Consolidated Framework for Implementation Research User Survey

Research Information Sheet

Please complete the survey below.

Thank you!

Please enter your name:

_____

Please enter your email address:

_____

The first part of the survey is about how you have used the CFIR in your work:

How many projects (e.g., research studies, quality improvement projects) have you done that used the CFIR?

_____

Please list publication titles:

_____

Which settings have you used the CFIR in? Please check all that apply:

☐ Healthcare
☐ Public Health
☐ Education
☐ Agriculture
☐ Other

Please describe:

_____

How have you used the CFIR? Please check all that apply:

☐ To guide data collection (e.g., developing an interview guide or survey items)
☐ To guide data analysis (e.g., coding data)
☐ To guide interpretation (e.g., translating findings to align with CFIR contructs)
☐ To design an implementation strategy
☐ Other

Please describe:

_____

Have you used and/or developed quantitative measures based on the CFIR?

○ Yes
○ No

Please list publication titles:

_____

Please list the name(s) of quantitative measures used:

_____

Have you used the CFIR in conjunction with another theory, model, or framework?

○ Yes
○ No

What frameworks have you used with the CFIR?

_____

Why did you use other frameworks with the CFIR?

_____

The second part of the survey is about your overall assessment of the CFIR based on your own experiences with its use:

	Yes	Partially	No	Uncertain
Is the CFIR applicable across different settings (e.g., healthcare and non healthcare settings)?	○	○	○	○
Is the CFIR applicable for different types of innovations (e.g., clinical interventions, process changes, new guidelines)?	○	○	○	○
Is the CFIR more complicated than necessary?	○	○	○	○
Is the CFIR organized in a logical way that is easy to understand?	○	○	○	○
Is it easy for implementation researchers to use the CFIR?	○	○	○	○
Is it easy for people who are not implementation researchers to use the CFIR?	○	○	○	○
Is the CFIR suitable for helping people to identify and prioritize determinants of change in practice that should be considered when designing implementation strategies?	○	○	○	○
Is the CFIR likely to be useful to people designing implementation strategies?	○	○	○	○
Is the CFIR likely to be useful for reporting determinants of practice in research?	○	○	○	○
Does the CFIR help to advance or build theory?	○	○	○	○
Does the CFIR help to compare findings across studies?	○	○	○	○

Please share any comments:

_____

REDCap

The third part of the survey is about your recommendations for existing domains and/or constructs in the CFIR.

Are the constructs and domains (groups of constructs) labeled and explained in a way that is easy to understand?

◯ Yes
◯ No
◯ Uncertain

Please describe any recommendations you have to revise existing domain and/or constructs names and/or definitions below.

To review the CFIR Domains and Constructs visit: https://cfirguide.org/constructs/ or download the attachment below.

[Attachment: "cfir_guide.pdf"]

I. INTERVENTION CHARACTERISTICS

A. Intervention Source

_____

B. Evidence Strength and Quality

_____

C. Relative Advantage

_____

D. Adaptability

_____

E. Trialability

_____

F. Complexity

_____

G. Design Quality and Packaging

_____

H. Cost

_____

II. OUTER SETTING

A. Patient Needs and Resources

_____

B. Cosmopolitanism

_____

C. Peer Pressure

_____

D. External Policies and Incentives

_____

III. INNER SETTING

A. Structural Characteristics

_____

B. Networks and Communications

_____

C. Culture

_____

D. Implementation Climate

_____

1. Tension for Change

_____

2. Compatibility

_____

3. Relative Priority

_____

4. Organizational Incentives and Rewards

_____

5. Goals and Feedback

_____

 REDCap

6. Learning Climate

_____

E. Readiness for Implementation

_____

1. Leadership Engagement

_____

2. Available Resources

_____

3. Access to Knowledge and Information

_____

IV. CHARACTERISTICS OF INDIVIDUALS

A. Knowledge and Beliefs about the Intervention

_____

B. Self-Efficacy

_____

C. Individual Stage of Change

_____

D. Individual Identification with Organization

_____

E. Other Personal Attributes

_____

V. PROCESS

A. Planning

_____

B. Engaging

_____

1. Opinion Leaders

_____

2. Formally Appointed Internal Implementation Leaders

_____

3. Champions

_____

4. External Change Agents

_____

C. Executing

_____

D. Reflecting and Evaluating

_____

The final part of the survey is about your recommendations to add or remove any domains and/or constructs in the CFIR.

Are potentially important domains and/or constructs missing from the CFIR?	◯ Yes ◯ No ◯ Uncertain

Please describe any recommendations you have to ADD any domains and/or constructs to the CFIR:

_____

Are domains and/or constructs included in the CFIR that should not be?	◯ Yes ◯ No ◯ Uncertain

Please describe any recommendations you have to REMOVE any domains and/or constructs from the CFIR:

_____

Do you have any other recommendations for updating the CFIR or other insights you would like to share?

_____
