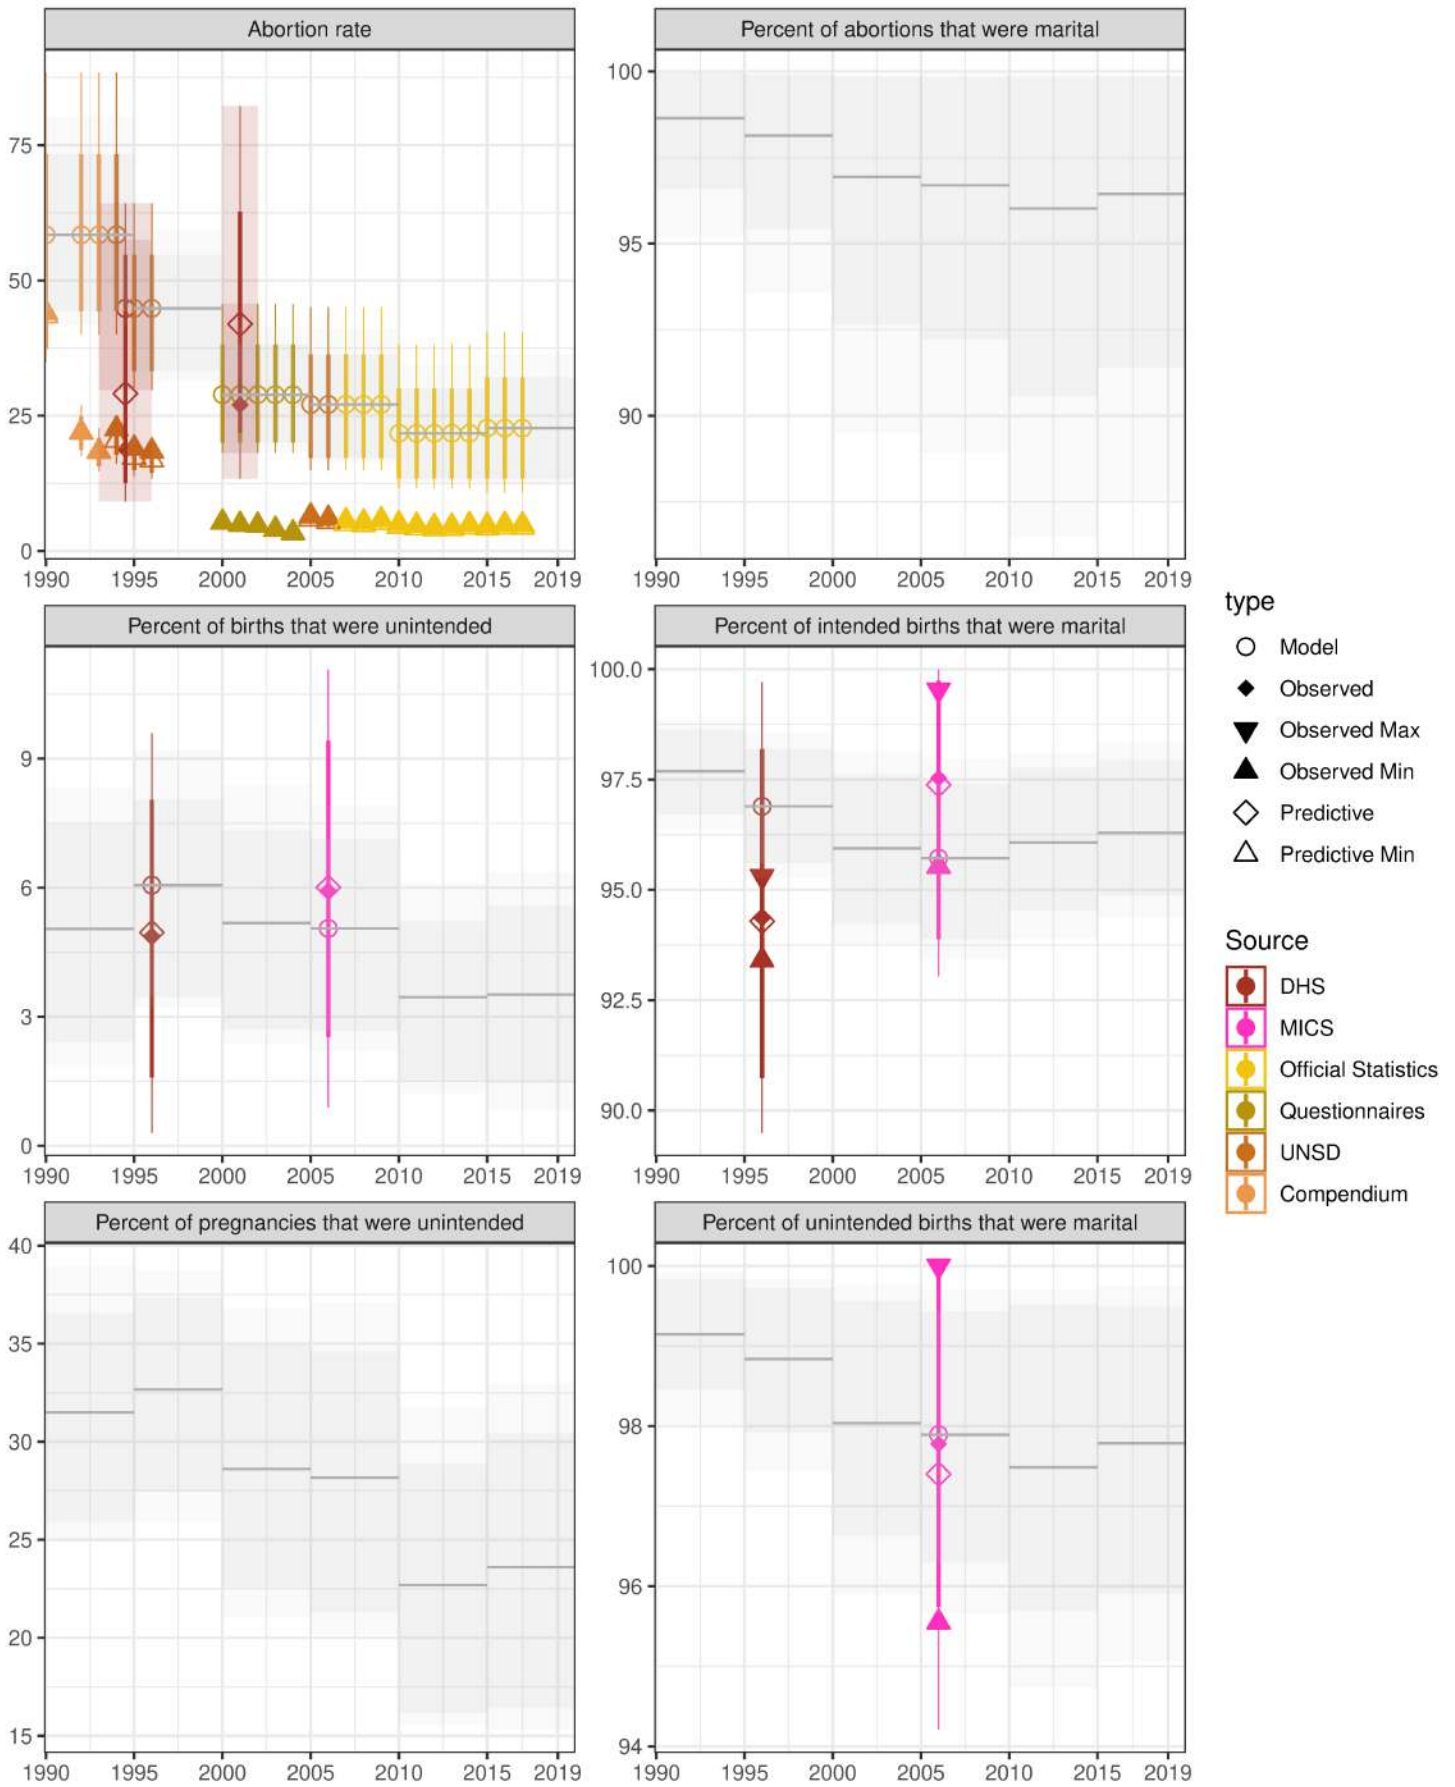

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Turkmenistan

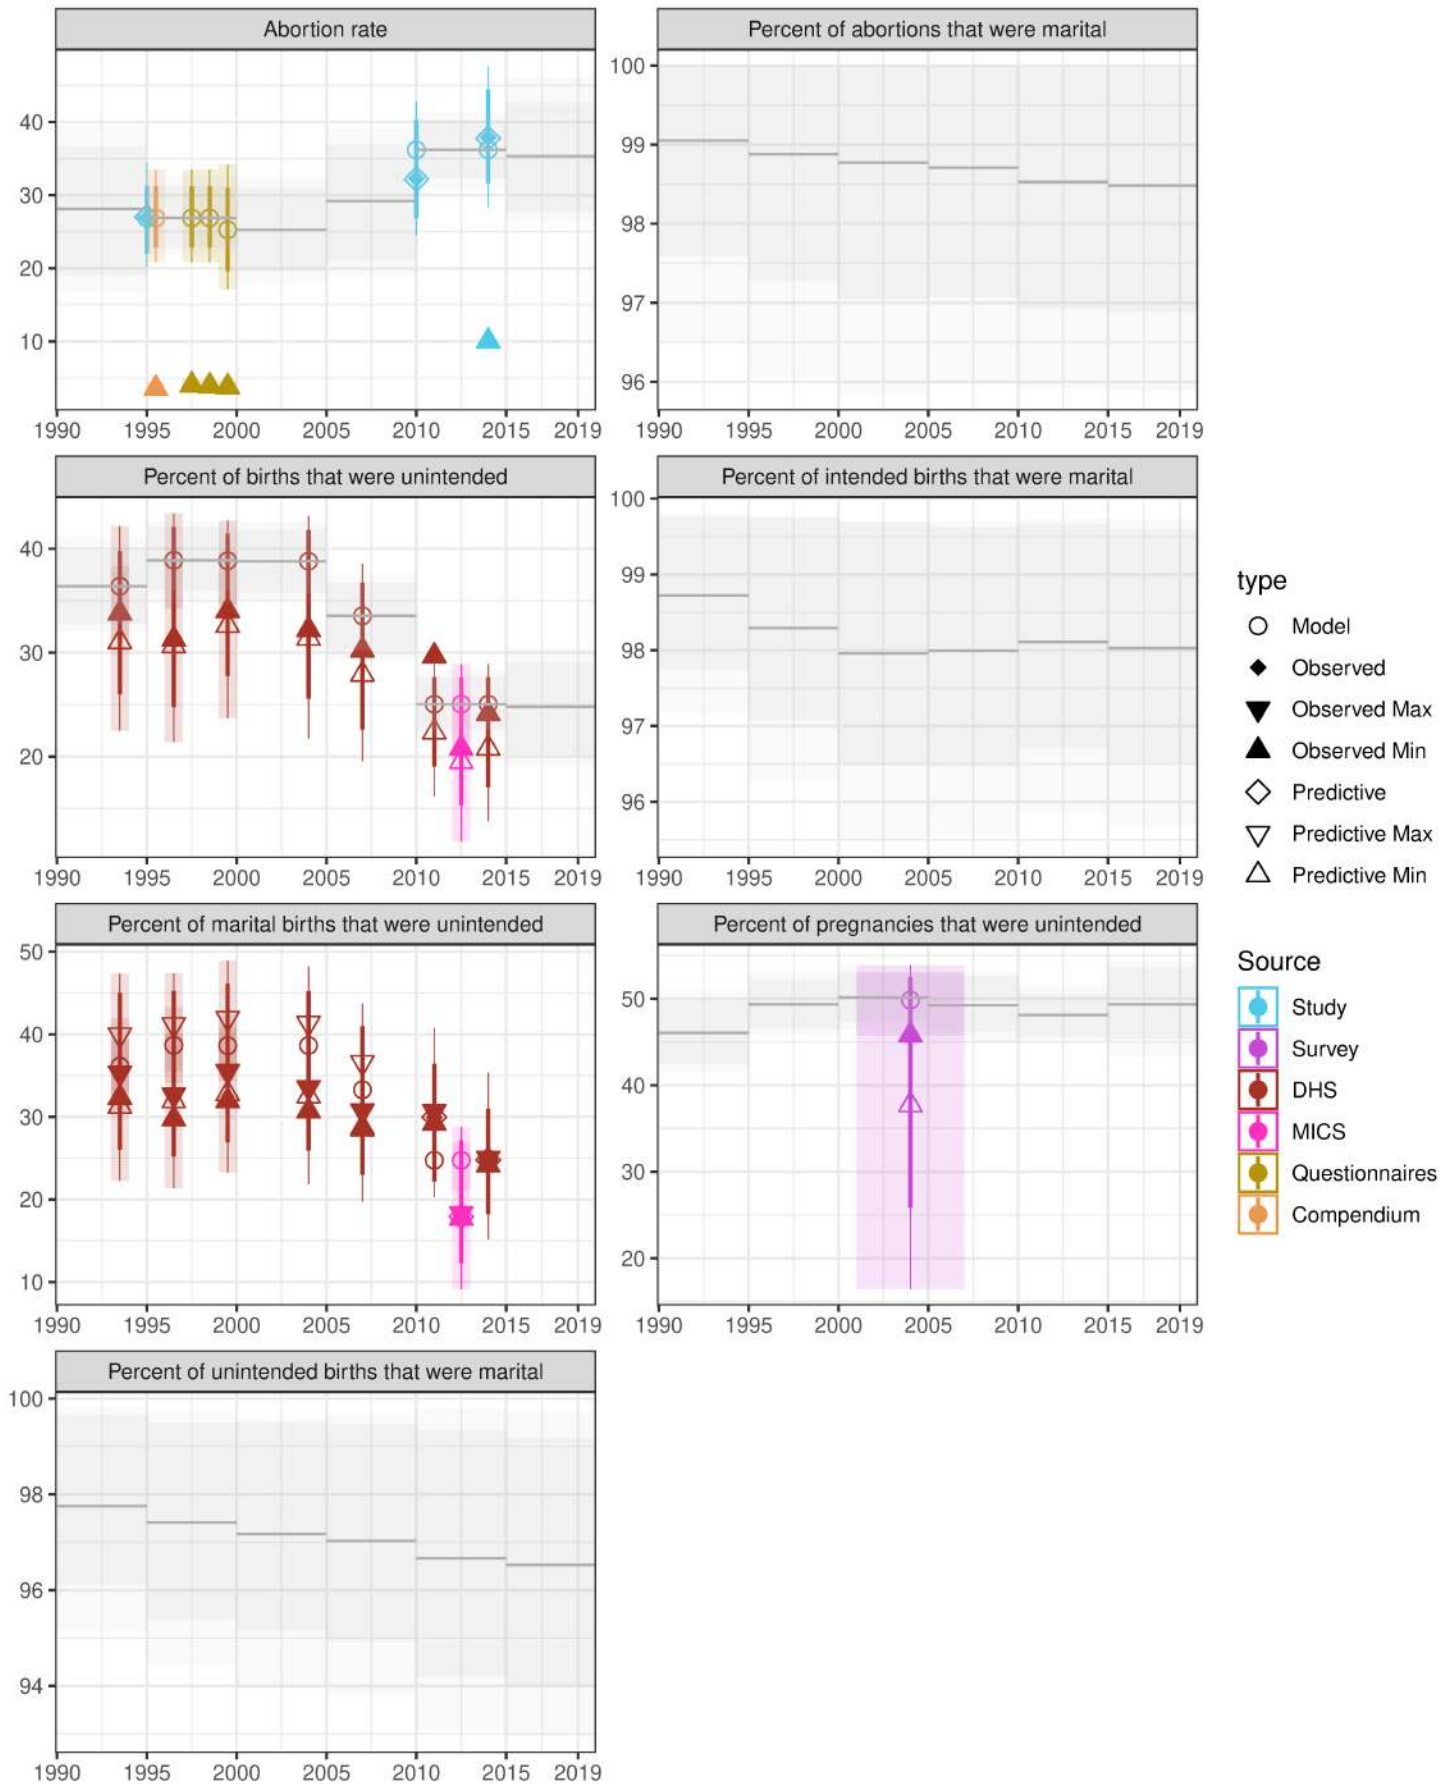

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Uzbekistan

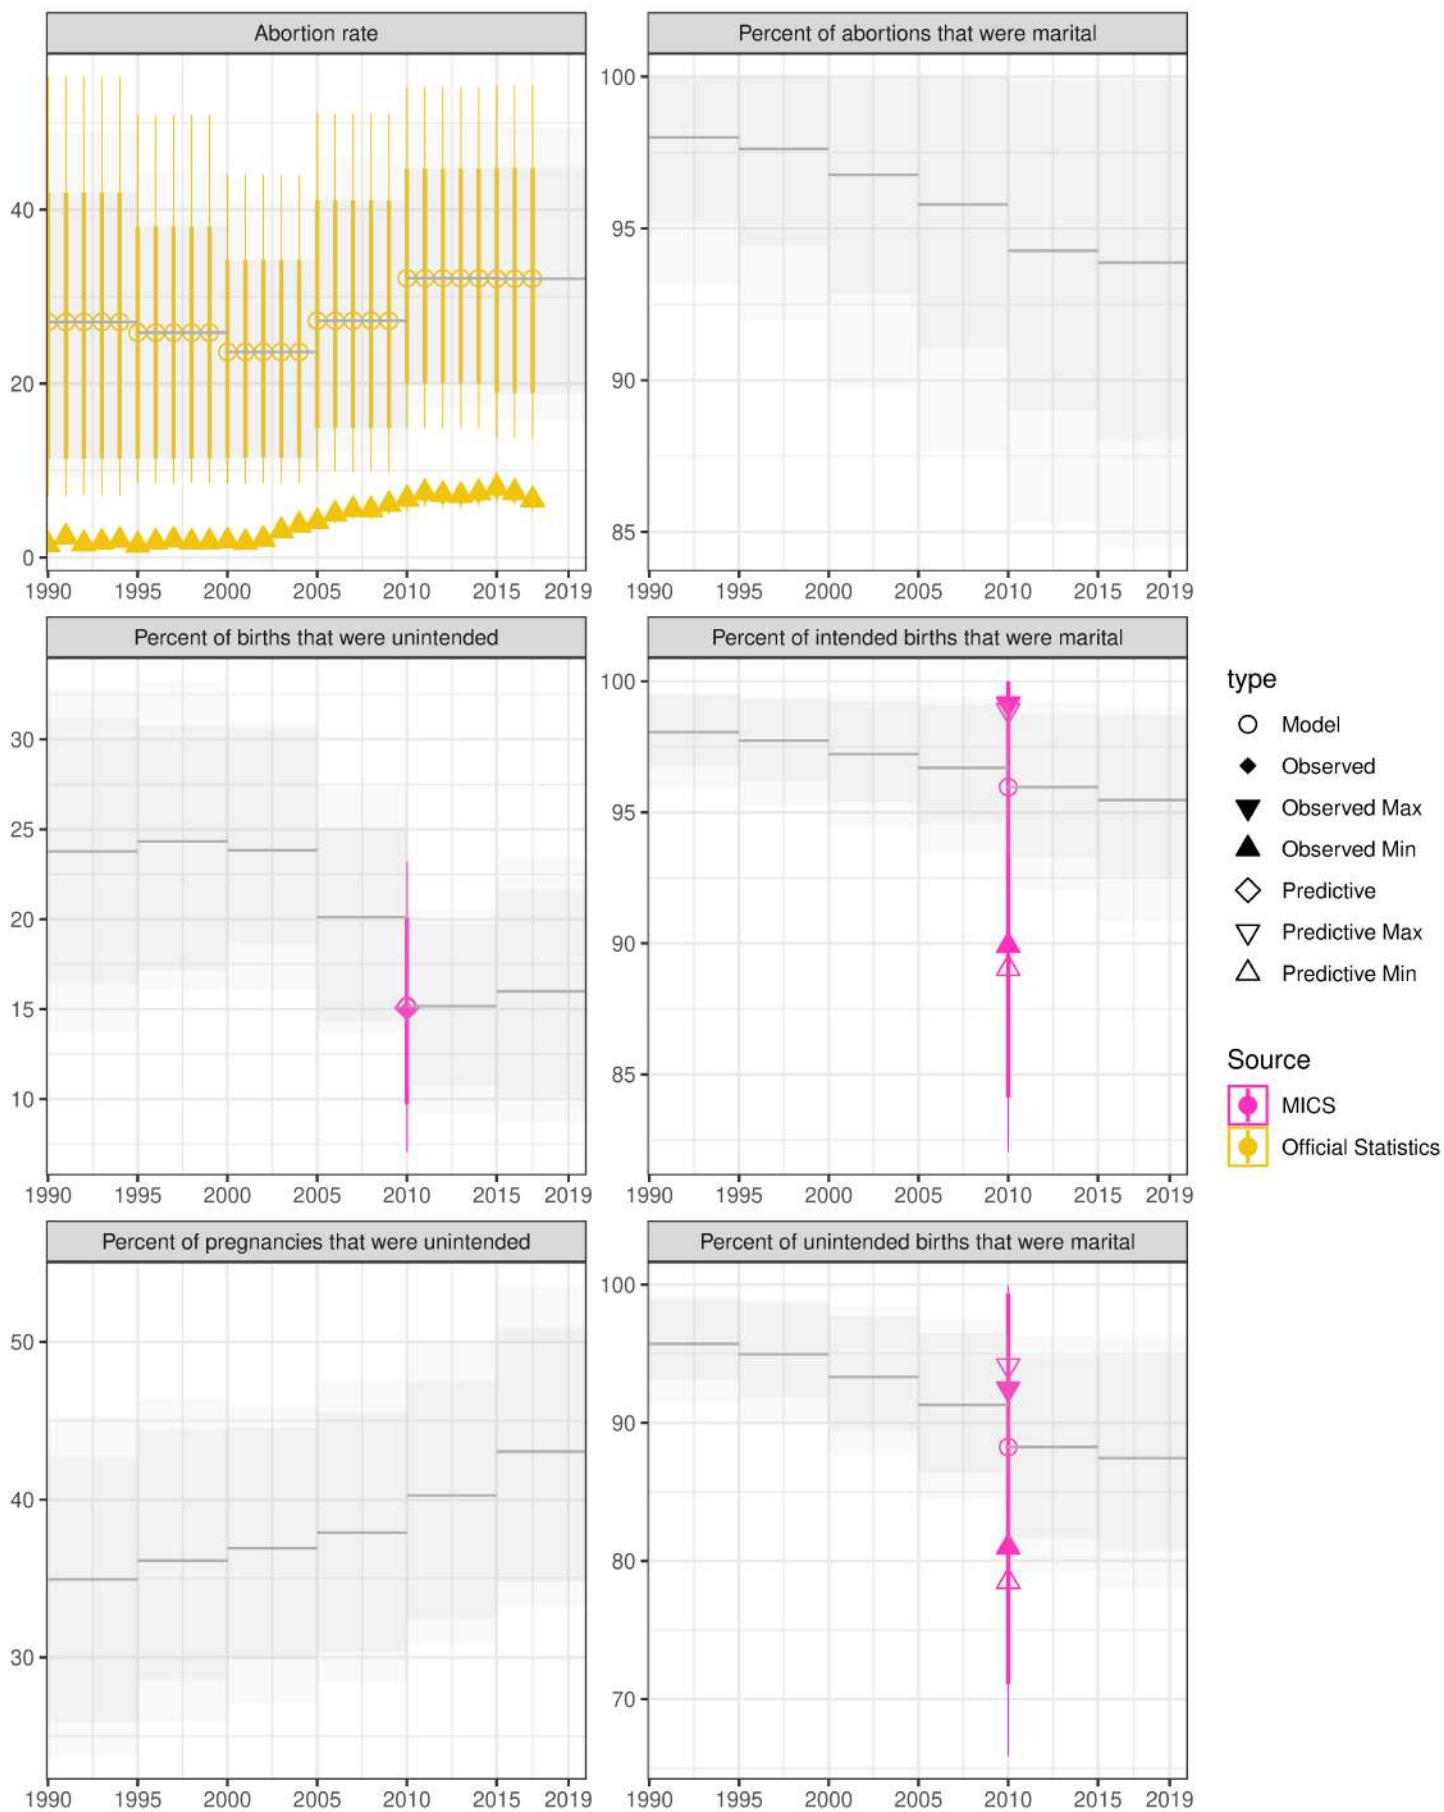

3.2 Southern Asia

Bangladesh

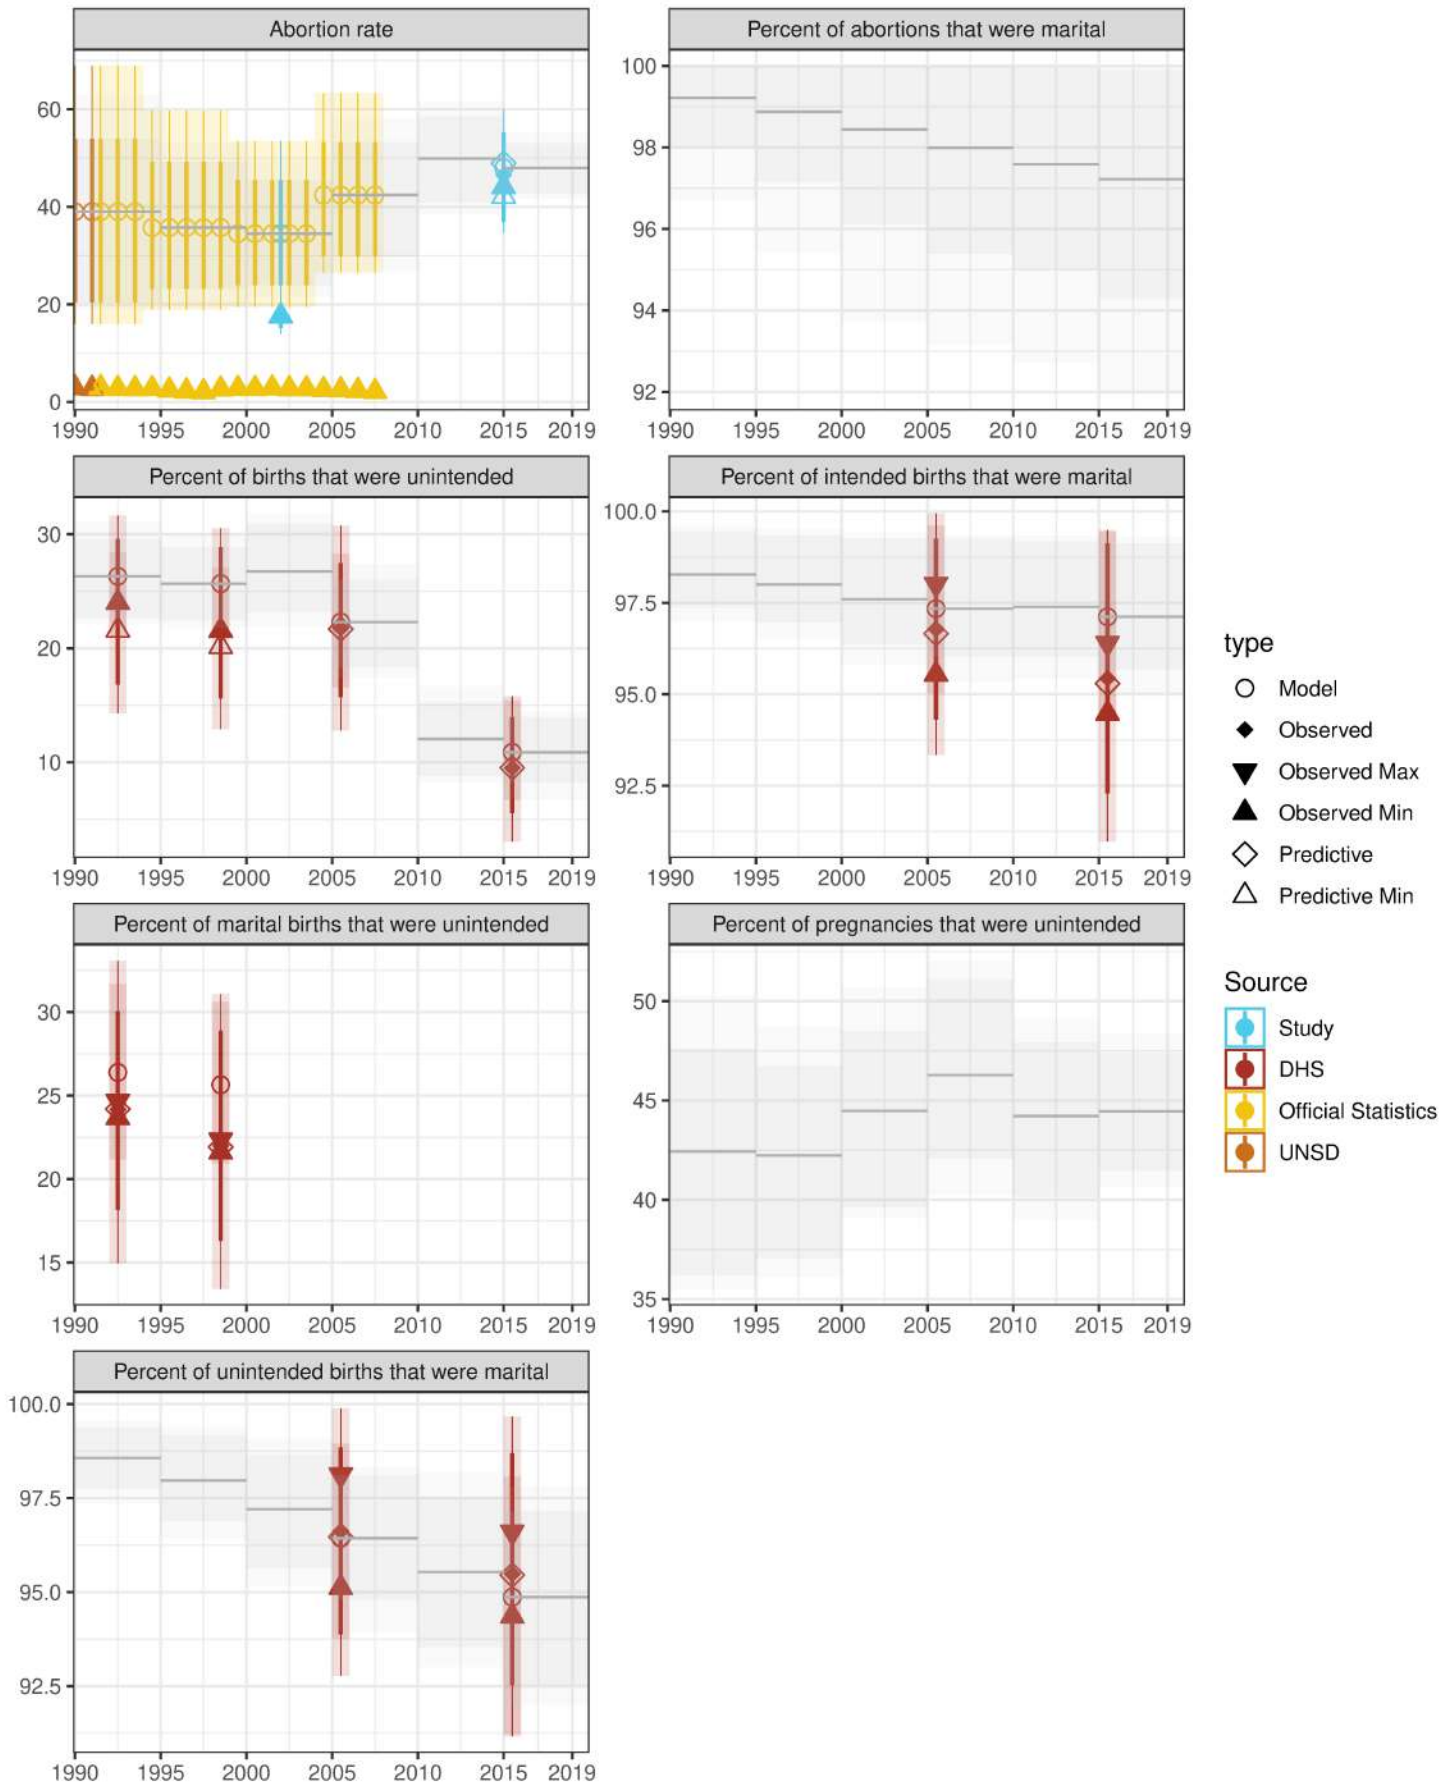

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

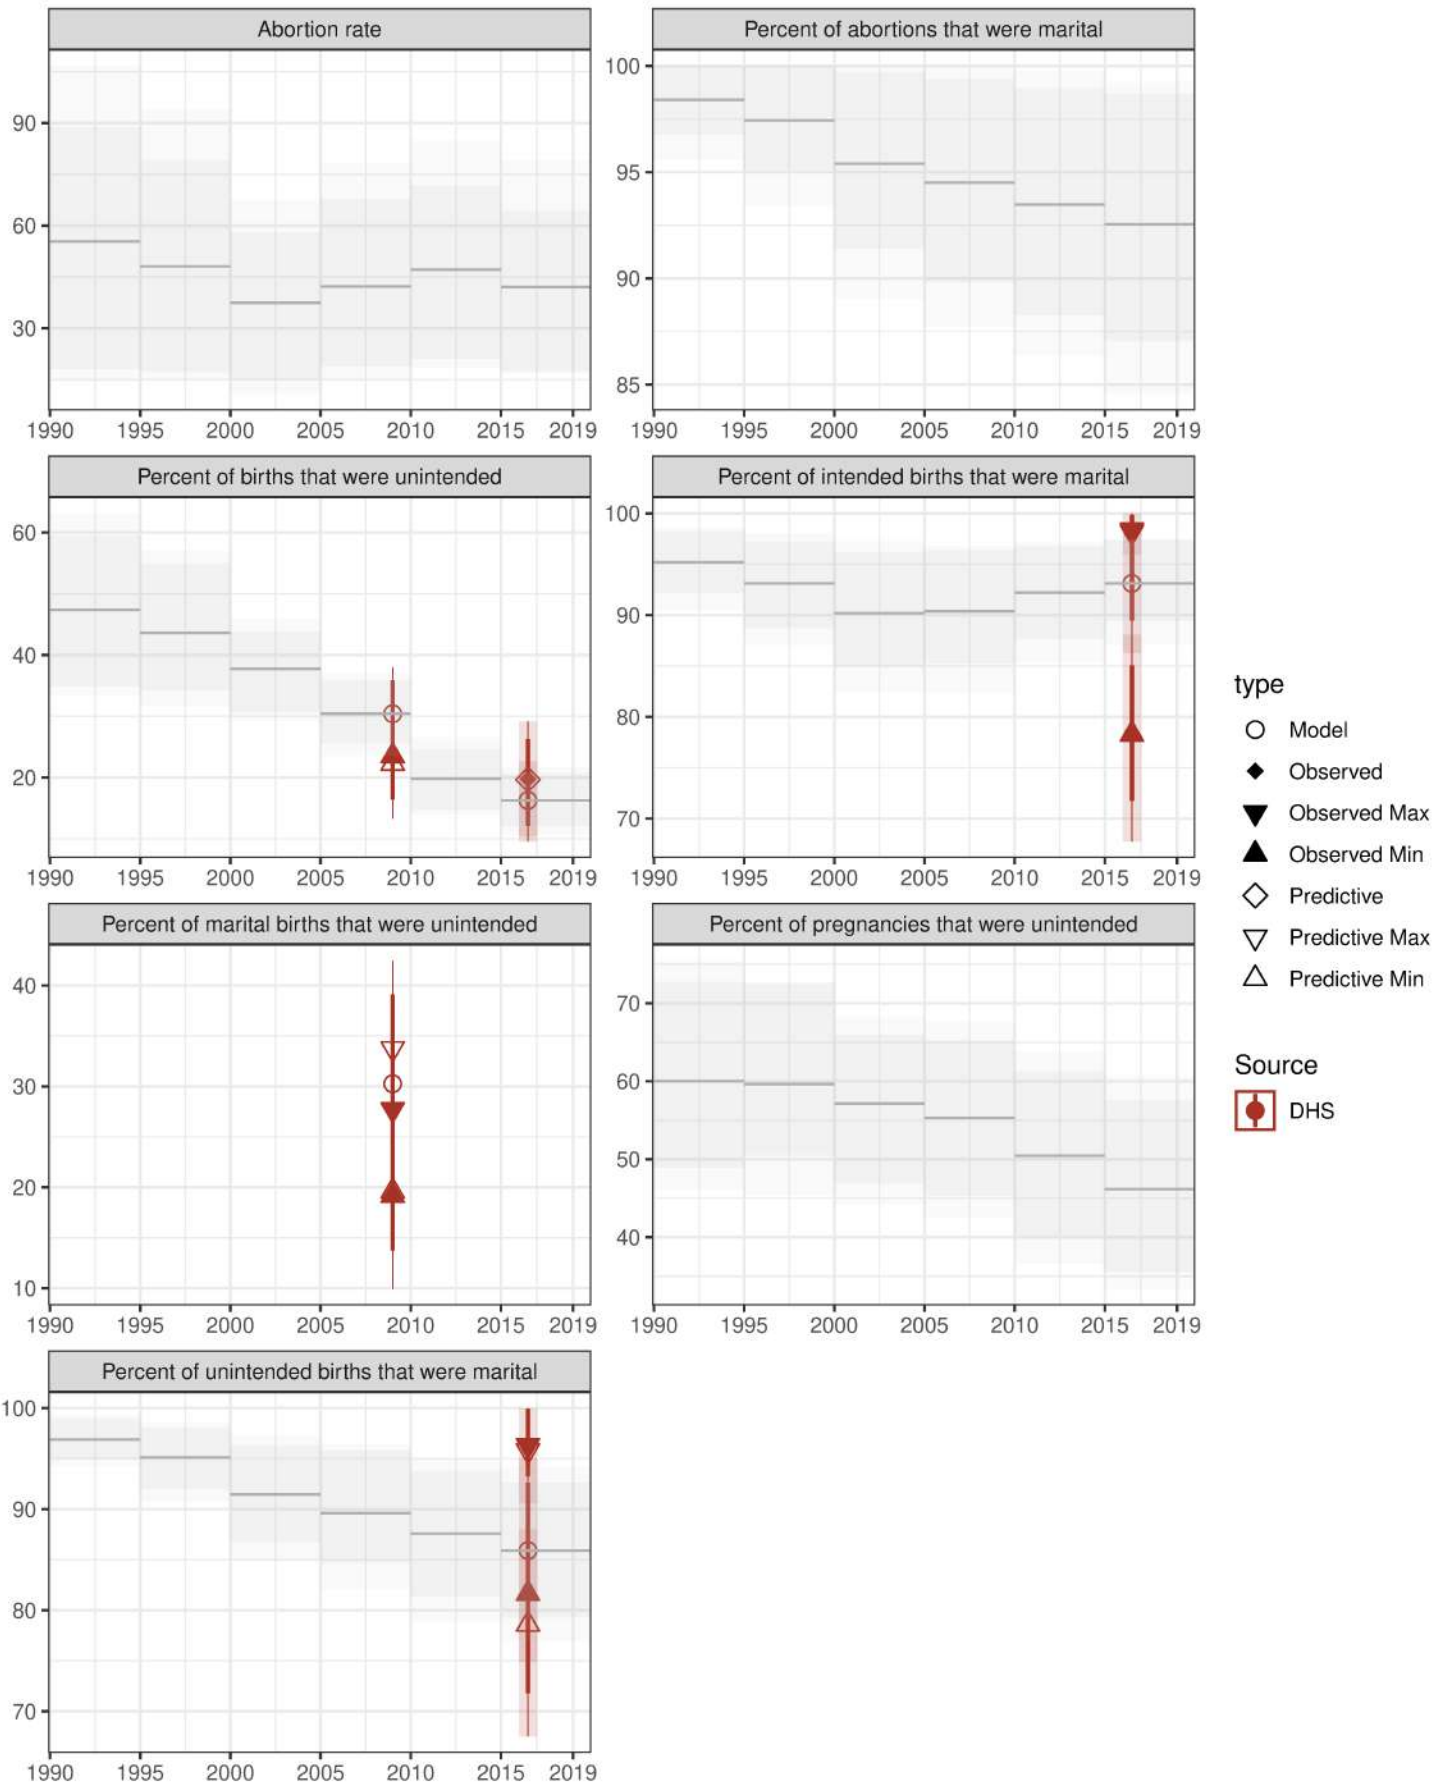

Bhutan

India

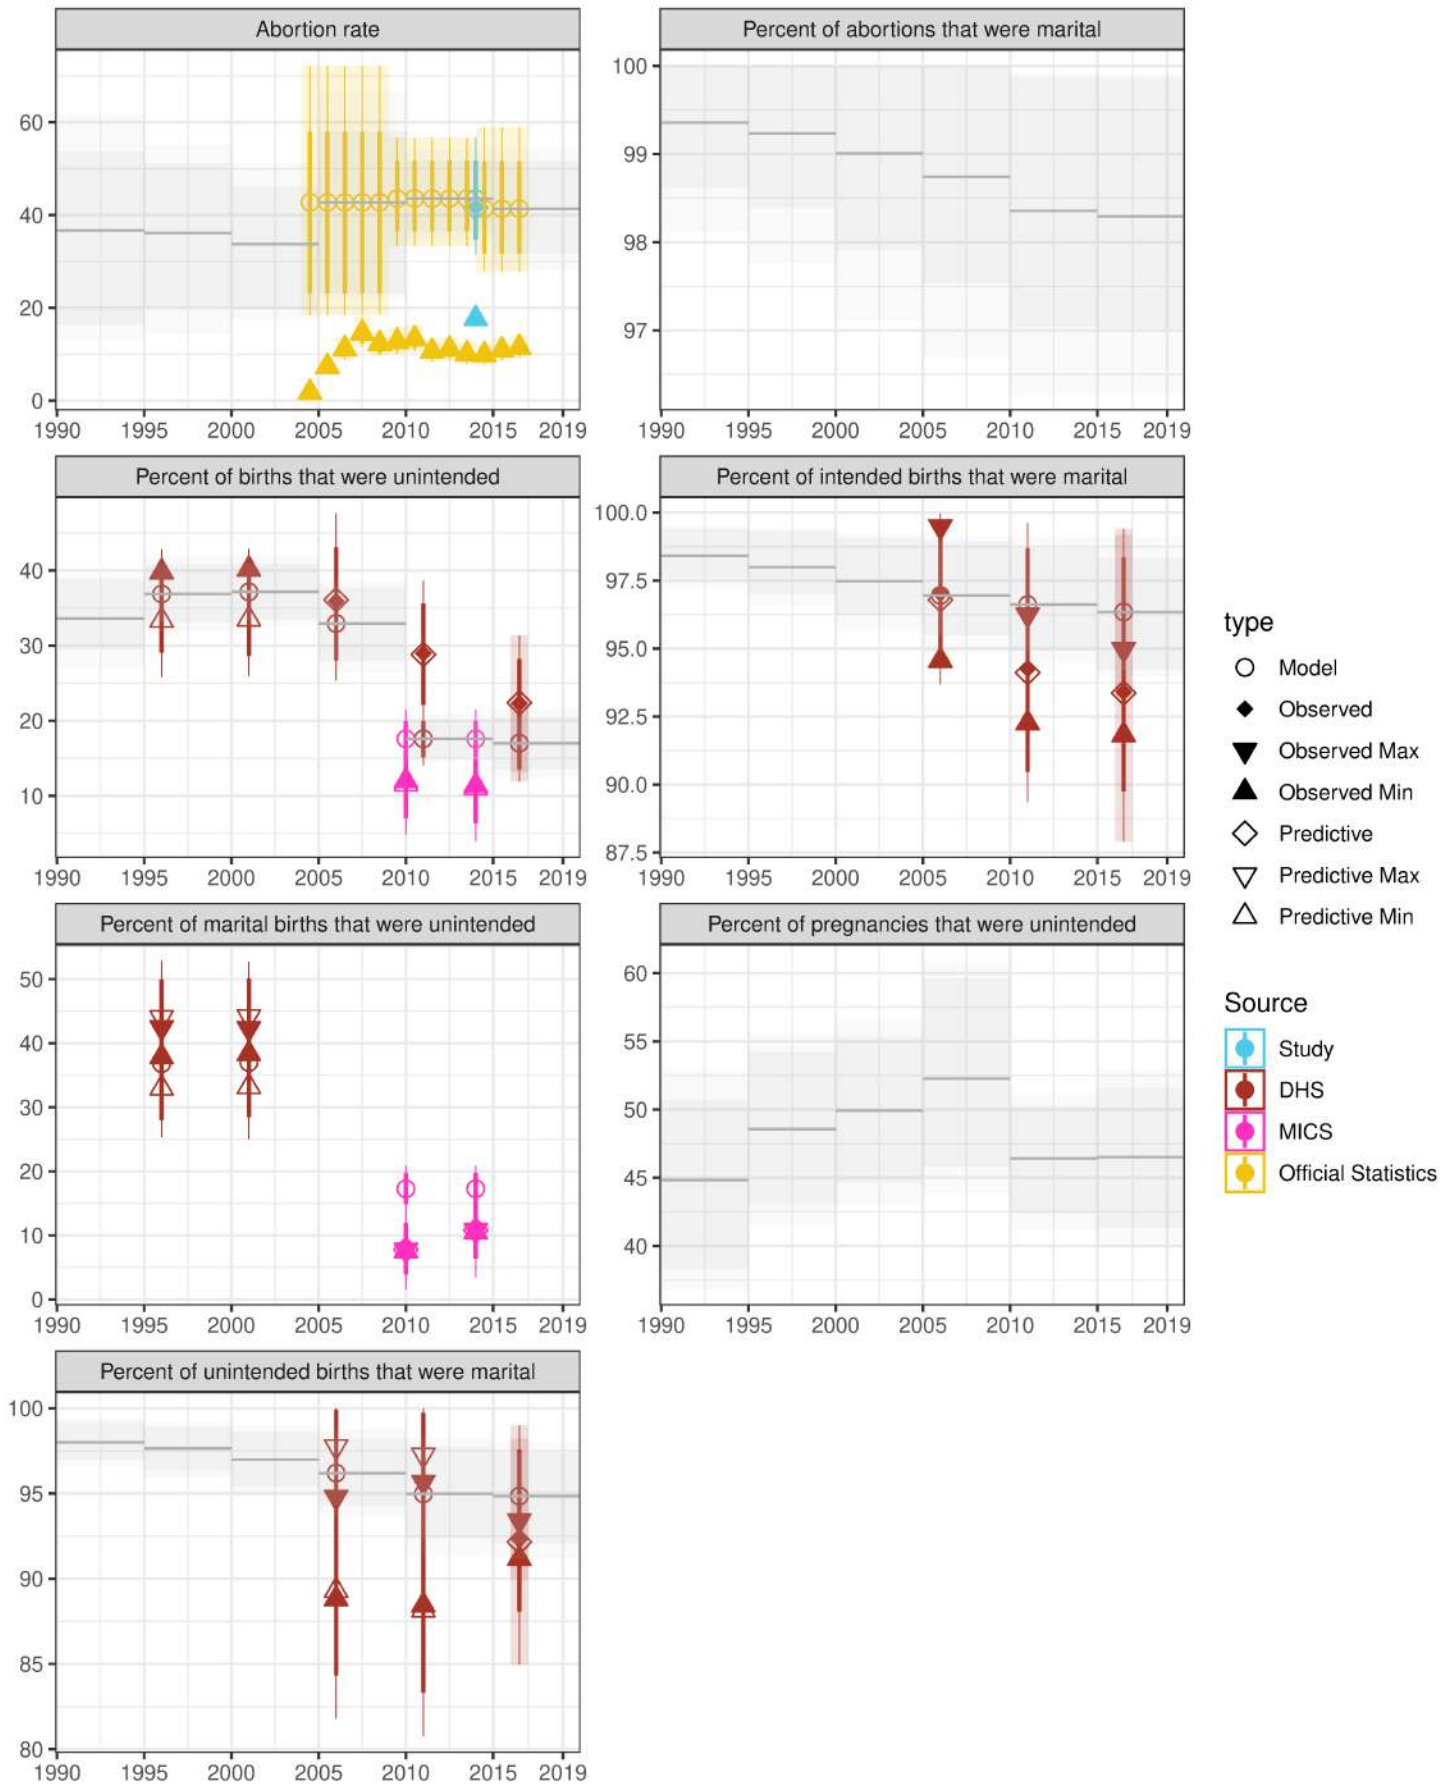

Maldives

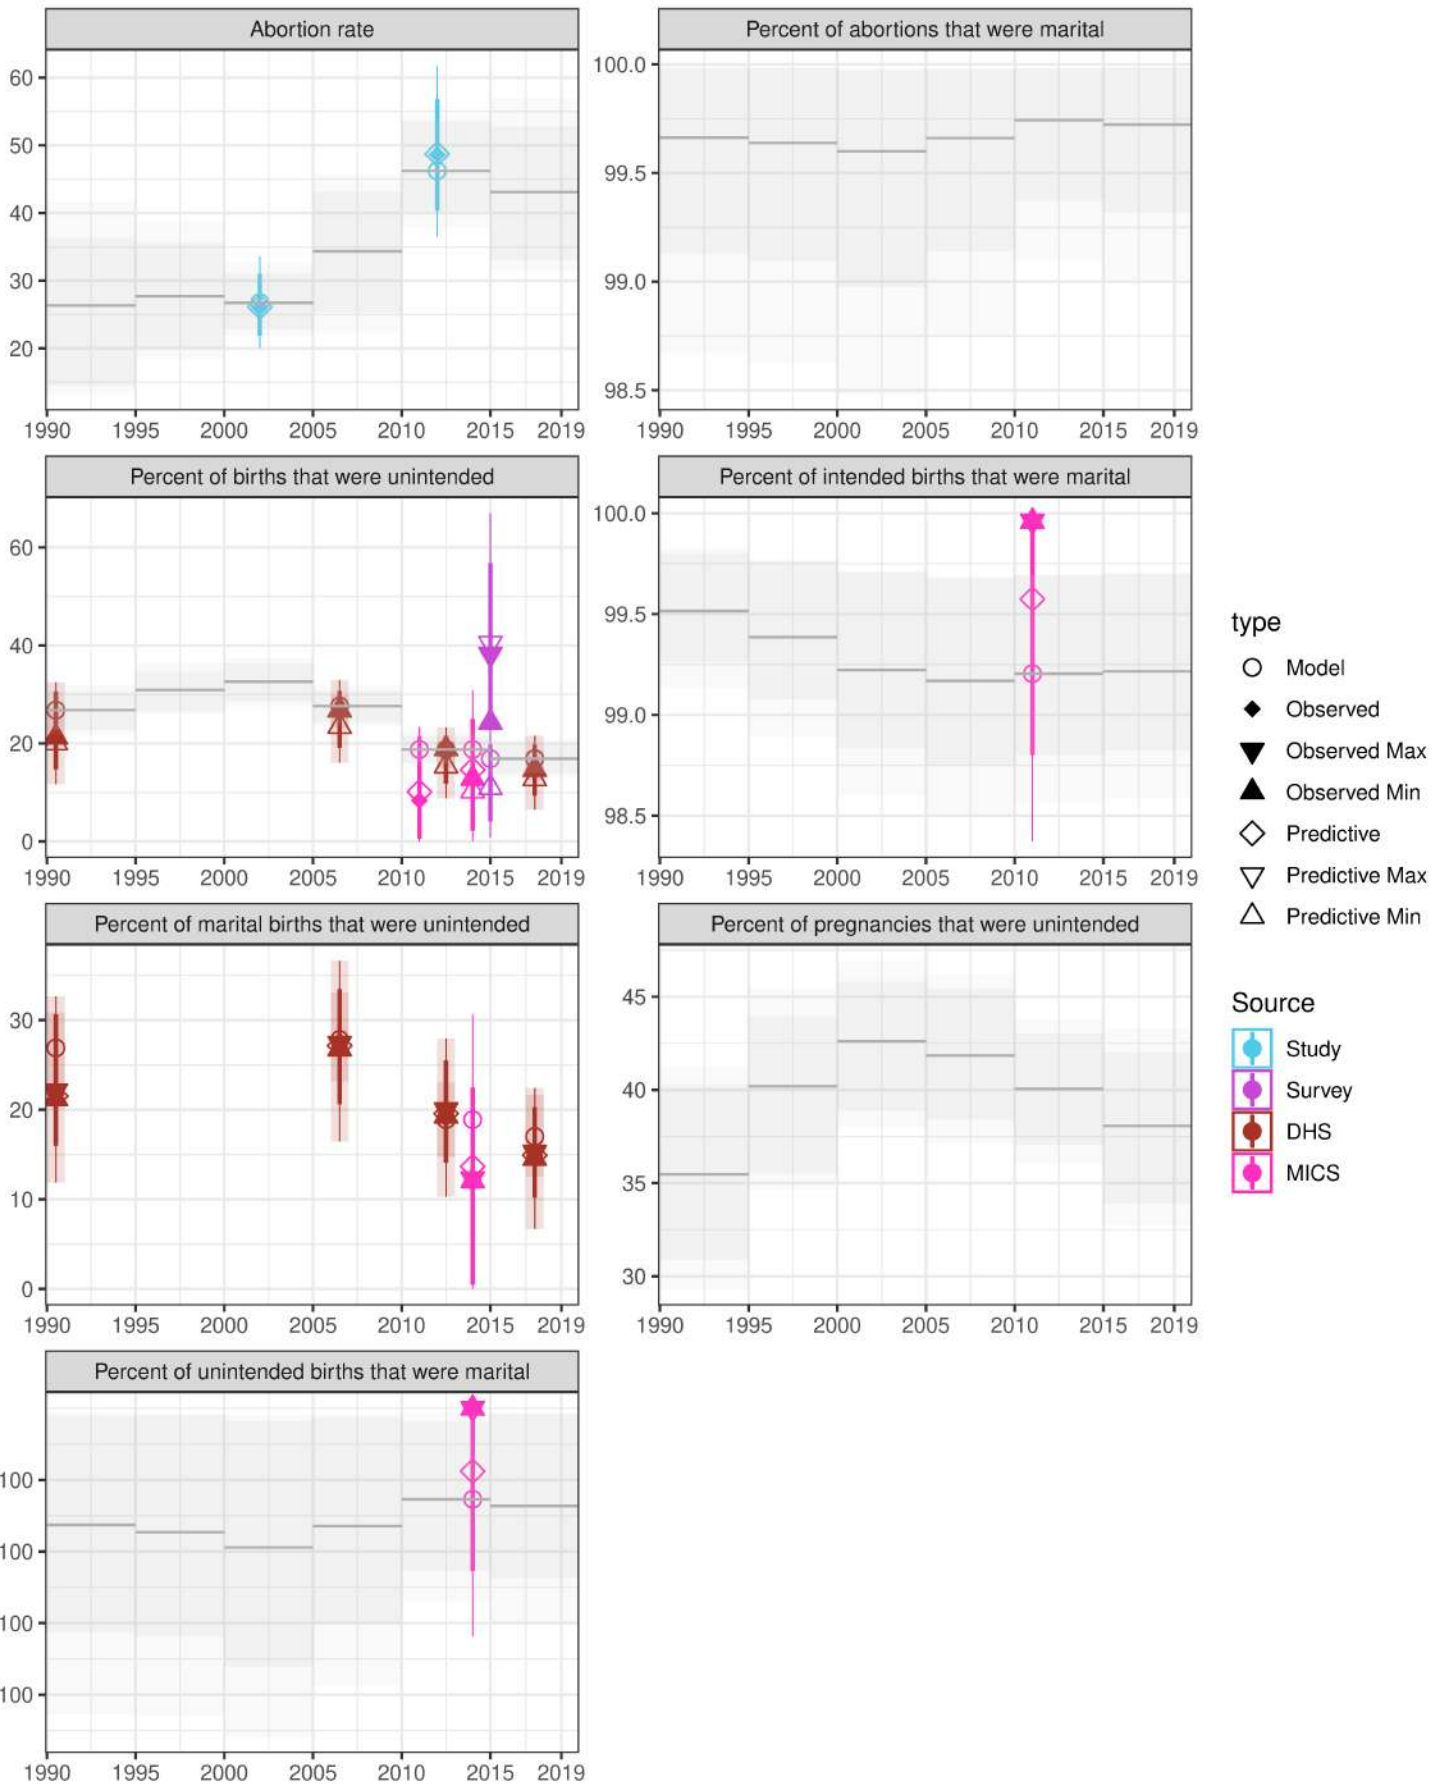

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Nepal

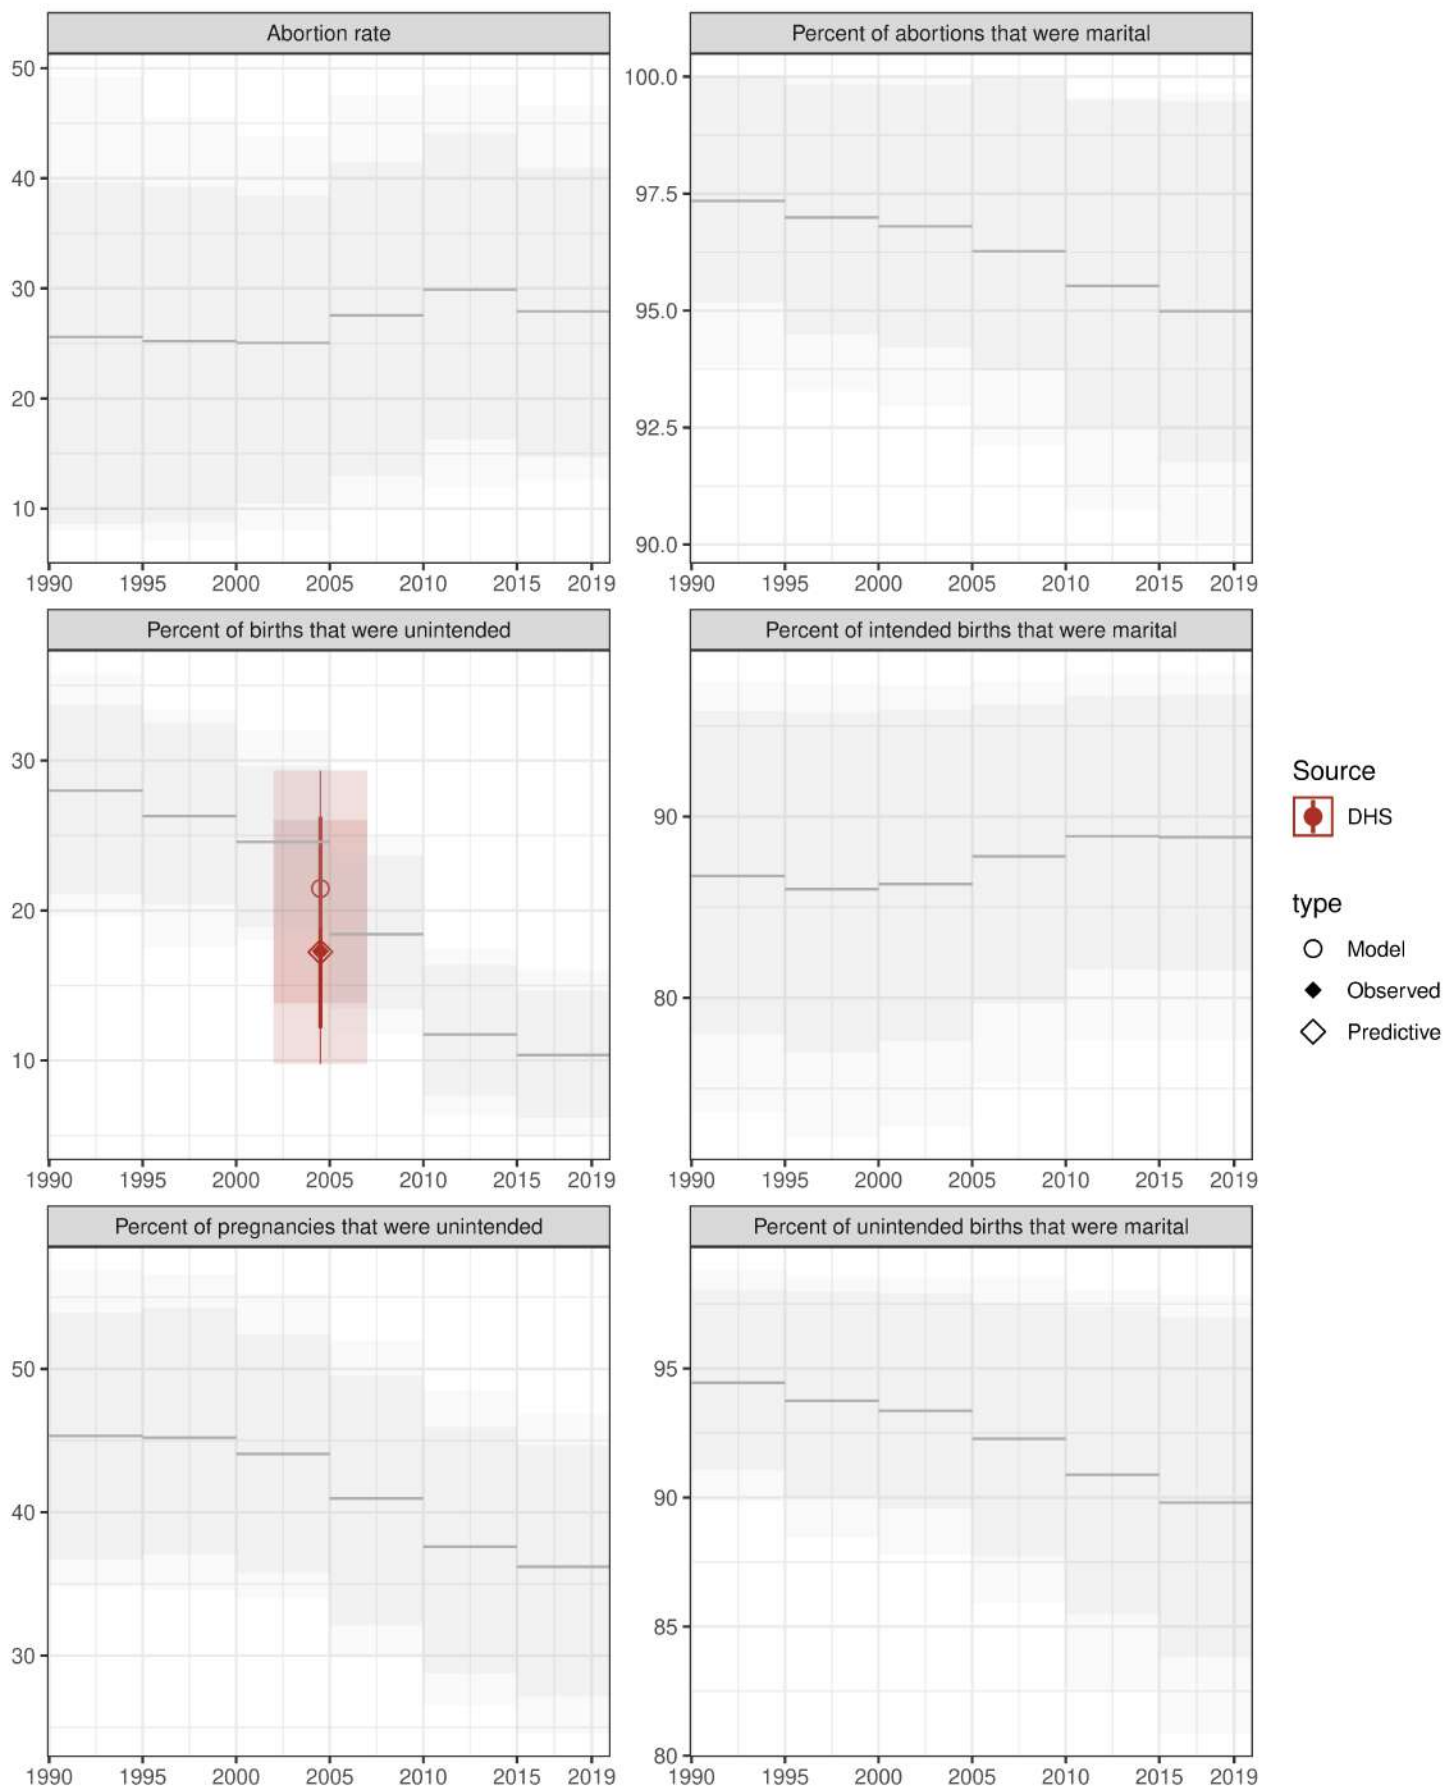

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Pakistan

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Sri Lanka

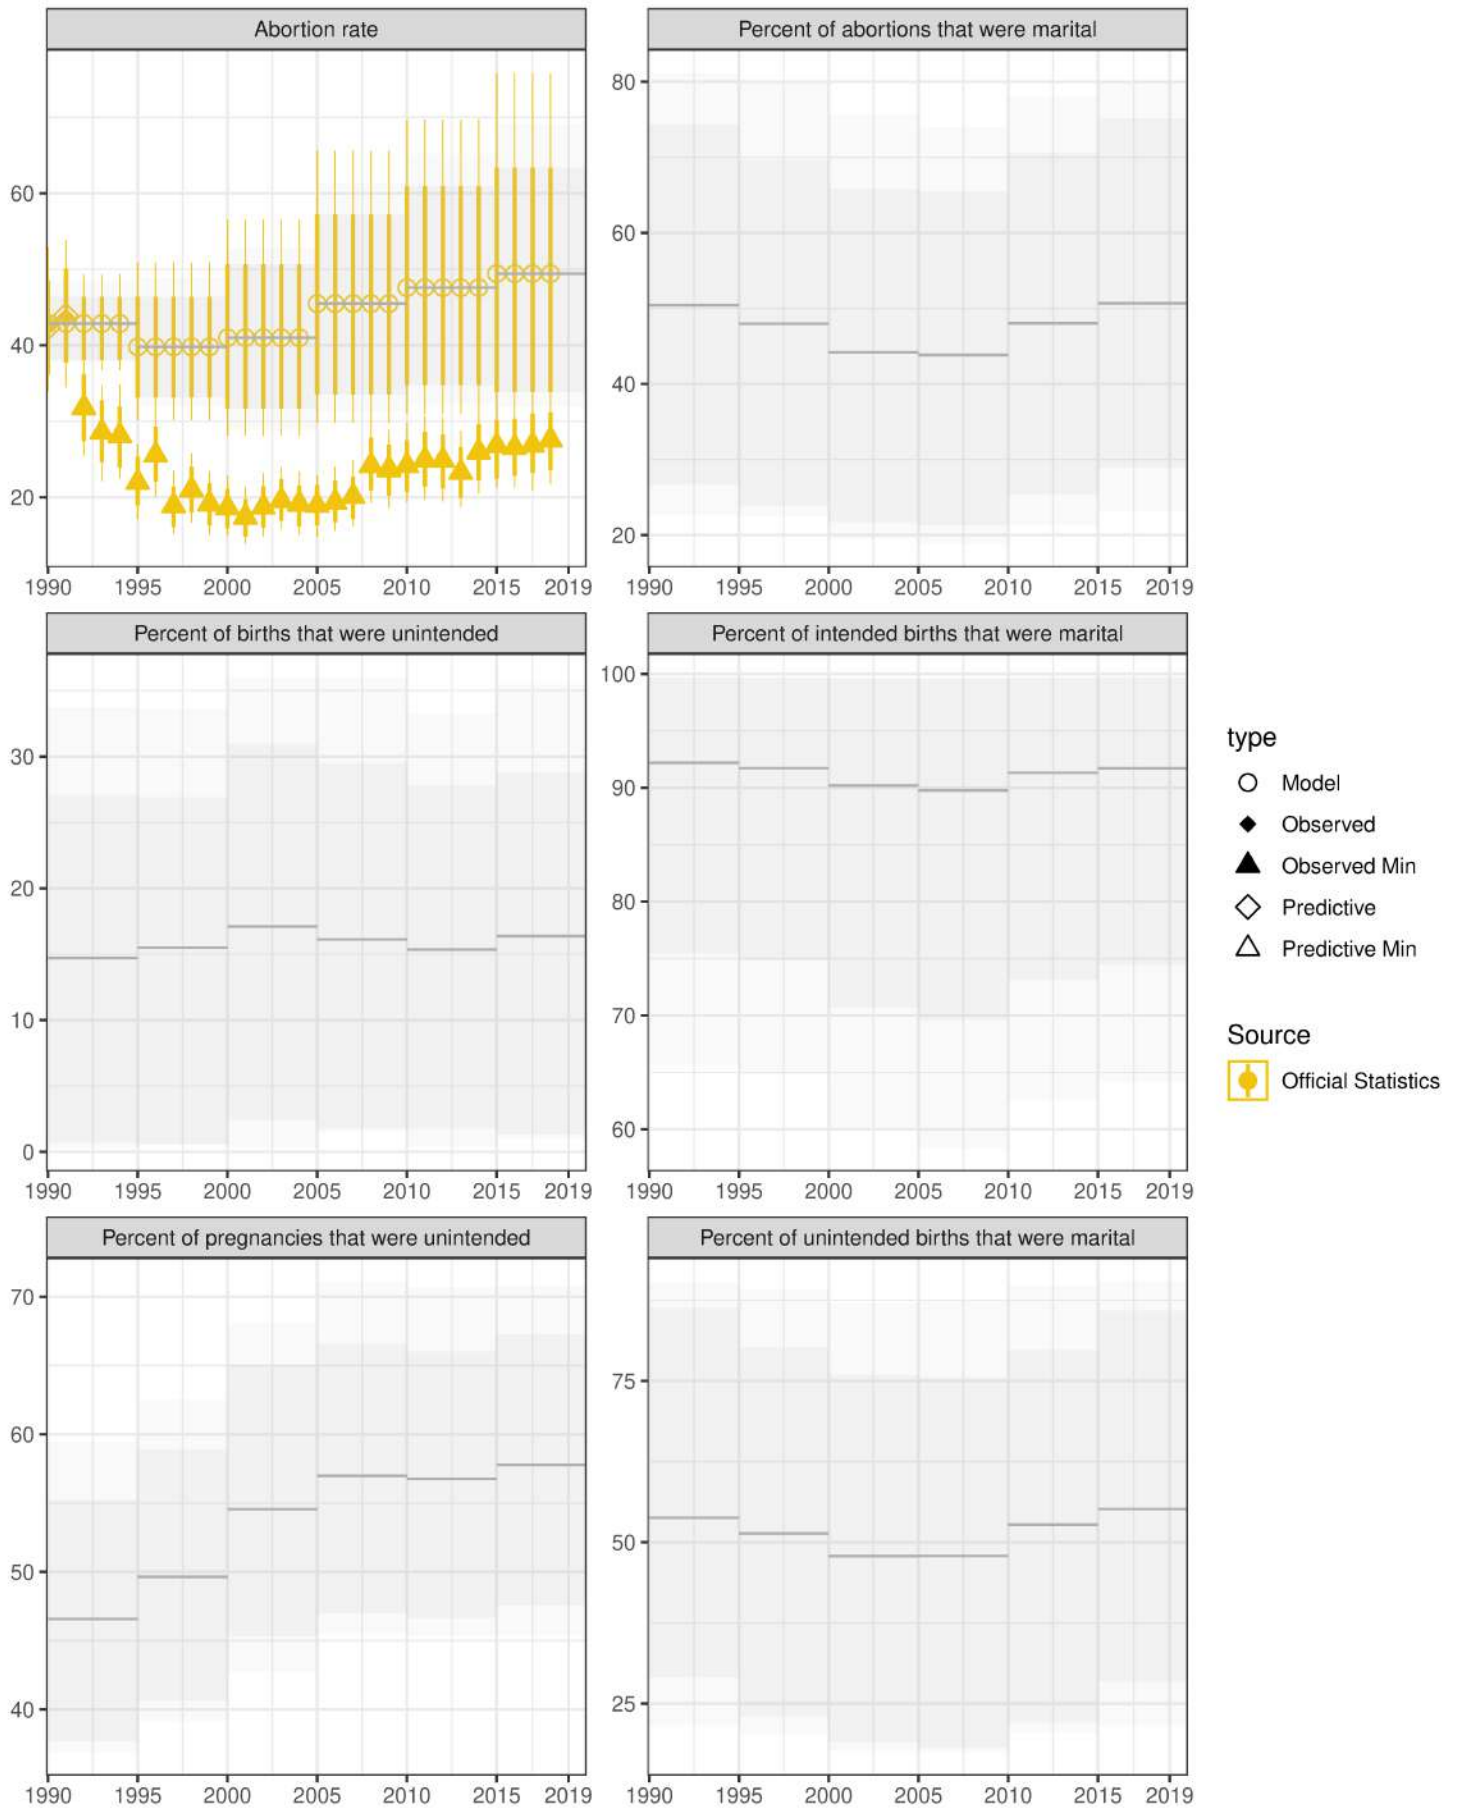

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

4 Eastern and Southeastern Asia

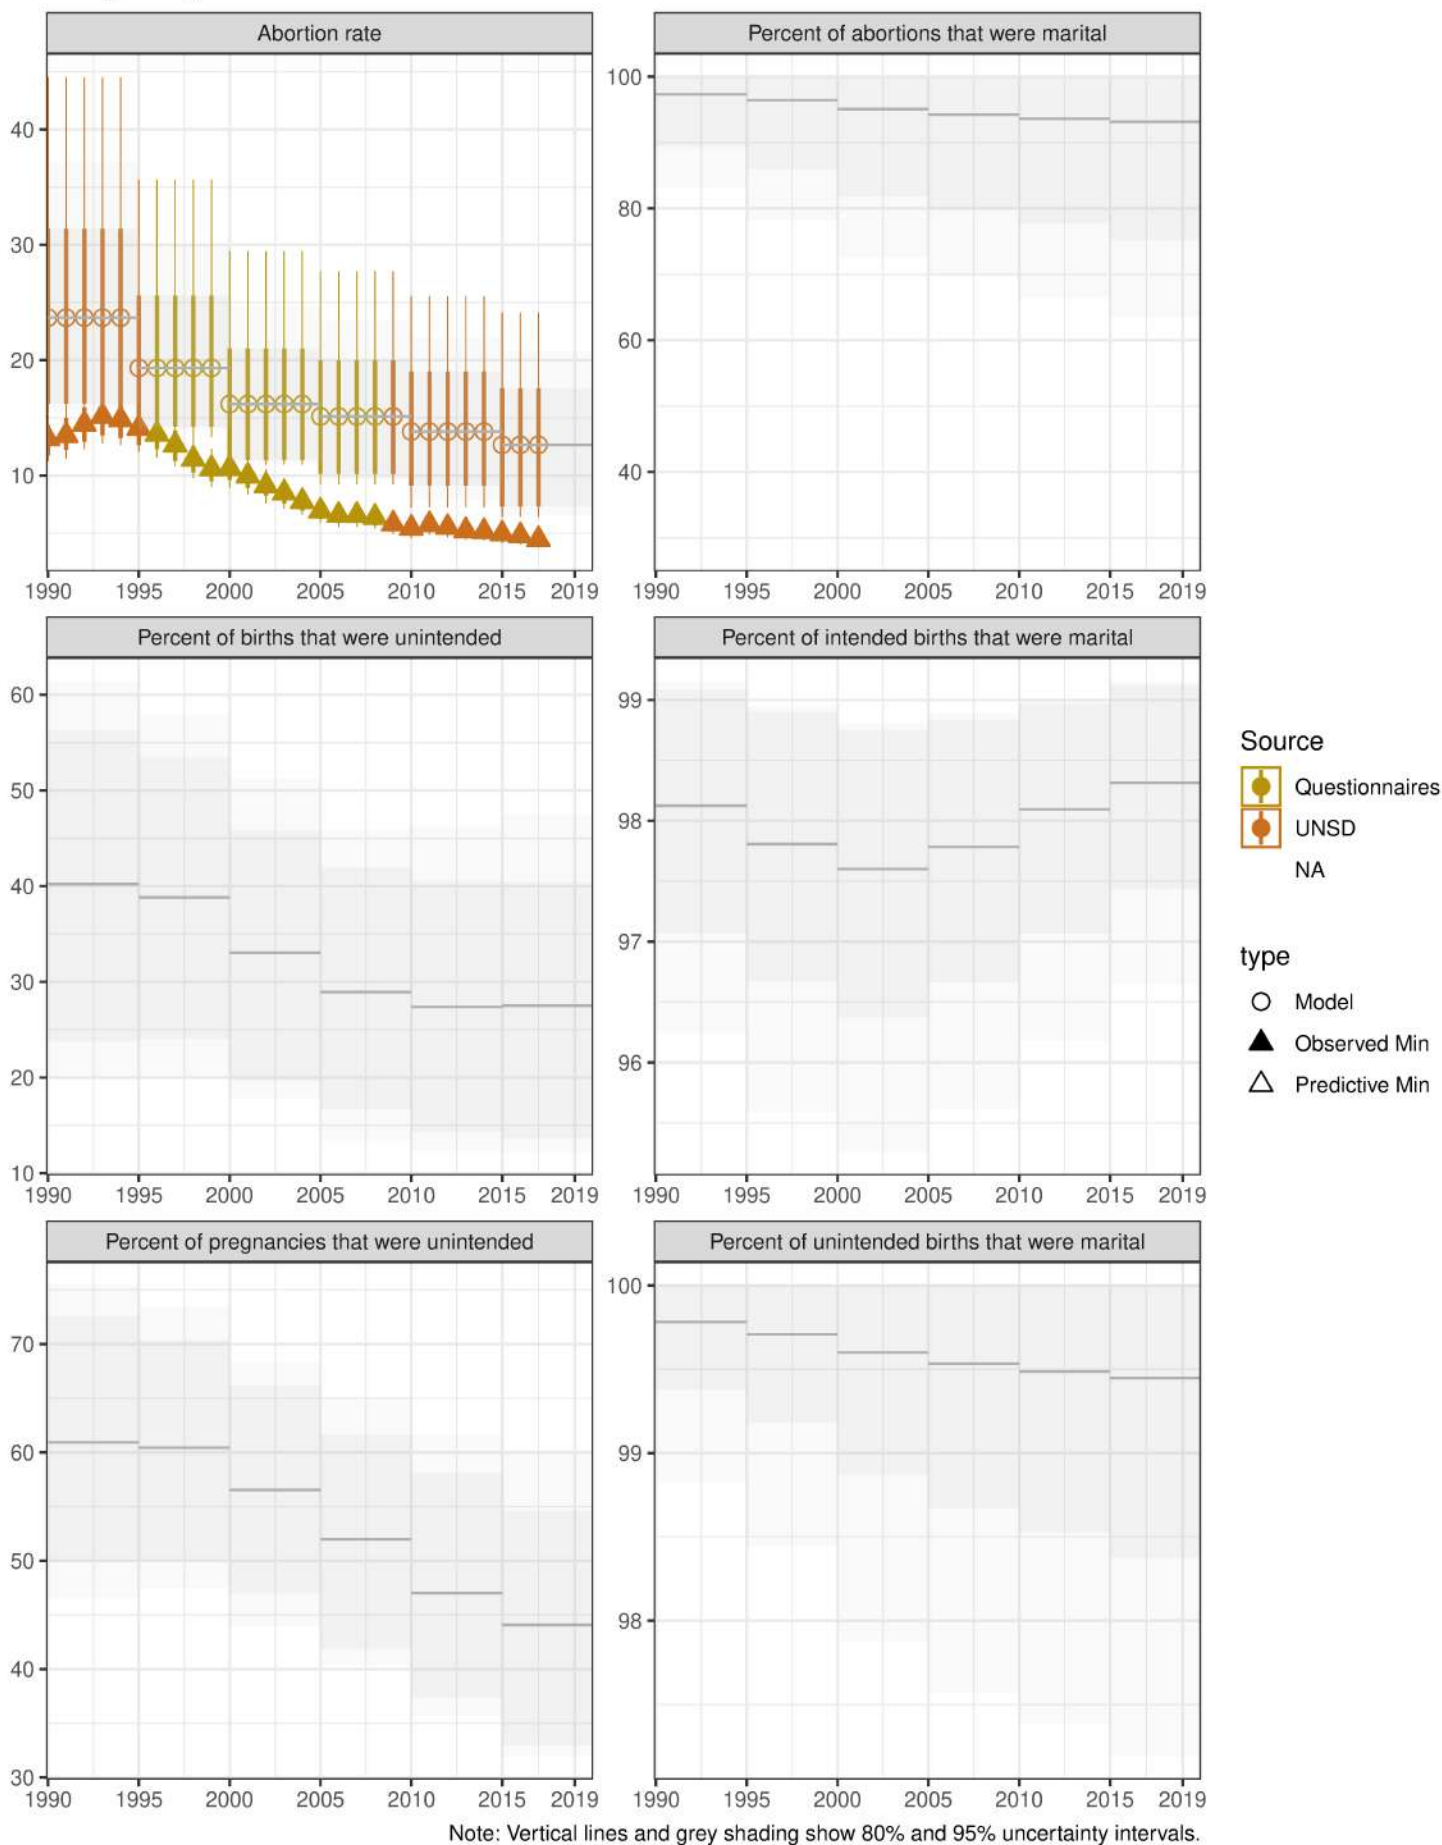

4.1 Eastern Asia

China

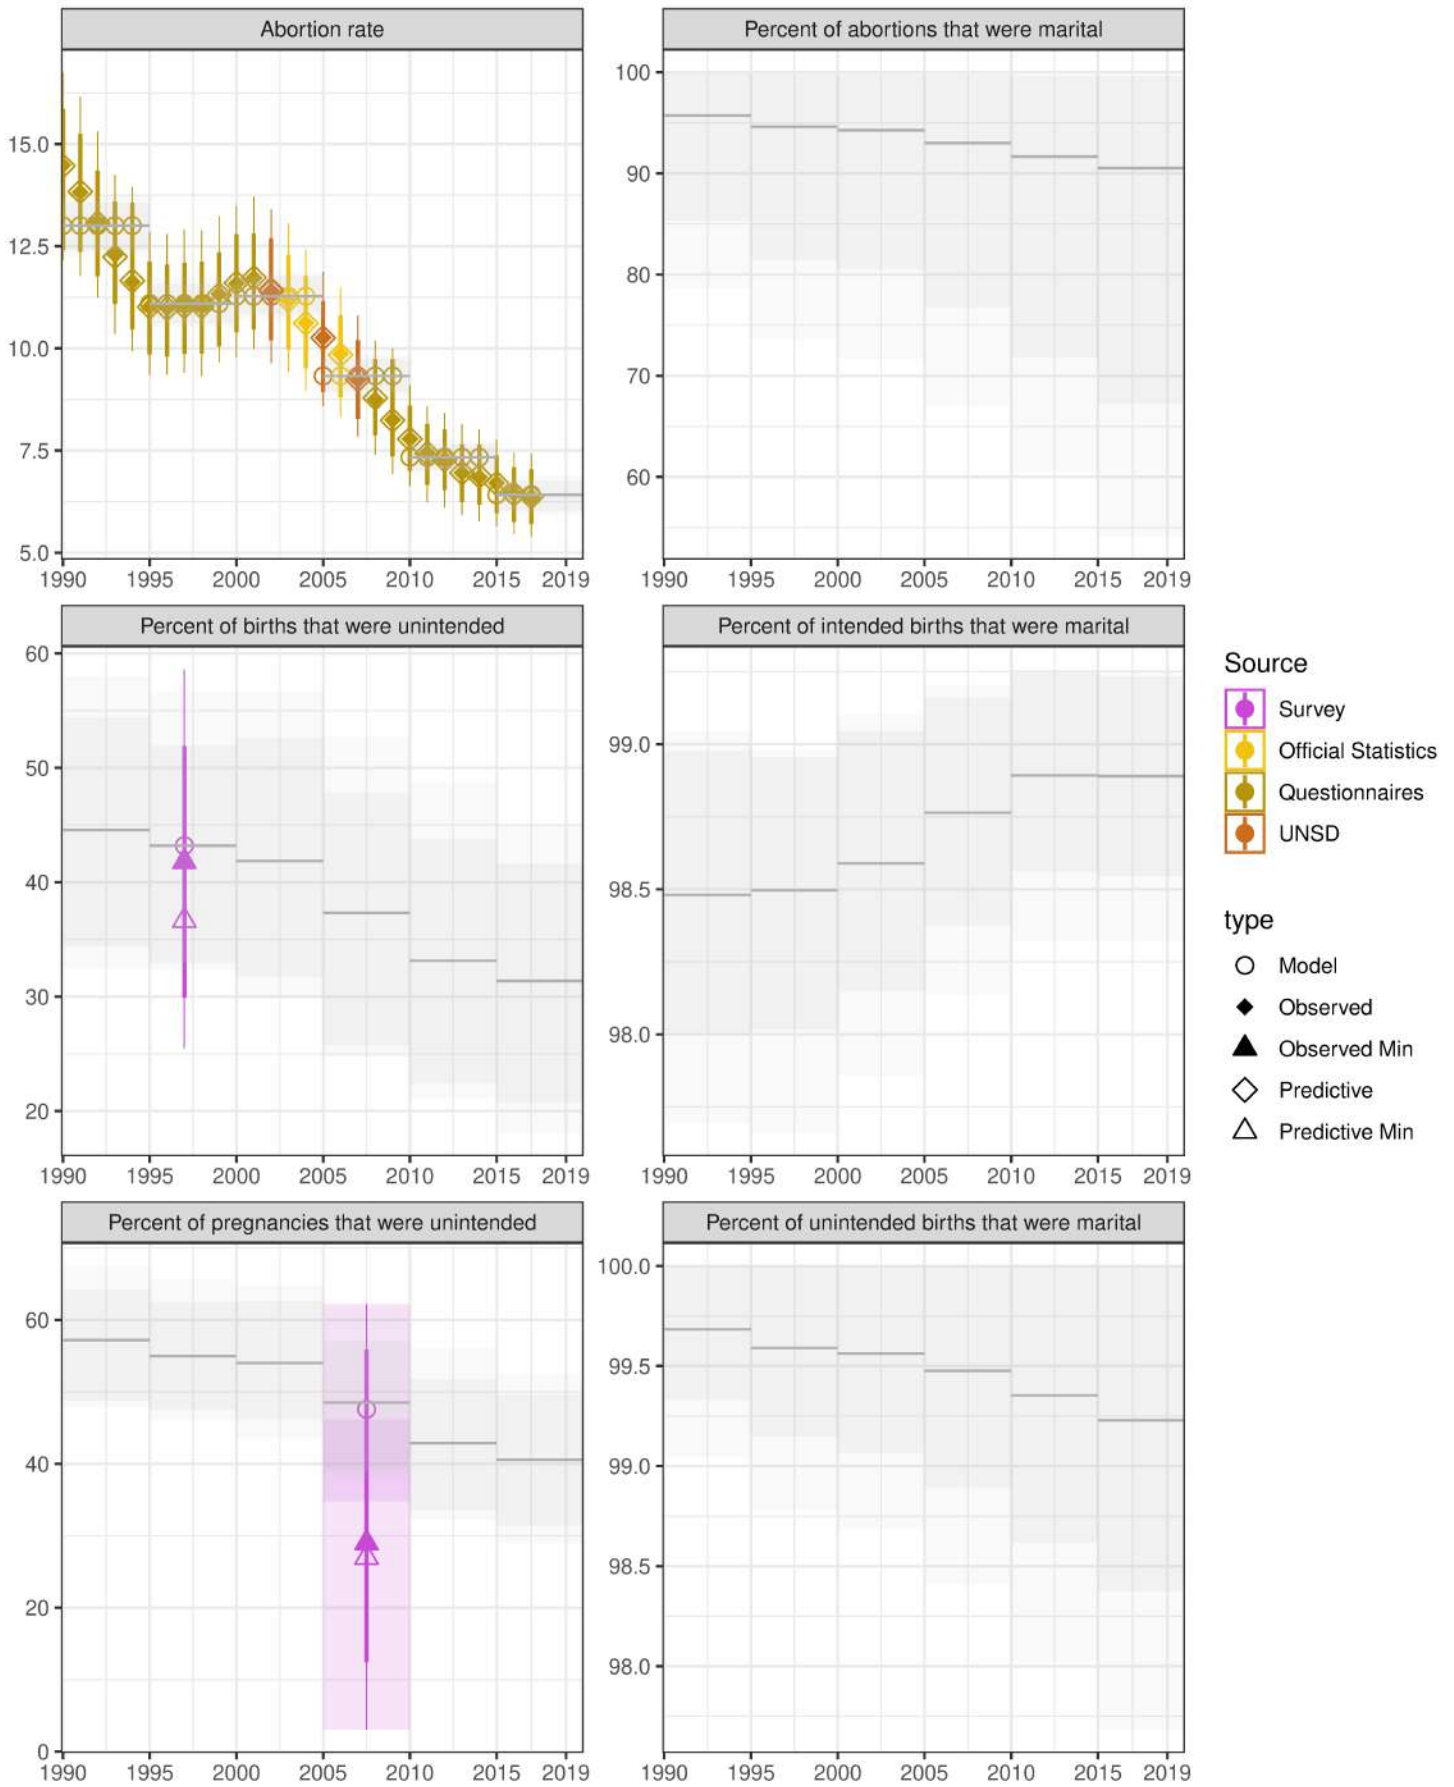

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Hong Kong

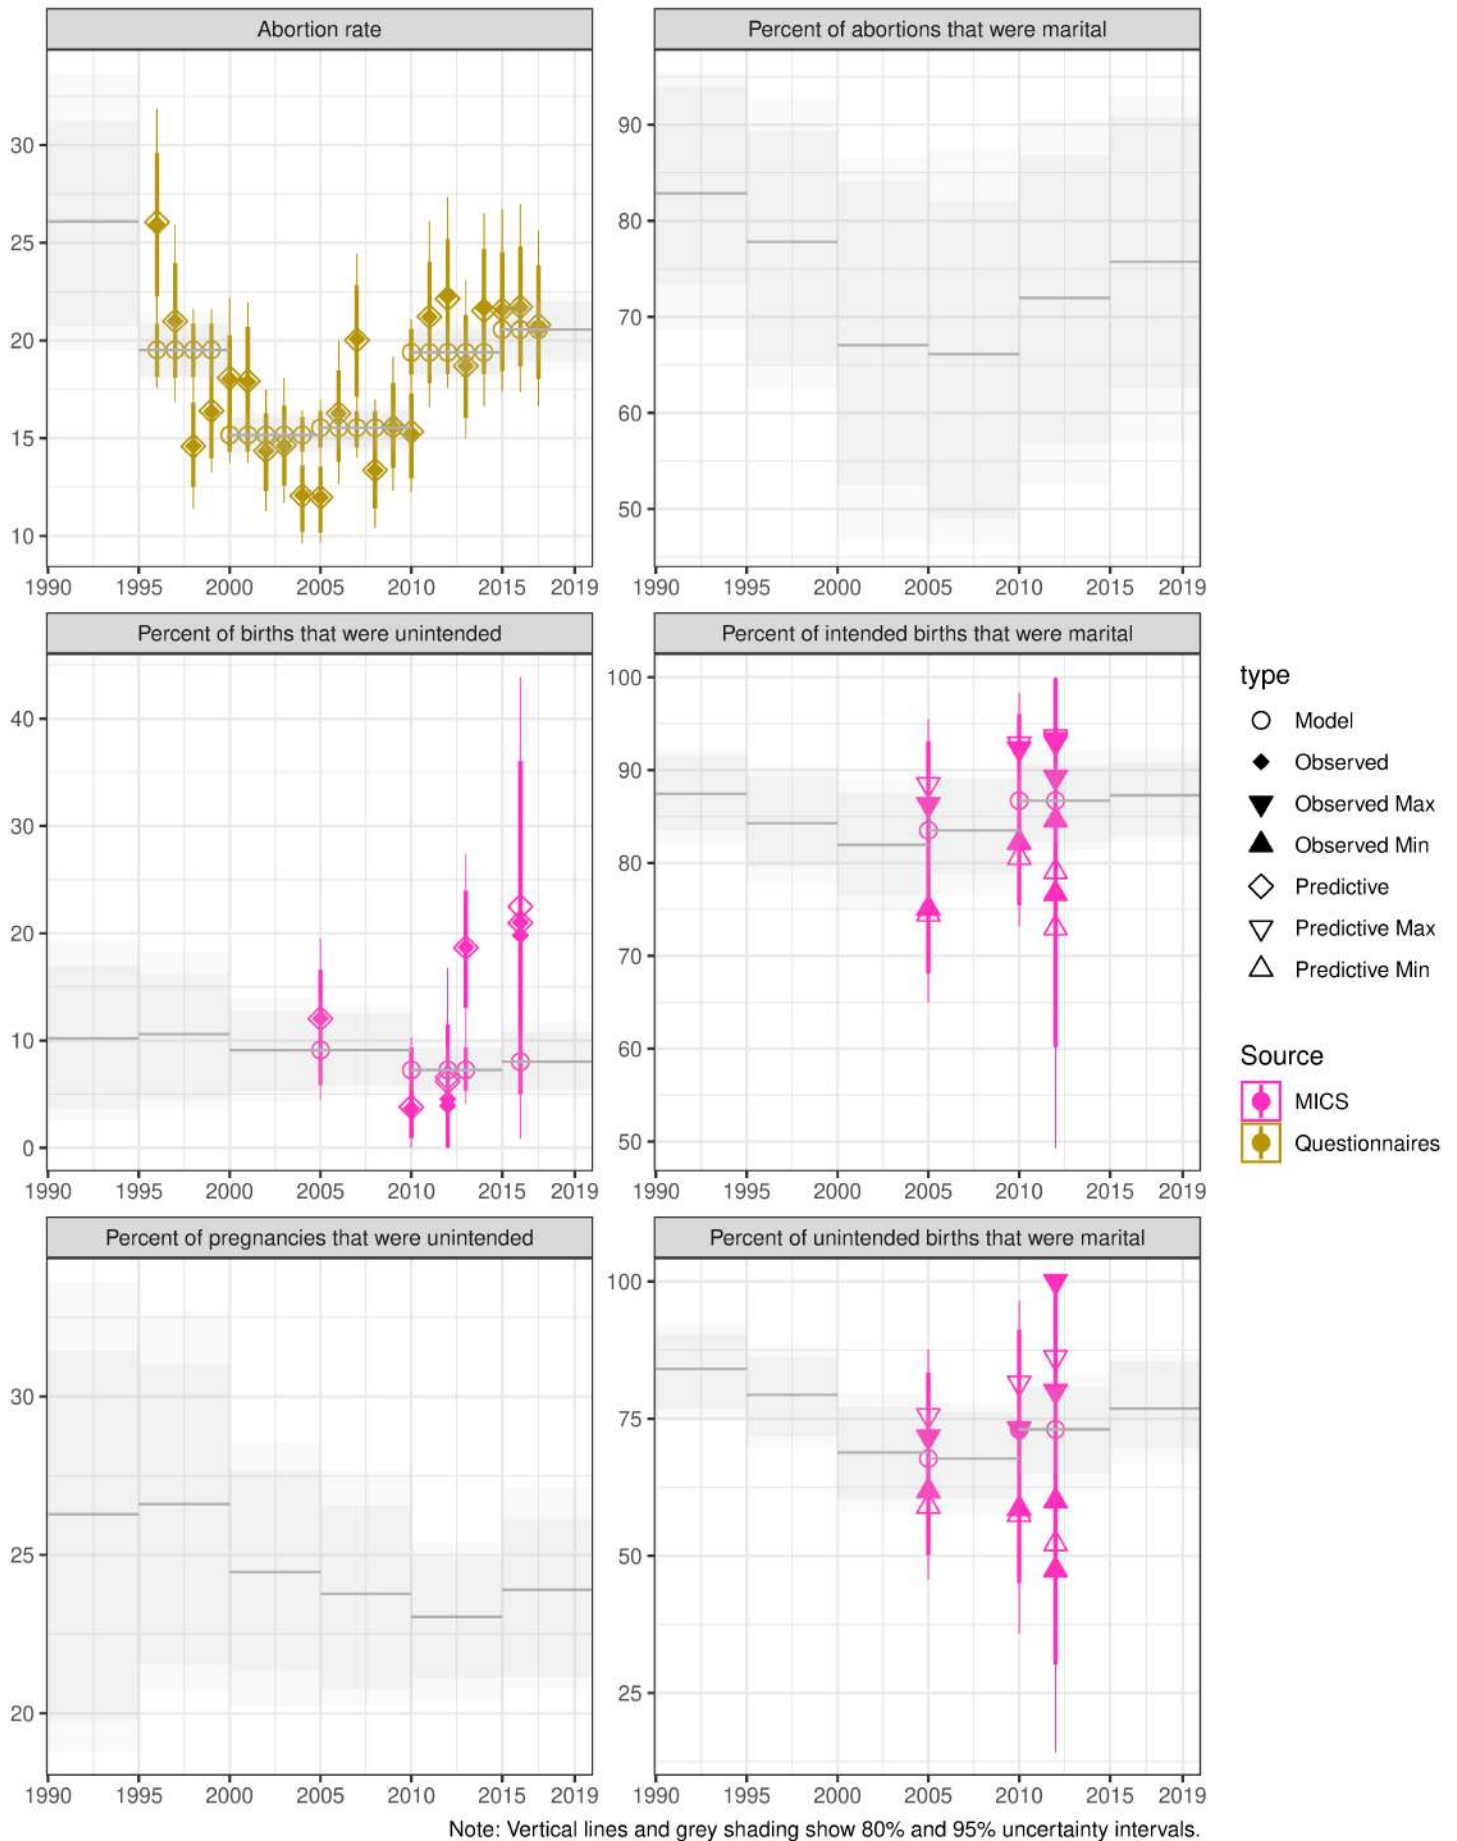

Japan

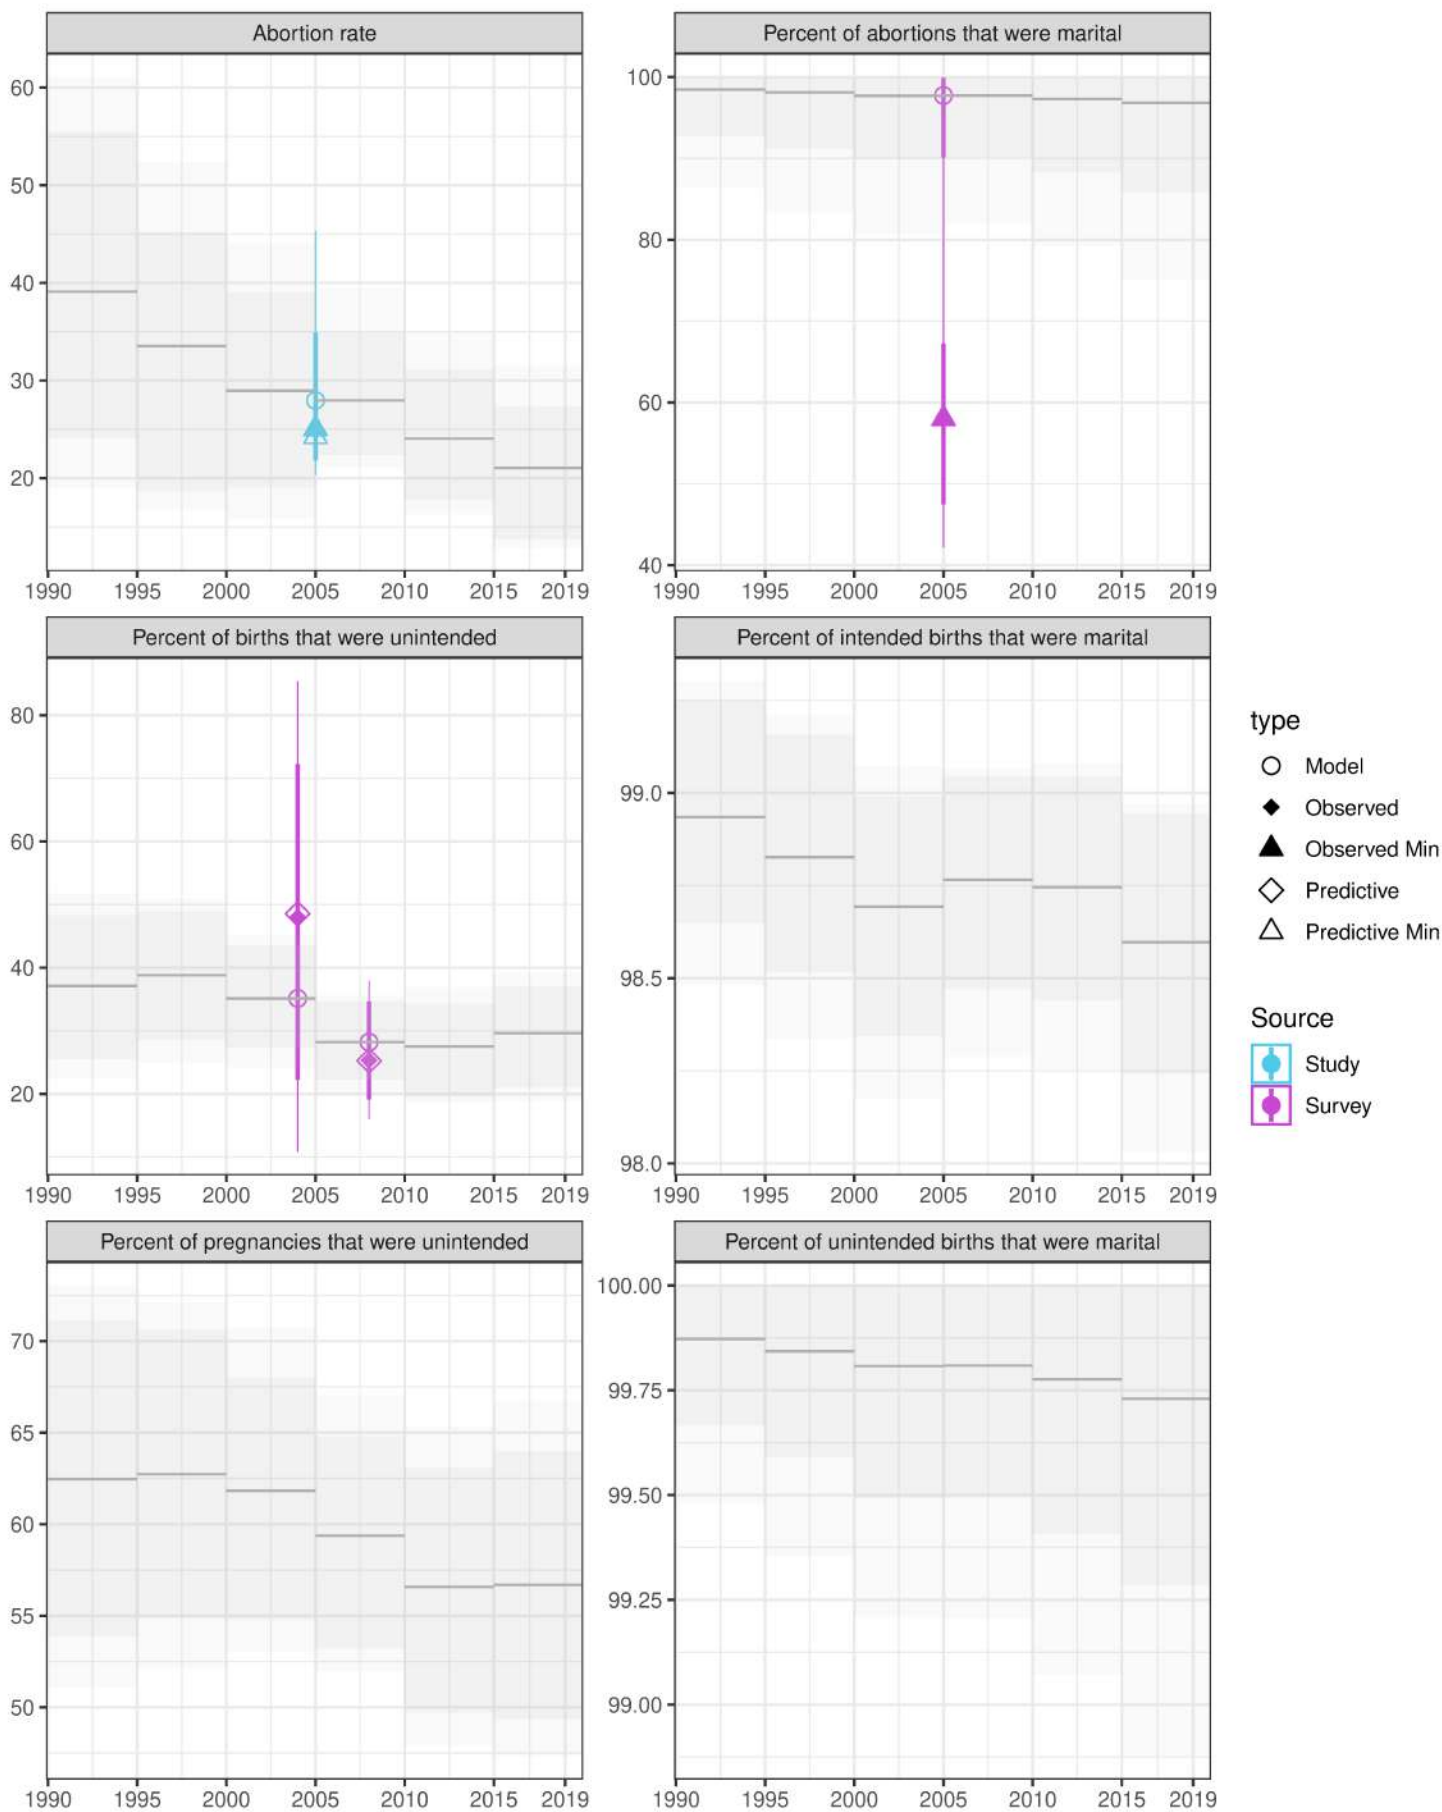

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Mongolia

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

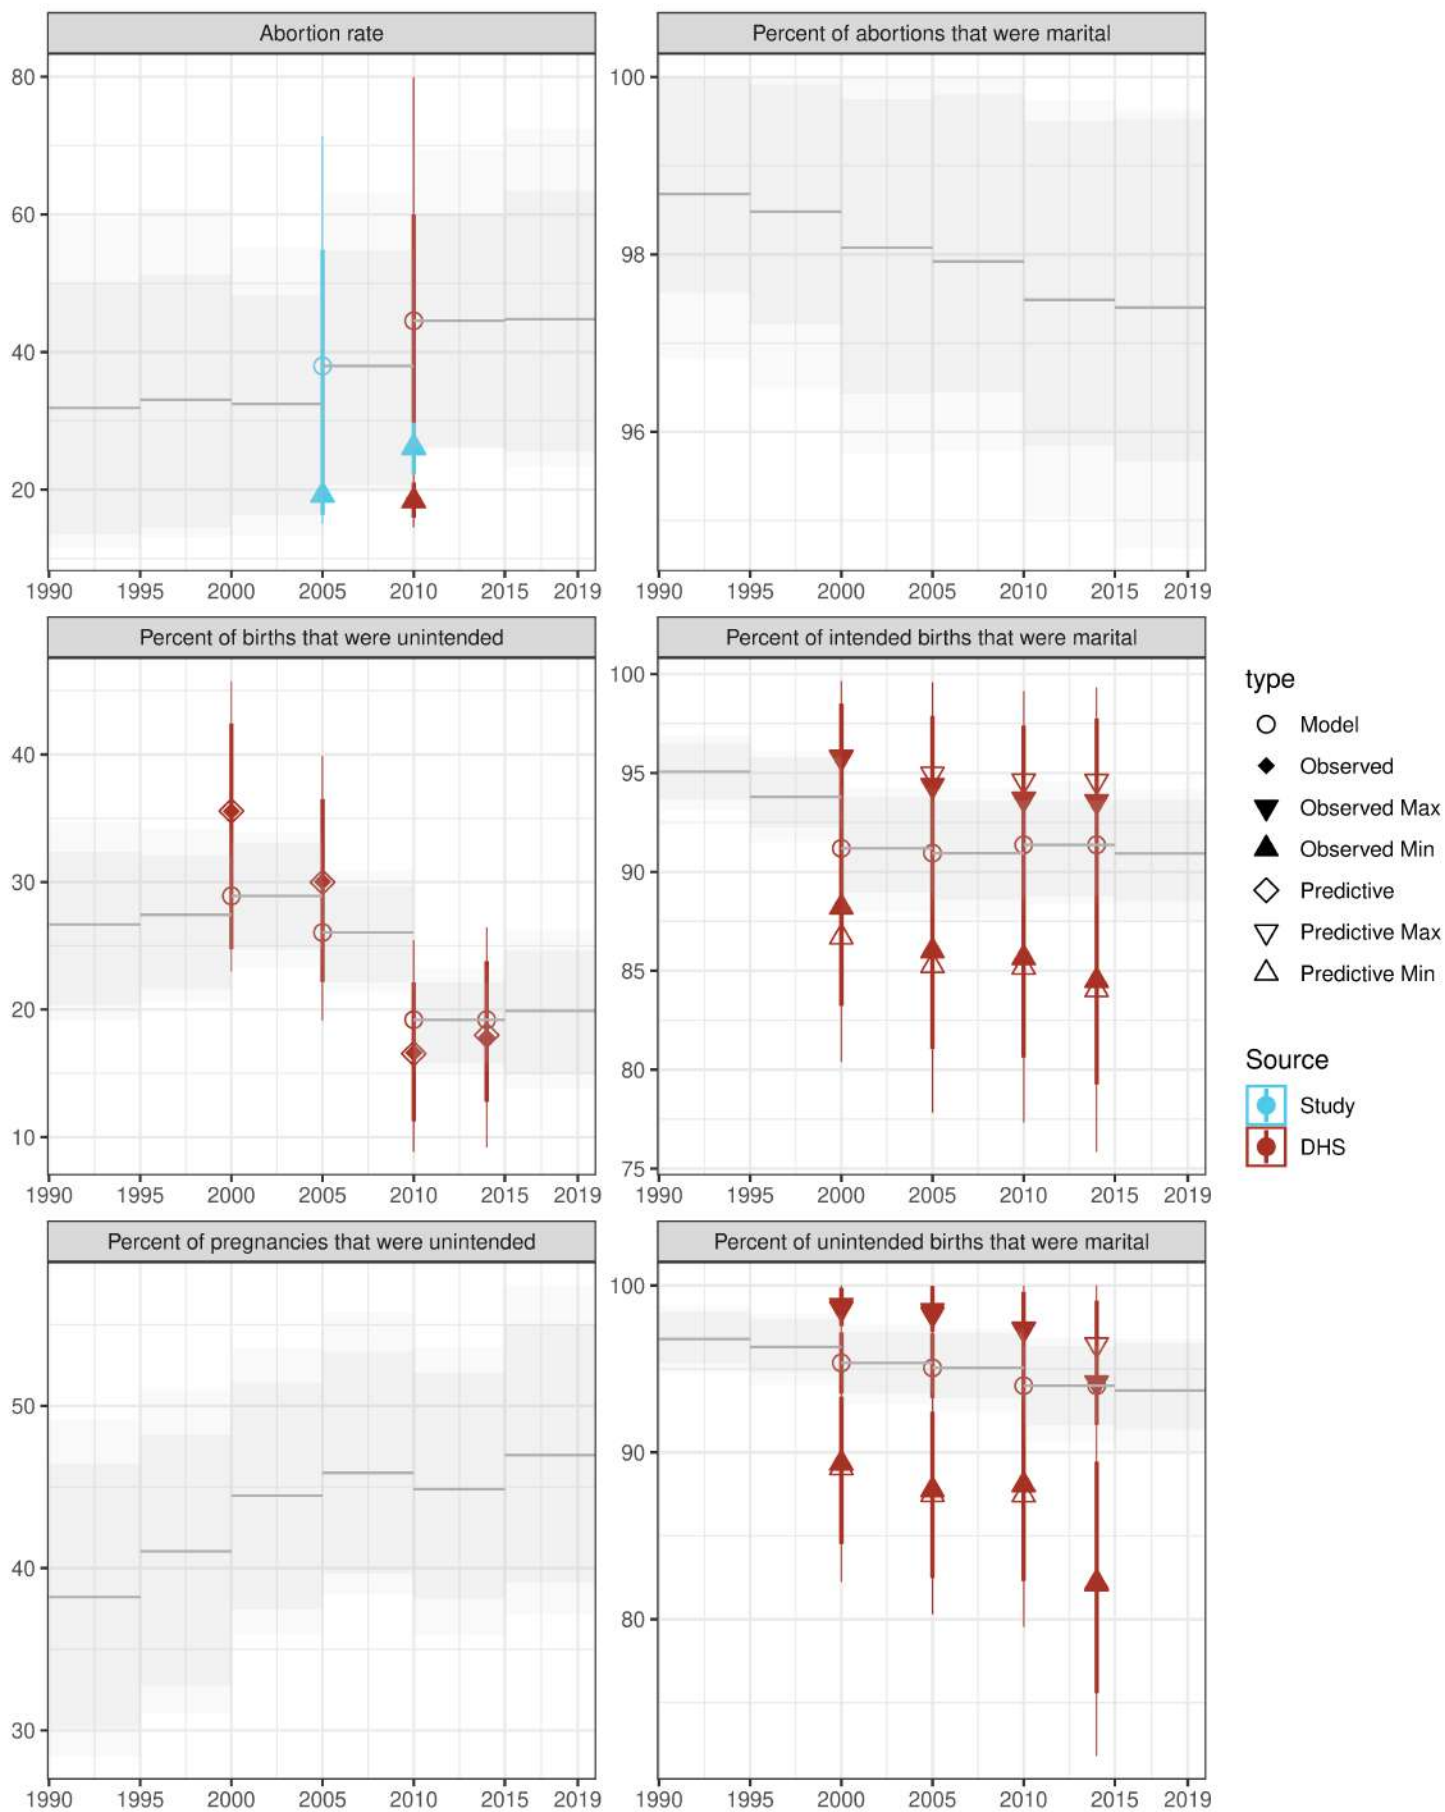

South Korea

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

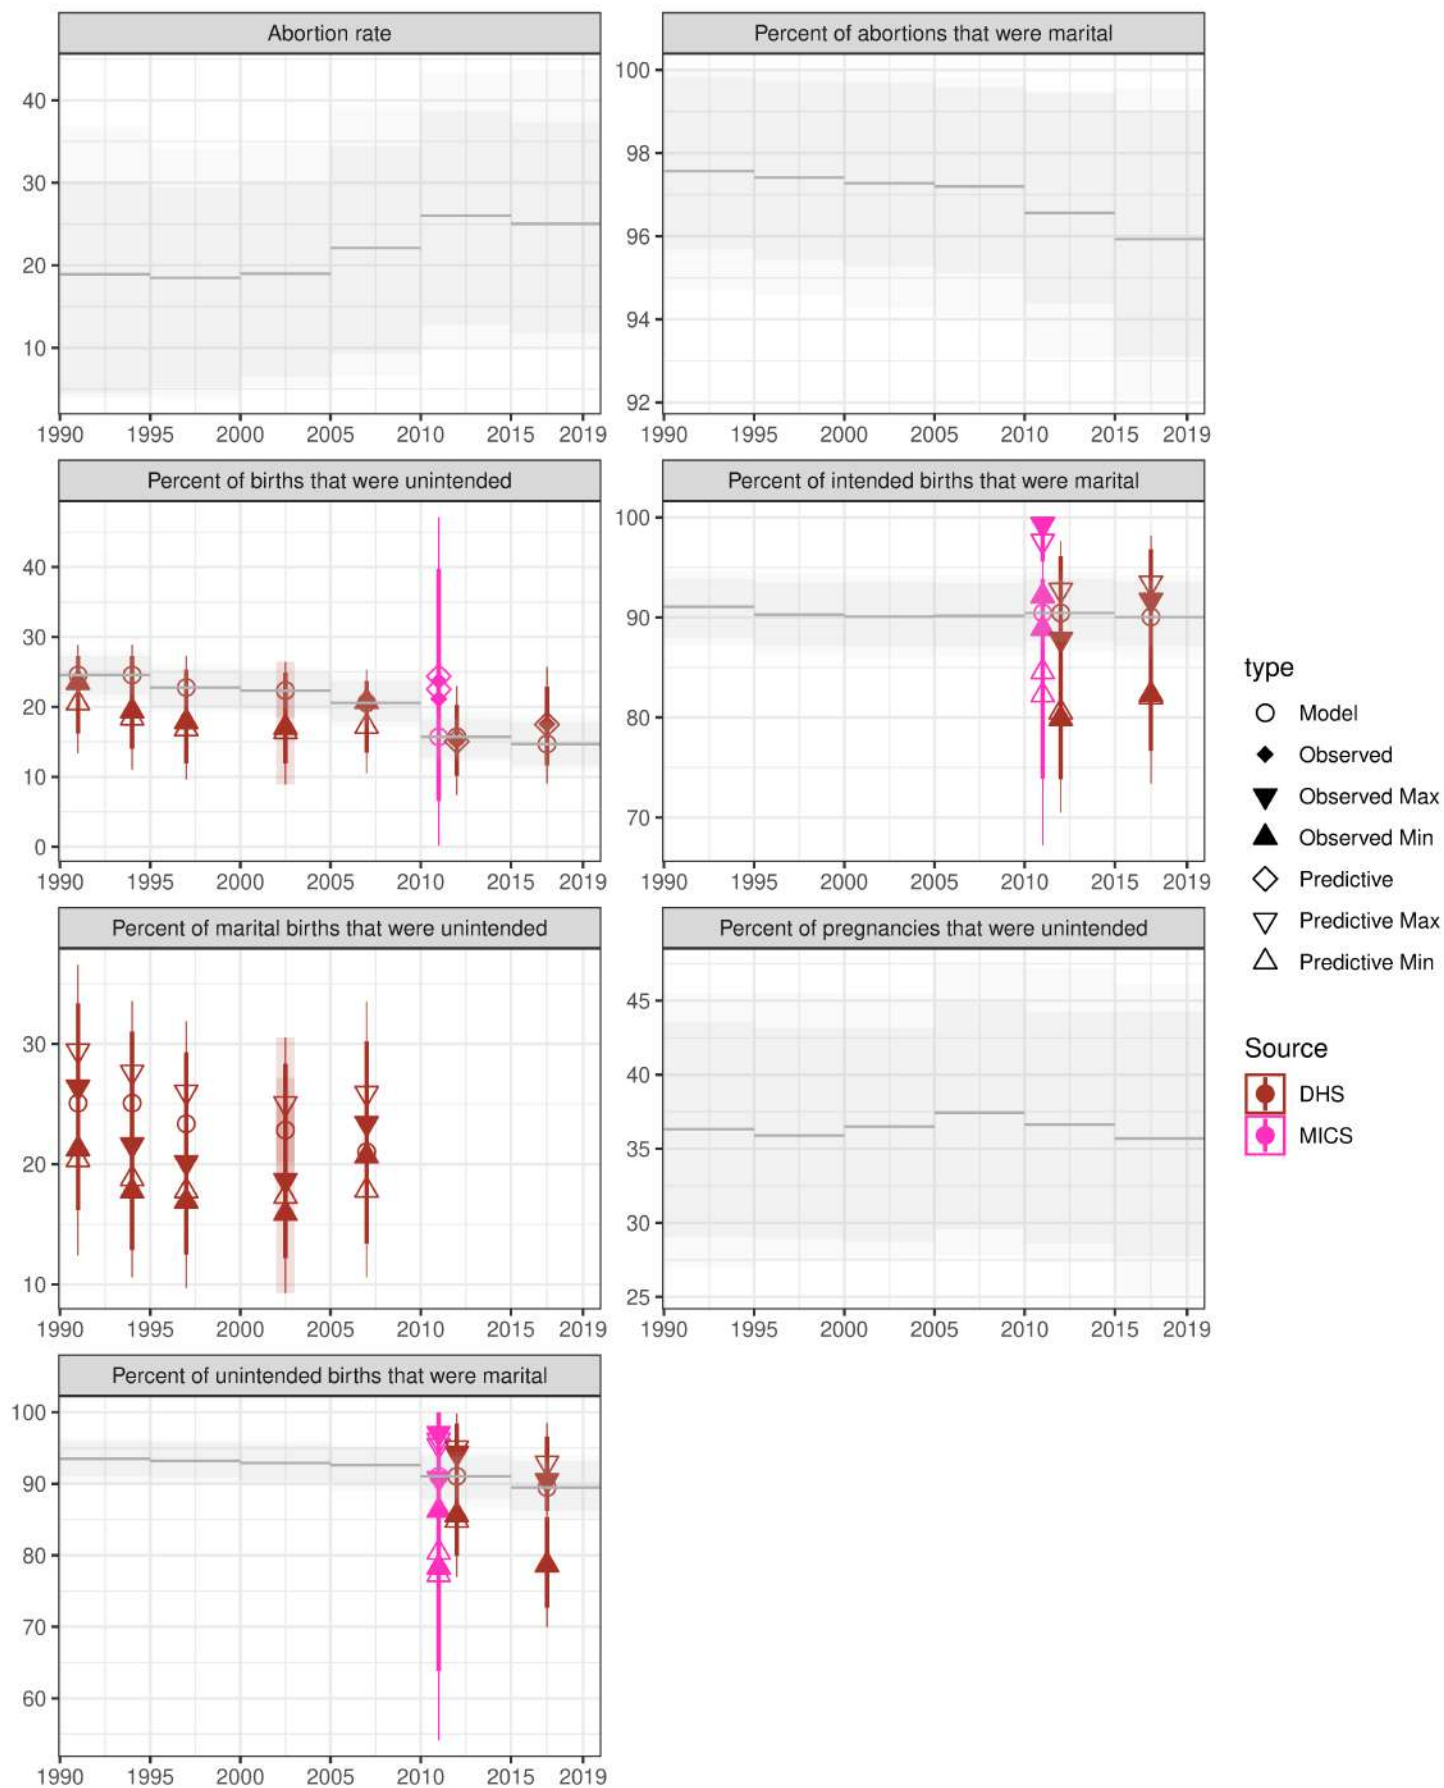

4.2 South-Eastern Asia

Cambodia

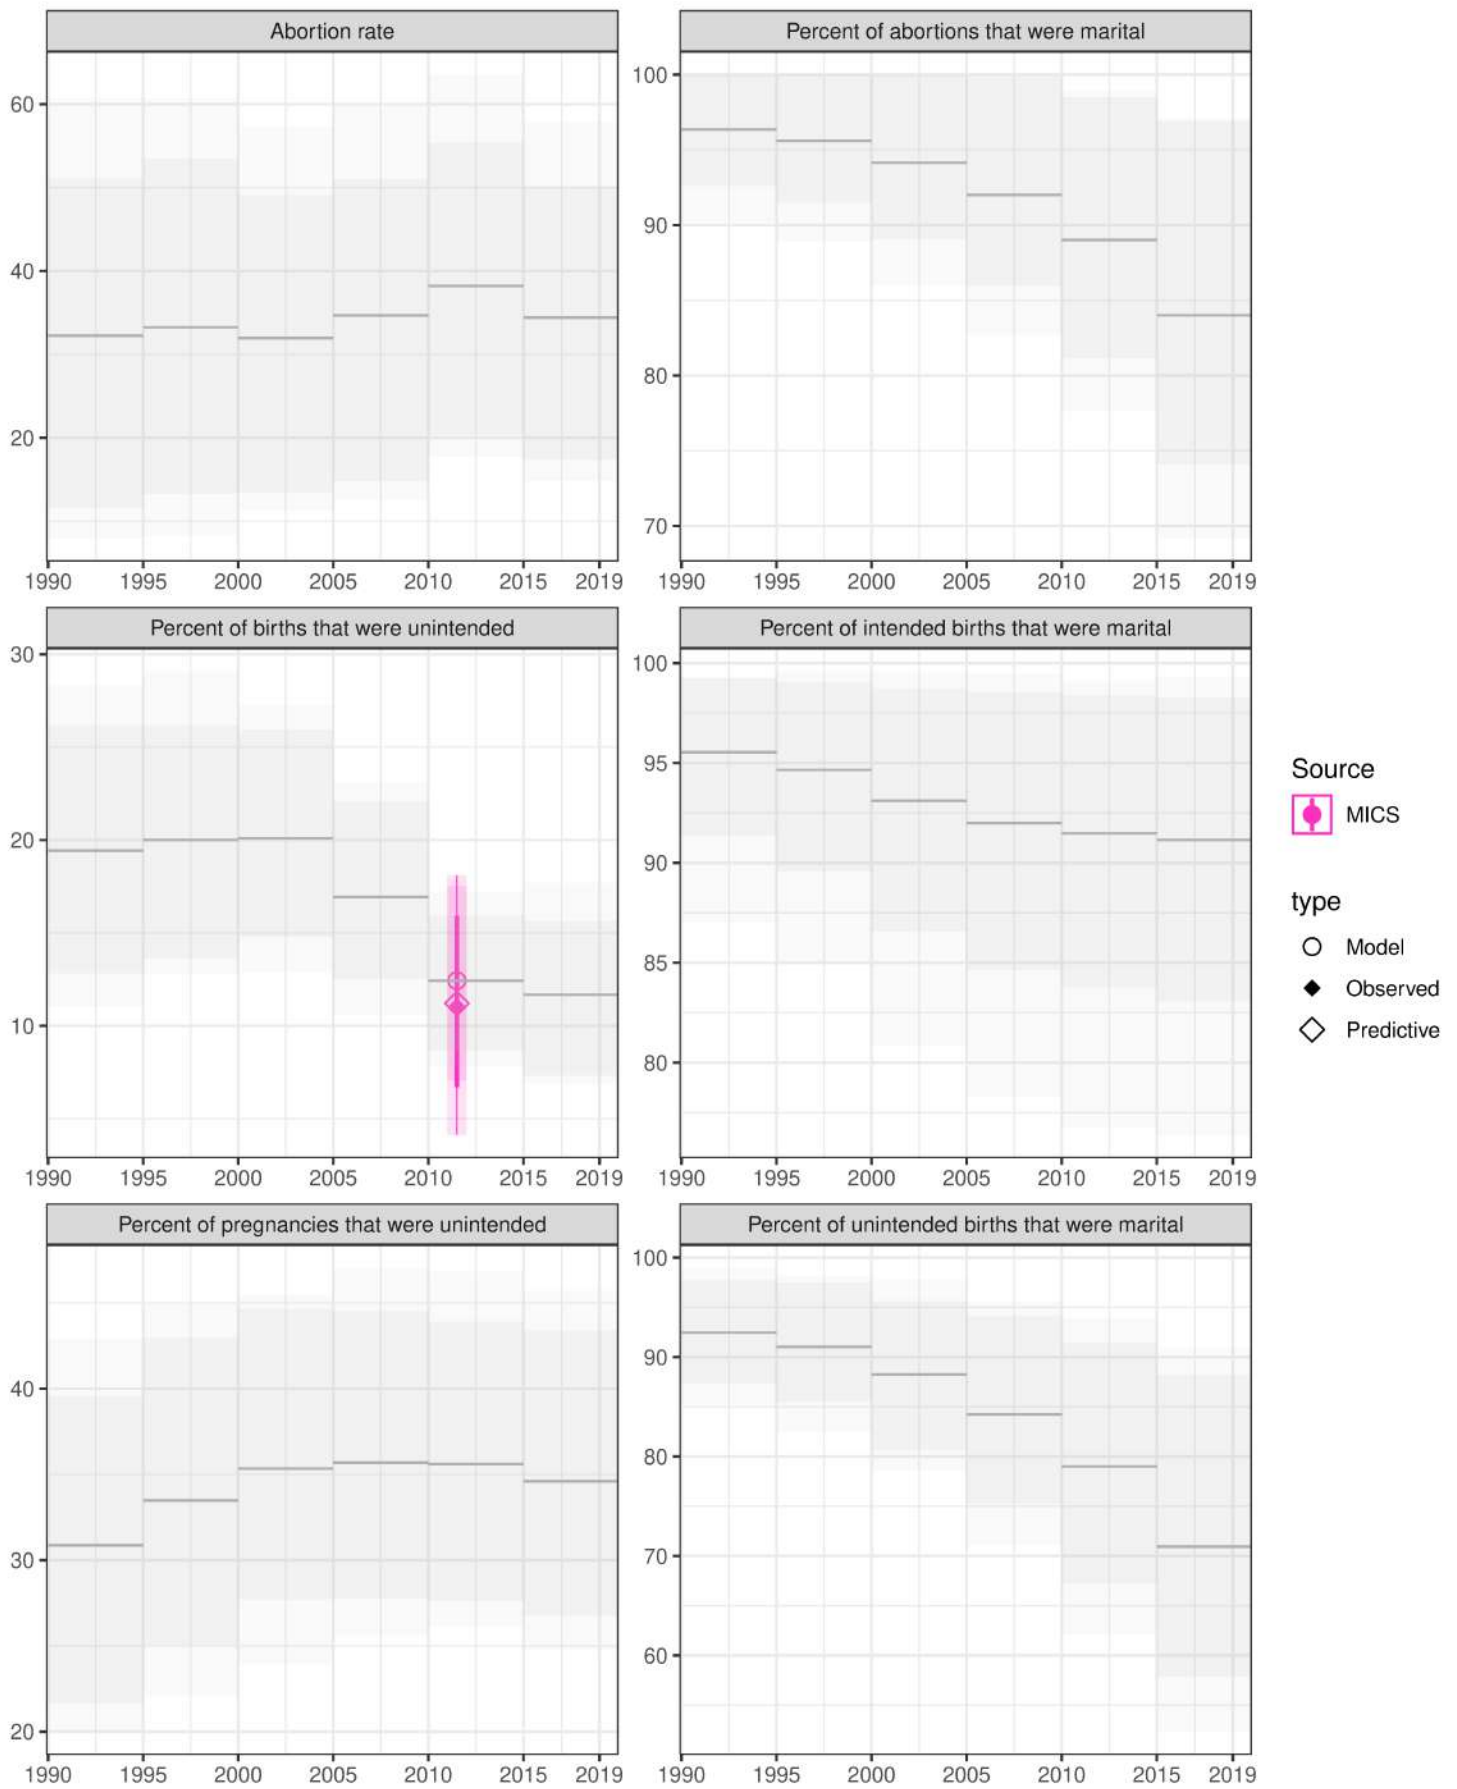

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Indonesia

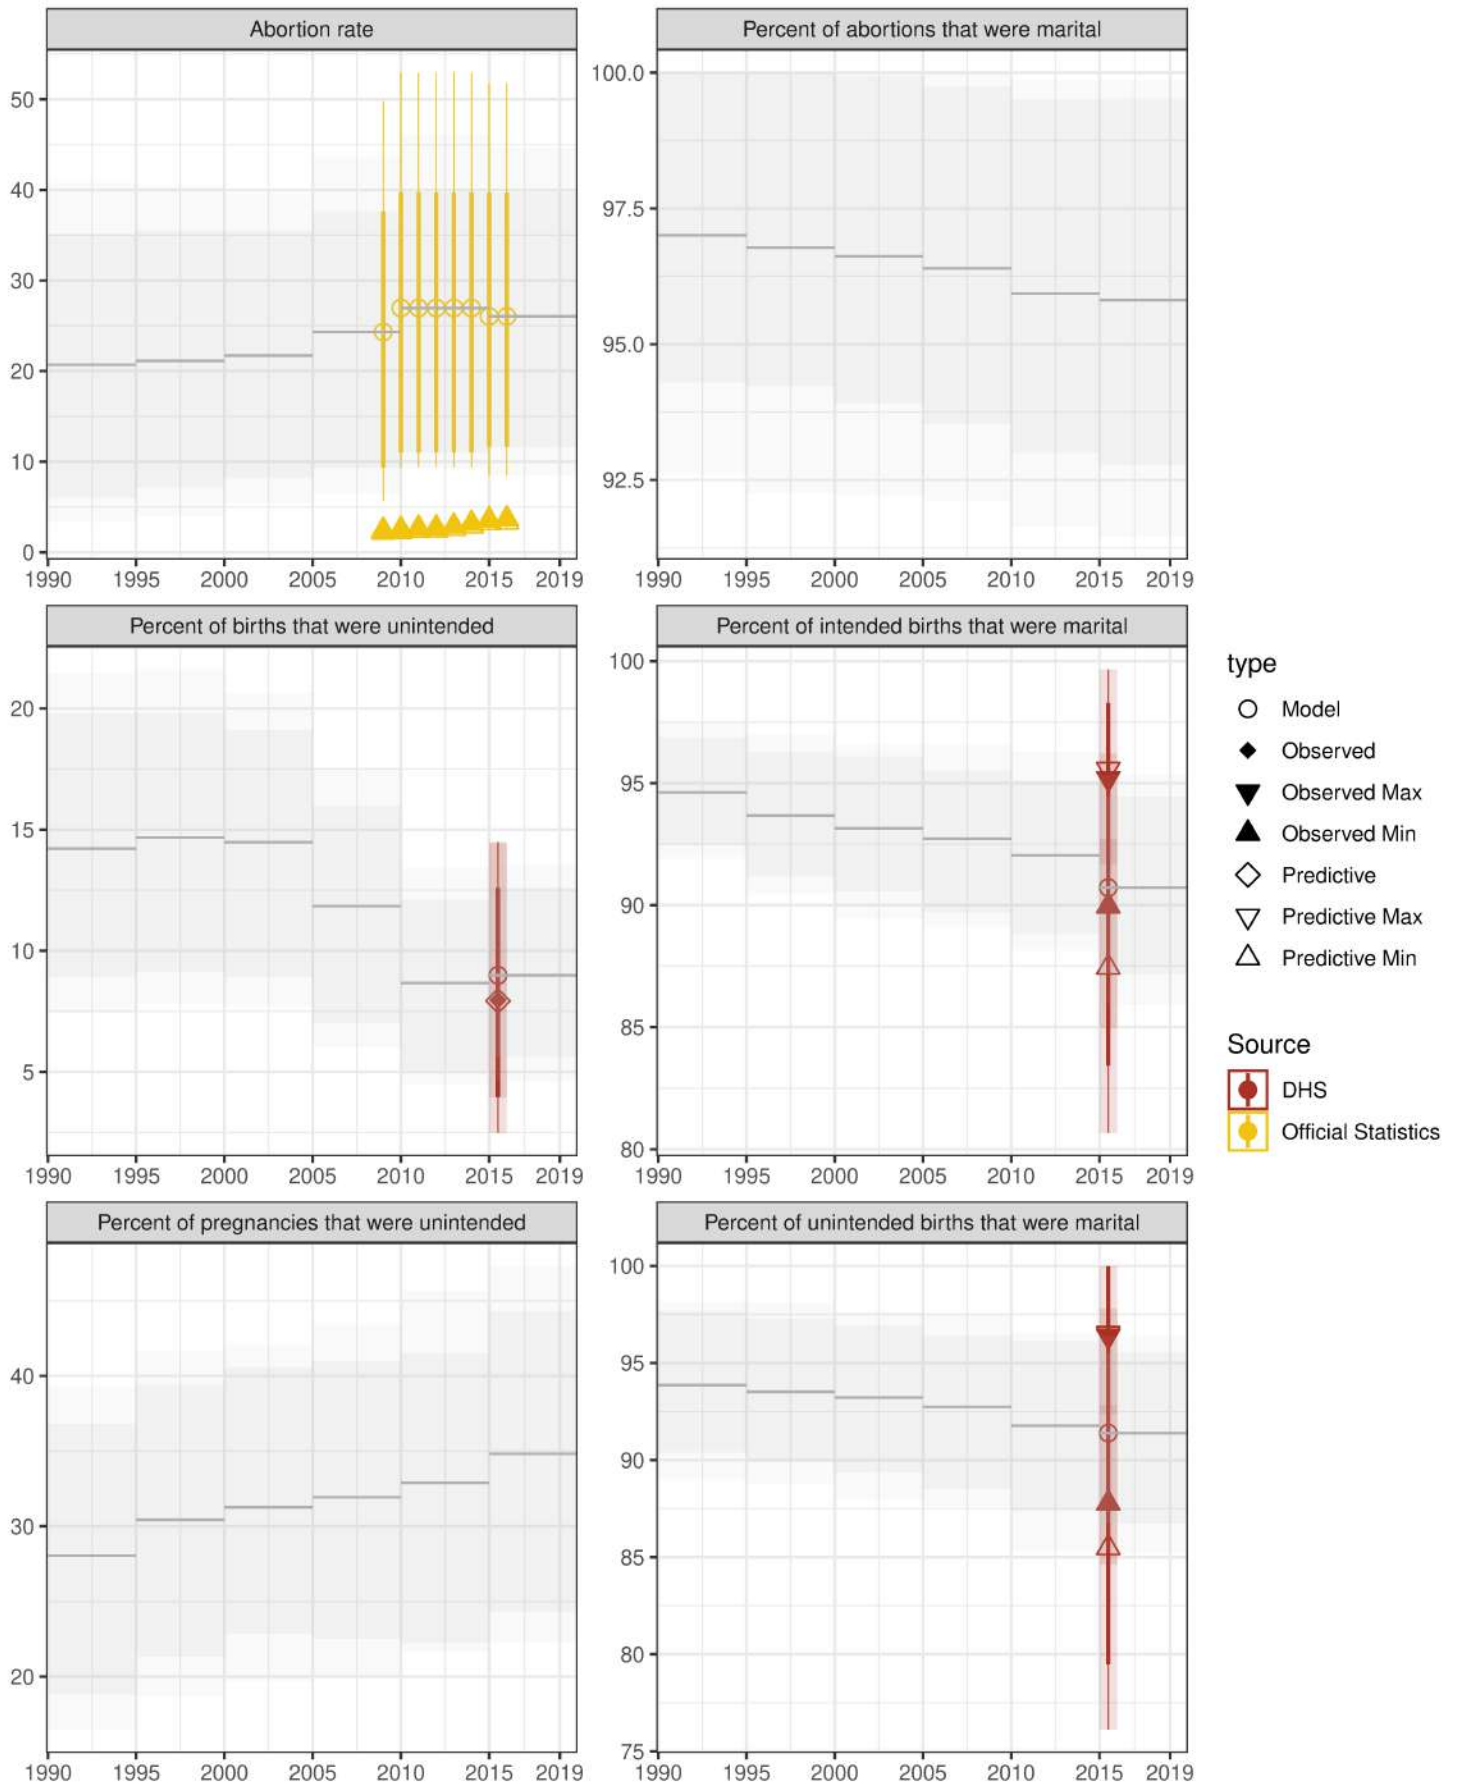

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Laos

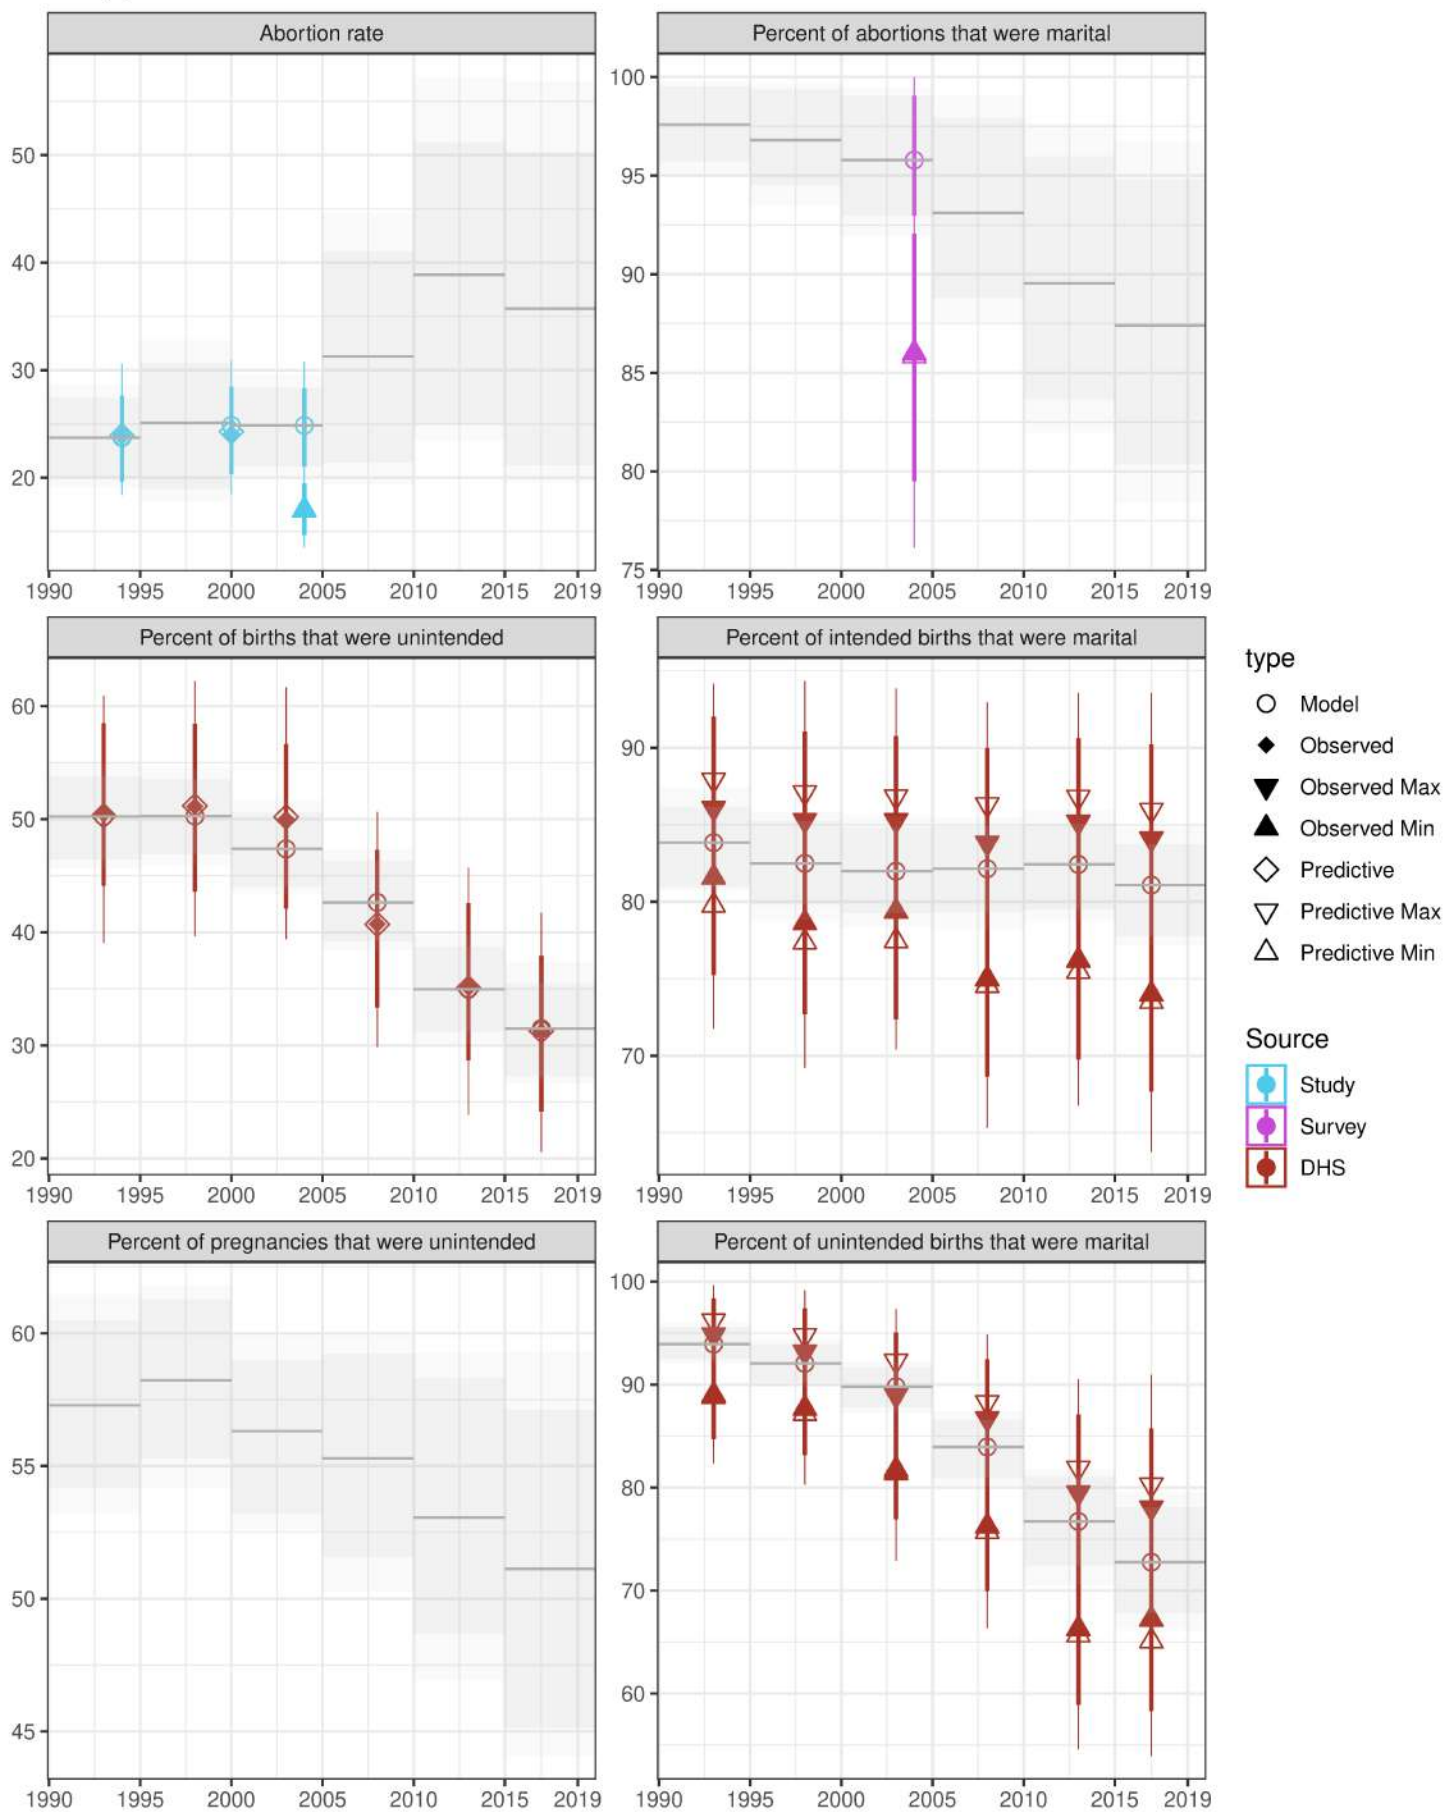

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Myanmar

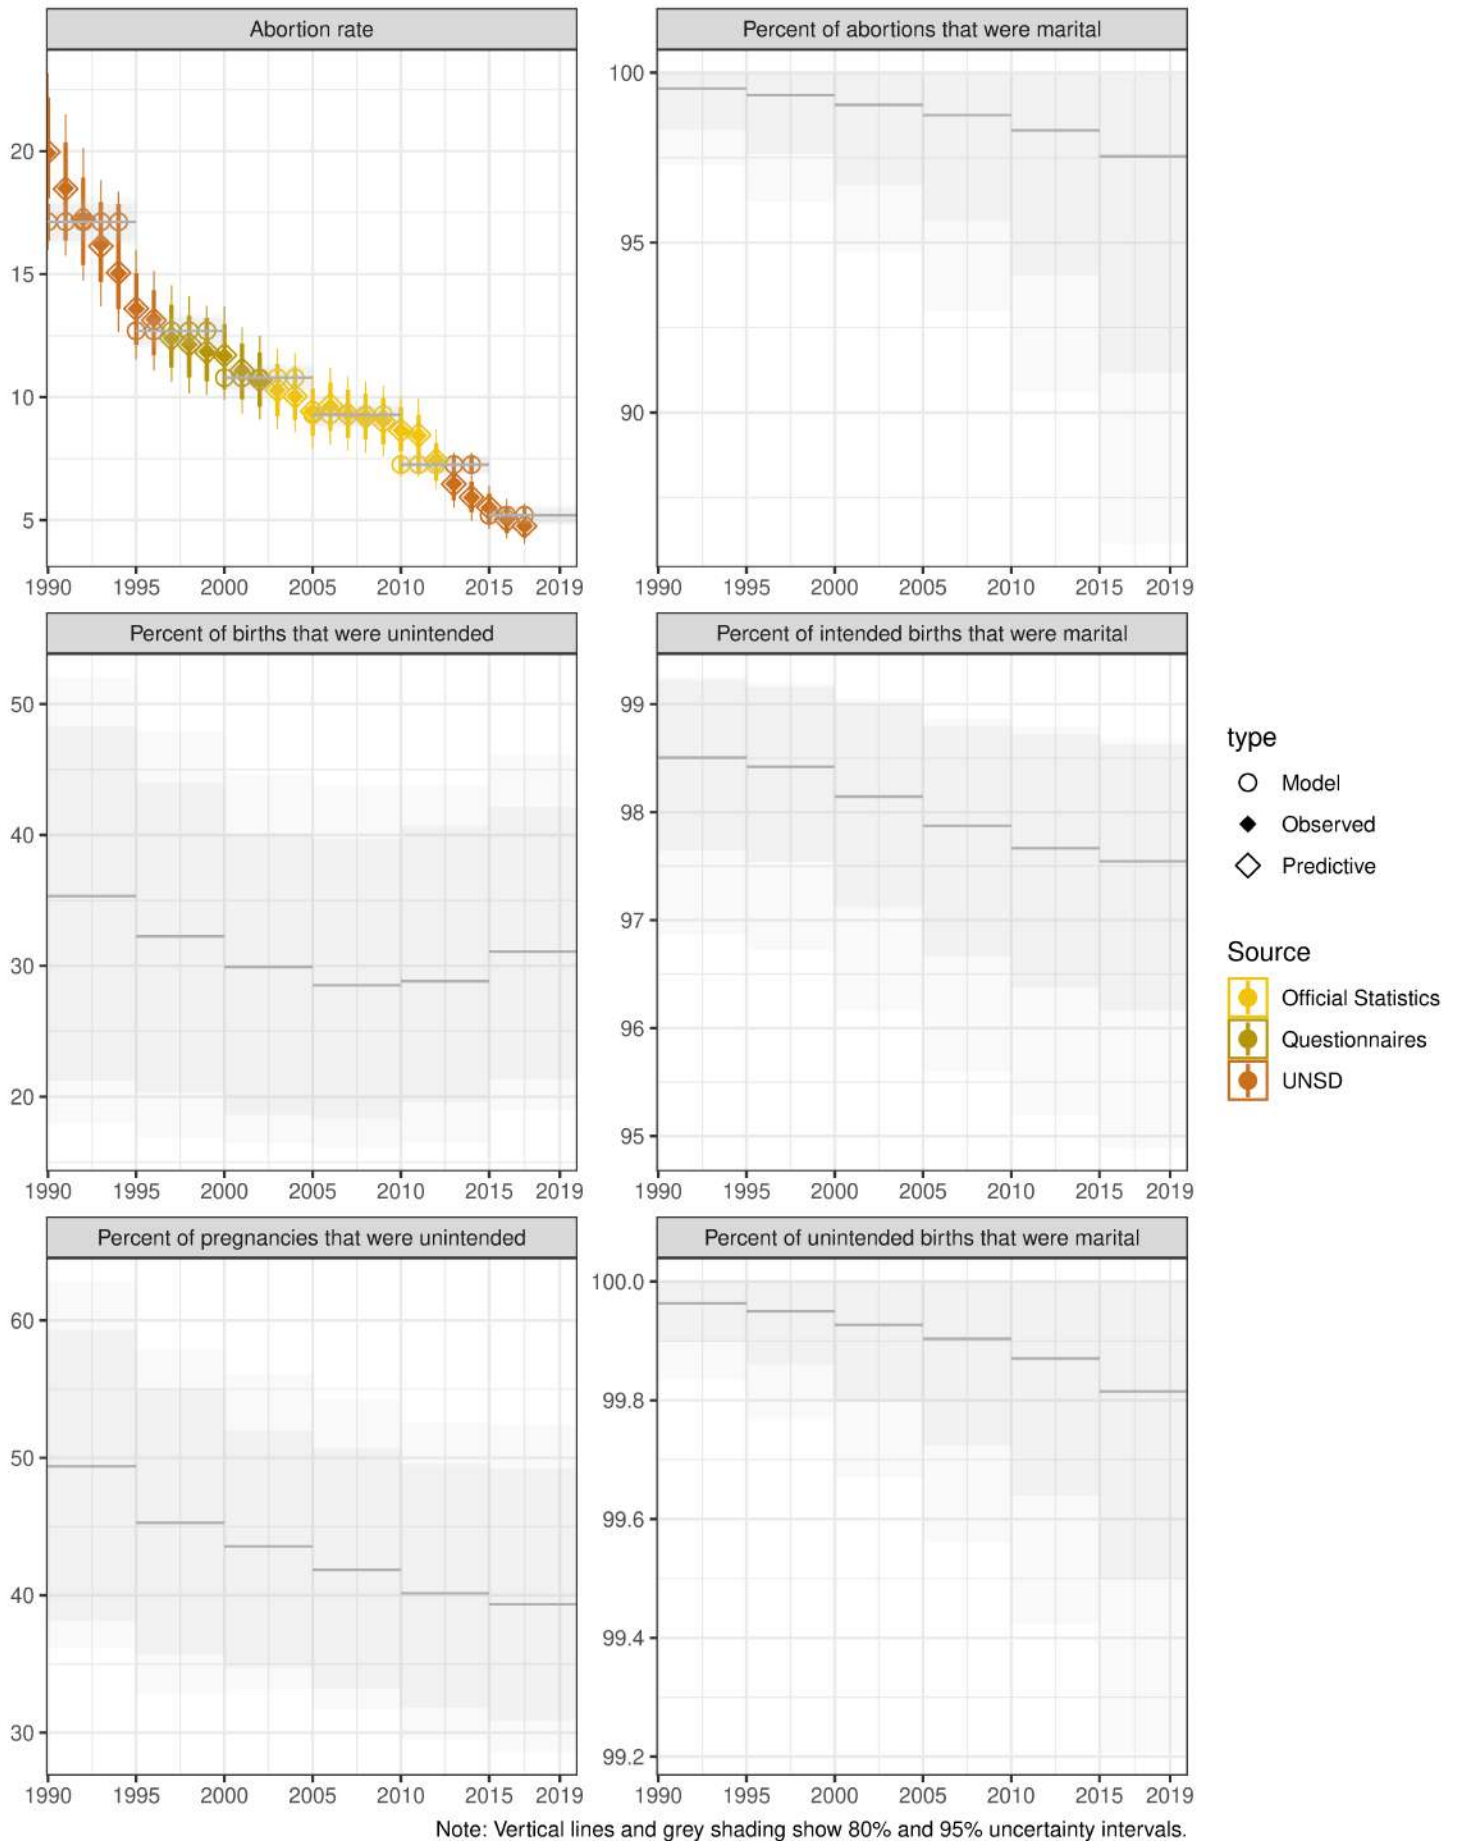

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Philippines

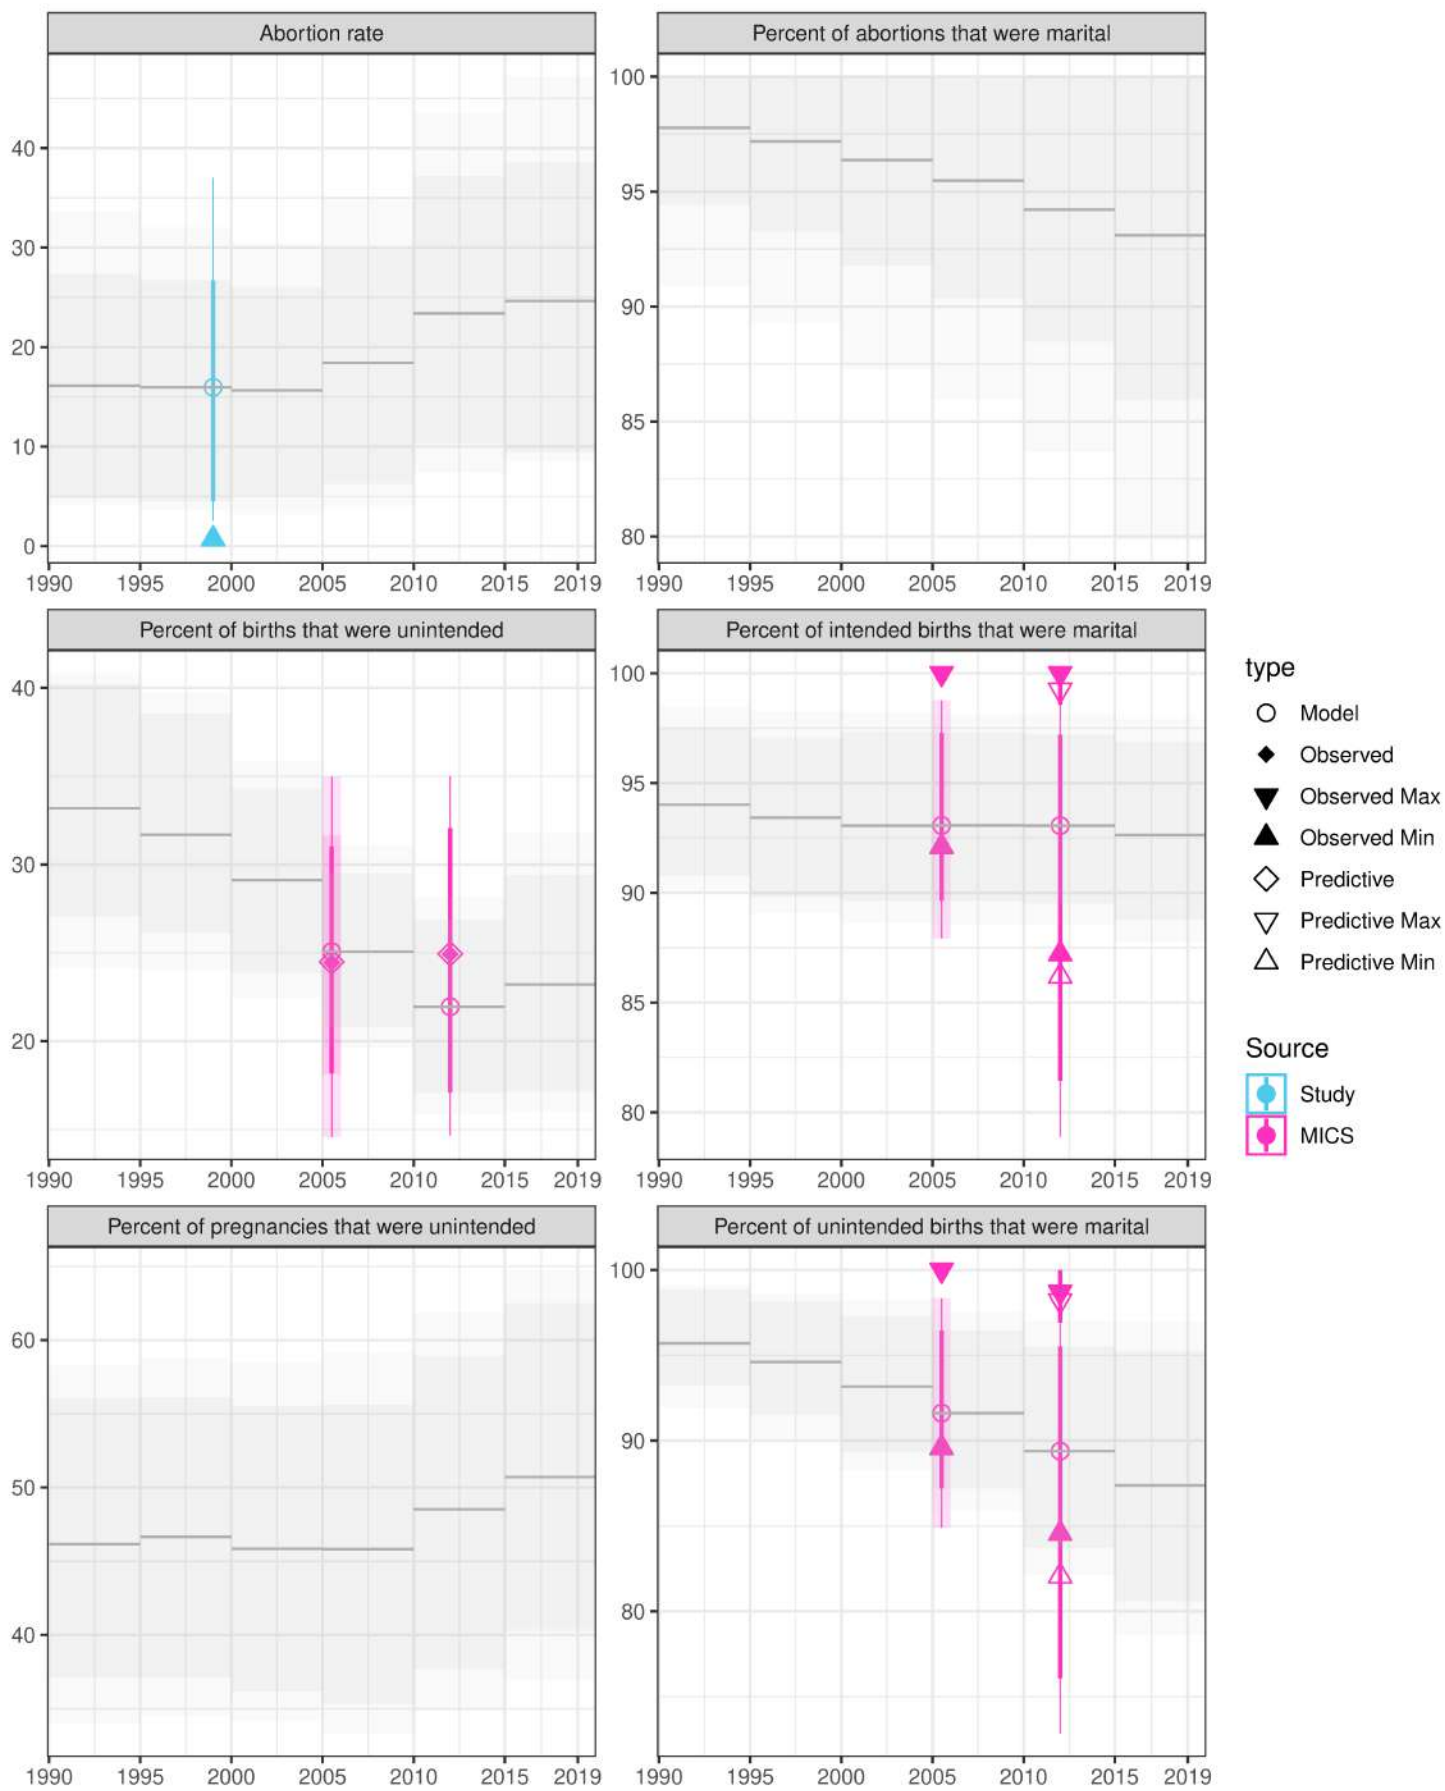

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Singapore

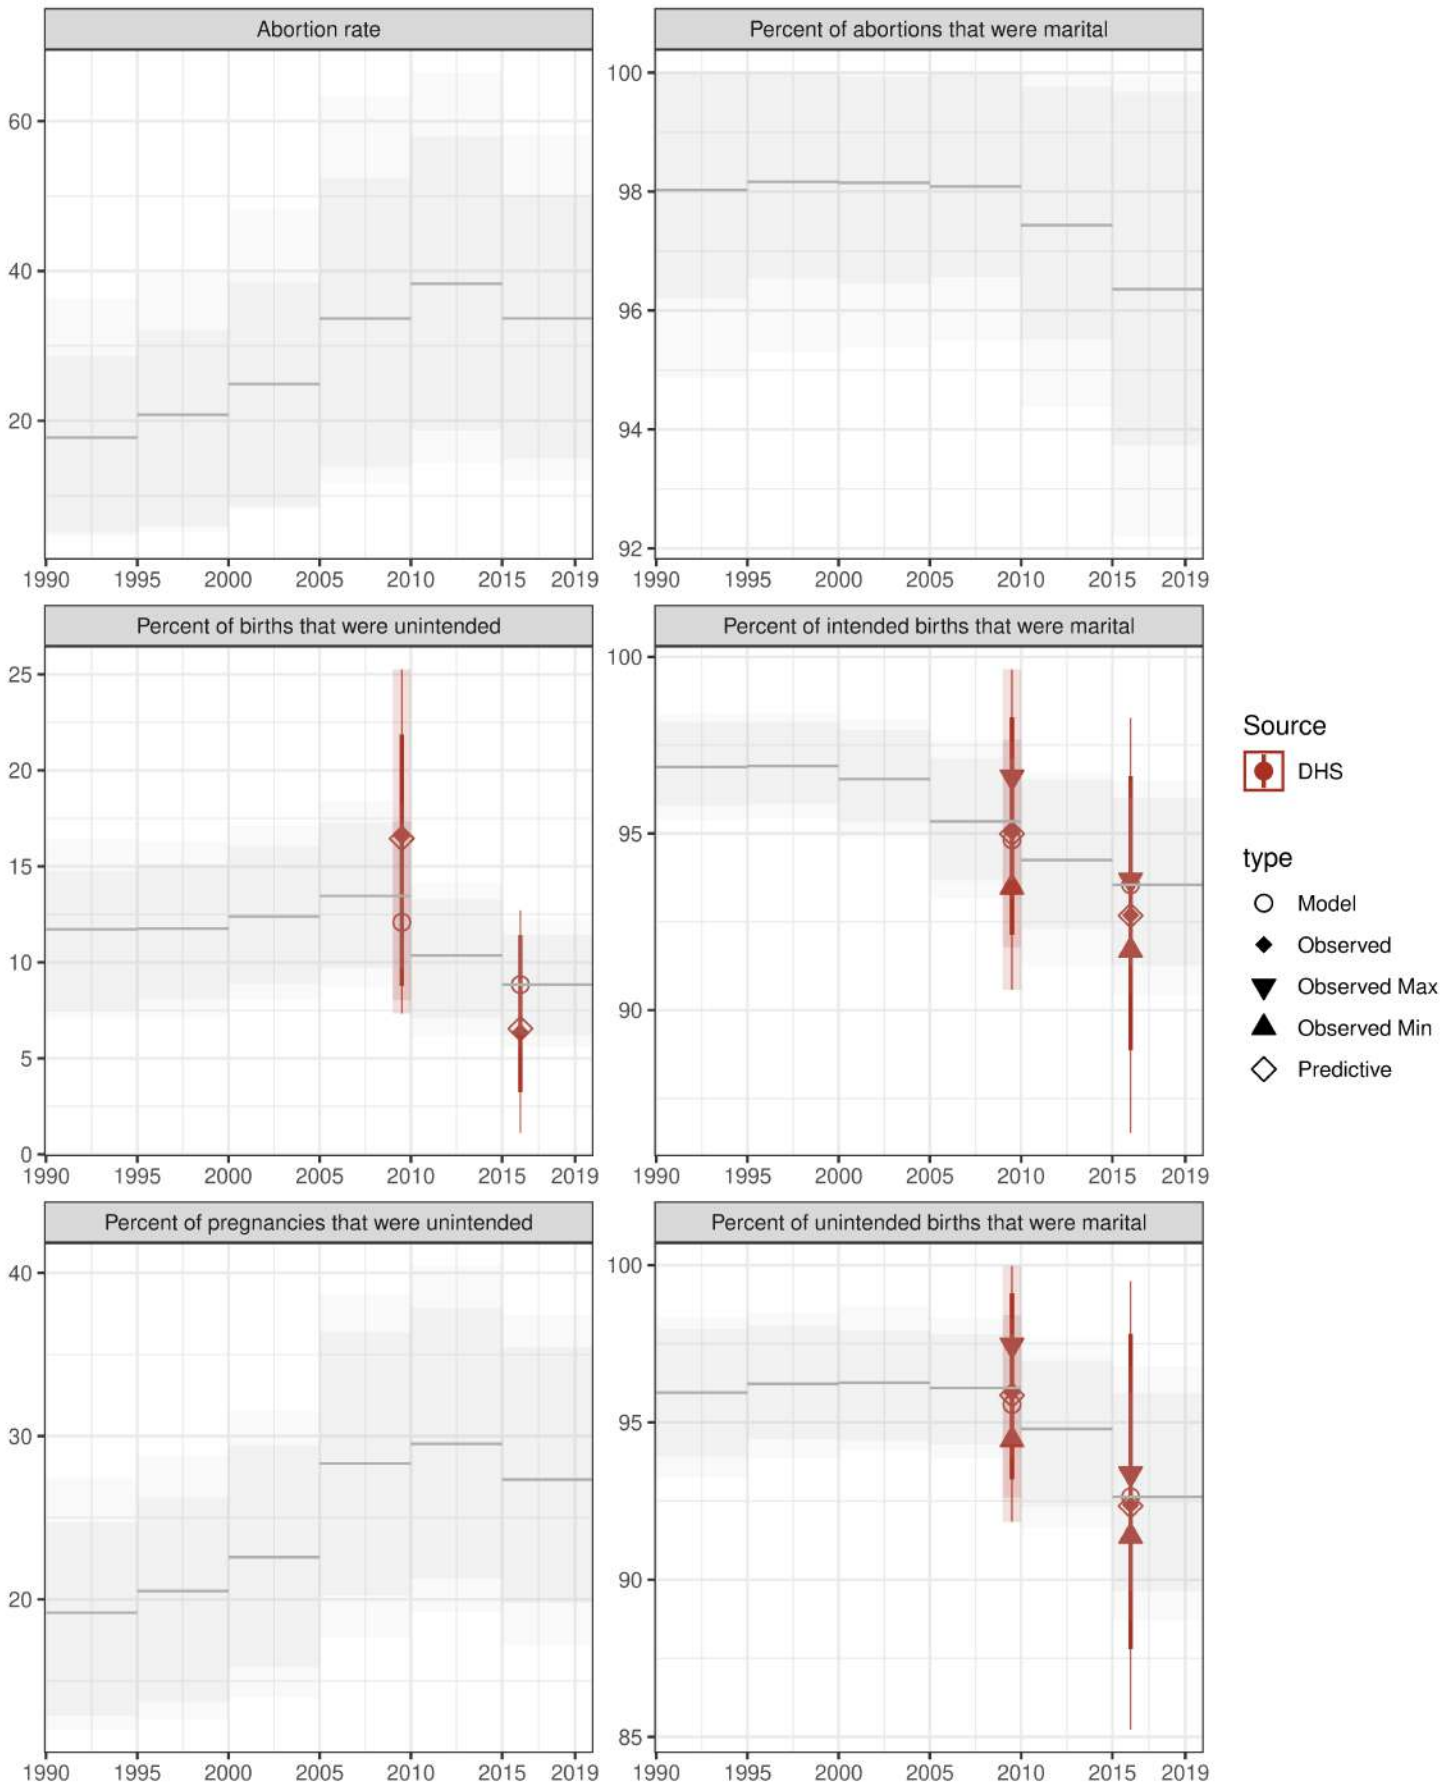

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Thailand

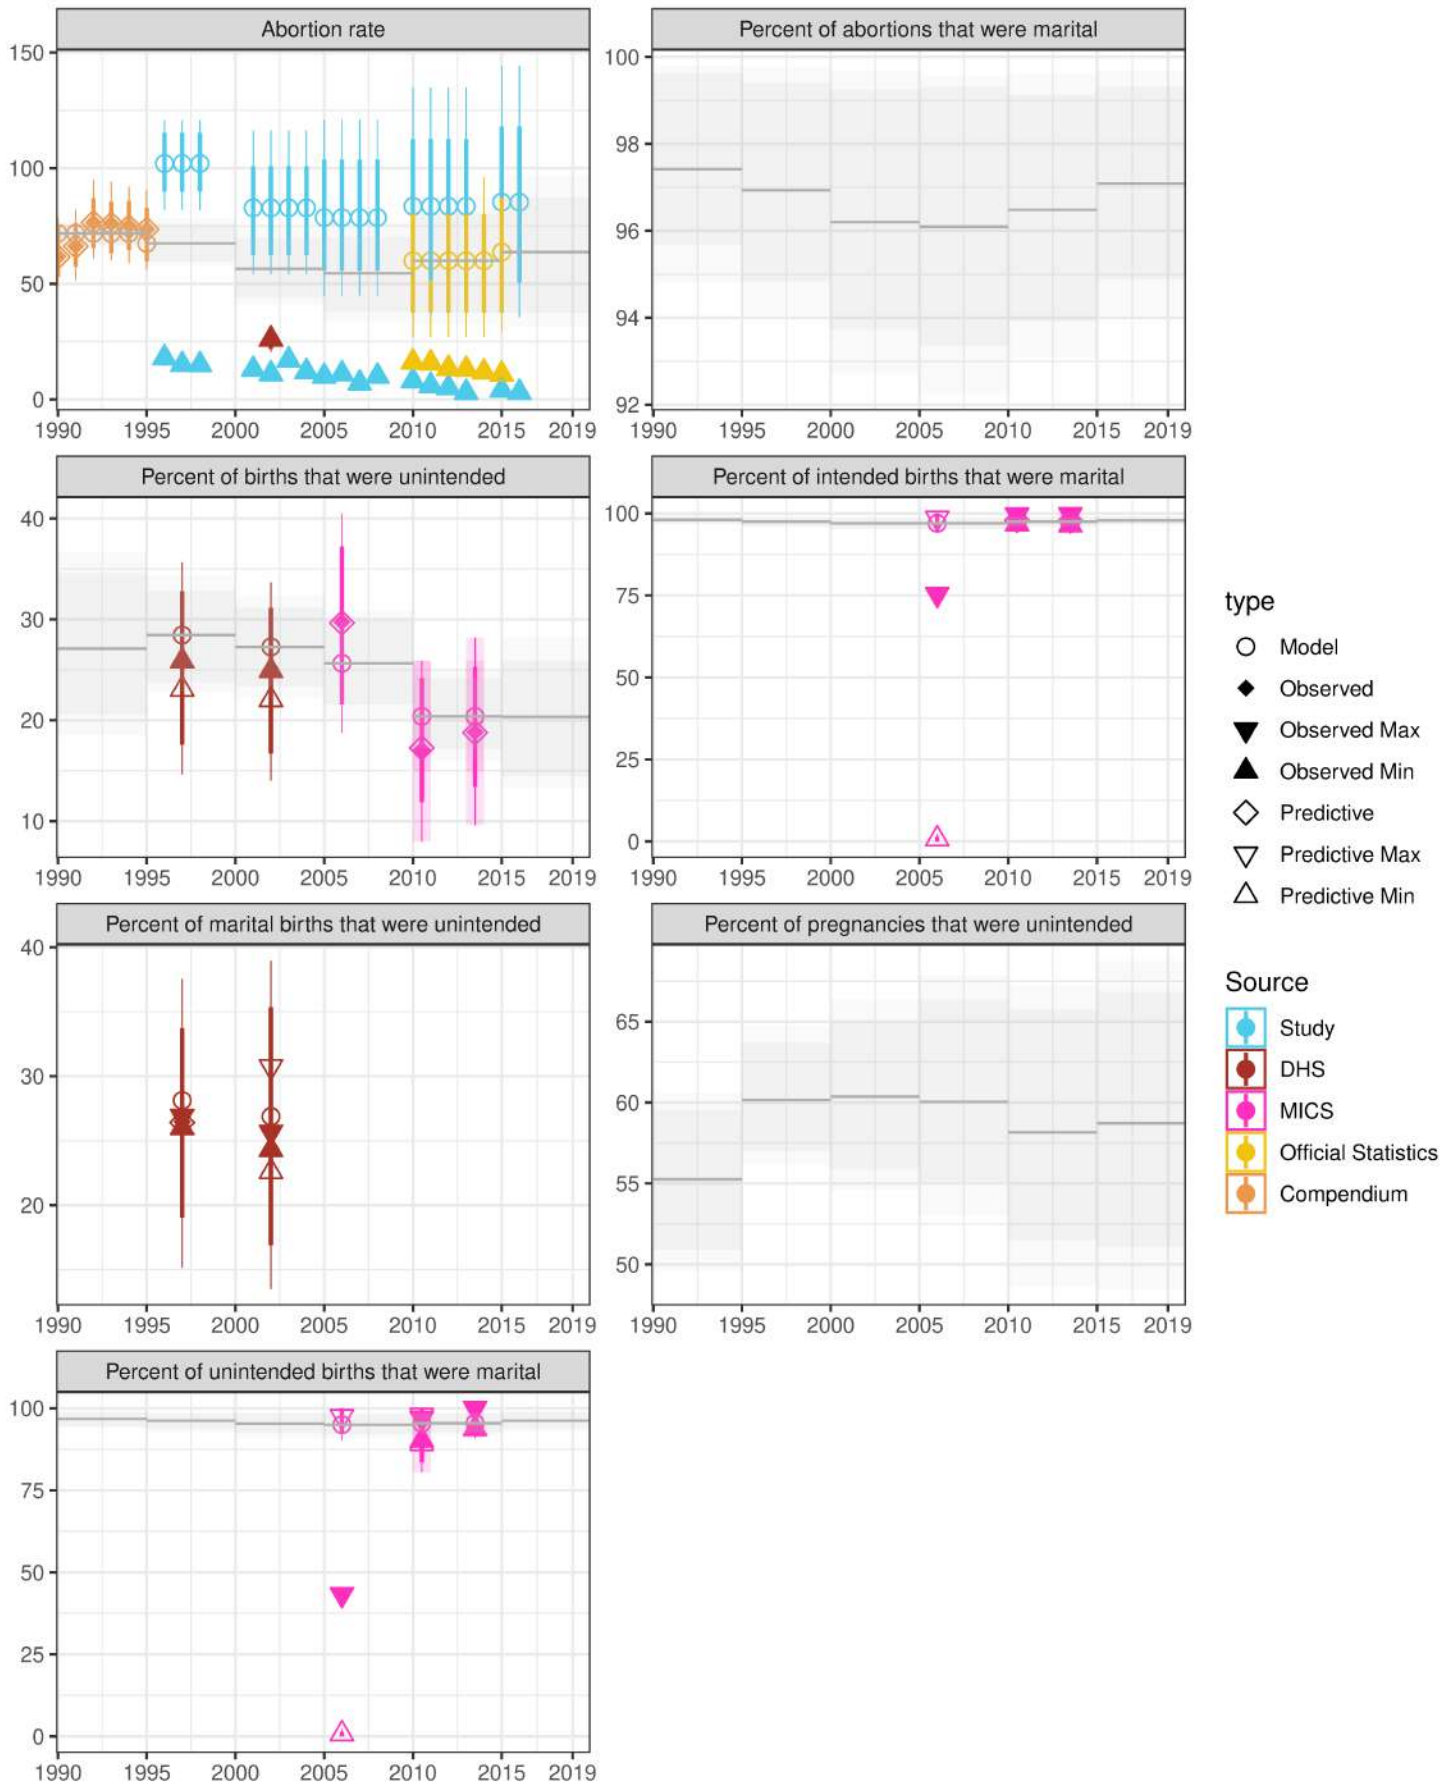

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Timor-Leste

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Viet Nam

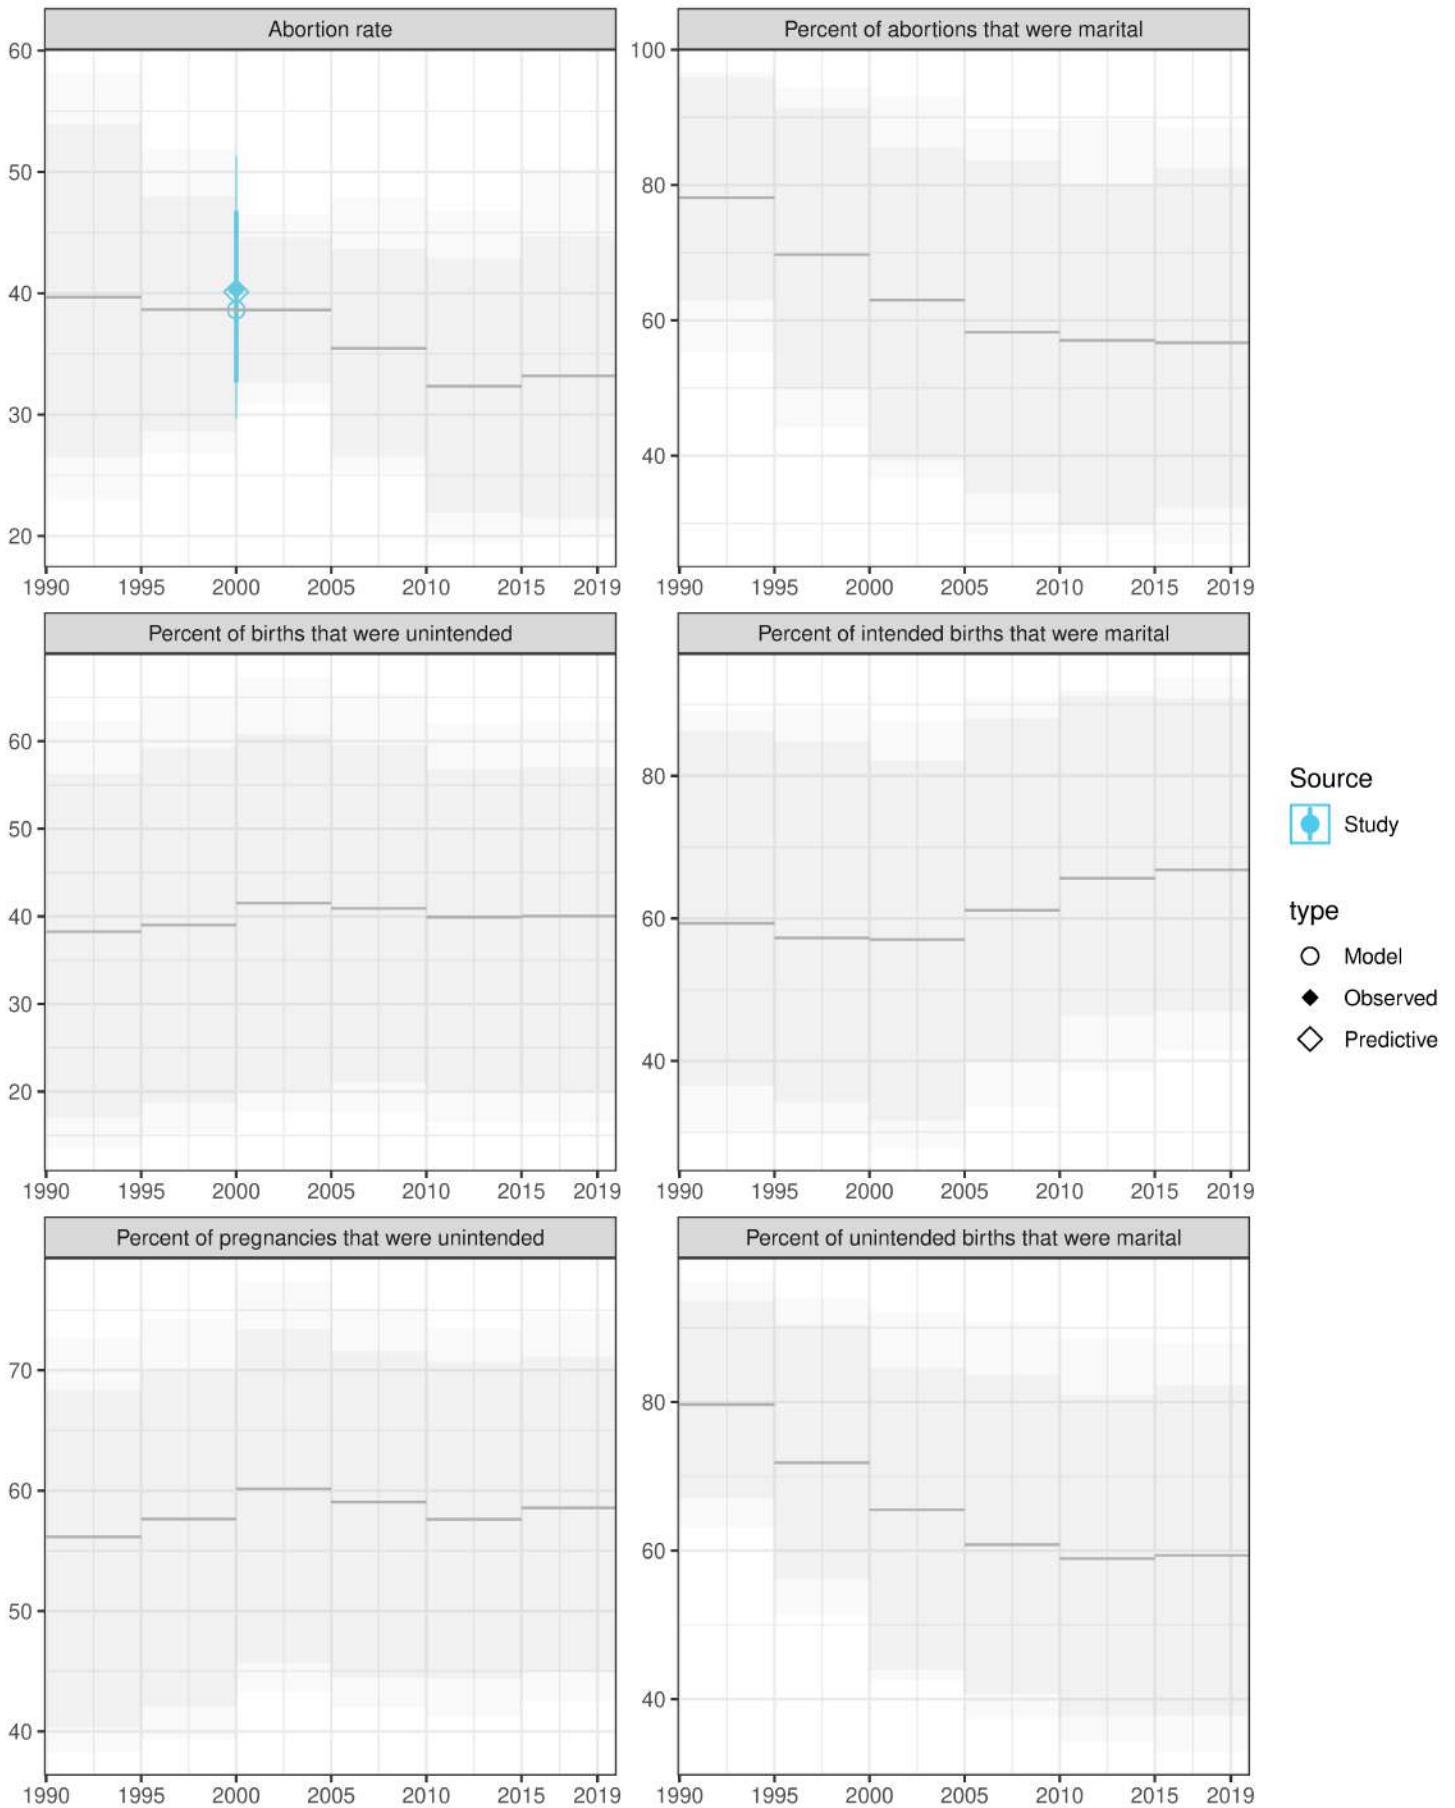

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

5 Latin America and the Caribbean

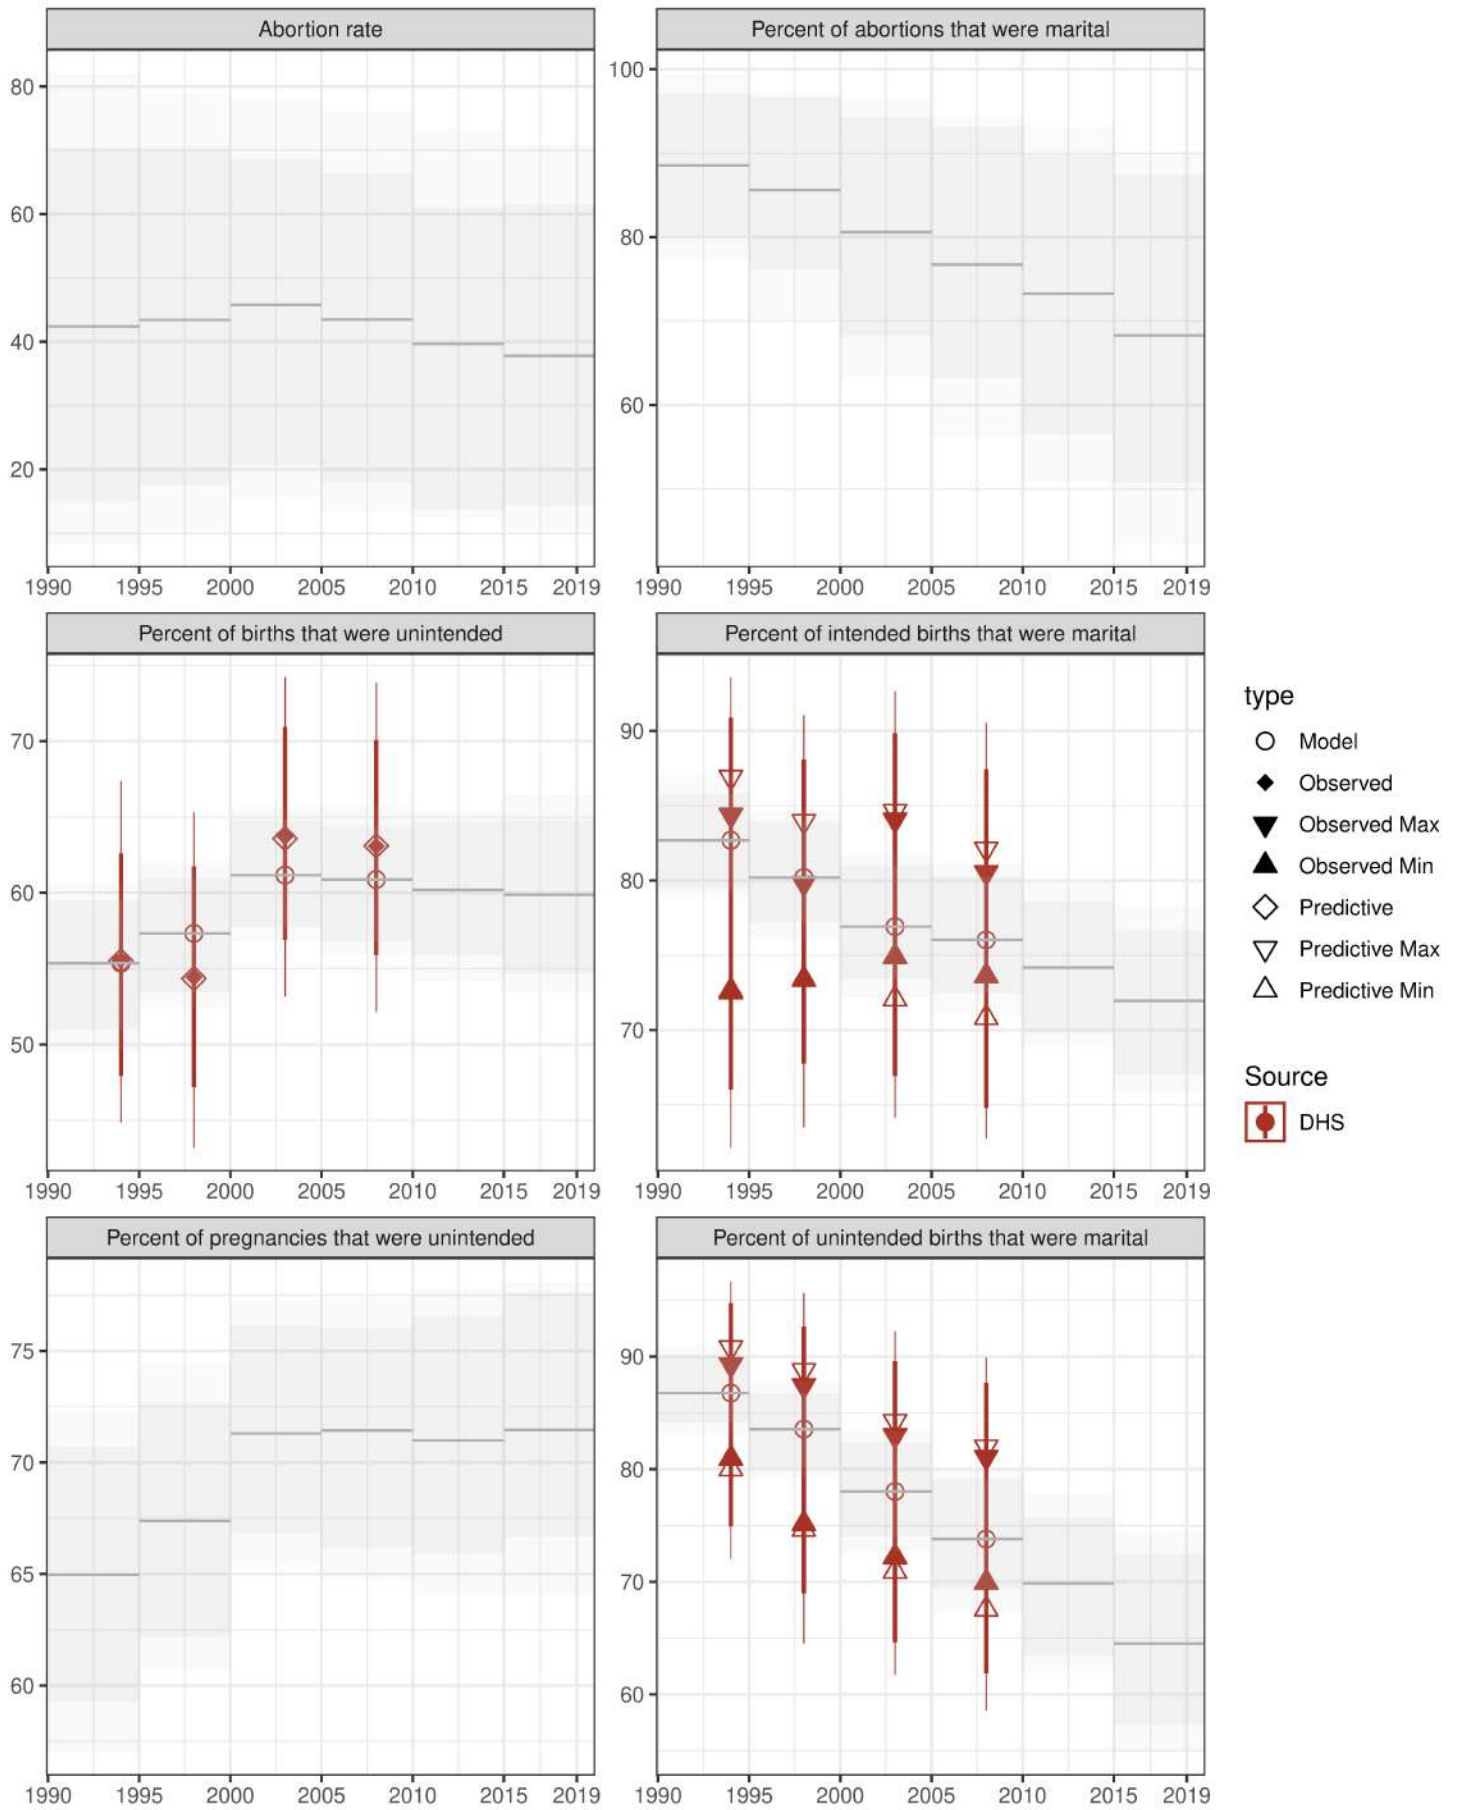

5.1 South America

Argentina

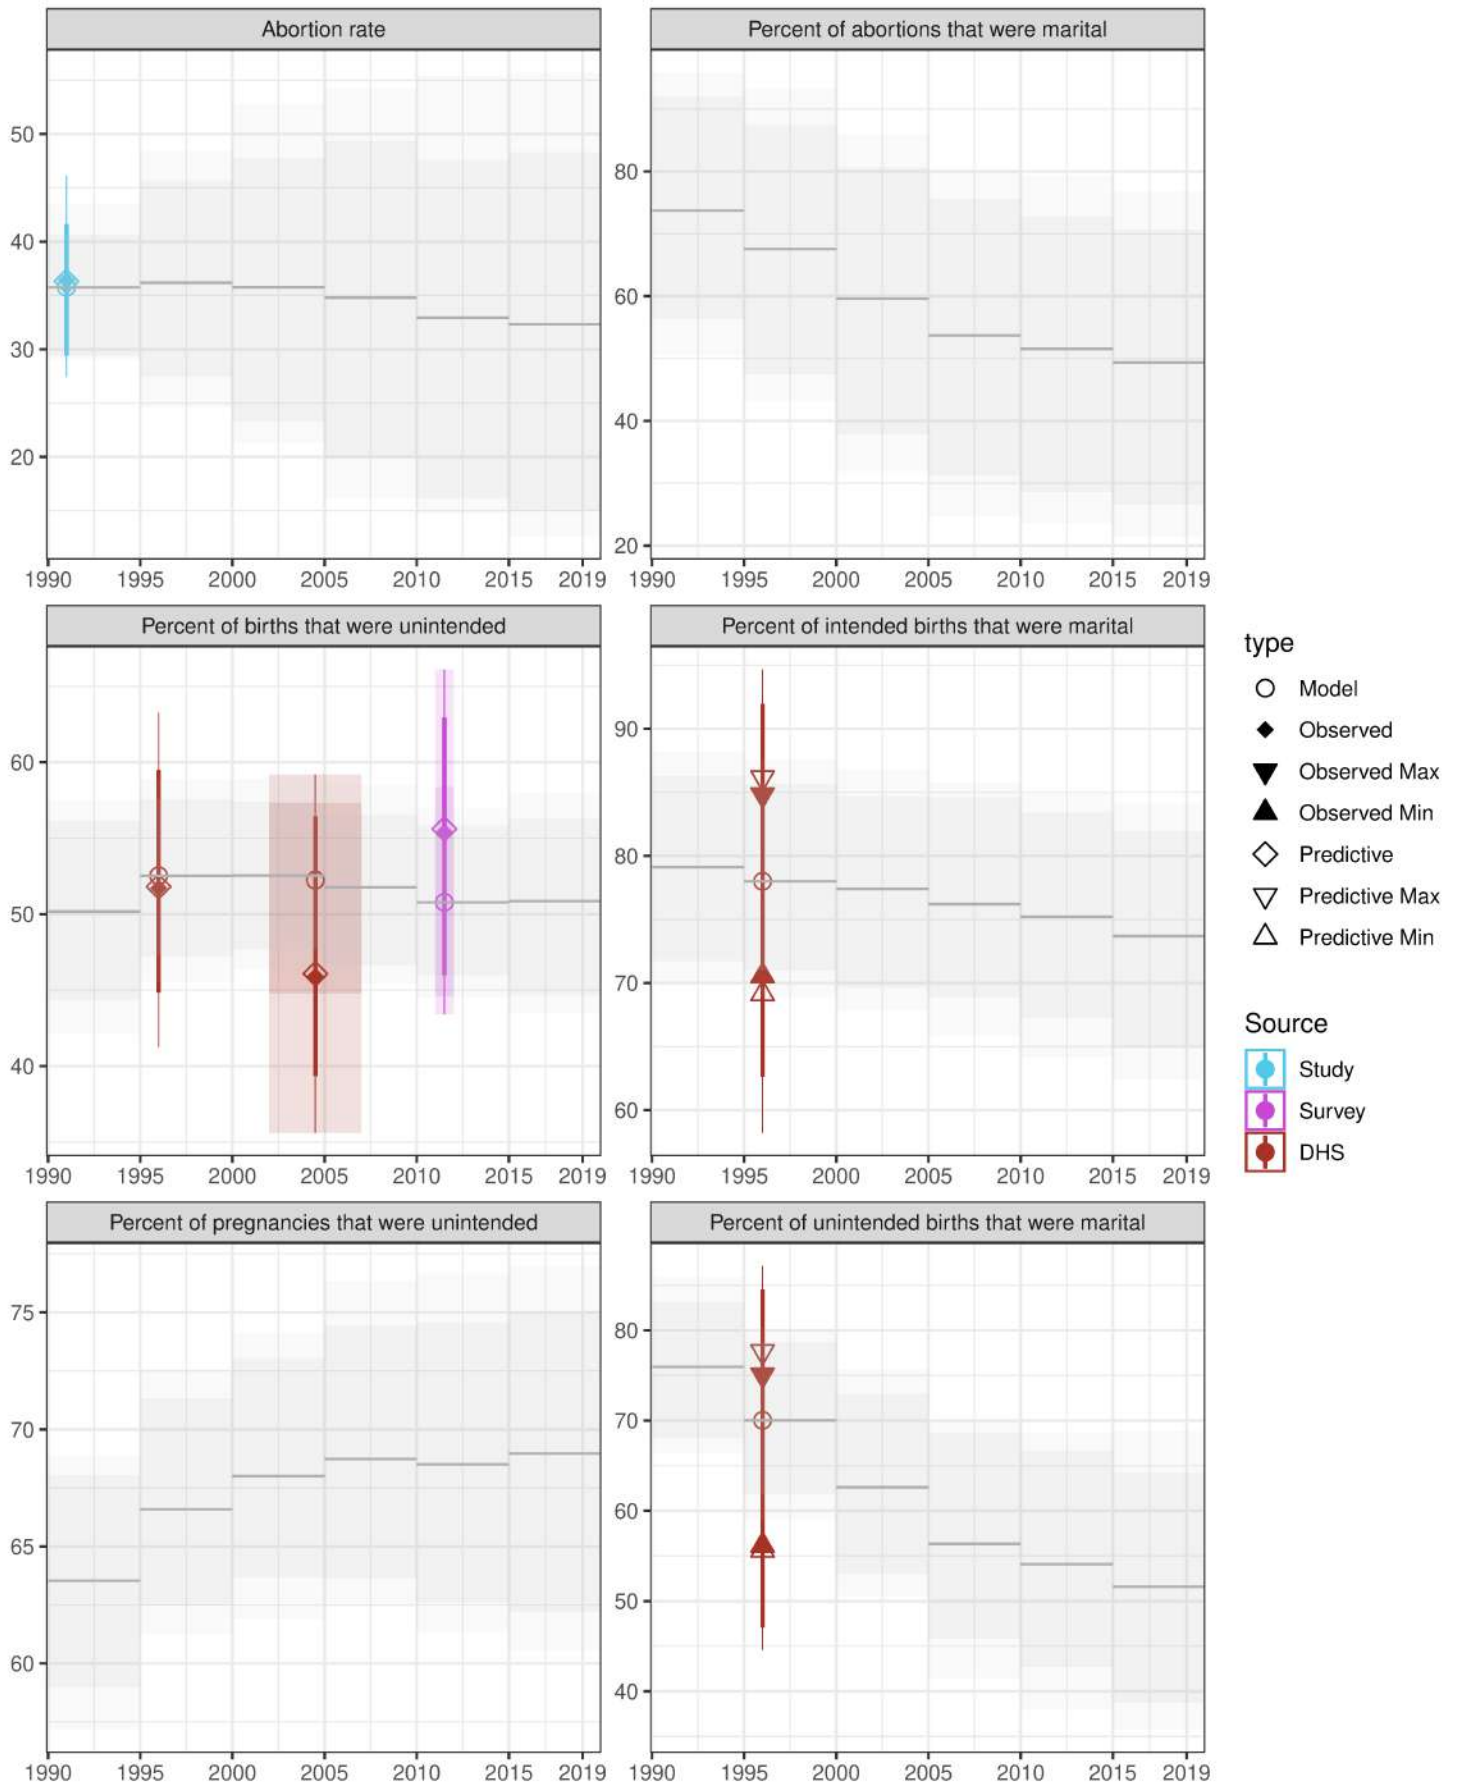

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Bolivia

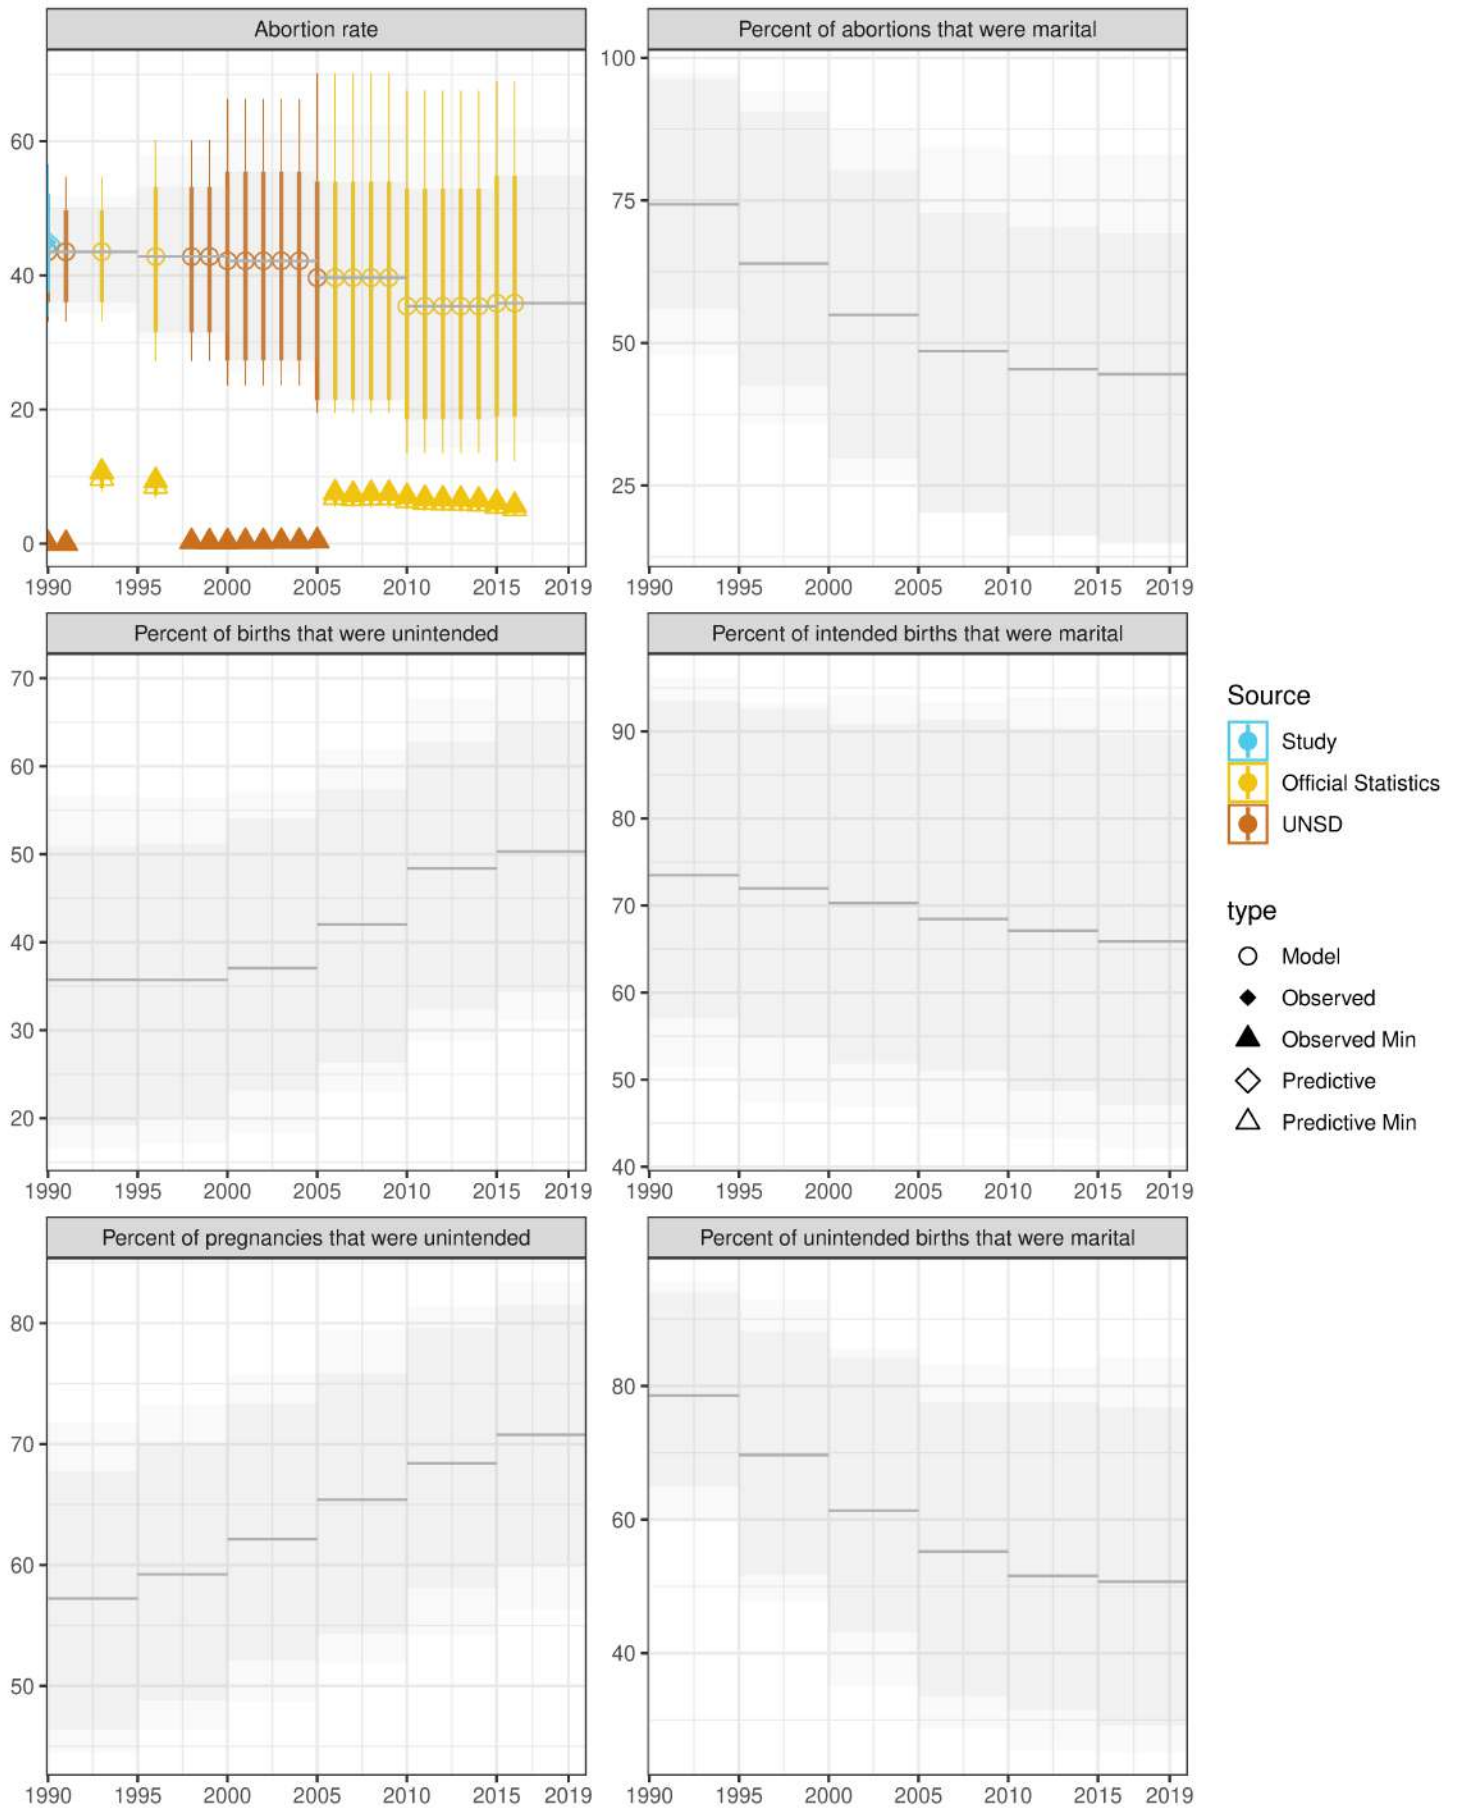

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Brazil

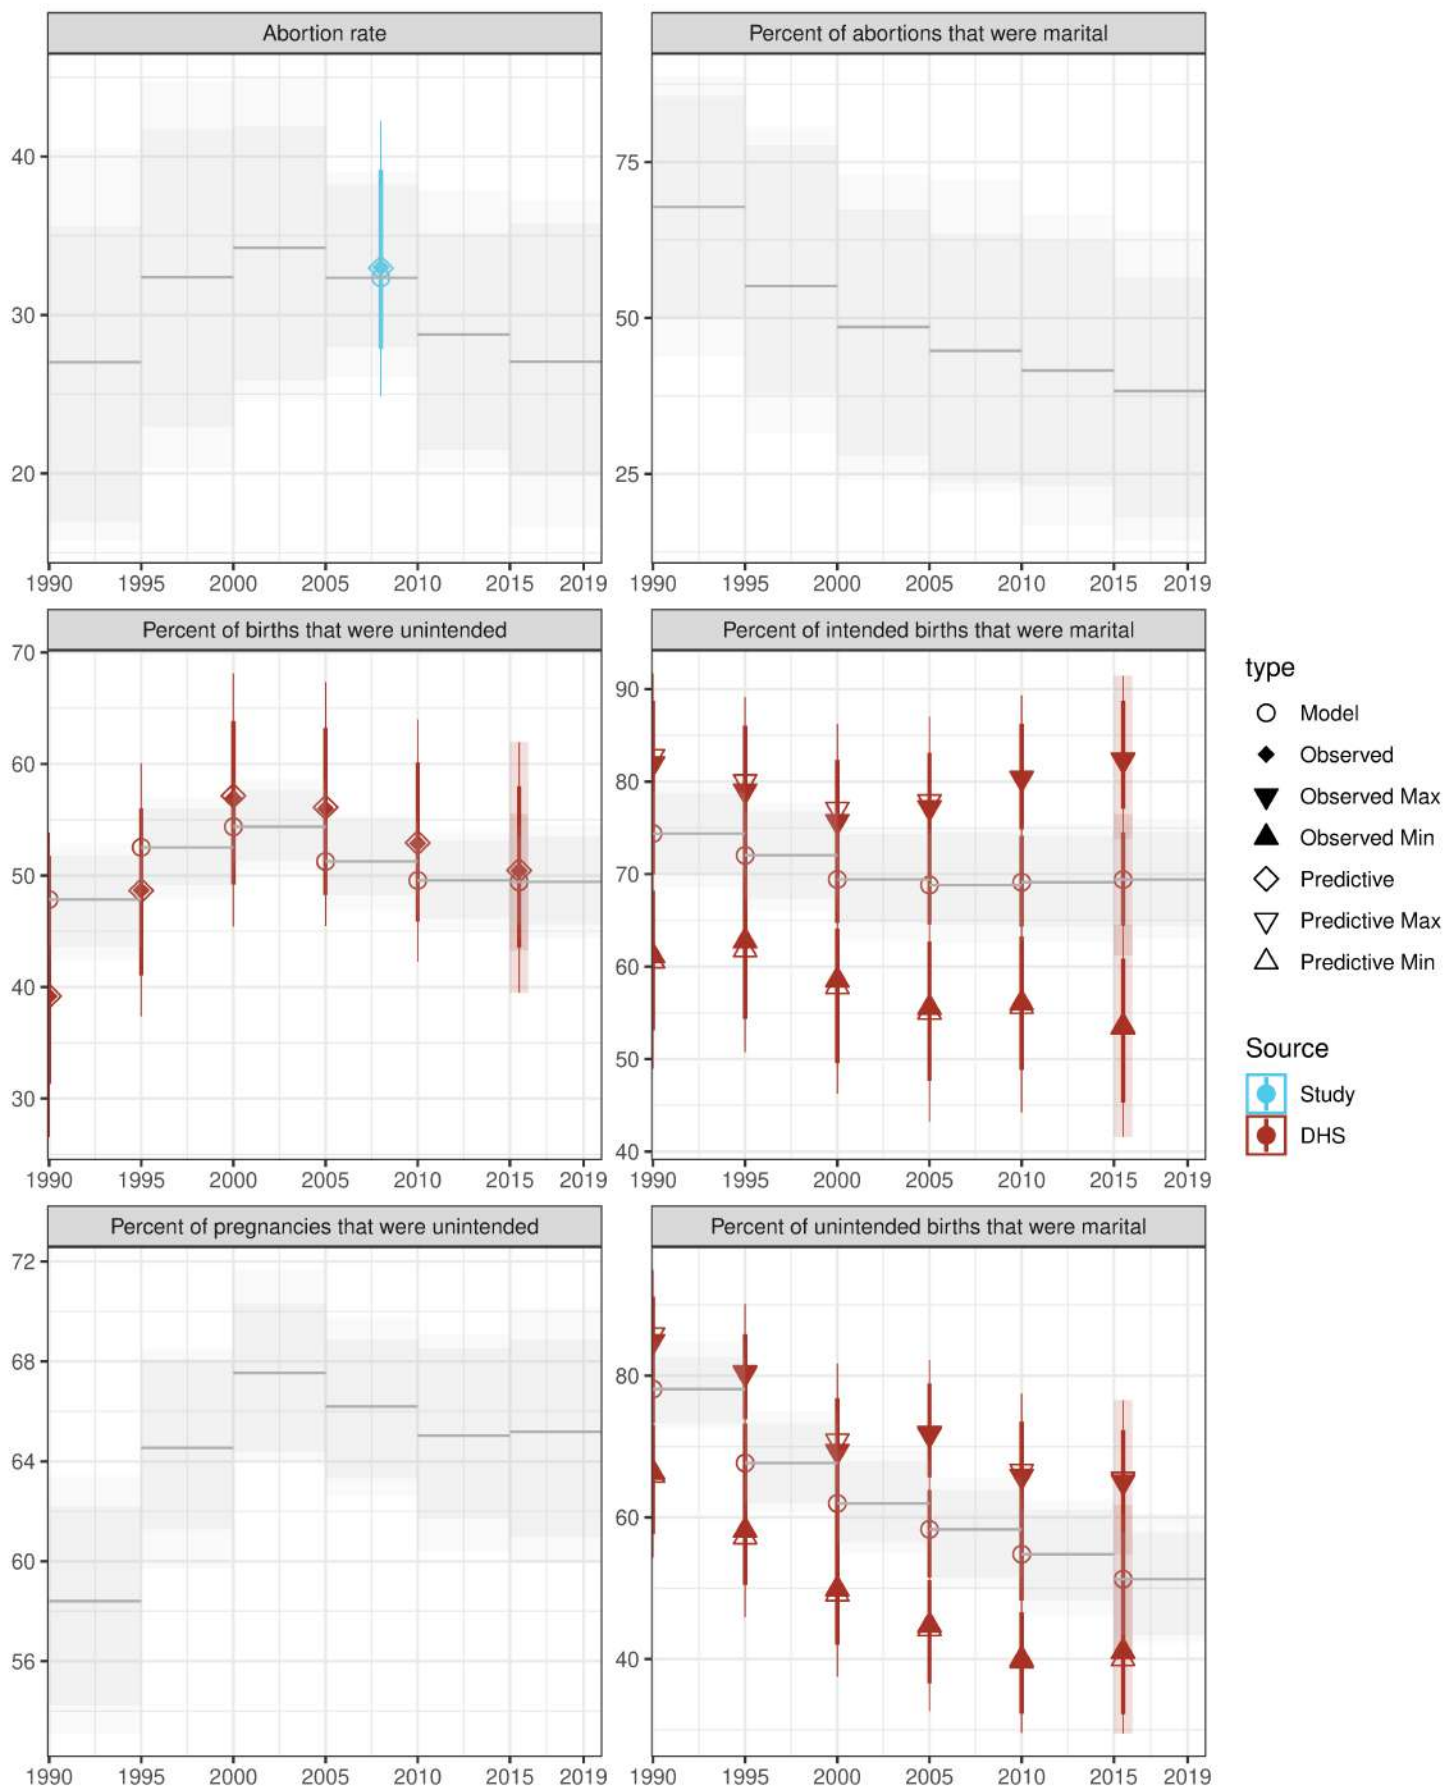

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Chile

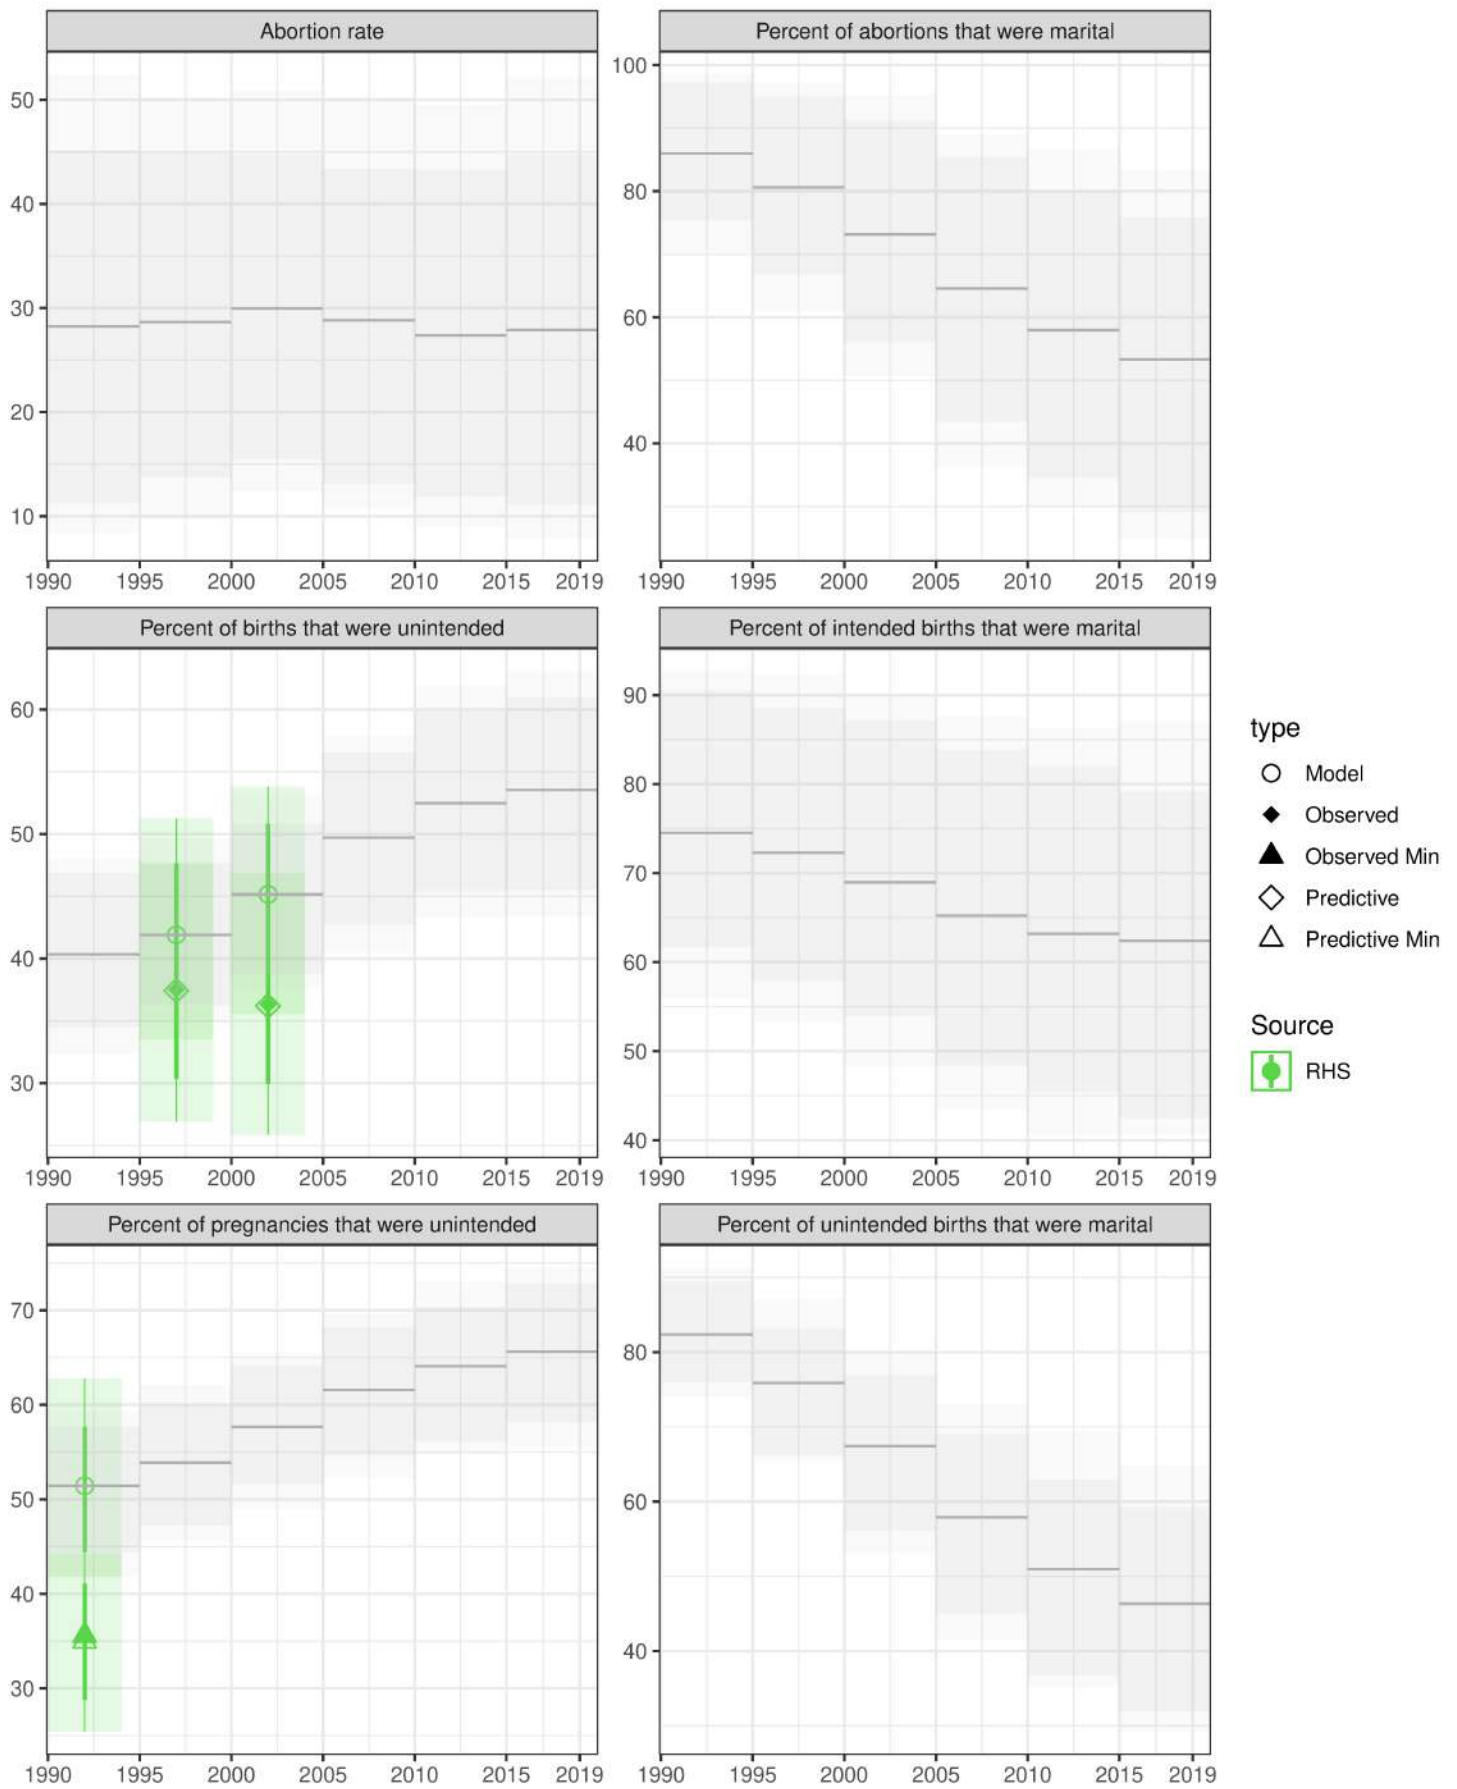

Colombia

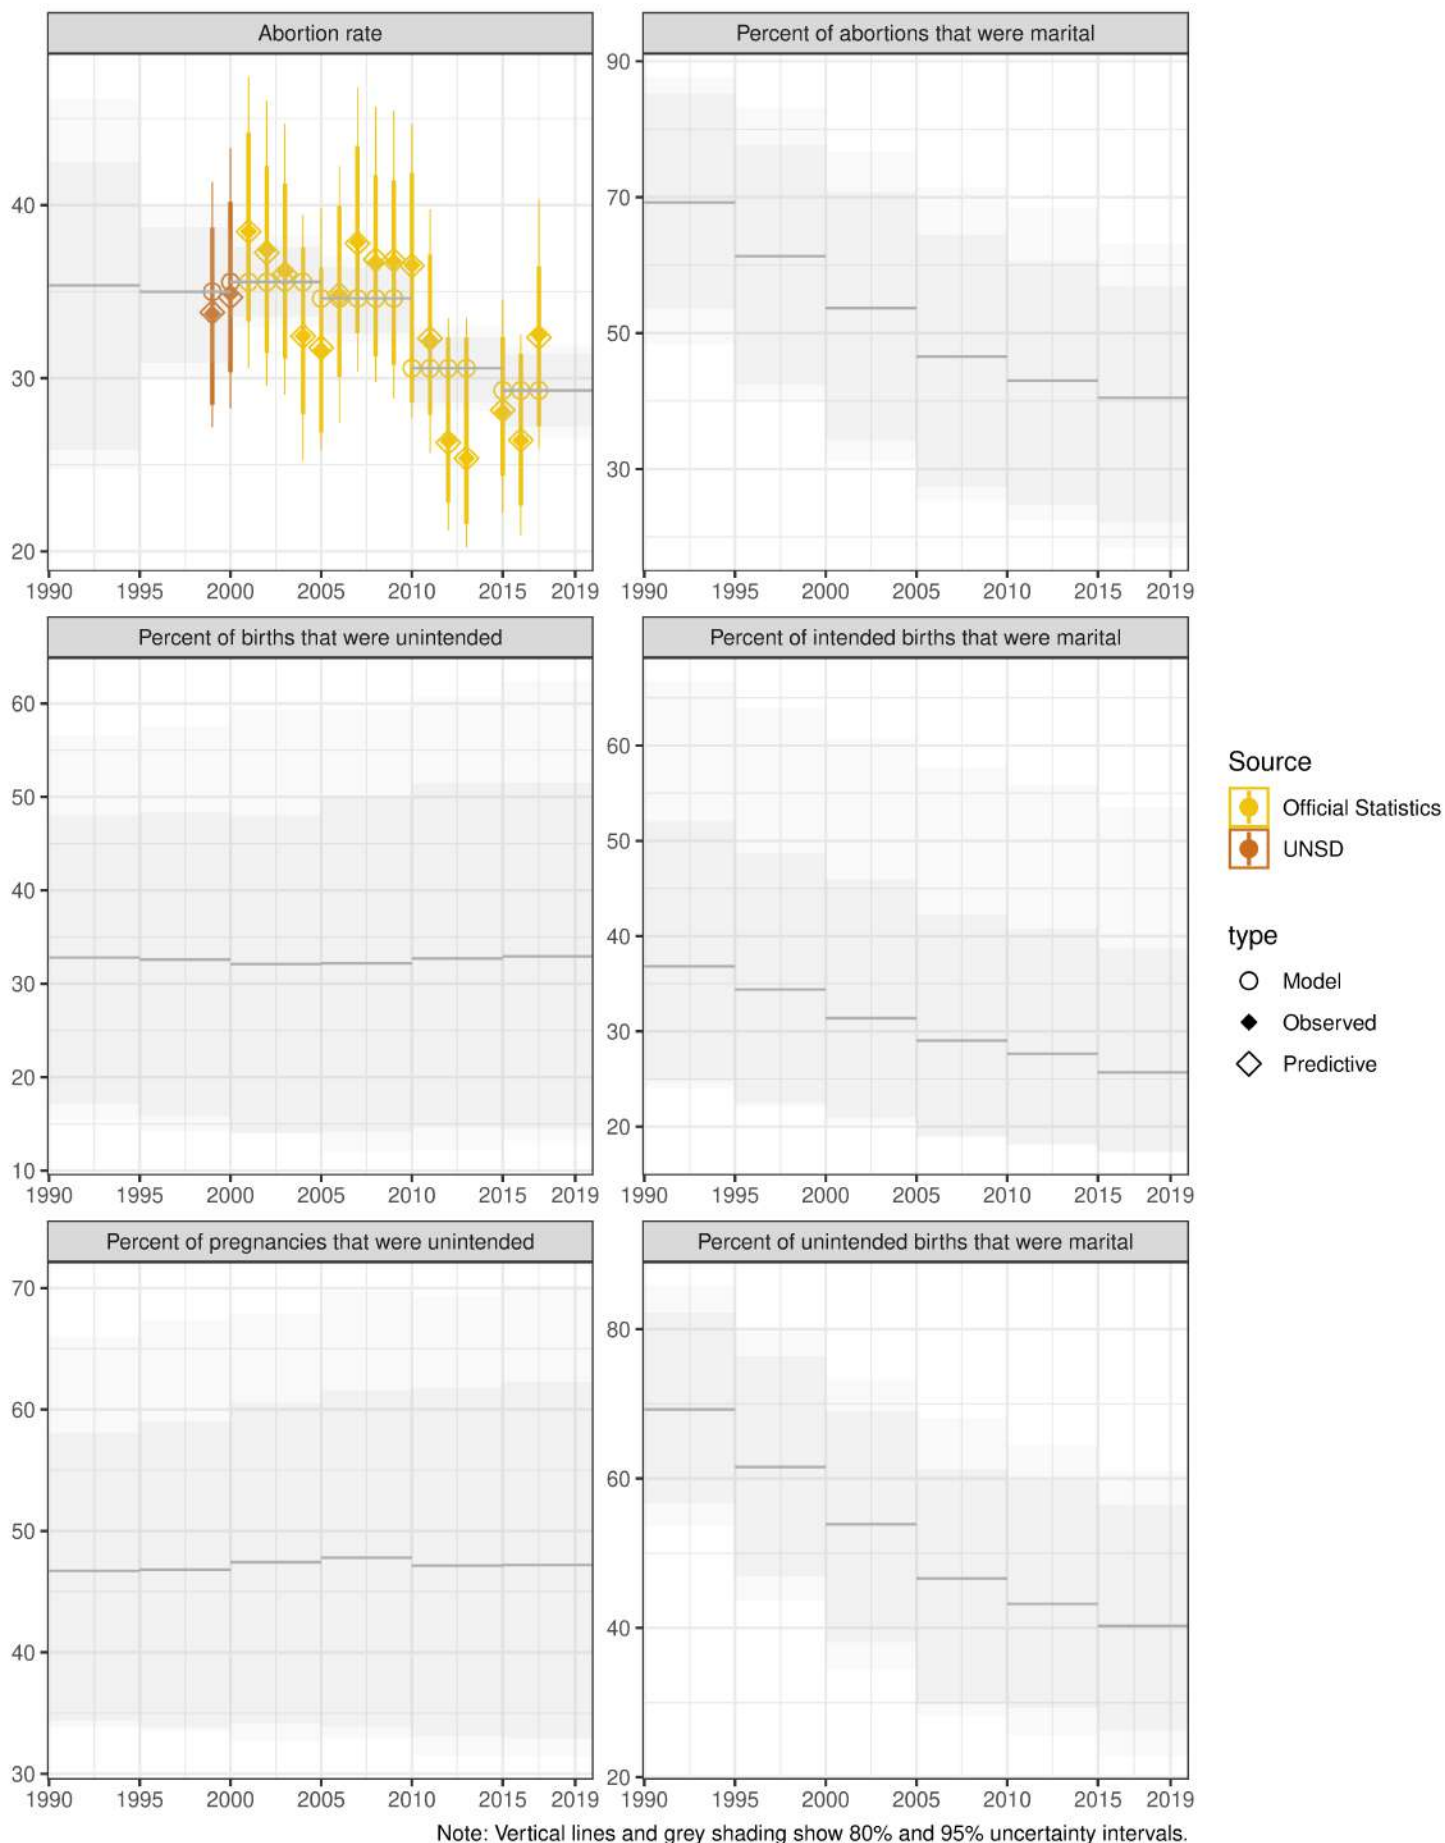

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Ecuador

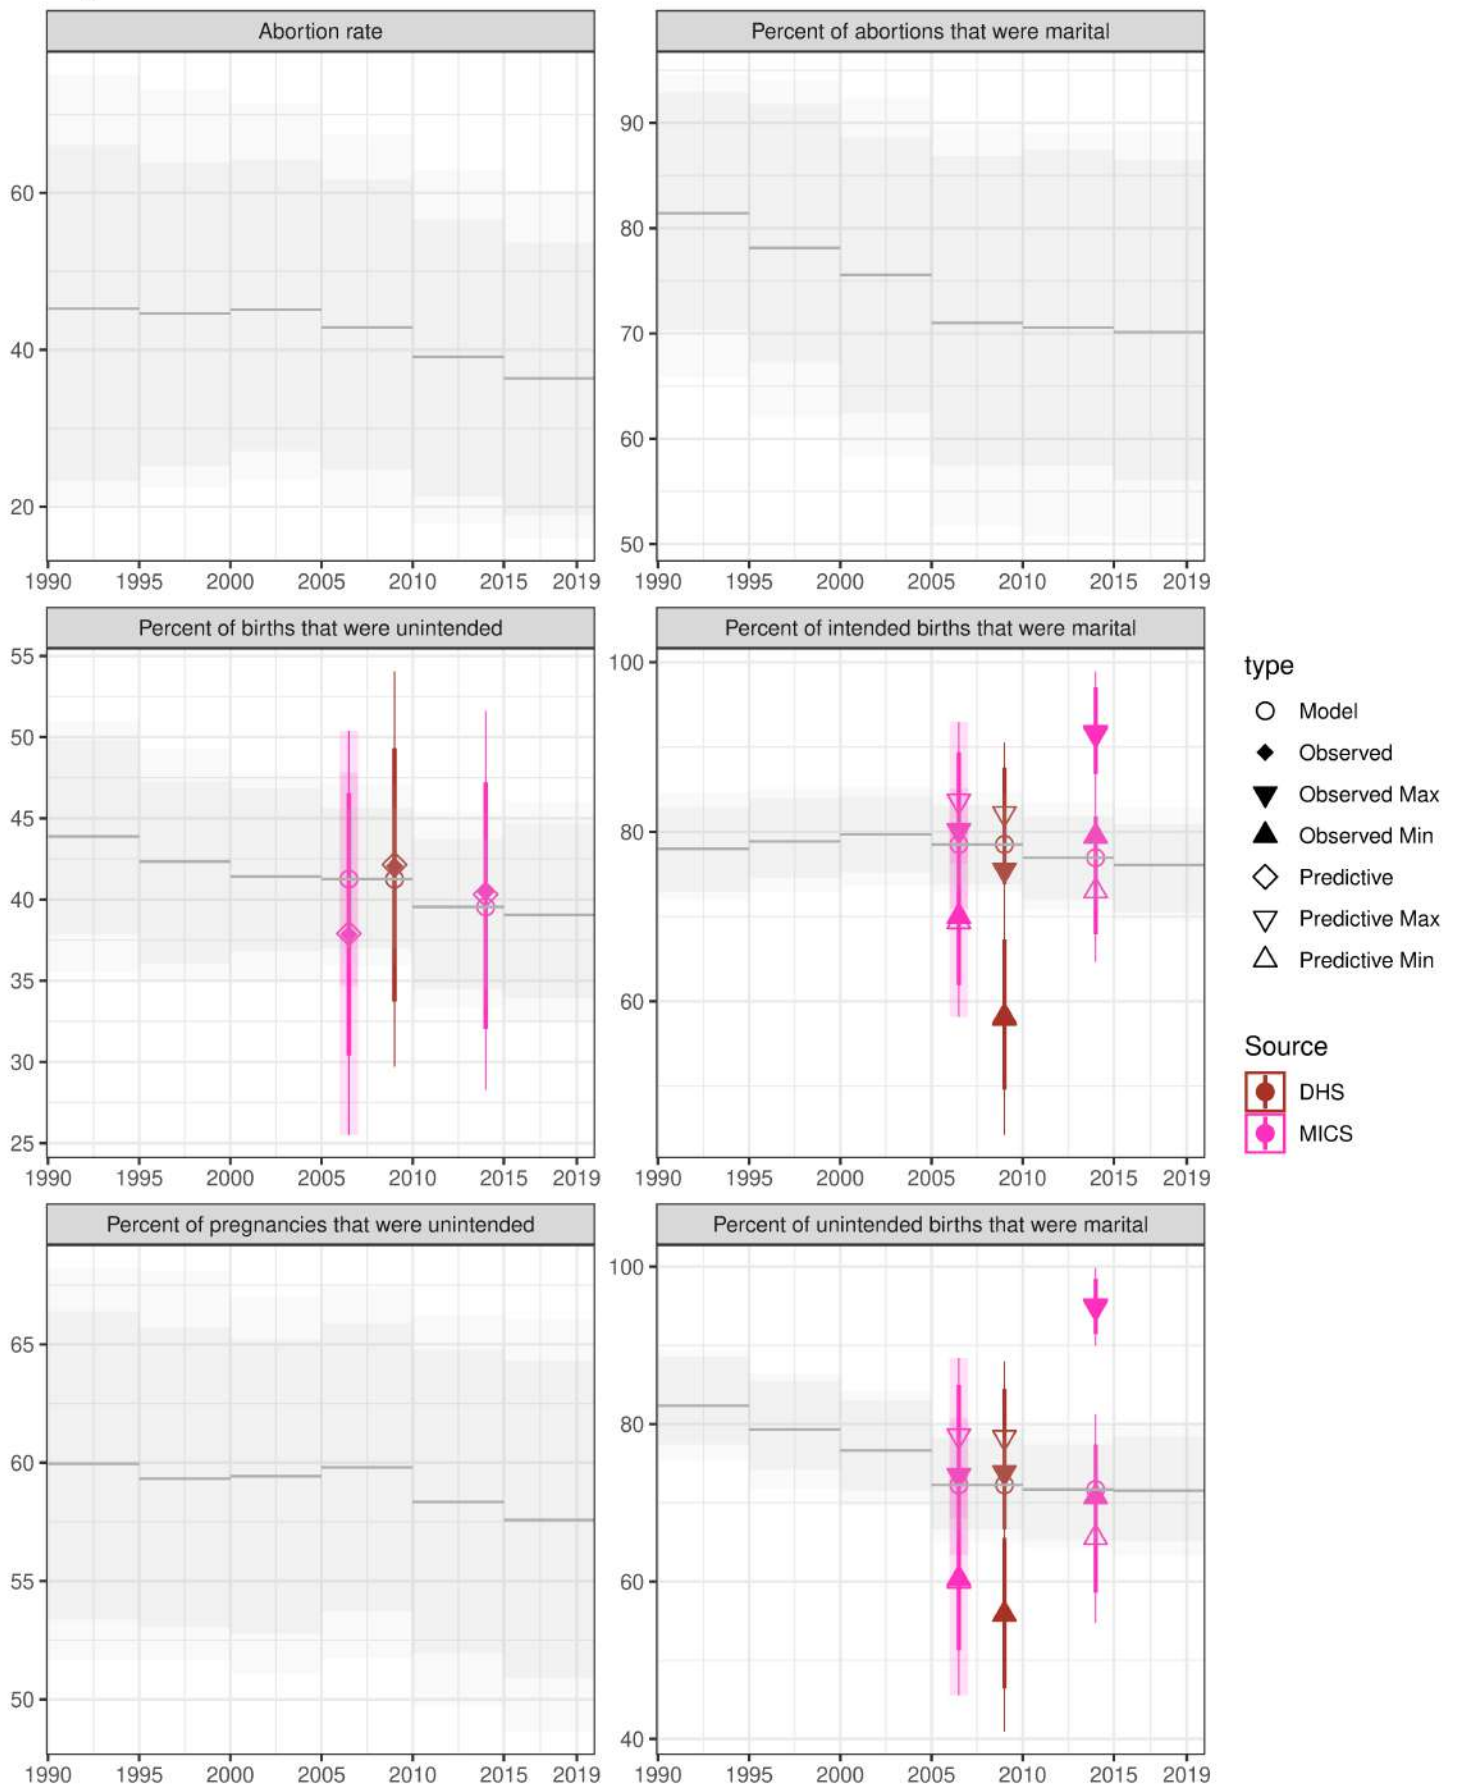

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

French Guiana

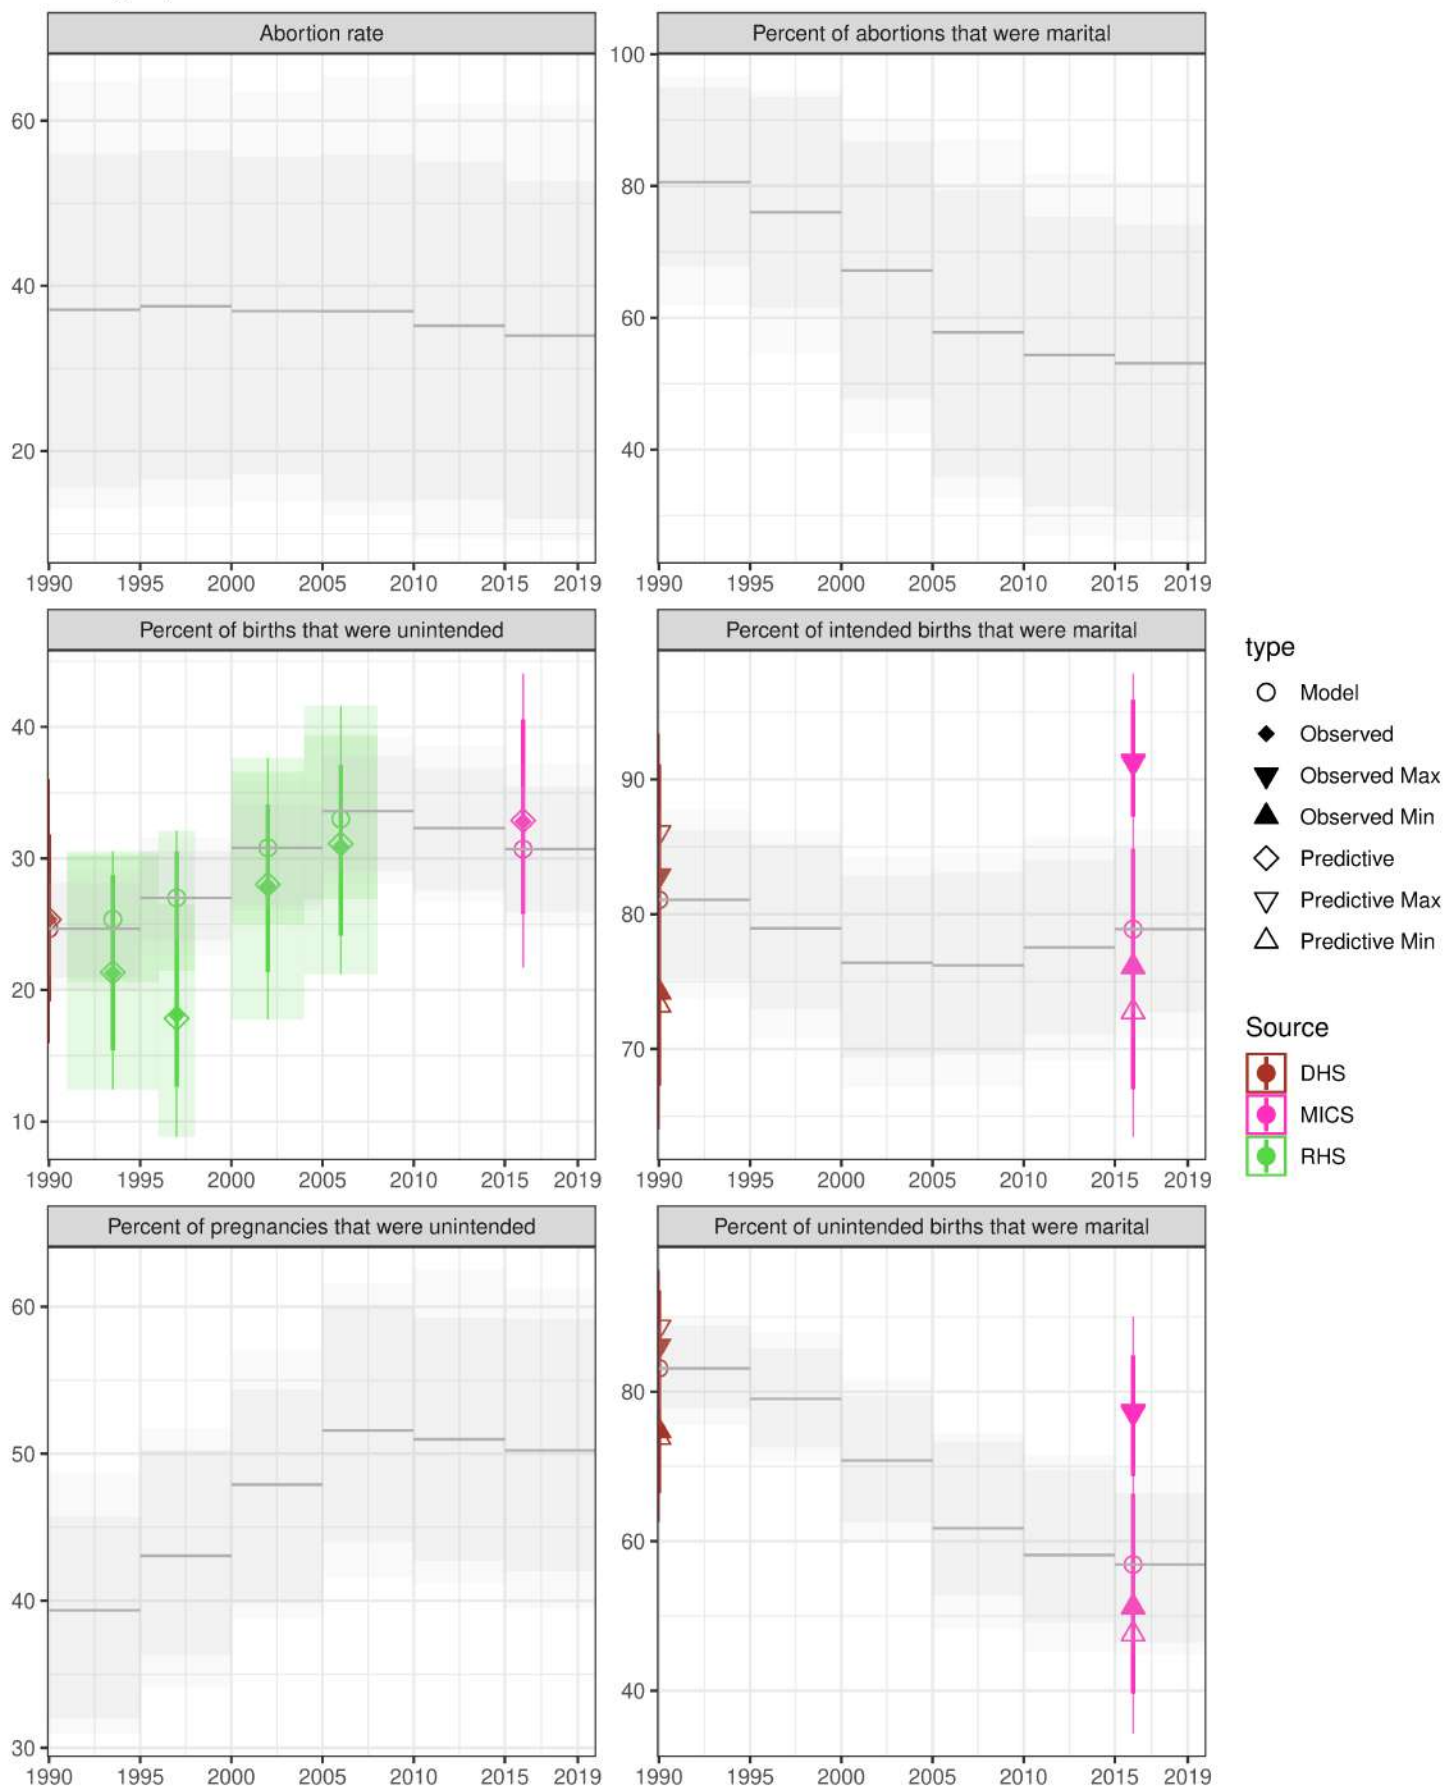

Guyana

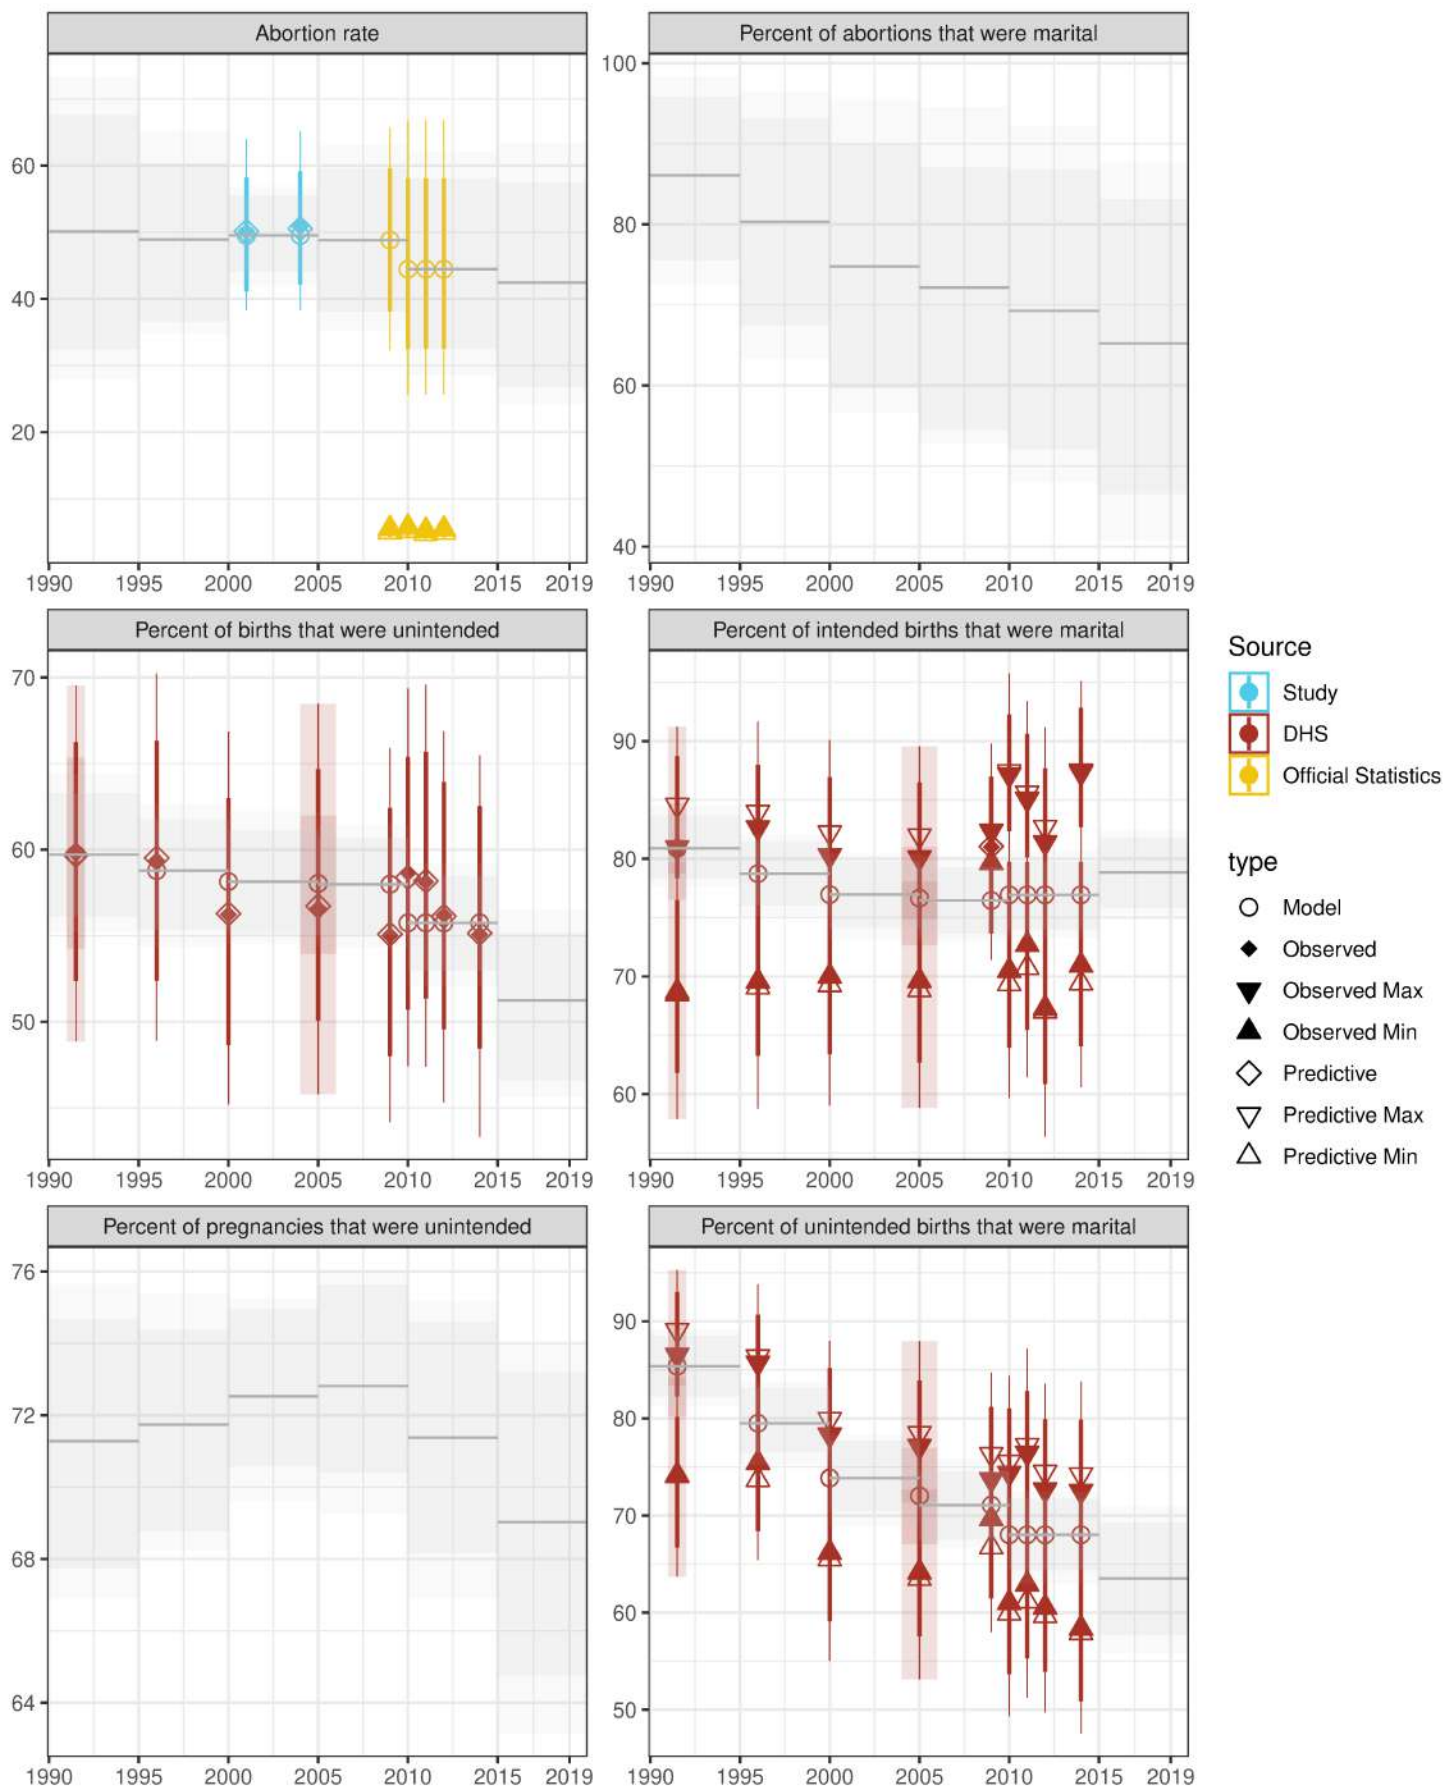

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Paraguay

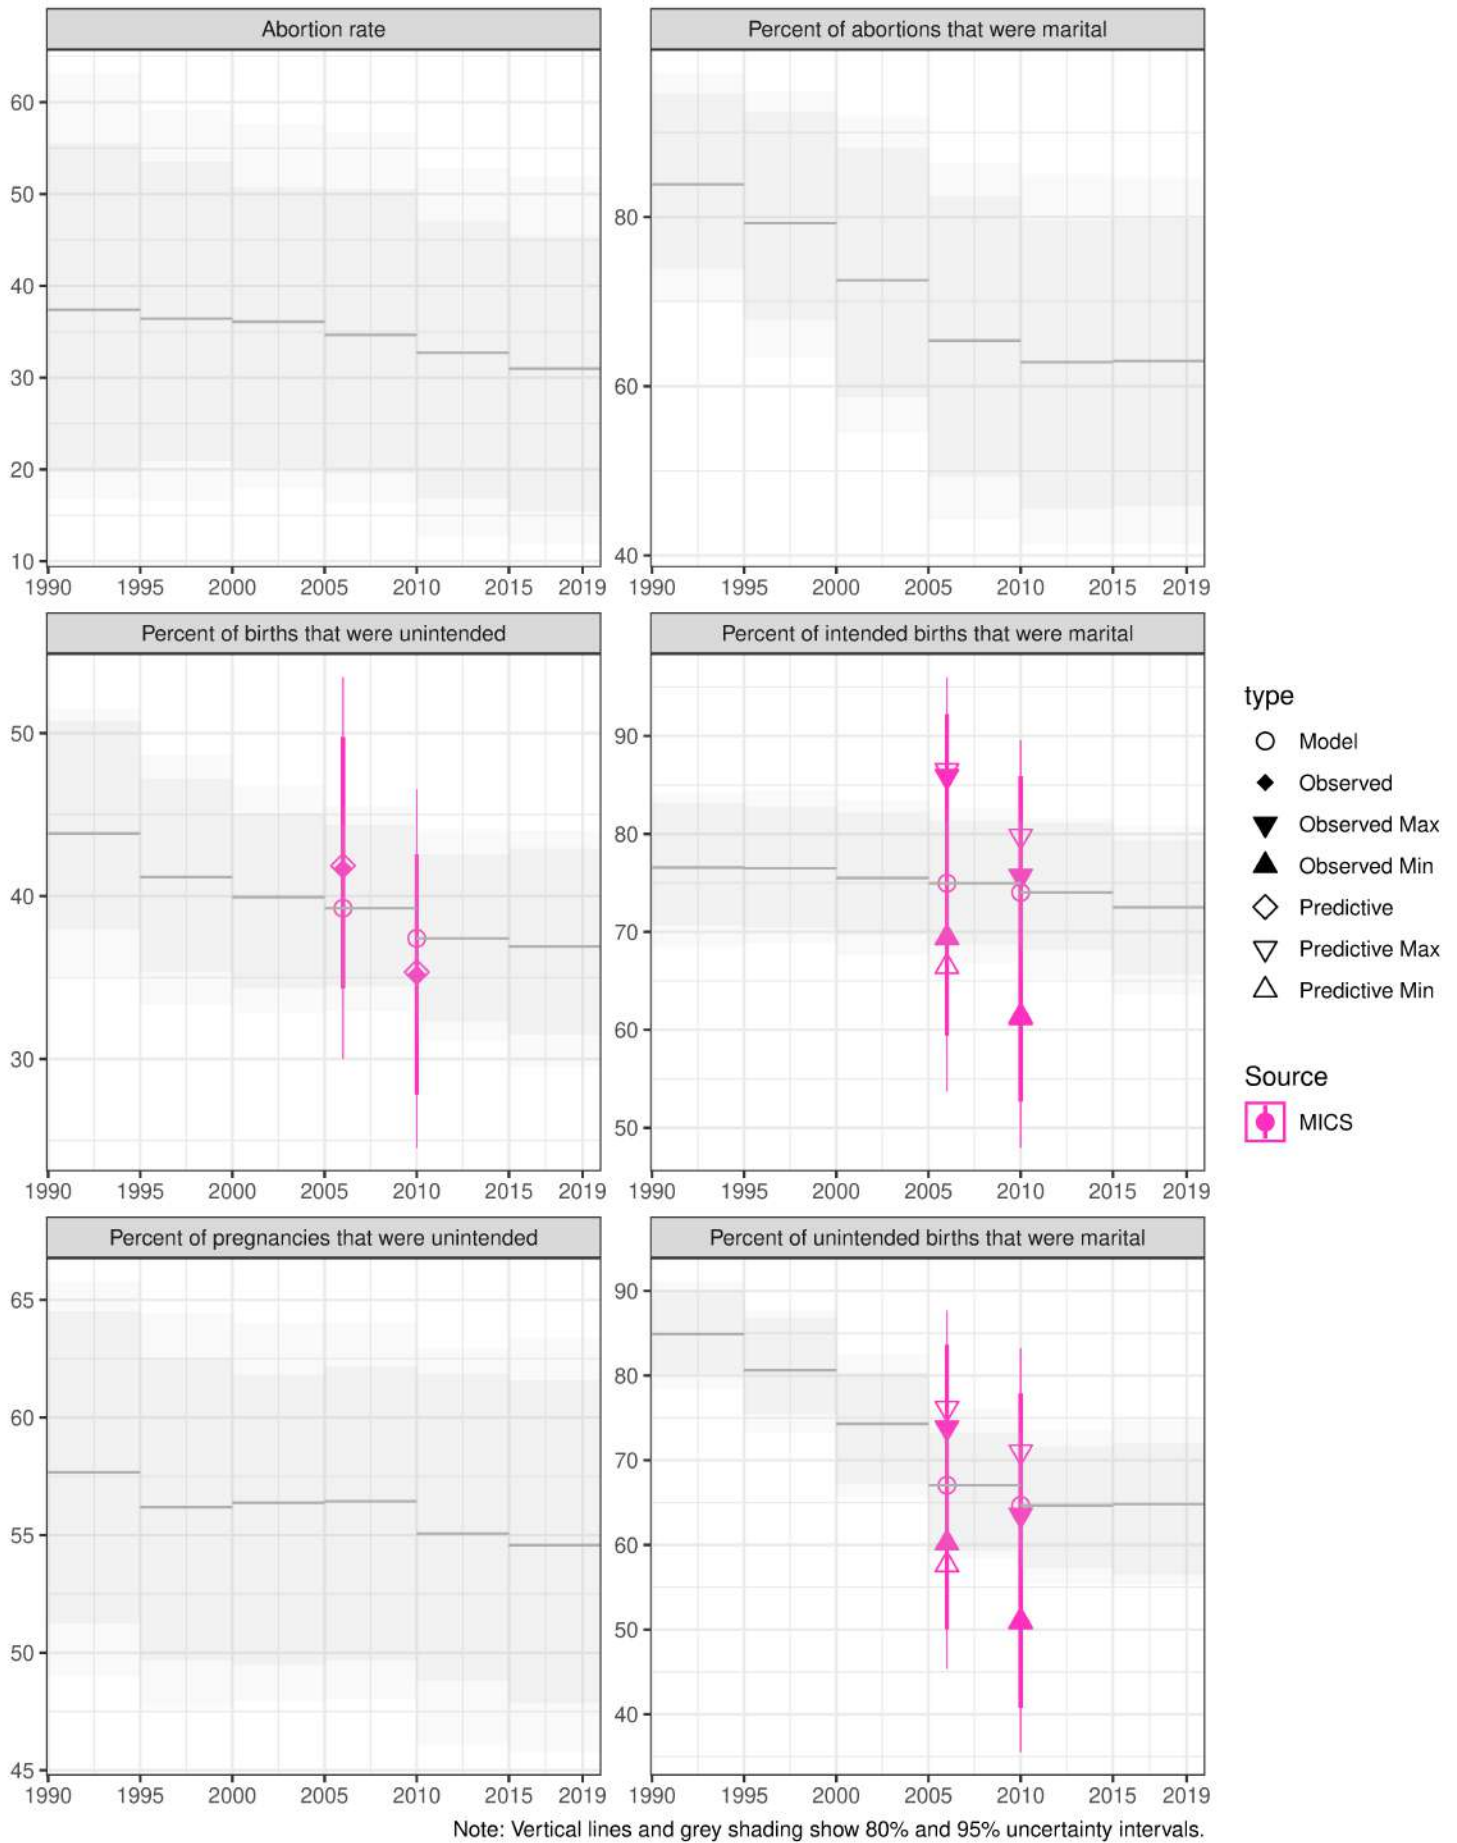

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Peru

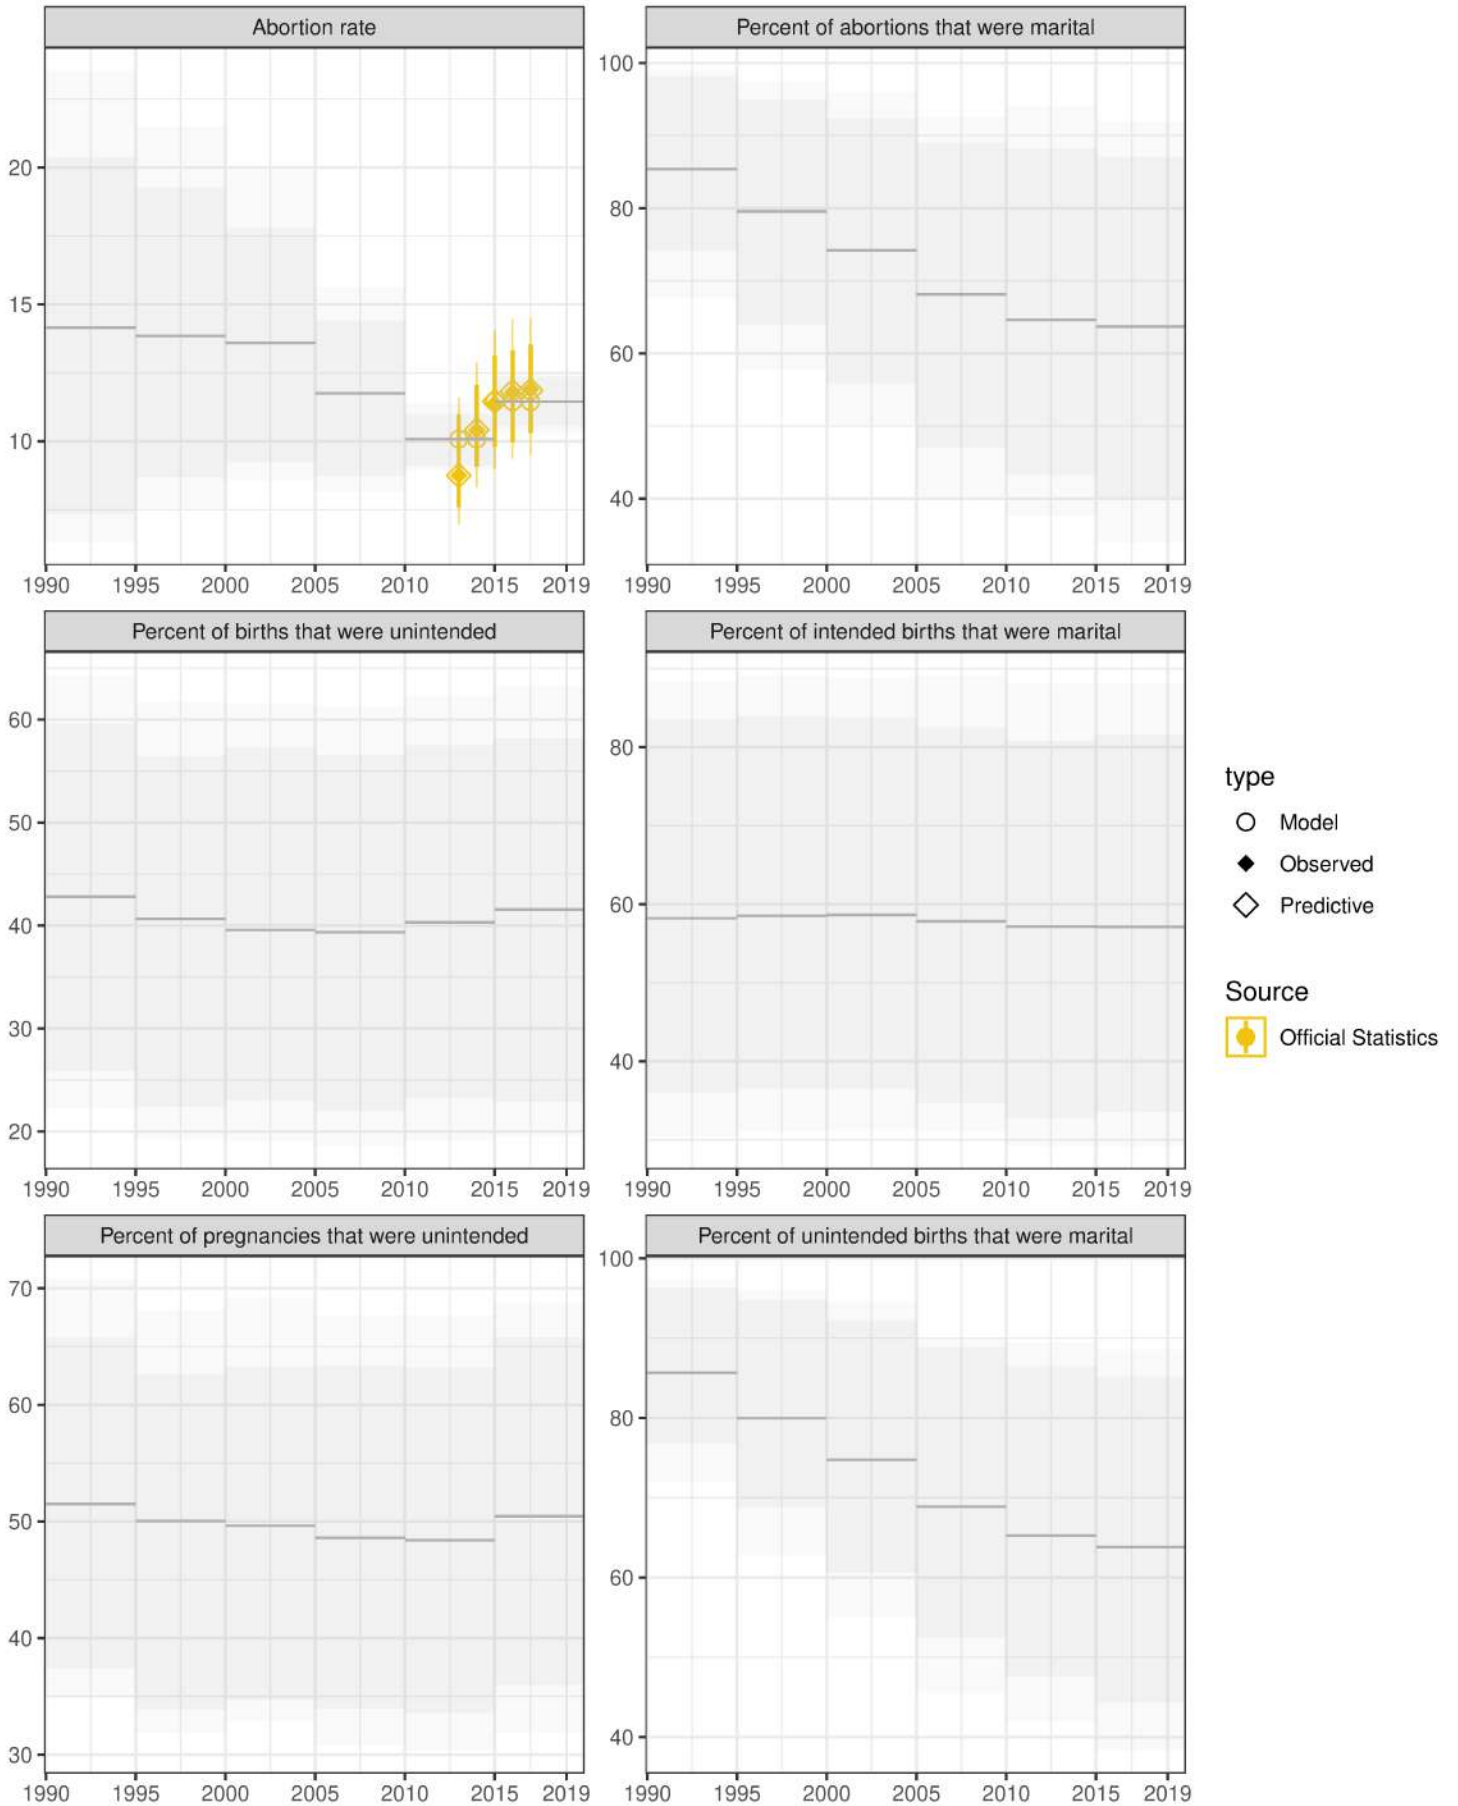

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Suriname

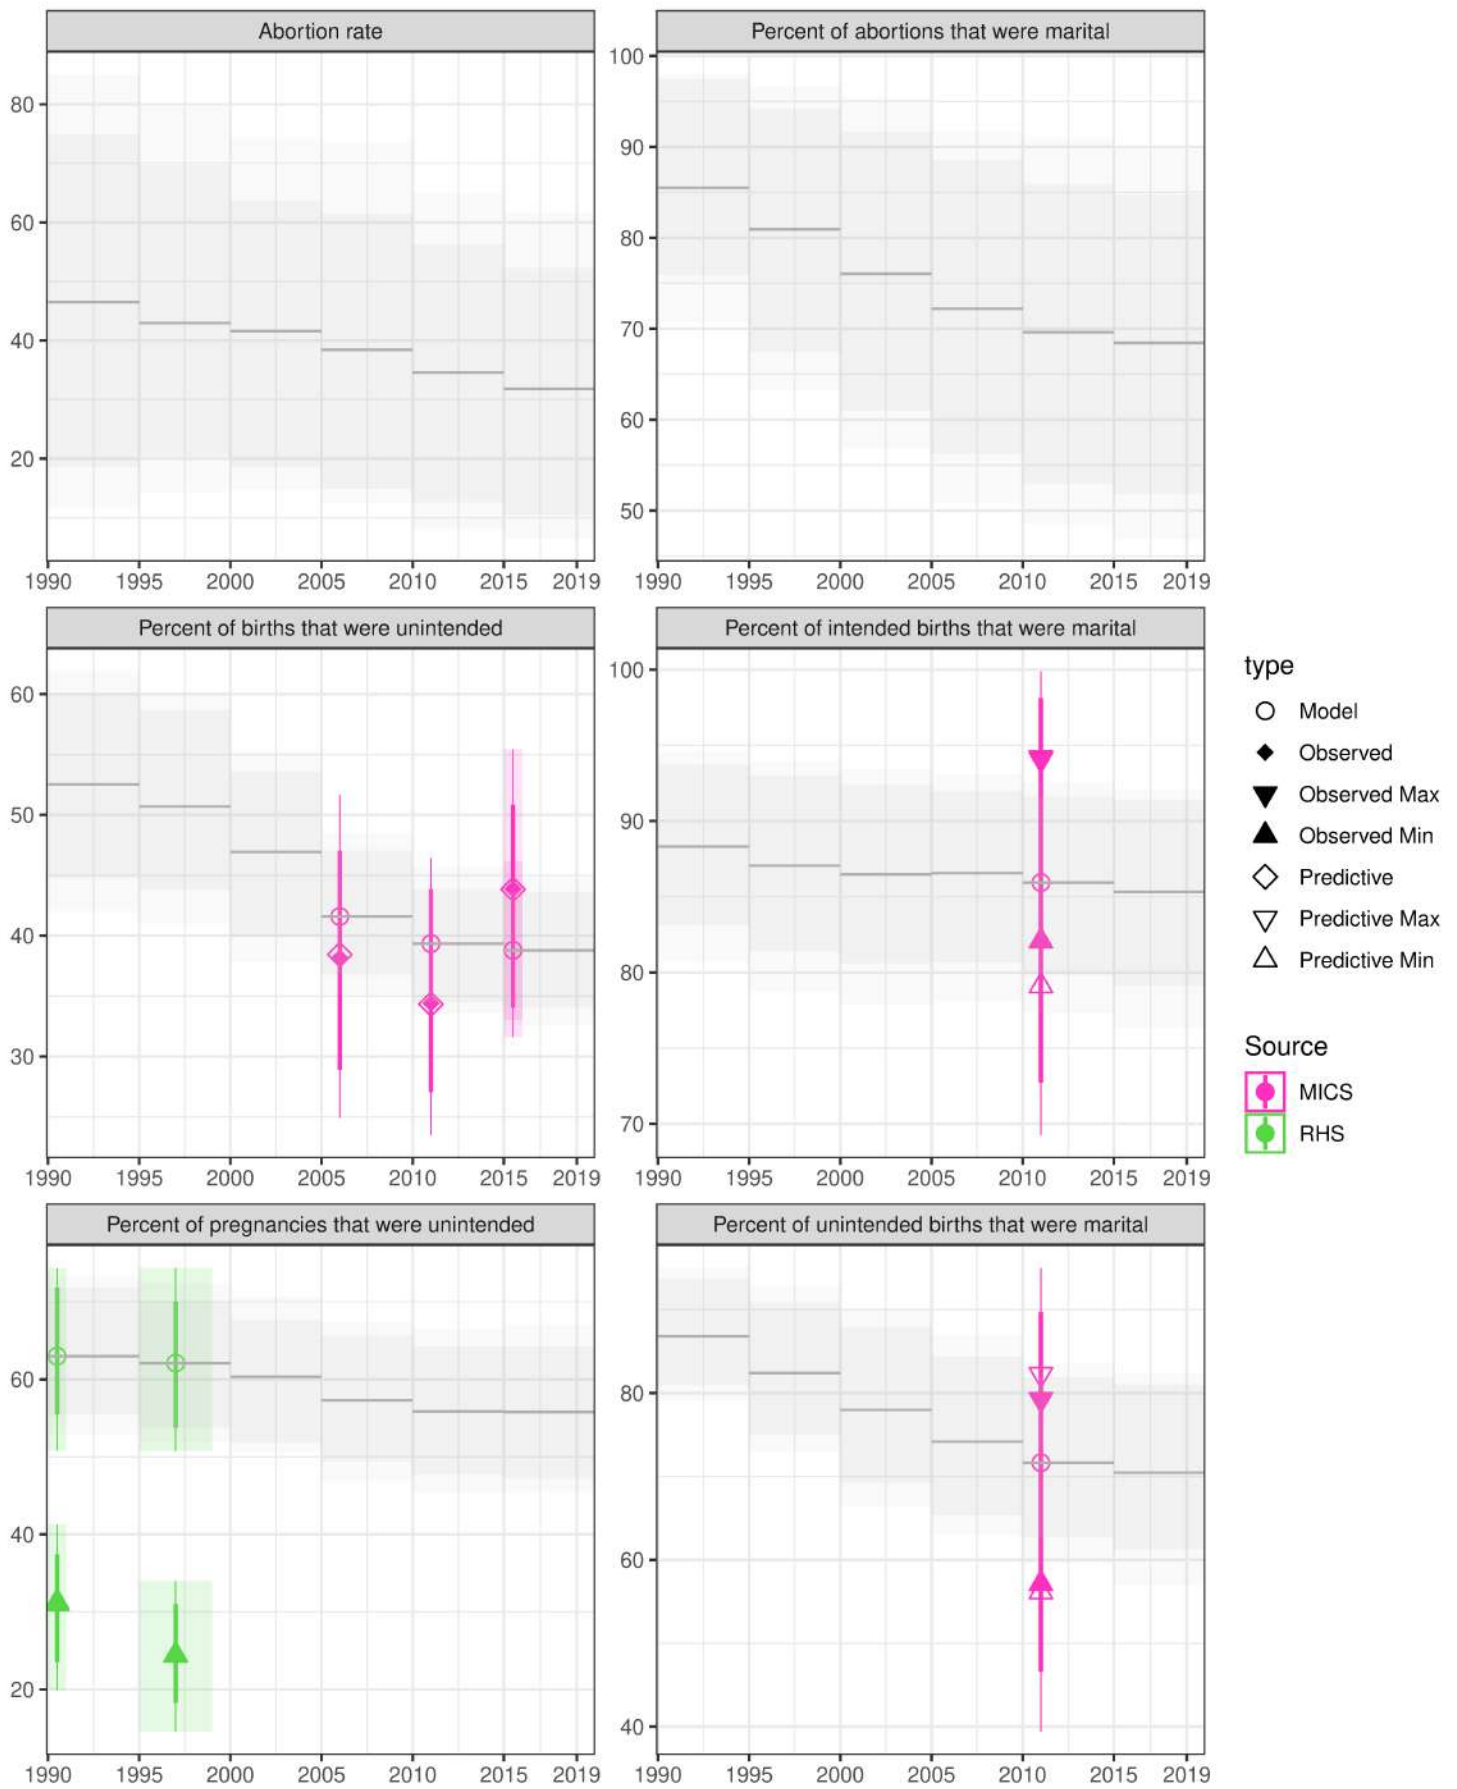

Uruguay

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

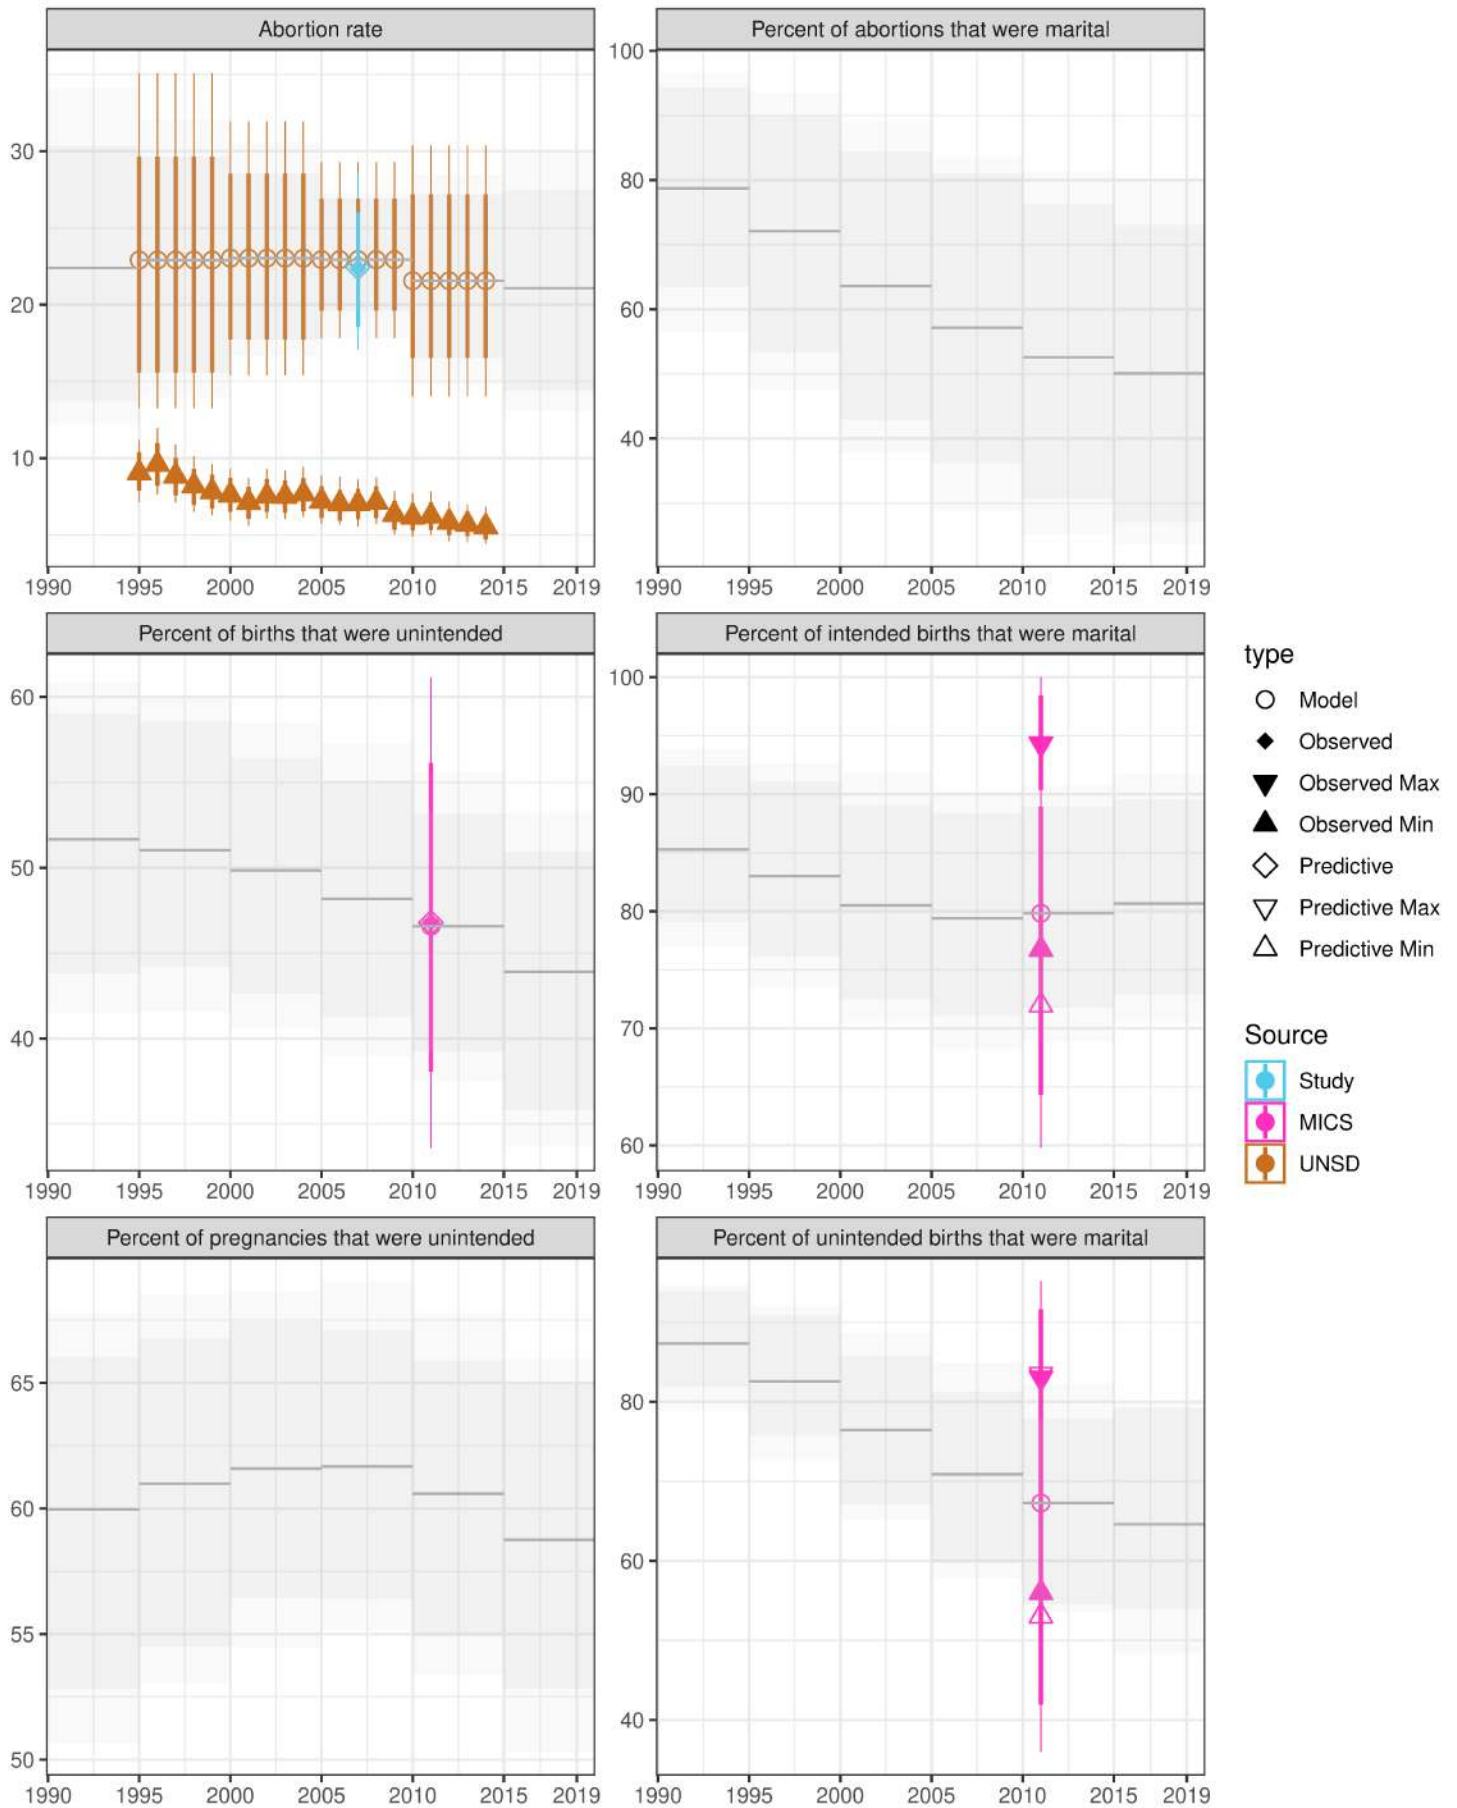

5.2 Central America

Belize

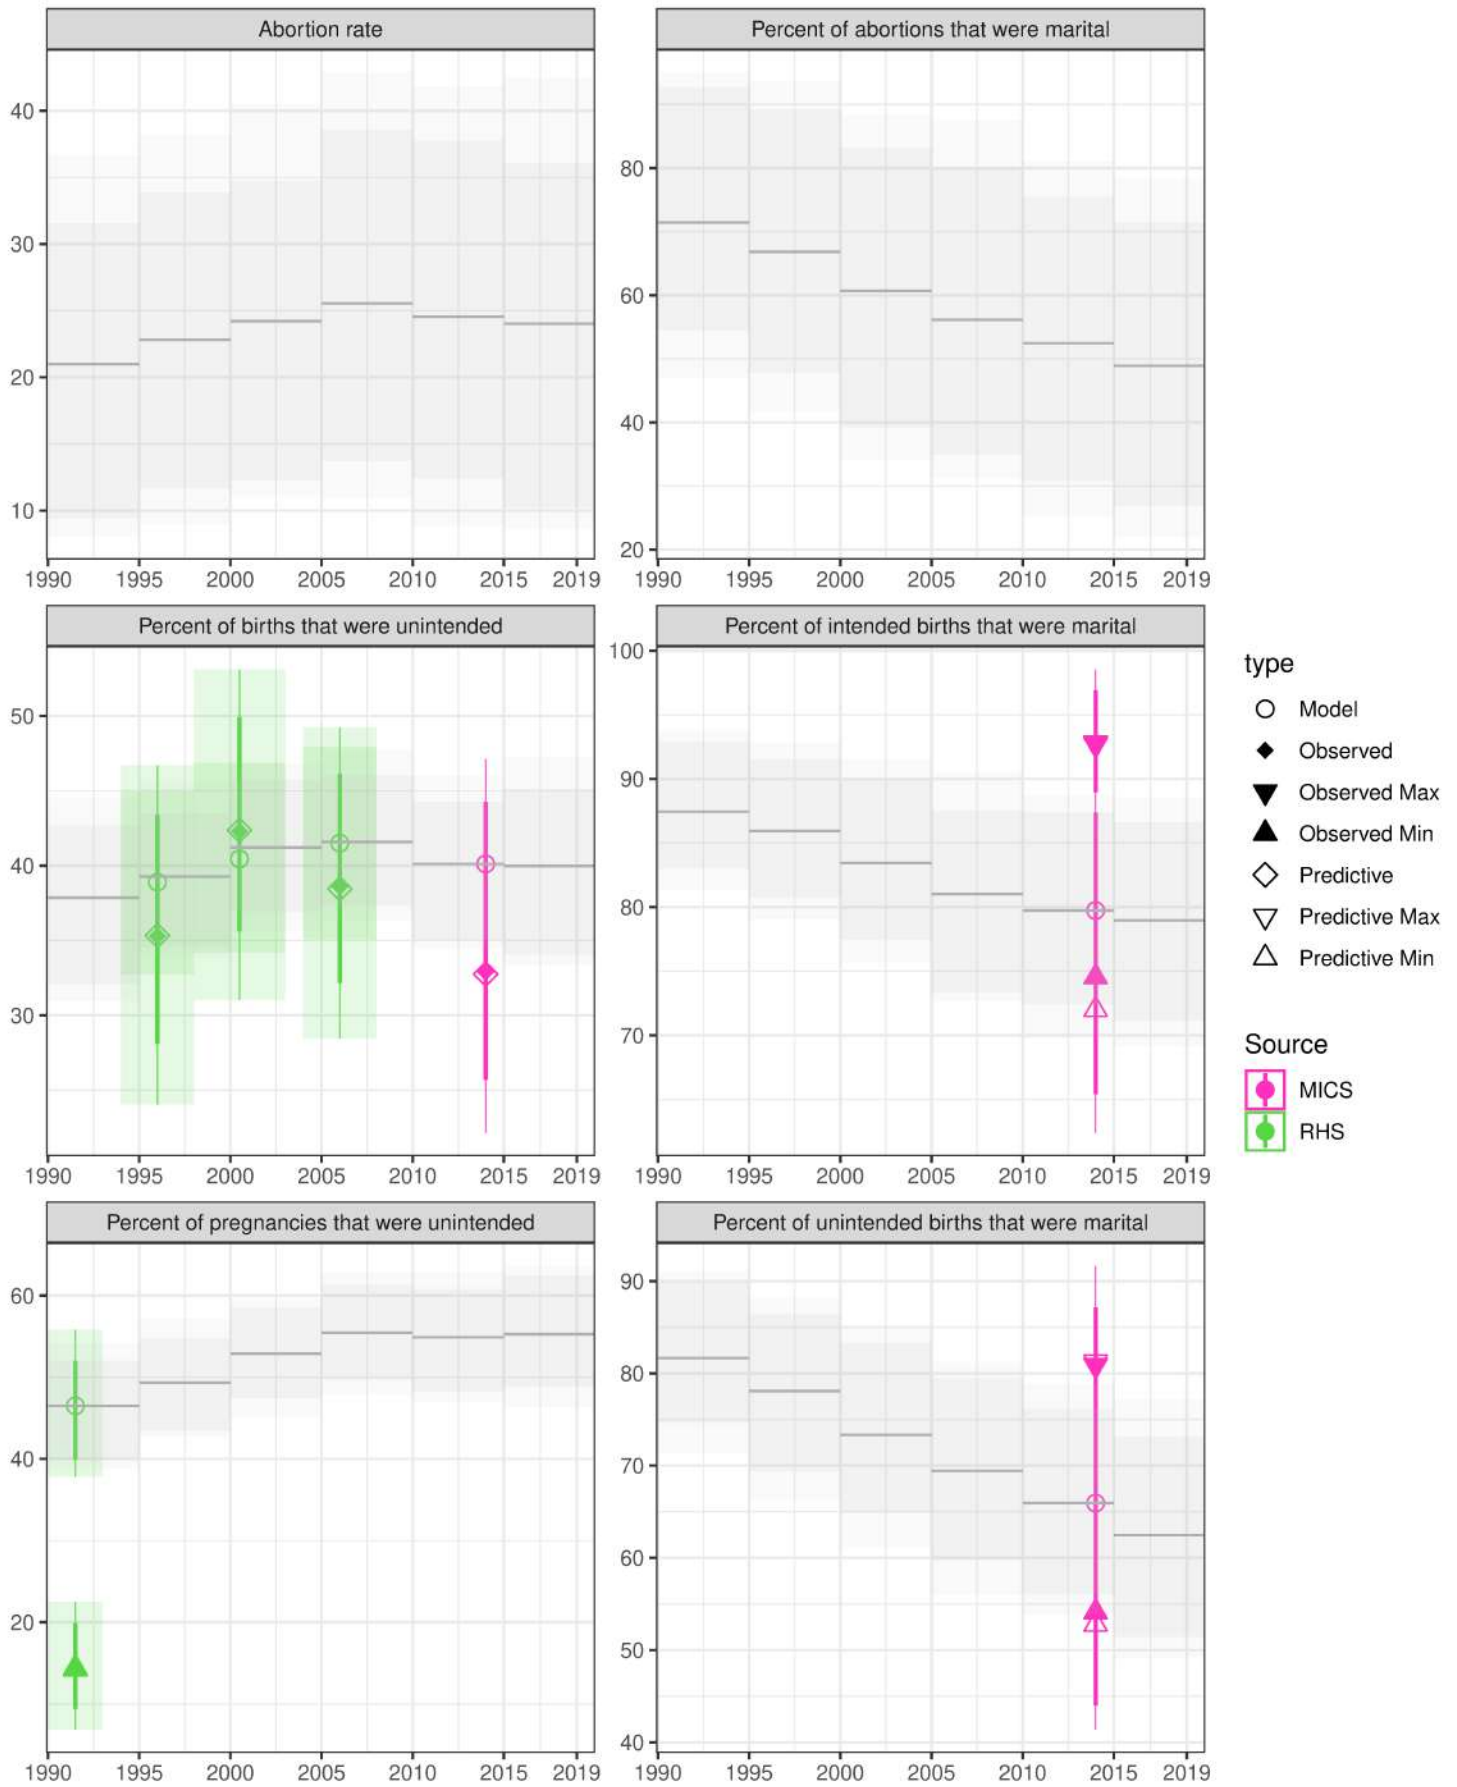

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Costa Rica

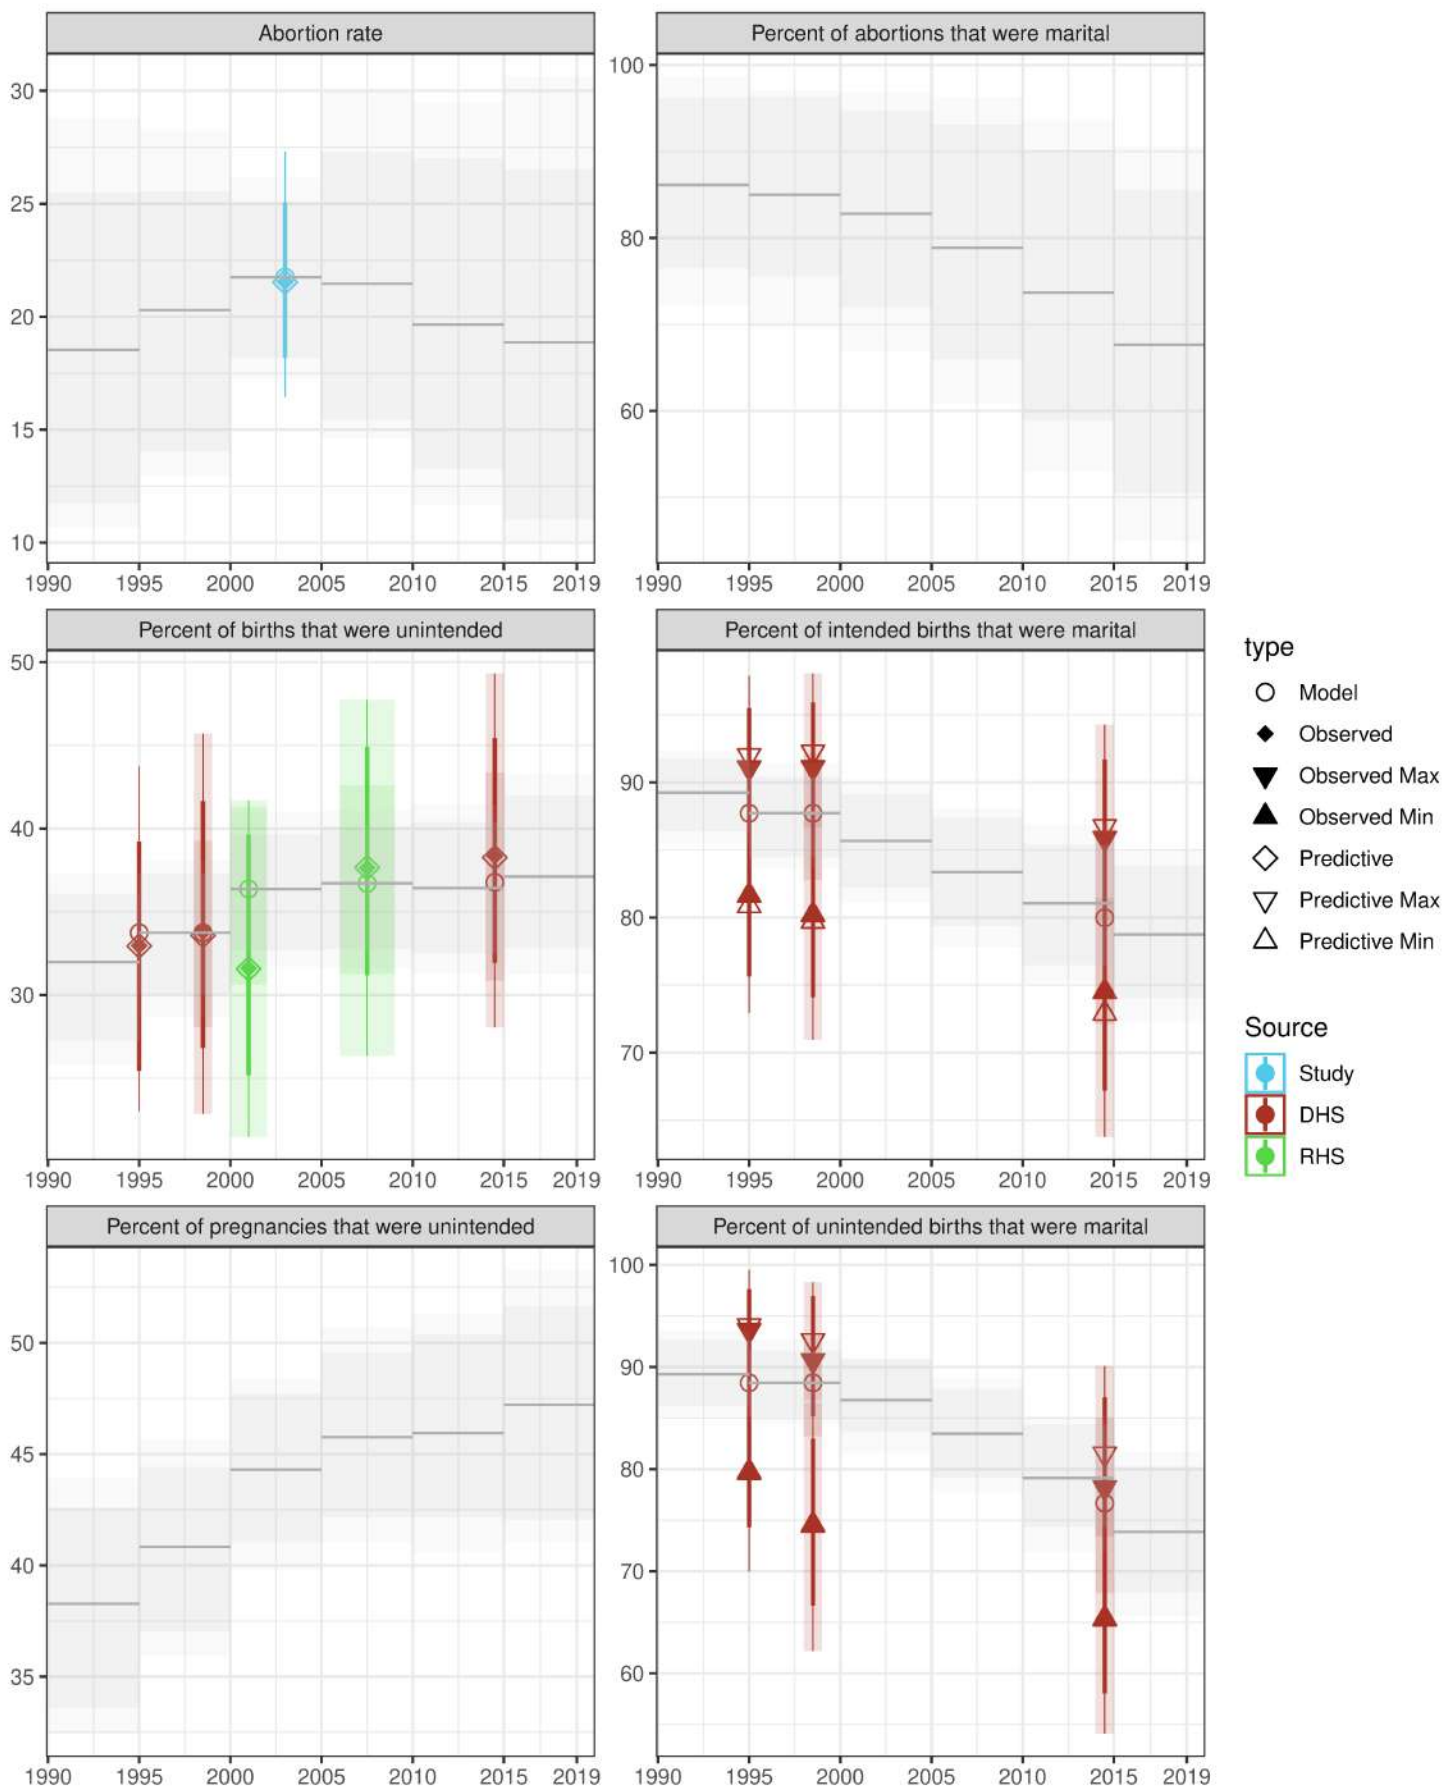

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

El Salvador

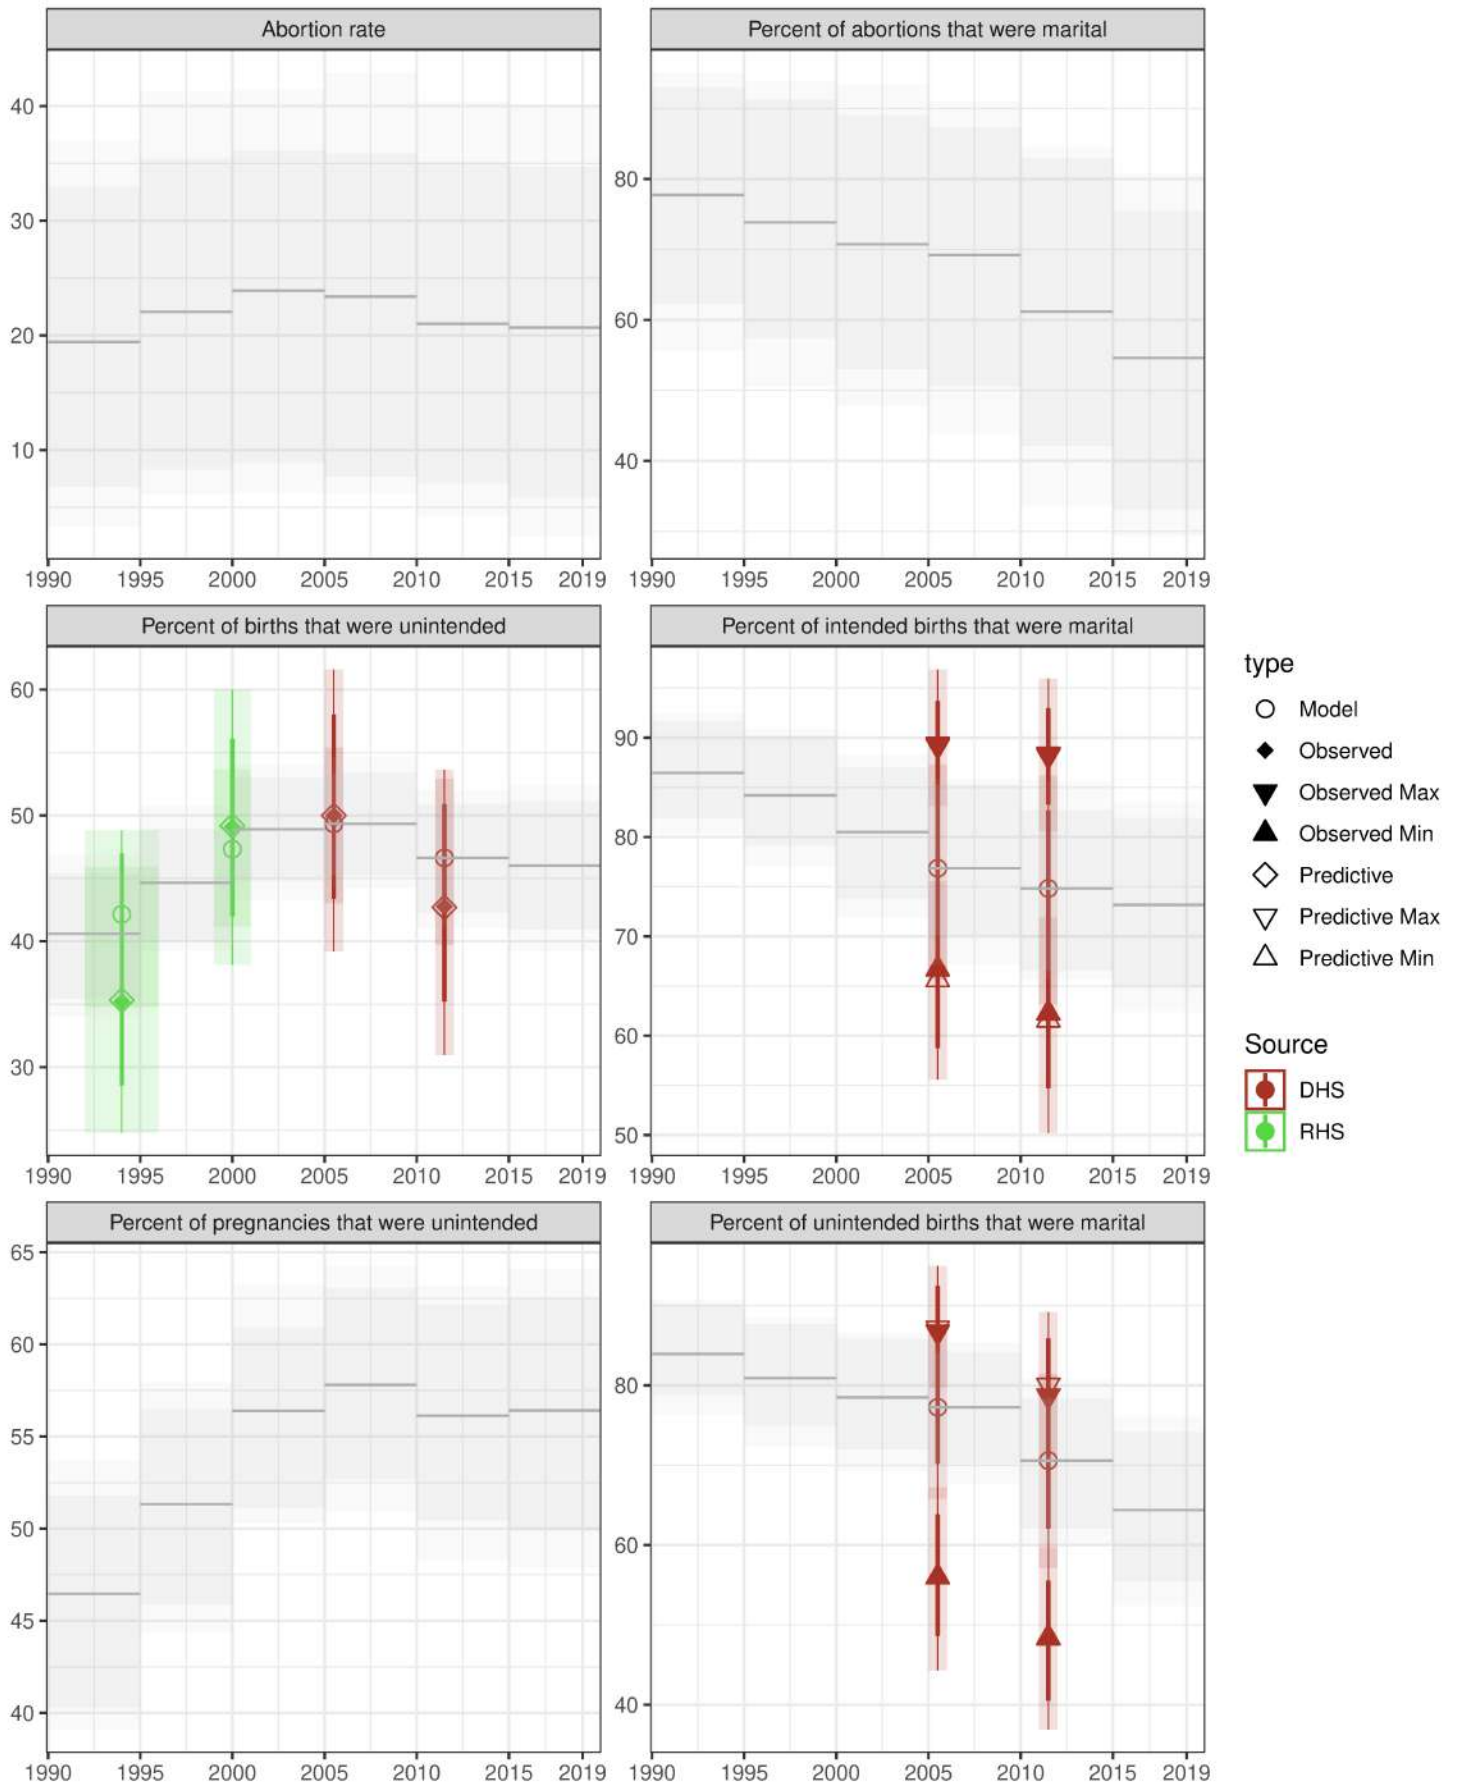

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Guatemala

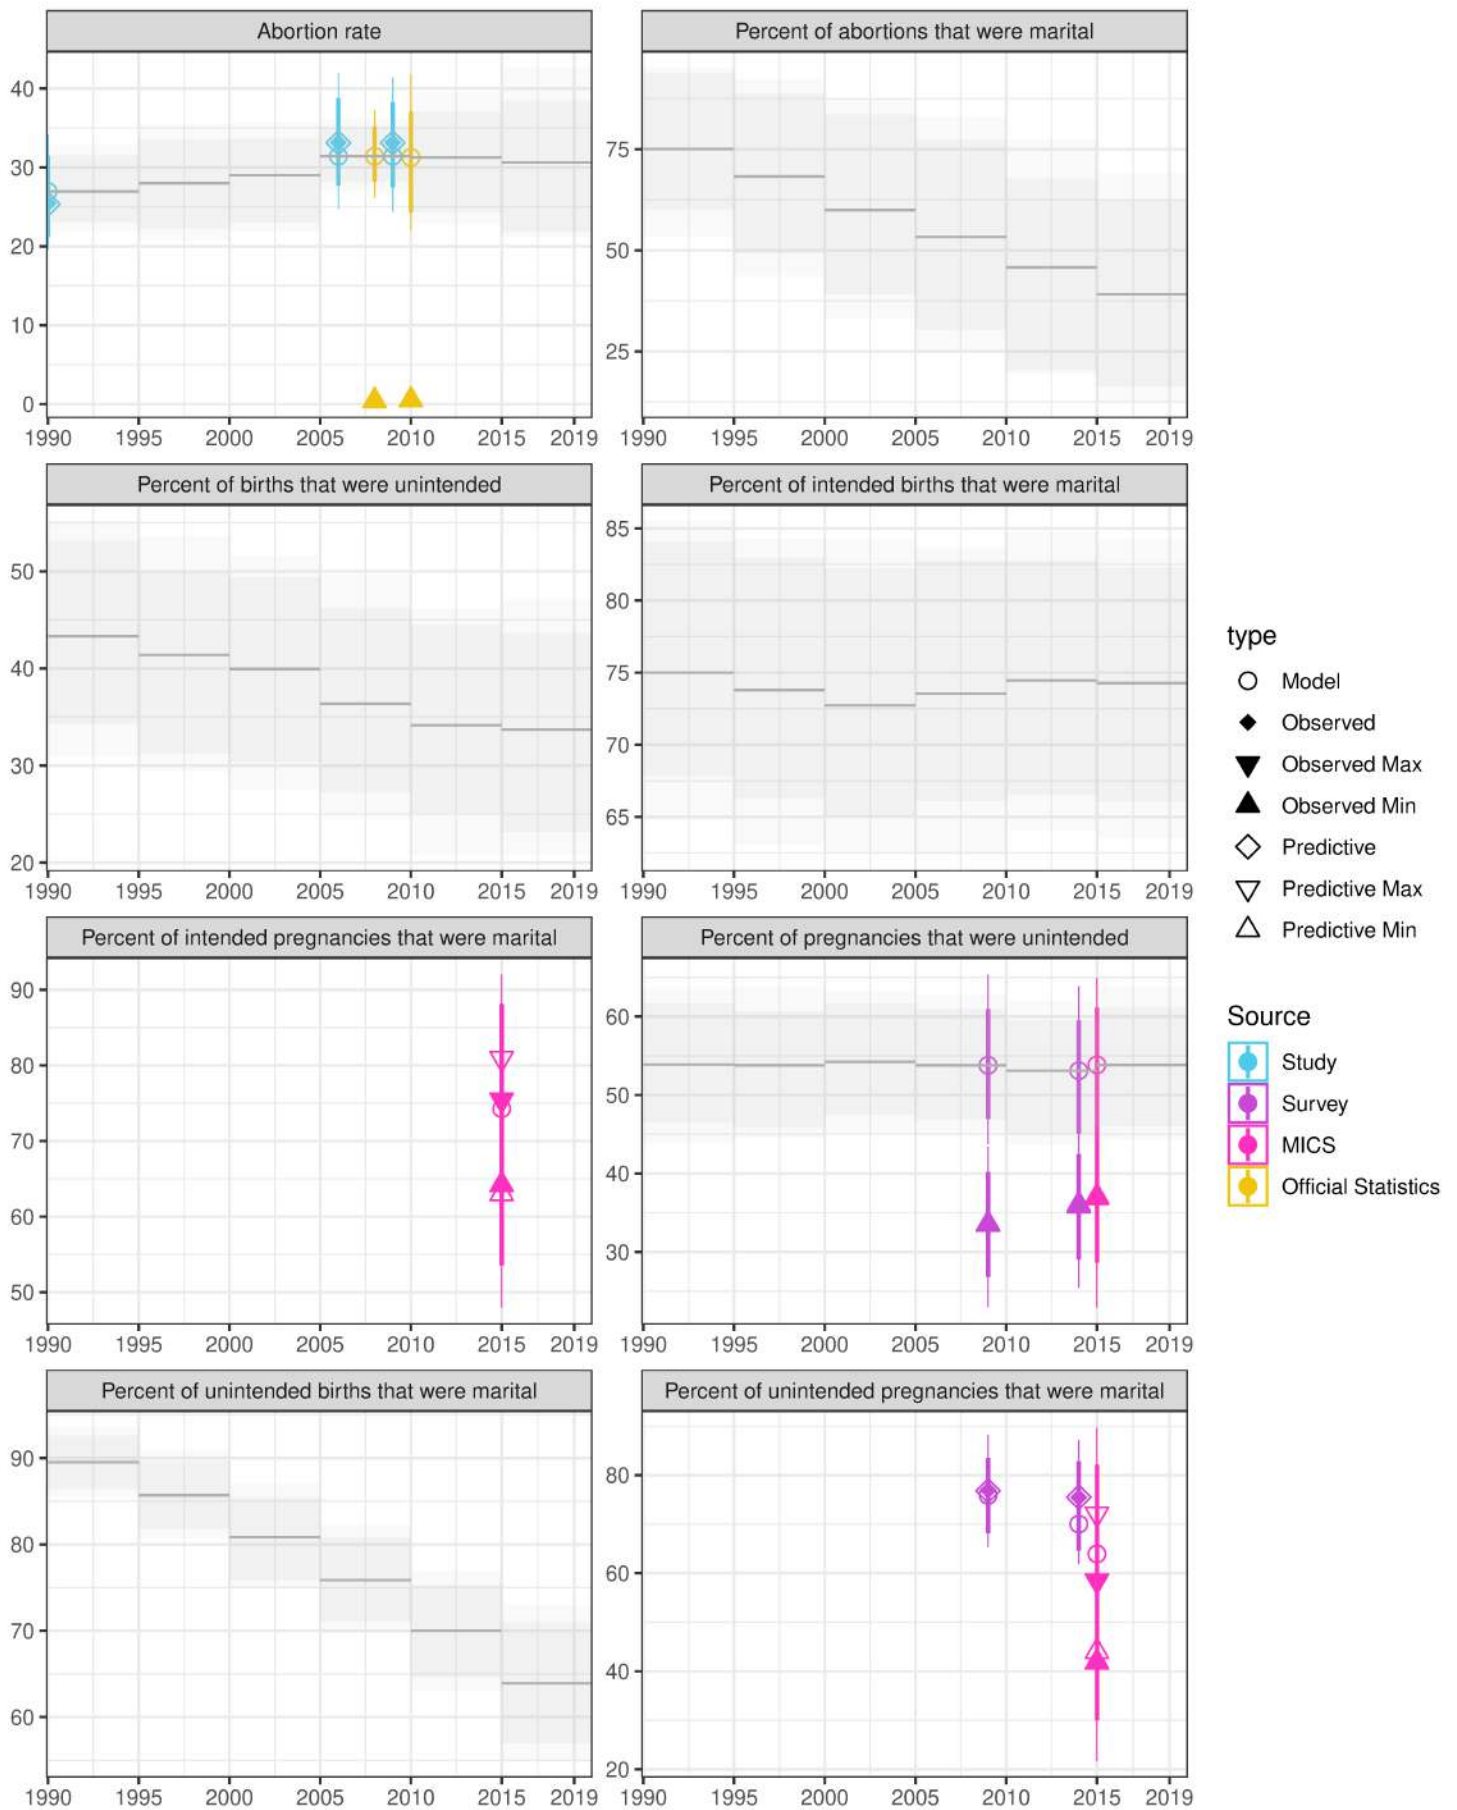

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Honduras

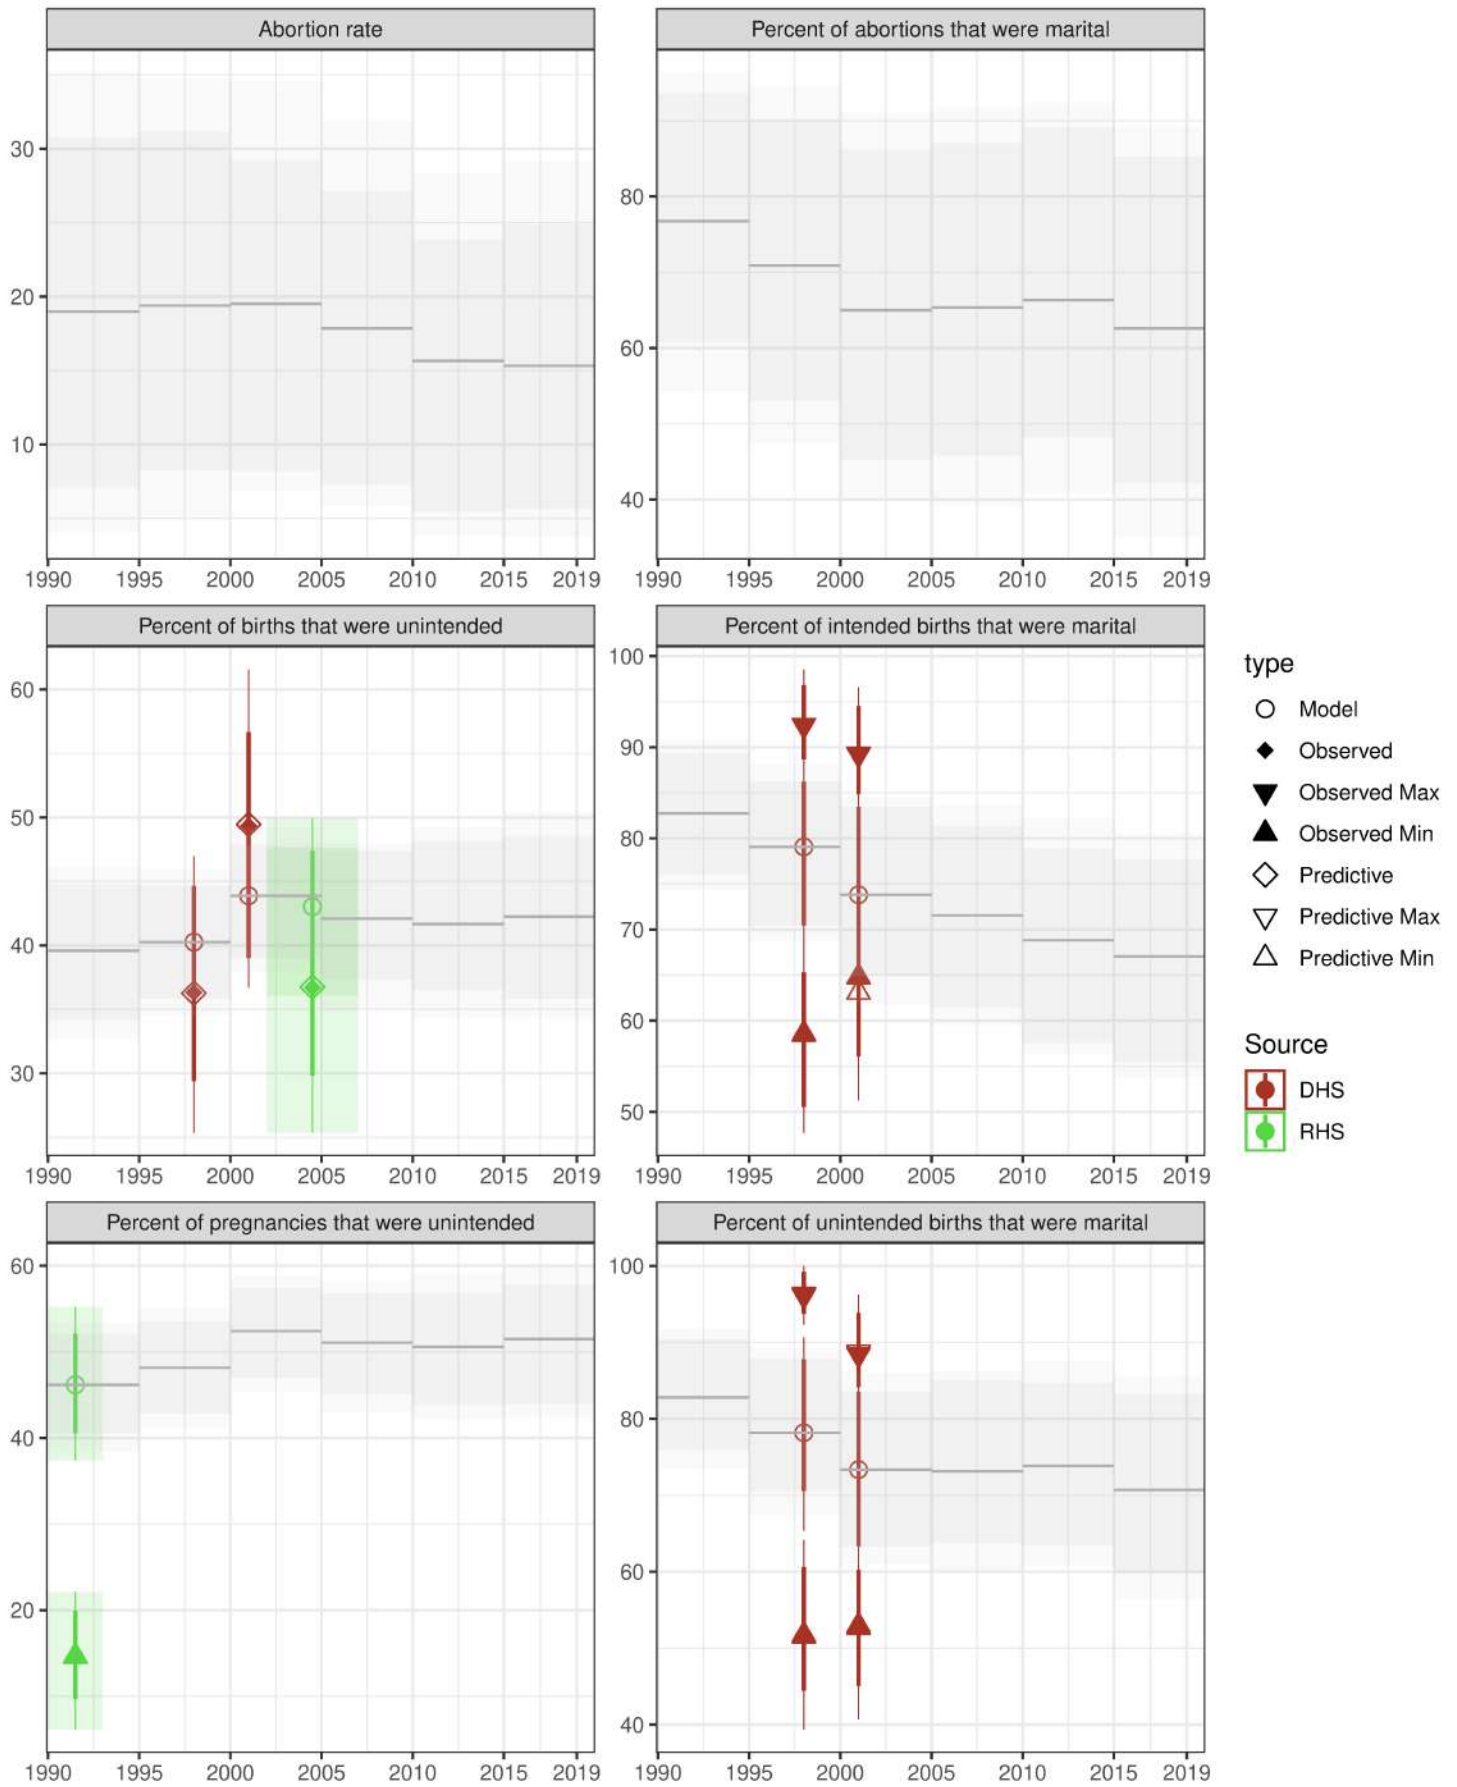

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Mexico

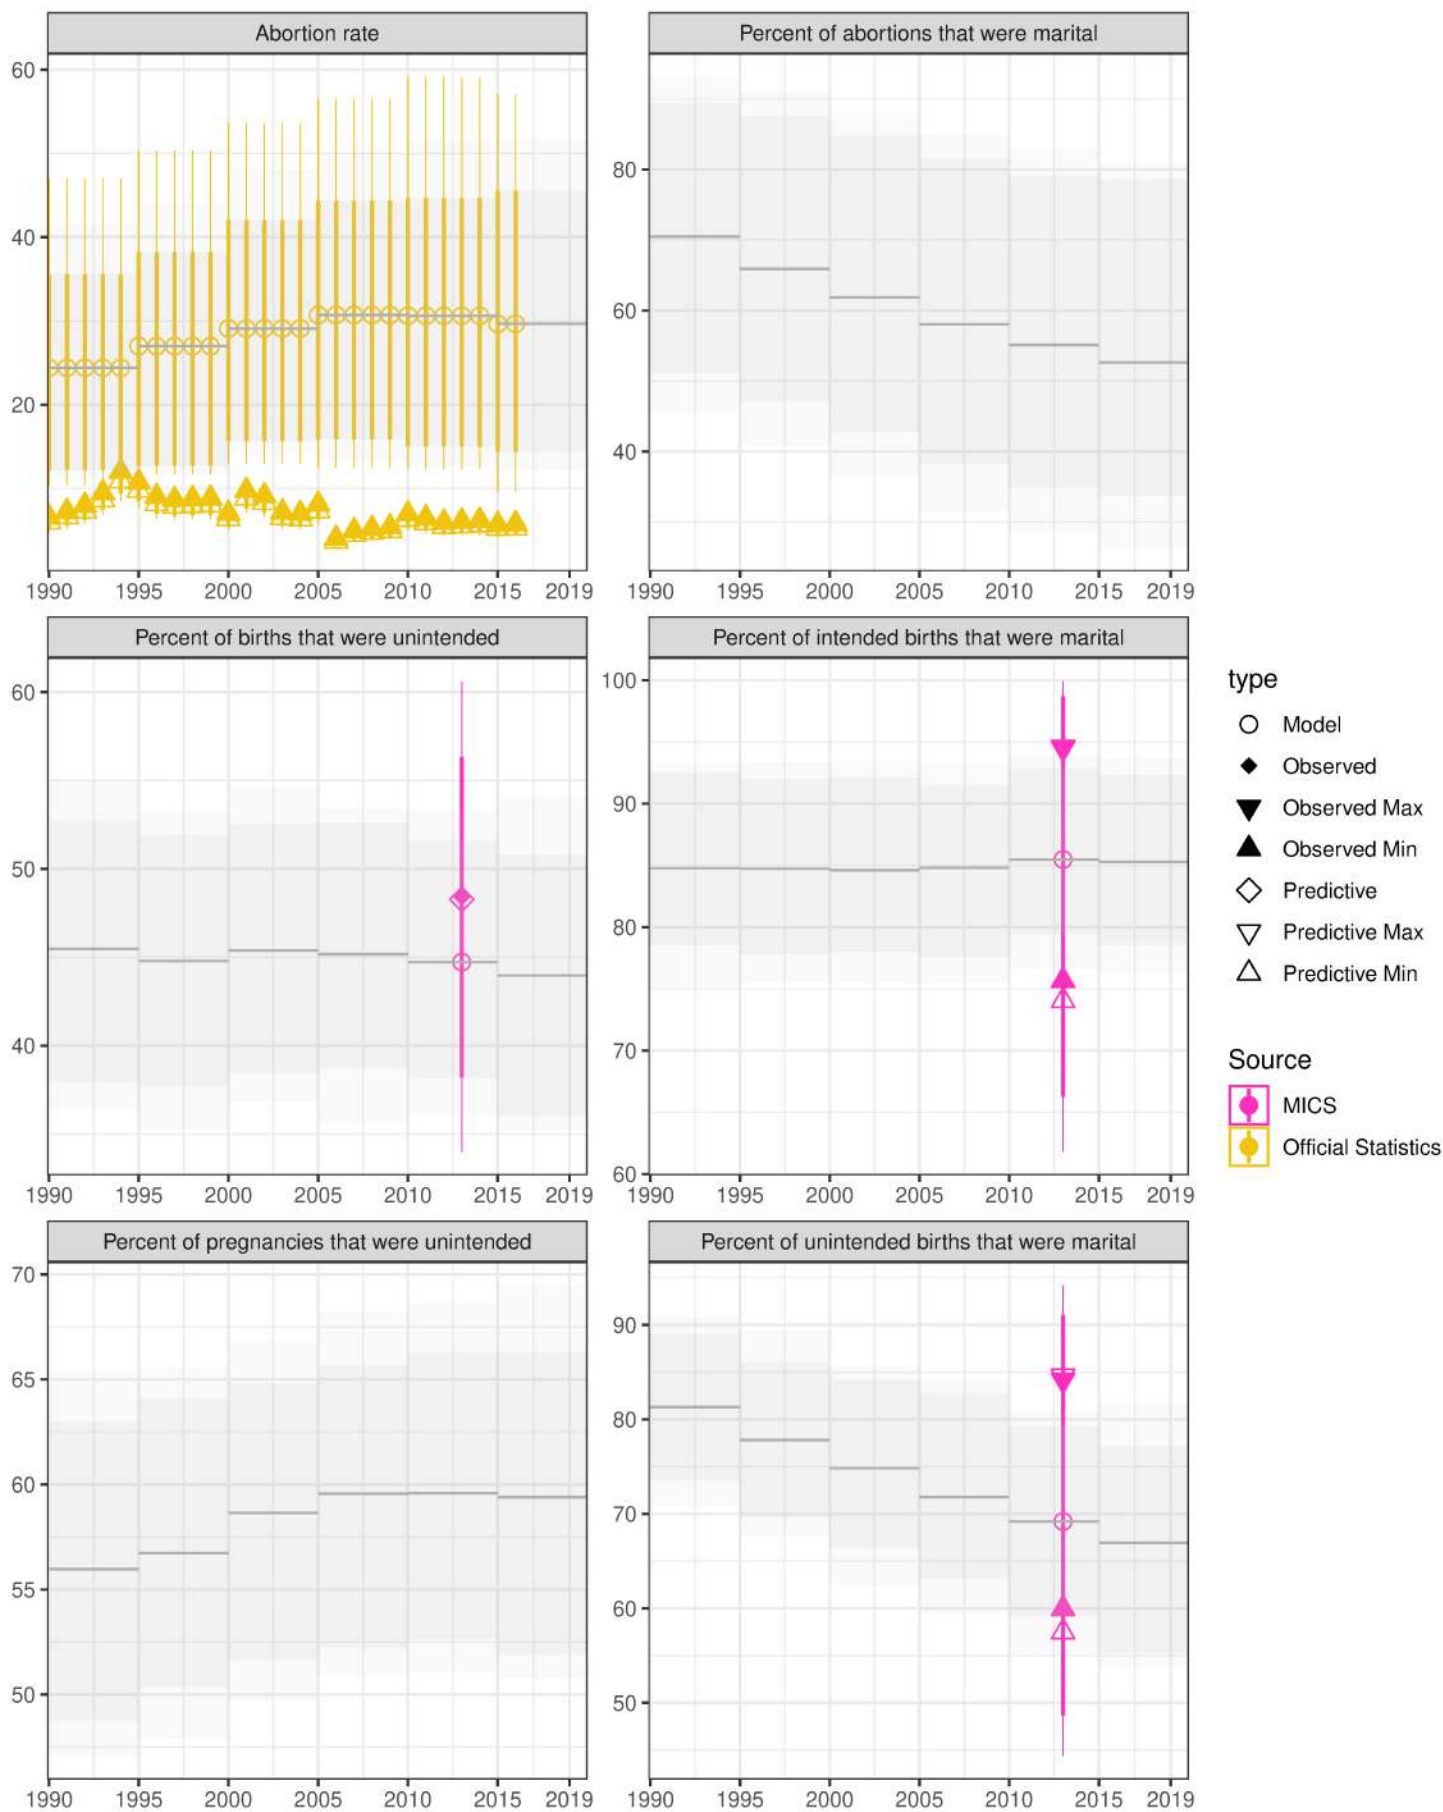

Nicaragua

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

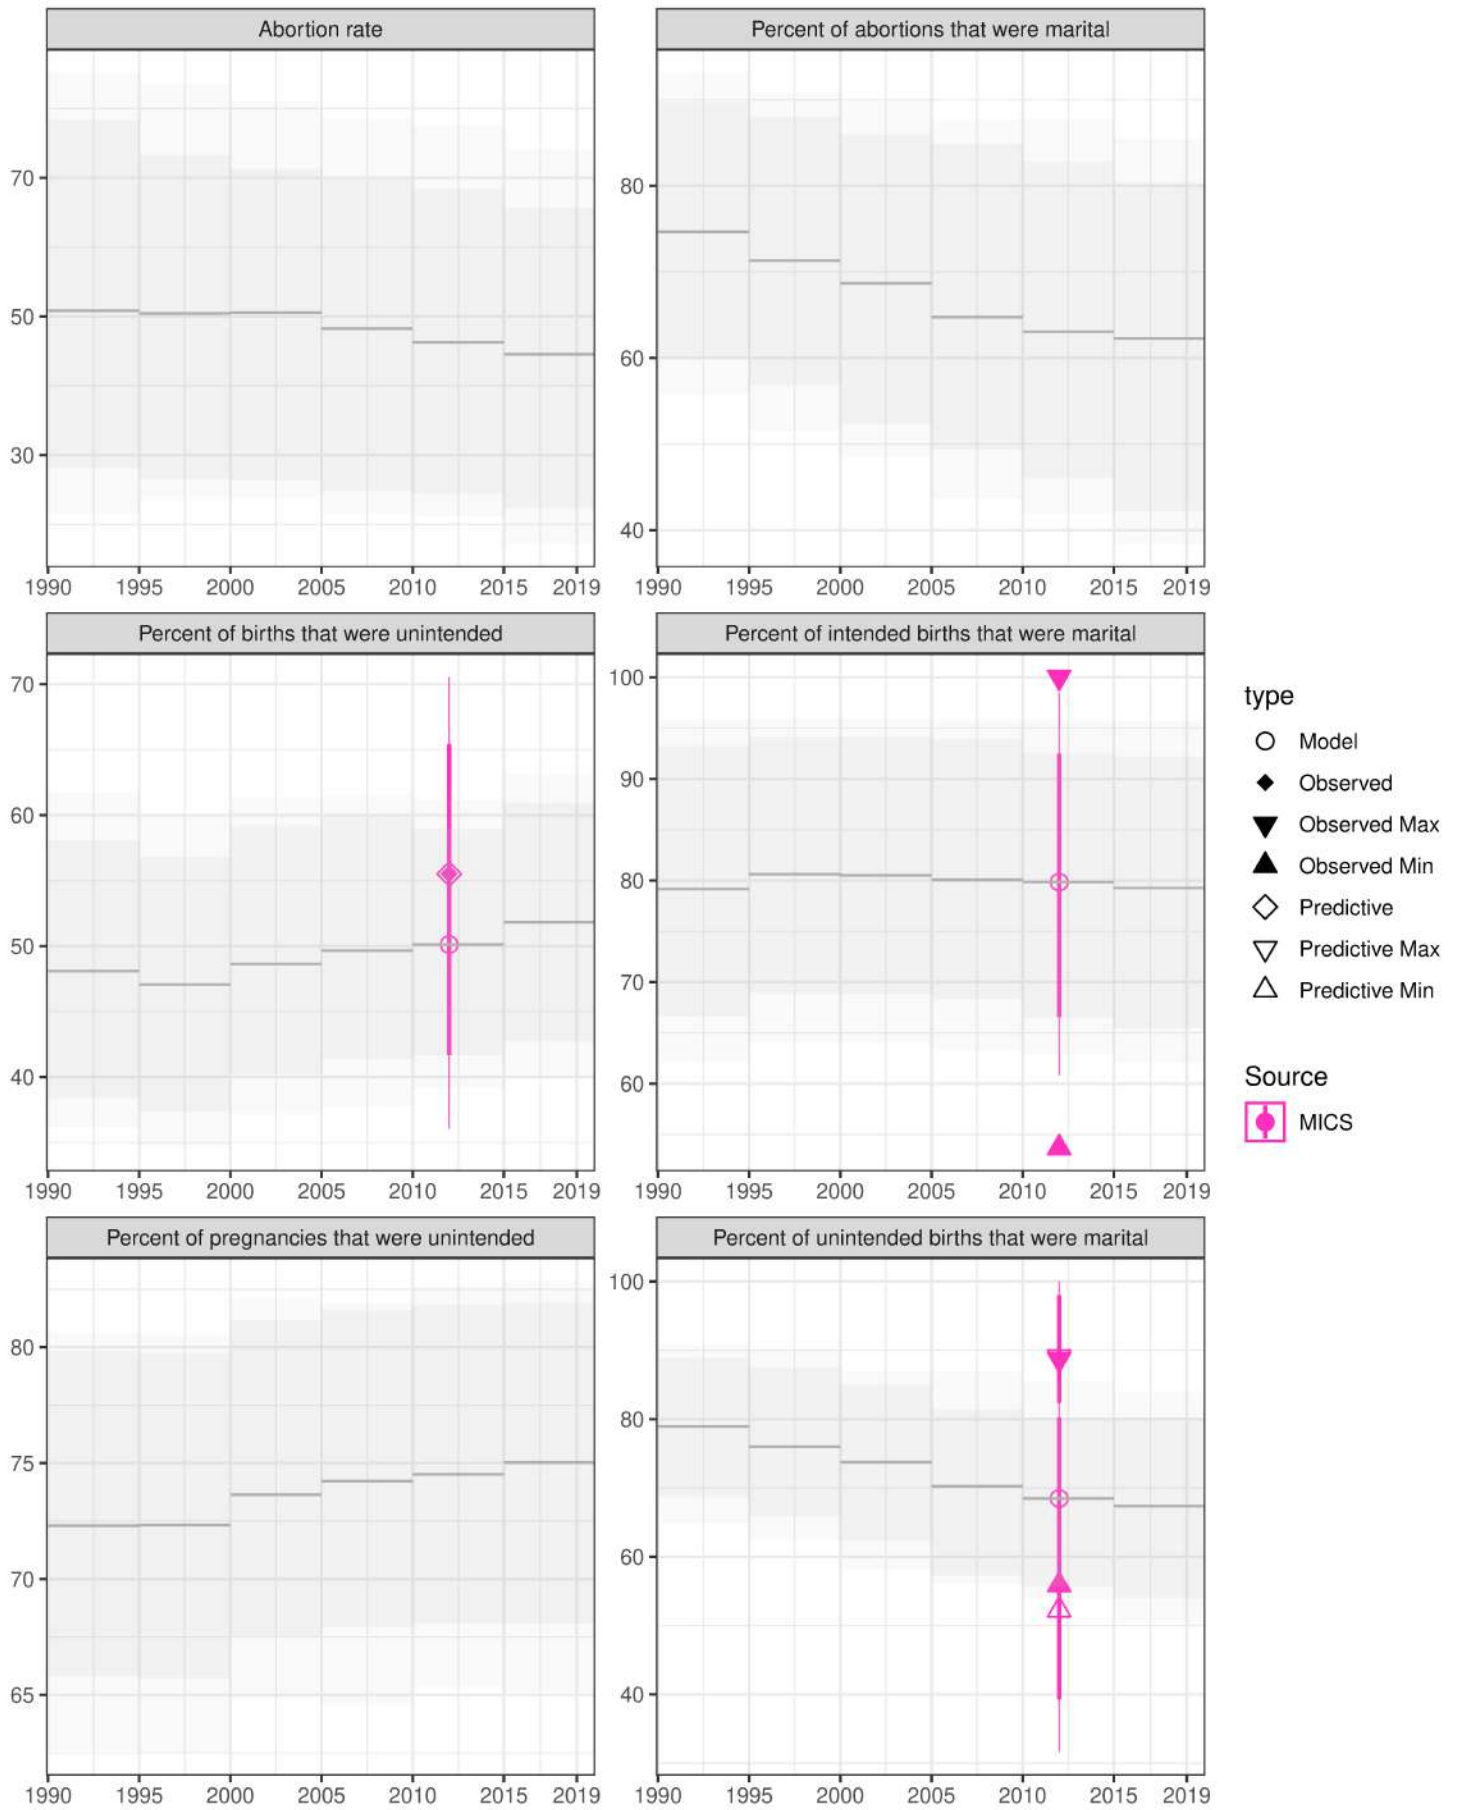

Panama

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

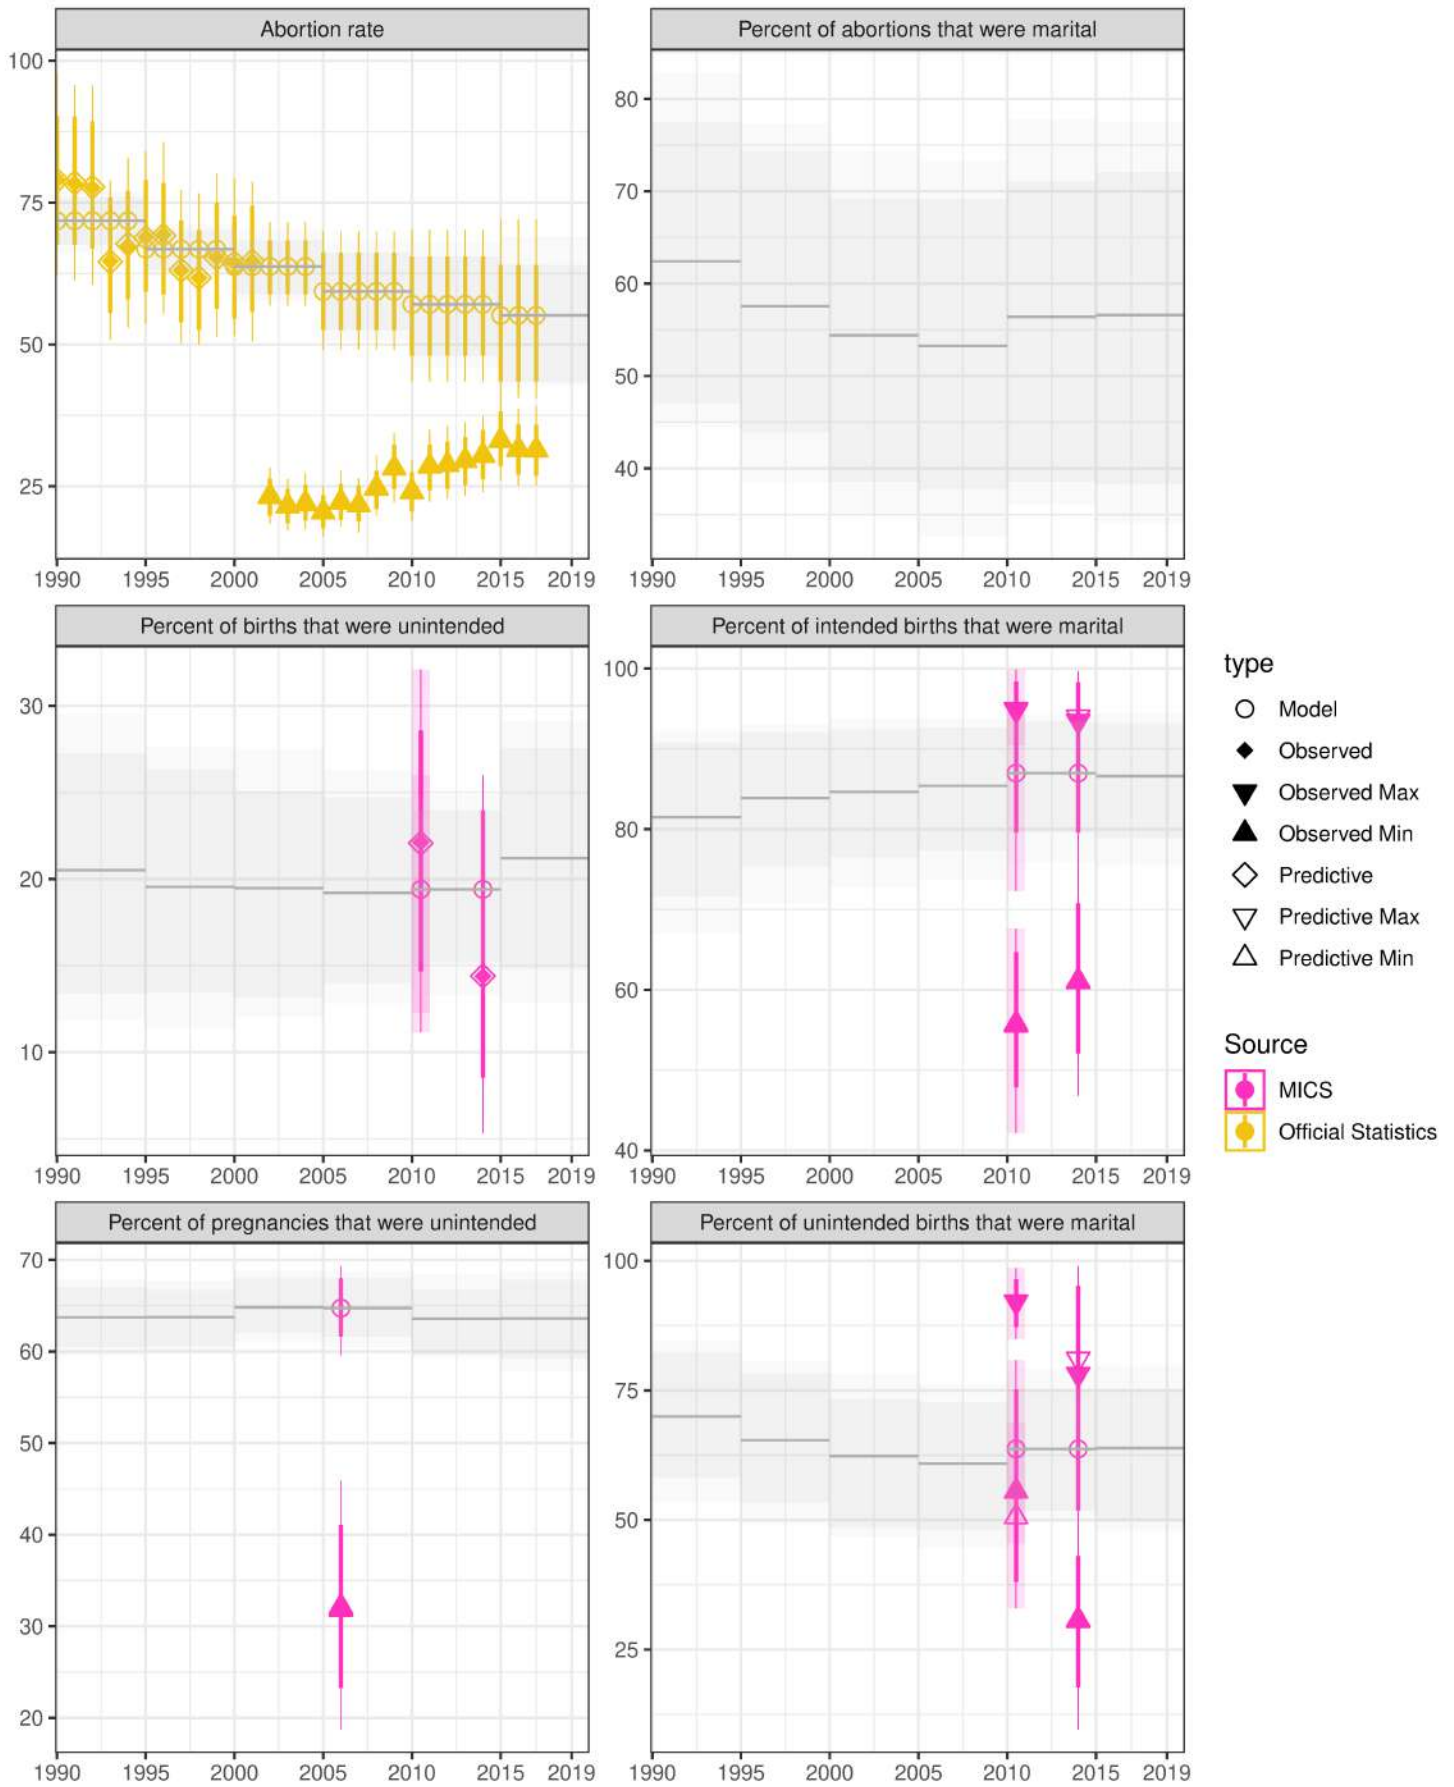

5.3 Caribbean

Barbados

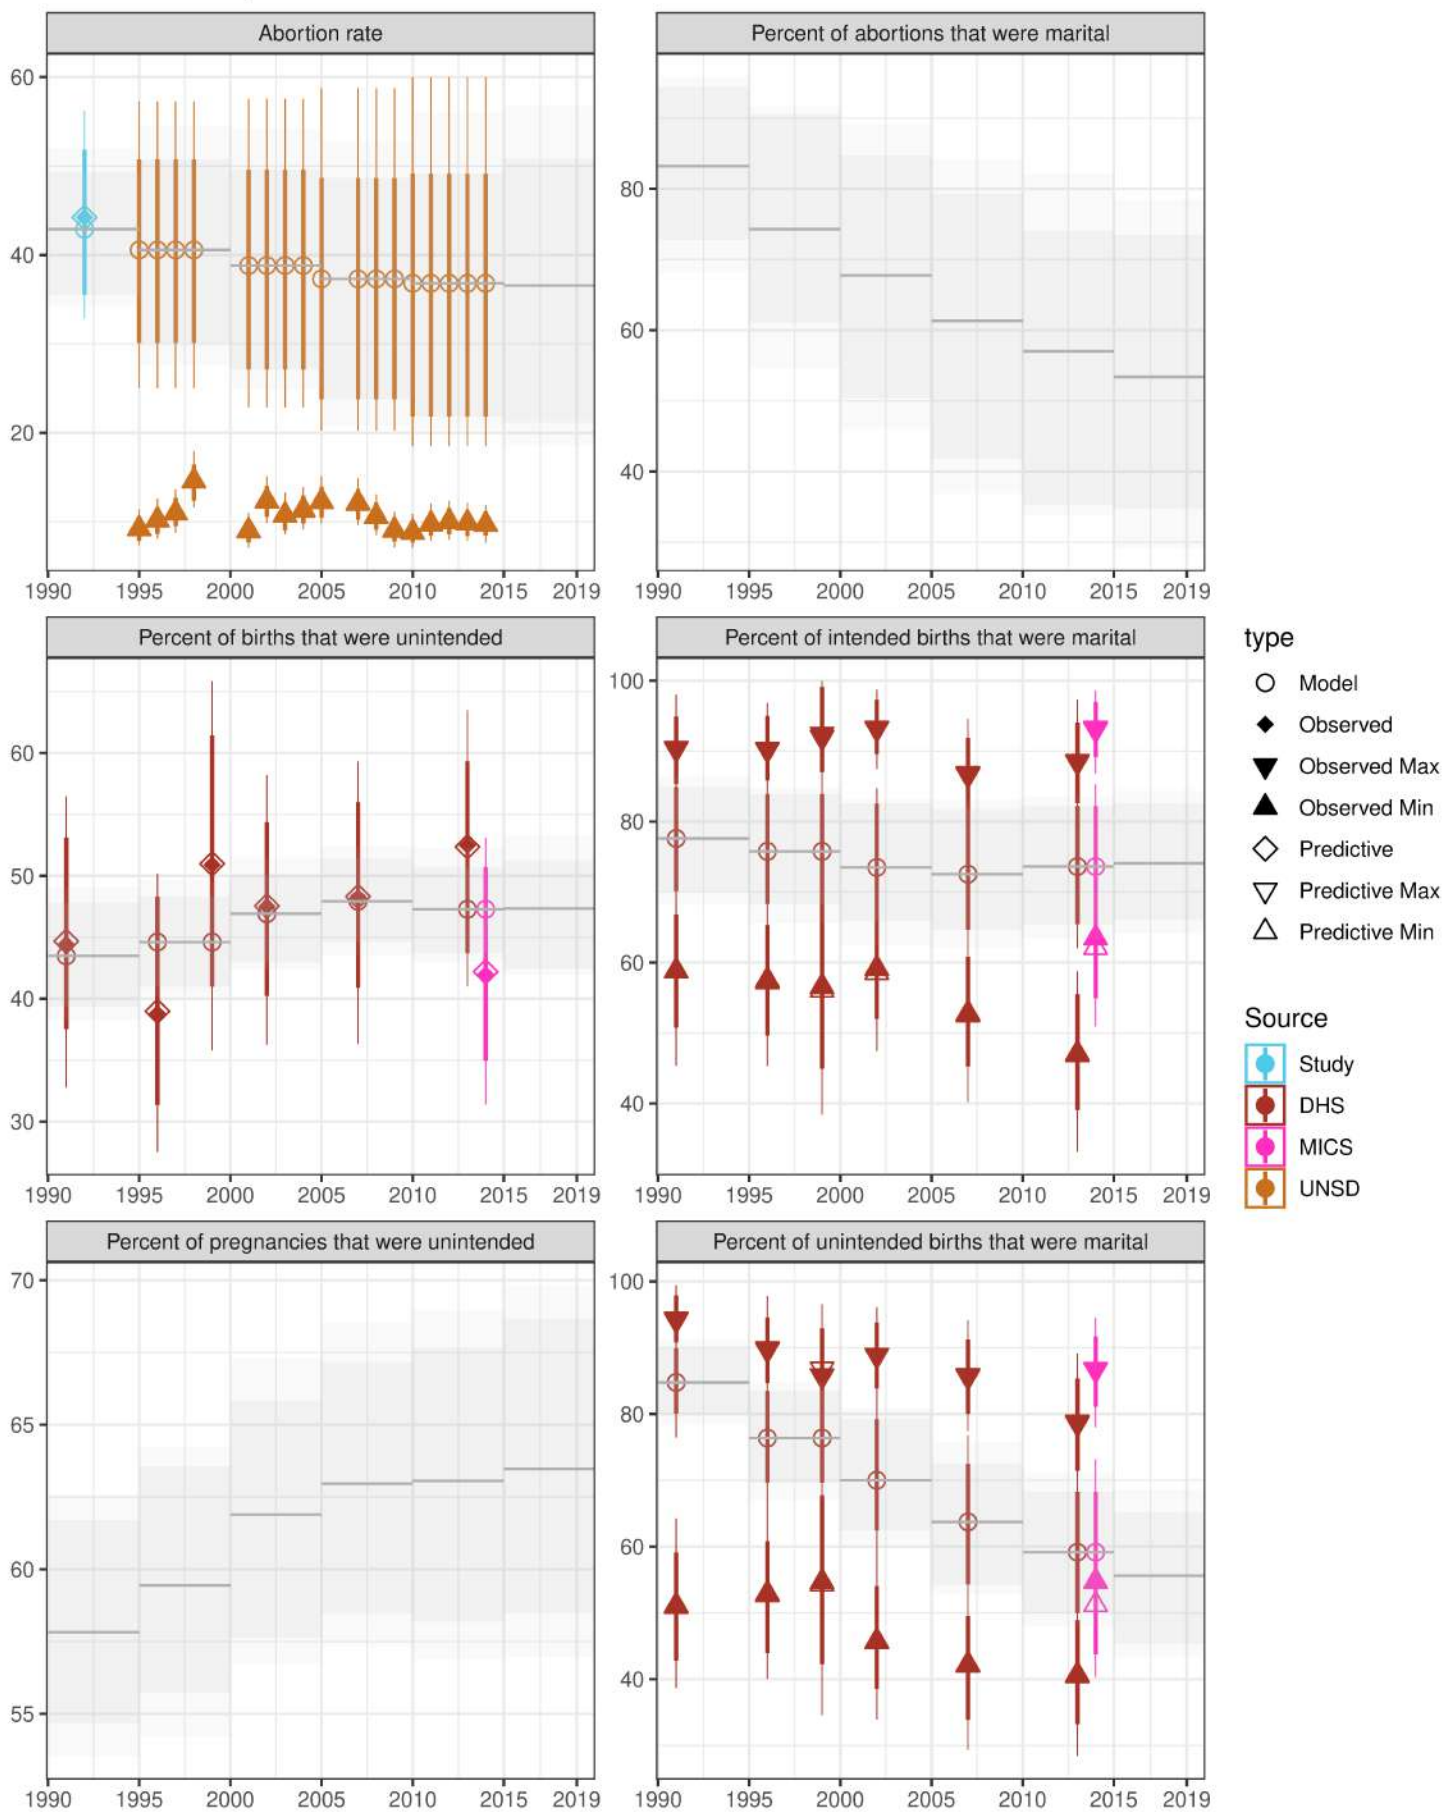

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Cuba

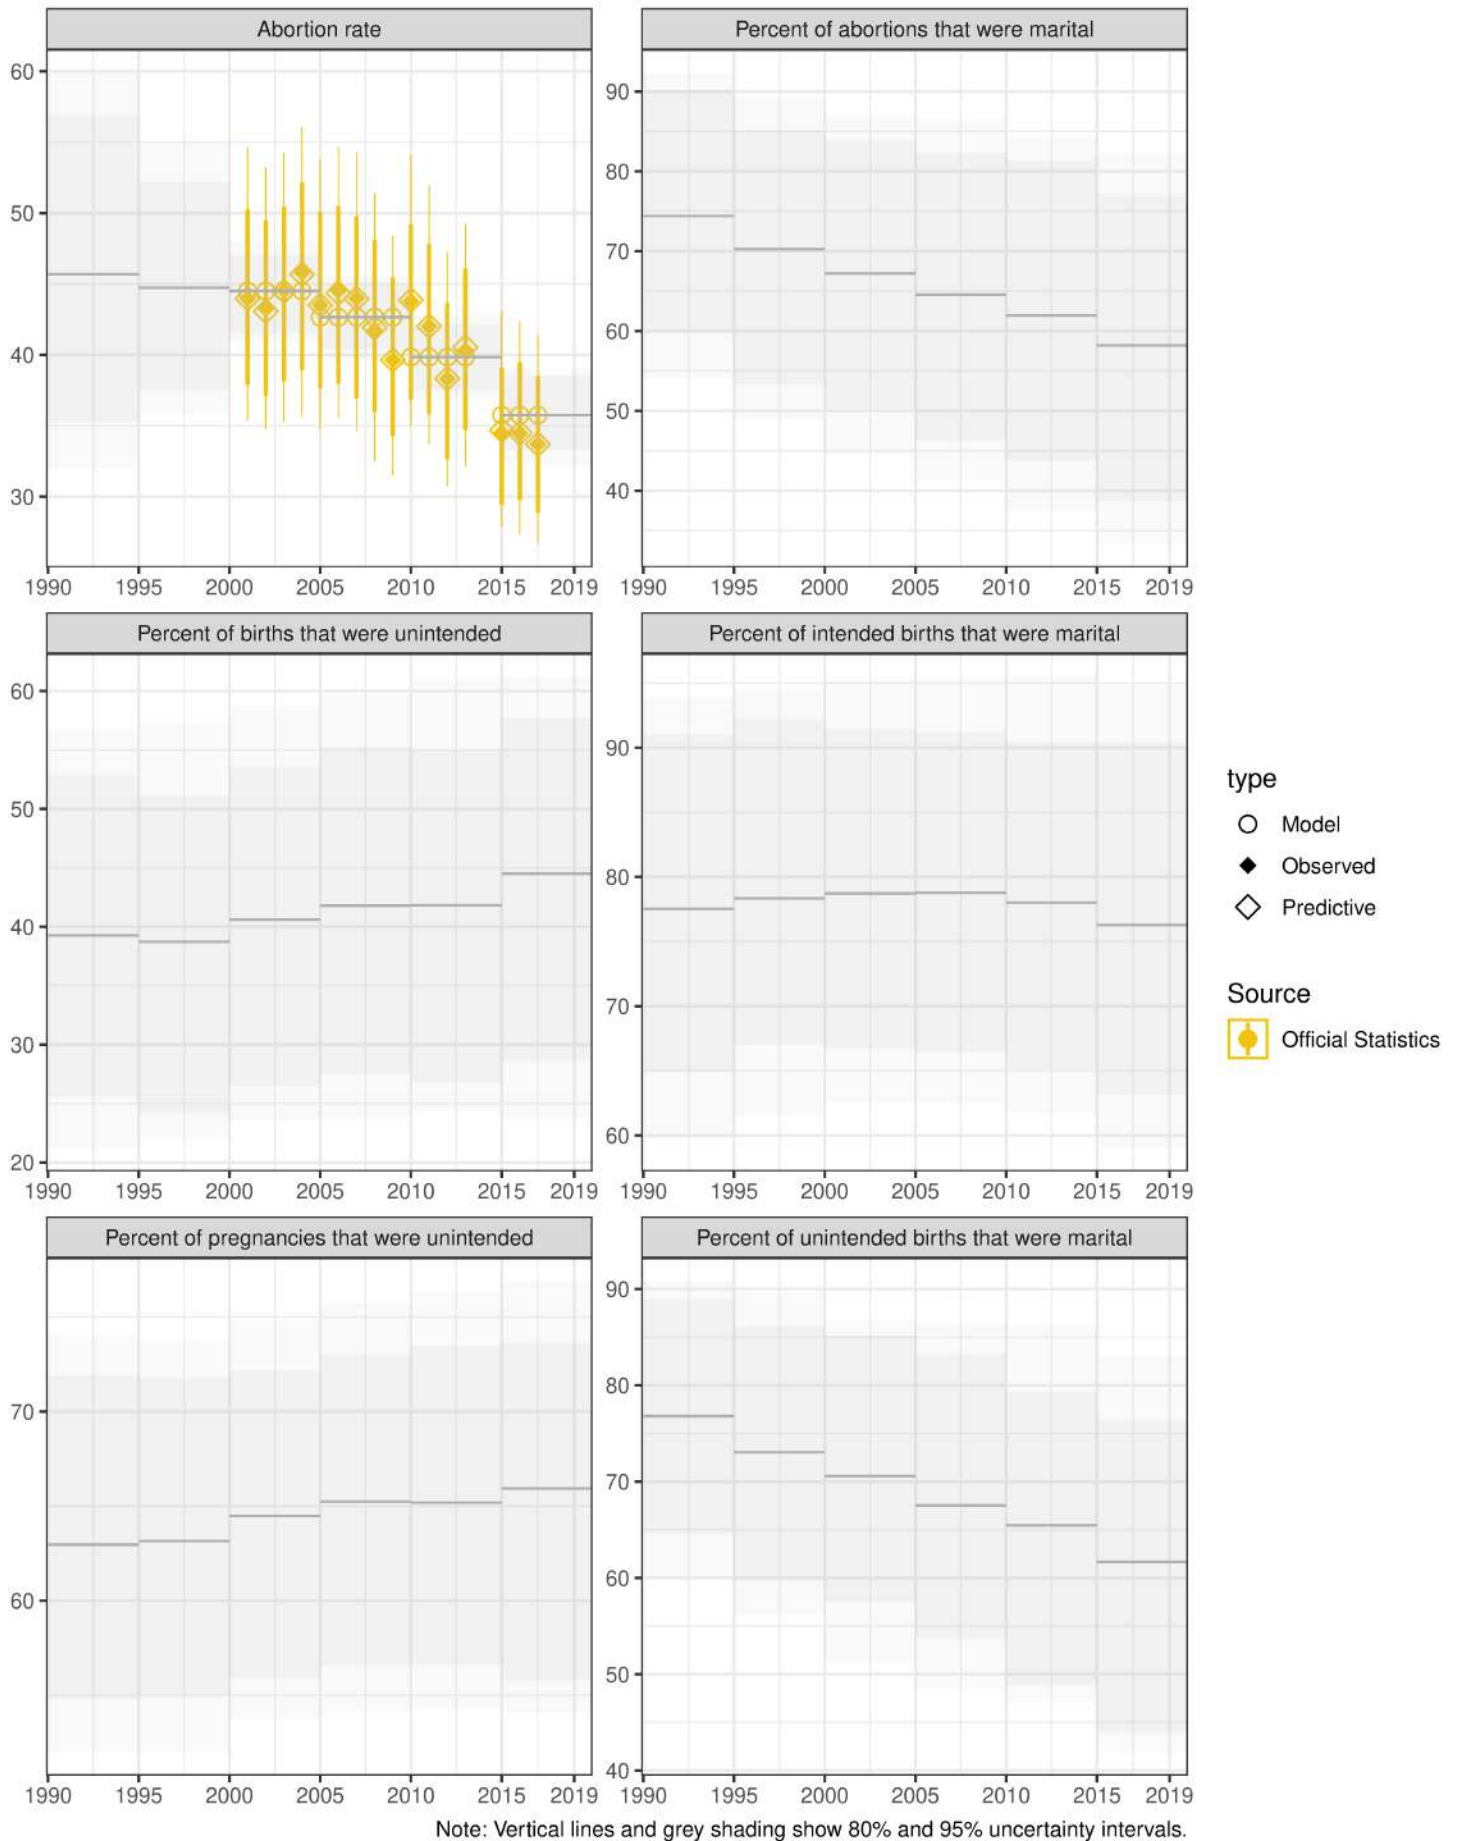

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Dominican Republic

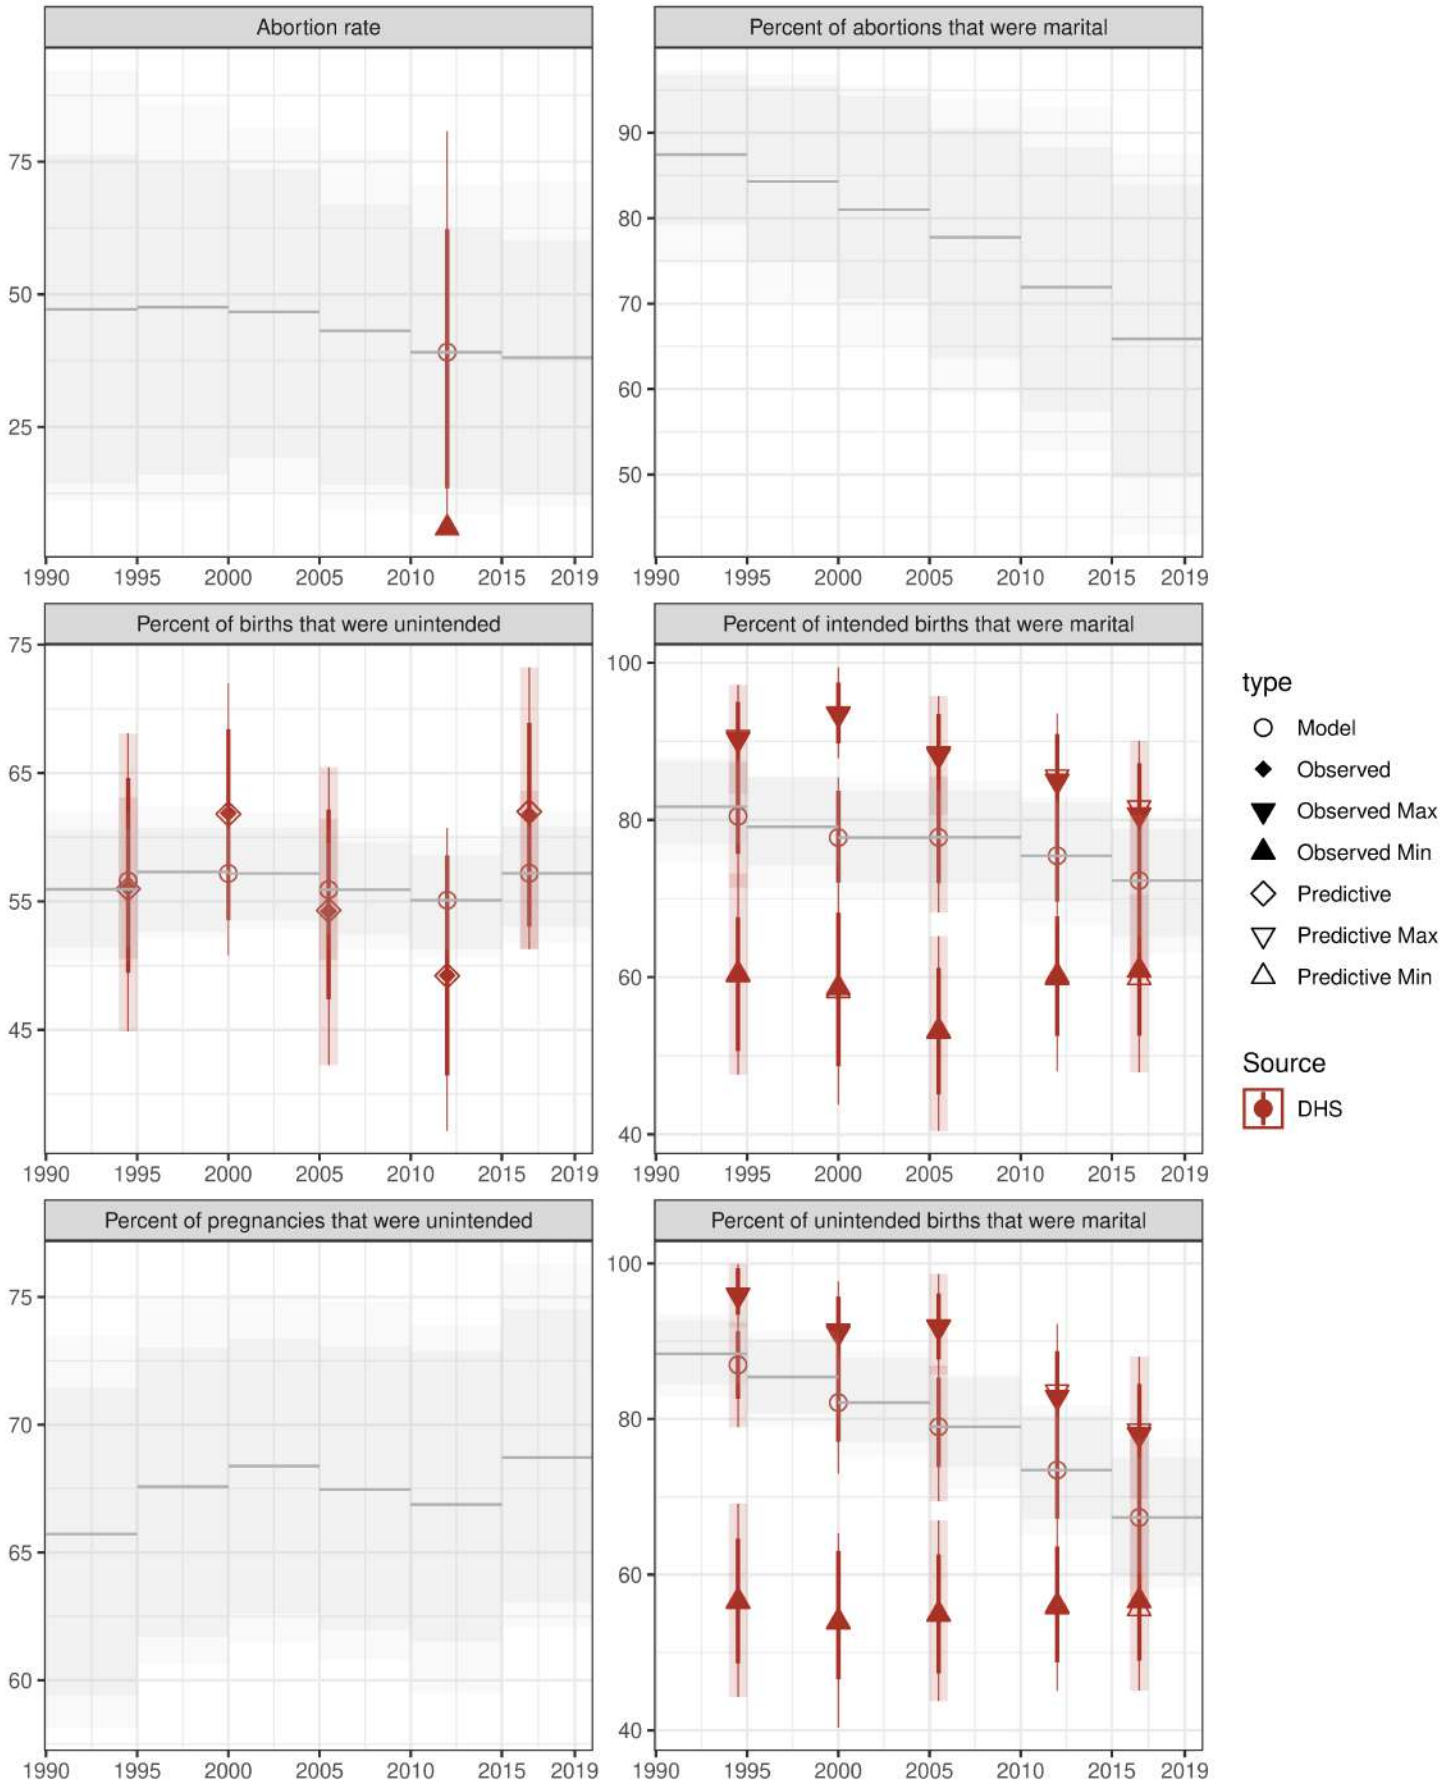

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Guadeloupe

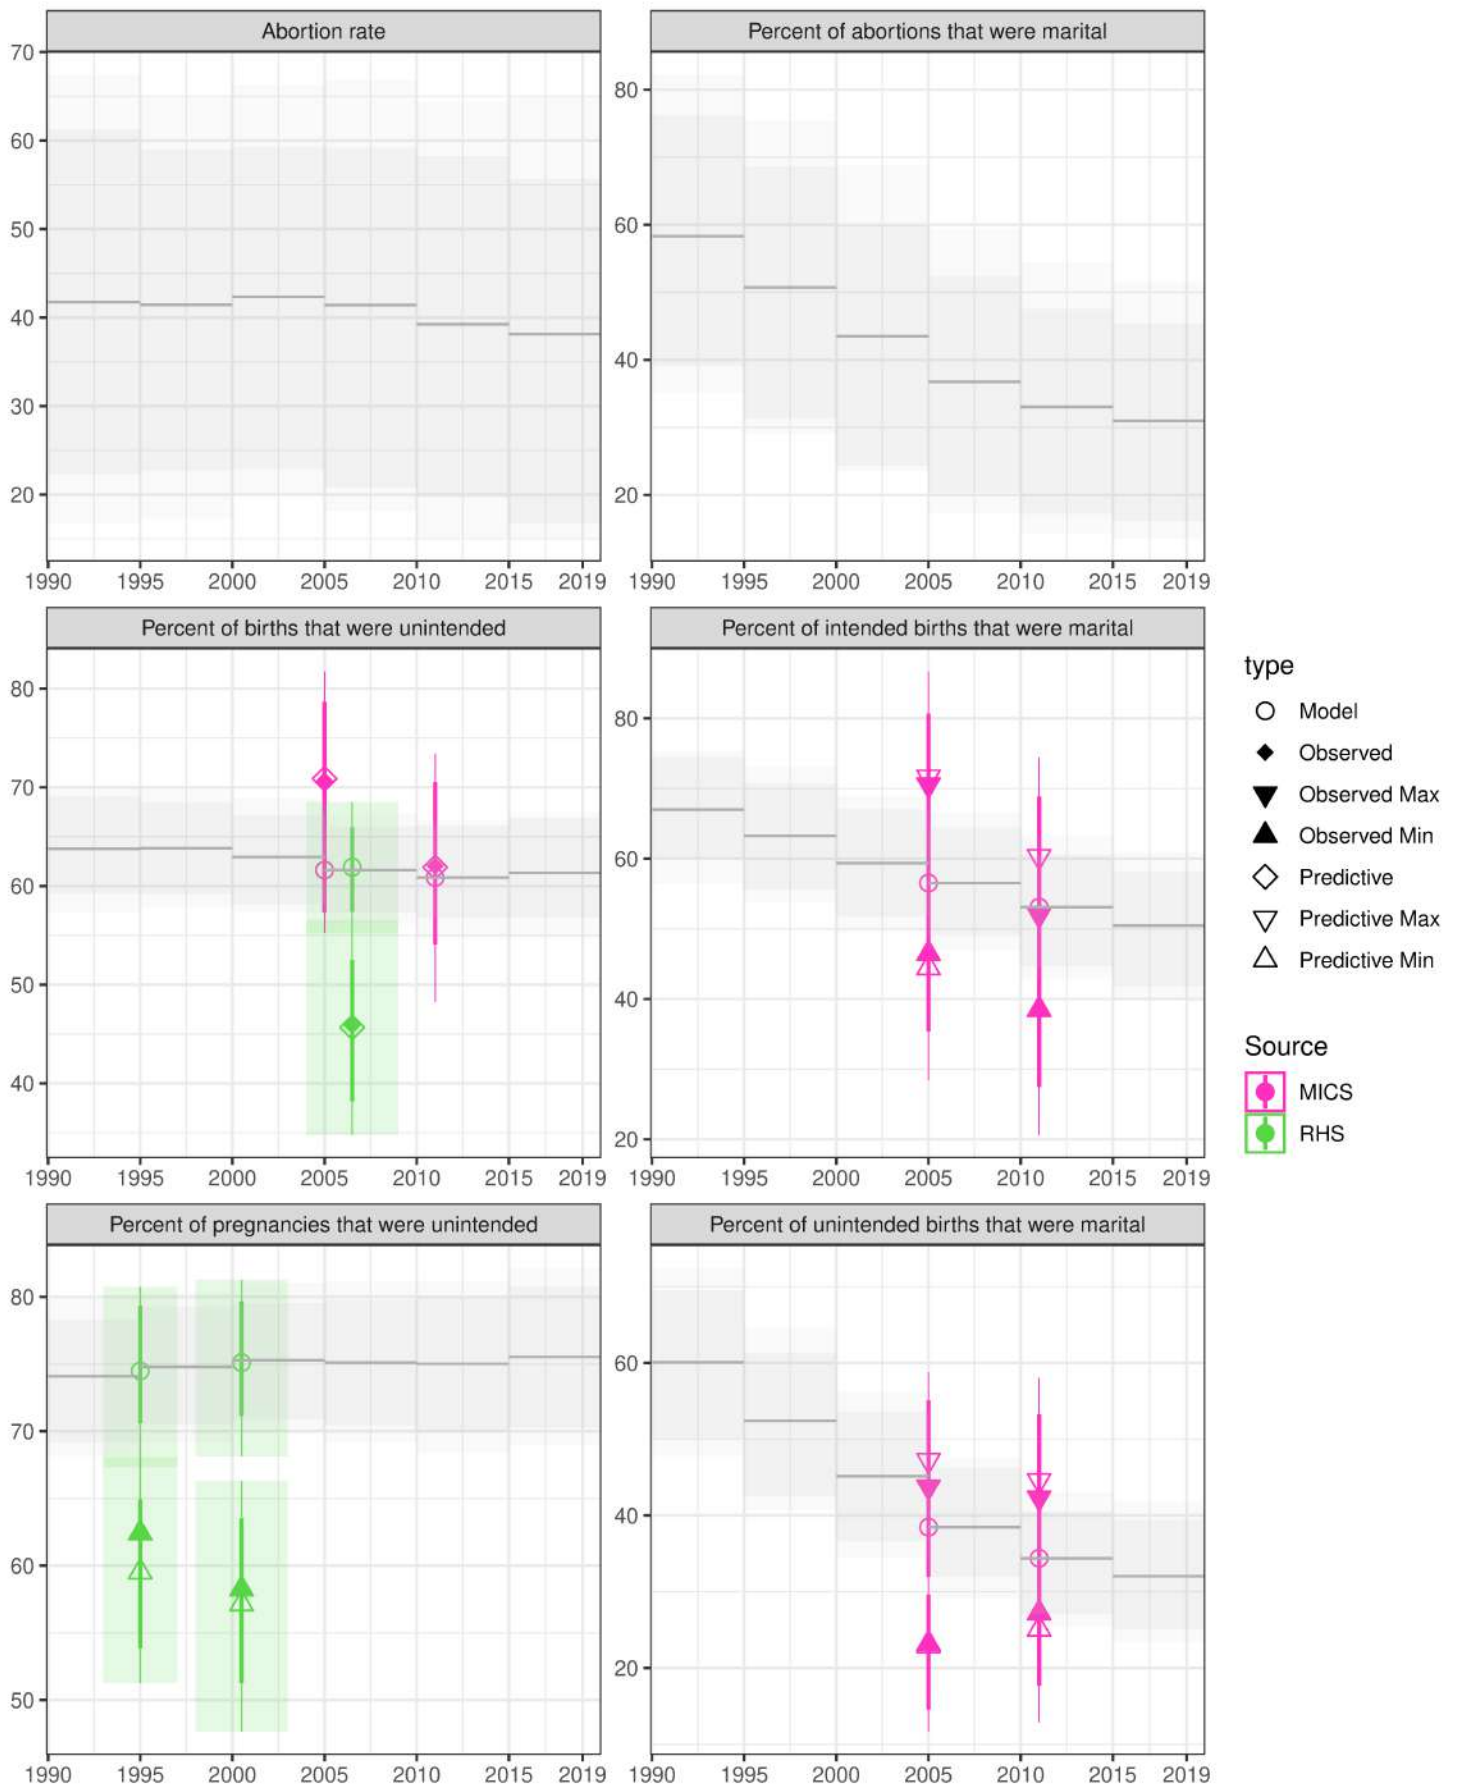

Haiti

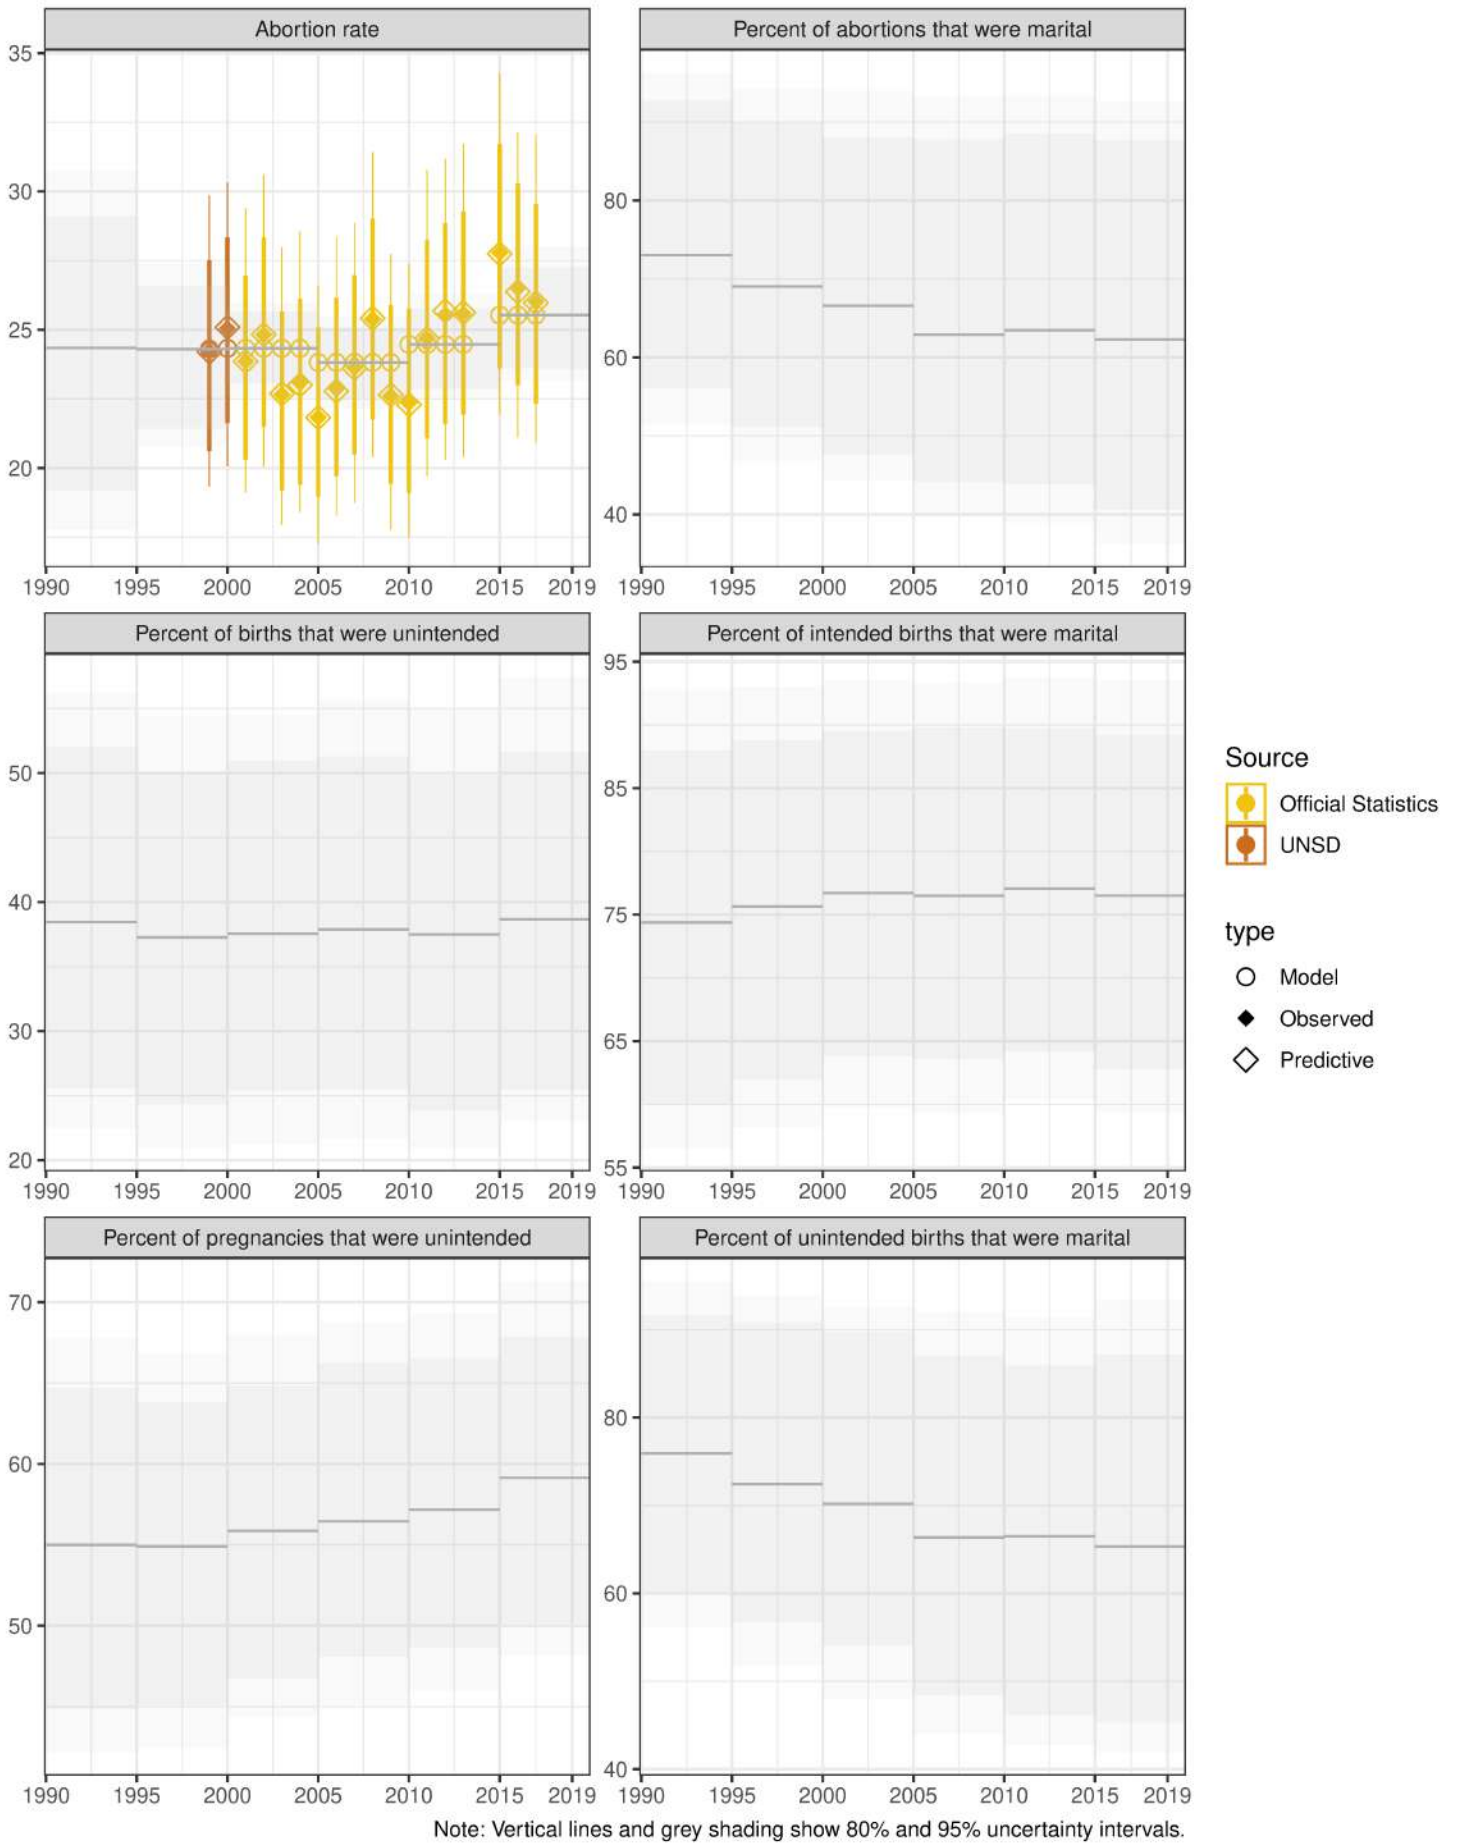

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Jamaica

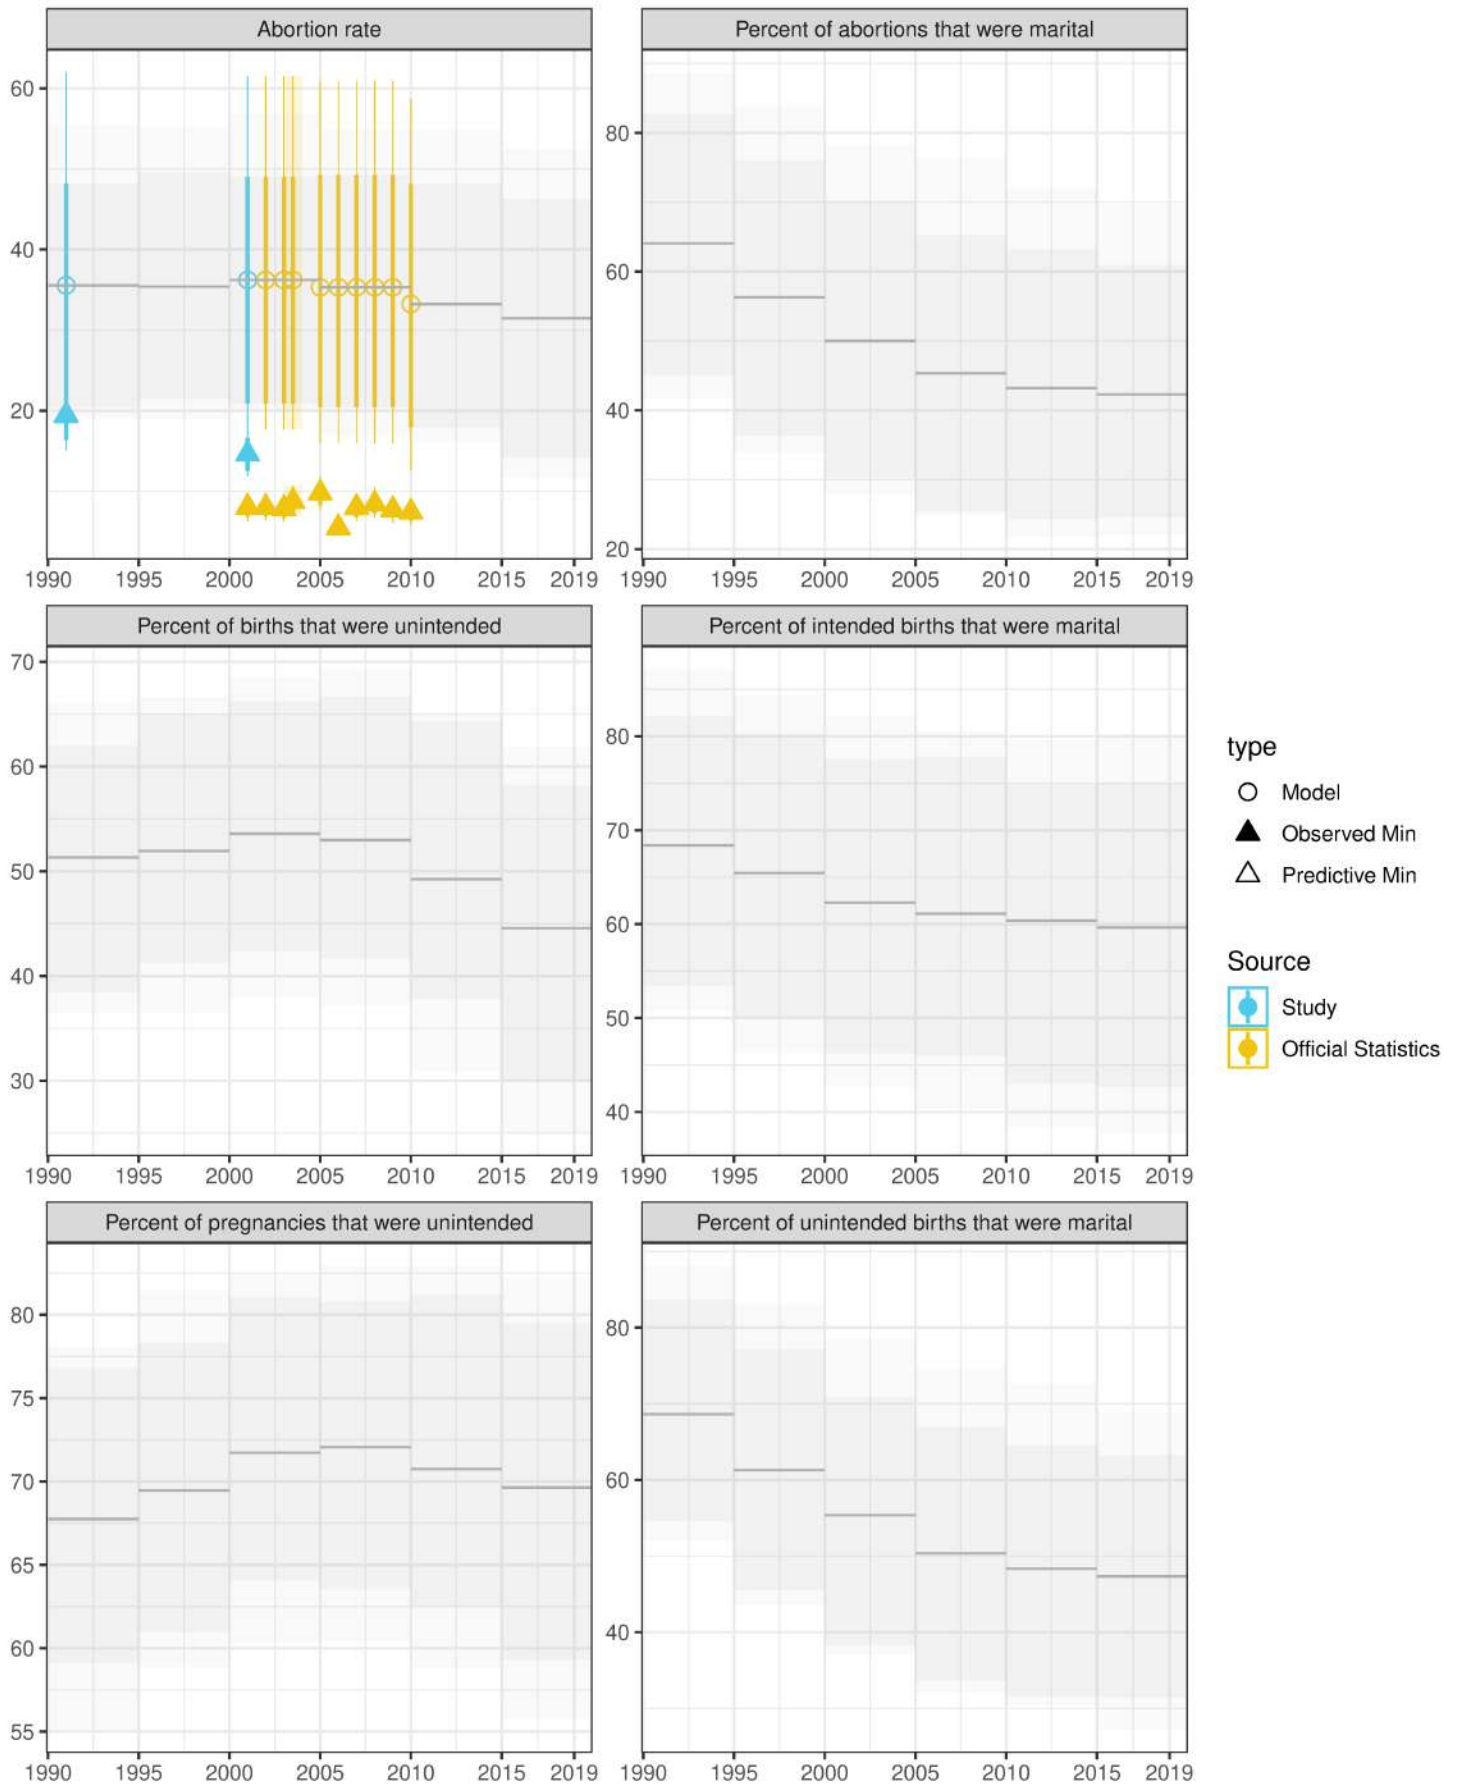

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Martinique

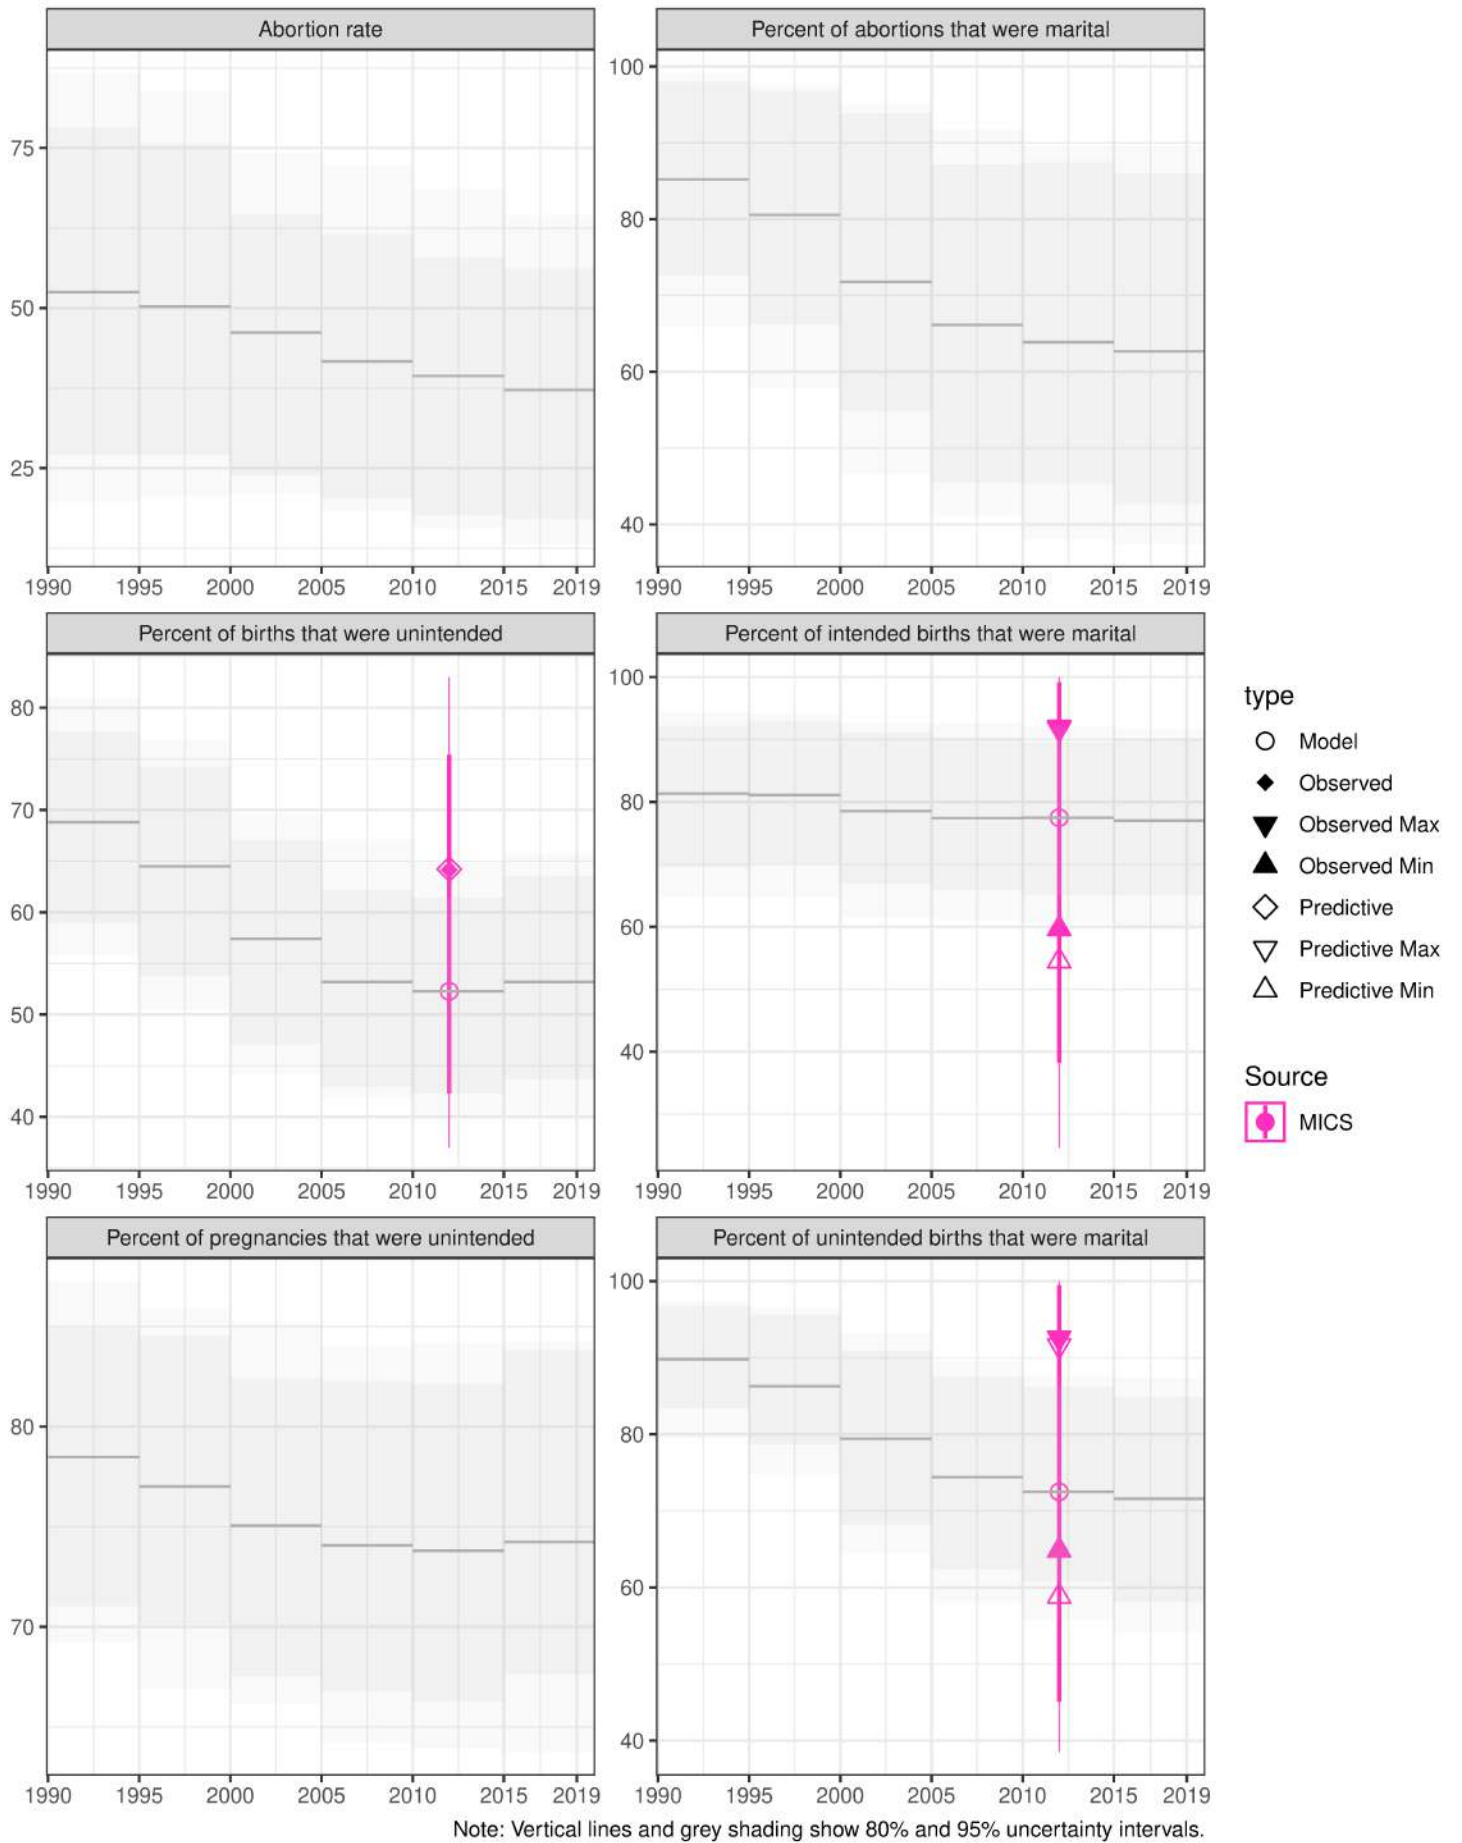

Puerto Rico

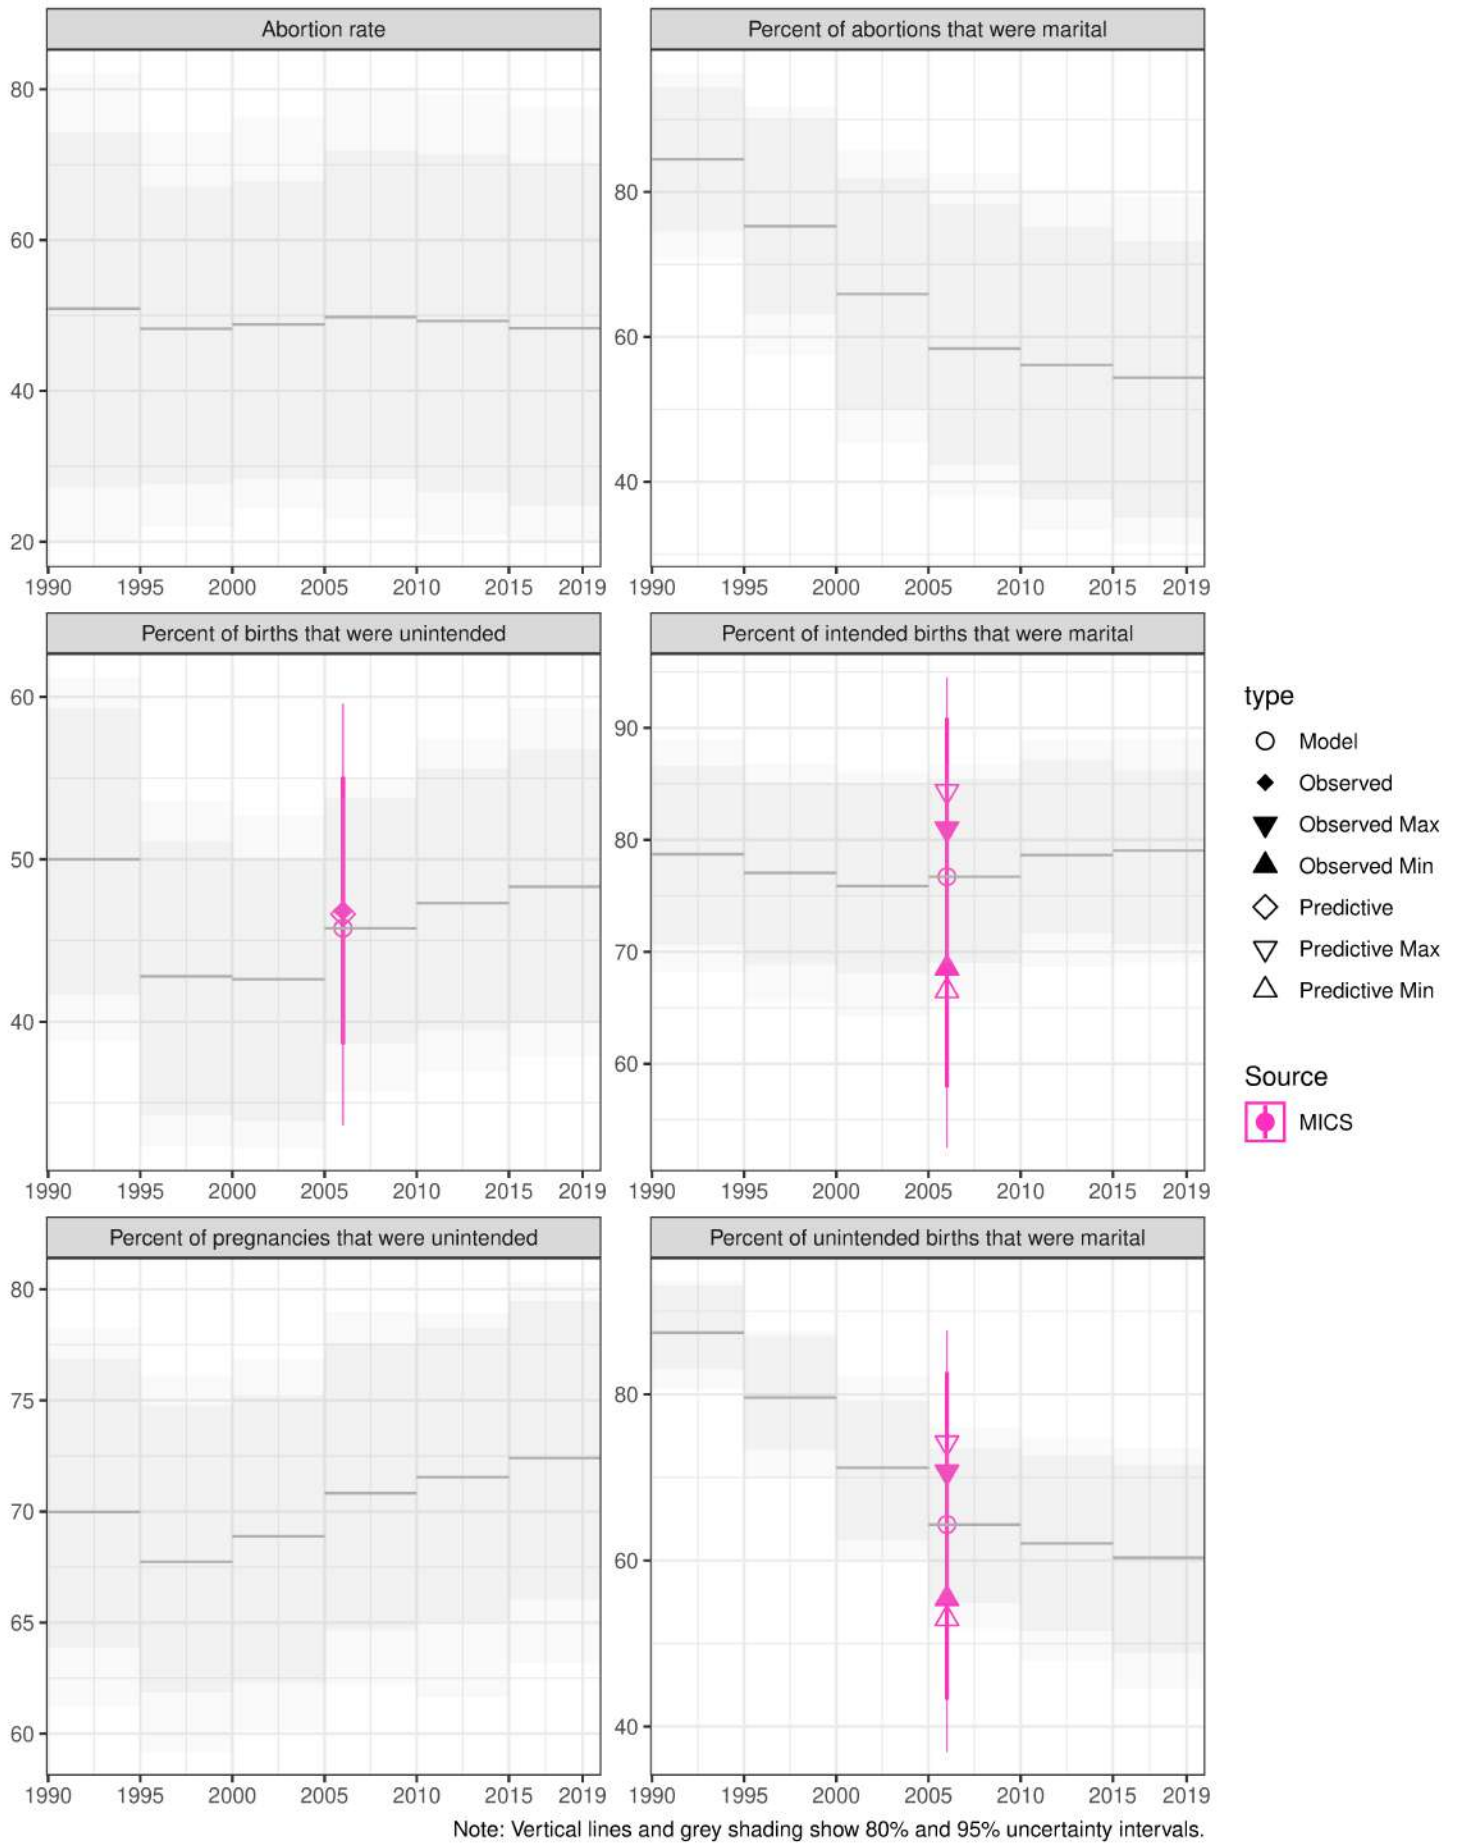

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Saint Lucia

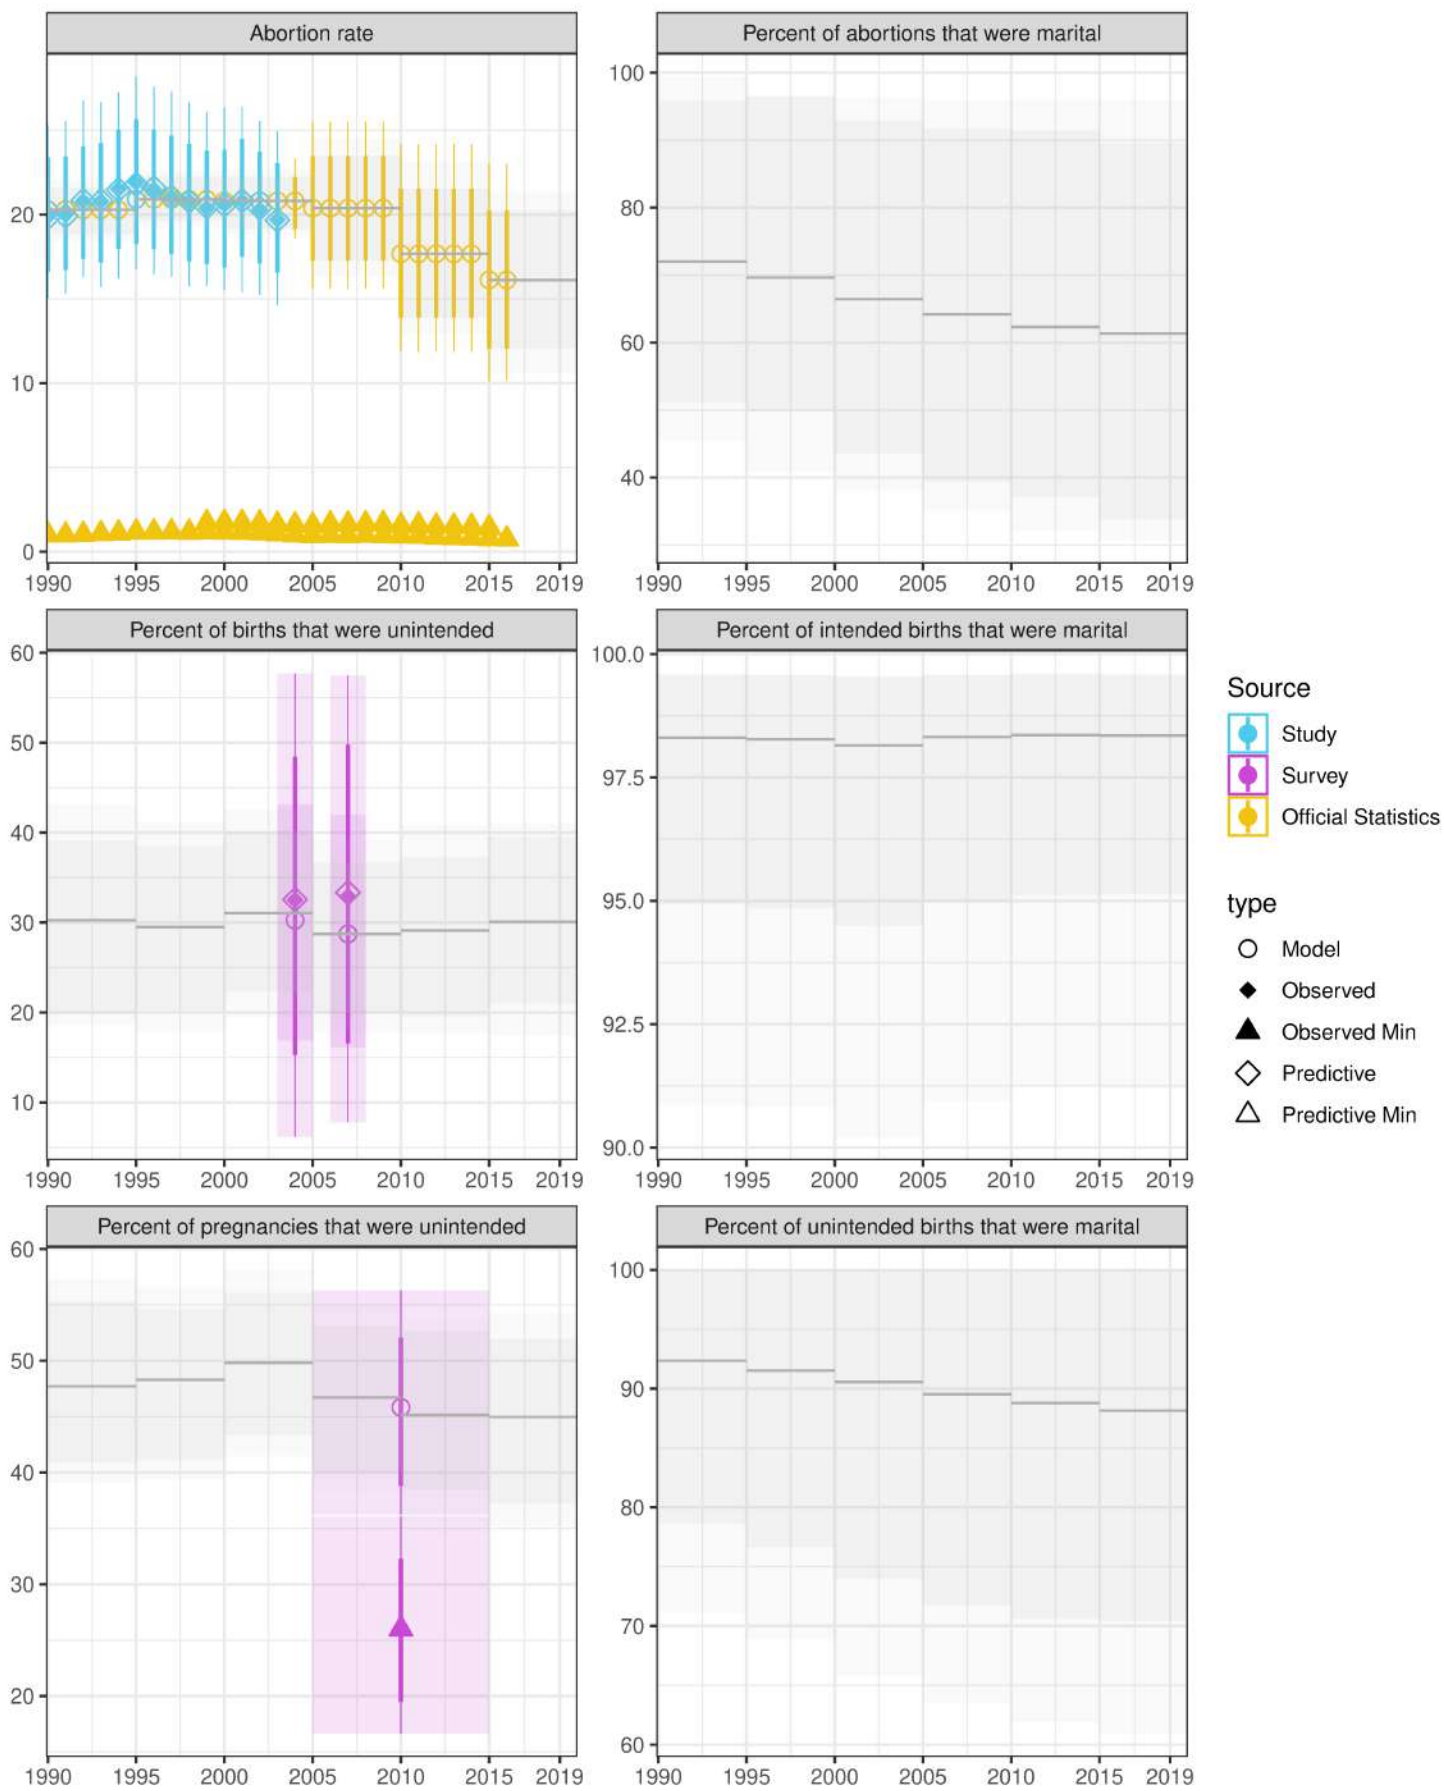

Trinidad and Tobago

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

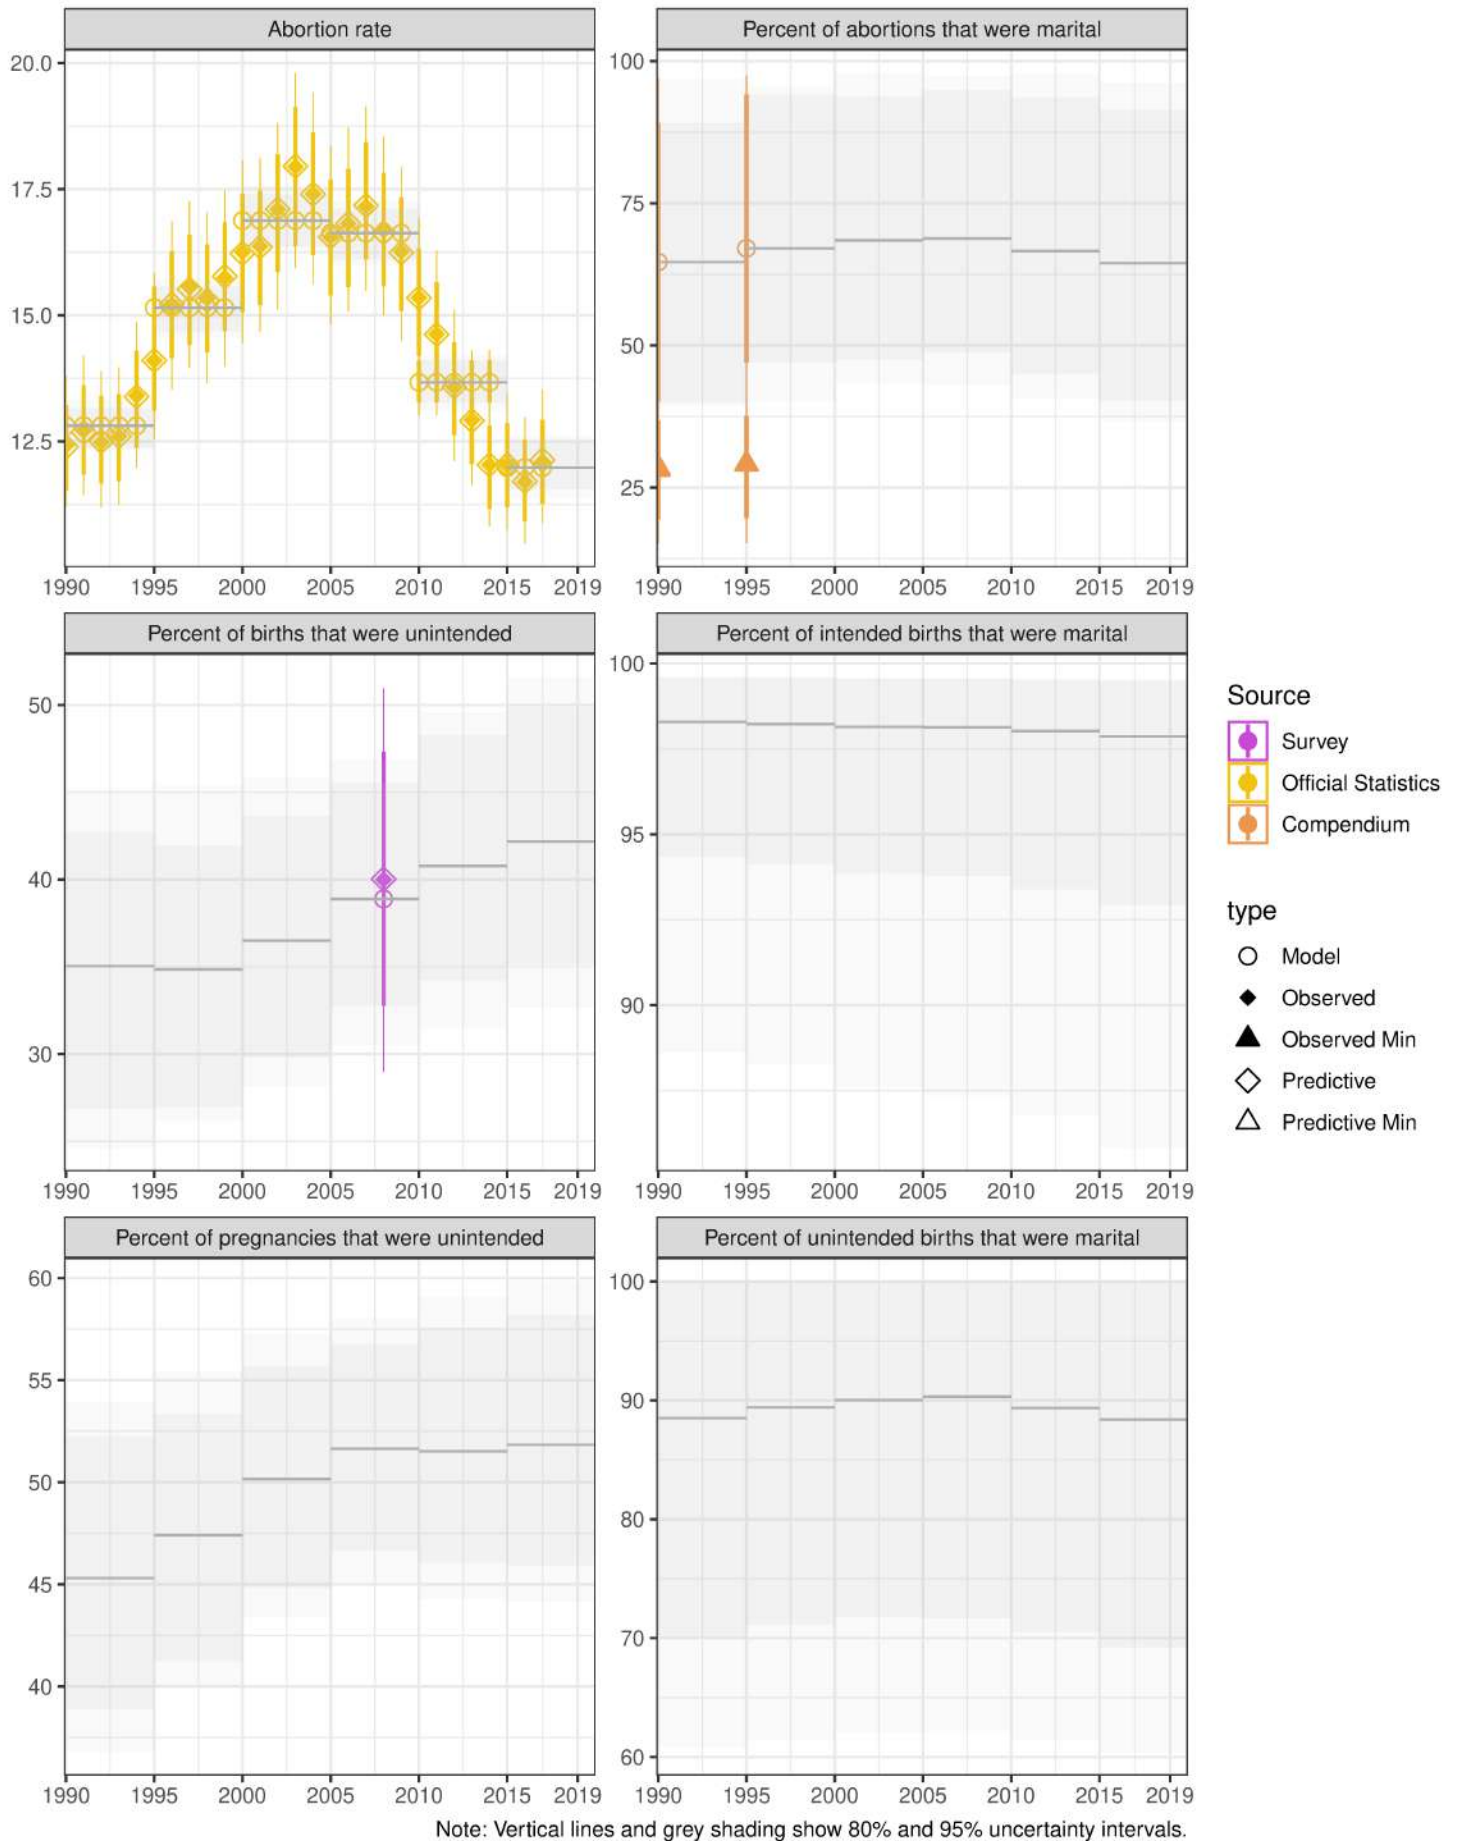

6 Oceania

Australia

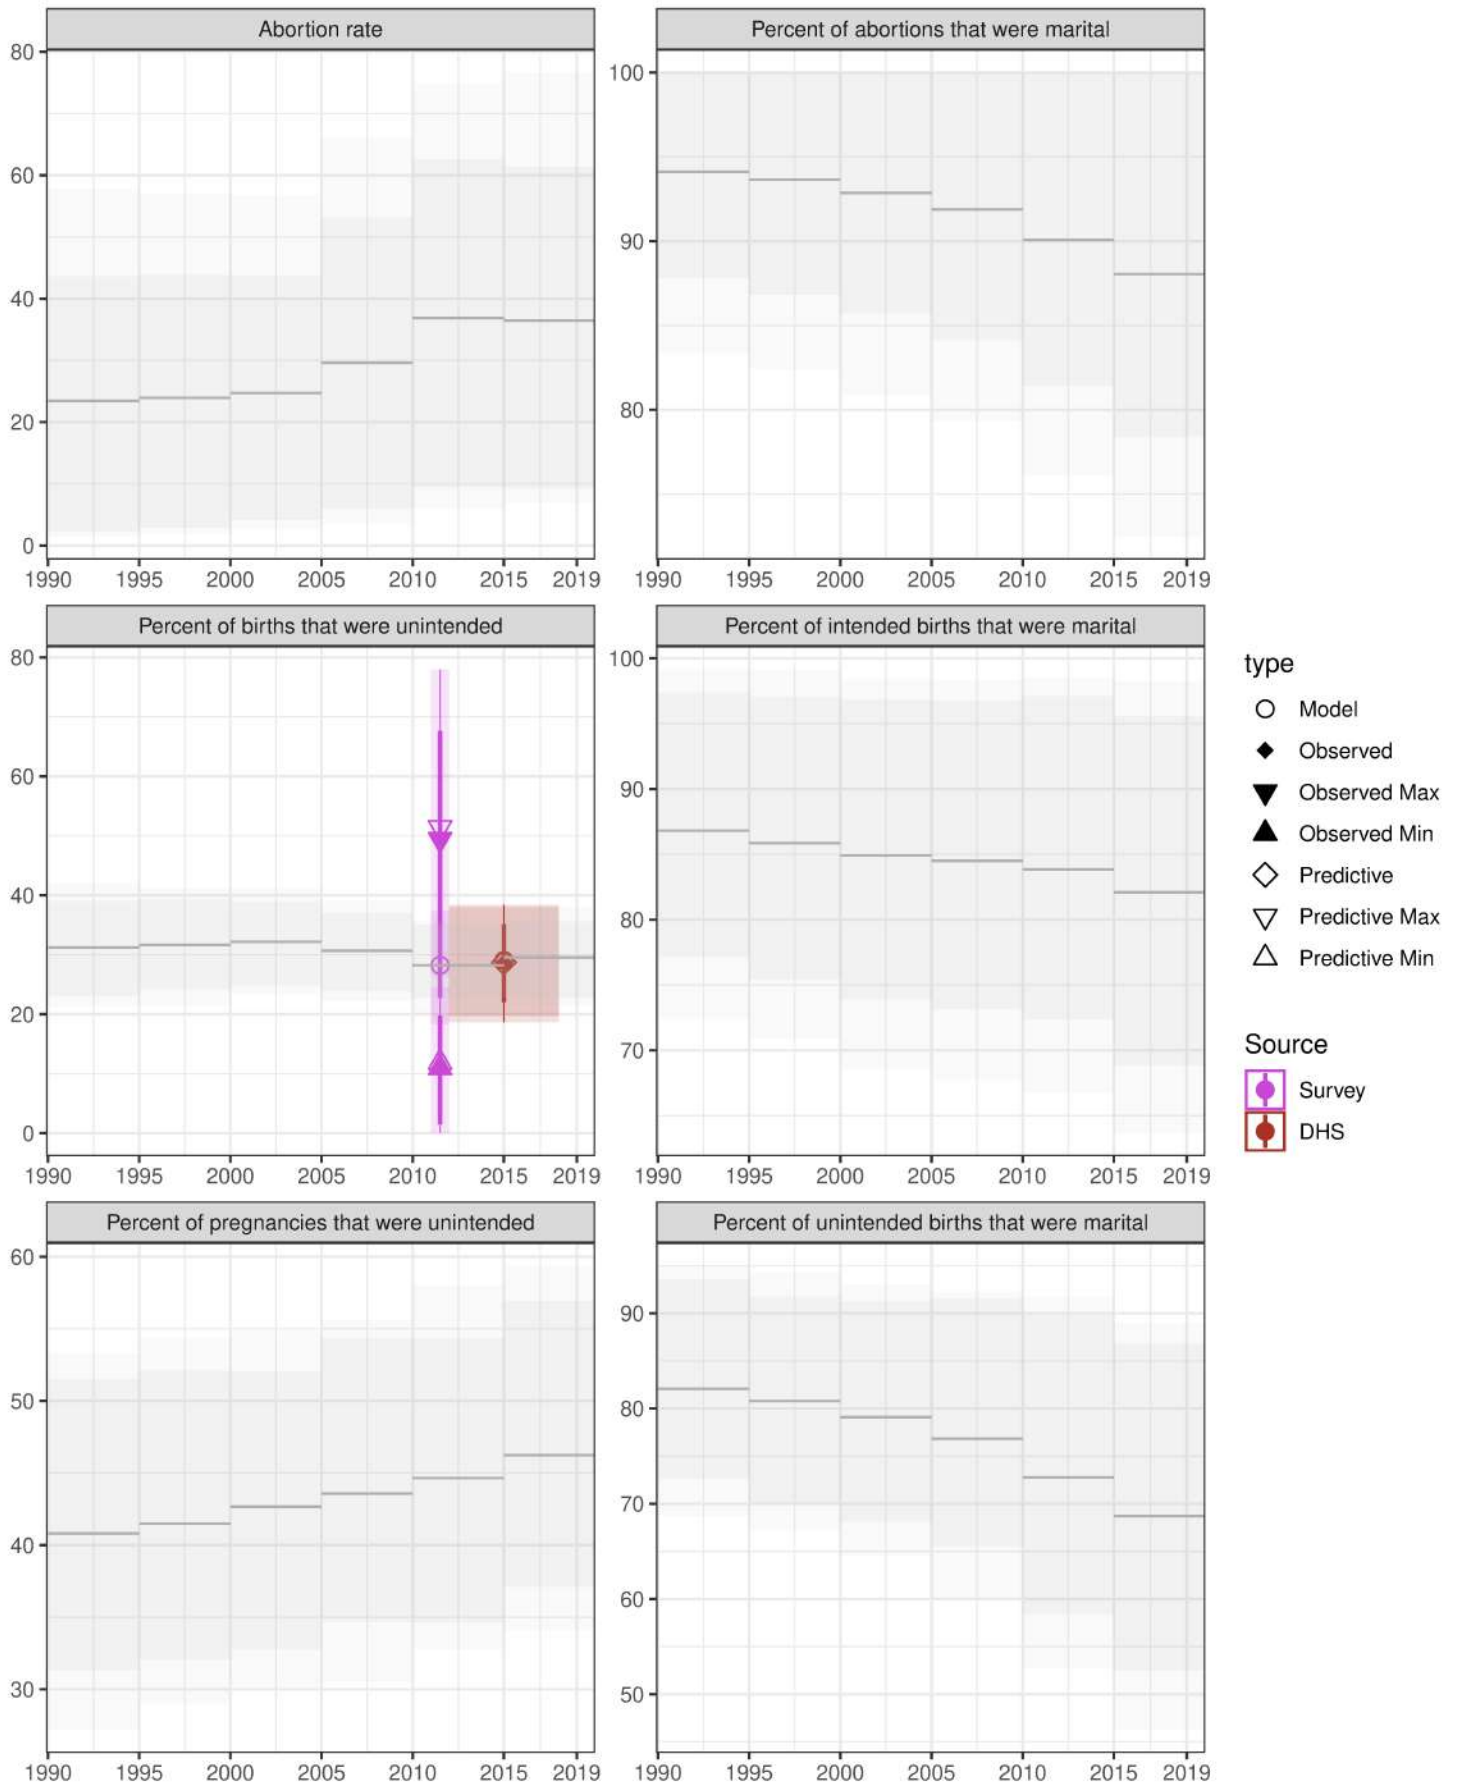

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

New Zealand

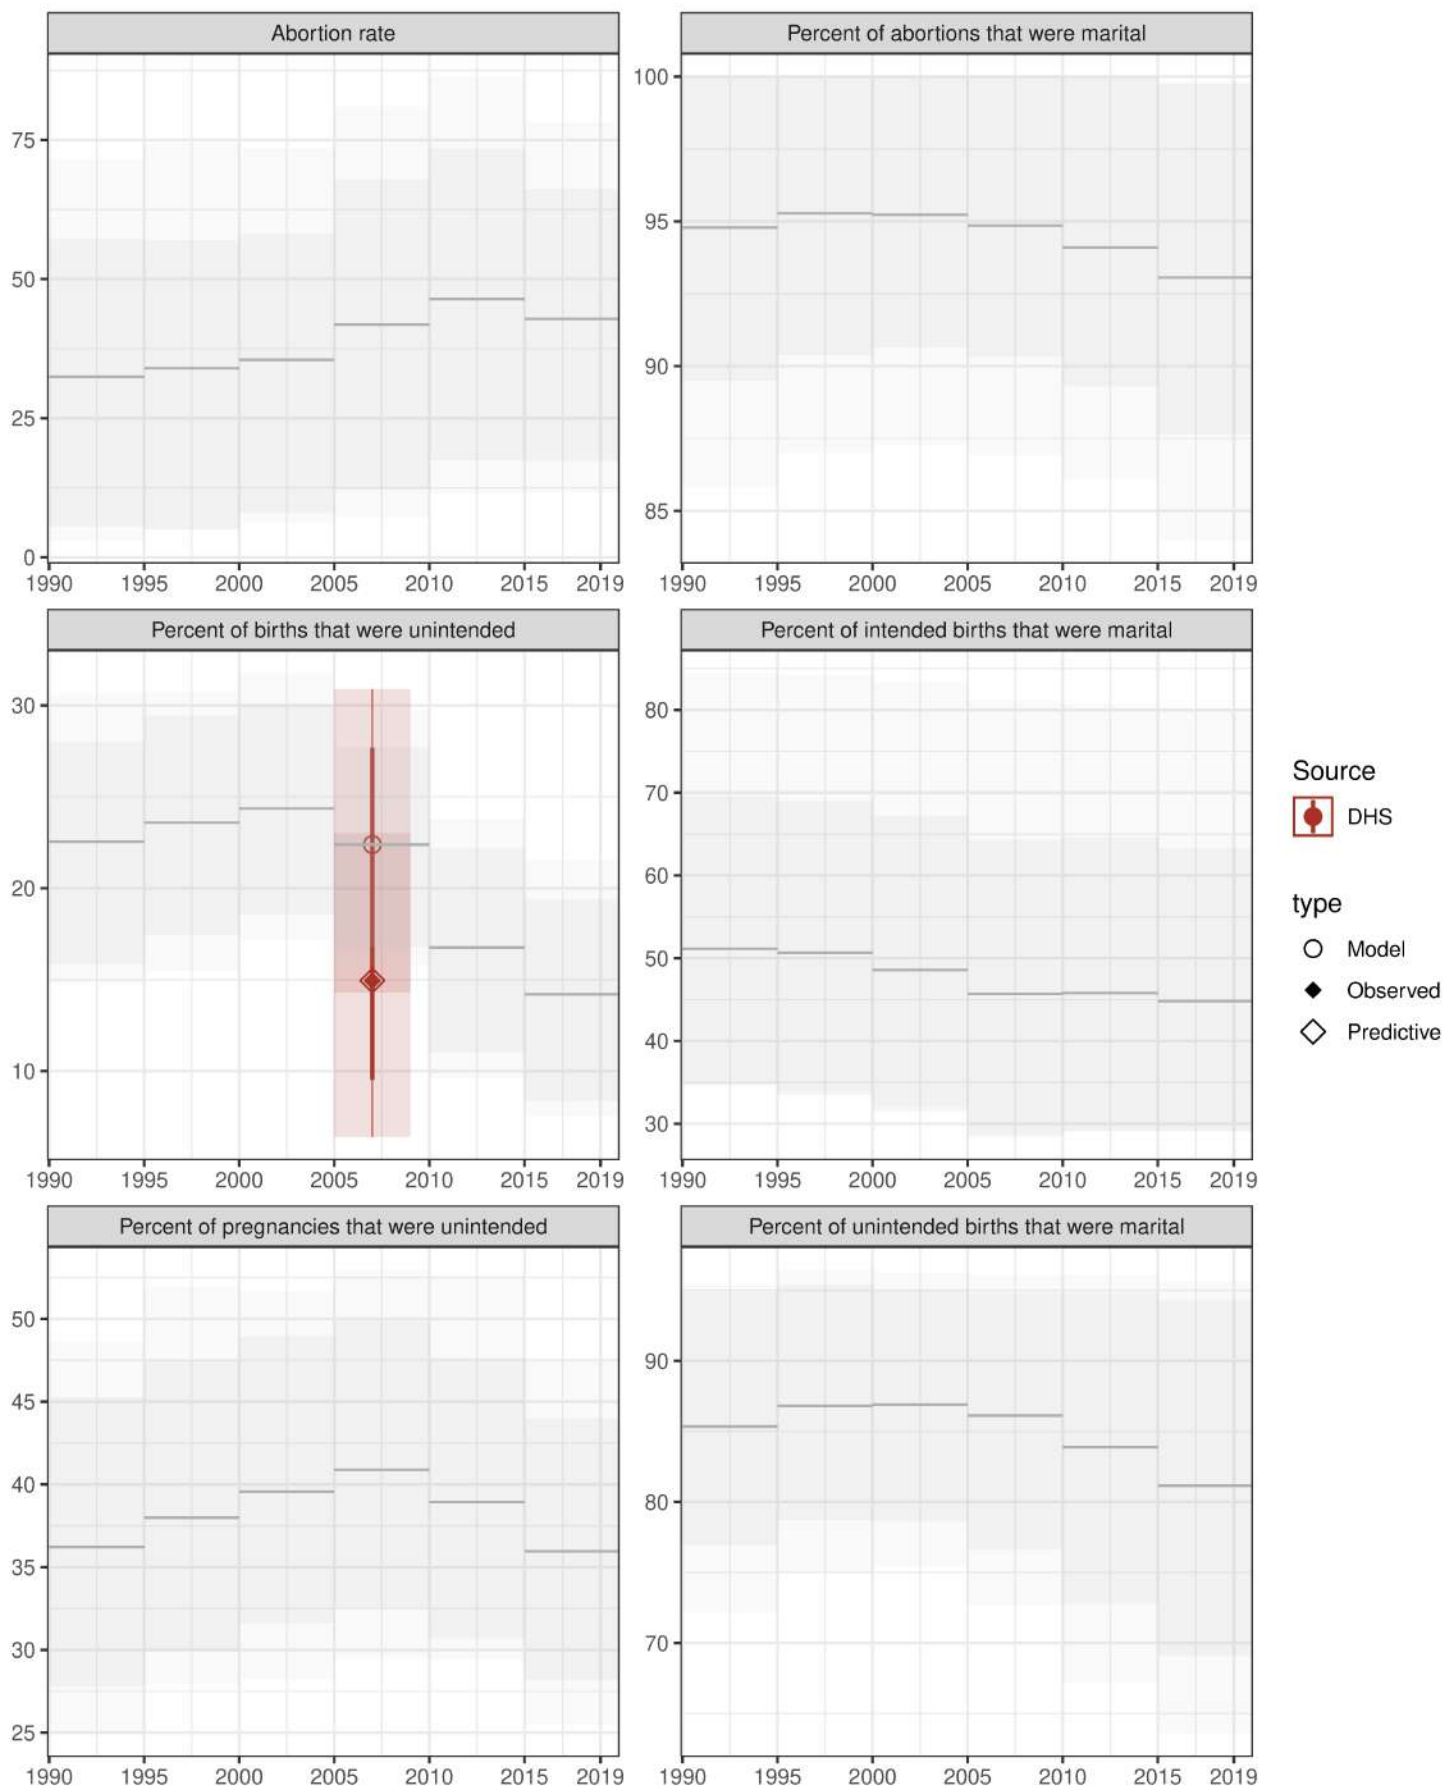

Papua New Guinea

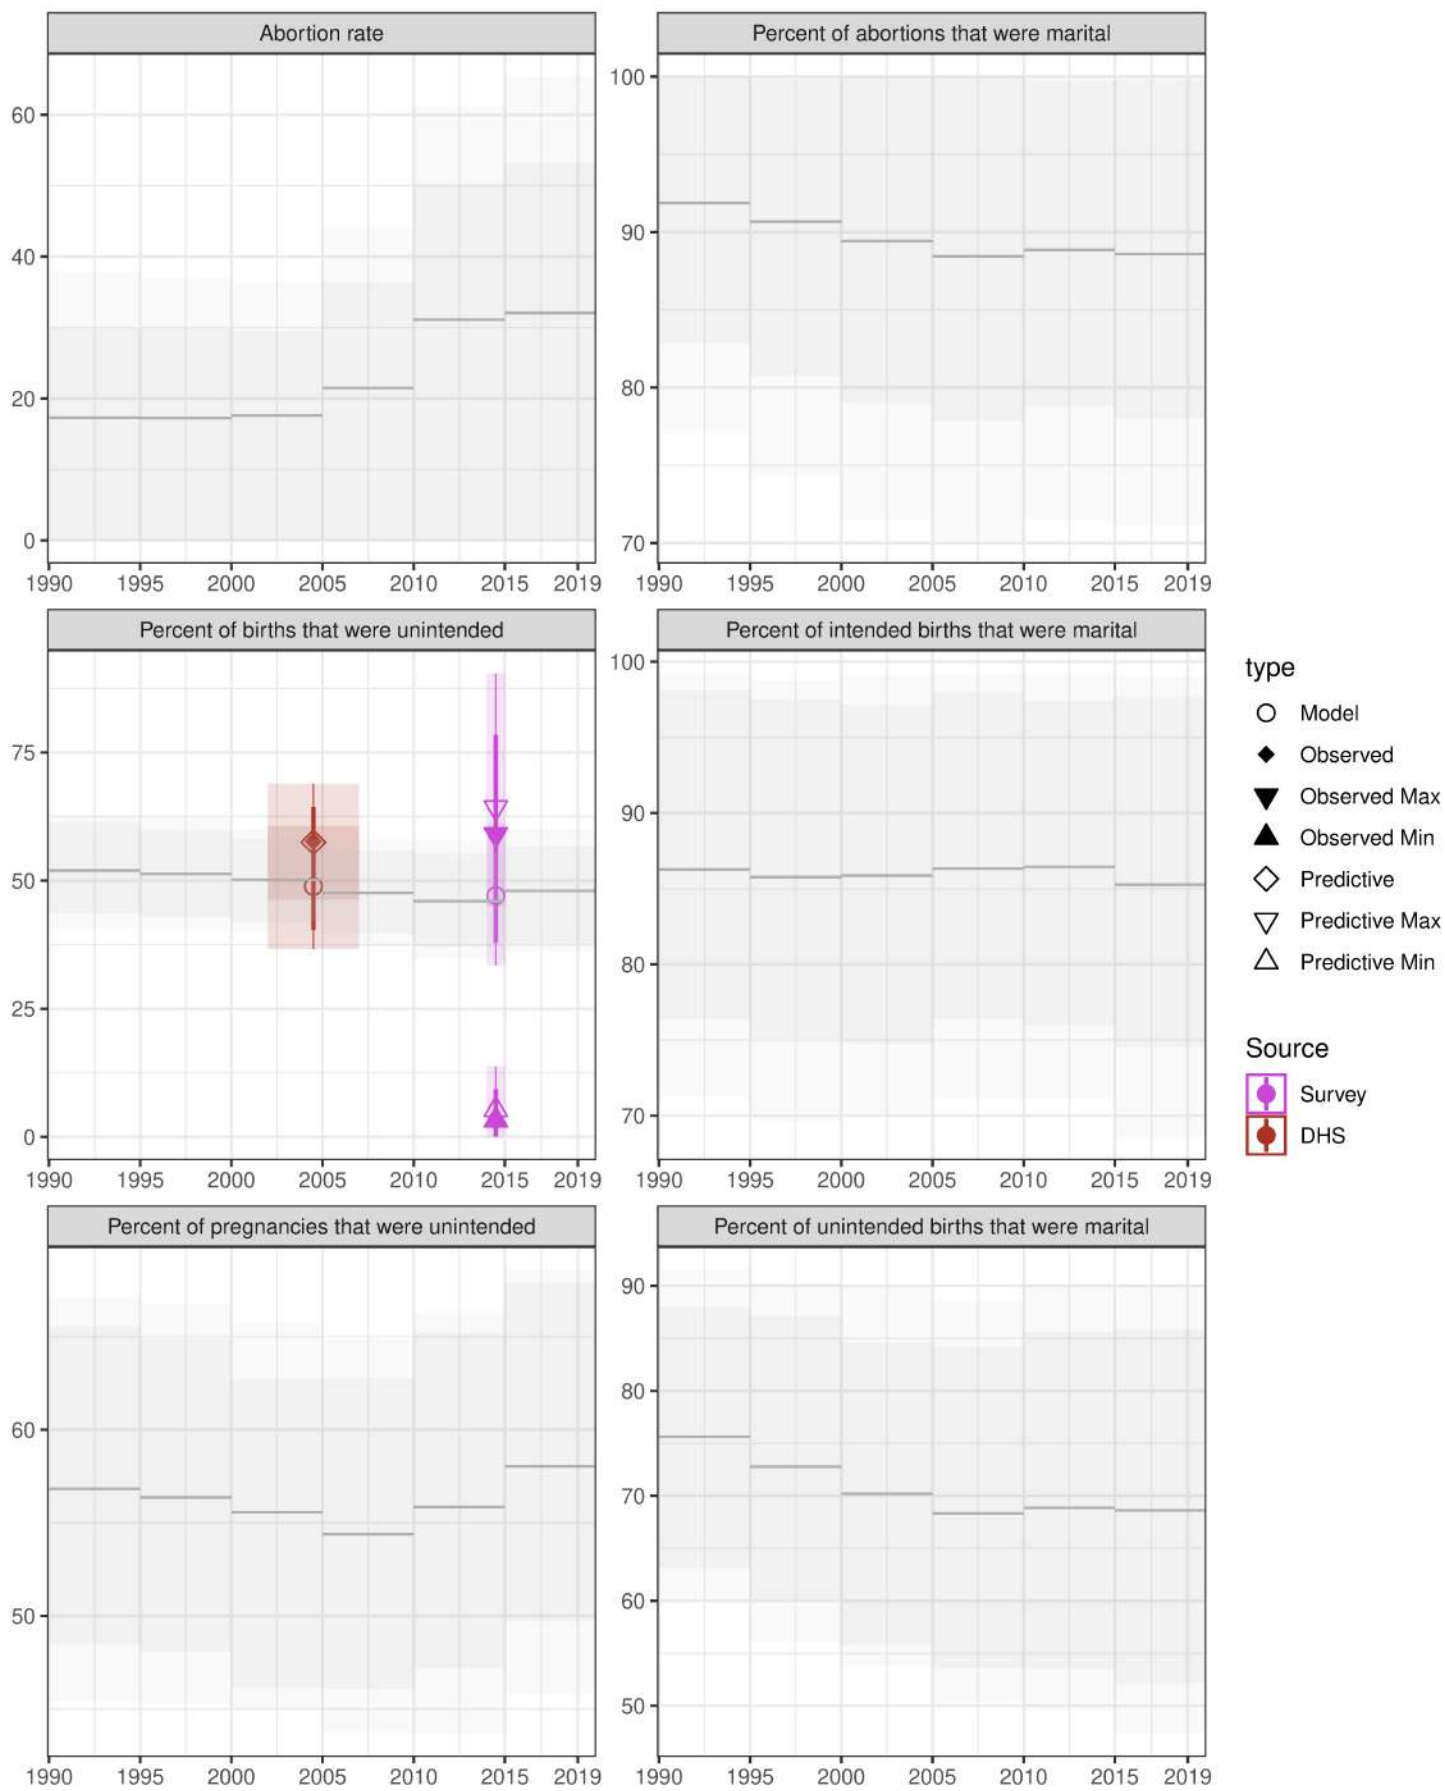

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Samoa

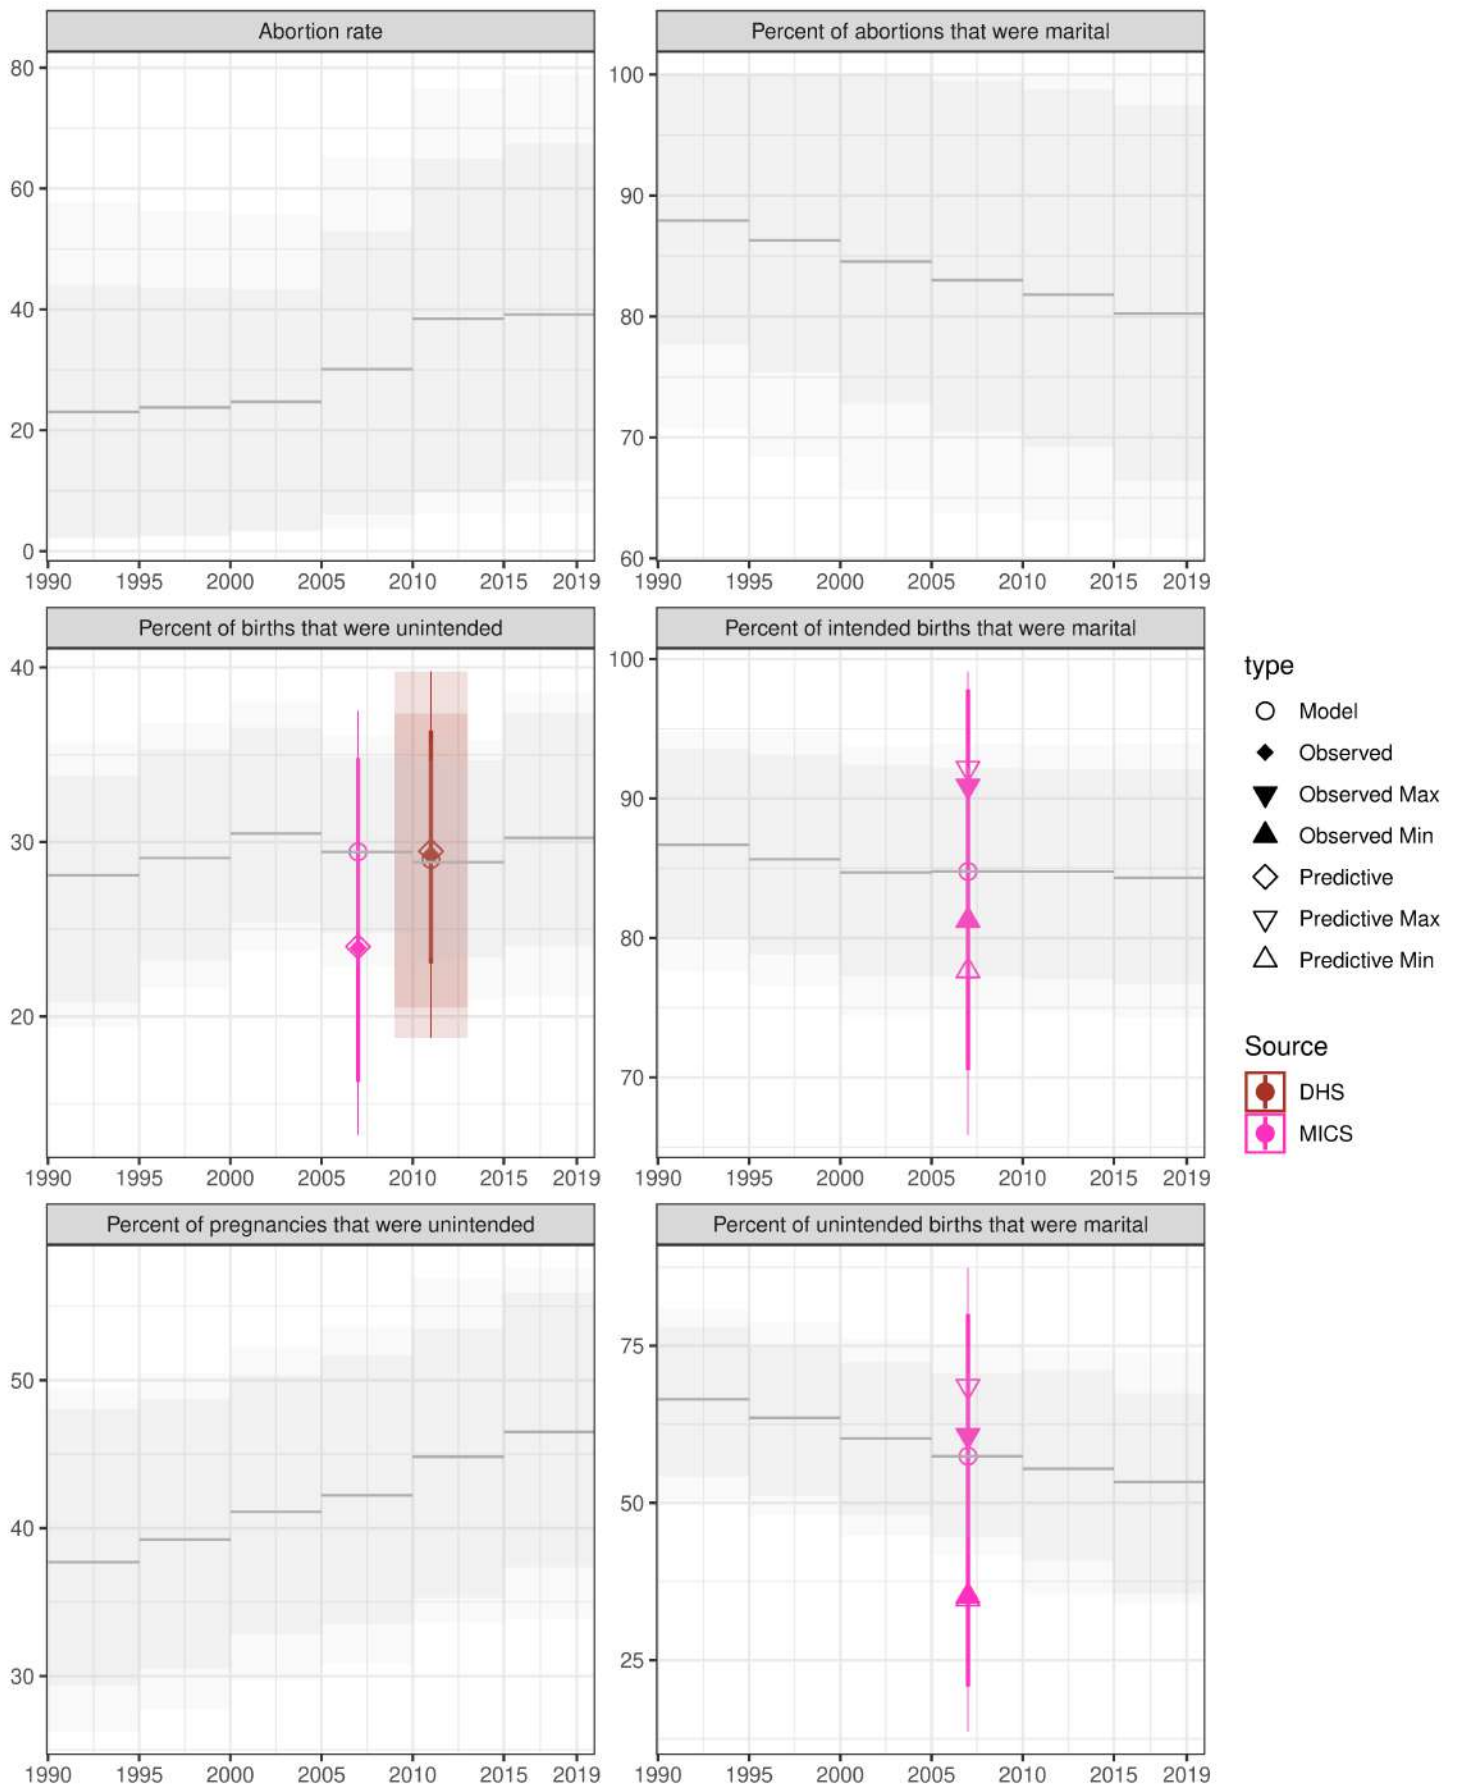

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Solomon Islands

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Vanuatu

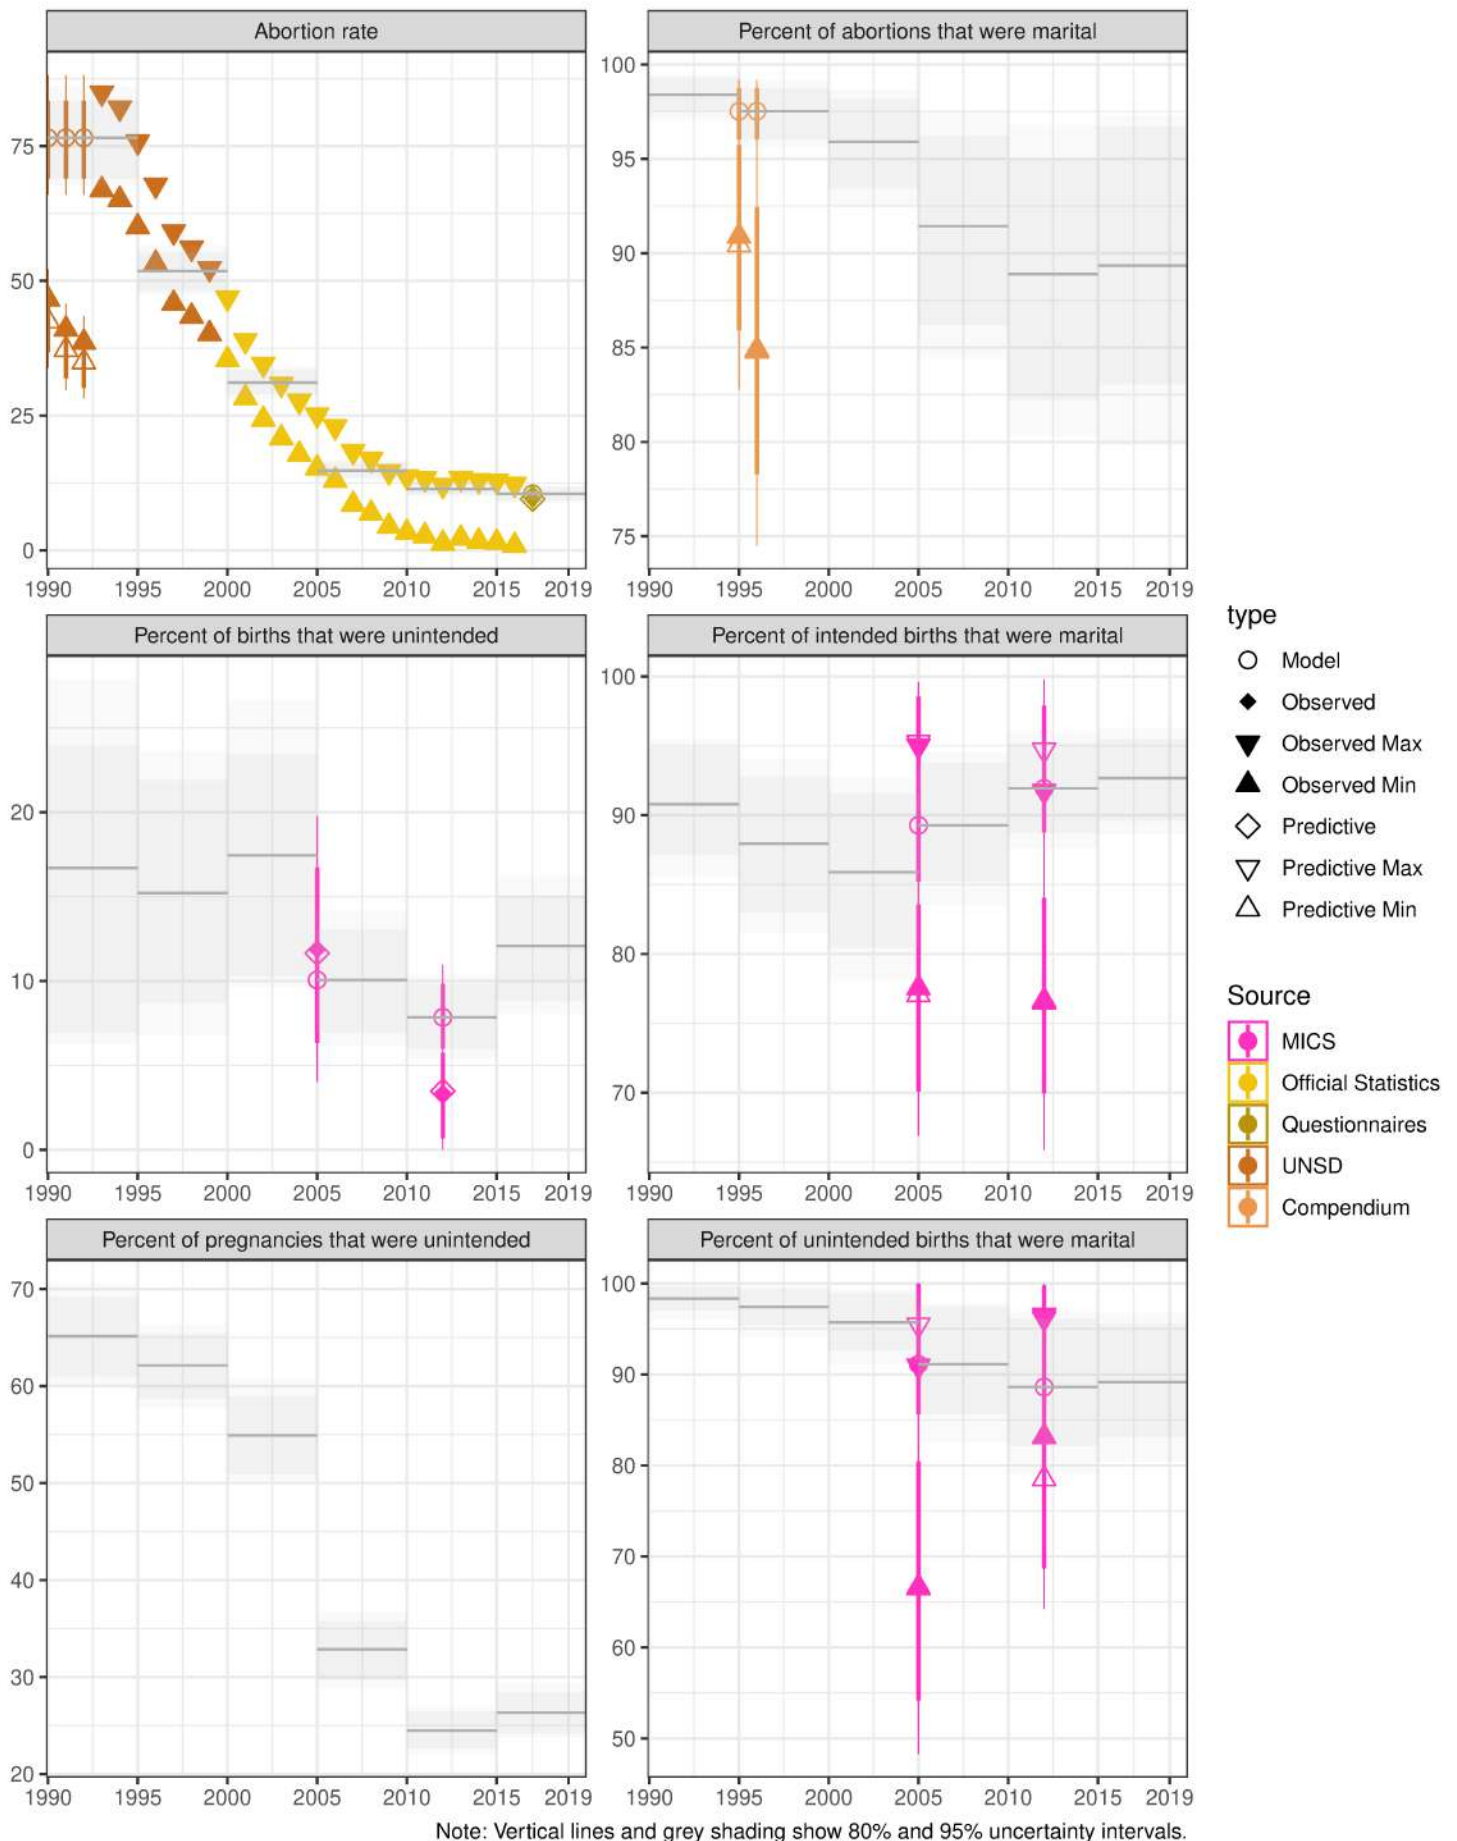

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

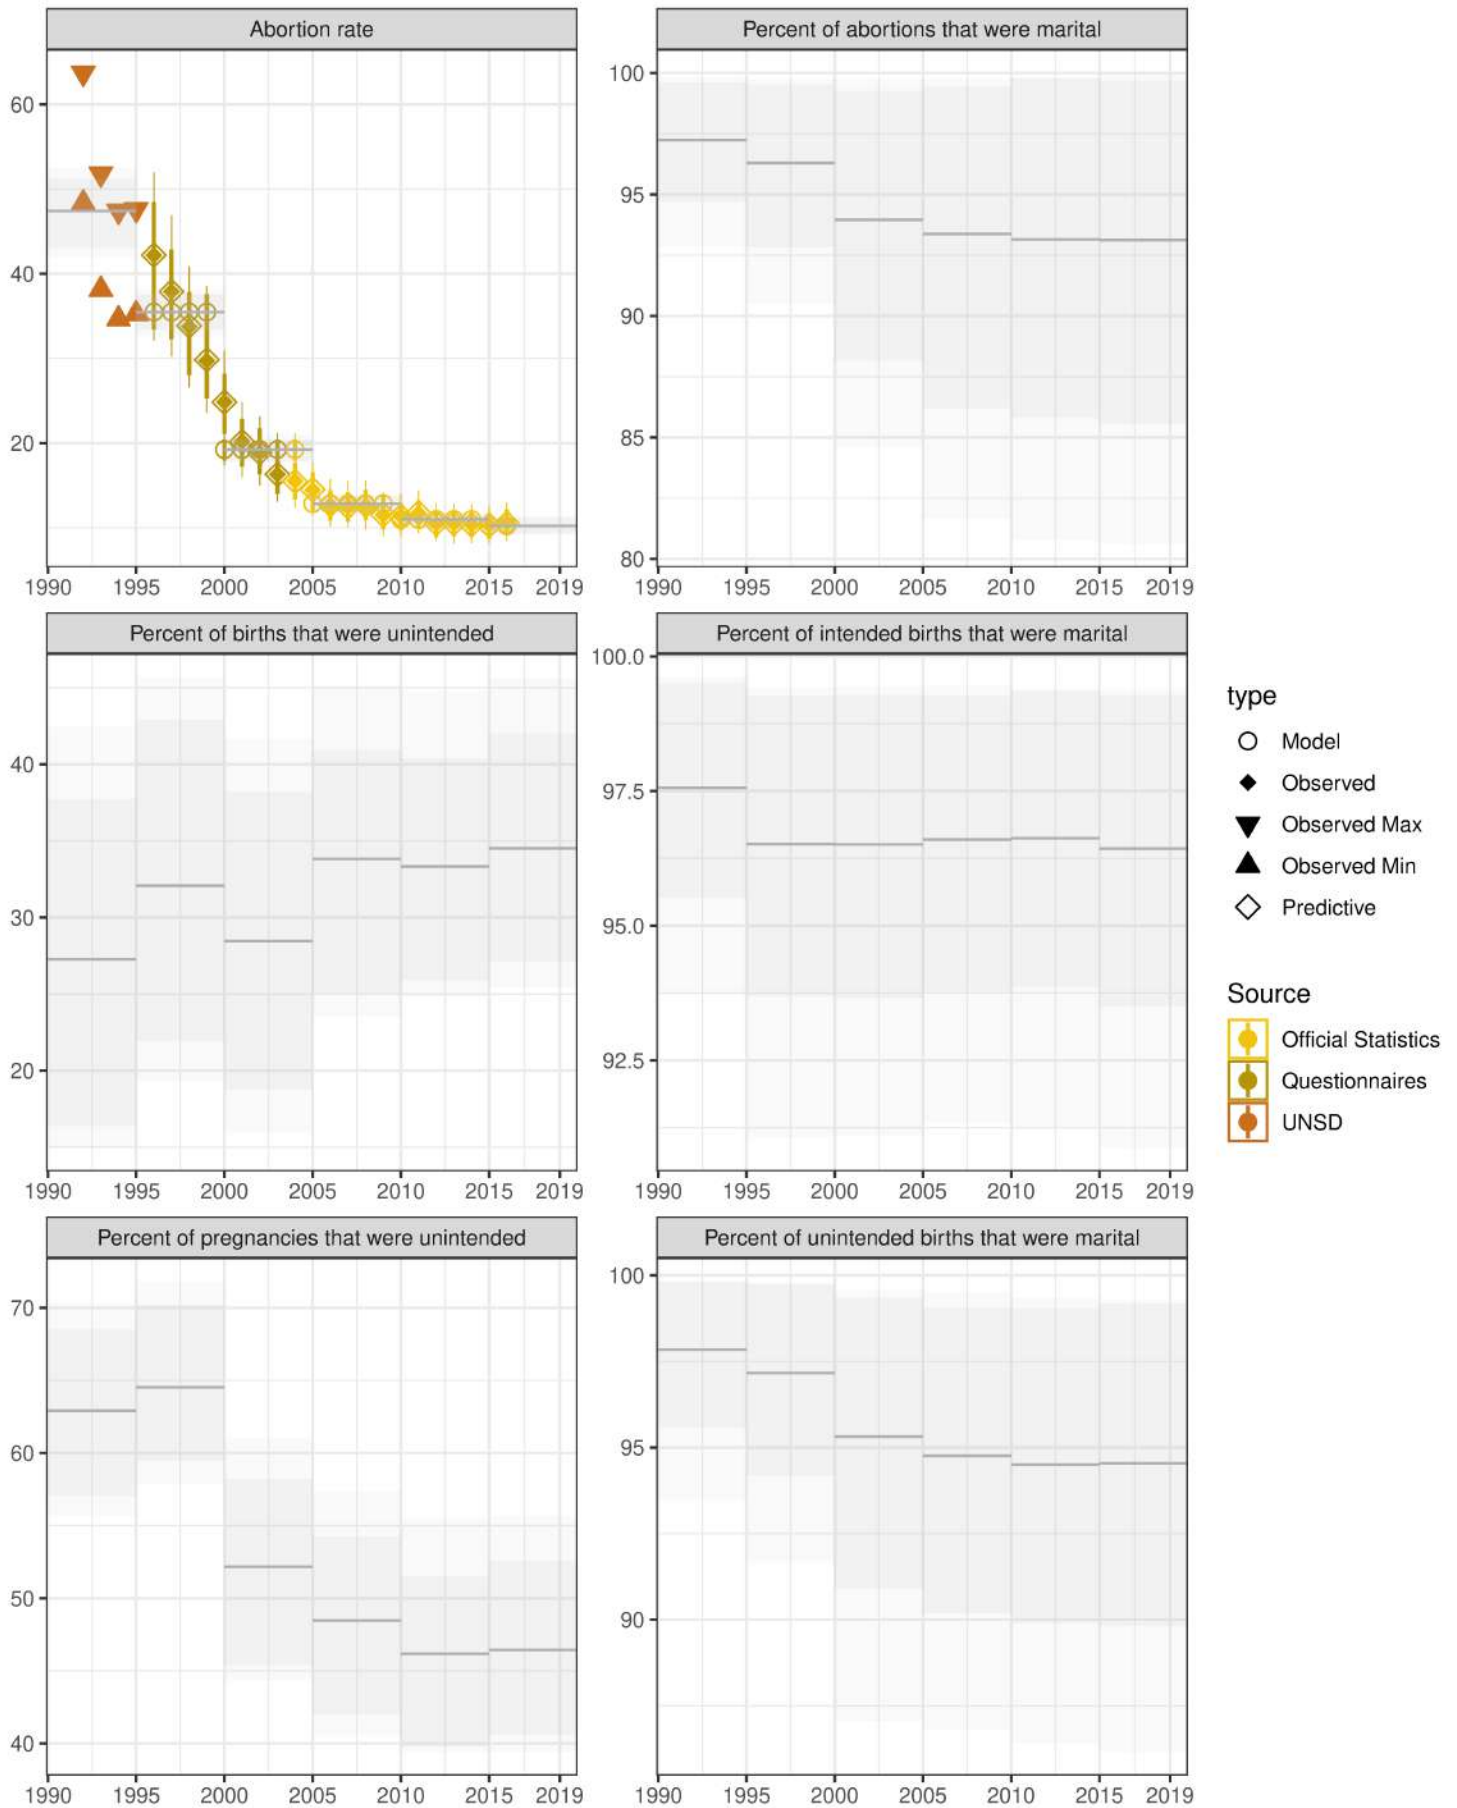

7 Europe and Northern America

7.1 Eastern Europe

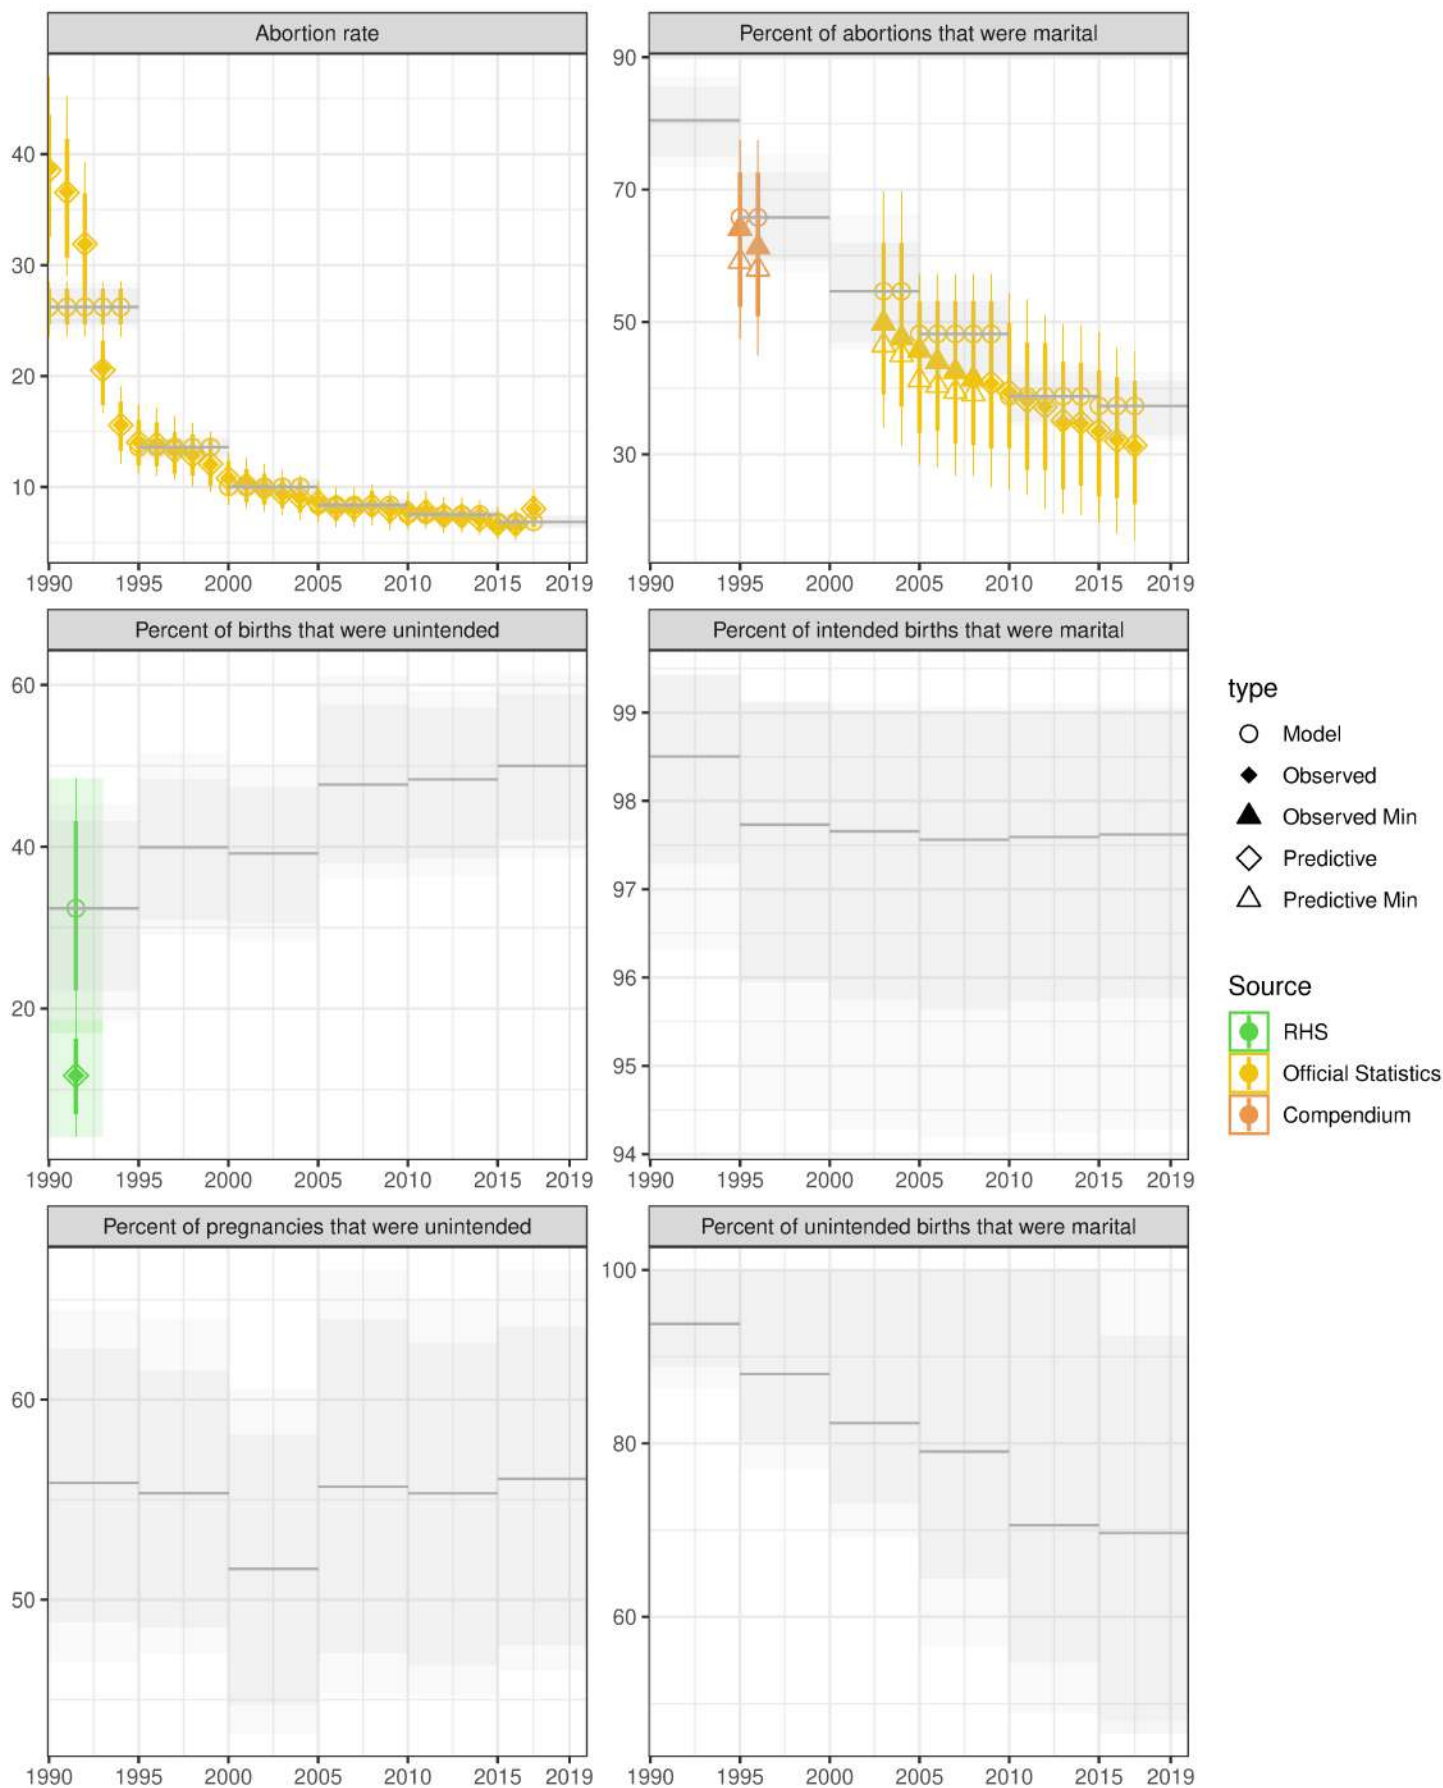

Belarus

Bulgaria

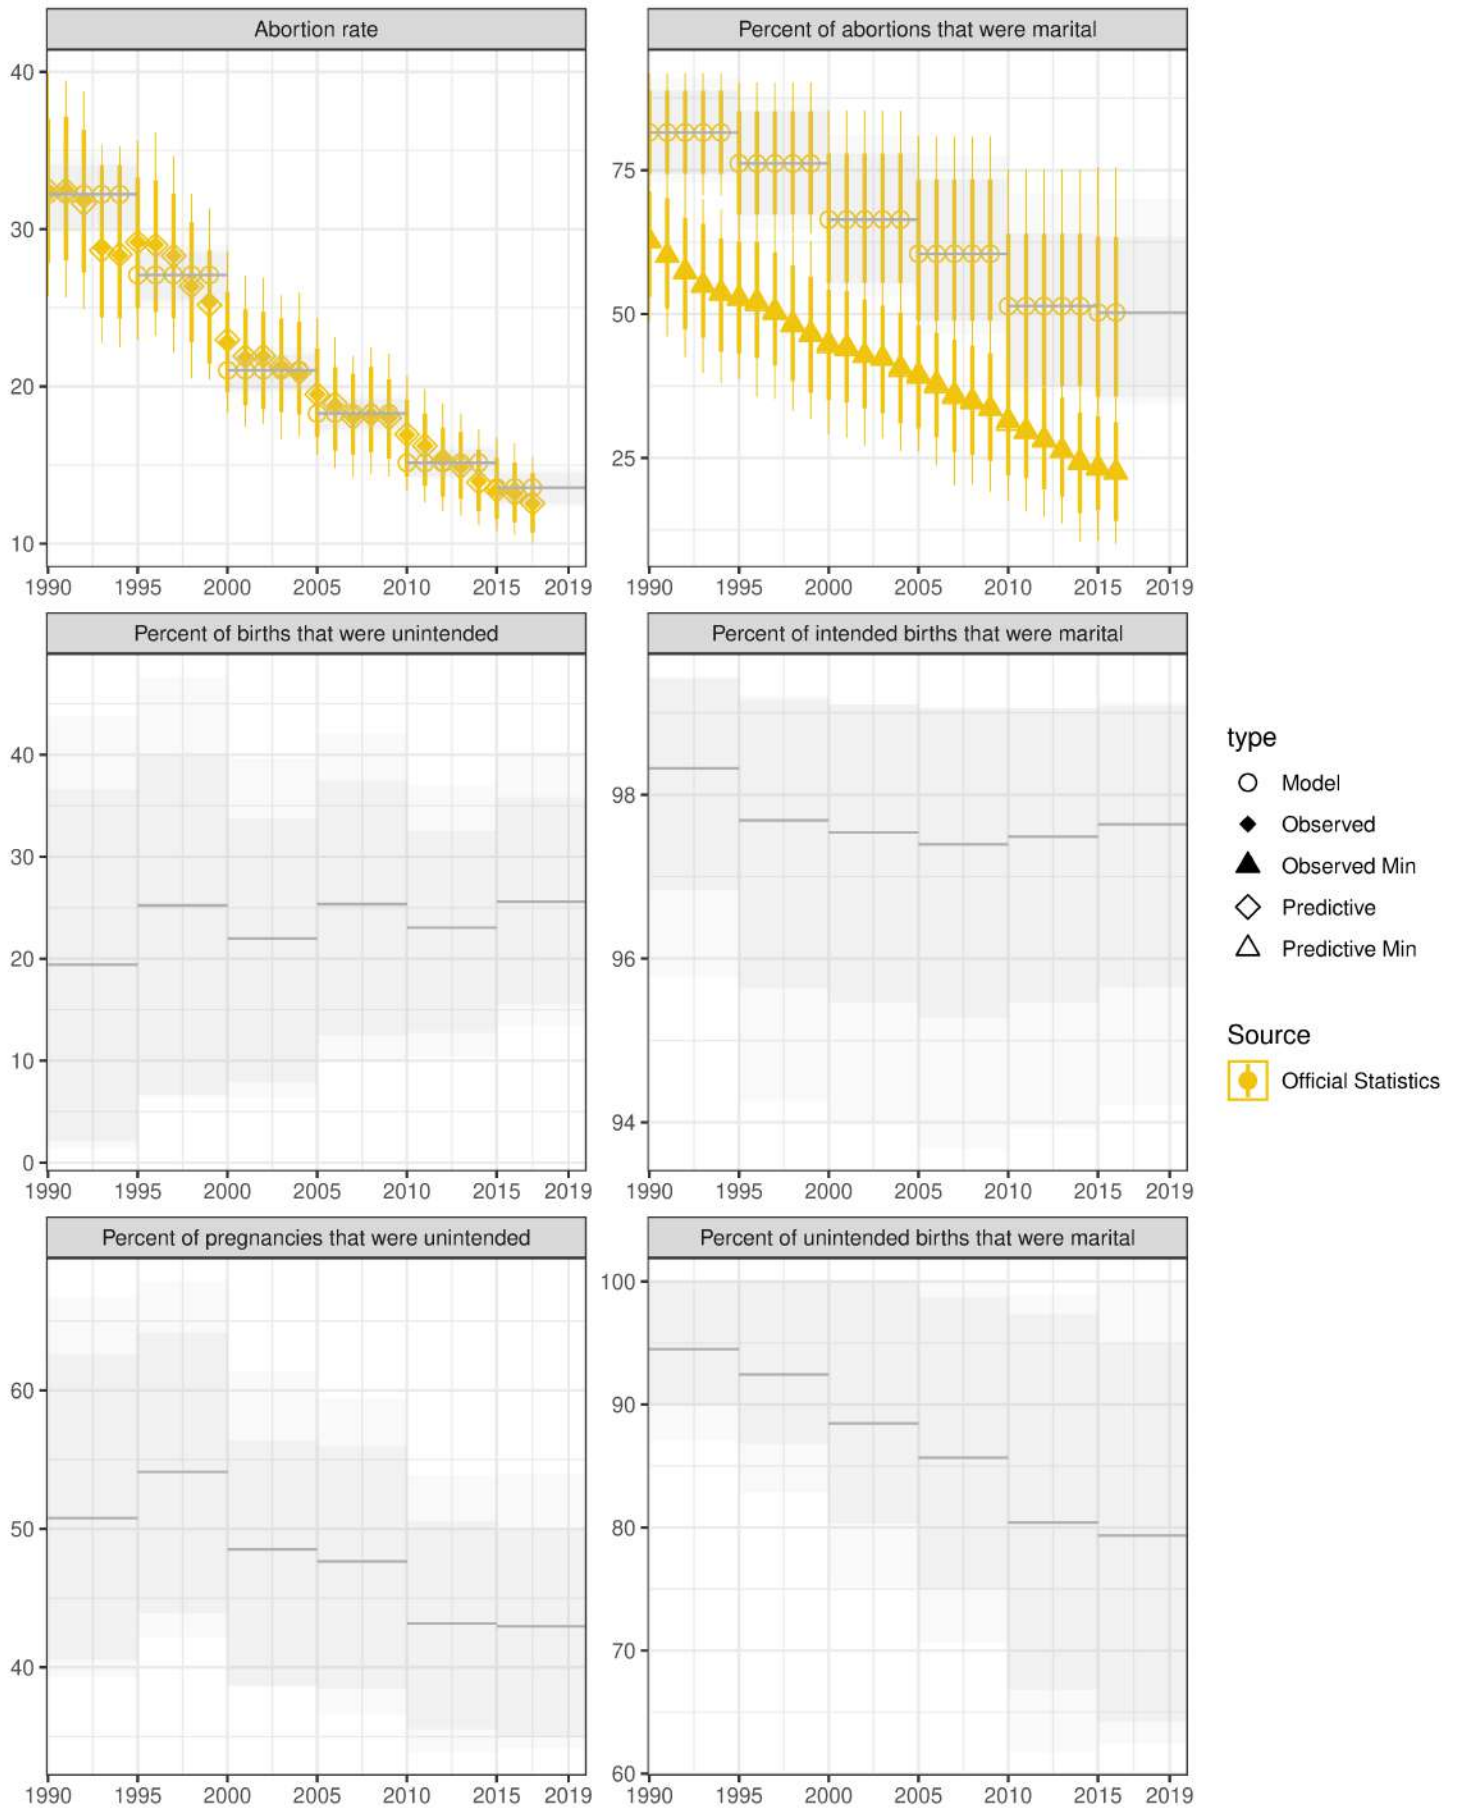

Czechia

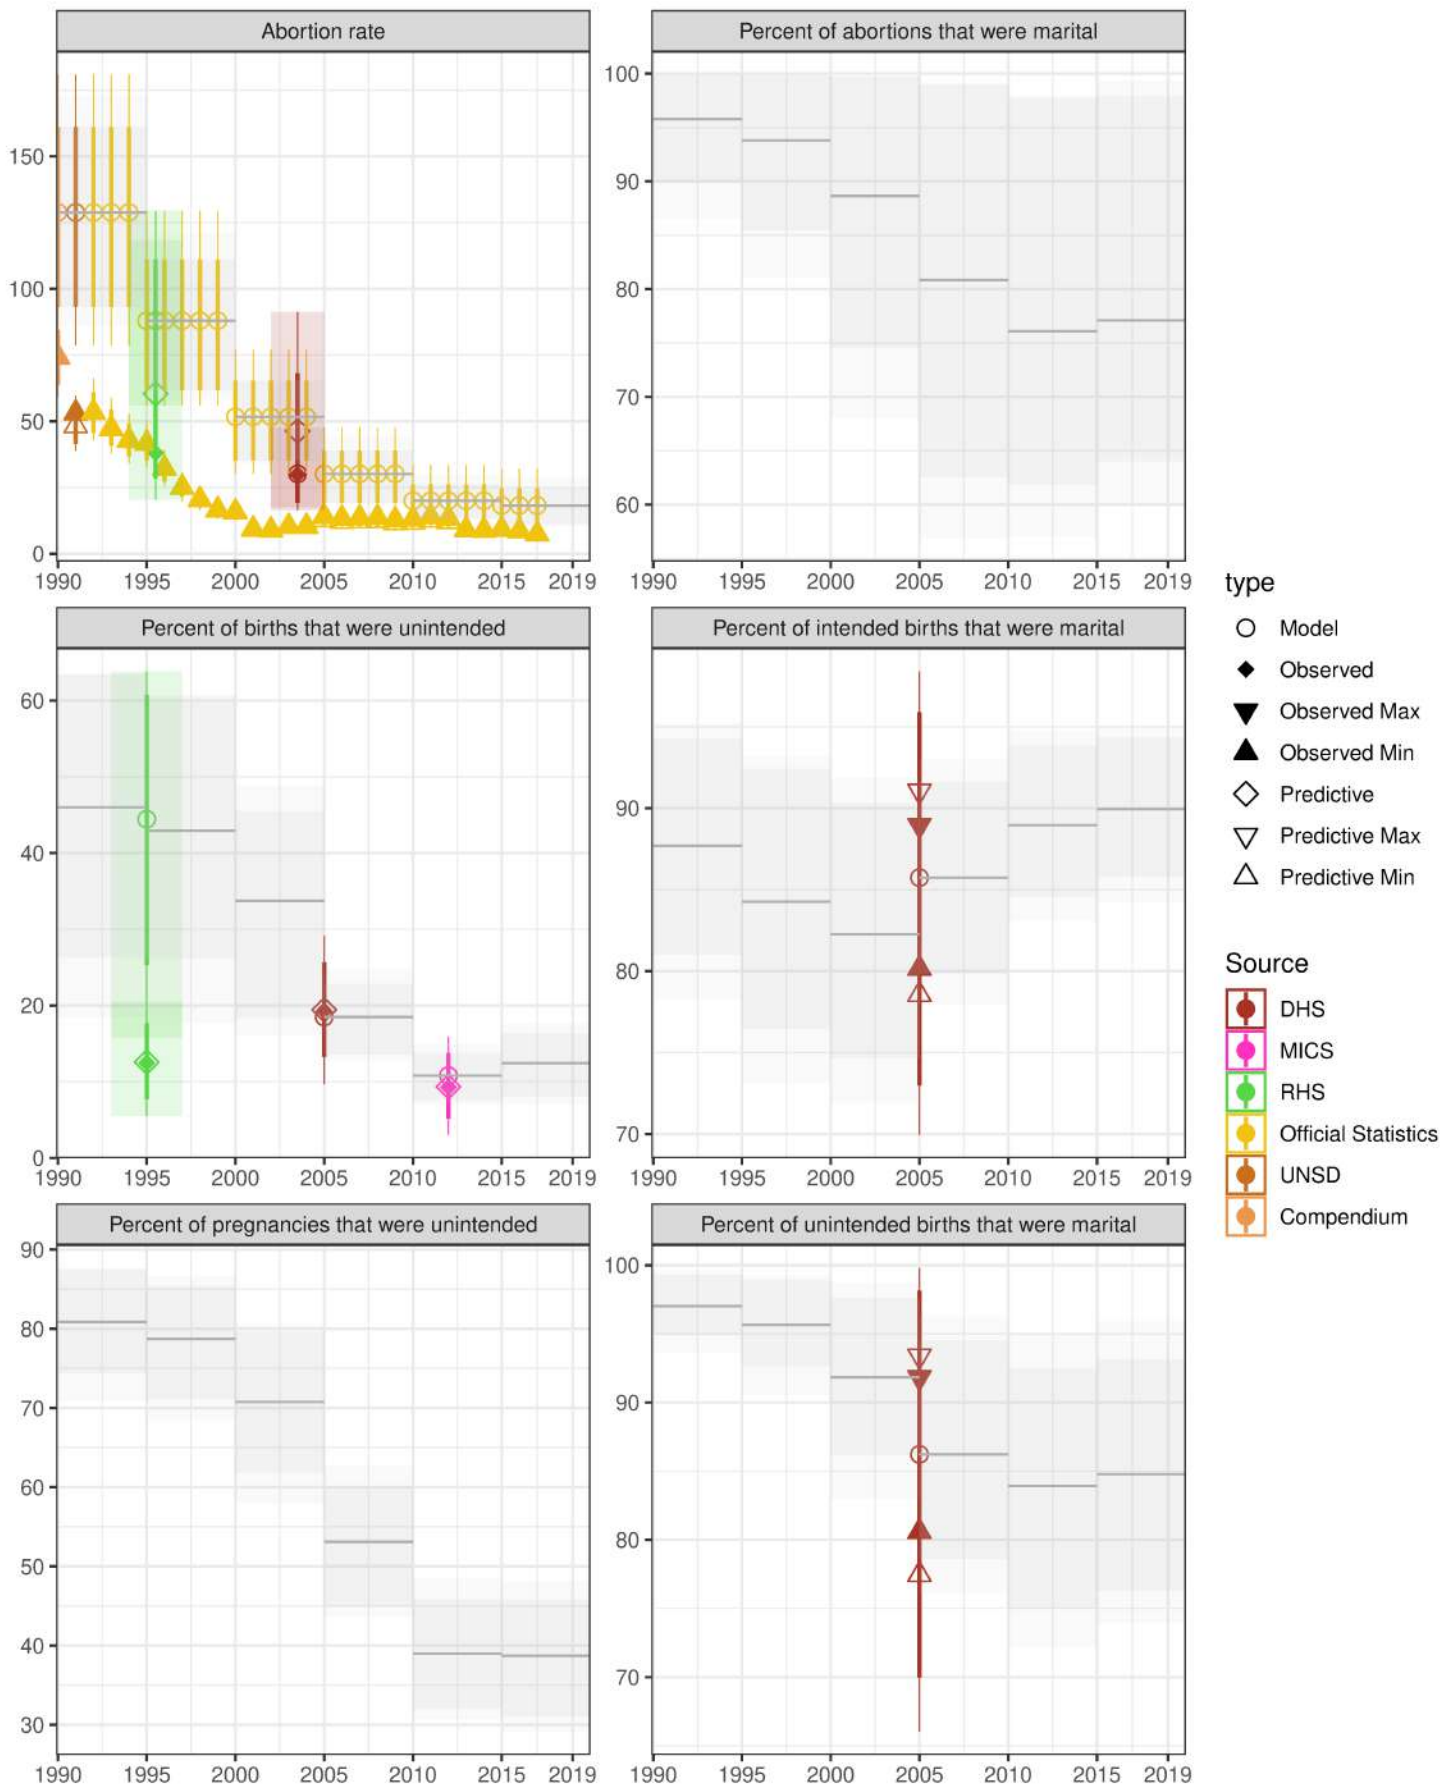

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Hungary

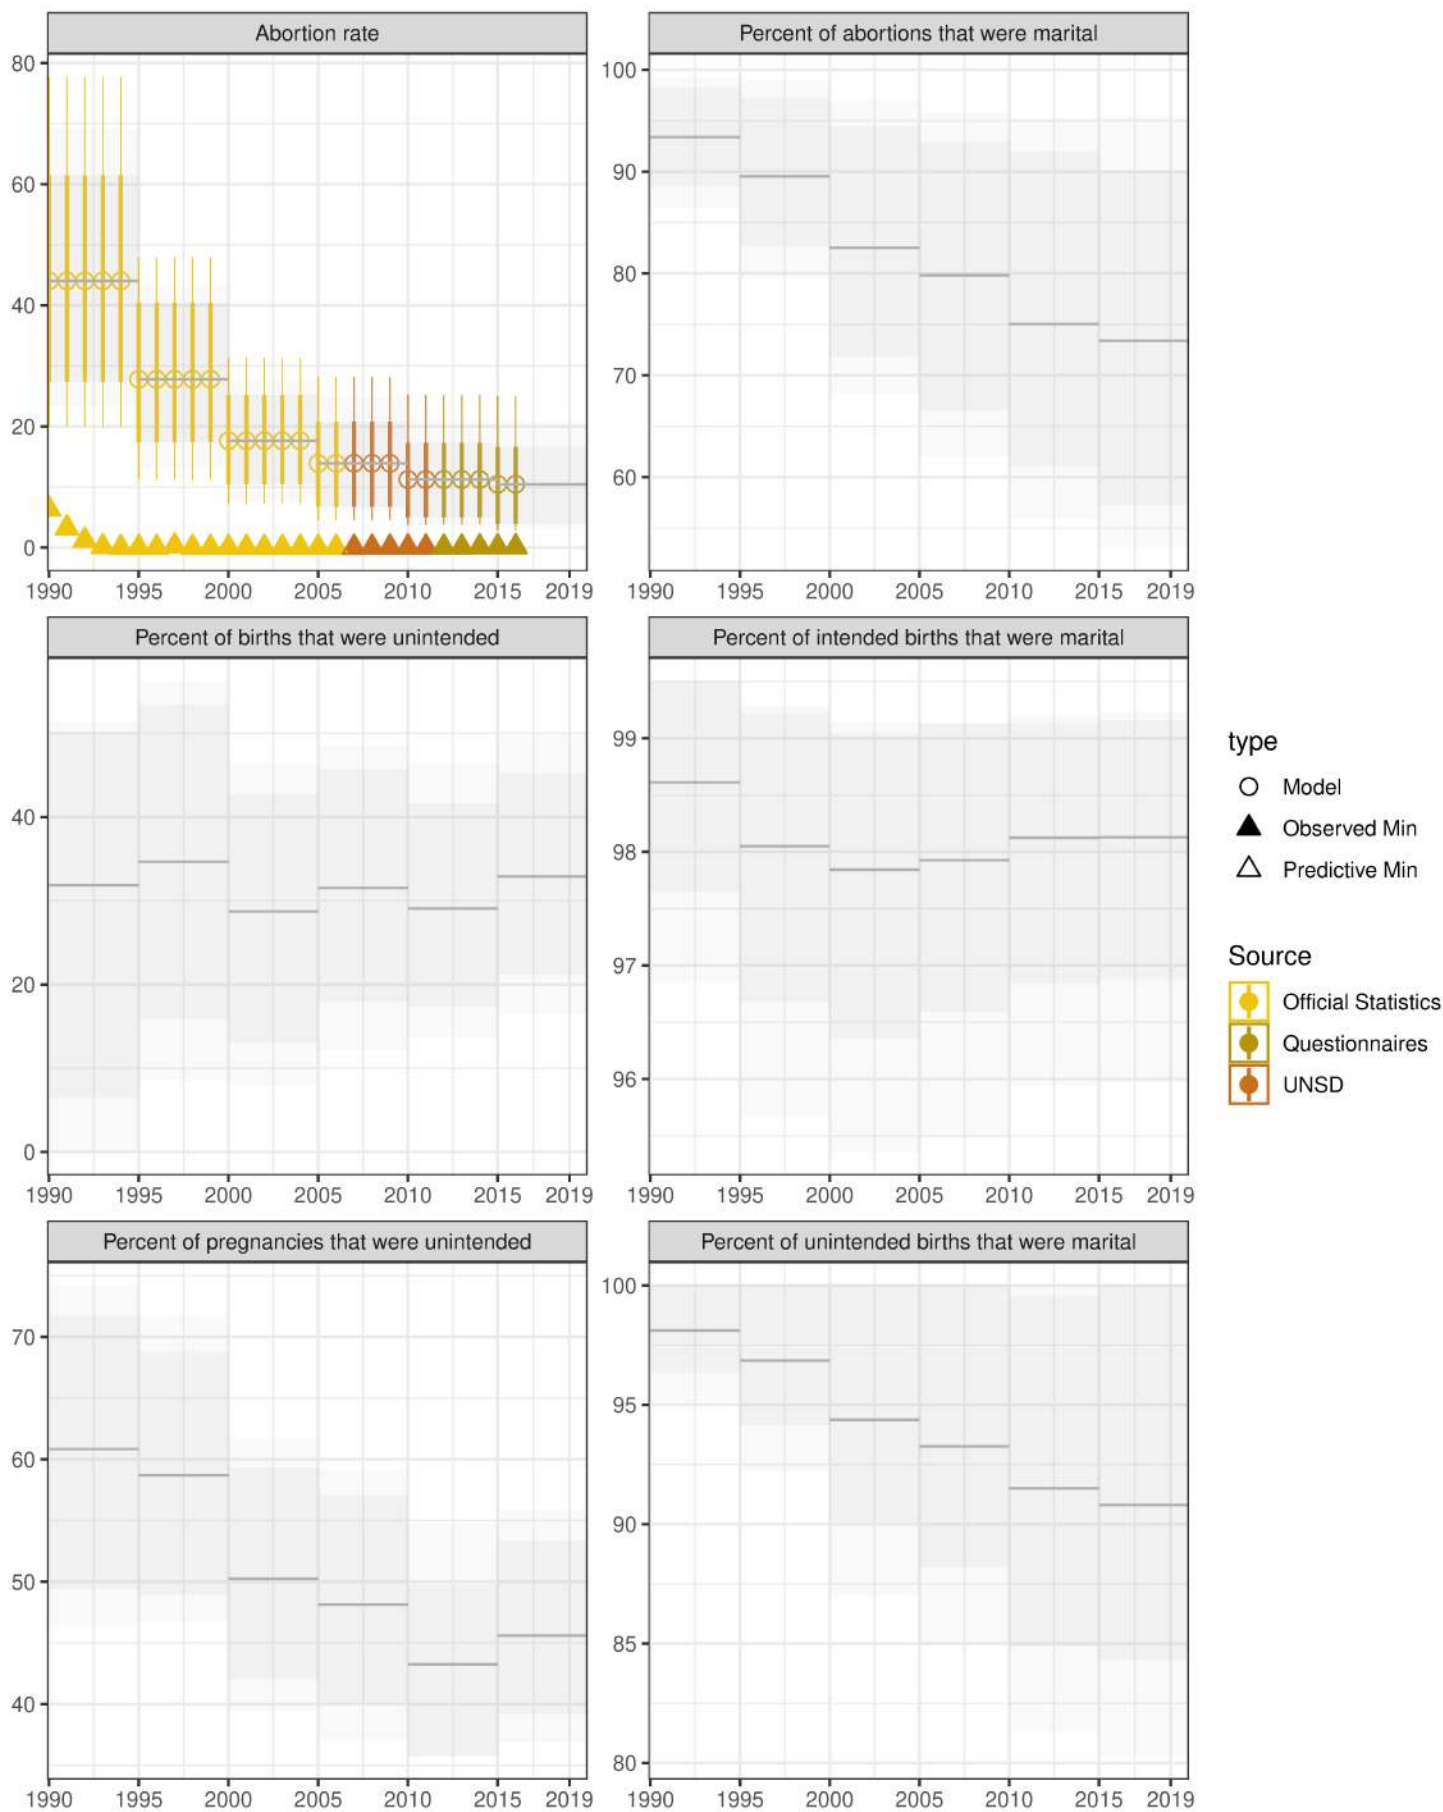

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Moldova

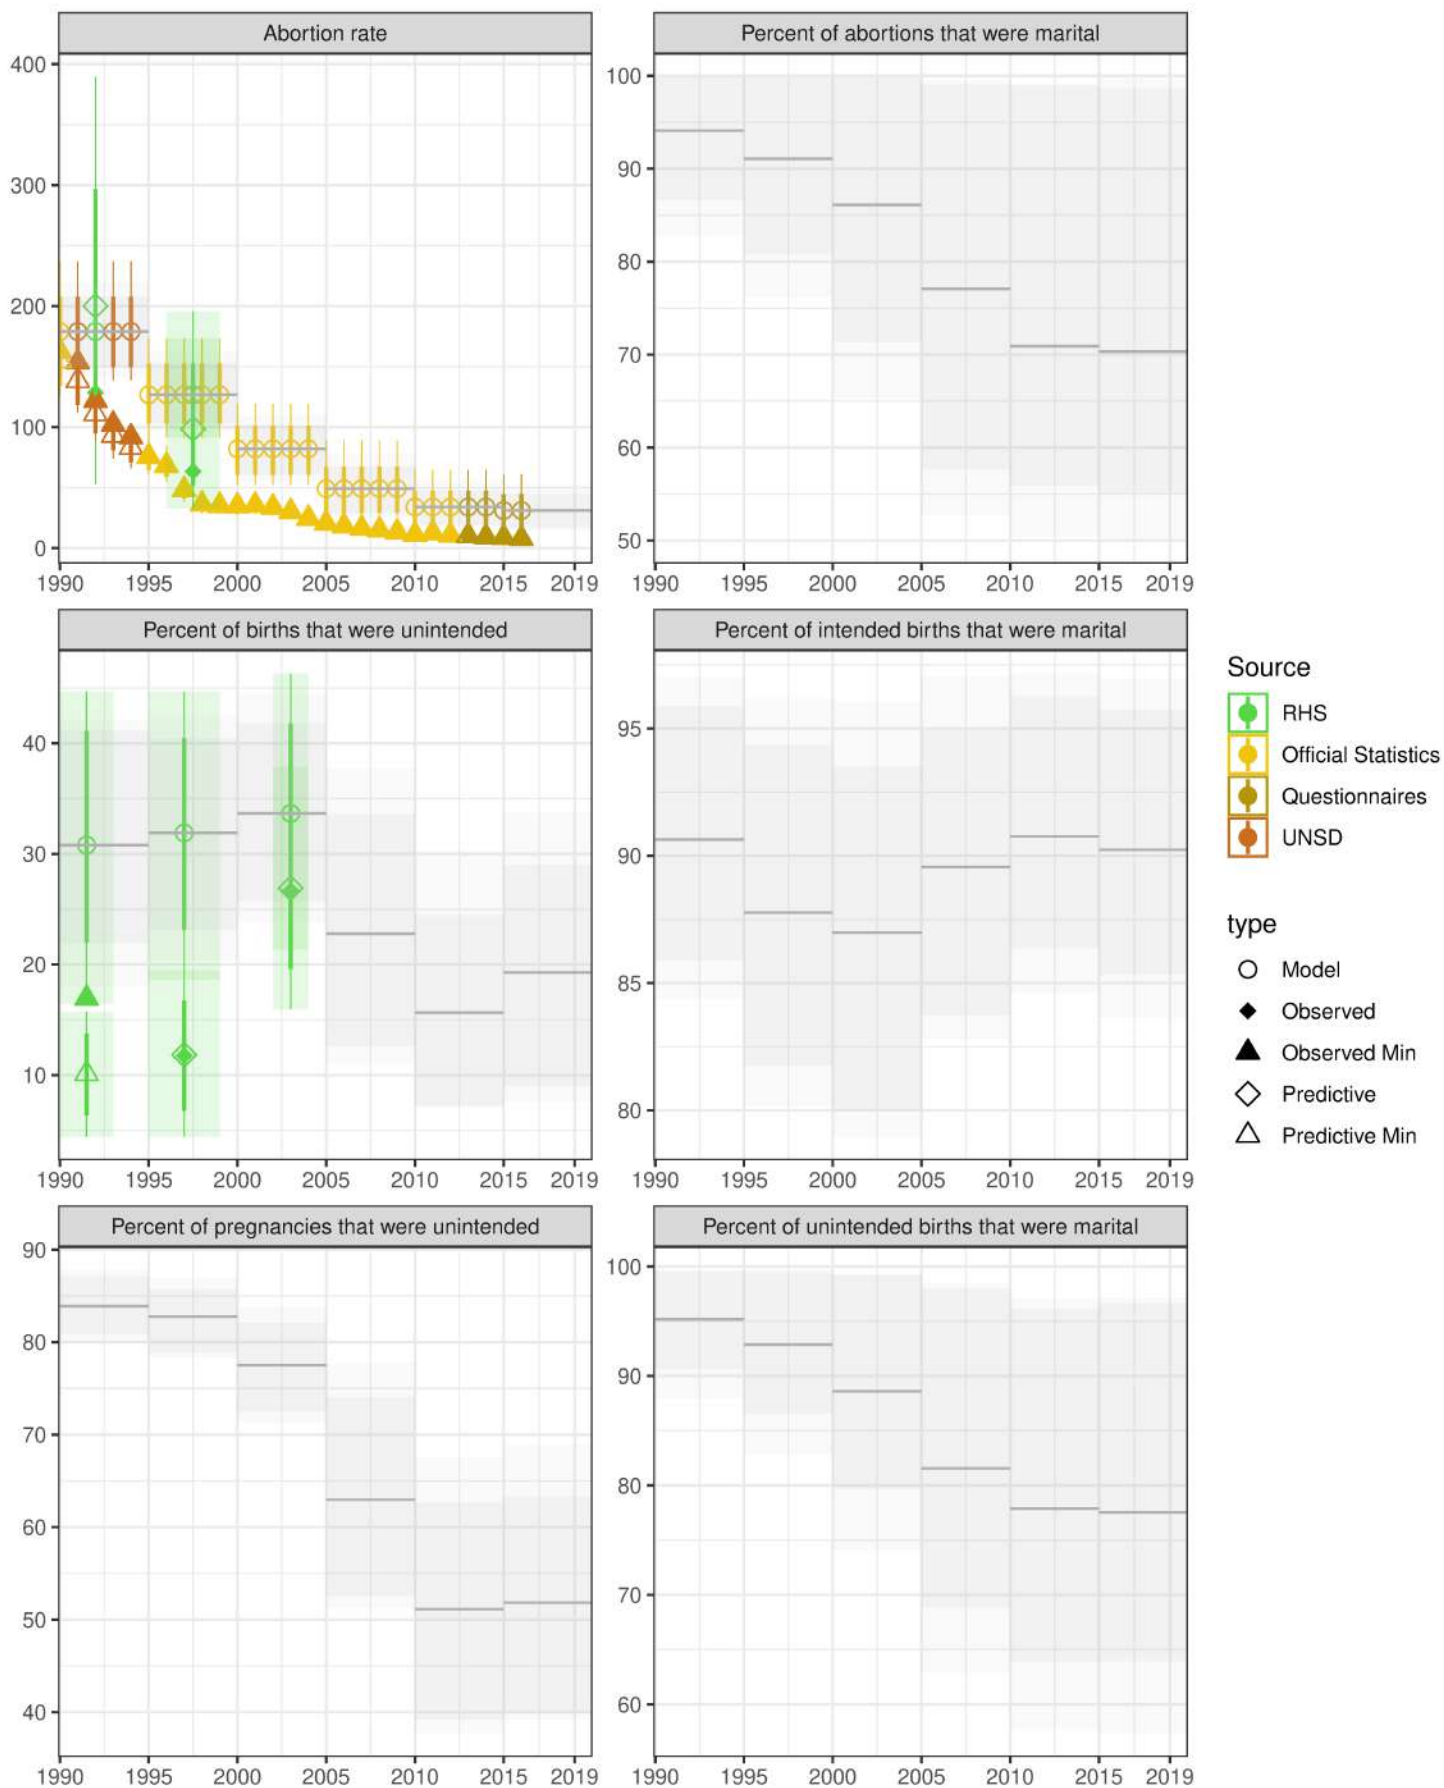

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Poland

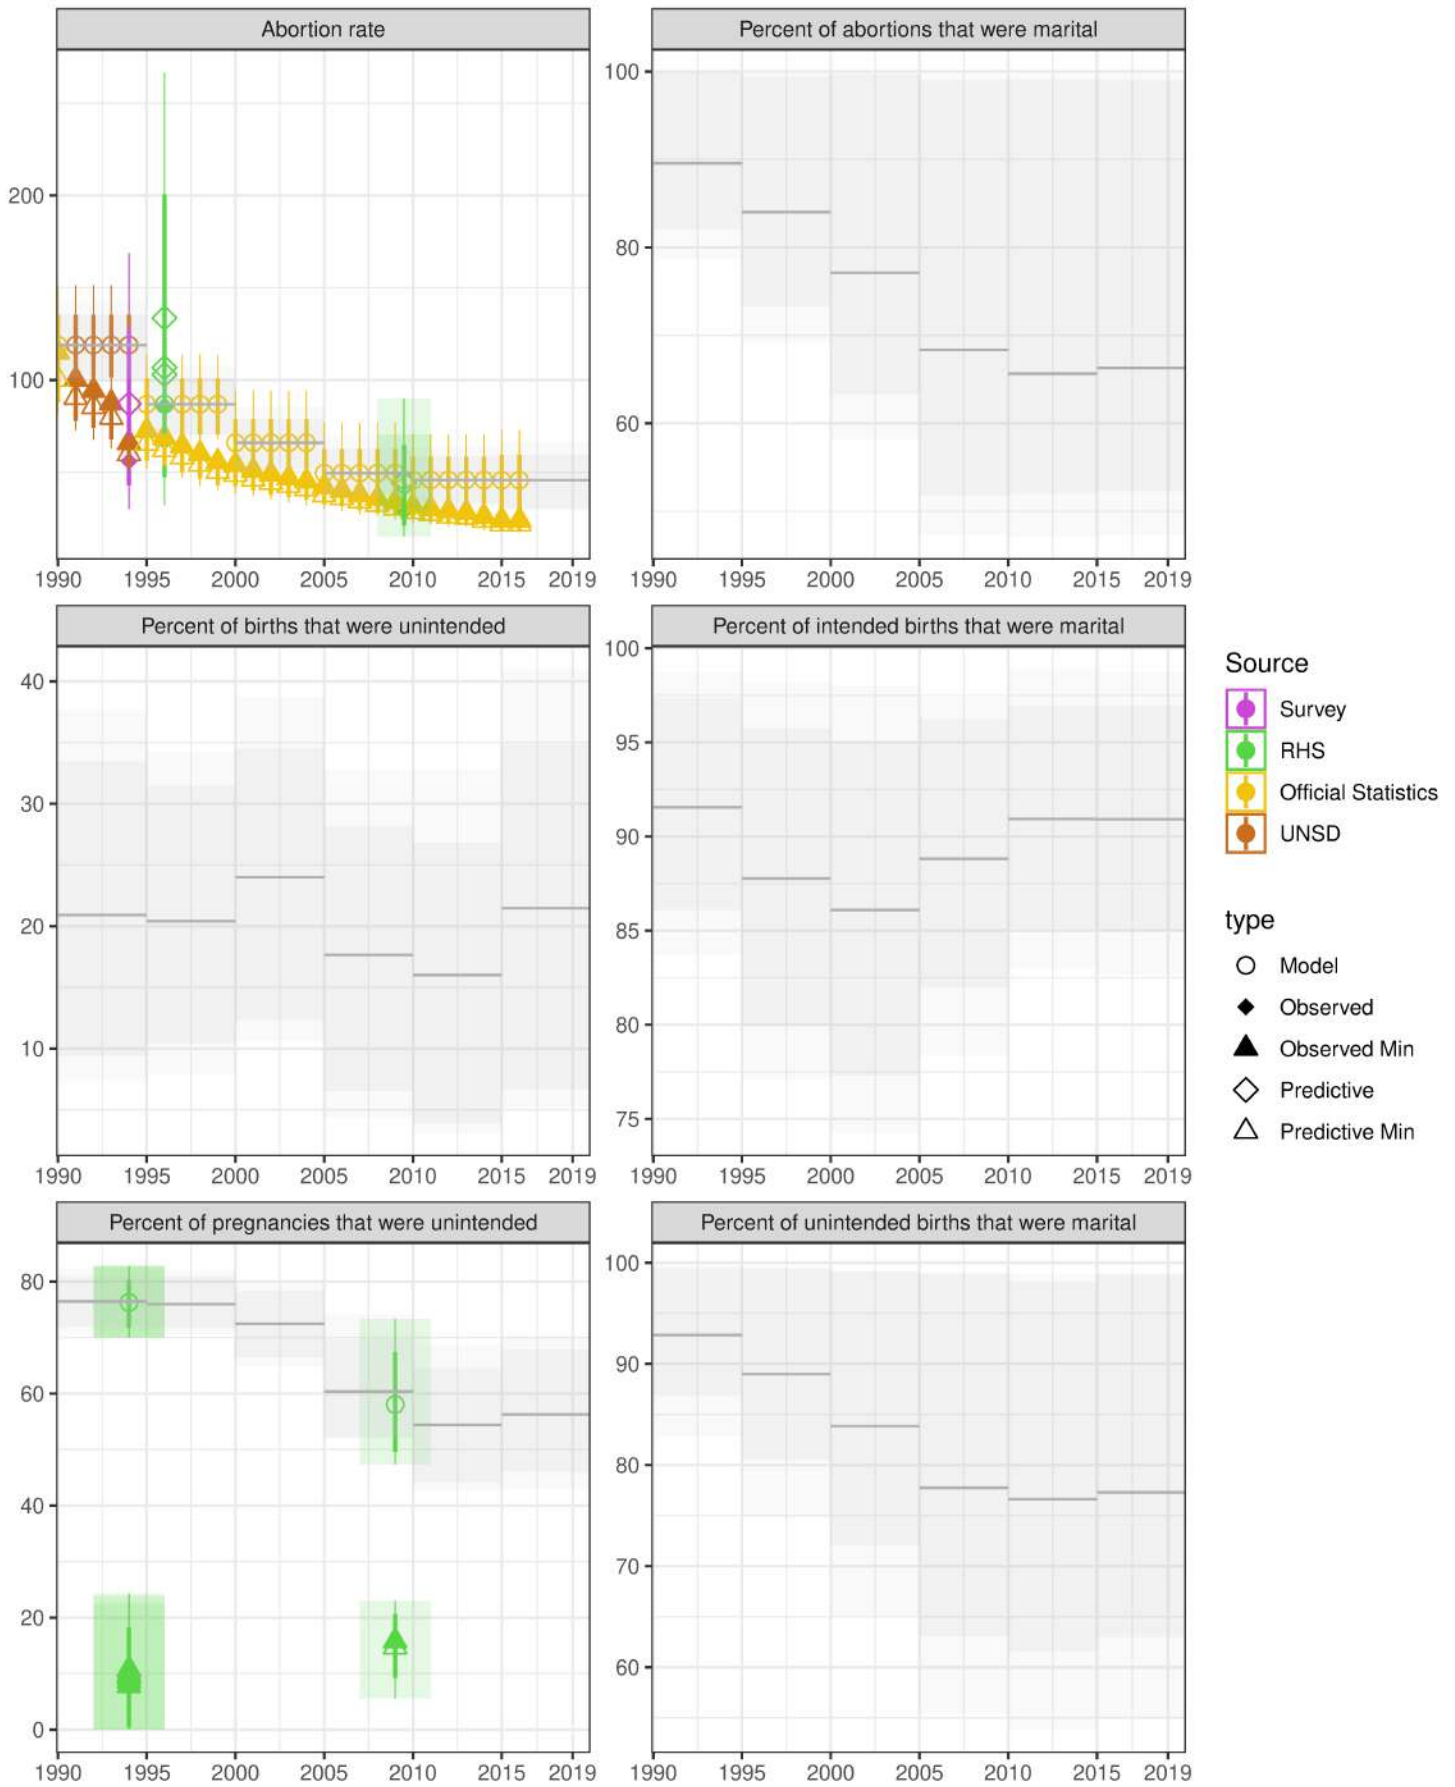

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Romania

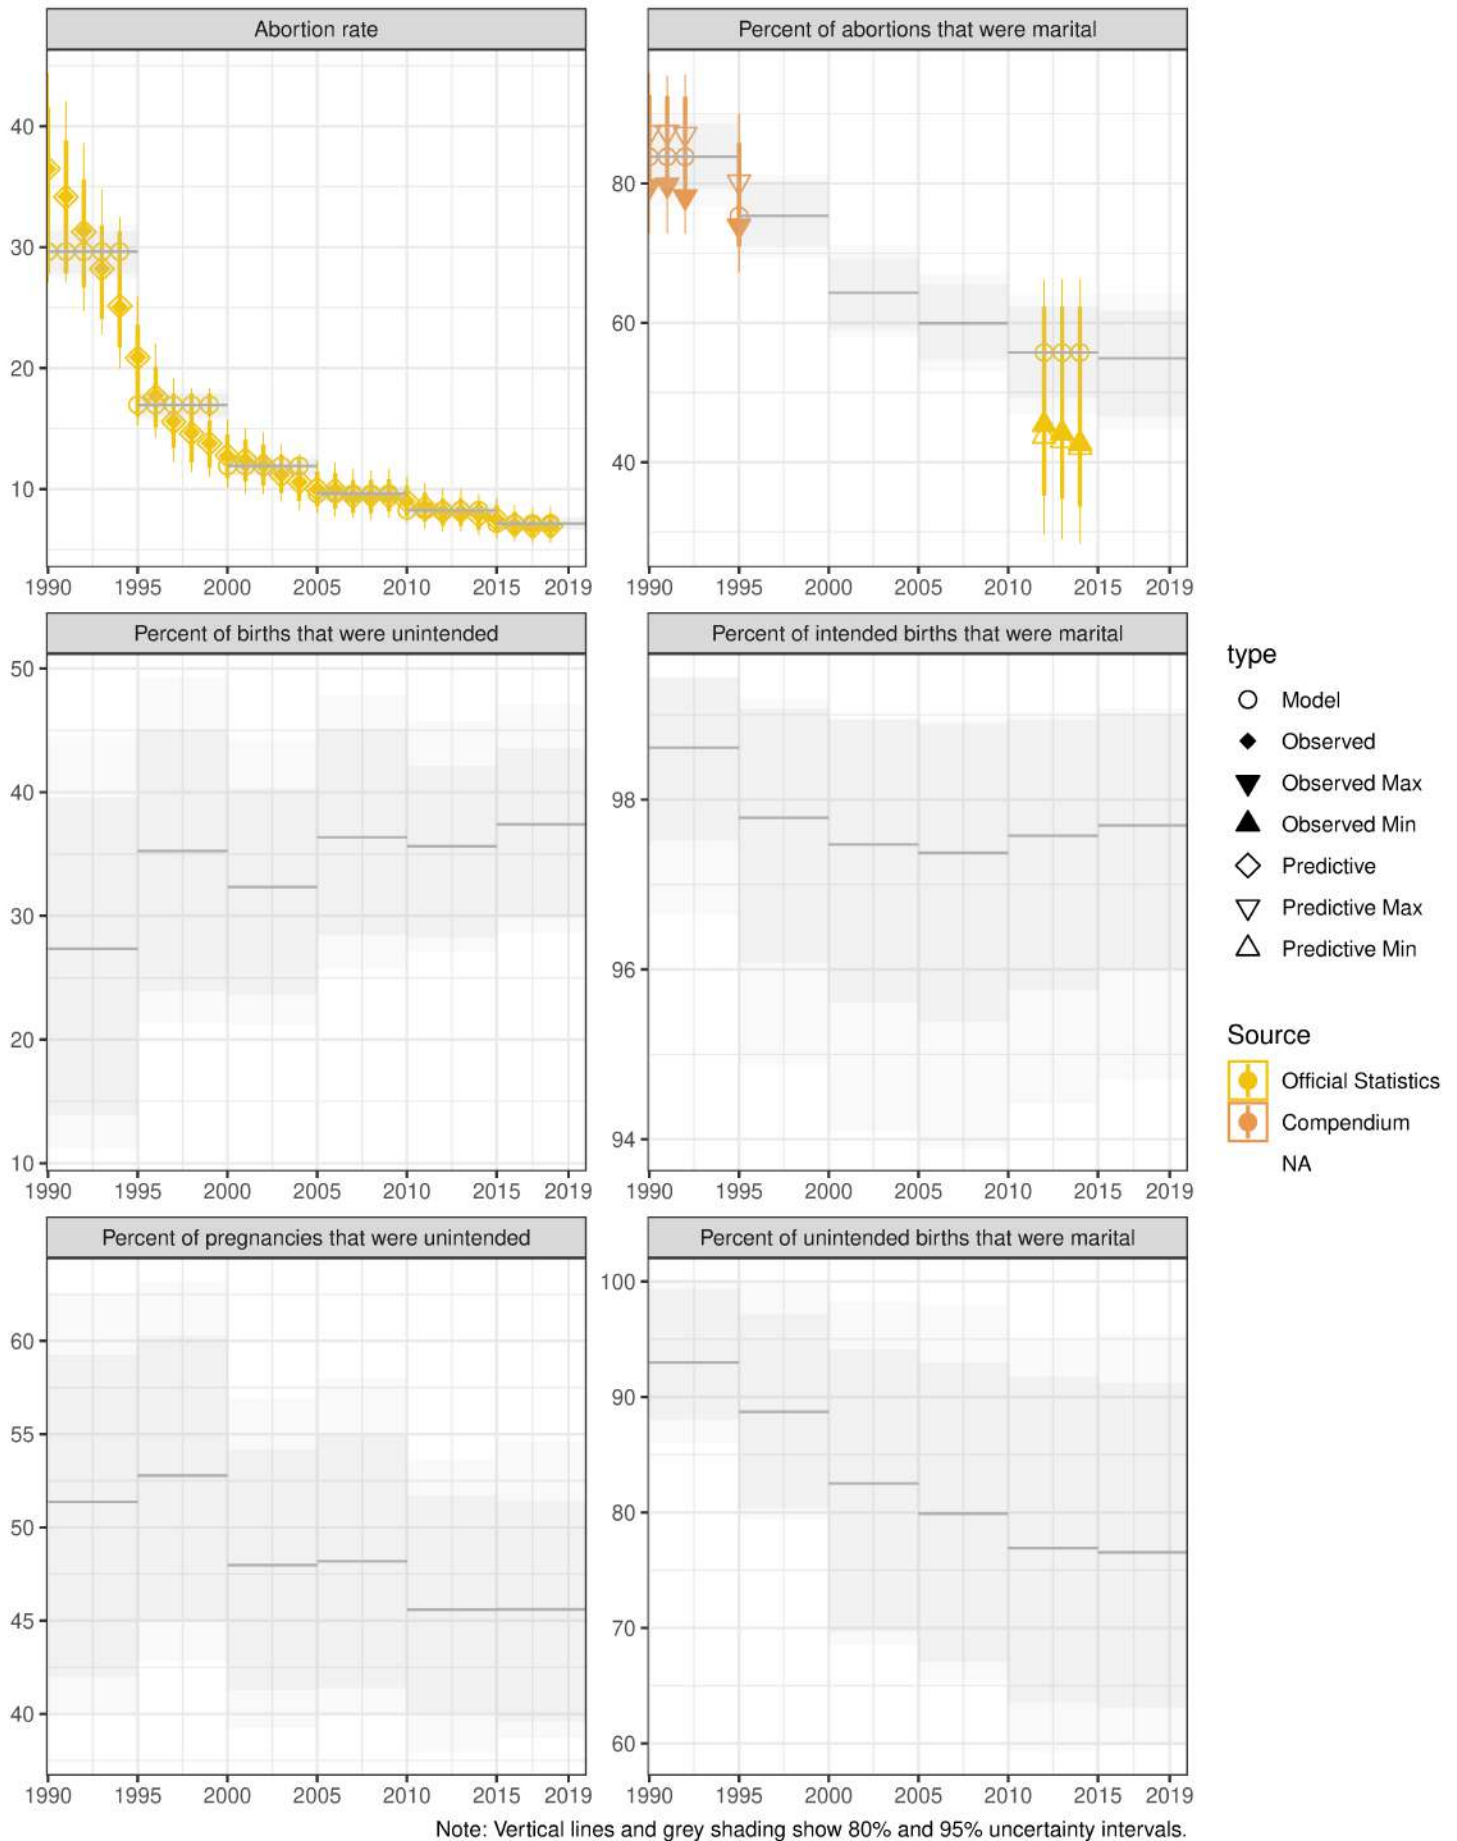

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Russia

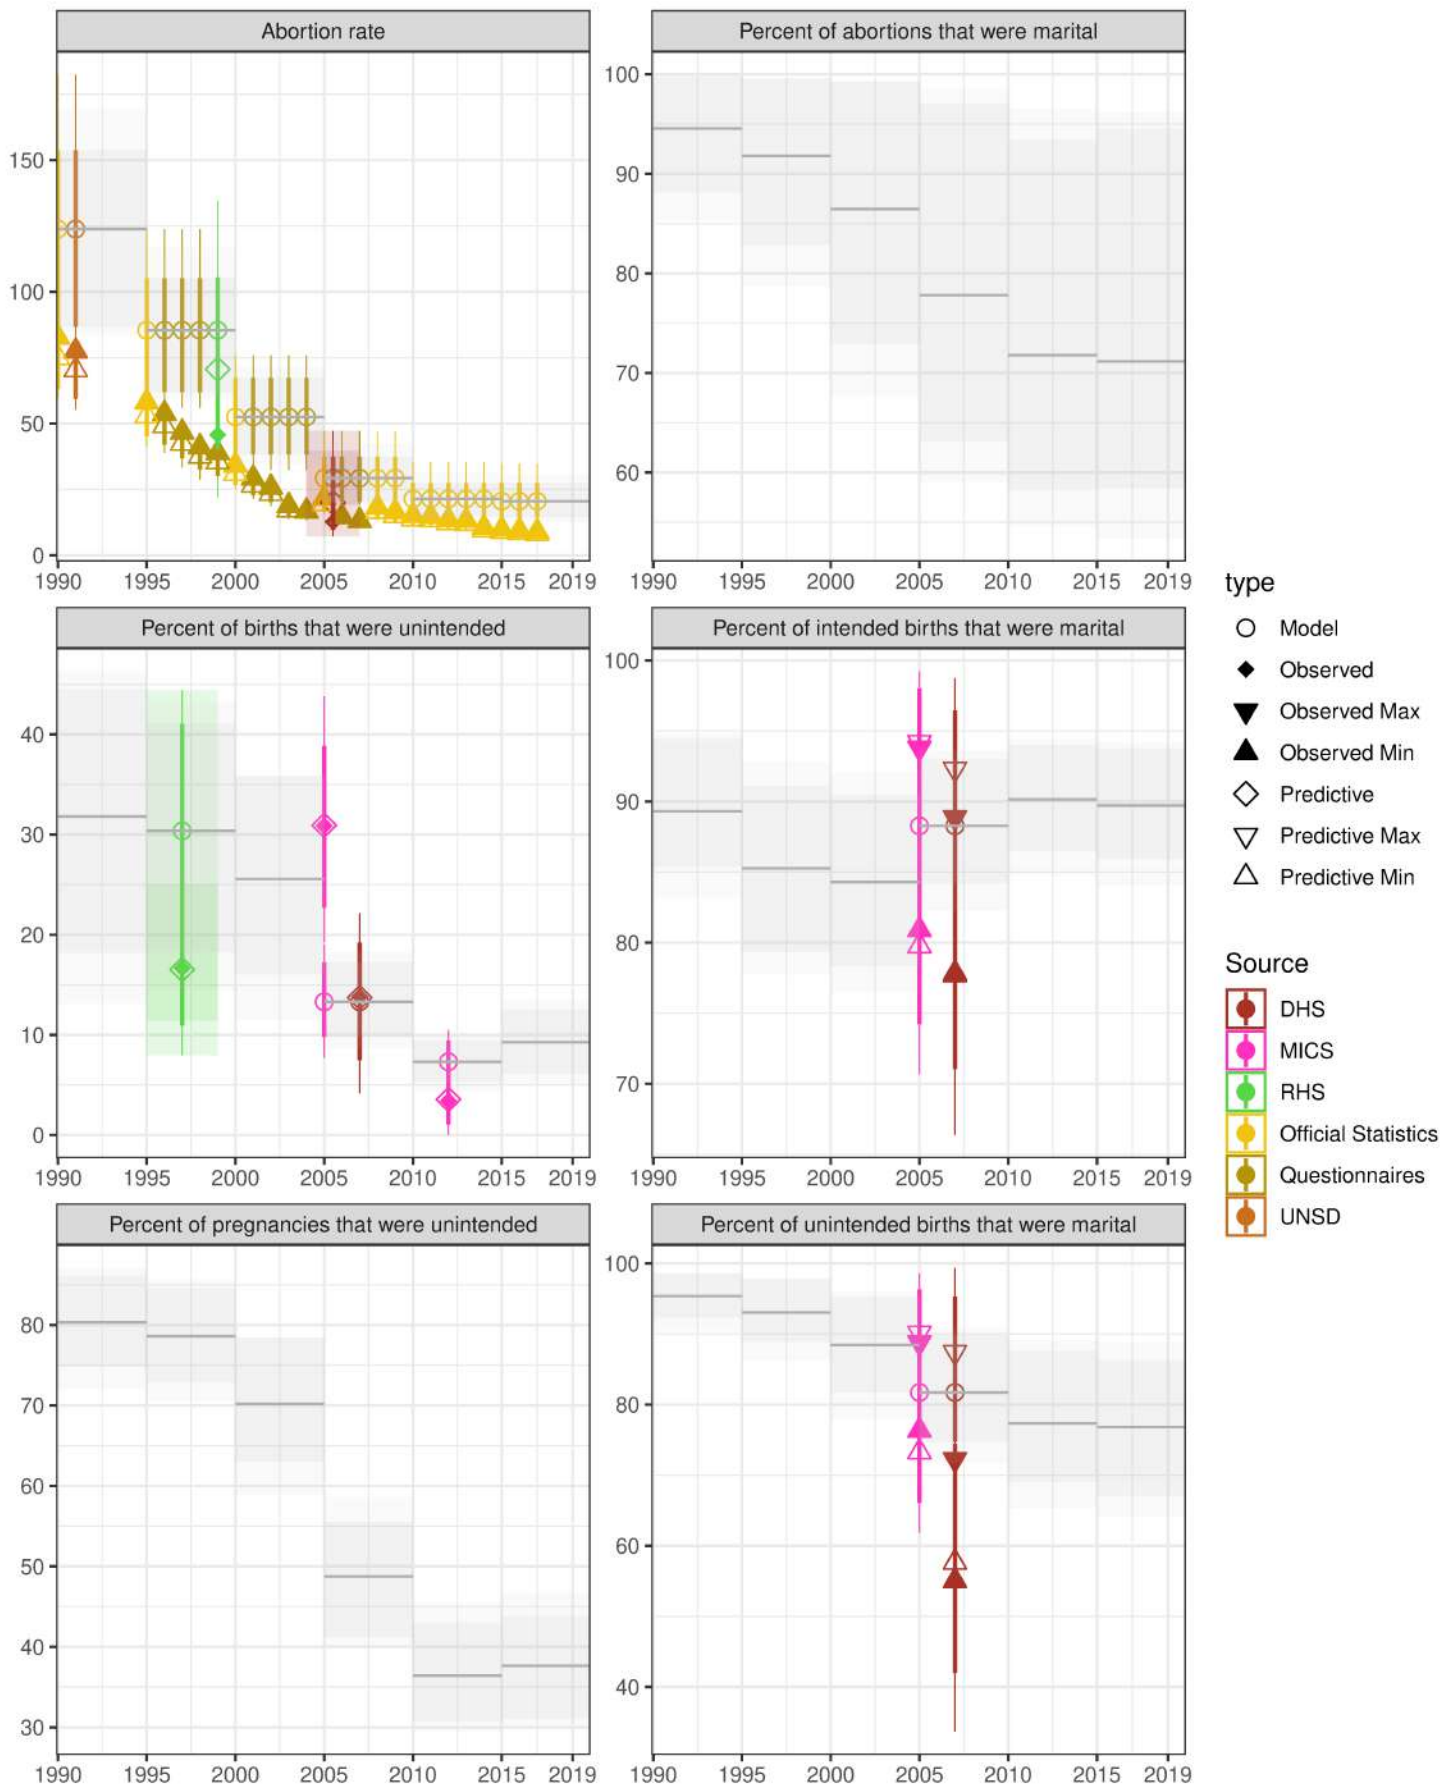

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Slovakia

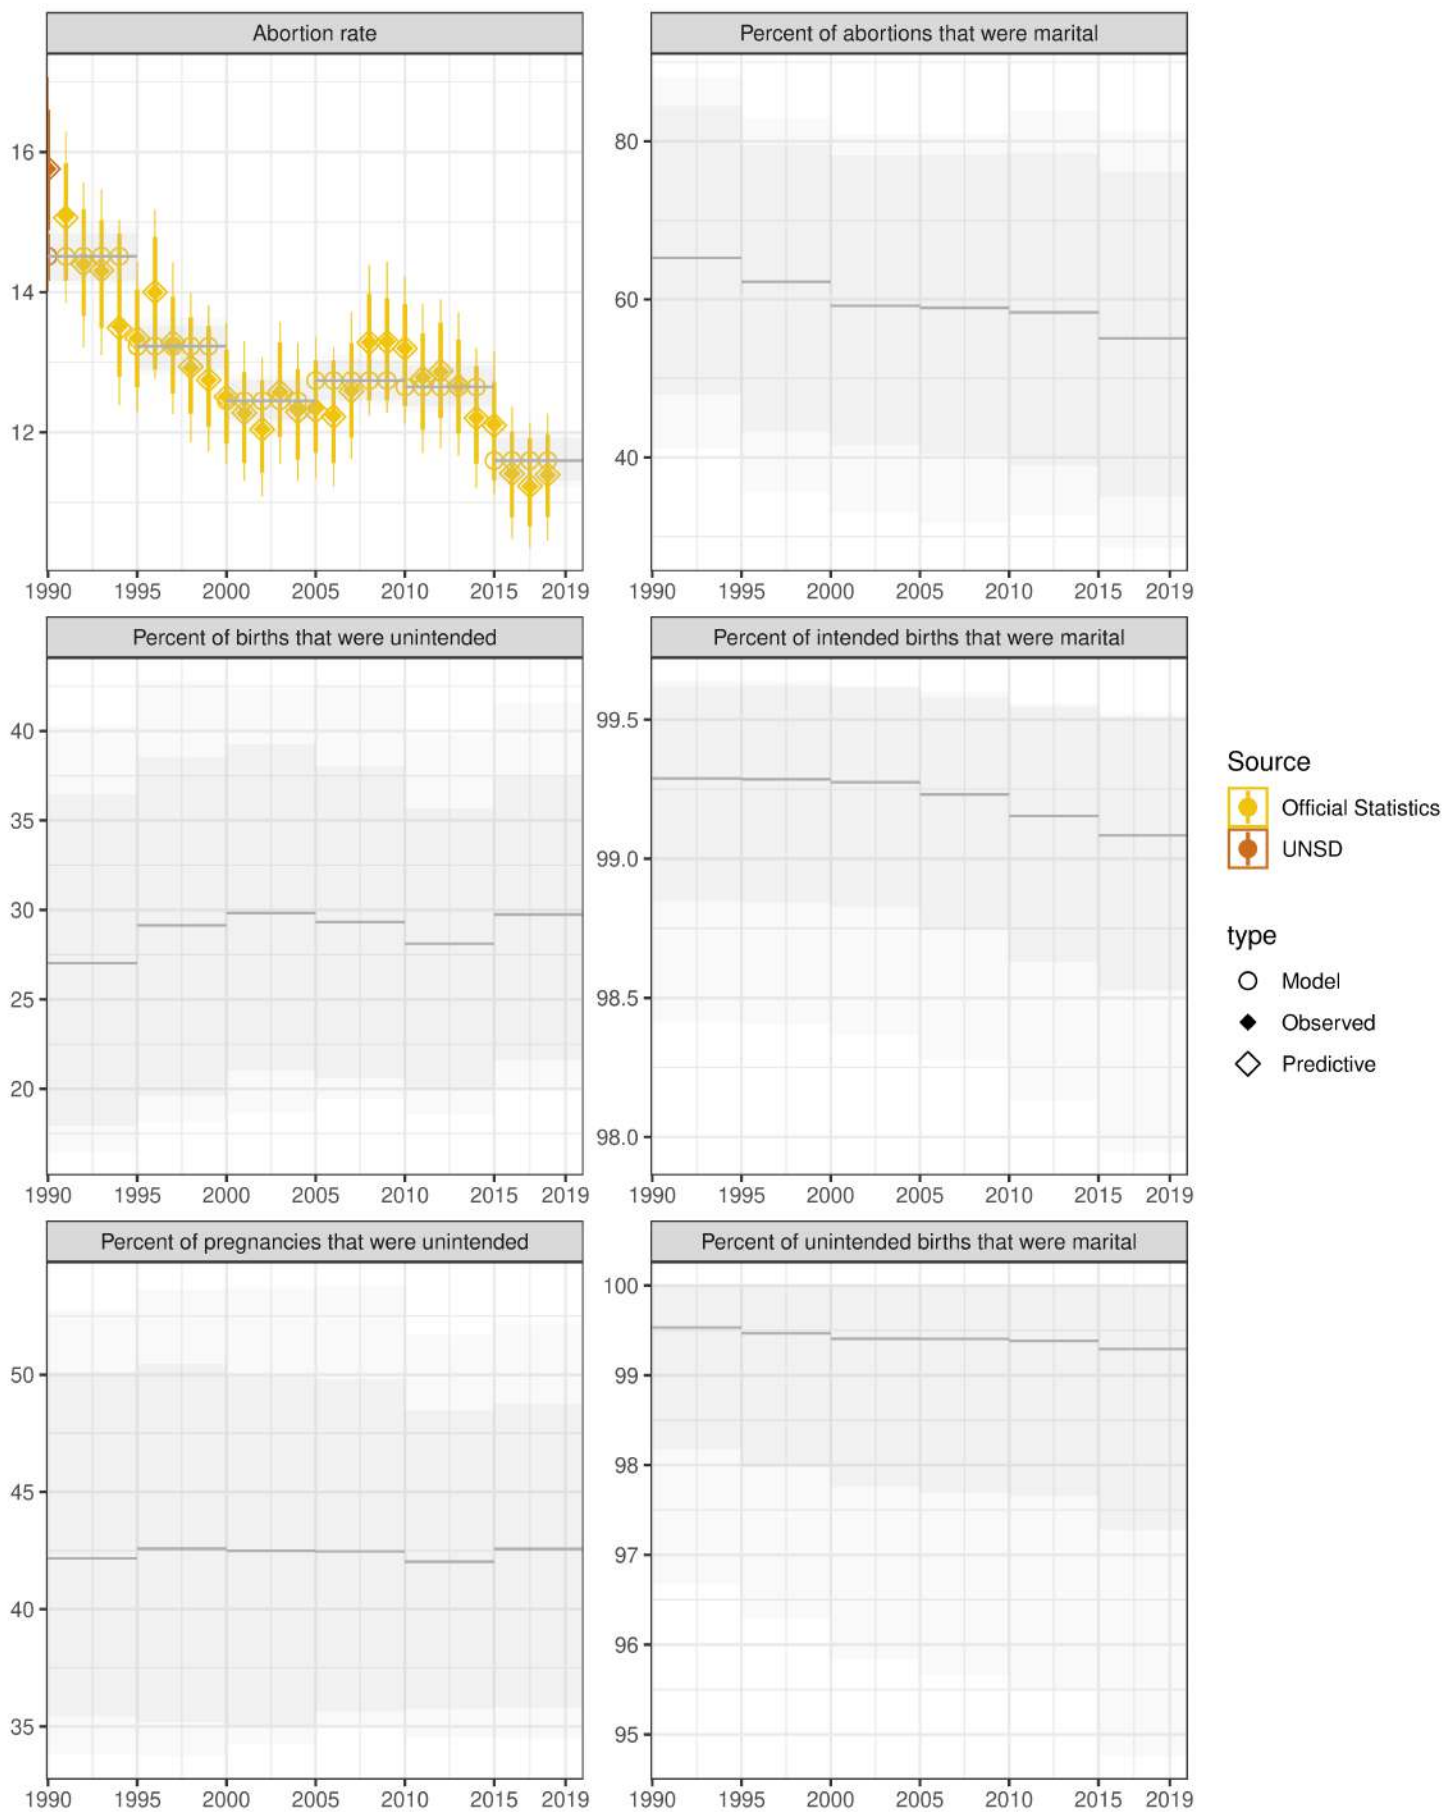

Ukraine

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

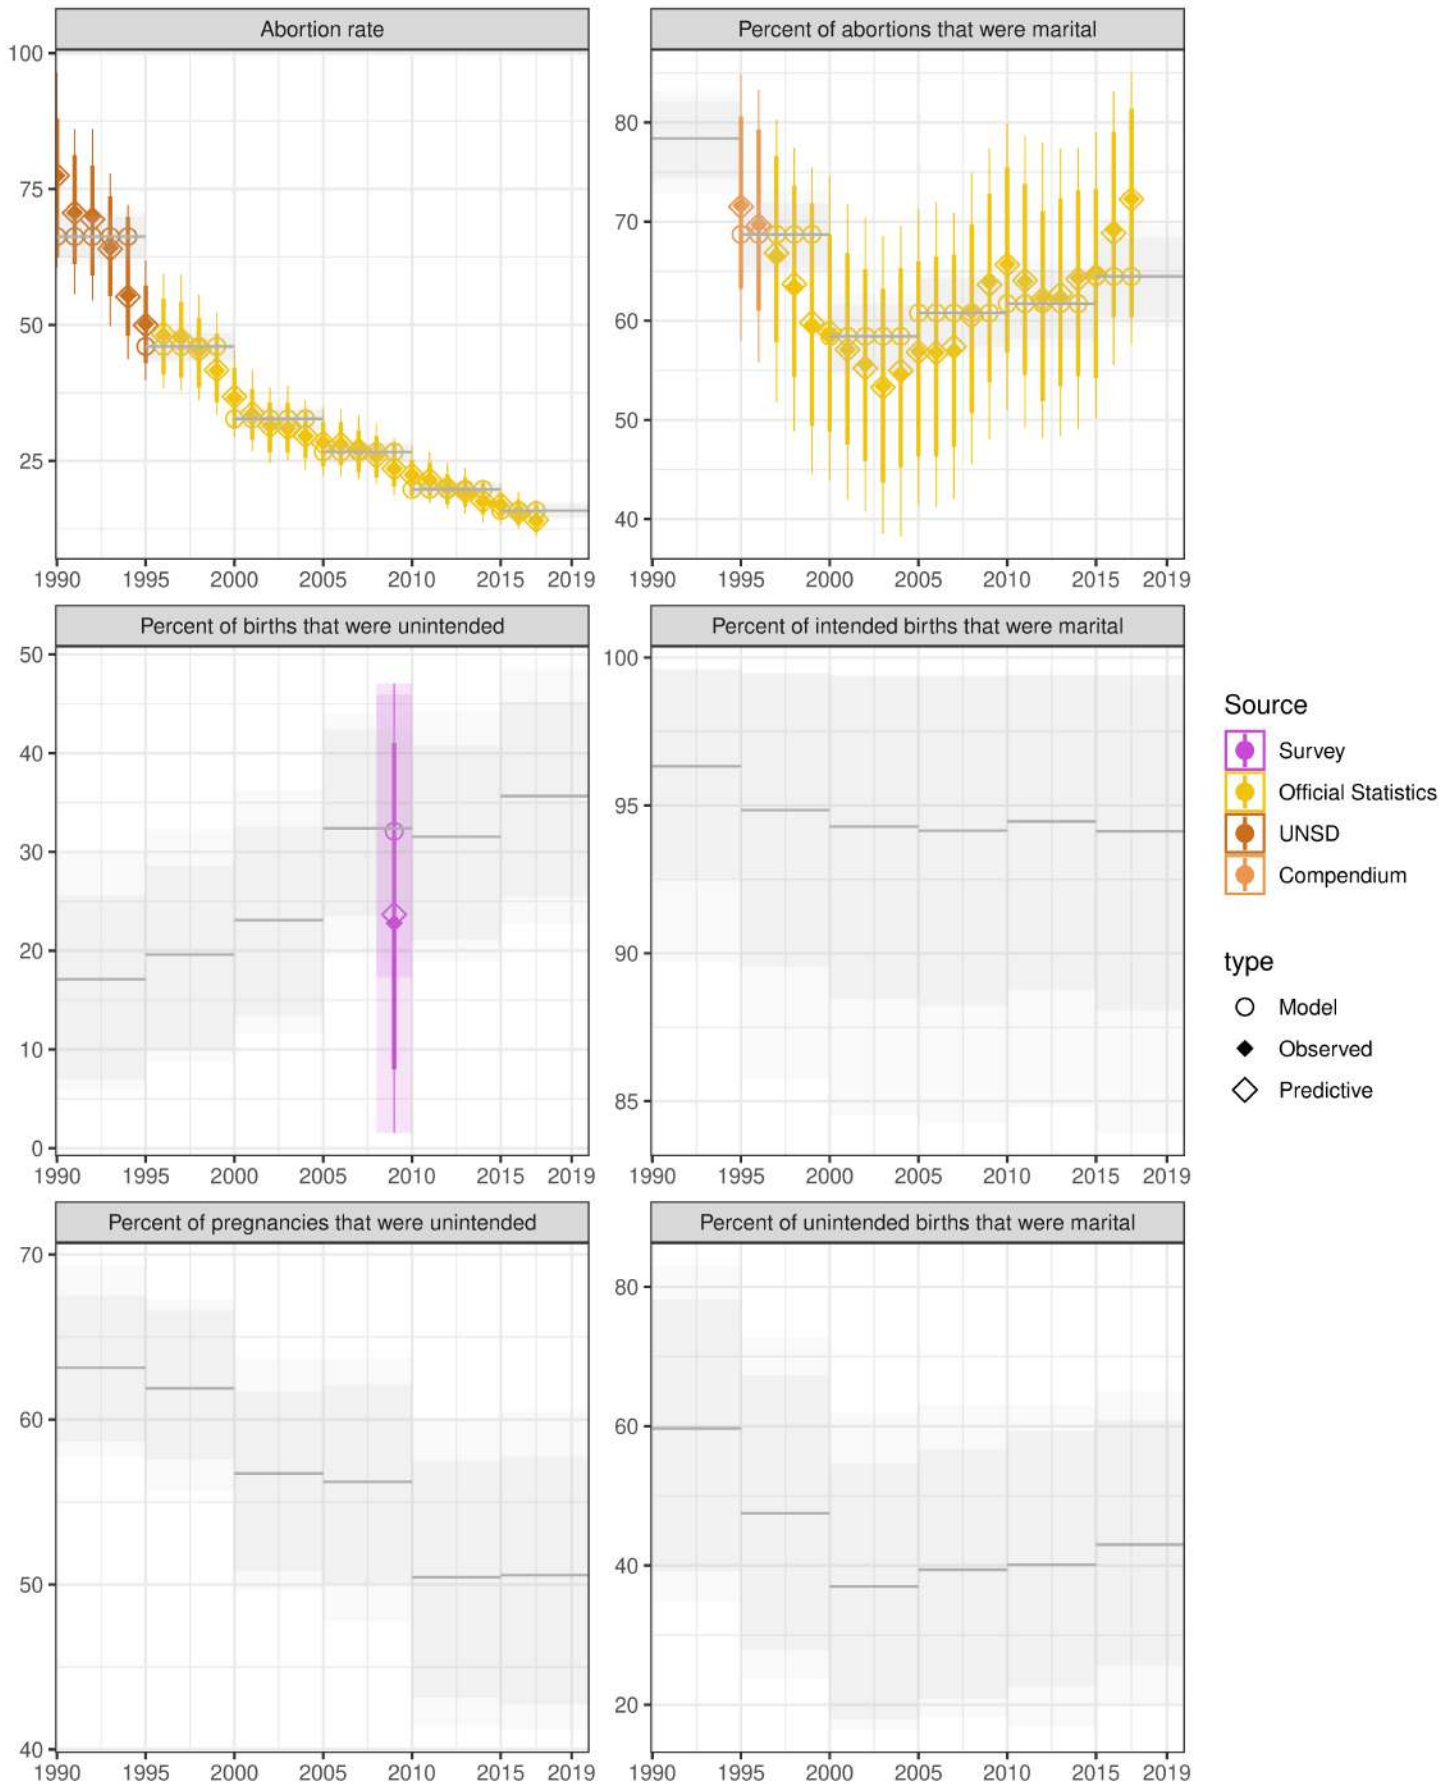

7.2 Northern Europe

Denmark

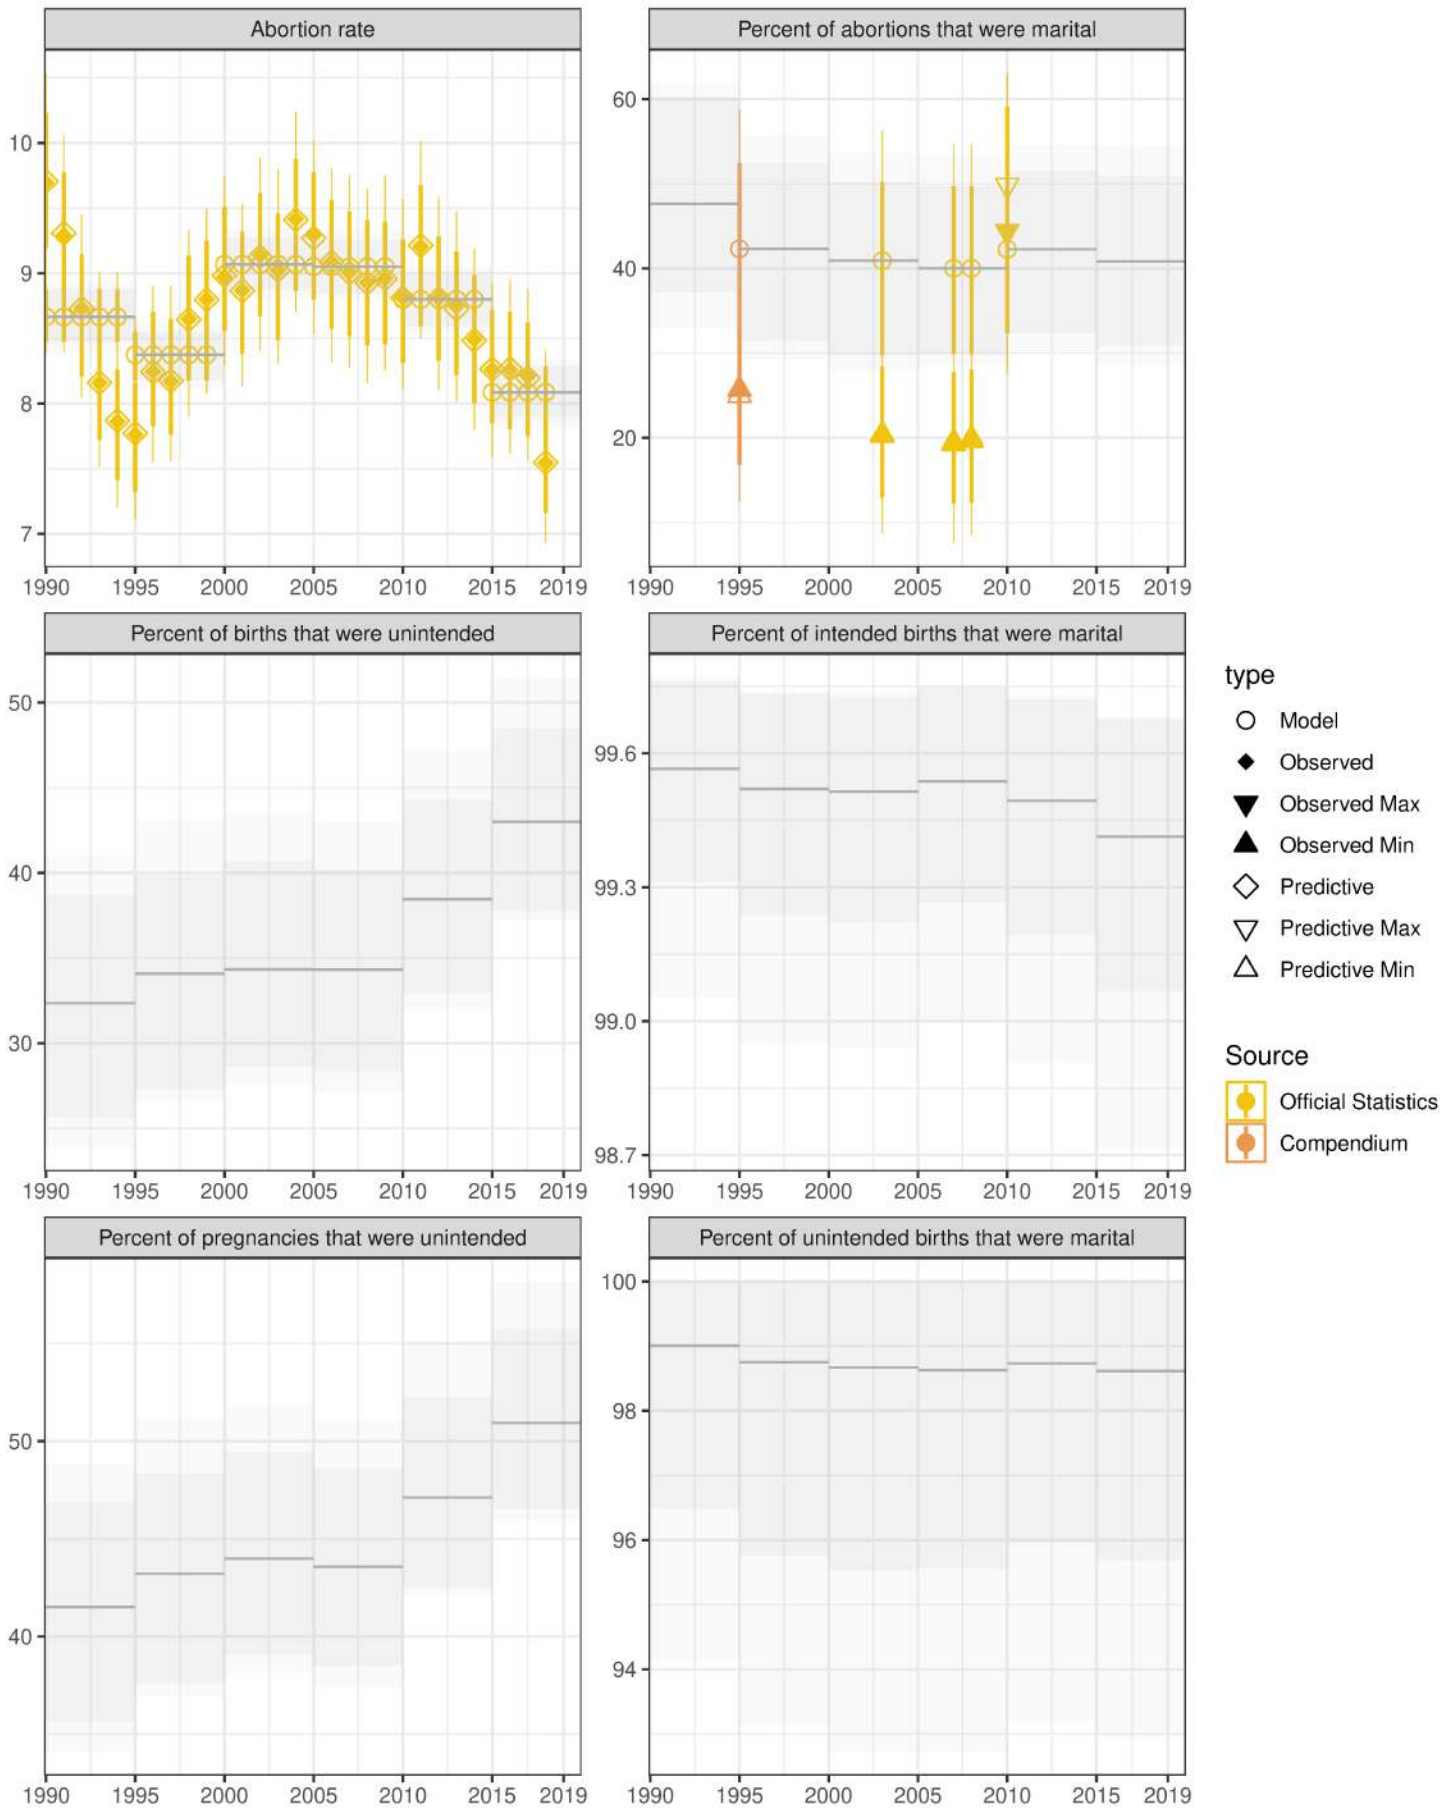

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Estonia

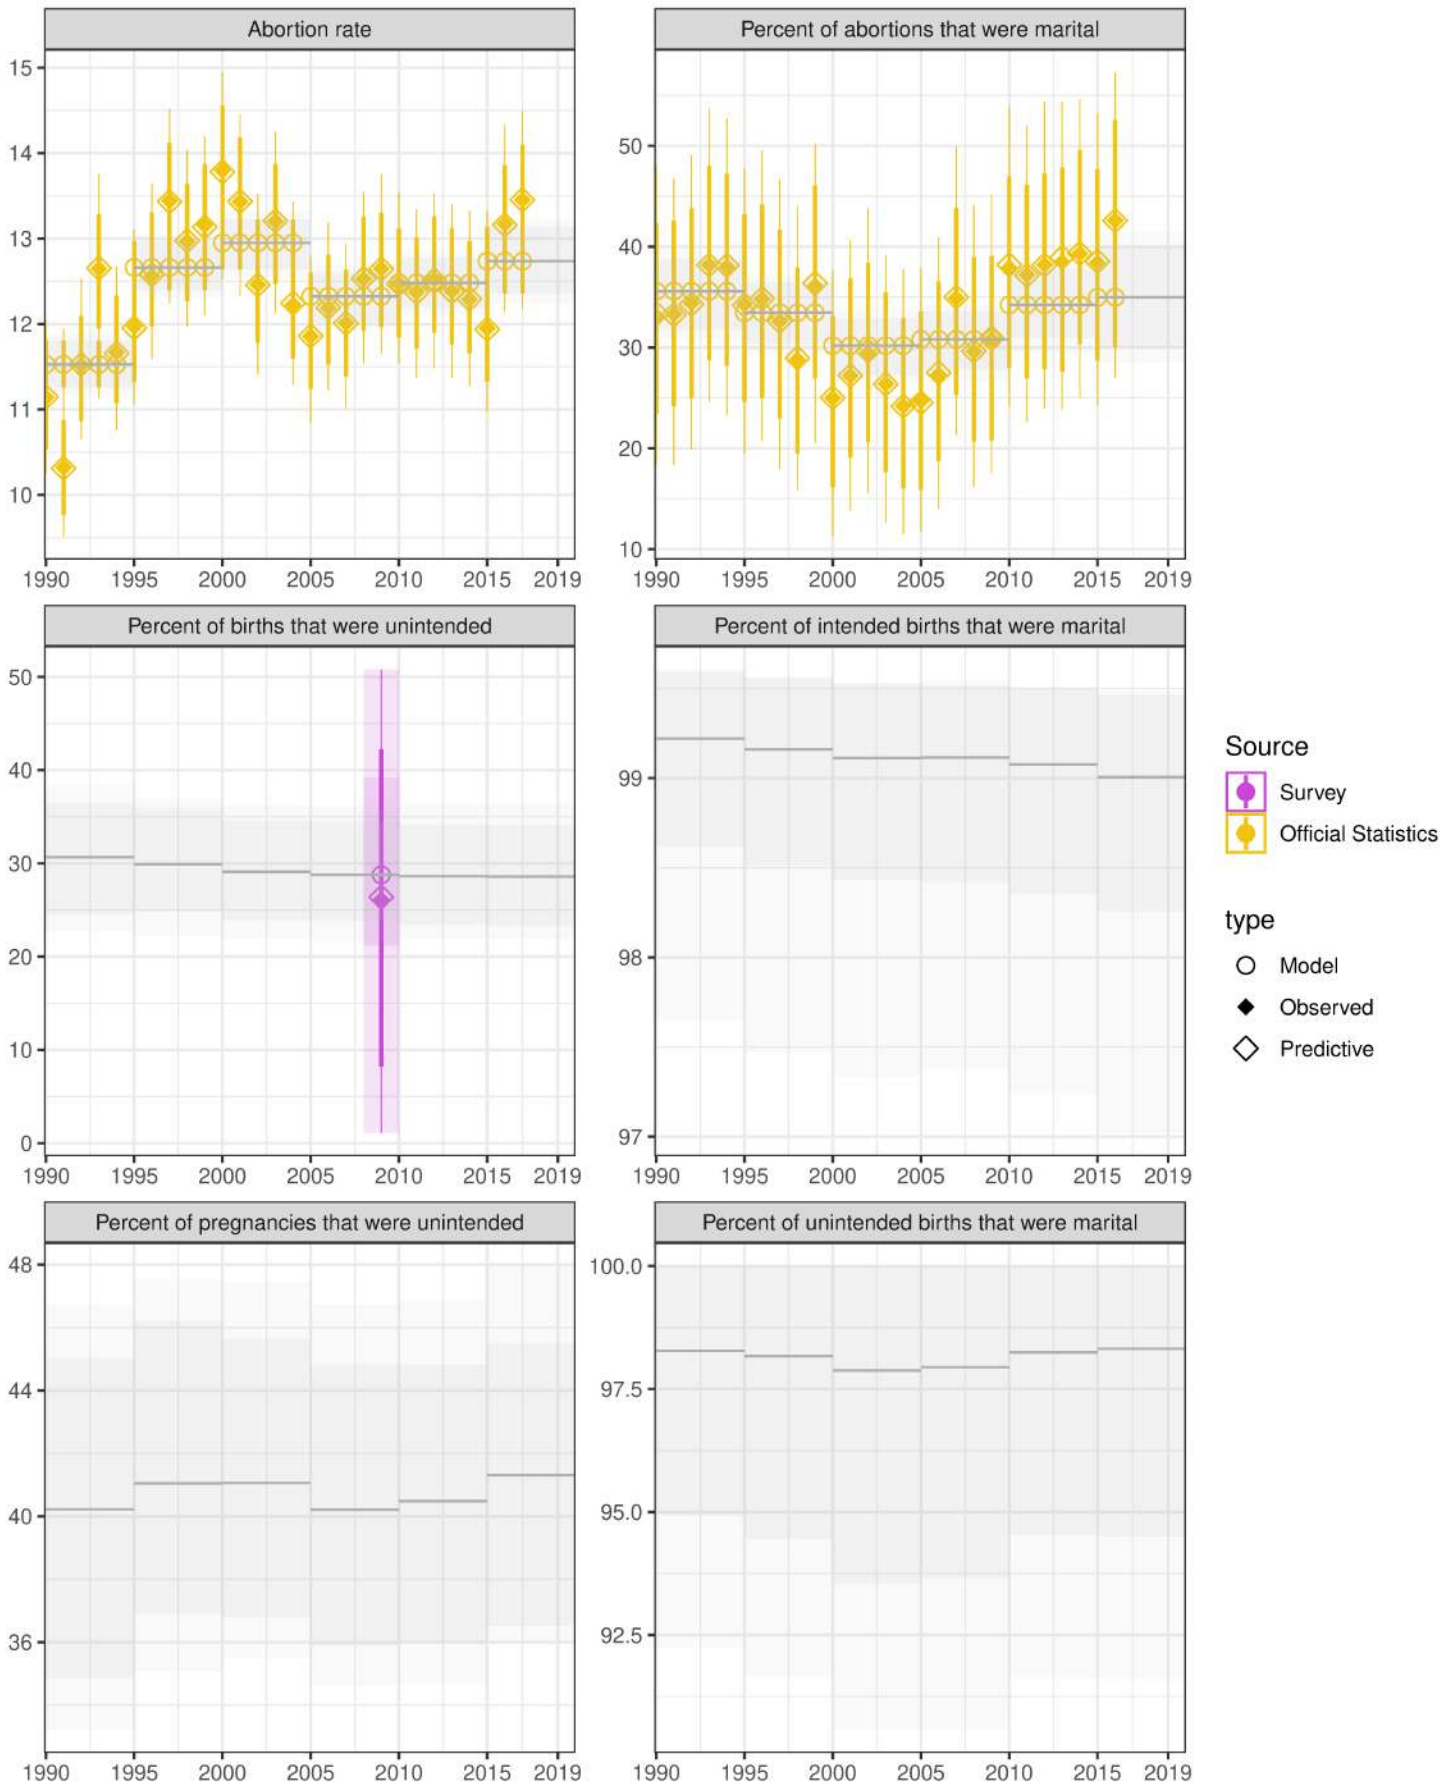

Finland

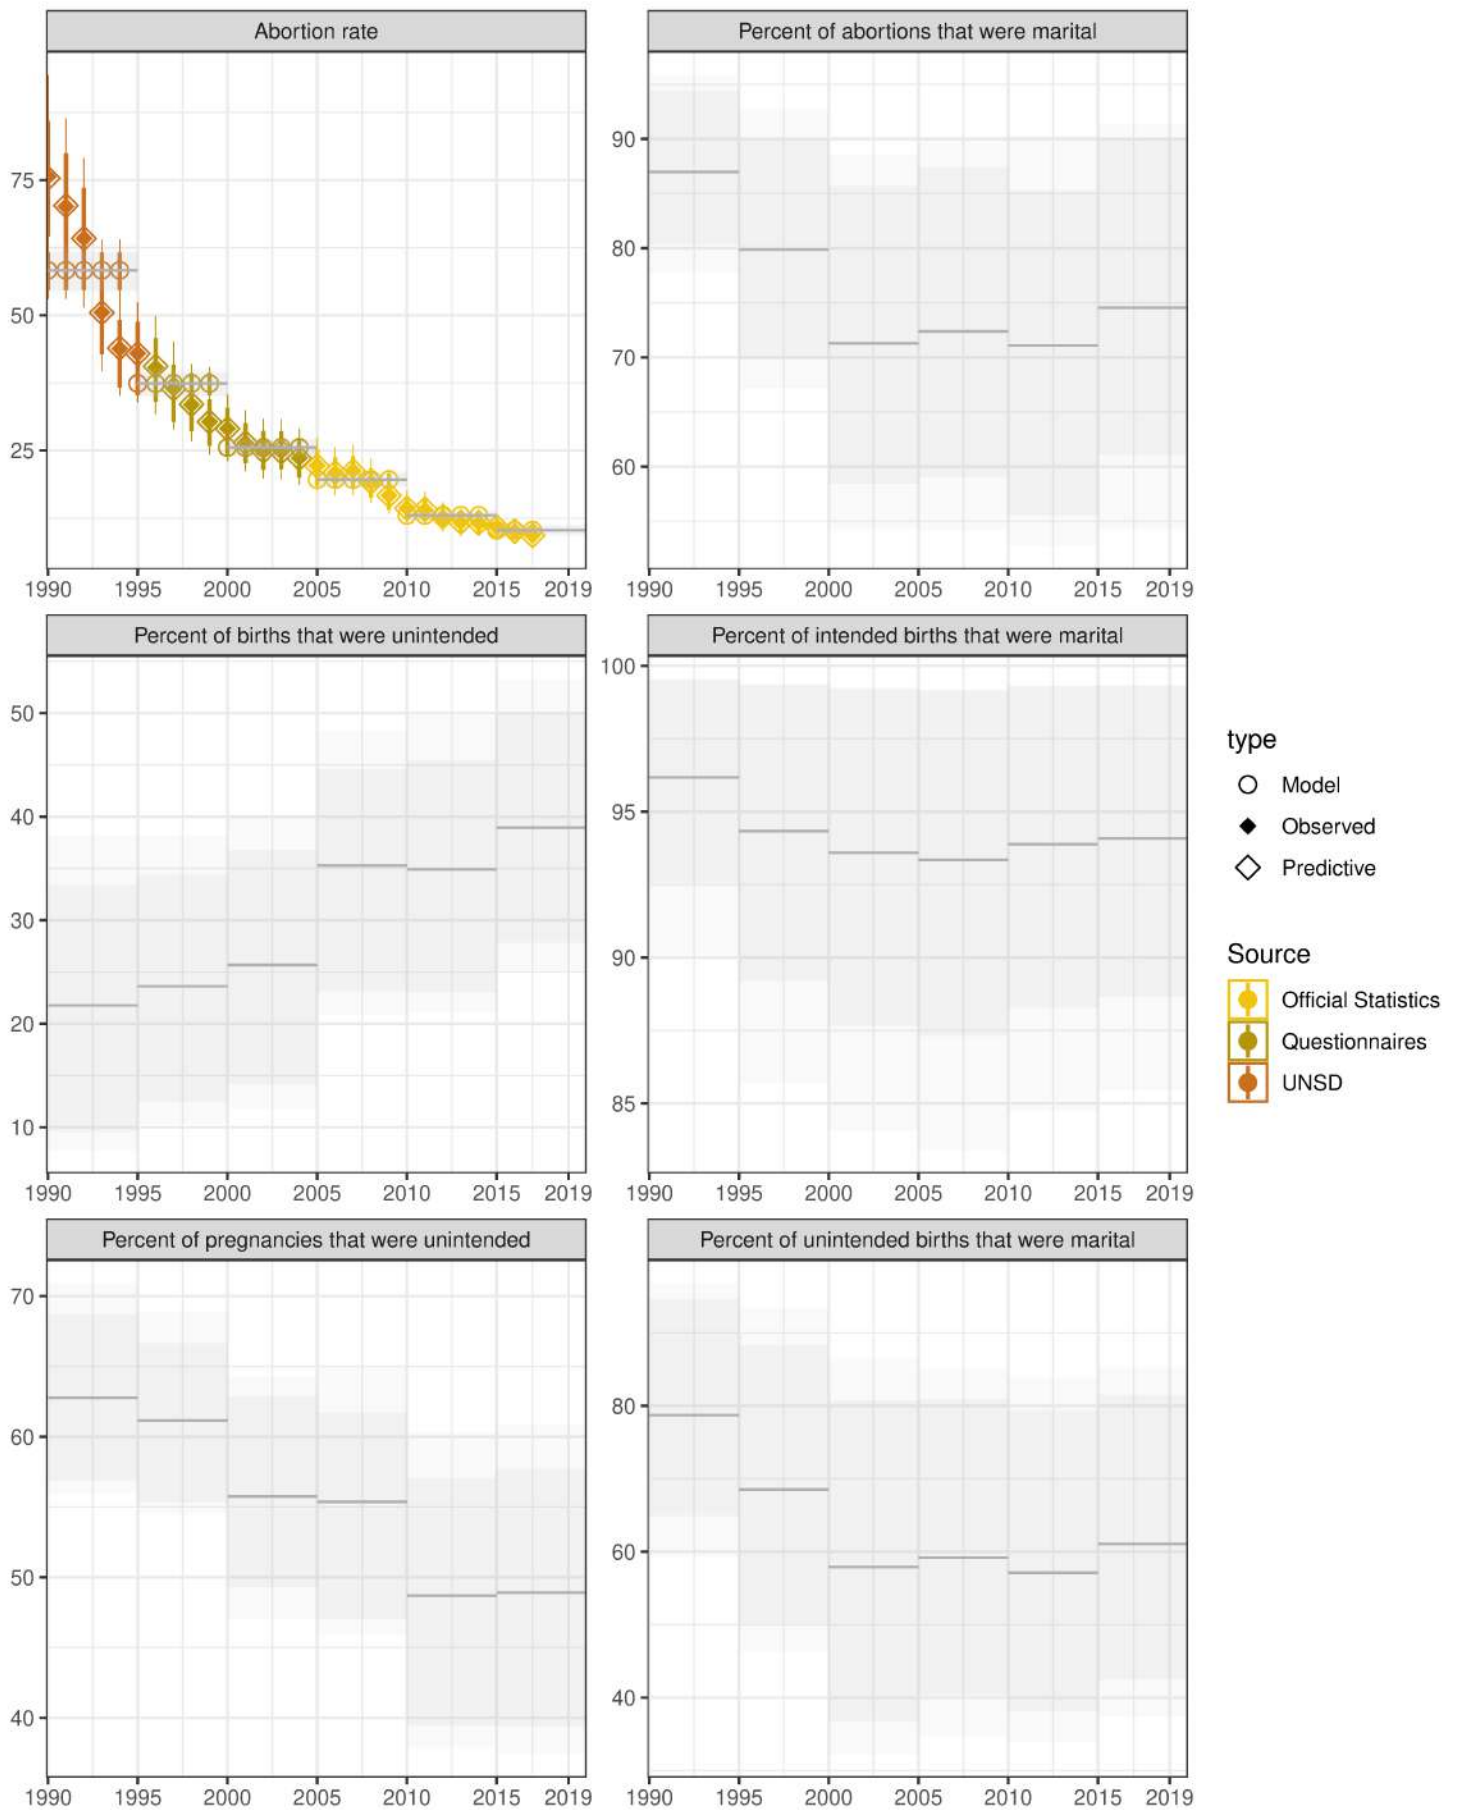

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Iceland

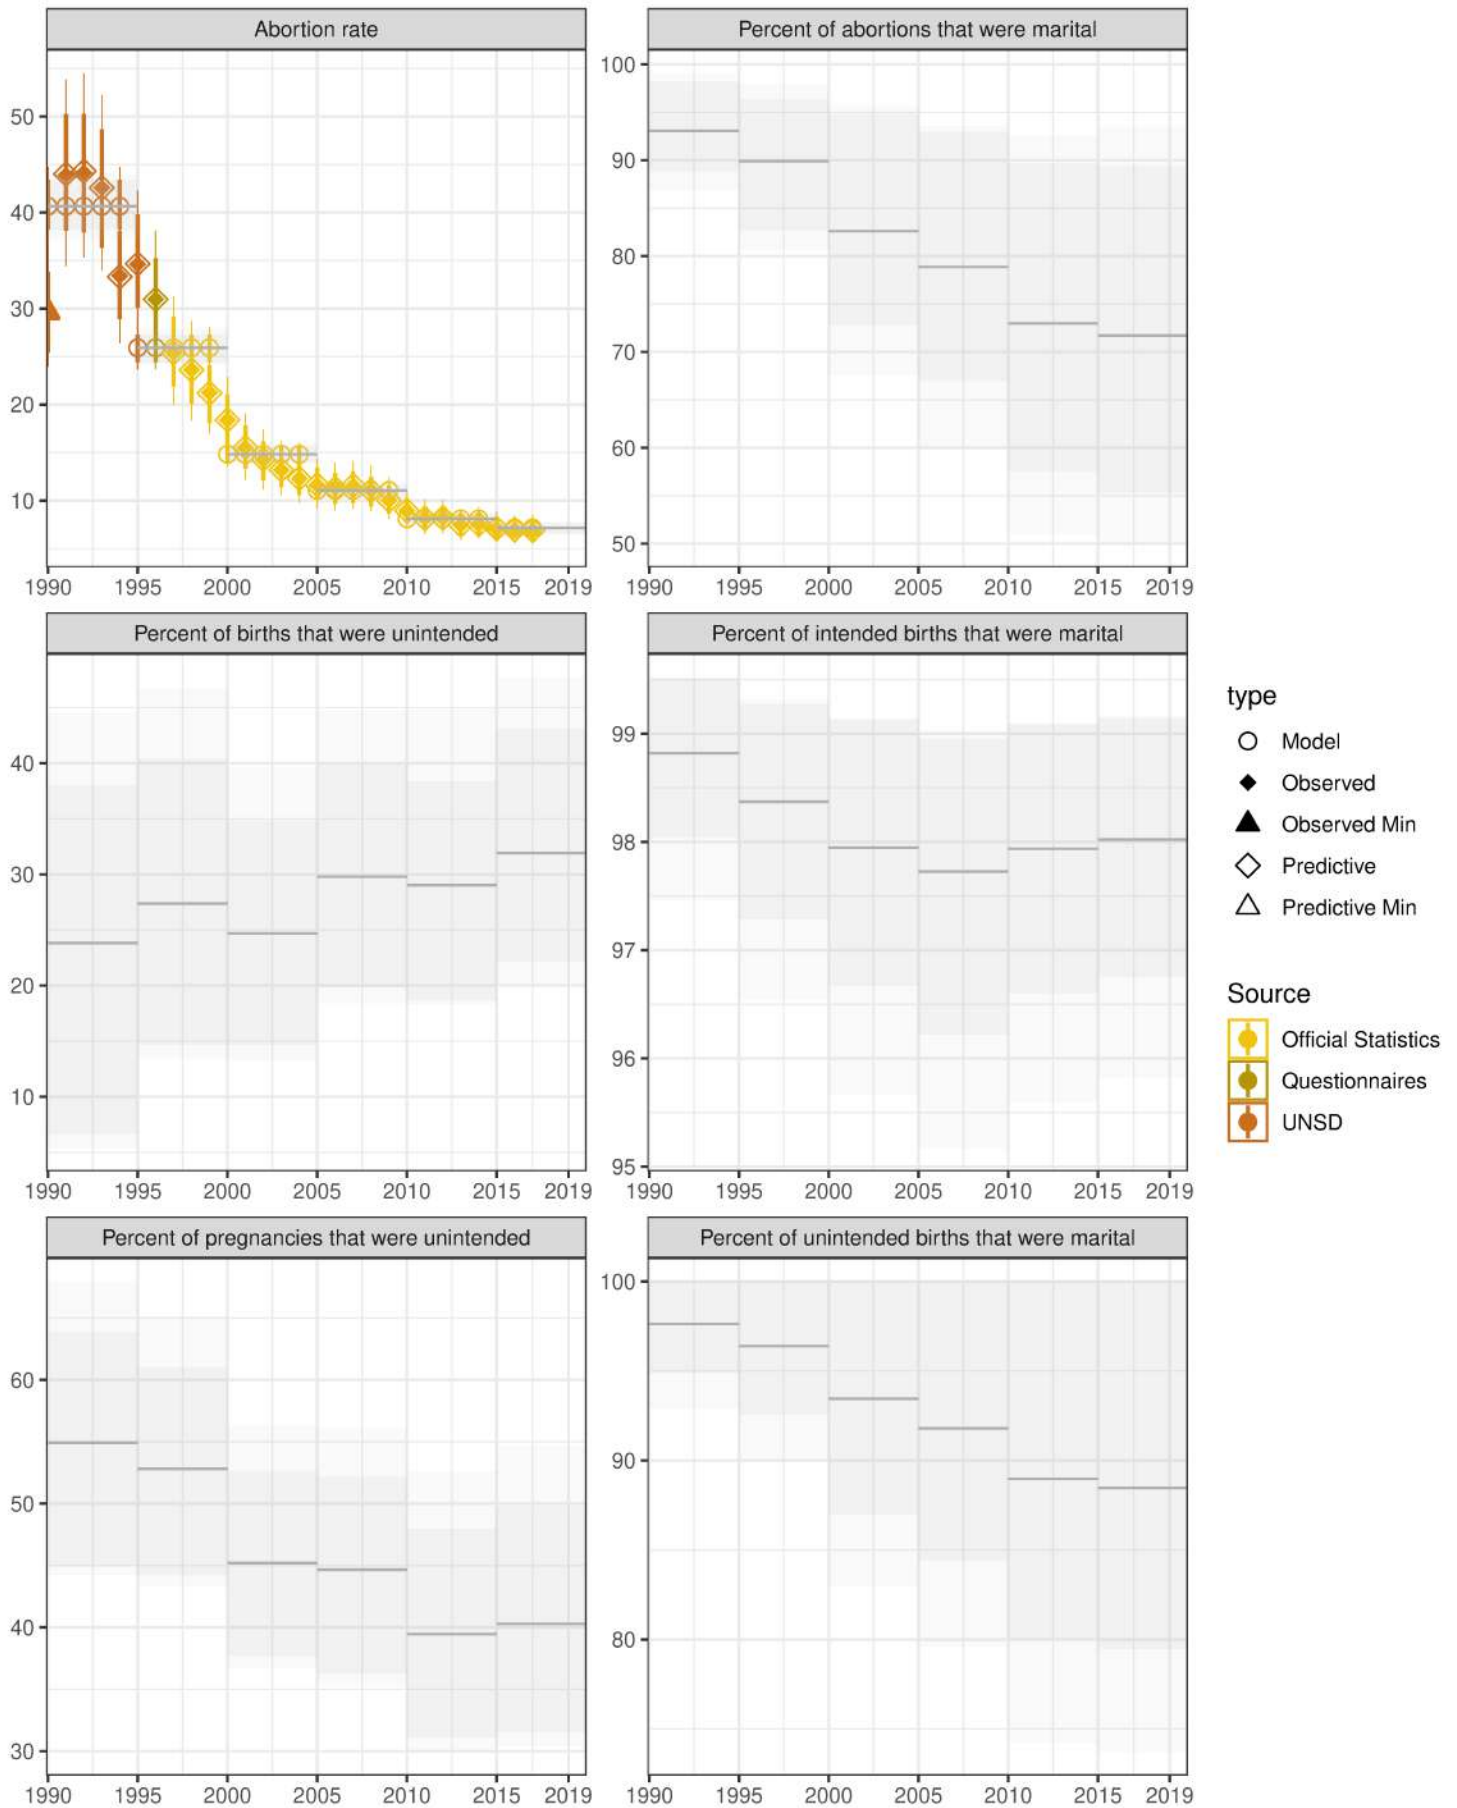

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Latvia

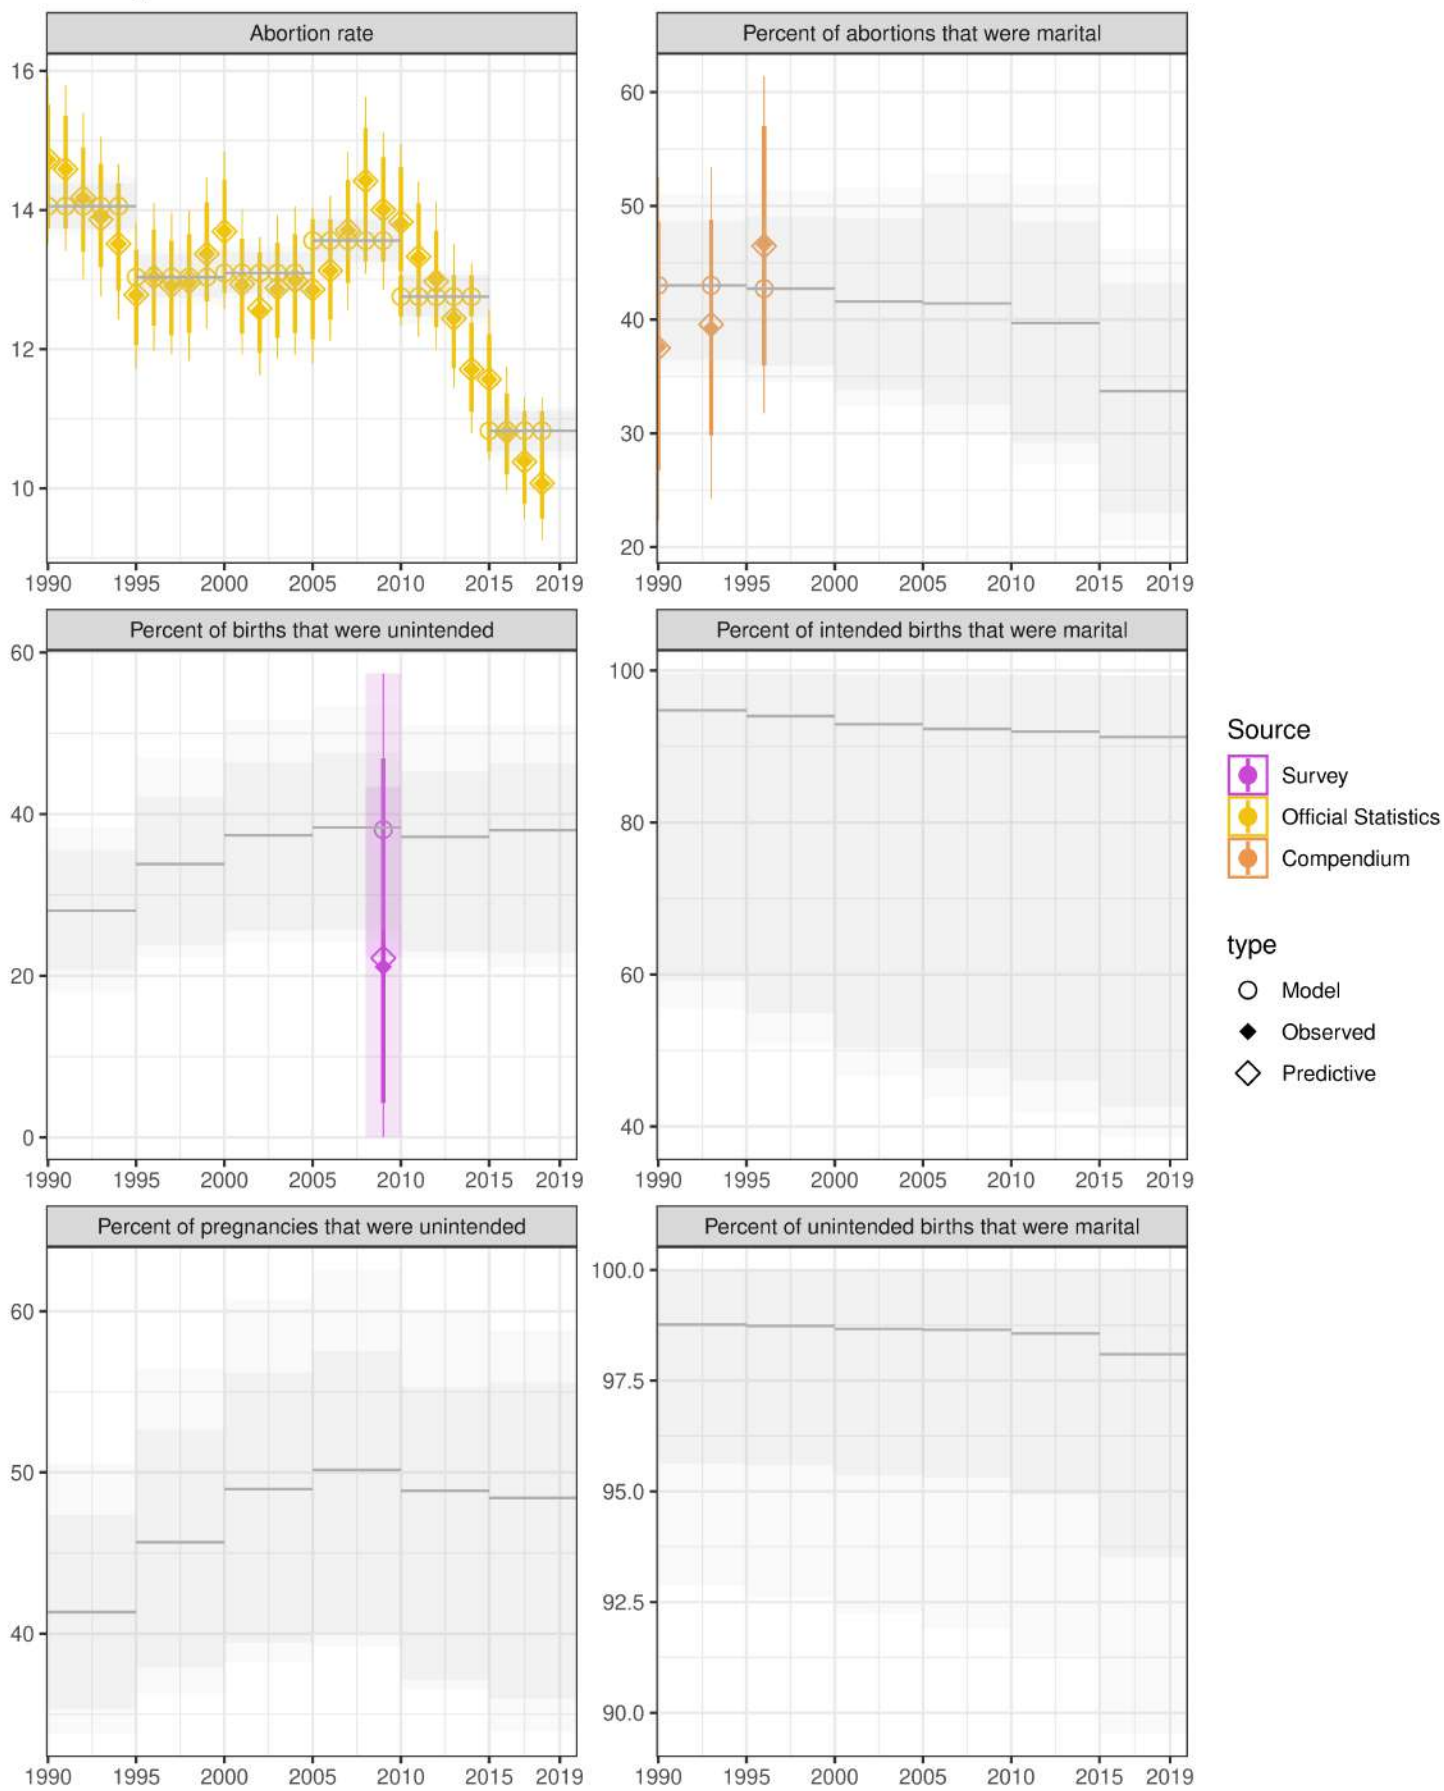

Lithuania

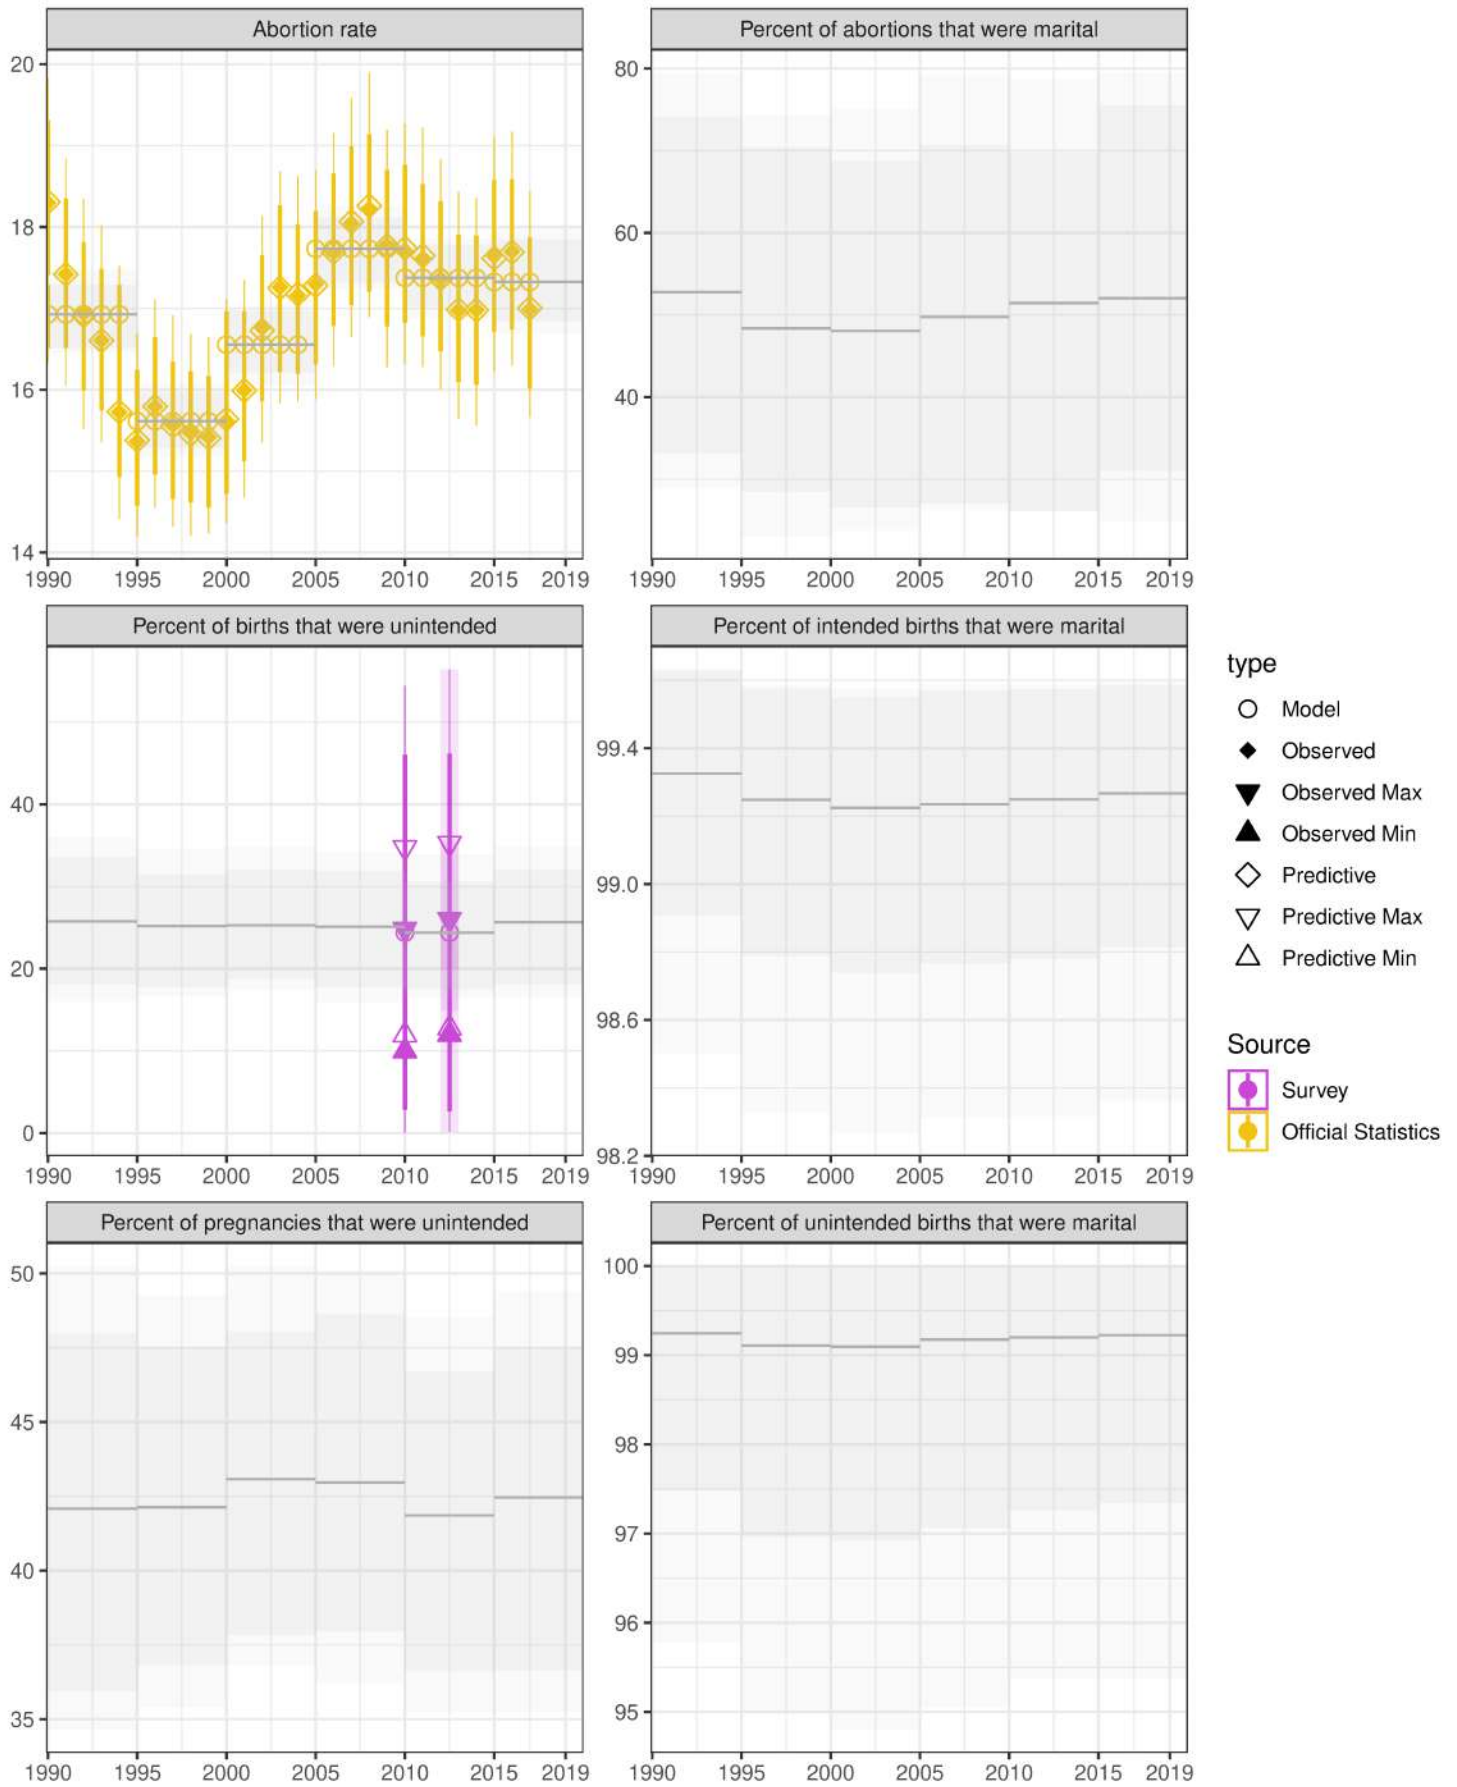

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Norway

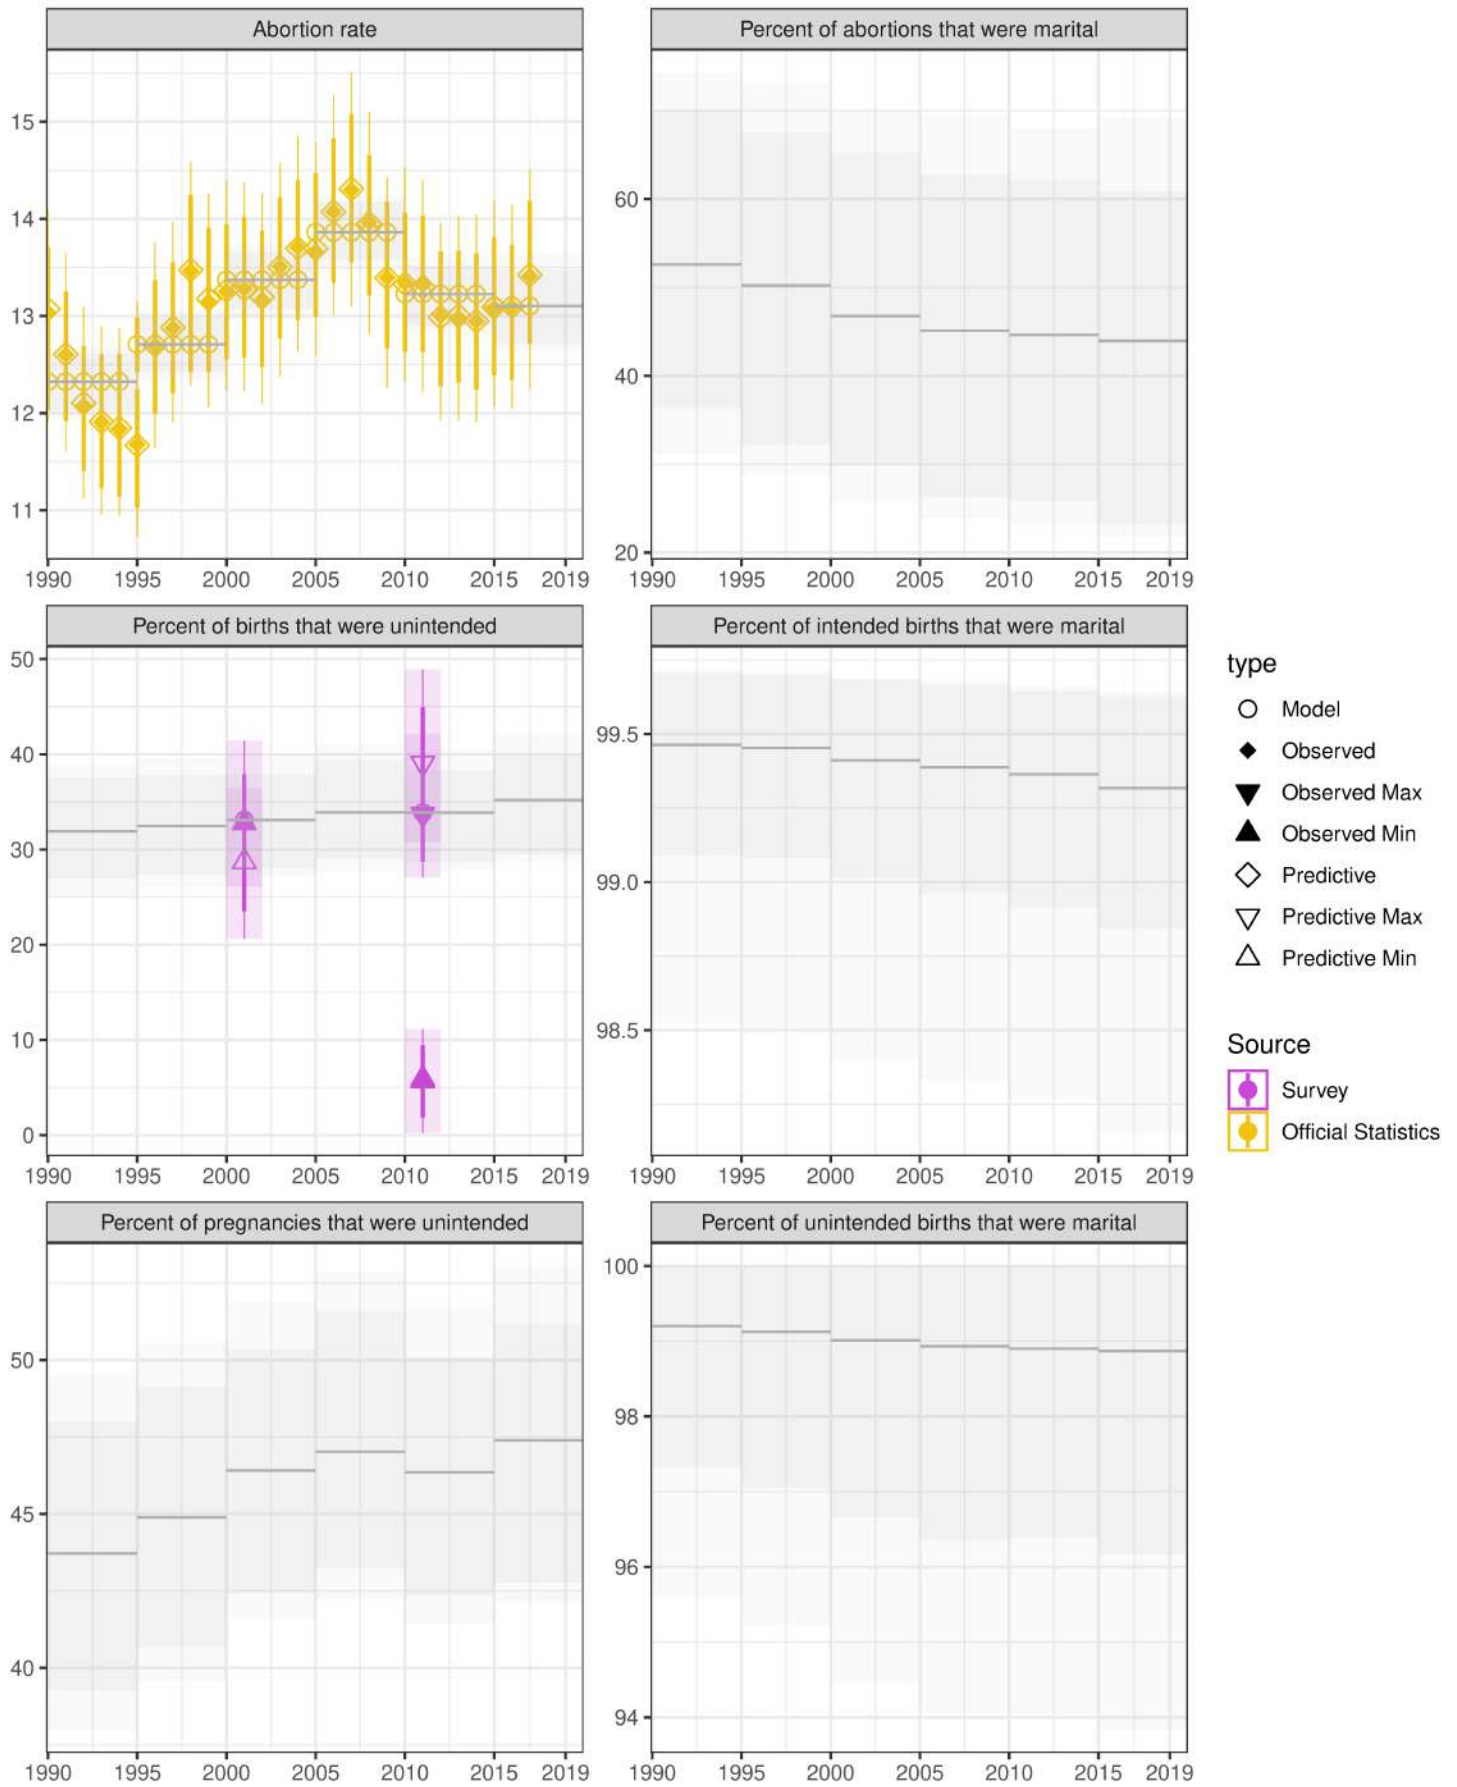

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Sweden

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

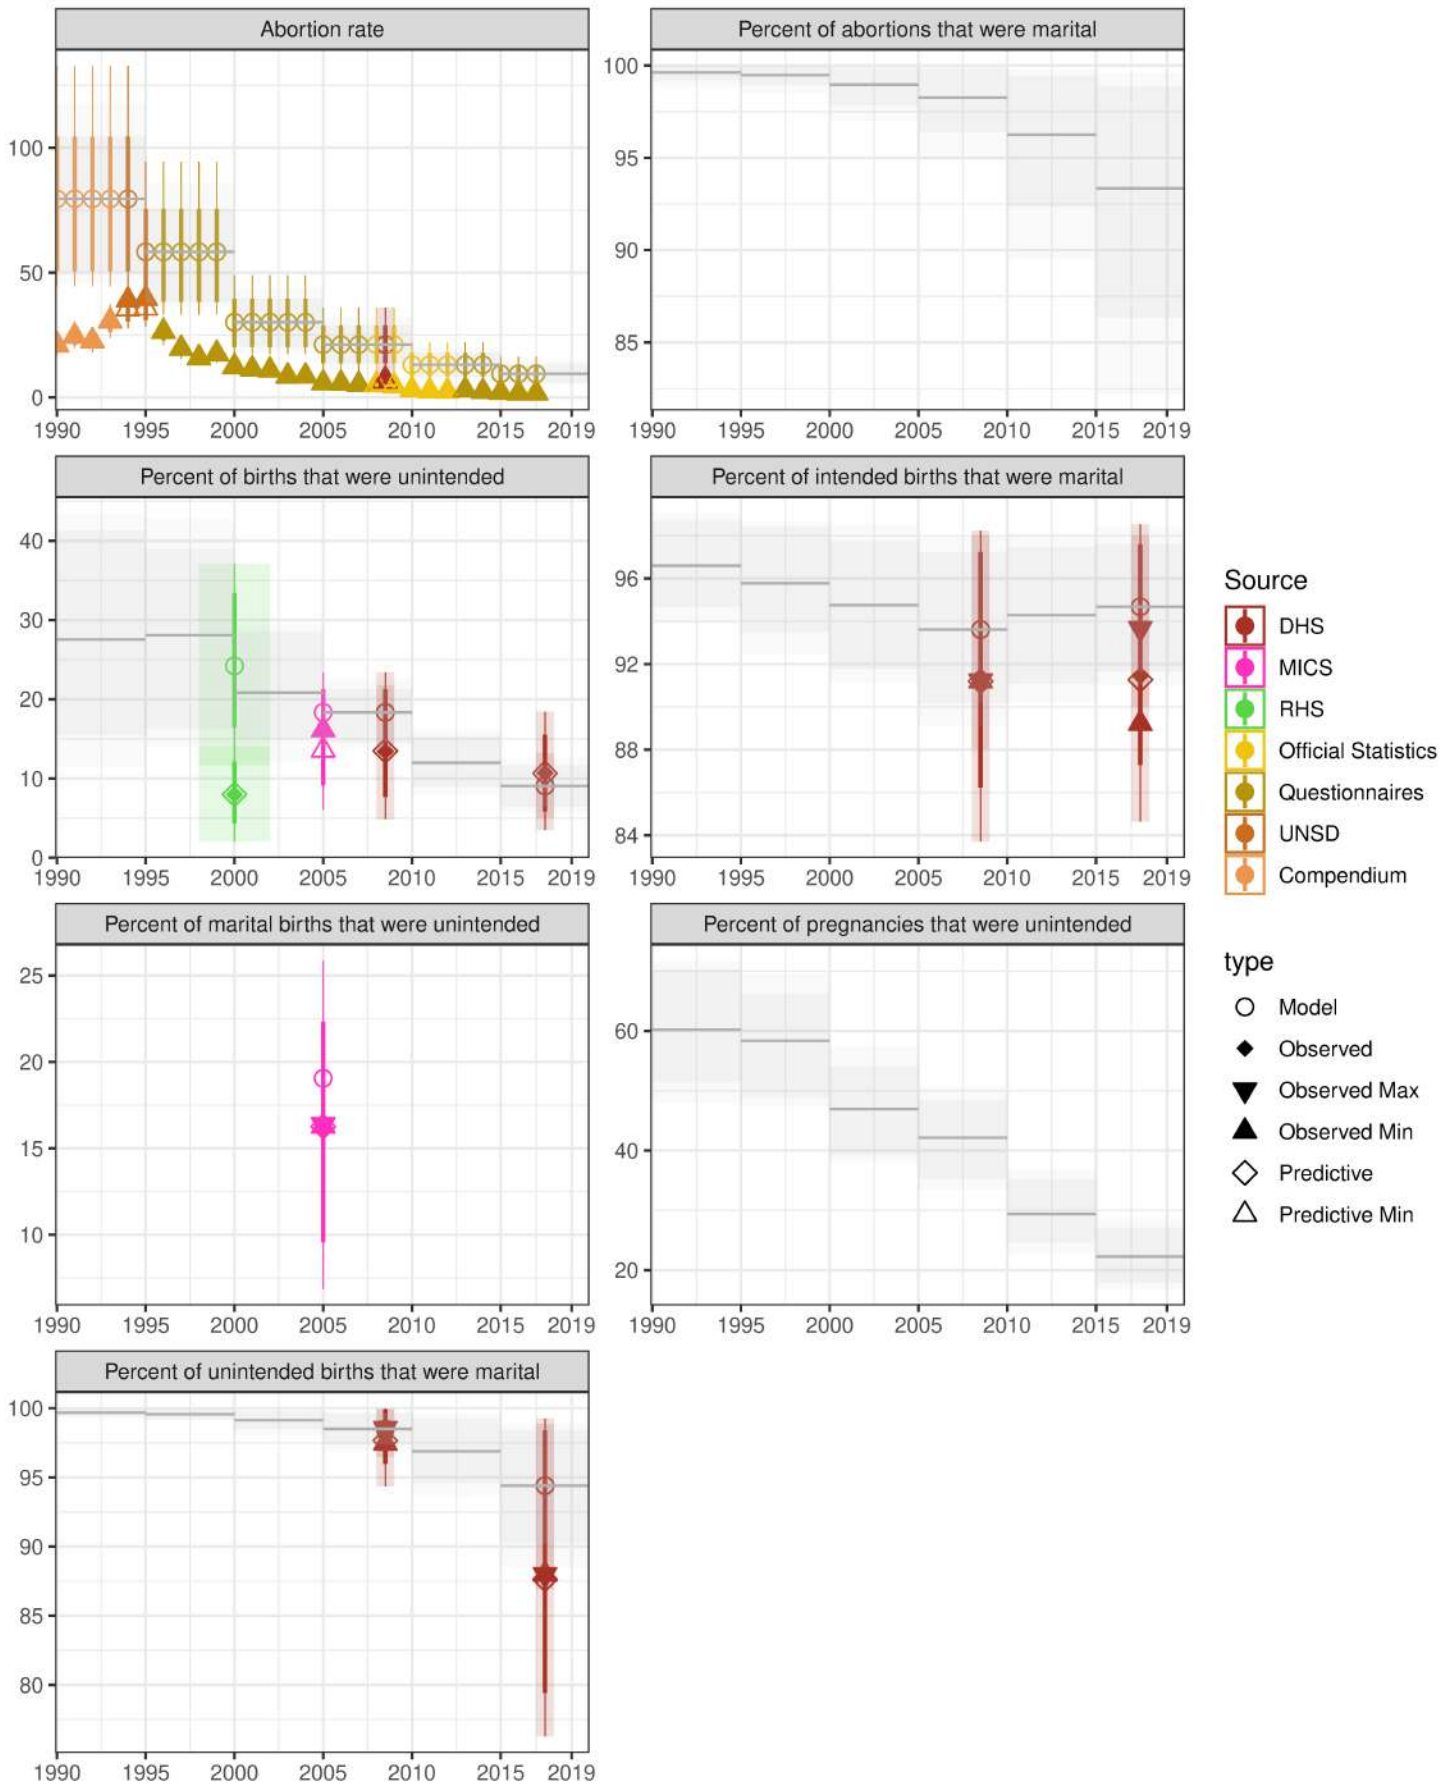

United Kingdom

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

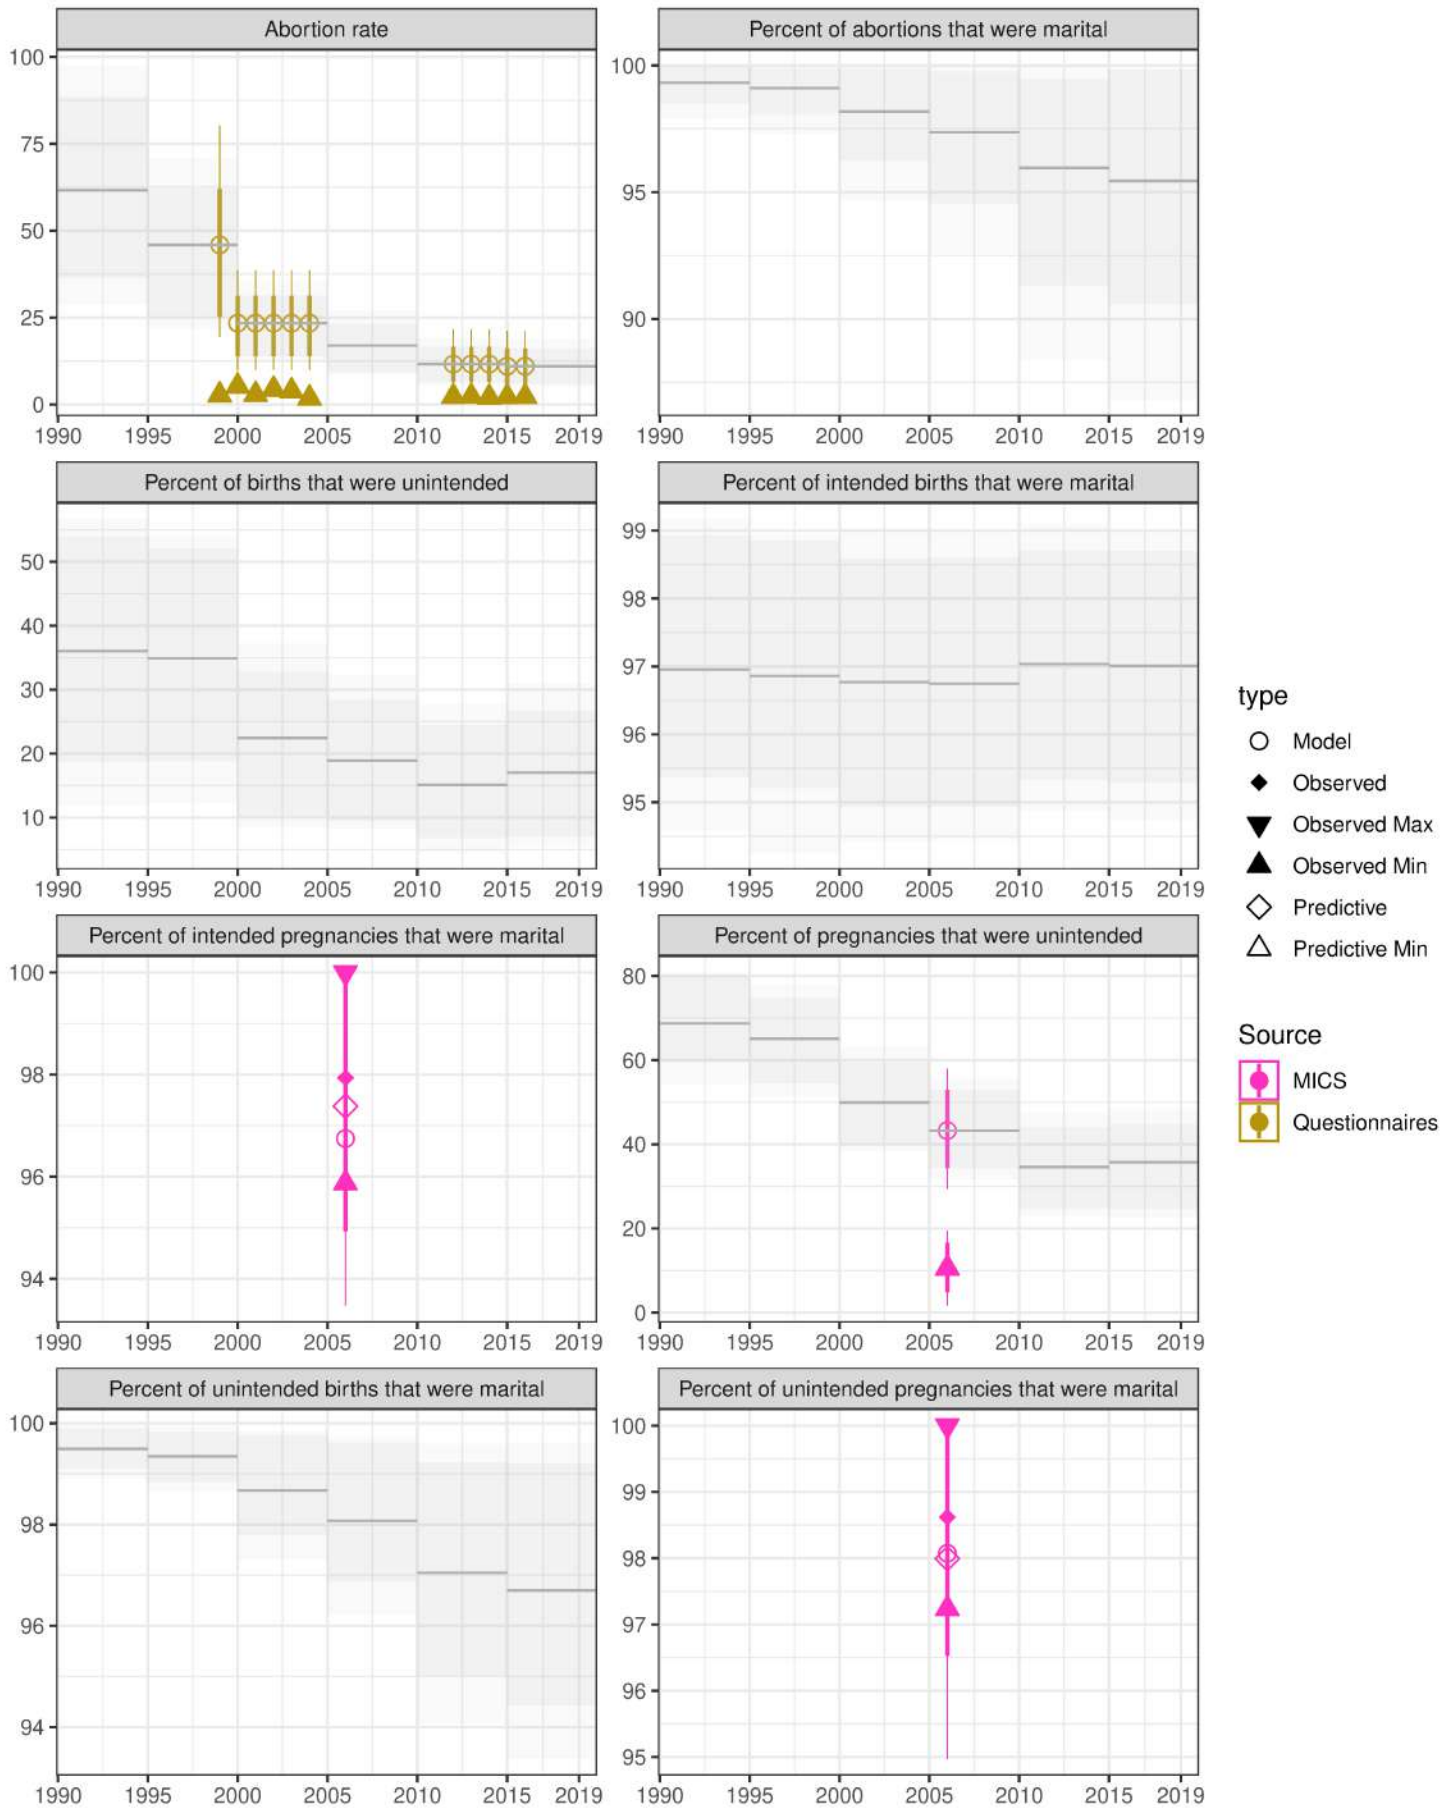

7.3 Southern Europe

Albania

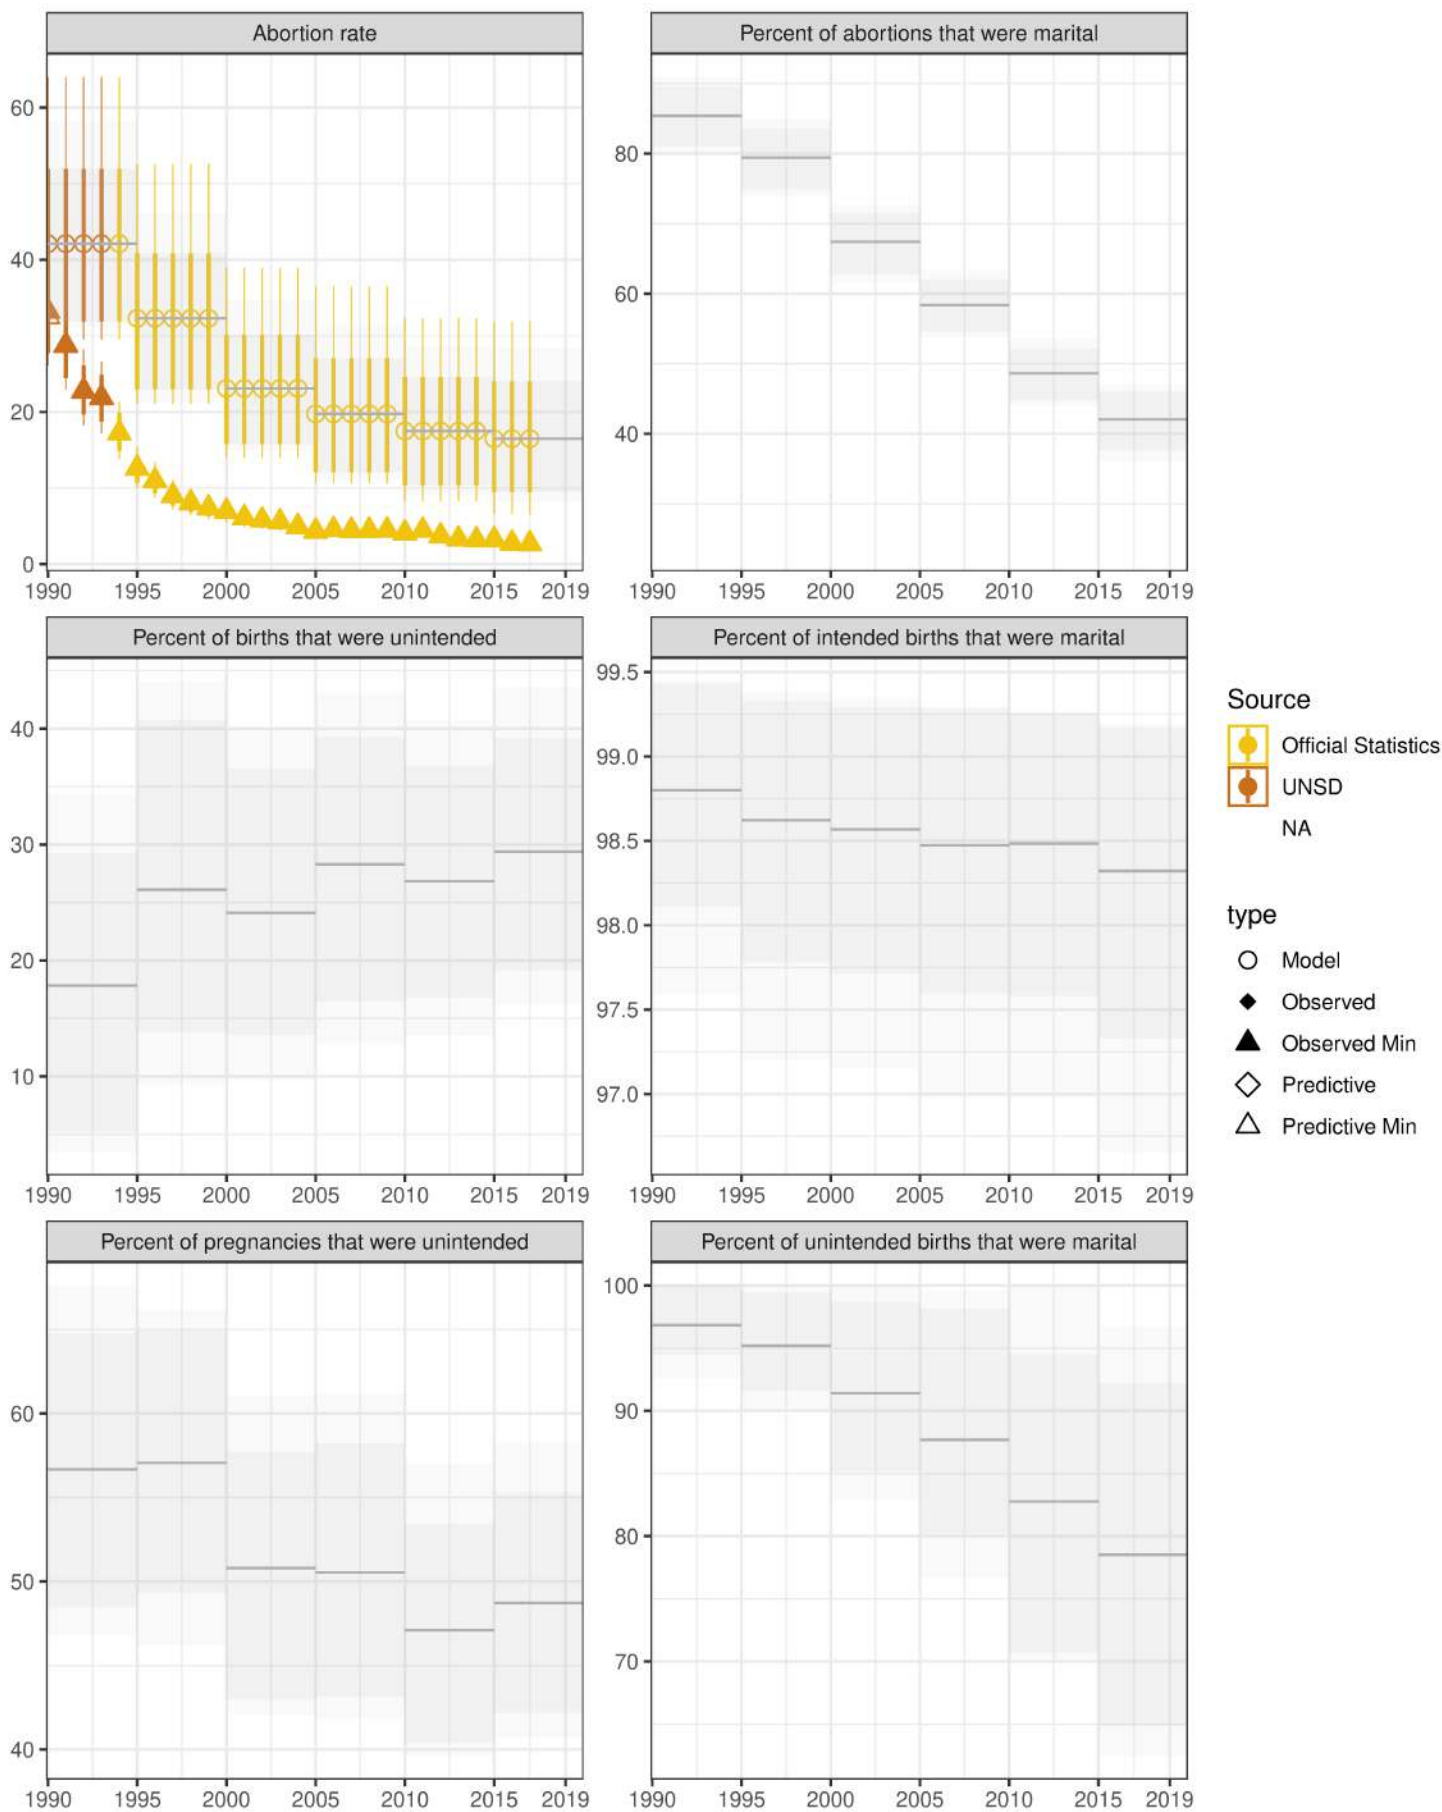

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Bosnia and Herzegovina

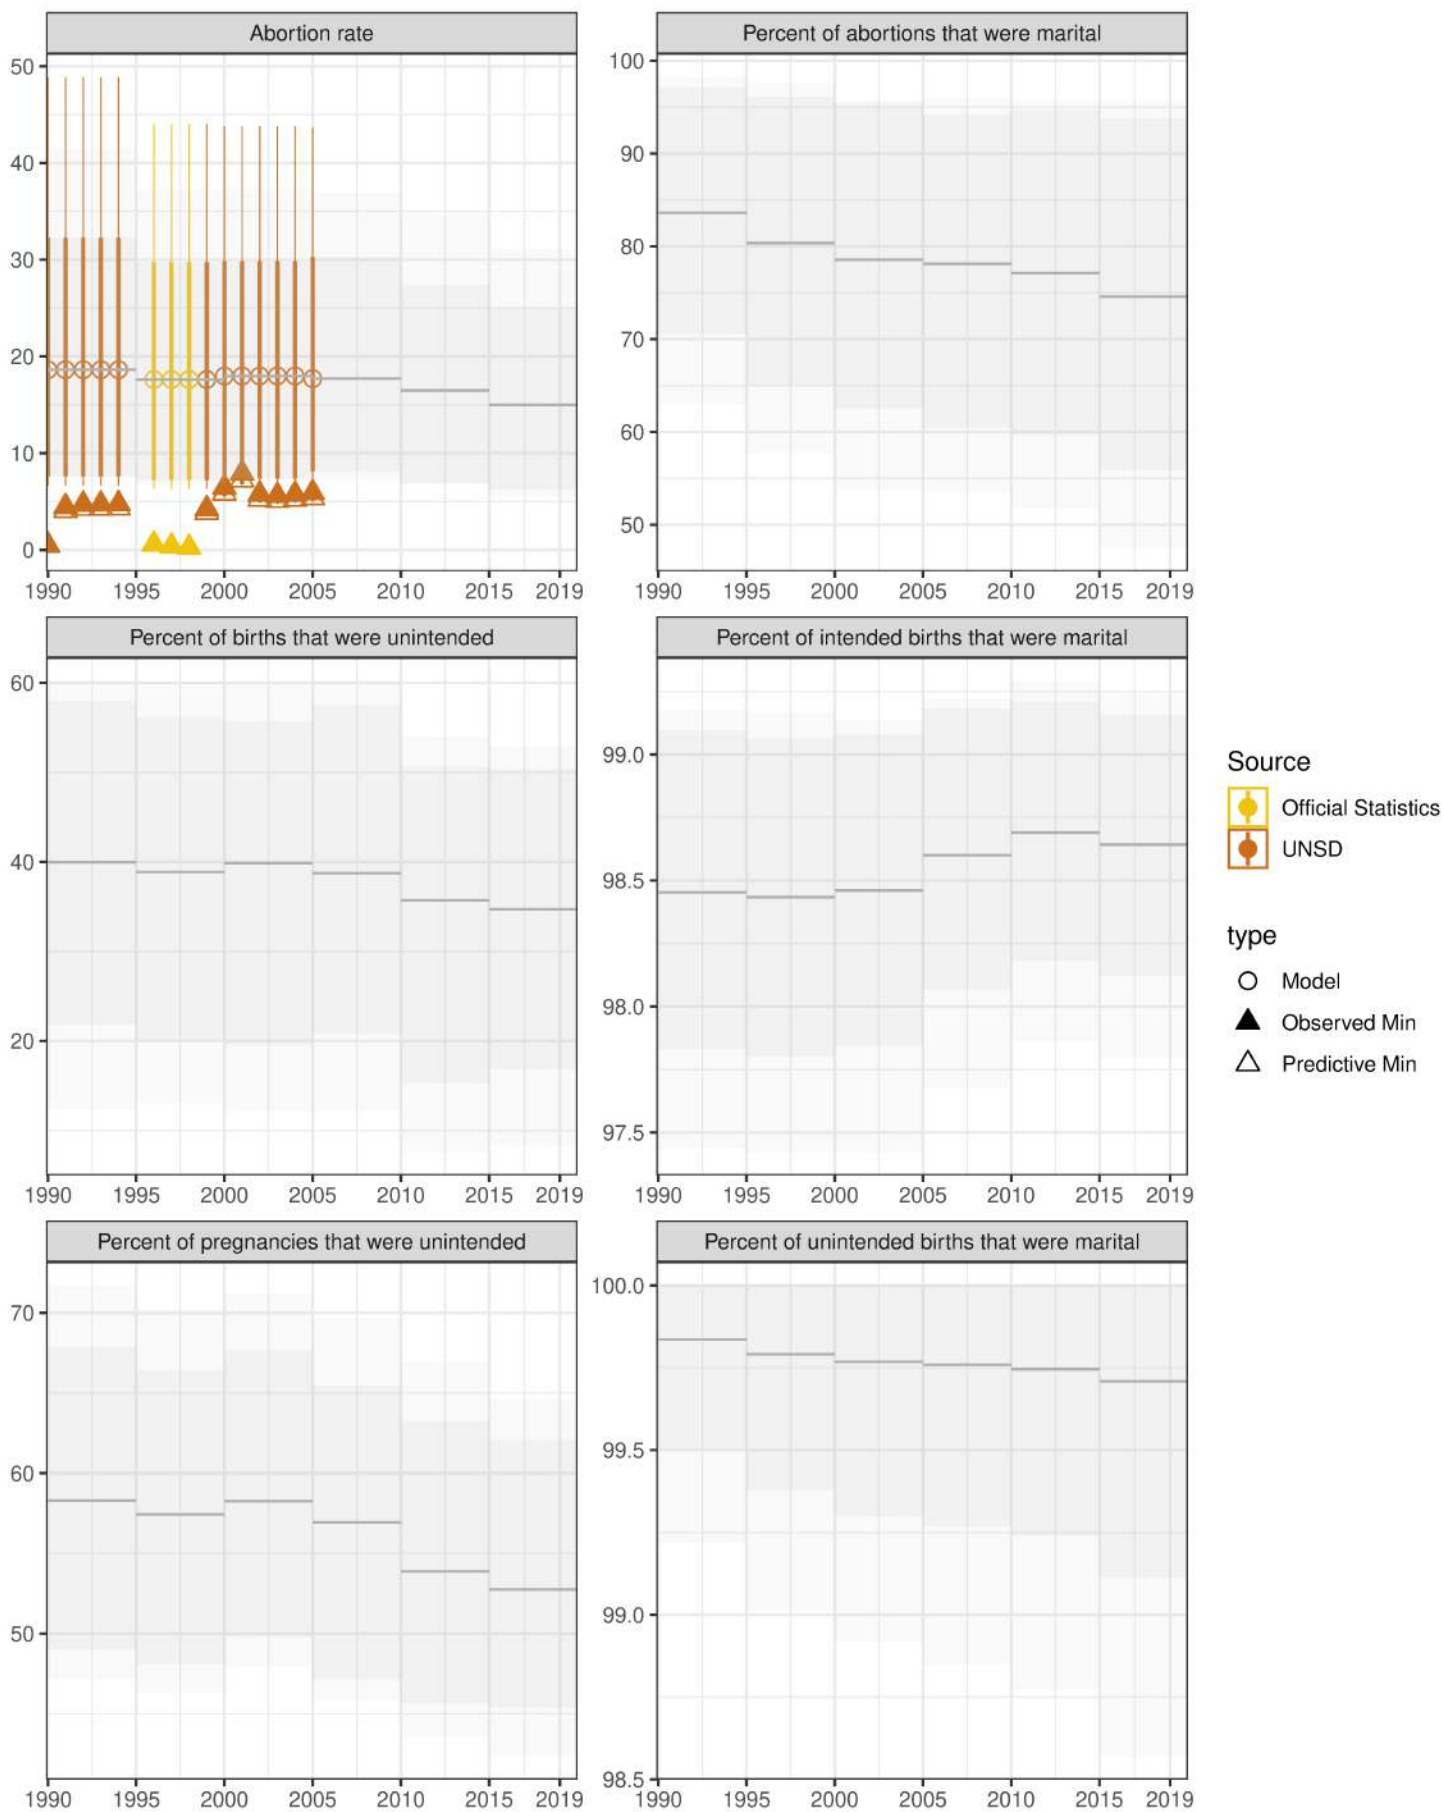

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Croatia

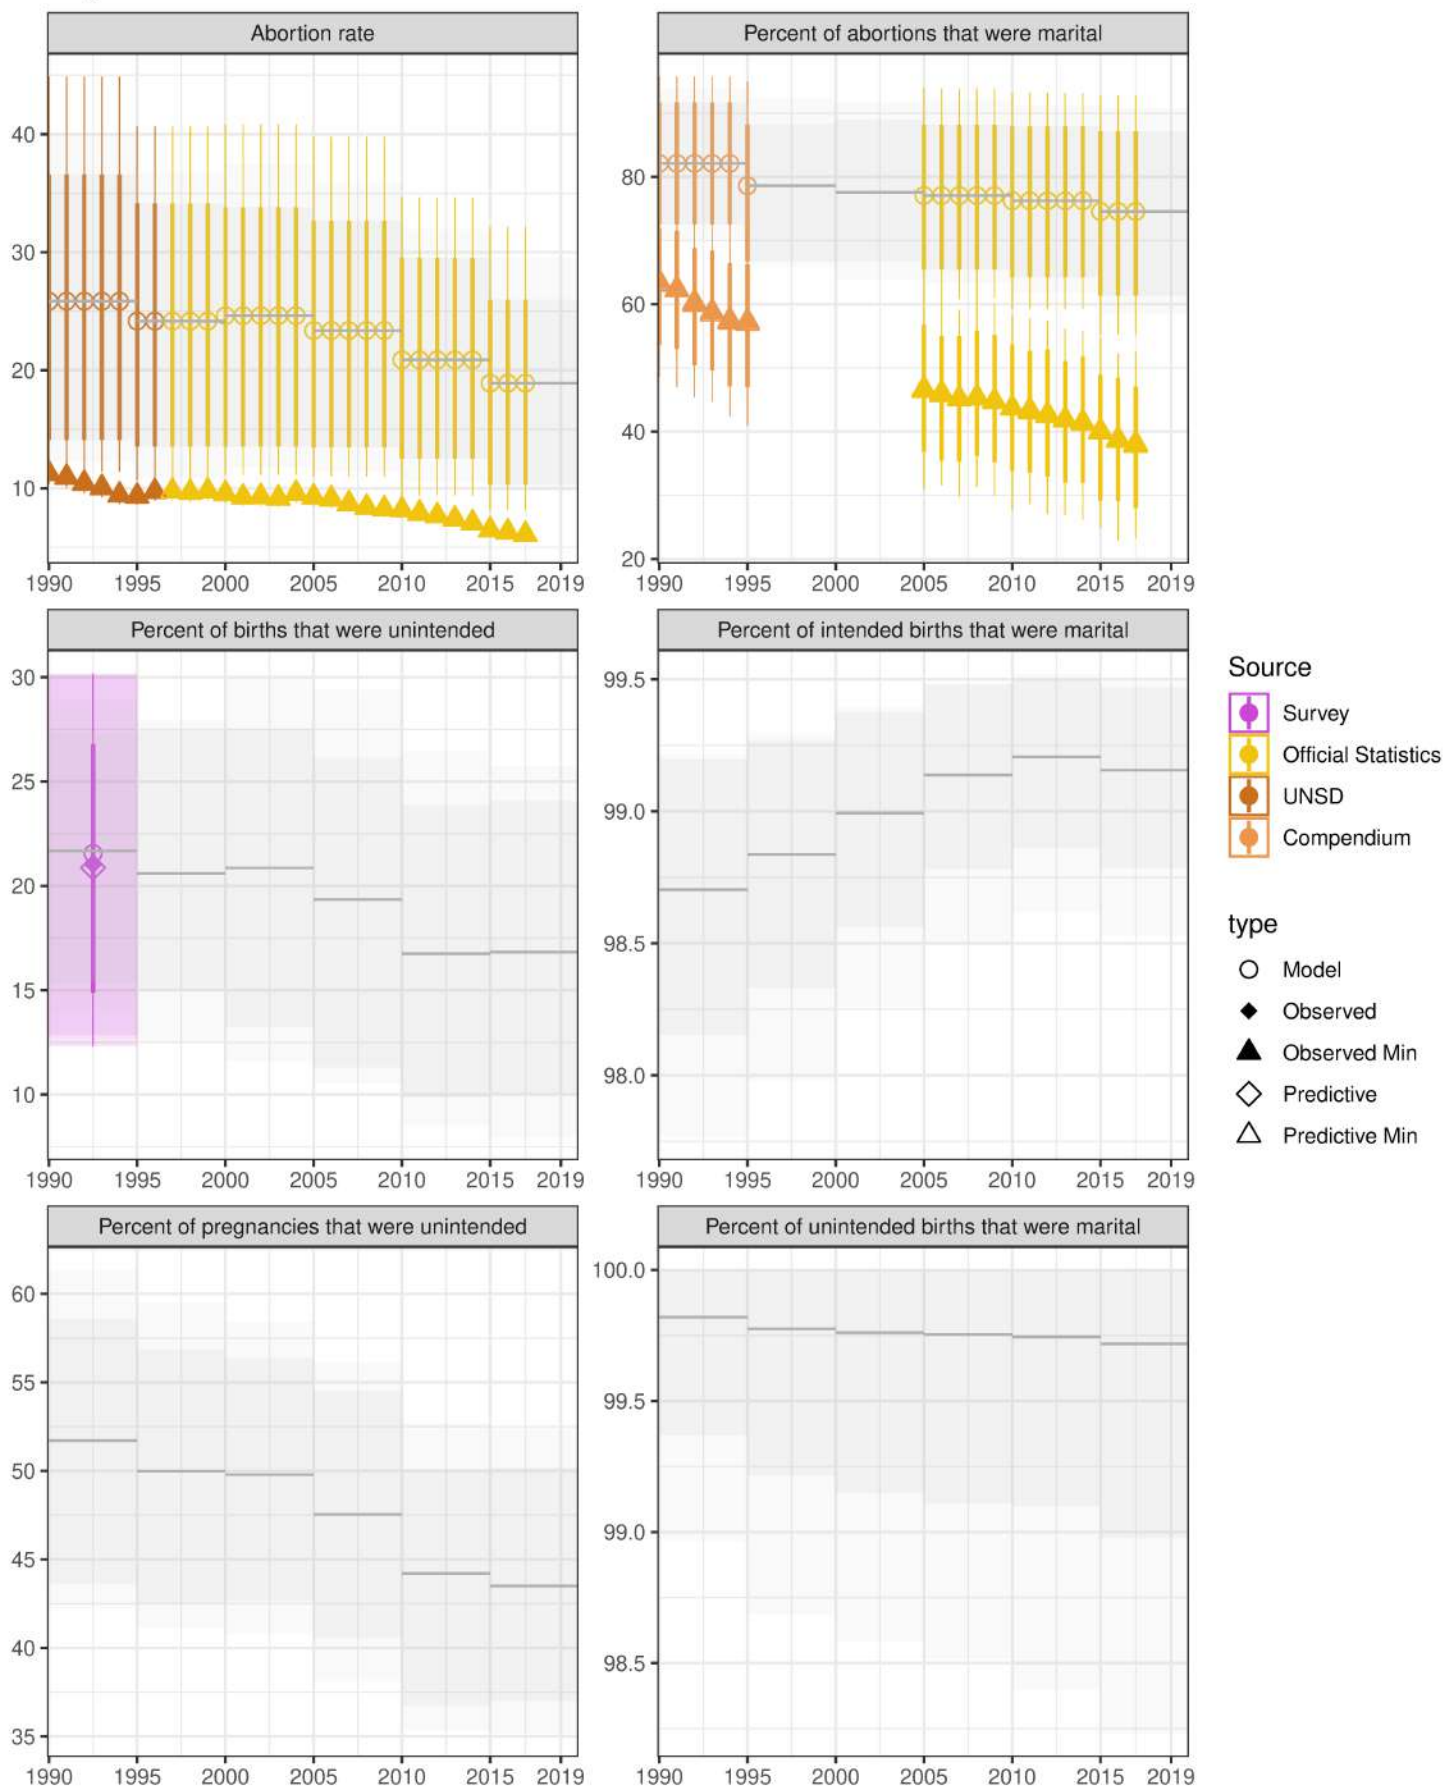

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Greece

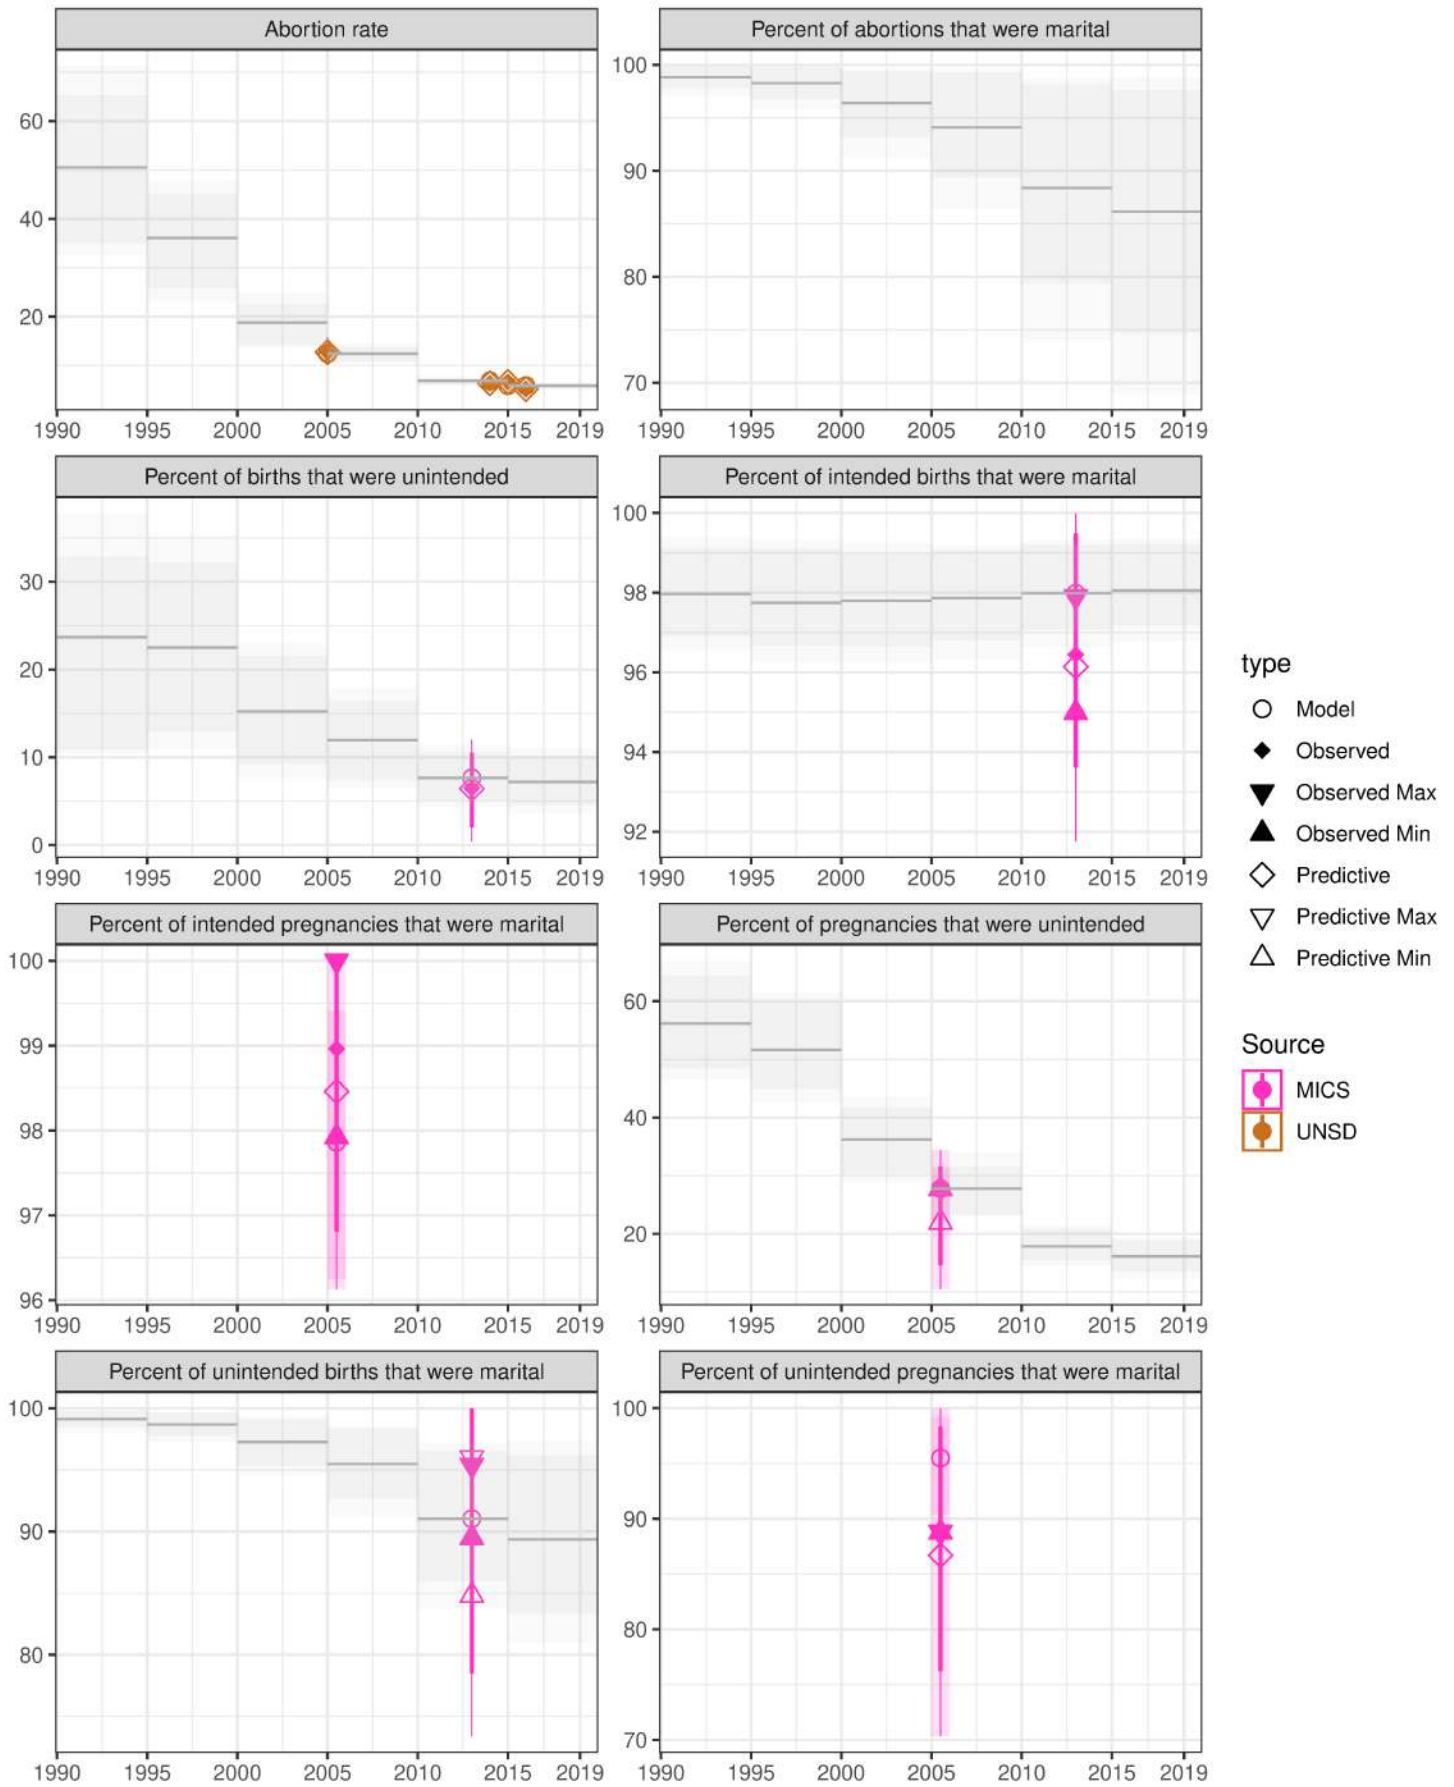

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Italy

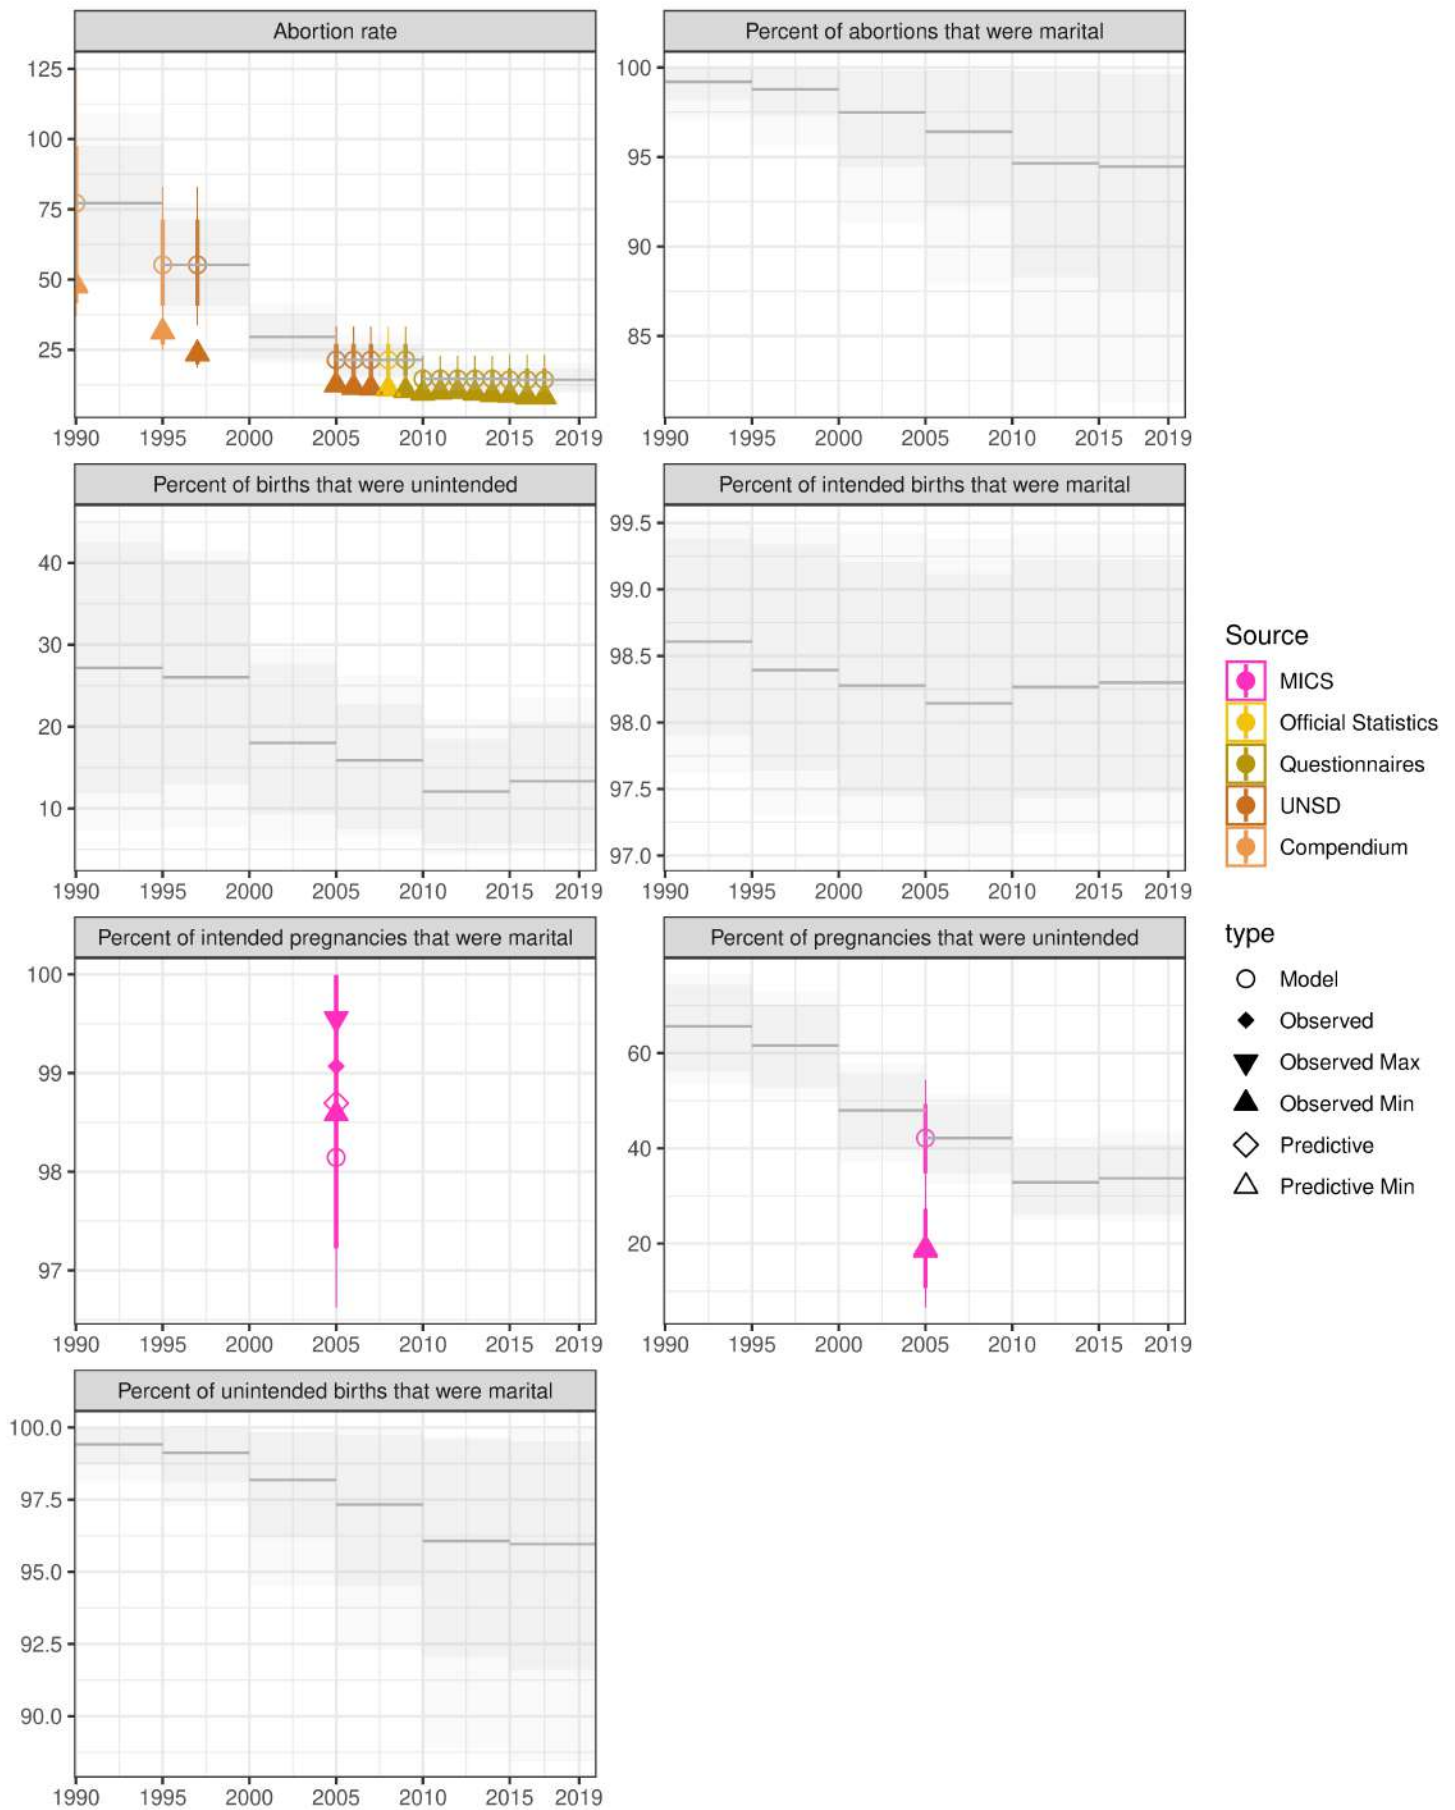

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Montenegro

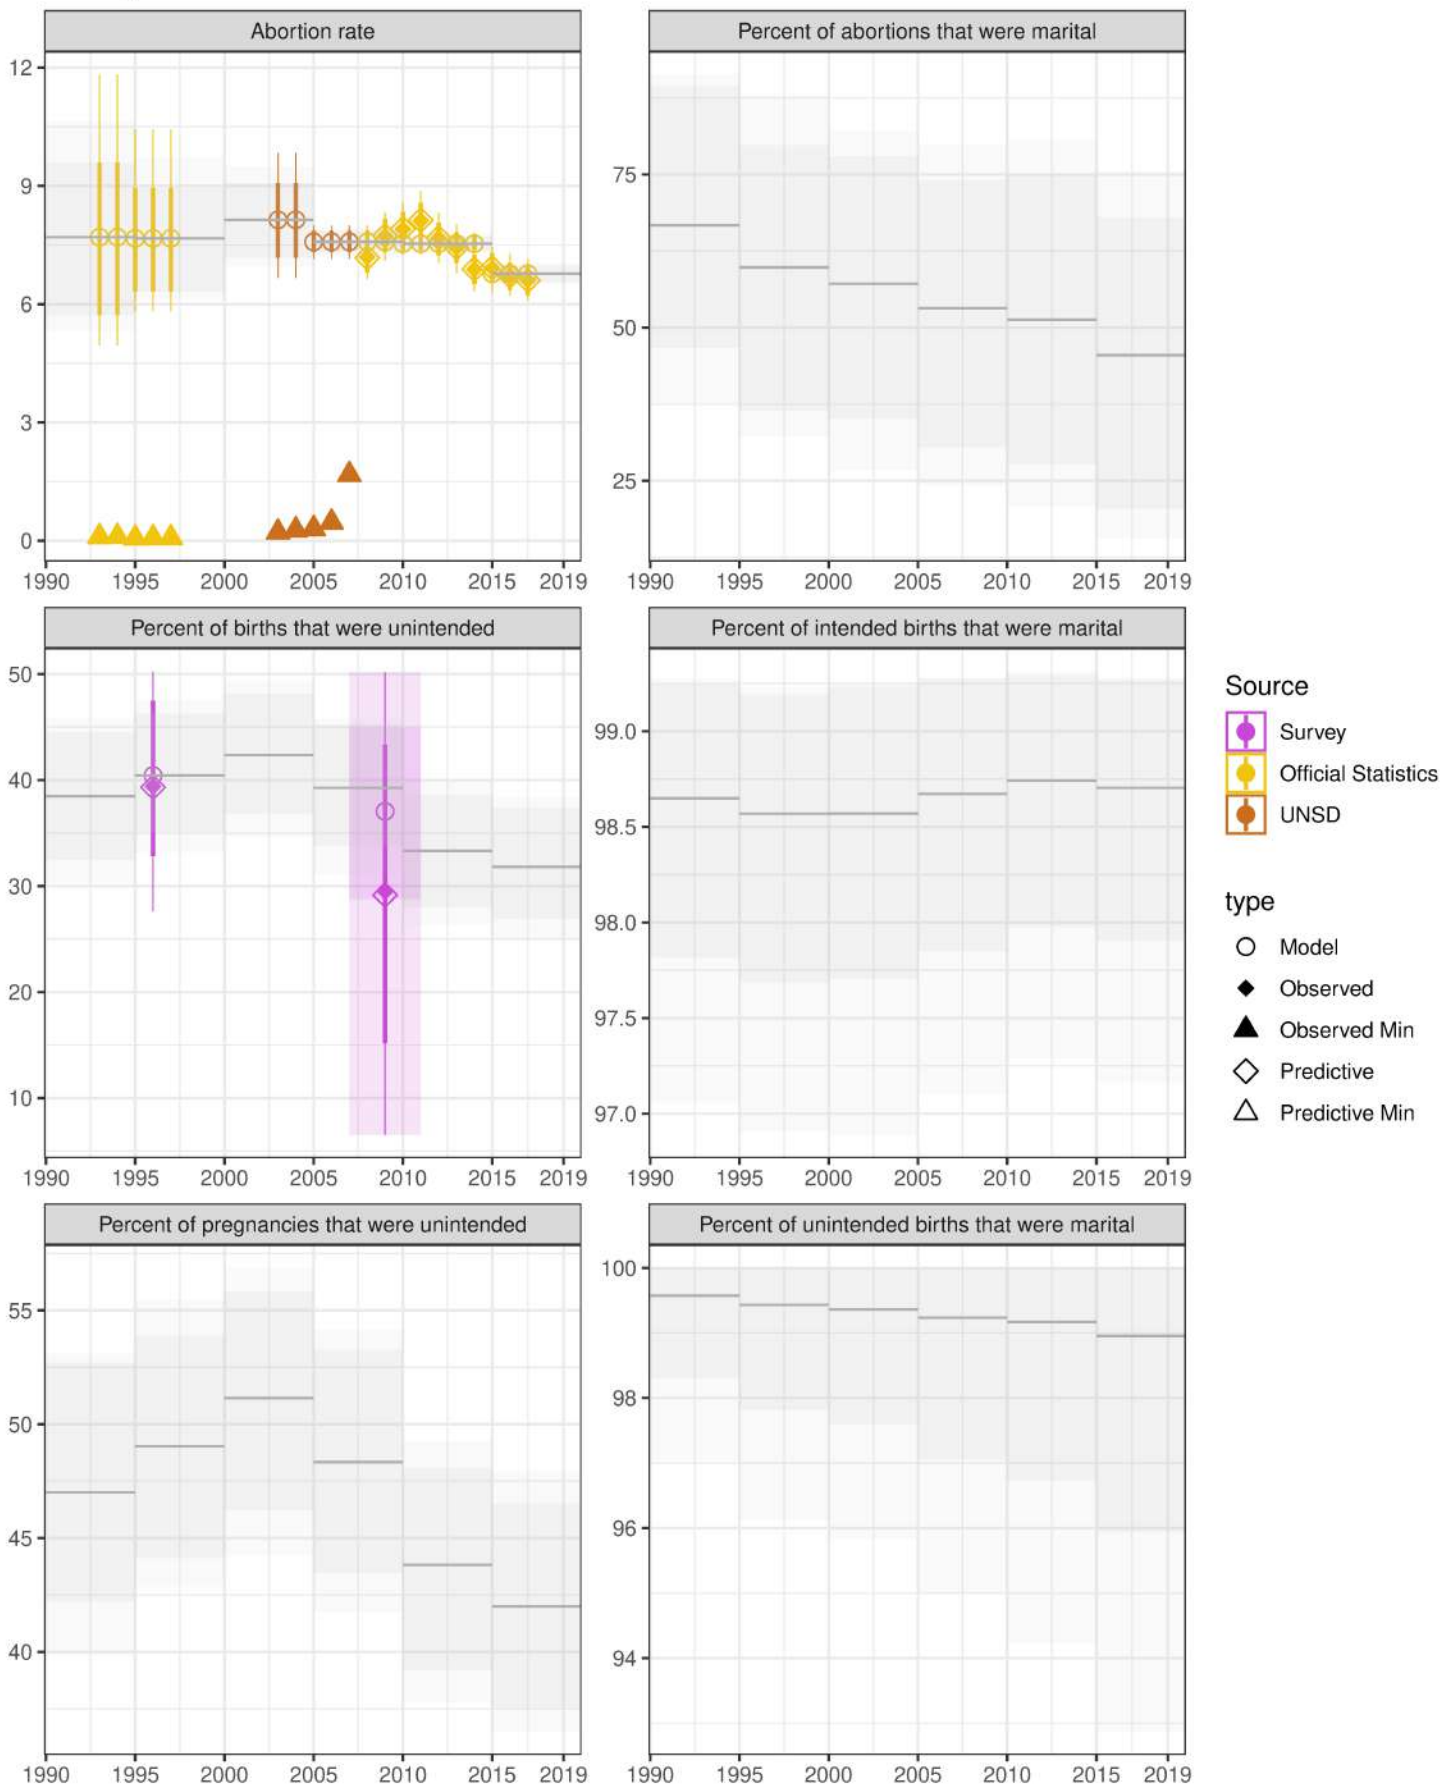

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

North Macedonia

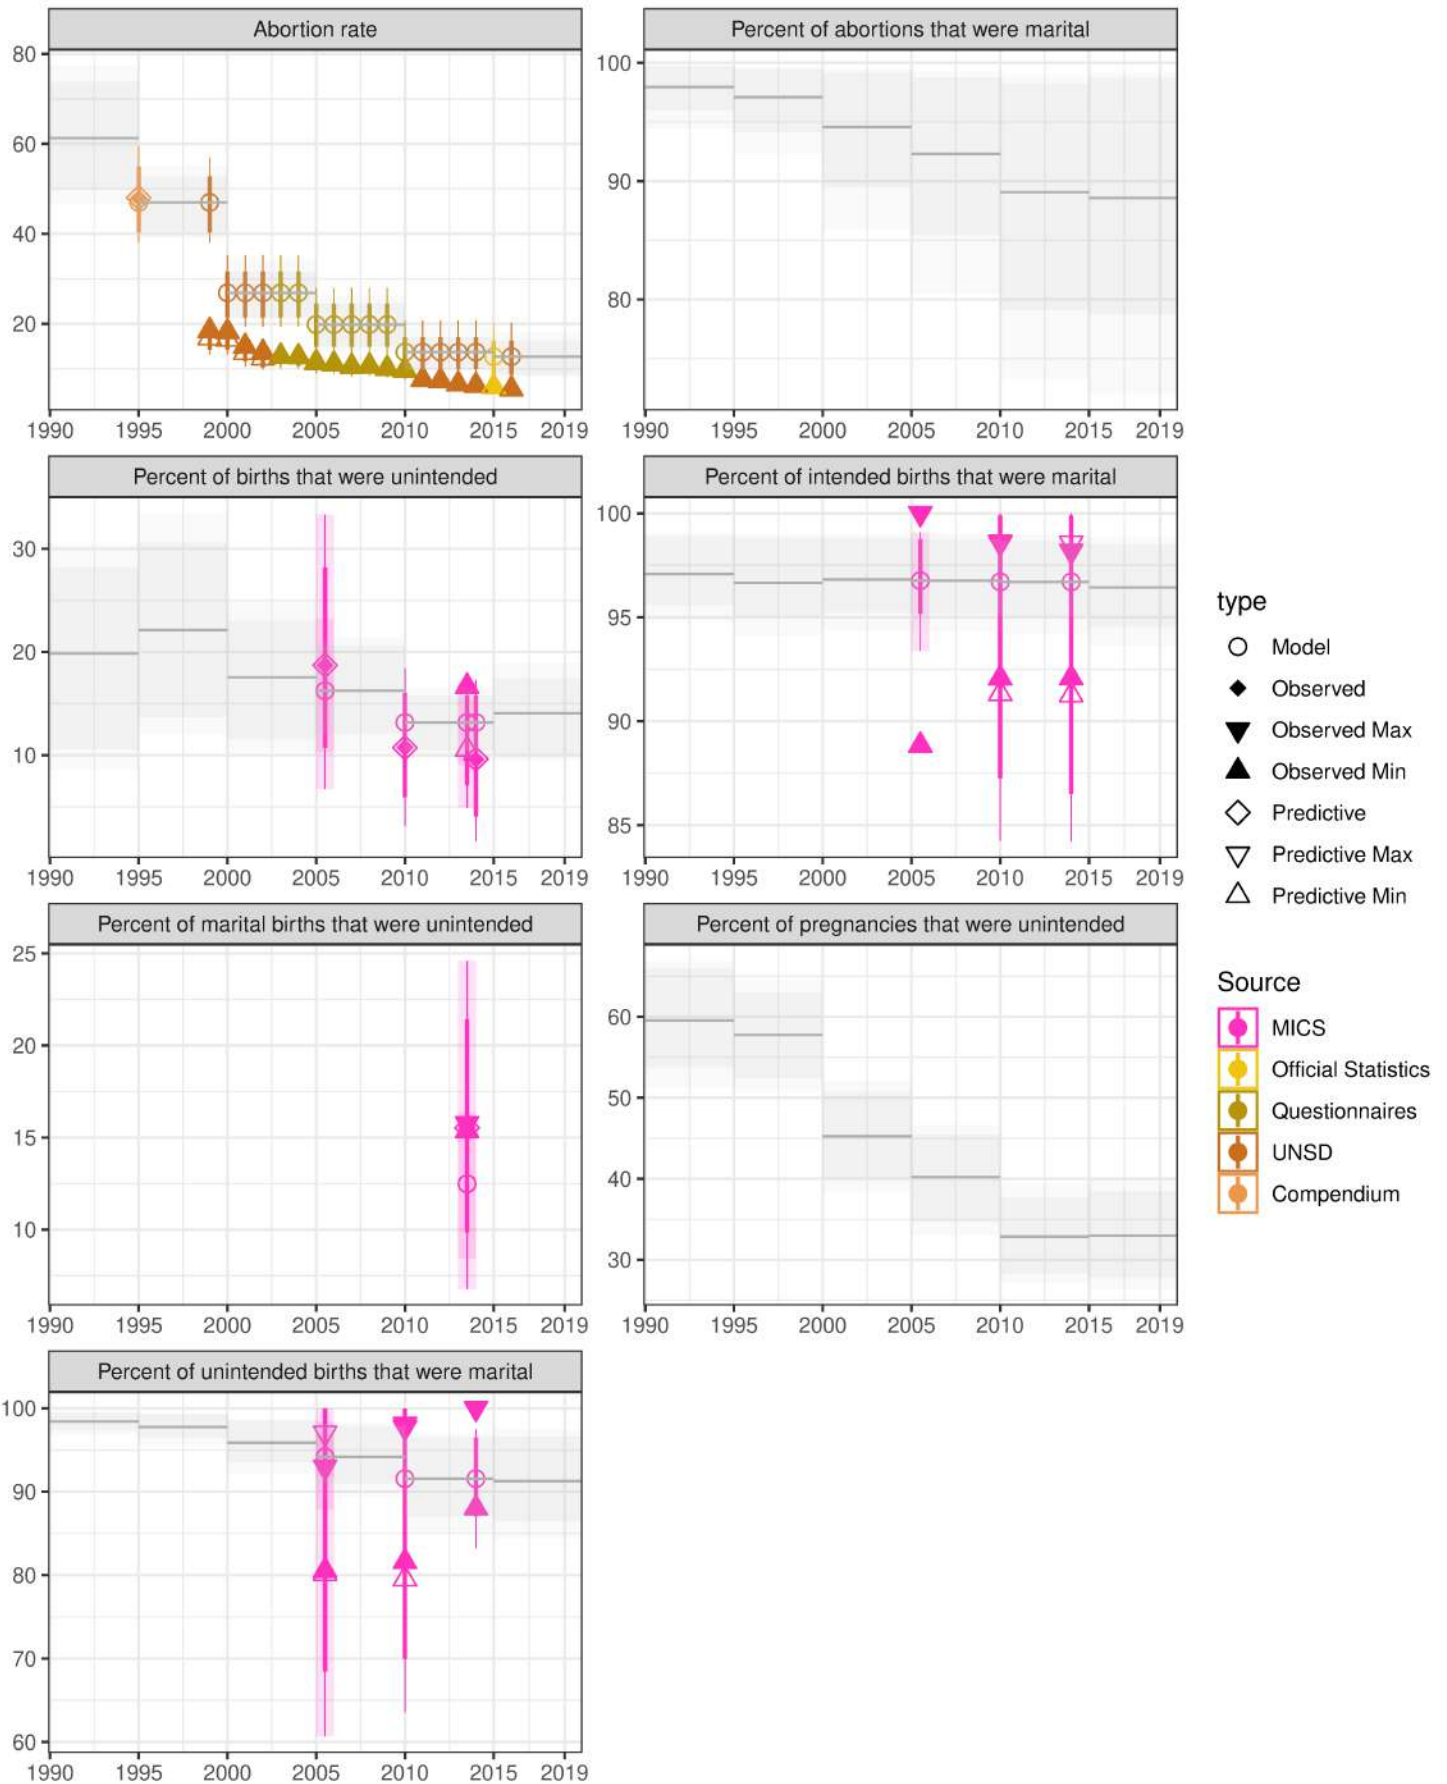

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

Portugal

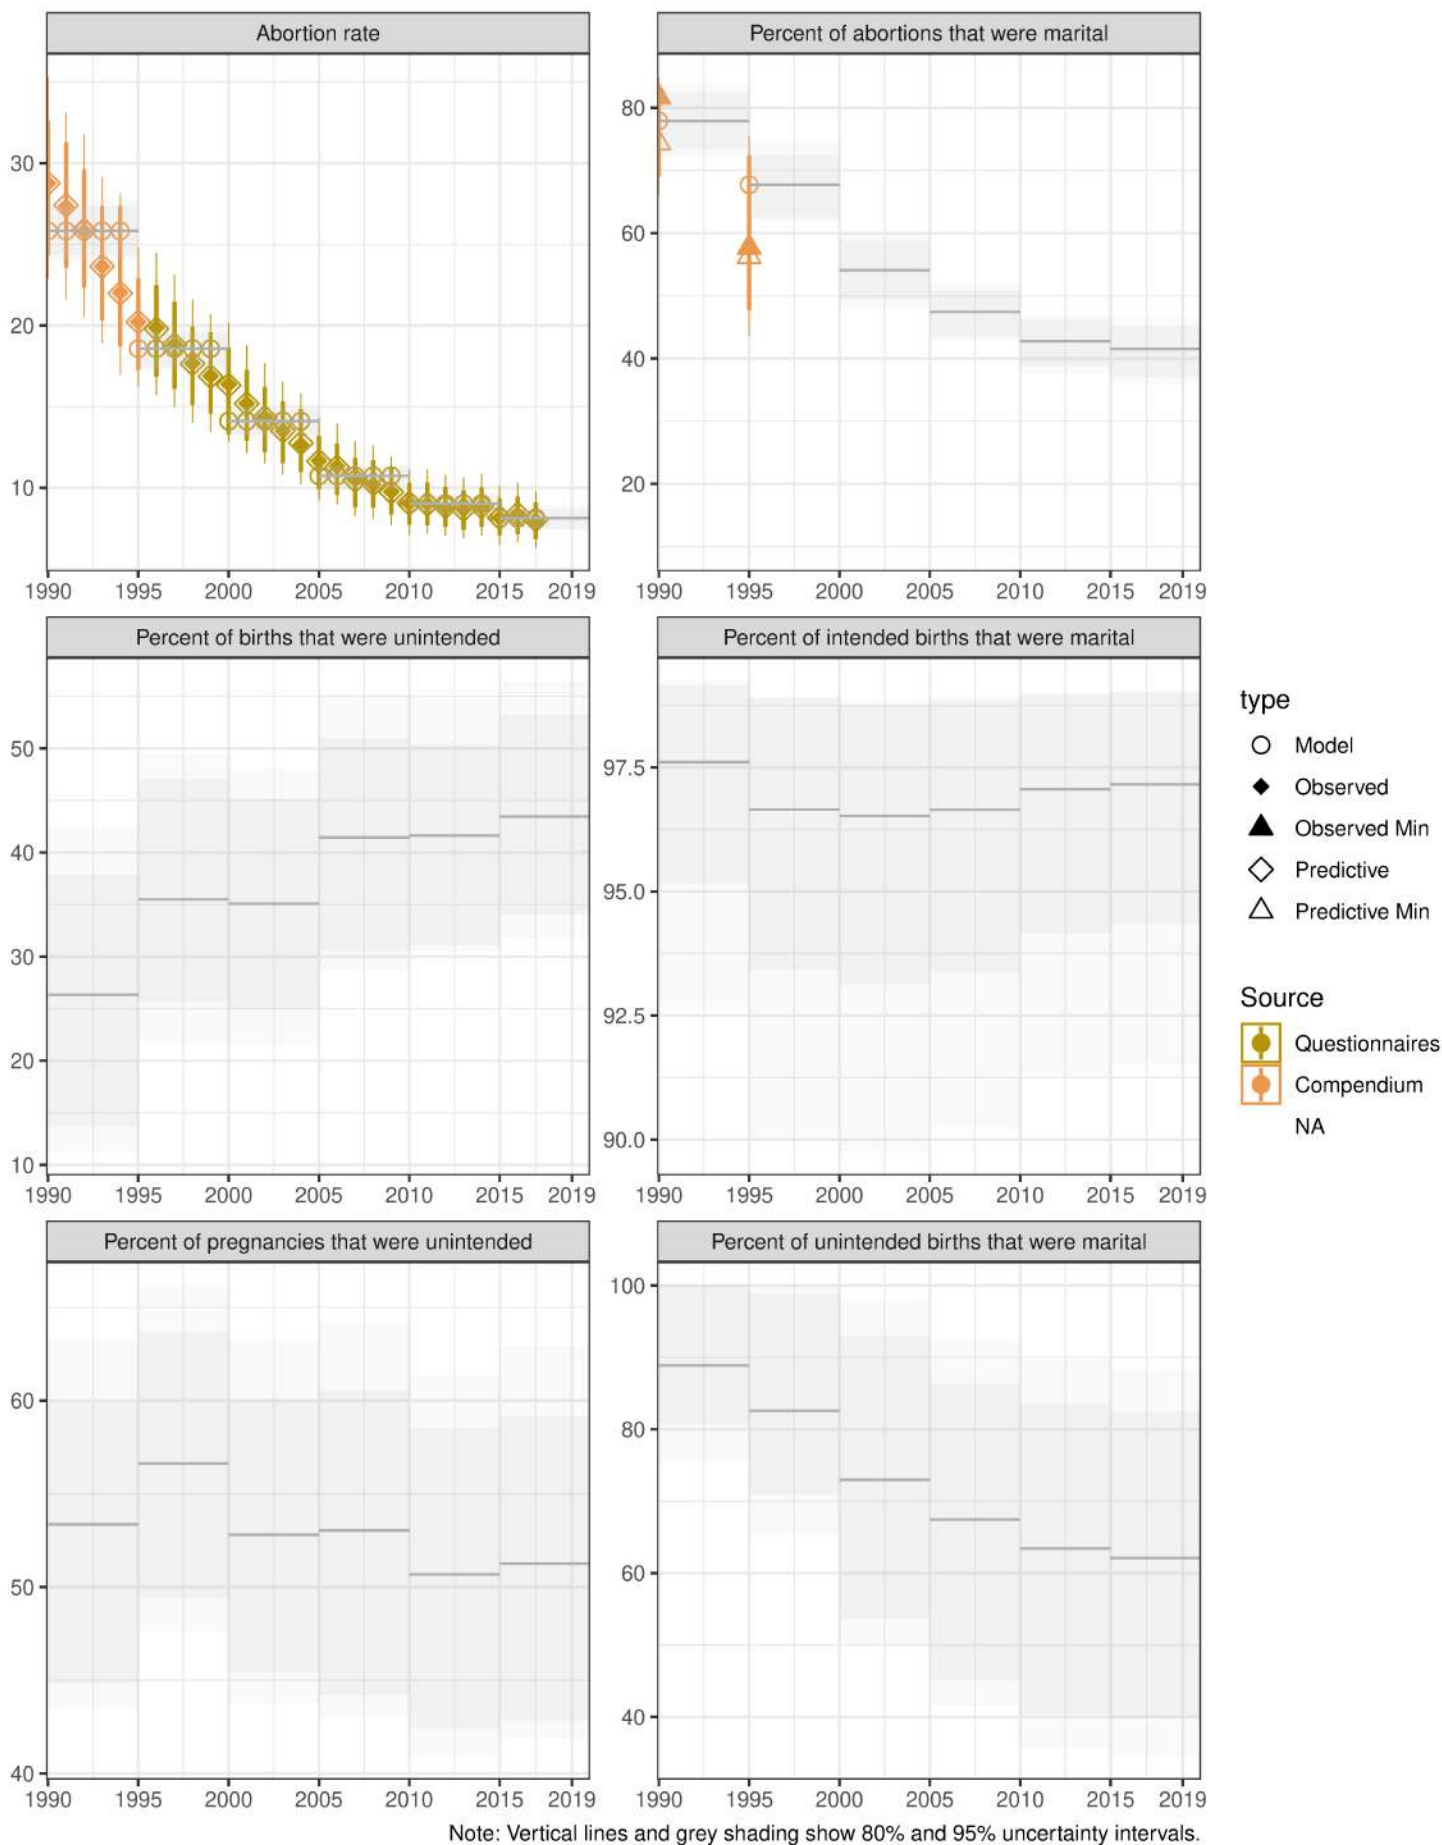

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Serbia

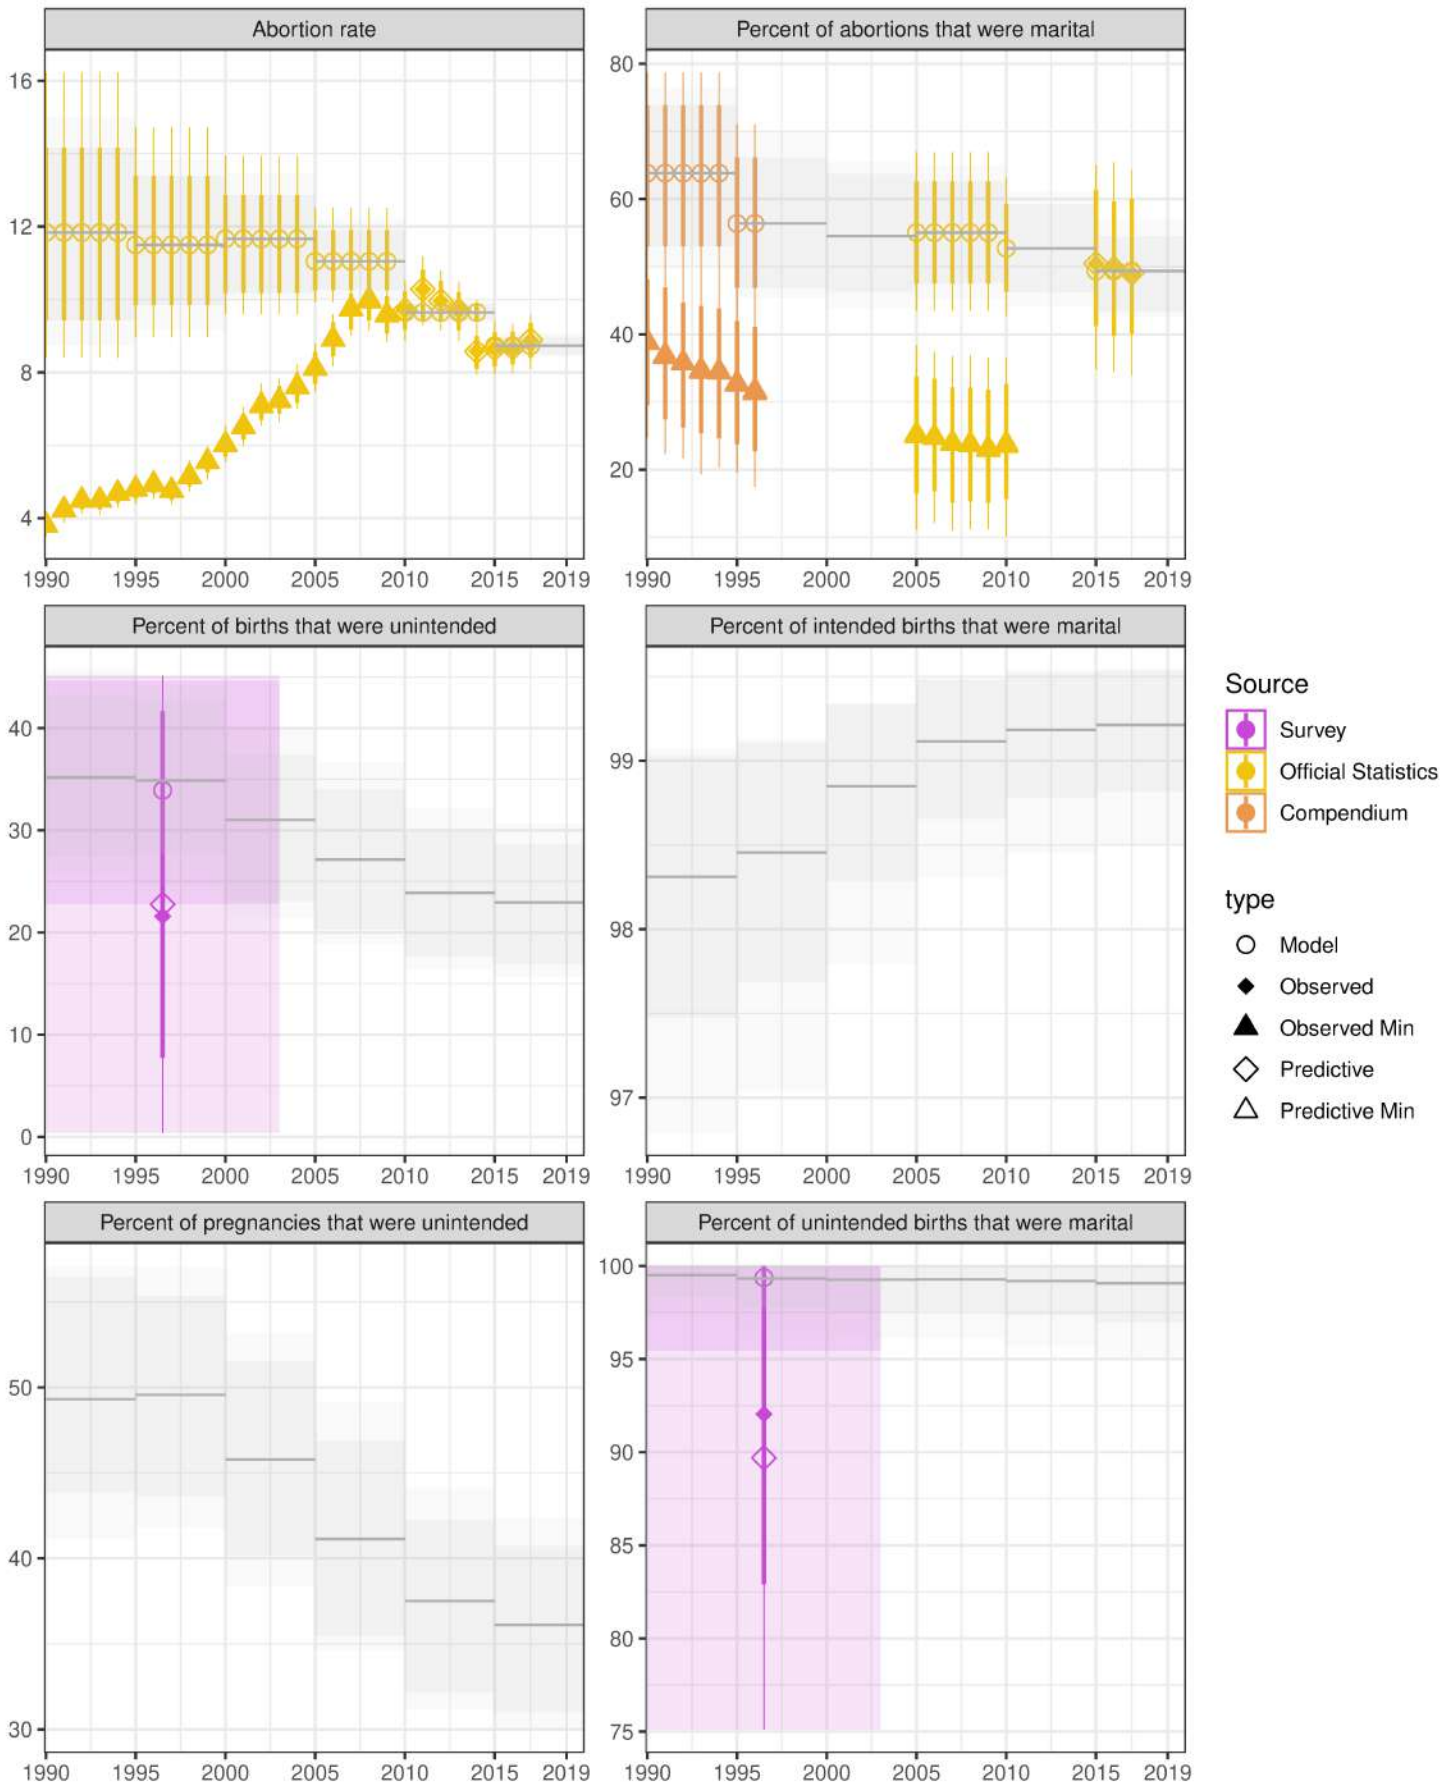

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Slovenia

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

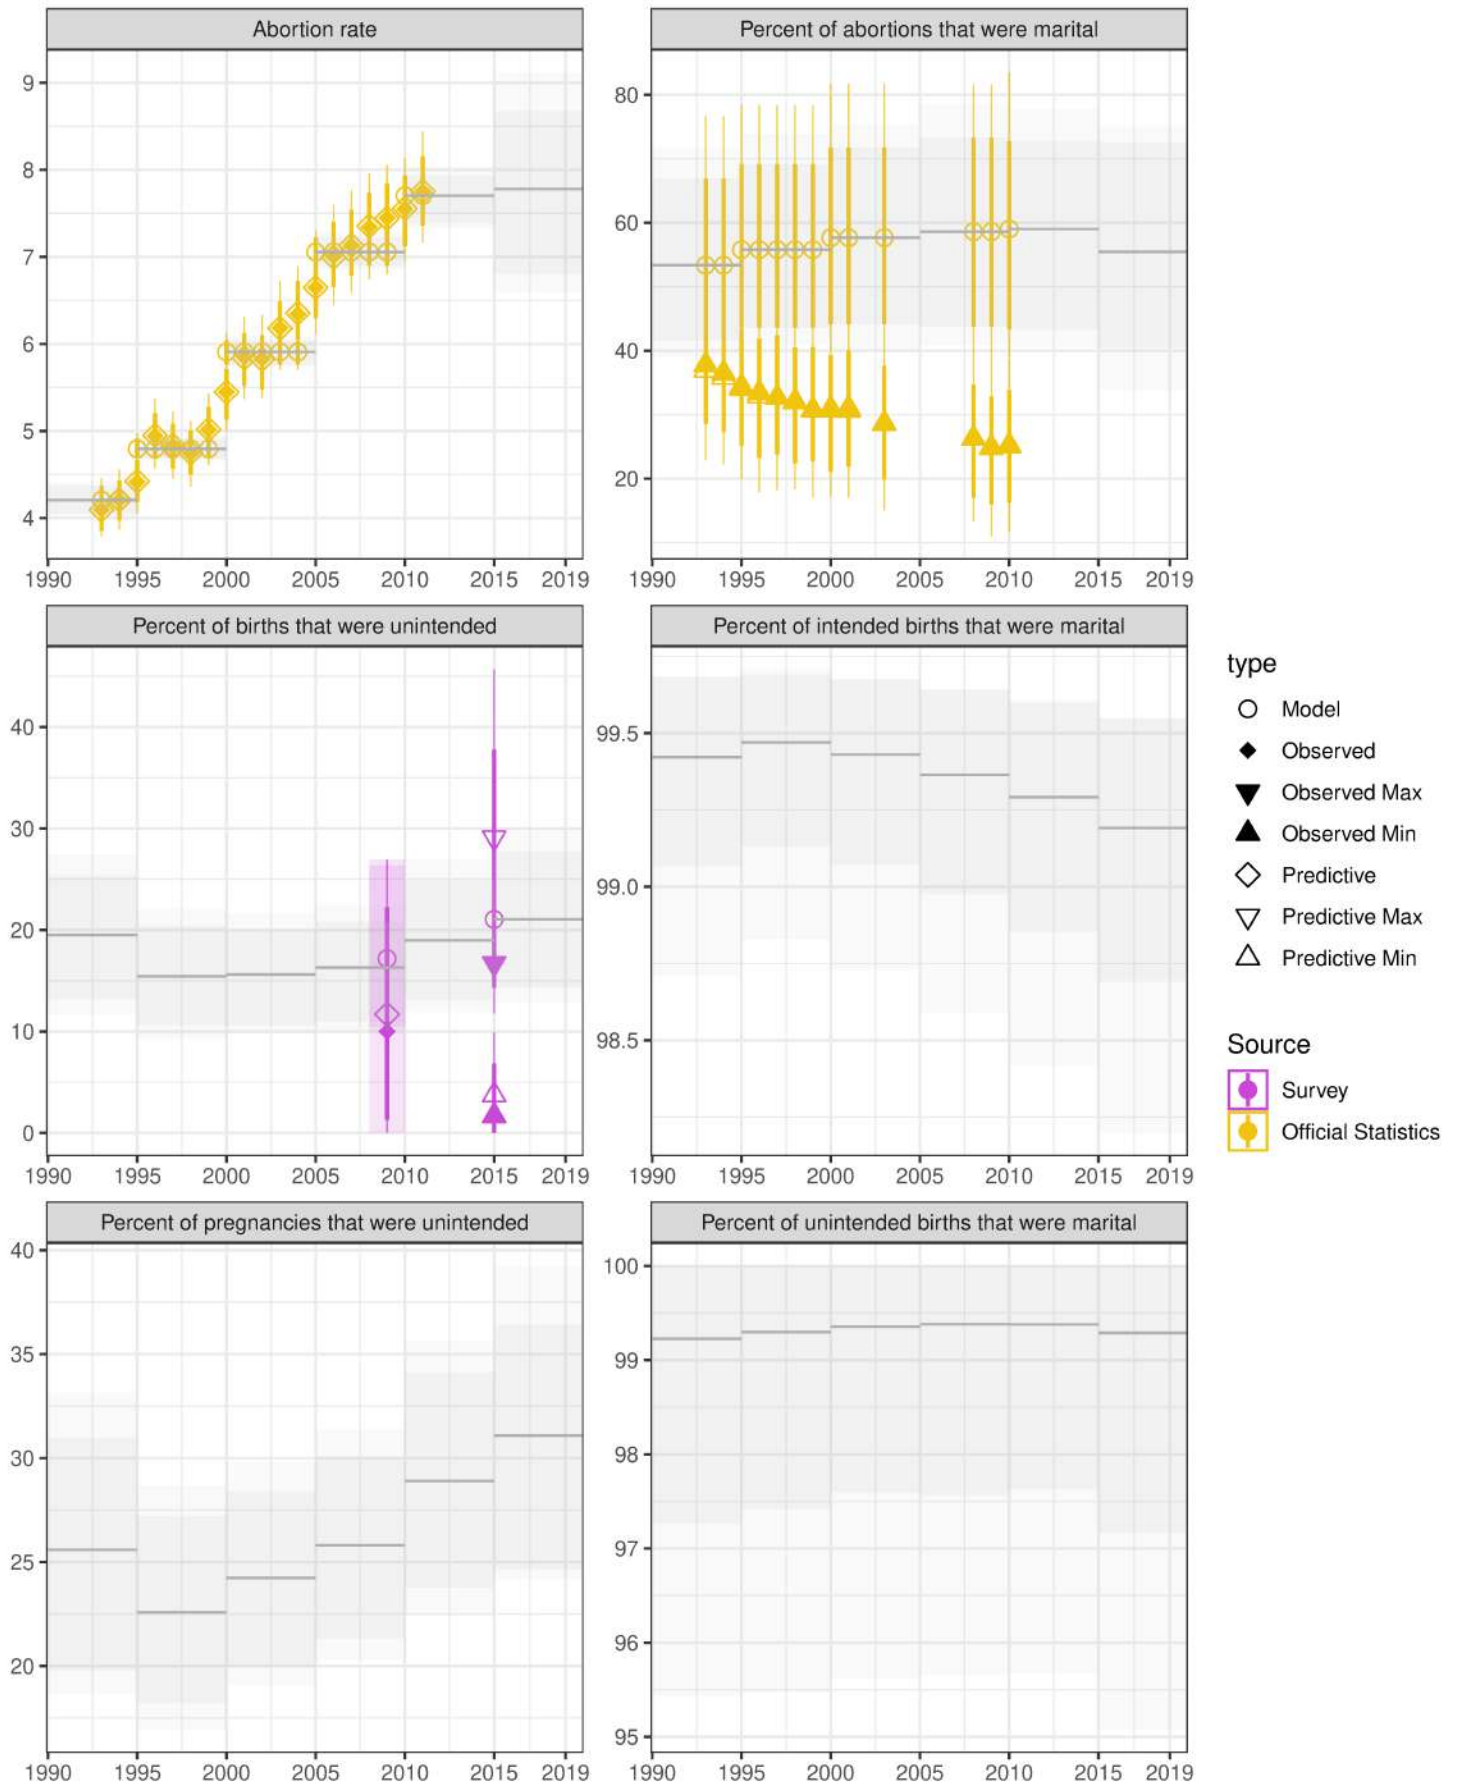

Spain

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

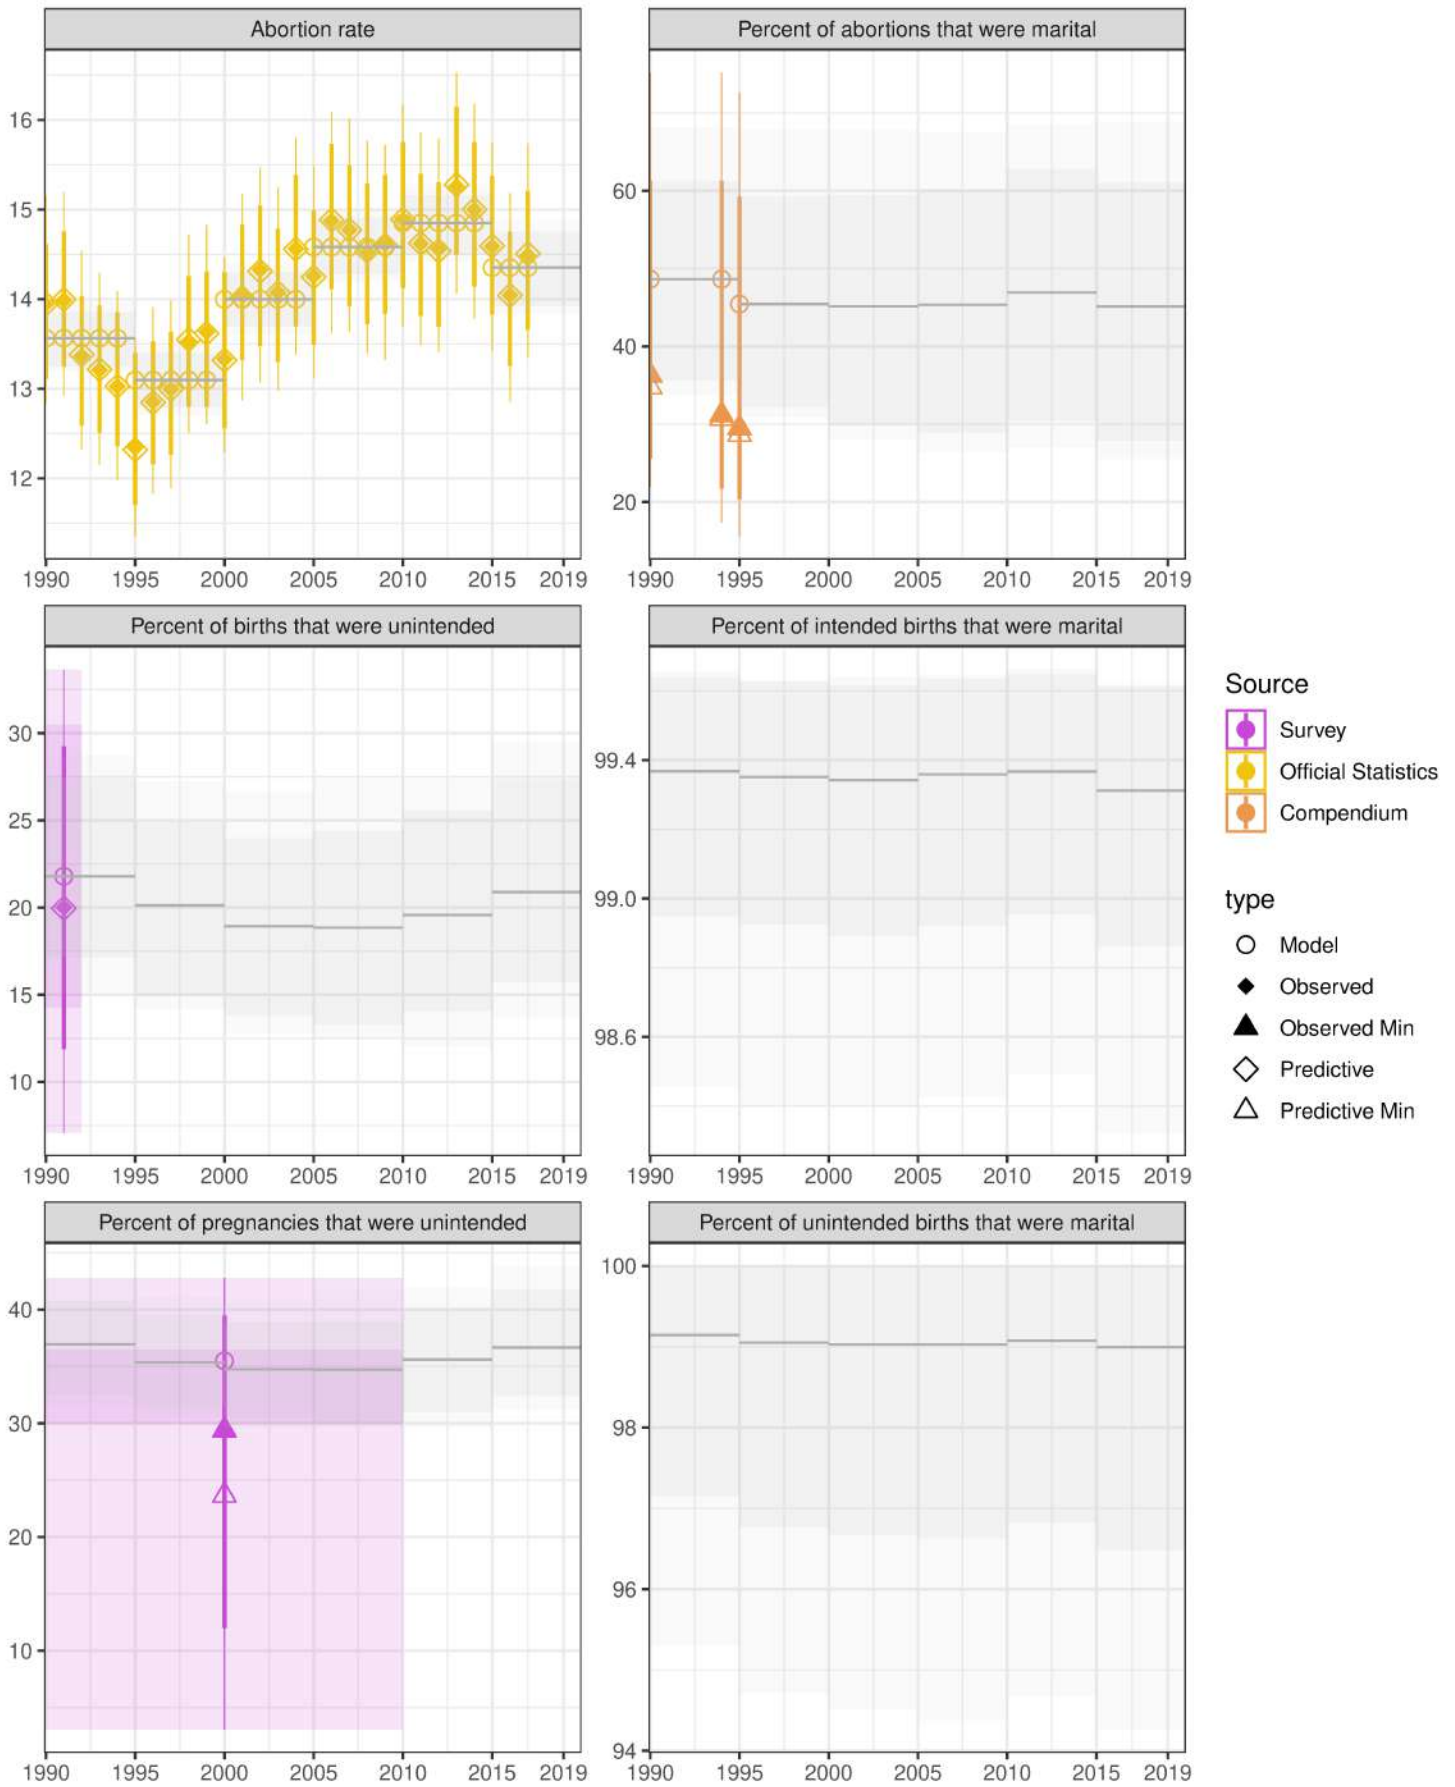

7.4 Western Europe

Belgium

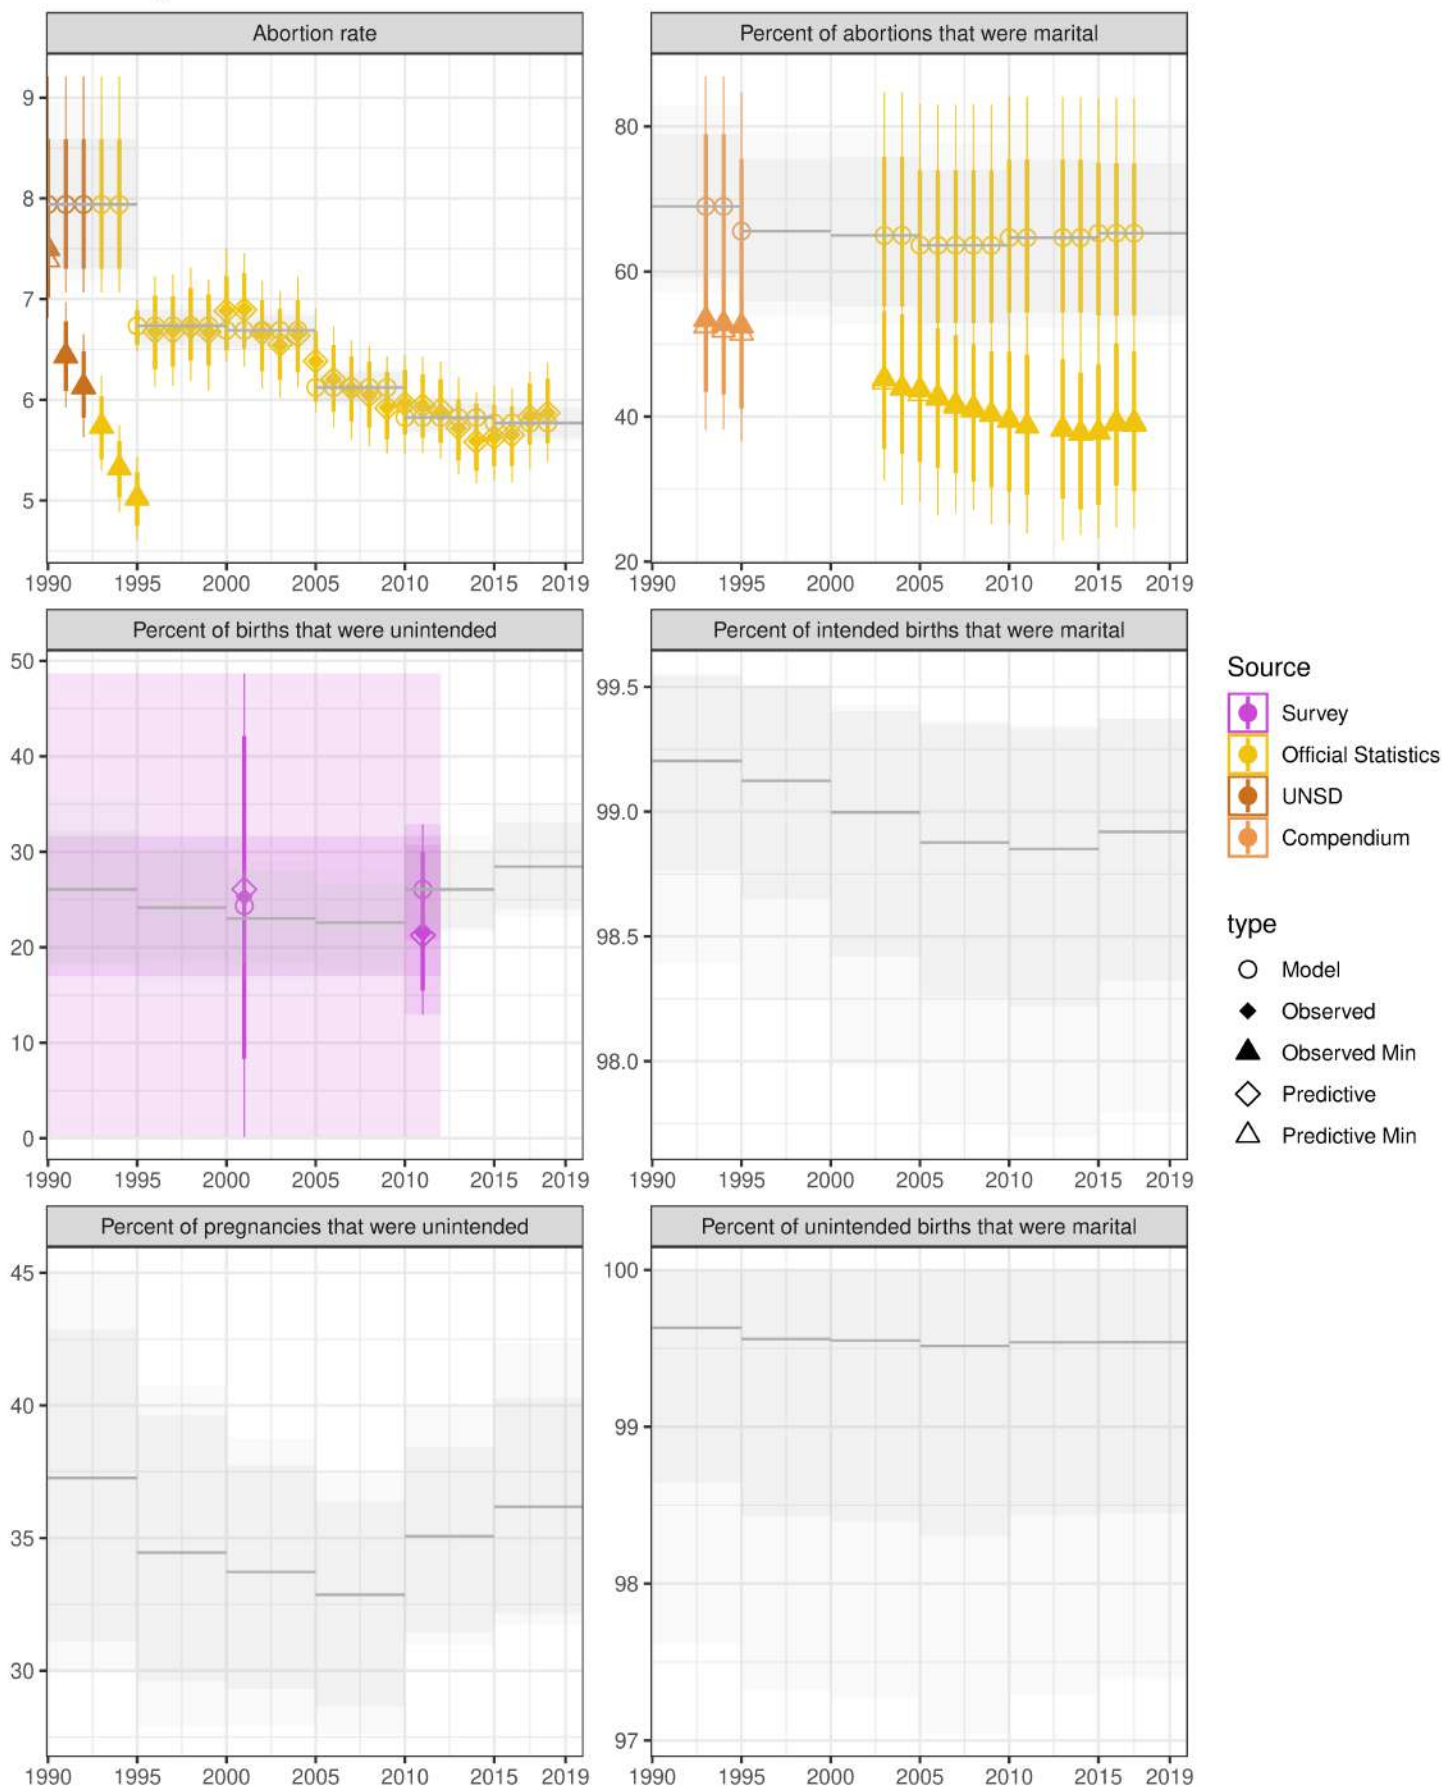

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

France

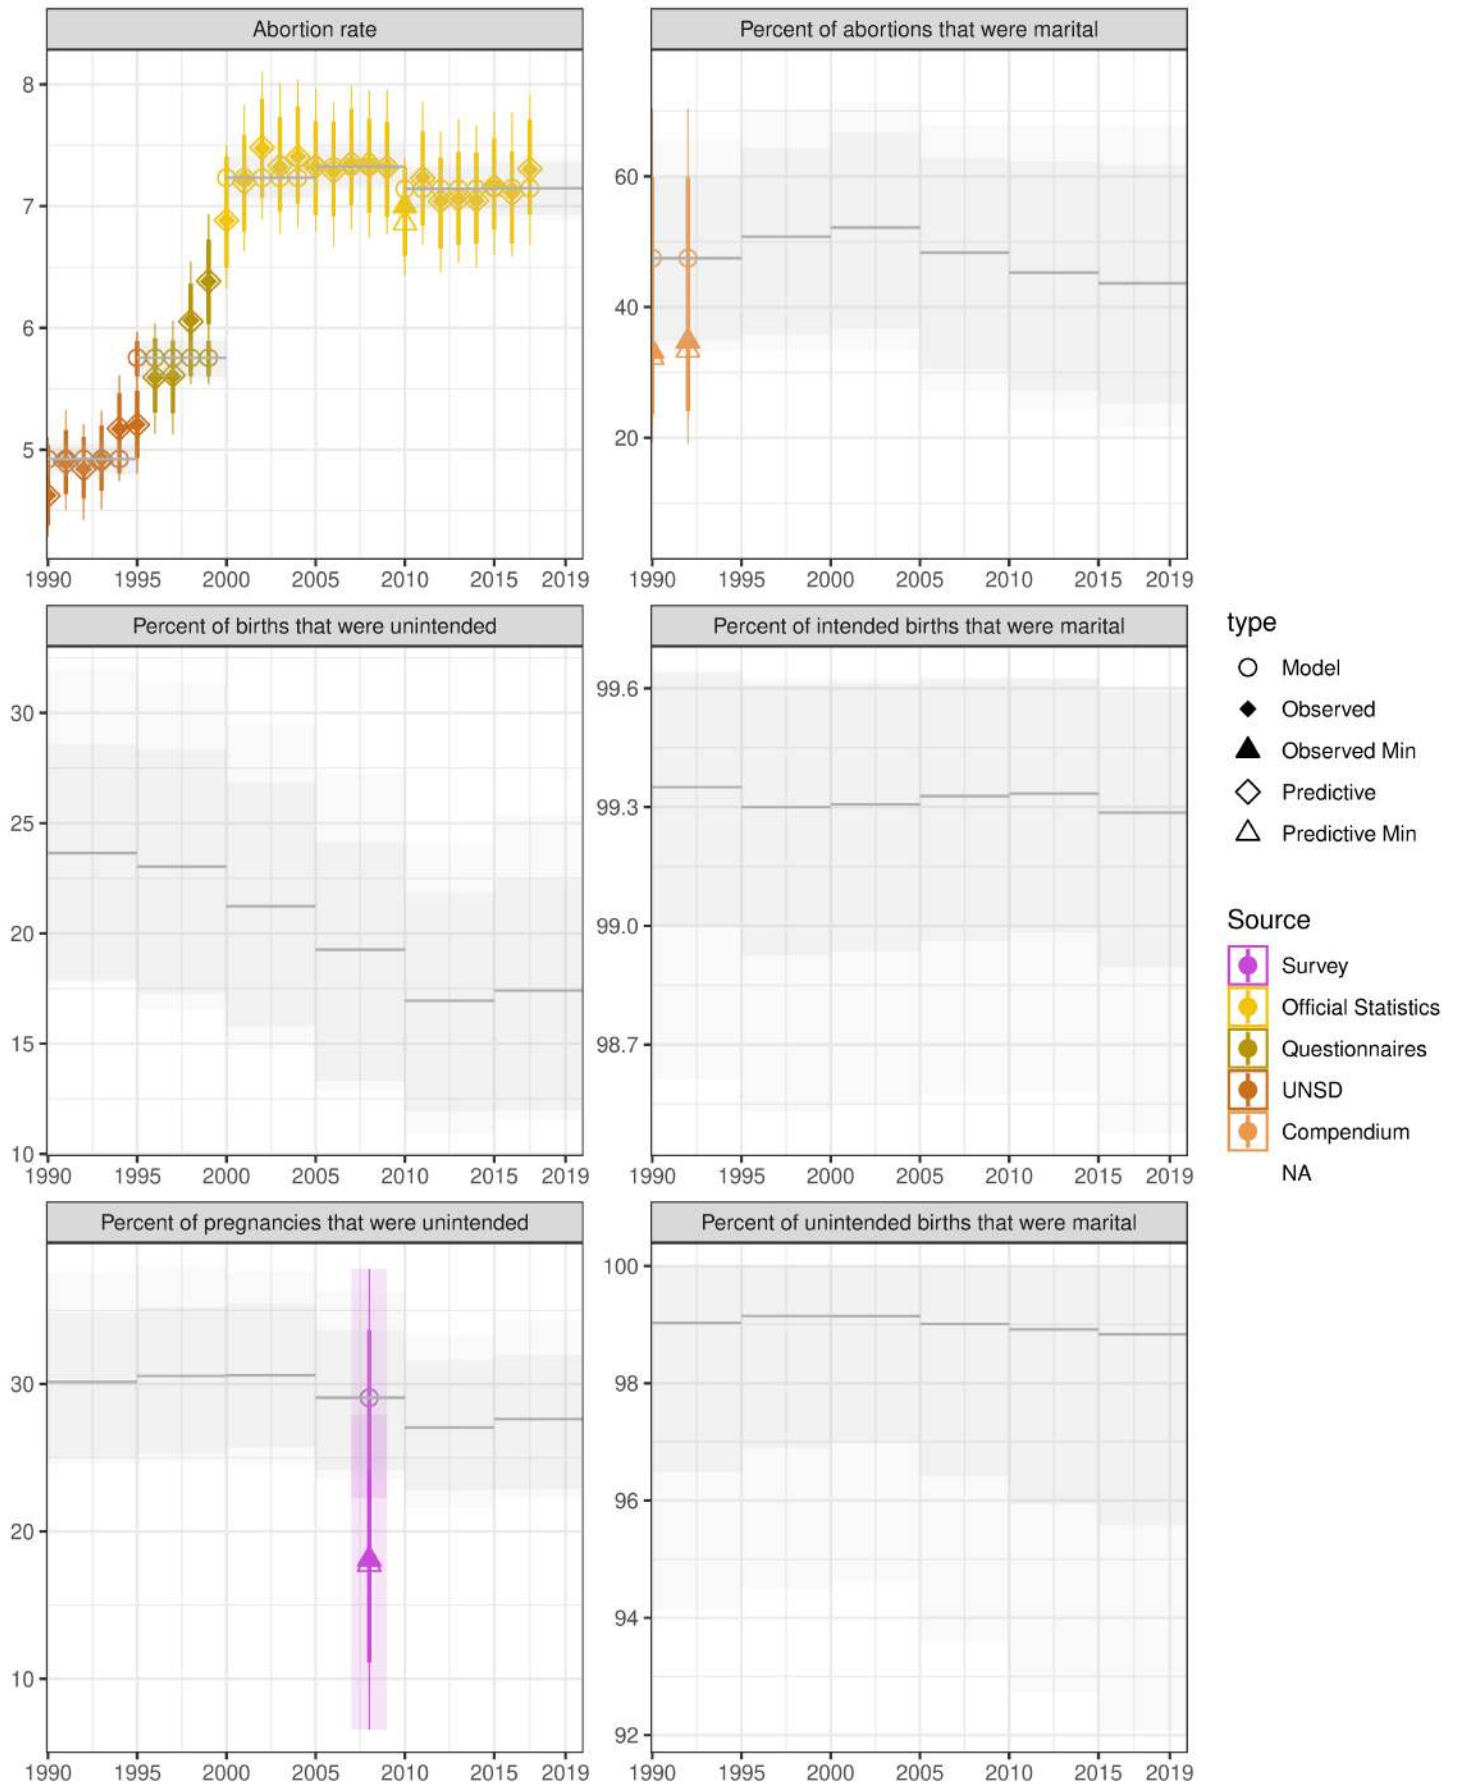

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Germany

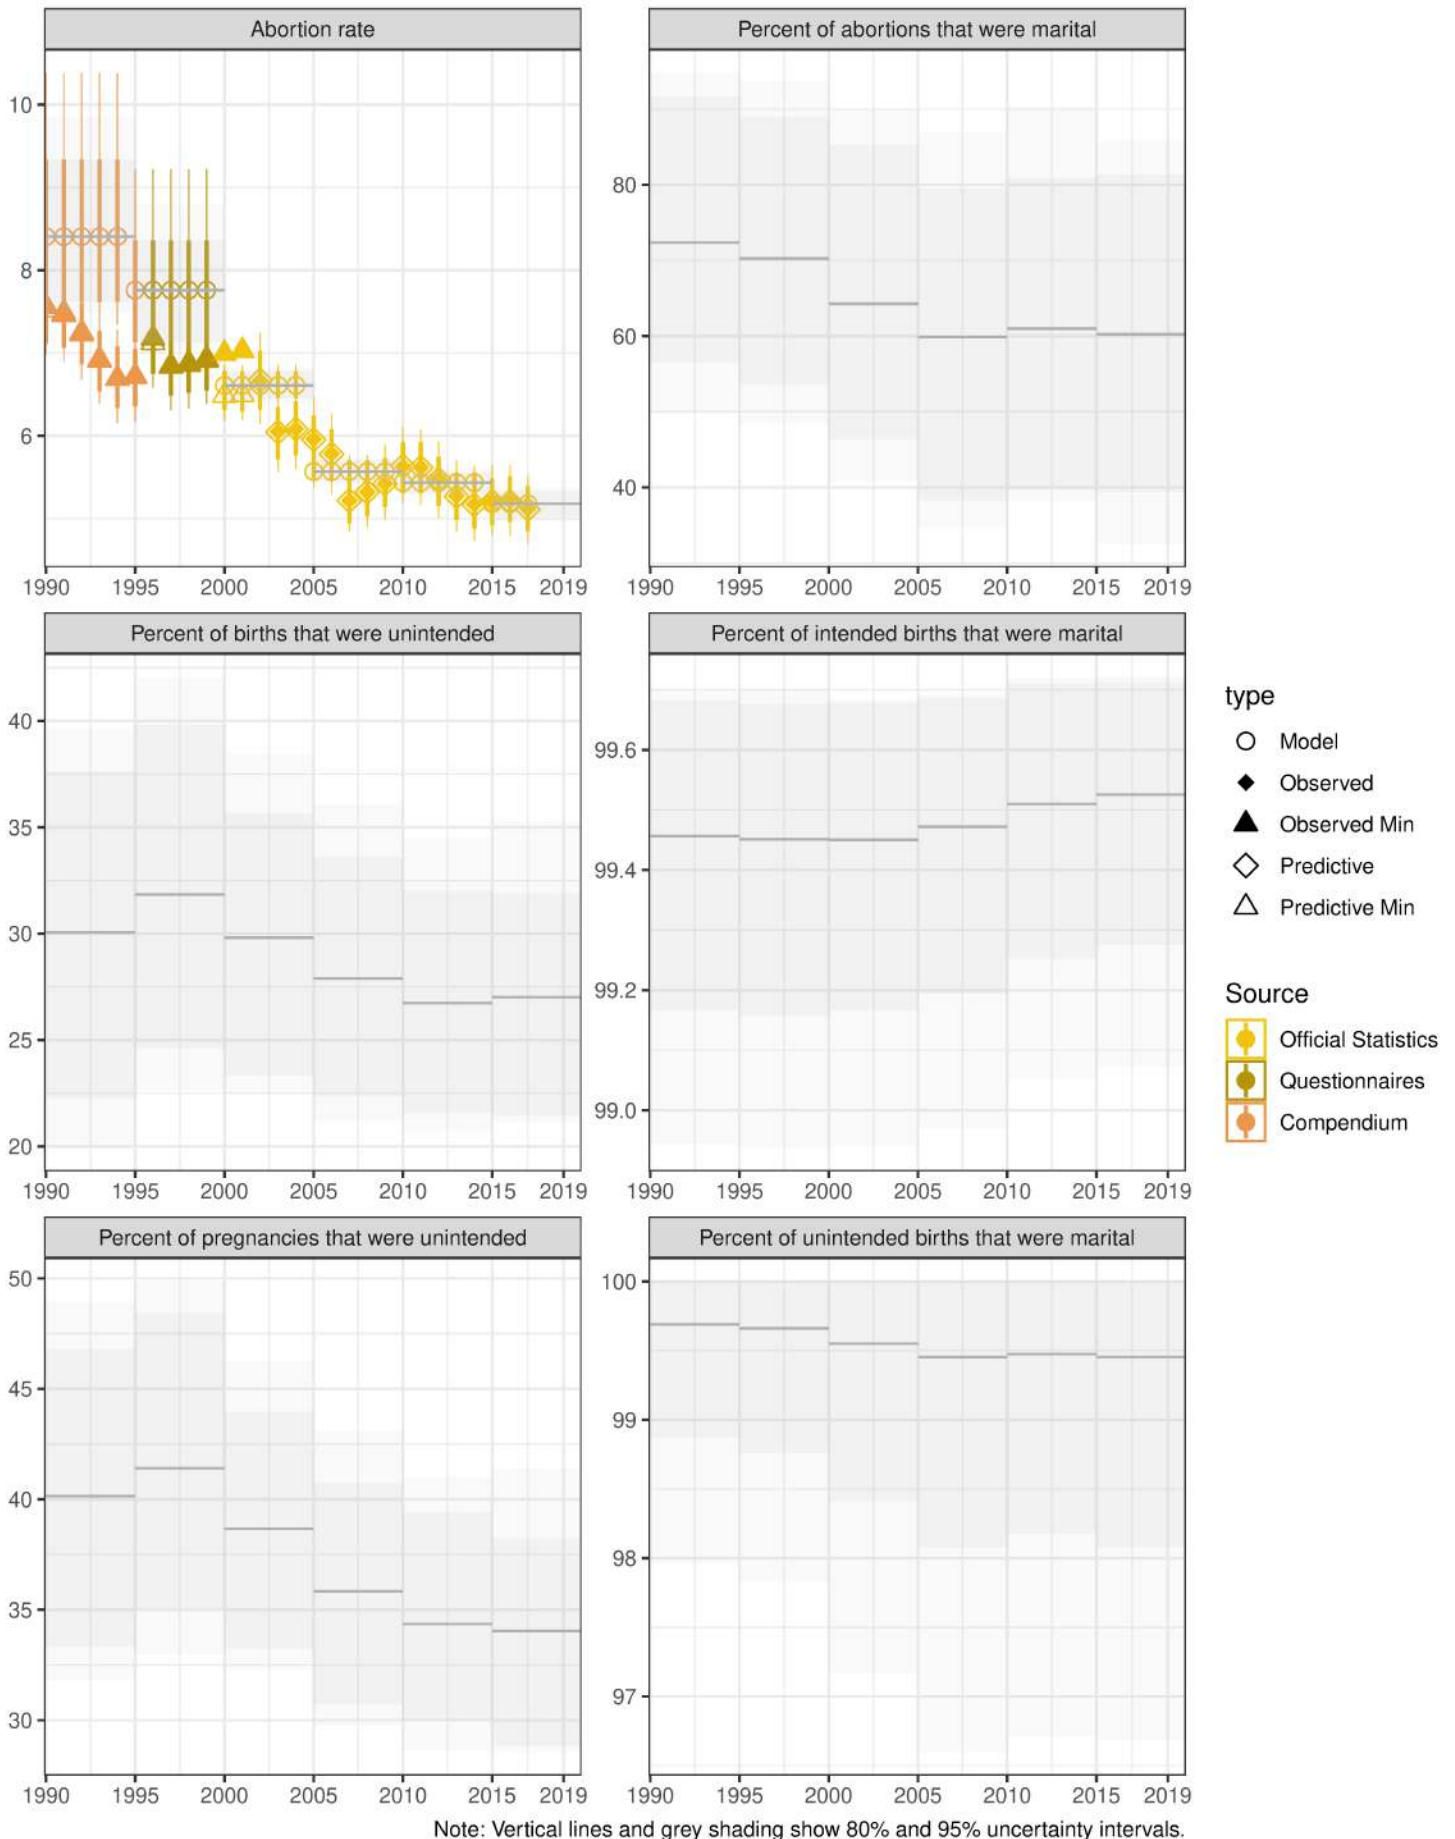

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Netherlands

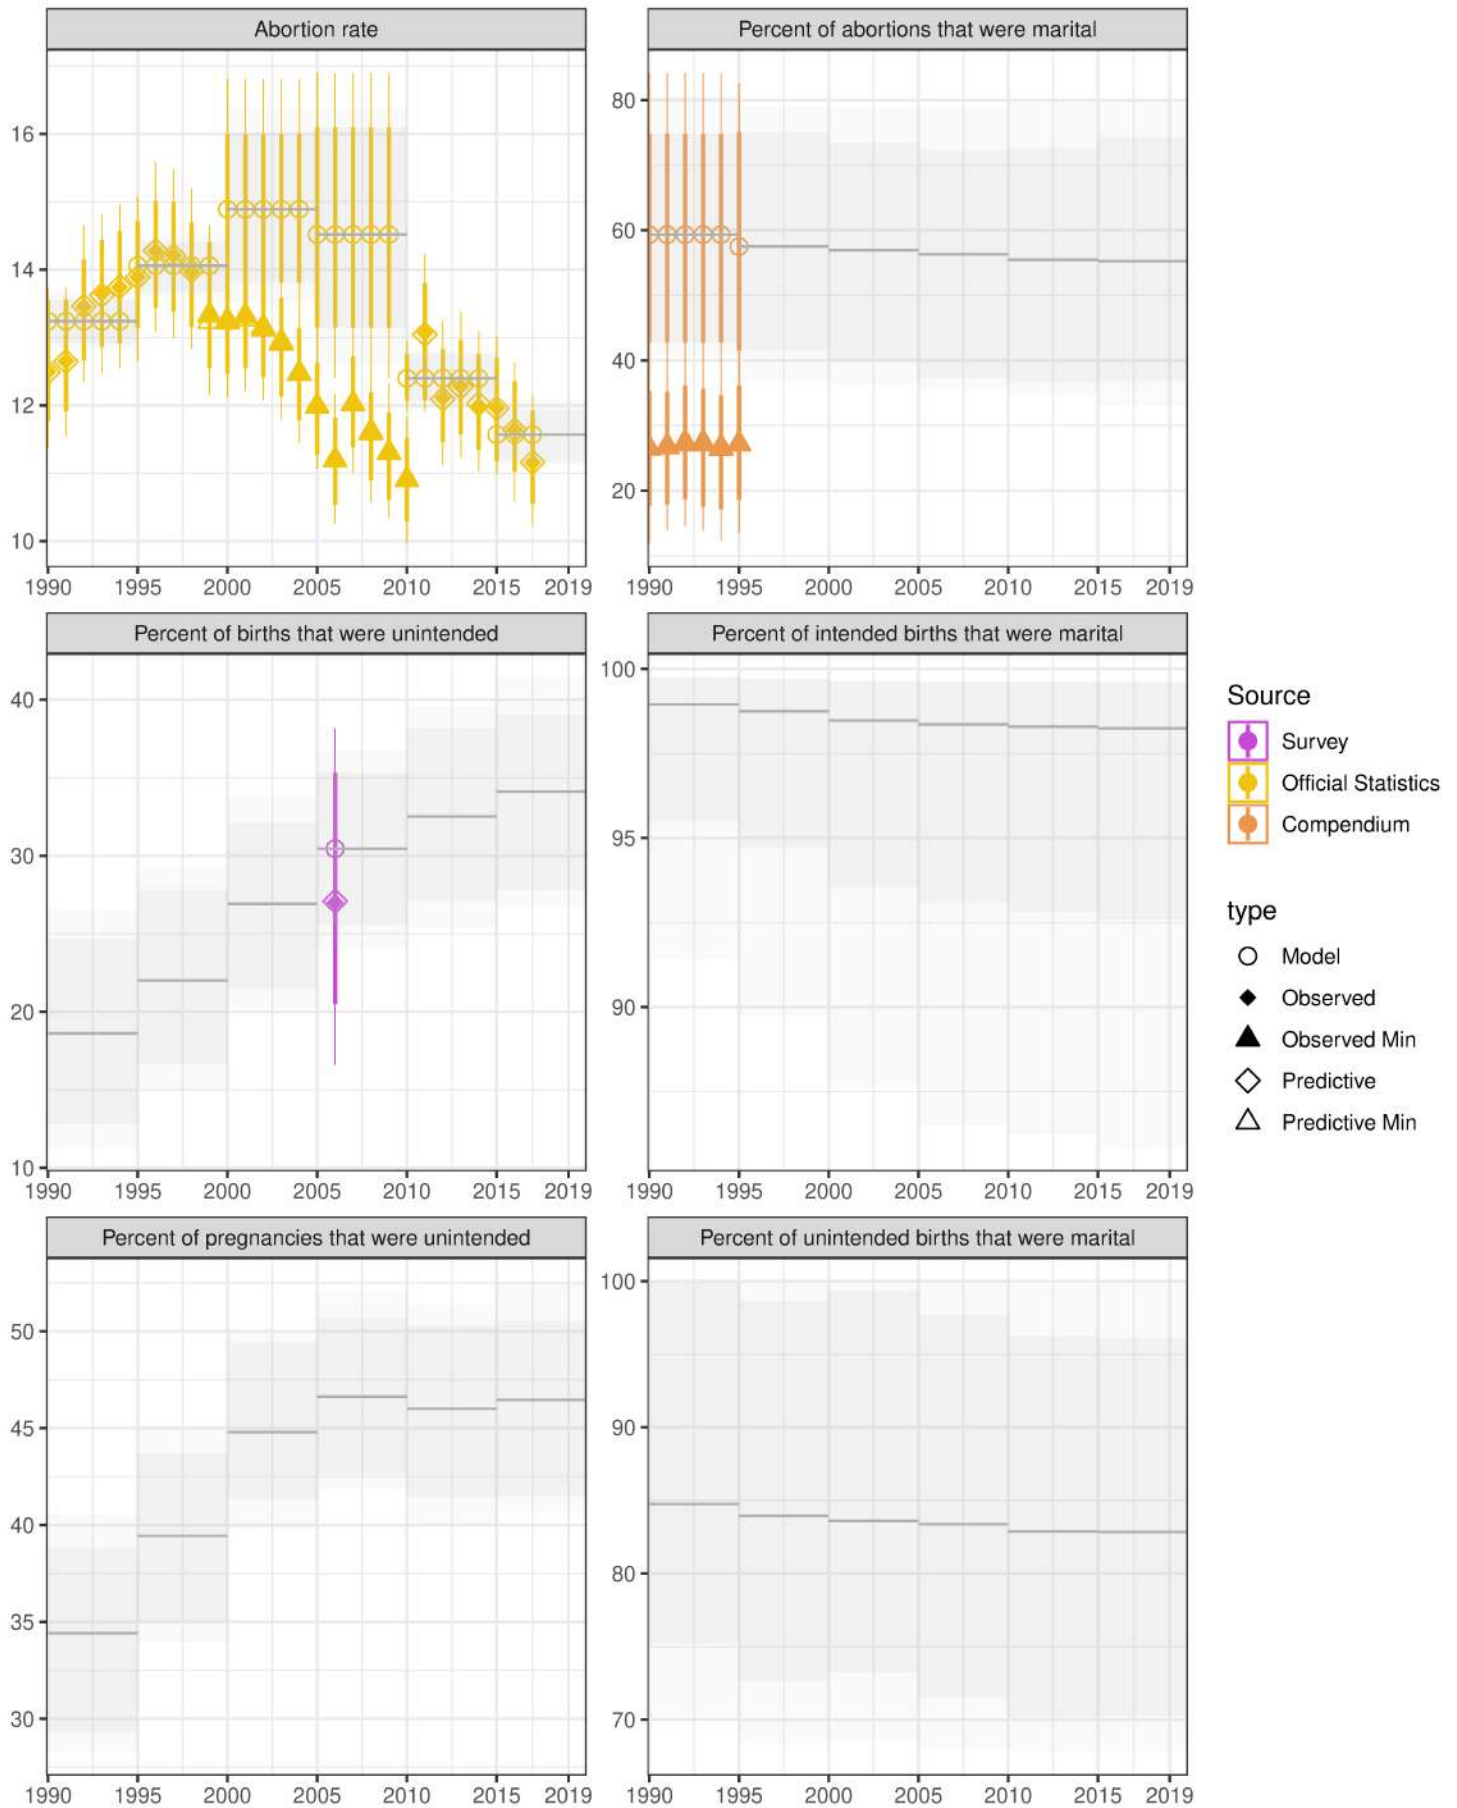

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.

Switzerland

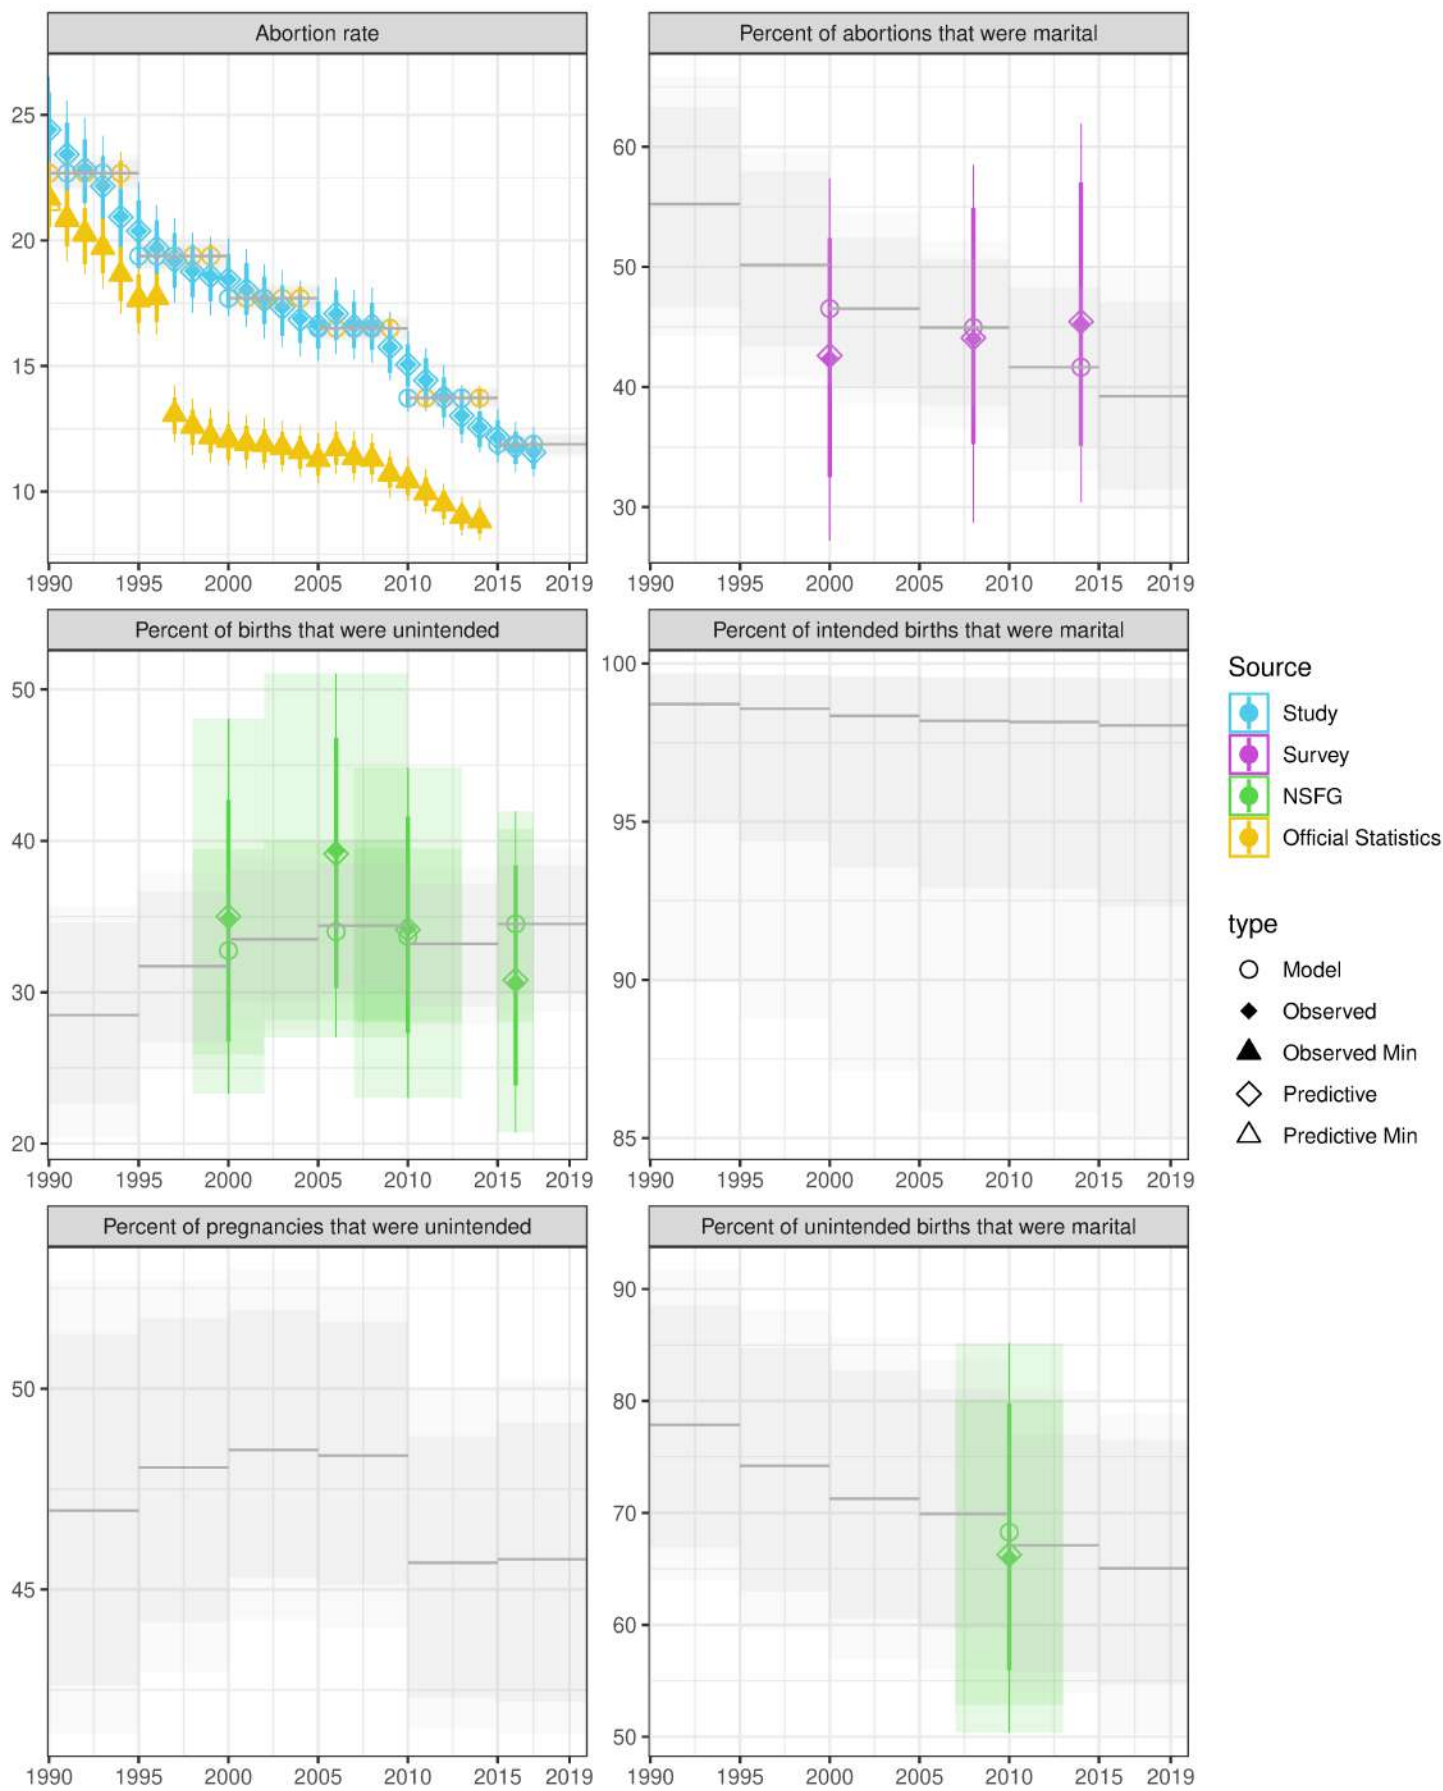

7.5 Northern America

Canada

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals.

United States

Note: Vertical lines and grey shading show 80% and 95% uncertainty intervals. Color shading shows when data were collected, if more than one year.
