

Supp-Figure 1 : Progression rate in groups of patients with 1, 2, 3, 5 or more years of follow-up

Supp-Figure 2 Individual value of the autoAbs for predicting progression (AUC)

Supp-Figure 3 : Individual added value of the autoAbs over the clinical data only model (AUC)

Supp-Figure 4 : Progression rate in groups of patients with different status for 3 autoAbs (ACPA/RF/anti-CarP)
