Dear co-authors,

This is an explanation and confirmation message. During the revision process of the manuscript "Flubendazole induces mitochondrial dysfunction and DRP1-mediated mitophagy in breast cancer by targeting EVA1A", Zhaoxin Yuan made great contributions, including collected the materials and analyzed the data. Therefore, we have invited Zhaoxin Yuan as one of our co-authors. Thus, we confirm with all co-authors whether agree with the above decision. Thank you for everything you have done and we look forward to your kind reply.

Best regards,

Dr. Leilei Fu
