Dear Global Emergency Care Colleagues and Partners

ACEM COVID-19 Online GEC Monthly Support Forums - 19 January to 20 April 2021

The ACEM Global Emergency Care Committee (GECCo) is holding the ACEM COVID-19 Online GEC Support Forums for **all Emergency Care workers** working in resource-limited systems in low and middle-income countries, who are managing the impact of the COVID-19 pandemic. These Forums will be held monthly from 19 January to 20 April 2021 at 1pm.

The Support Forums are hosted by an experienced multi-disciplinary team including ACEM GEC and nursing faculty members. They will offer direct peer-support plus opportunities to workshop issues raised, to investigate the possibility of future collaboration and the development of support resources to address any outstanding needs.

The key themes to be addressed at each Forum are: Clinical Care, Systems and Space, Supplies and Staff
