

## Supplementary Information

### Safety, pharmacokinetics, and pharmacodynamics of milvexian in healthy Japanese participants

Vidya Perera, Zhaoqing Wang, Susan Lubin, Takayo Ueno, Tomomi Shiozaki, Wei Chen, Xiaohui (Sophia) Xu, Dietmar Seiffert, Mary DeSouza, Bindu Murthy

**Supplementary Table S1.** PK and PD sampling schedule for milvexian.

| <b>Study day</b> | <b>Time<br/>(relative to<br/>milvexian dose);<br/>hour:min</b> | <b>PK blood sample<br/>for plasma</b> | <b>PD blood sample</b> |
|------------------|--|---------------------------------------|------------------------|
| 1                | 00:00  | X                                     | X                      |
| 1                | 00:30  | X                                     | X                      |
| 1                | 1:00   | X                                     |                        |
