

## Ogo - A Systematic Review of the Epidemiological Literature Assessing Kidney-related Health Outcomes among Residents of Oil and Gas Situated Communities.

### Medline and CINAHL, CAB Abstracts and Greenfile databases - combined search [EBSCO search platform]

- Go to my Libguide <https://libguides.napier.ac.uk/shsc>
- Select **Medline** from the left hand menu. Log in if asked with your student ID and password.
- Go to **Choose Databases** above the search boxes.
- Tick **all** these databases : **Medline** (the main medical database), **CINAHL** (the main nursing database), **CAB Abstracts** (environment) and **Greenfile** (environmental database)
- Type in the search as given below, including the punctuation.

### Search 1 CKD + pollution + Africa
