

AUTHORSHIP AGREEMENT

All requests for authorship changes after submission of a manuscript to *IJREGI* should be made to the Editorial Office. This form must be completed for any authorship changes including adding new authors, removing existing authors, reordering existing authors, or adjusting equal contributor status. The corresponding author must confirm that all authors meet the criteria for authorship as outlined by the Committee on Publication Ethics (COPE) and that all authors agree to the change. All authors who have been added, removed, or reordered need to confirm that they agree to the change by signing the form. Please complete and return this form. The relevant submission will be put on hold and no further processing can occur until the editorial office receives the completed form.

Manuscript number: IJREGI-D-21-00101

Manuscript title: Seroprevalence of anti-SARS-CoV-2 antibodies in Senegal: a national population-based cross-sectional survey, between October and November 2020

Would you like to change the authorship of your paper? (Please tick one of the following):

- Yes (please fill in box below with all necessary signatures):

The nature of change(s) in authorship (Please check one of the following):

- Change de Corresponding Author:
- Add new author(s);
- Remove existing author(s);
- Change the order of authorship;
- Others (please specify): Contribution as co-authors

Detailed reason for the change:

A statistical engineer who has worked widely in data analysis, we forgot to mention her name among the authors in the first submission.

Dr Ousmane FAYE and Dr Inès VIGAN-WOMAS have contributed equally as co-last senior authors to this work: conception, methodology, supervision, coordination, data curation, data analysis, validation of the underlying data and writing of the manuscript.

Indicate the specific change:

Adding a new author

Name	Mareme Seye Thiam
Email address	Mareme.THIAM@pasteur.sn
Institution	Institut Pasteur de Dakar
