

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: Underlying data Fig. 1 and Supp.Fig 3.

File name: Supplementary Data 2

Description: Survival analysis.

File name: Supplementary Data 3

Description: Underlying data Fig. 2a-d.

File name: Supplementary Data 4

Description: Underlying data Fig. 2e-g.

File name: Supplementary Data 5

Description: lncRNAs associated to breast cancer cell lines.

File name: Supplementary Data 6

Description: Underlying data Fig. 4b-g.

File name: Supplementary Data 7

Description: Underlying data Fig. 5.

File name: Supplementary Data 8

Description: Sample IDs used in analysis.

File name: Supplementary Data 9

Description: SCAN-B kallisto TPM values.

File name: Supplementary Data 10

Description: TCGA-BRCA kallisto TPM values.
