

CDDIS-22-0072RR Initial Quality Check

It has come to our attention that your most recent author list differs from the one in your original submission. Please request agreement from all authors including additions and deletions, these can be collected in the following way:

Email your co-authors with the change, and ask them to reply to your email confirming that they agree to these changes. Once you have collected these replies, please combine all of the co-authors' email responses in one document and upload this file to your submission.

Thank you for your email about our manuscript entitled "Sex differences in global metabolomic profiles of COVID-19 patients" (**CDDIS-22-0072RR**). All confirmatory emails are below.

Thank you.

Kind regards,
Andrey

Subject: our COVID-19 manuscript

Hi Rocio,

In checking in our manuscript submitted to Cell Death & Disease (CDDIS-22-0072RR; Sex differences in global metabolomic profiles of COVID-19 patients), it has come to their attention that the following must be addressed before we can proceed. I should email all co-authors with the addition of **Guadalupe J. Ortiz**, and ask them to reply to my email confirming that they agree to the addition. Once I have collected these replies, I should then combine all of the co-authors' email responses in one document and upload this file to our submission. Please let me know if you are OK with adding Guadalupe J. Ortiz to our manuscript co-authors.

Thank you.
Andrey
