

Description of Additional Supplementary Files

File name: Supplementary Data 1

Description: The PDB file of docking complex of MLF-FPR1

File name: Supplementary Data 2

Description: The PDB file of docking complex of tBOC-MLF-FPR1

File name: Supplementary Data 3

Description: The PDB file of docking complex of WKYMVm-FPR1

File name: Supplementary Data 4

Description: The PDB file of docking complex of AG14-FPR1

File name: Supplementary Data 5

Description: The PDB file of docking complex of compound17b-FPR1
