

Appendix

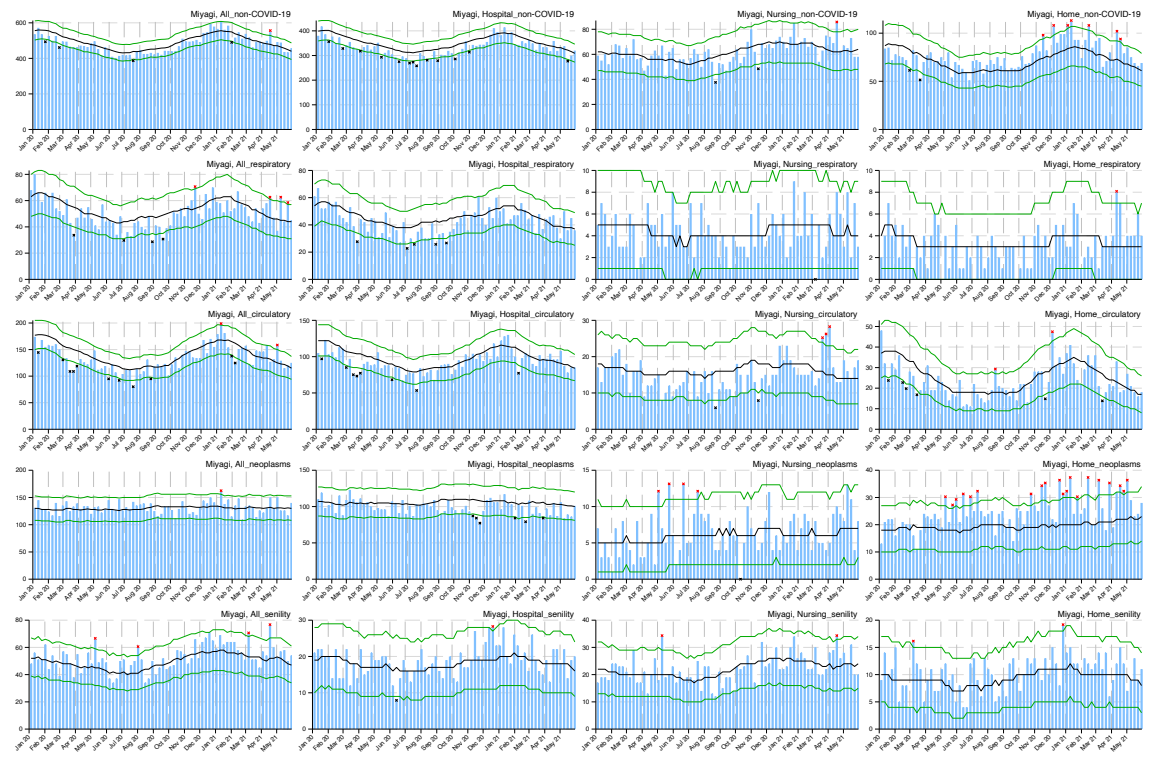

Figure A: Weekly observed and 95% upper/lower bounds of the expected weekly number of deaths in 47 prefectures from January 2020 through June 2021 by cause categories and by place of death.

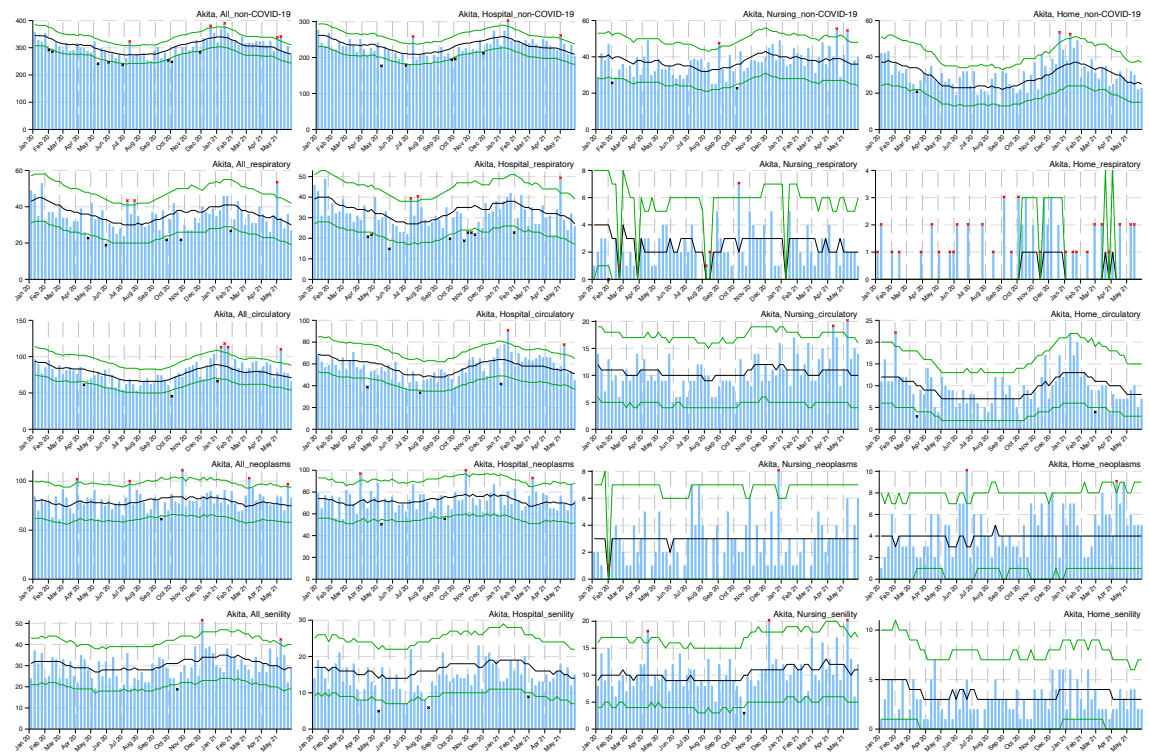

Blue bar indicates the observed number of deaths, black line indicates the expected number of deaths, green lines indicate the 95% upper and lower bounds of the expected number of deaths, red asterisk indicates the observed count above the upper bound, and black asterisk indicates the observed count below the upper bound.
