Supplementary Figure 1. Multivariable logistic regression to predict testing of *KRAS, NRAS or BRAF*

Odds Ratios with 95% Wald Confidence Limits
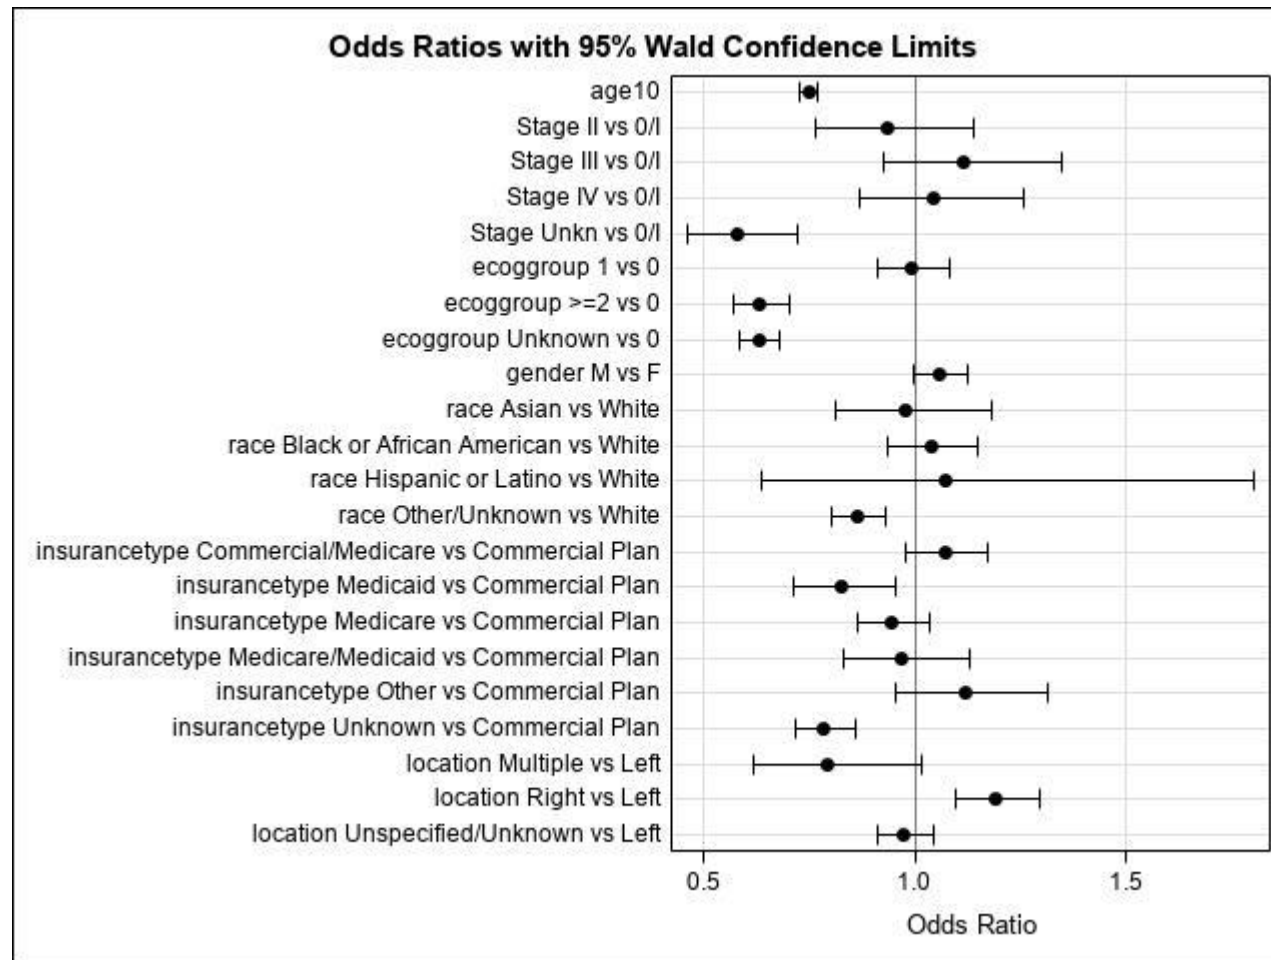

Supplementary Figure 2. Multivariable logistric regression to predict testing of *KRAS, NRAS* or *BRAF* with age and ECOG PS interaction
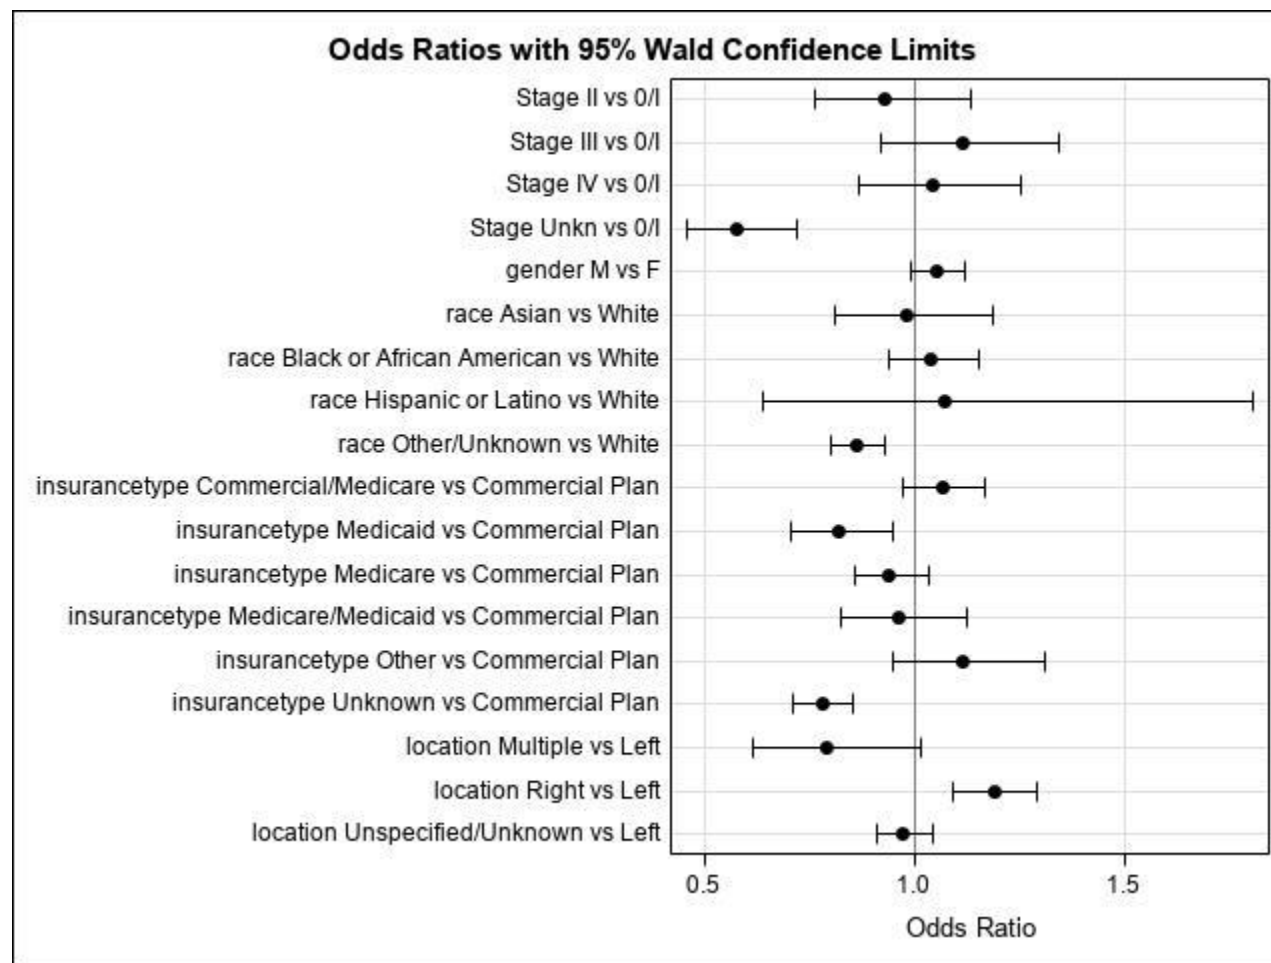

Supplementary Figure 3. Multivariable logistic regression to predict MSI testing

Odds Ratios with 95% Wald Confidence Limits
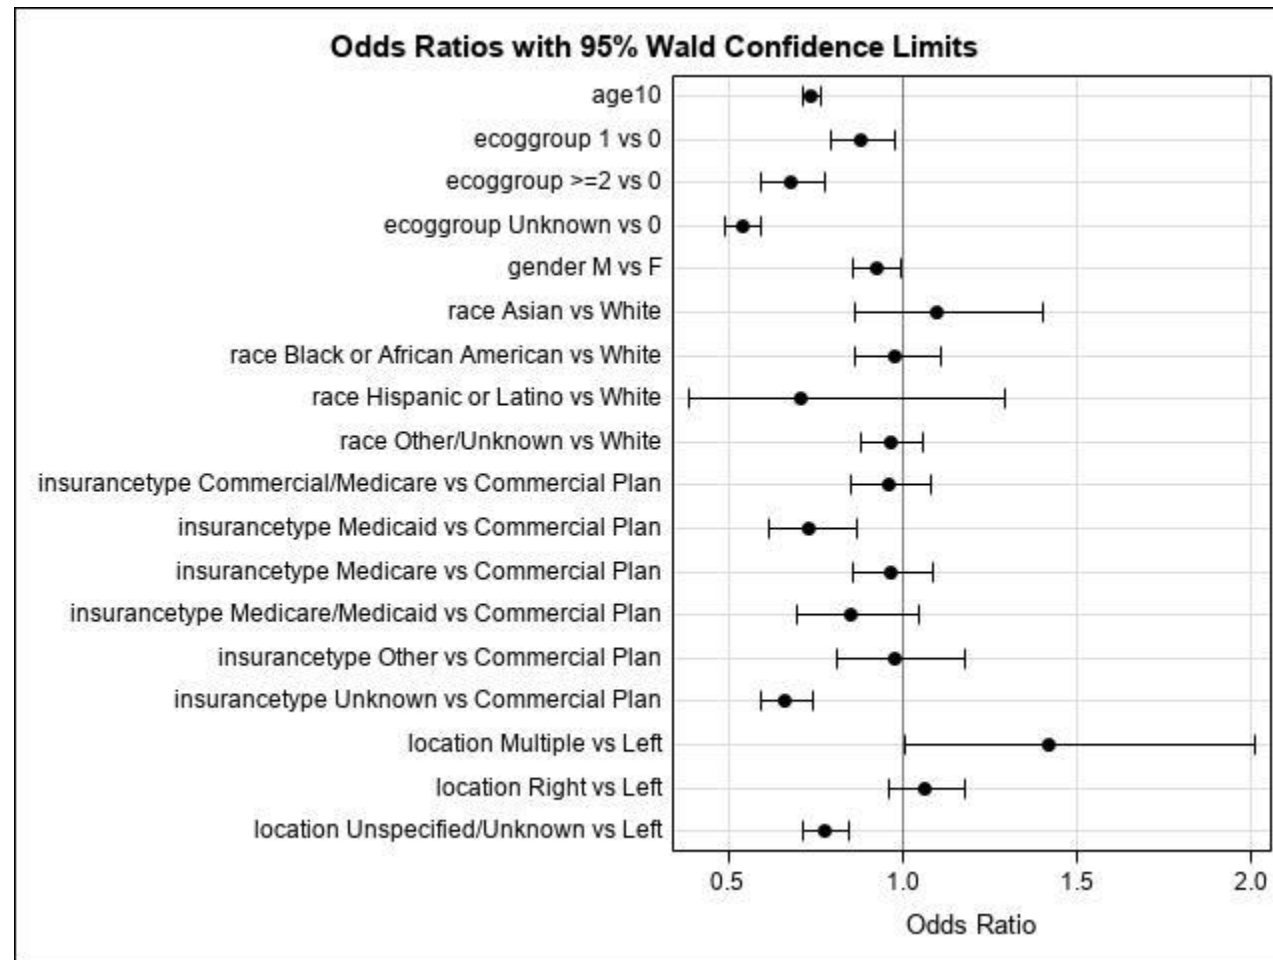

Supplementary Figure 4. Multivariable logistic regression to predict MSI testing with age and ECOG PS interaction
