- 3. Limited to English [lang]

Final Pubmed search term:

(1 OR 2) AND (3).

## Search results (last search on 20th July 2020):

After excluding irrelevant 2 articles, the final search yielded 14 results, of which, 9 were brief reports/ commentaries, 3 were review articles, 1 was a guideline report on tele-consultation, and only 1 original research article (survey research on acceptance and barriers to telehealth). The full list of articles are listed as follow.
