

Supplementary Figure S2: A. Raw Gene Level Segmentation

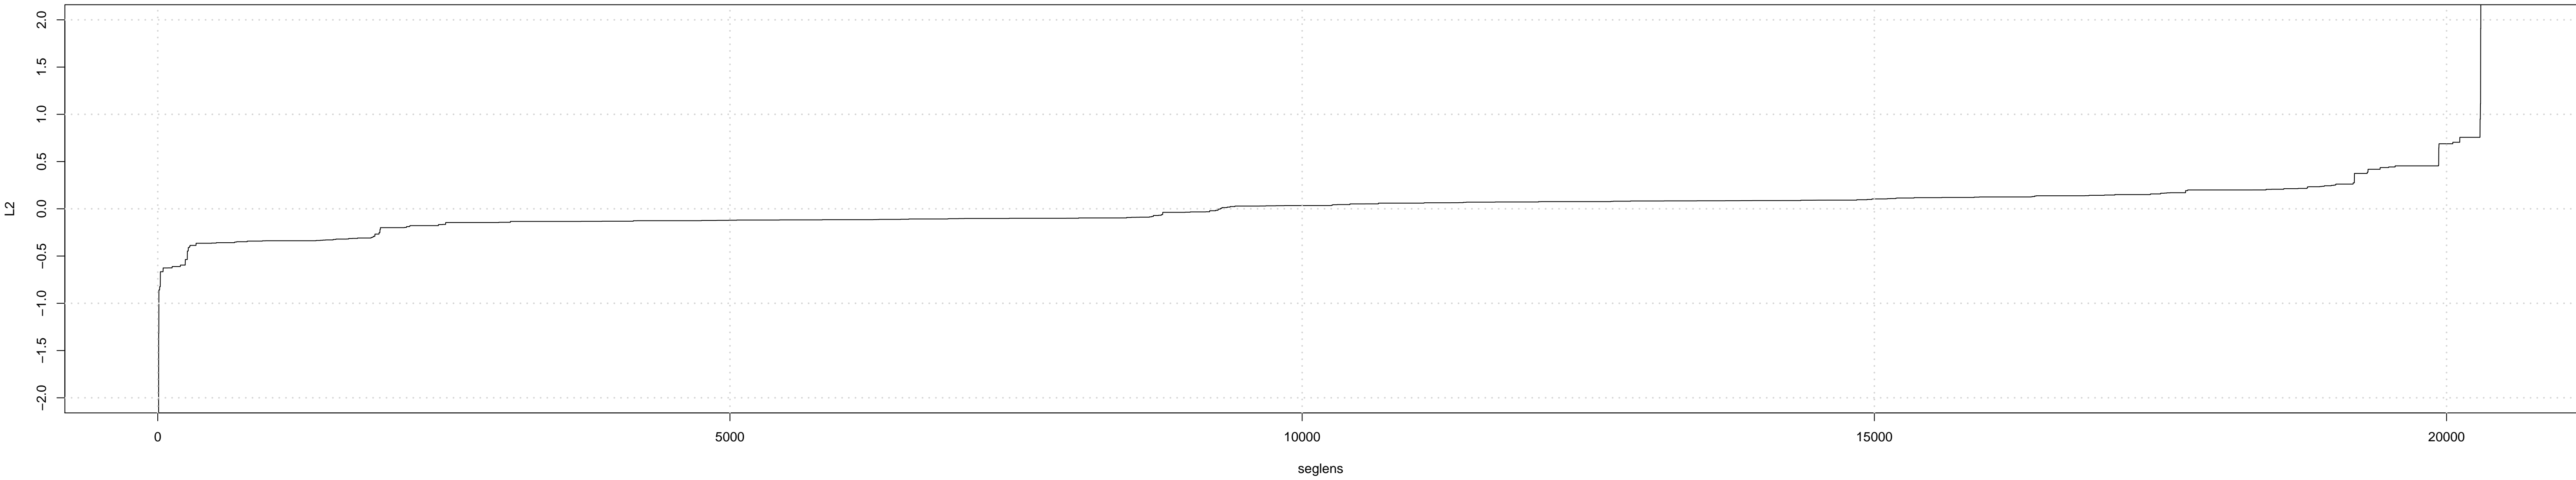

Supplementary Figure S2: B. raw histogram of Gene Level Segmentation

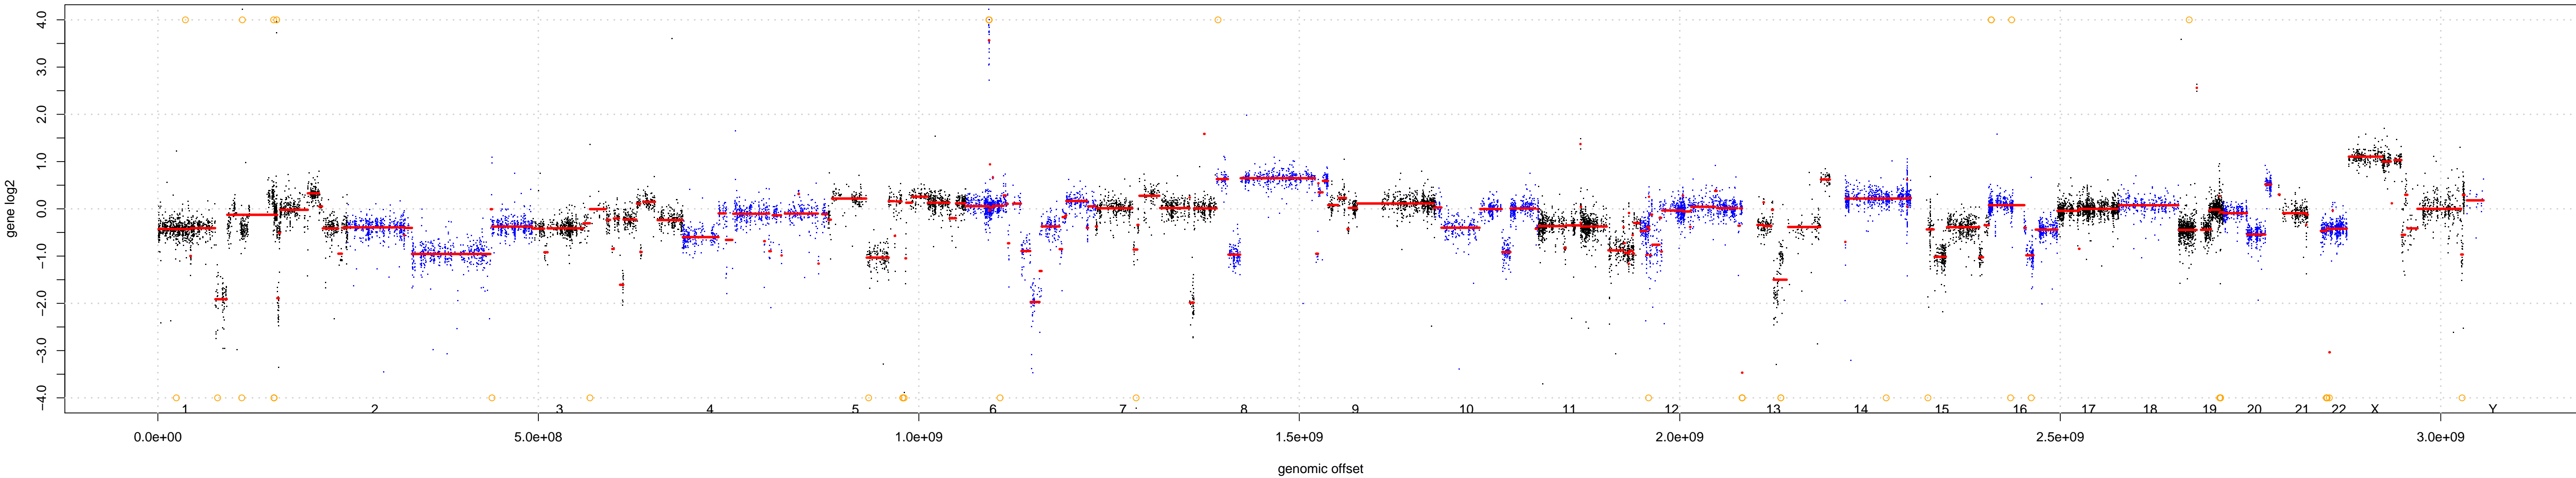

Supplementary Figure S2: C. raw smoothed distribution of Gene Level Segmentation

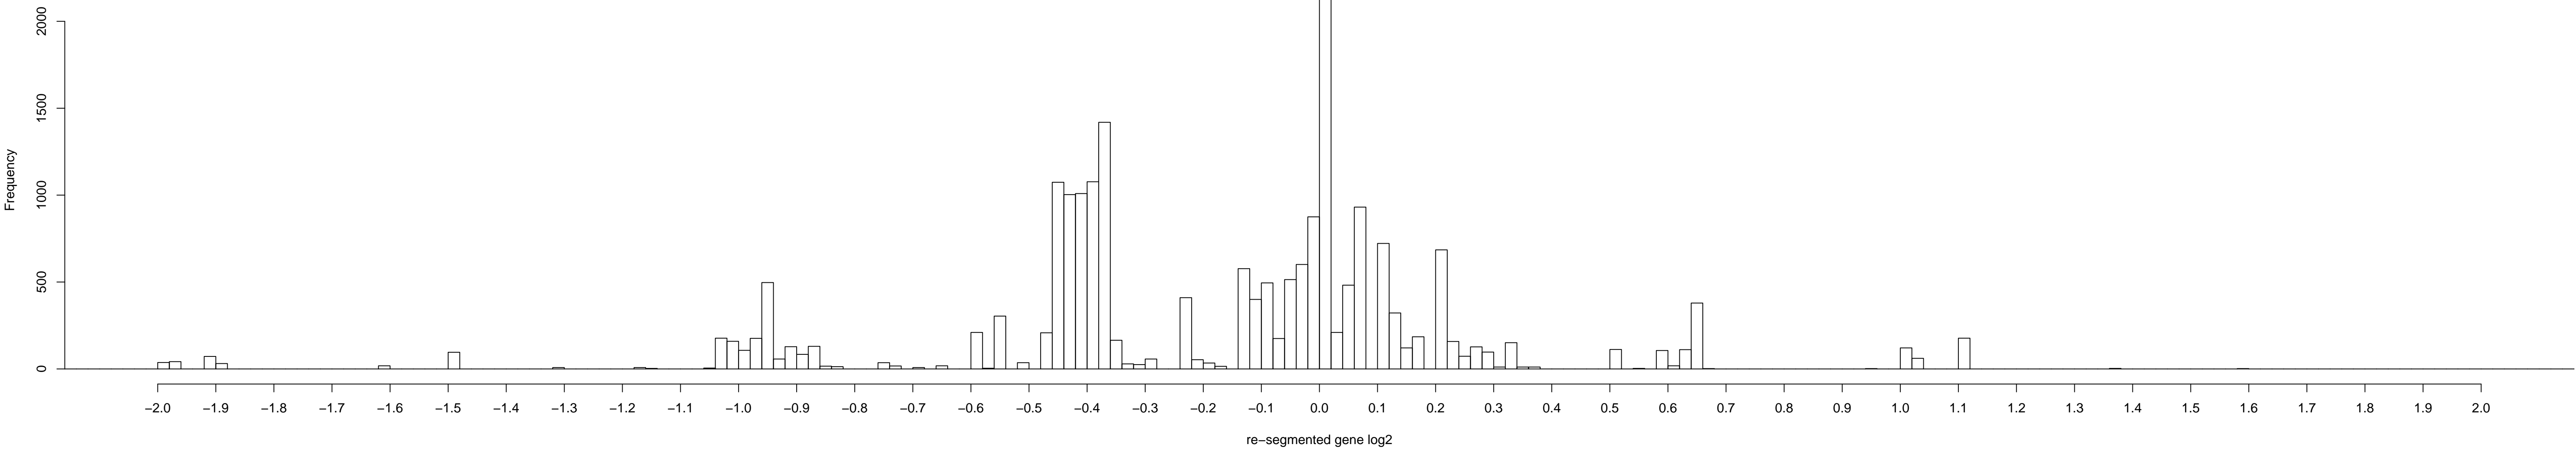

Supplementary Figure S2: D. Unscaled segments plot

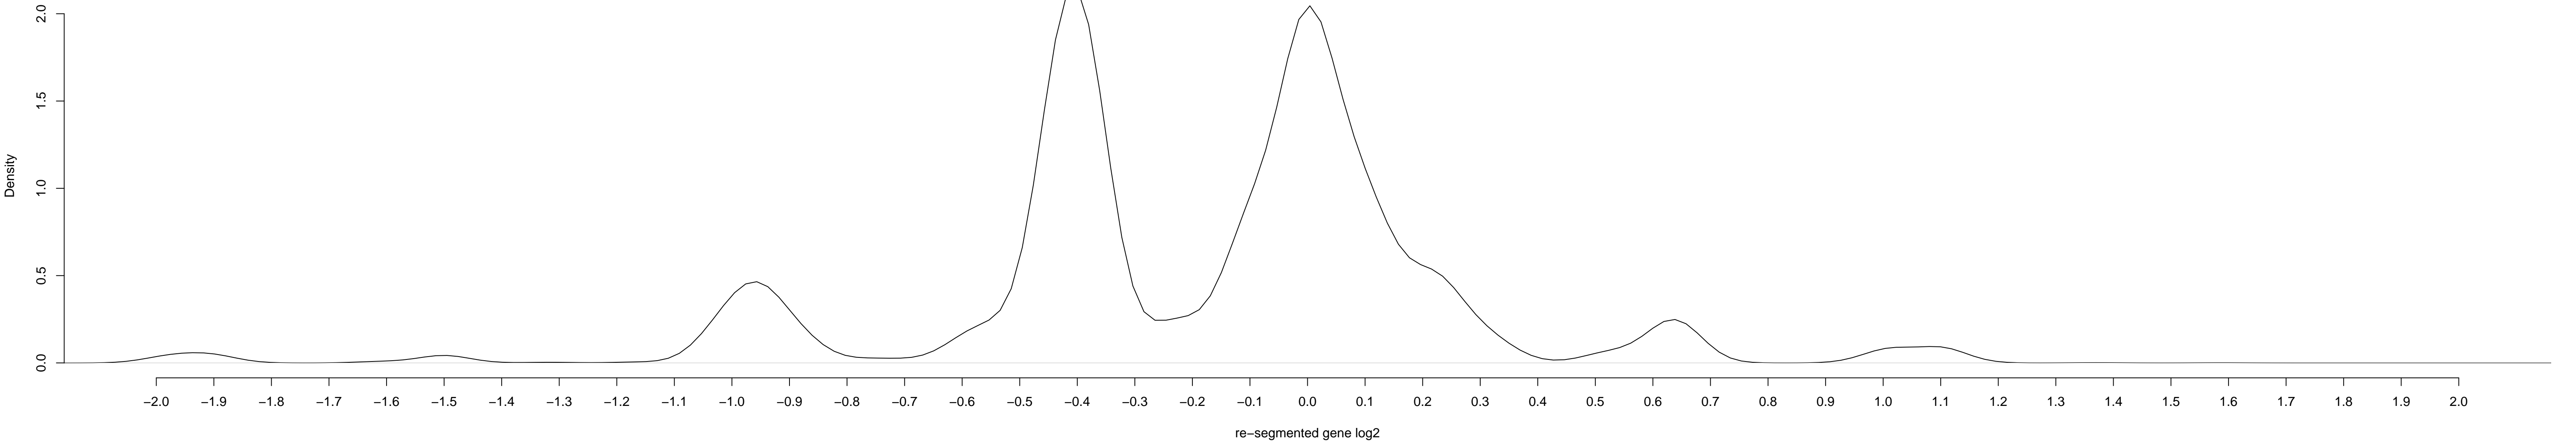

Supplementary Figure S2: E. Purity-adjusted Gene Level Segmentation

Supplementary Figure S2: F. Purity-adjusted histogram of Gene Level Segmentation

Supplementary Figure S2: G. Purity-adjusted smoothed Gene Level Segmentation

Supplementary Figure S2: H. Purity-rescaled segmented plots (tetraploid sample)
