

Original Western Blot for exosome characterization

Alix

CD63

TSG101

Original Western Blot of RYK expression

RYK

β -actin

Original Western Blot of EMT-related protein expression

E-cadherin

N-cadherin

β -actin

Original Western Blot of pathway-associated protein expression

Phosphorylated JNK (p-JNK)

Phosphorylated c-Jun (p-c-Jun)

ZEB1

β -actin
