

Data Sharing Statement

Data

Data available: Yes

Data types: Deidentified participant data

How to access data: <https://vivli.org/ourmembers/roche/>

When available: With publication

Supporting Documents

Document types: None

Additional Information

Who can access the data: Qualified researchers requesting data, whose proposed use of the data has been approved

Types of analyses: For any purpose

Mechanisms of data availability: After approval of a proposal

Any additional restrictions: Anonymized records for individual patients across more than one data source external to Roche cannot, and should not, be linked due to a potential increase in risk of patient re-identification. For up to date details on Roche's Global Policy on the Sharing of Clinical Information and how to request access to related clinical study documents, see here: https://go.roche.com/data_sharing.
